## Straight Performance and Queer Interventions in Marvel Comics

[ *Center for Women and Gender Equity Research Seminar Series* ]

**Tuesday, 8 November  
12-1 PM, Hayes Hall 203**

Join us for our Research Seminar with Bryan Bove, a PhD candidate in the American Culture Studies program and graduate assistant in the CWGE, CVPE, and the Office of Title IX.

Bryan will be presenting a chapter of his dissertation, which explores the intersection of self, society, and queerness-as-illness in comics through the lens of queer/disability studies. Specifically, Bryan will analyze gender performance and queer interventions in Marvel's X-Force series, contextualized in autoethnographic experiences.
