* * * WOMEN'S STUDIES ARCHIVES * * *

Women's Studies Archives is a project designed to document and preserve the history of women in northwest Ohio. The CAC staff is interested in identifying, inventorying, acquiring, and preserving historical material relative to women in northwest Ohio. These materials include organizational records (minutes, annual programs, scrapbooks), personal records (diaries, letters, journals), photographs and published works. If interested in providing information on potential collections, in donating collections, or in learning more about the program, contact Ann Bowers or Jill Smith at the Center.

* * * NEED HELP? * * *

The CAC reference staff will be glad to search for specific information (obituaries, naturalization records, birth and death records, etc.) if the necessary information is provided (*i.e.*, full name, date). There is a search fee of \$2.50 per half hour for the first hour and \$10.00 per hour after the first. It is our experience that most inquiries can be completed within 30 minutes if the question is stated clearly and the information provided is accurate. Photocopies are 20¢ per exposure for xerox copies/25¢ per exposure from microfilm.
