The Officials

The REFEREE has general oversight and control of the game. He starts the game, and is the man who sees that the ball is properly put into play every time that time is taken out. He is the authority for the score. It is his duty to see that the men keep their positions, and to be on watch for unfair play.

The UMPIRE stands behind the defending side. He signals fouls, authorizes substitutions, and watches for any unfair interference with play. Rulings as to offside comes within his province.

The HEAD LINESMAN on the sidelines, with his two assistants, marks the distances gained or lost in the progress of play. He designates the position of the ball on each down, and watches for offside play.
