I was told:
Be alert,
Examine,
Judge the person beforehand,
Avoid situations like ‘these’
Don't drink,
Don't be near alcohol,
Don't lose control
Don't give mixed signals
Be alert

I heard:
It's your fault
It's on you
It's your responsibility
You are to blame
It's your fault

I screamed:
DO NOT RAPE
preventing sexual violations

DO NOT RAPE

can it happen to me?
