Changes in Football Rules For 1924

Abolition of Artificial Tees and Change in Kickoff

All kickoffs this year will be made from the center of the field instead of the kicking team's forty yard line as heretofore. All artificial tees, including scraping up of earth, have been abolished on the kickoff, all place kicks, and free kicks.

Shift Plays

This year's rule provides that on all shift plays, players must come to an absolute stop and remain stationary in their new positions sufficiently long to prevent any doubt in the minds of the officials regarding the legality of the play. In case of doubt, the play is to be ruled illegal and a five-yard penalty inflicted.

Change in Position of Ball in Try For Point

After a touchdown when a team attempts a try for point, the ball may now be placed on the three-yard line instead of the five-yard line as heretofore.

The "Screen" Forward Pass

Under the forward pass rule this year, players on the team making the pass who are ineligible to receive the same must keep out of the way, after crossing the line of scrimmage, of defensive players who have an opportunity to intercept the pass. This is aimed to prevent the "screening" of the man about to receive a pass by guards, tackles, etc., getting in the way of defensive players who are trying to reach the ball.

Onside Kick

Onside kicks have been more definitely legislated again by saying that if a kicked ball crosses the scrimmage line, no one of the kicker's side can touch or recover the ball without penalty until it has touched an opponent, but any man may recover a kicked ball which has not crossed the line of scrimmage.

Whistle and Pistol

The rules committee has officially decreed that no one but the referee may use a whistle whereas formerly it was merely recommended. Other officials must use a horn or some other means of signaling so that there is no chance of confusion in the minds of the players. The rules committee has also recommended that the time keeper shall shoot off a pistol to notify the referee of the expiration of time.

Unsportsmanlike Conduct

Officials have been given the added power to penalize a team for the unsportsmanlike conduct of "anyone connected with the team" as well as players to which it has been limited heretofore.
