The loyal support of the businessmen of Bowling Green last year made this style of program possible and through it hundreds of high school athletes were introduced to athletic activities in Bowling Green State College. In the confident belief that these programs are of great value in advertising the college, the publicity committee offers this, the third of a set of 1934 programs.

THE OFFICIAL PROGRAM

Is published and distributed at home games by the Department of Publicity of the College-Community Organization. Revenues from the Official Football Program are used to publish this program and are utilized for no other purposes. The Department of Publicity expresses its appreciation of the wholehearted co-operation of everyone who helped to make this program possible.

Greetings

It is especially appropriate on a home-coming occasion to have as our visiting team our nearest neighbor. We congratulate Toledo University—its officers and students—upon her friendly attitude toward and her fine spirit of cooperation with other institutions of learning, and in choosing her as our partner in our efforts to provide an entertaining program for this occasion, we wish thereby to express our sincere appreciation of the friendly relations that exist between the two institutions. To President Nash, Director Connelly, Coach Nicholson, and students of Toledo University, we extend to you today a cordial welcome.
Greetings

The University of Toledo is very glad to join with Bowling Green State College in the celebration of its Homecoming Day. I believe that friendly athletic rivalry between neighboring institutions is an excellent thing. It should make for high standards of sportsmanship and mutual respect. We at Toledo value the athletic rivalry with Bowling Green very much indeed.

PHILIP C. NASH,
President
Old rivalries are always the best and it is natural that two of the youngest Ohio Conference schools should find themselves engaged in this Homecoming game. Bowling Green’s first football game was played against Toledo University in the fall of 1919 and the meetings of the two institutions, have since become traditional affairs.

The sportsmanship and keen competition that has prevailed between the Bowling Green State college and the University of Toledo in recent years has attracted state-wide attention and Bowling Green is naturally much pleased to have as her homecoming guests, her oldest traditional rival.

We therefore wish to express Bowling Green’s hearty welcome to the University of Toledo football team and band to this campus and the fans who are supporting them. We desire, also, to express our pleasure to once more shake the hands of our graduated students on this annual occasion.

May this game be one which will long be remembered for its sportsmanship and high type of competition and may the victory go to the best team.

W. E. Steller, Athletic Director
P. E. Landis, Assistant Coach
E. E. Andrews, Freshman Coach
The Athletic Department of the University of Toledo esteems highly the intense rivalry existing between these two neighbors of Northwestern Ohio. We appreciate being selected as Homcoming opponents. Today's contest should stand out in the records of play between the two schools.

B. G.'s Physical Education Courses

Under the new state law regarding the teaching of physical education and the coaching of athletics in Ohio, all coaches and physical education teachers in the public schools will be required to be credited with a "major" or "minor" in the course by September 1935 or they will not be permitted to continue teaching and coaching such courses.

There are eight colleges and universities in Ohio granting both a major and a minor in physical education, Bowling Green State college being one of them. Forty hours of such training are offered here. The minimum for a minor is sixteen hours.

The appeal to athletes to coach is strong and the fine courses for men are finding an increased enrollment of men enjoying preparation for future coaching jobs. The department is growing yearly and summer courses are also finding a popular attendance from athletes of other colleges.

Intramural Activities

An extensive program of intramural athletics is operated by the Men's Physical Education Department throughout the year, resulting in active participation in various sports by several hundred men. Fraternities, houses, classes and organizations participate in speedball, basketball, handball, tennis, volleyball, track, horseshoe, ping-pong, baseball and the usual other sports tournaments each year.

Activities are constantly finding men relaxing in wholesome games in the fine Physical Education Building with its spacious basketball court and many forms of gymnasium apparati. Wrestling and boxing are indoor sports which attract much interest in the winter.

The yearly increase in the number of men students finds an equal increase in the scope of intramural activities.
FRESHMAN FOOTBALL

A small, but none-the-less fine Freshman squad has been reporting daily this fall to Coach E. E. Andrews, and on occasions have been a cause of much worry to the defense of the B. G. Varsity in scrimmage. Many of them are certain to be found on the varsity next year if they are back and have made the scholastic hurdle.

The squad of twenty-two men furnishes a number of experienced high school gridders. In the line are Roger Clemens, 230 pound tackle from Defiance; Bob Mustain, 160 pound guard, from Bowling Green; Pharon Heckler, 170 pound tackle, from Napoleon; Ken Snyder, 186 pound guard, from Continental; John Frontz, 165 pound end, from Fiqua.

Other linemen are Dale Kuhlman, 160, Pemberville, guard; Jason Moser, 150, Wren, guard; Dwight Van Atta, 174, Richwood, end; Eugene Mann, 170, Holgate, guard; Charles Murry, 175, Richwood, tackle; Glenn Smith, 178, Bloomdale, end; Fredrick Graf, 151, B. G., end; James Kiger, 155, B. G., guard; Howard Burdick, 240, Risingsun, center; Elwood Reed, 175, B. G., guard.

Several of the boys in the backfield list look like real varsity timber and three of them will make steller timber and possible letter winners next fall. Harland Kinney, 155 pound halfback of Wauseon; Robert Young, 155 pound quarterback, of Sandusky, and Walter Schindler, 140 pound halfback from Defiance, have made fine showings in scrimmages.

Other backs are Earl Canterbury, 150, Portage; Ken Edwards, 171, Wayne; Verlin Johnson, 150, Oakwood; John Rinehart, 168, McComb; Ray Carter, 140, Fremont.

Words by J. W. Carmichael
arr. from Sibelius' "Finlandia"

Home of as-pir-ing souls, our col-lege stands
On fer-tile plains where once roamed In-dian bands,

Where gor-geous sun-sets tint the bend-ing sky,
Where pi'-neers strong in dust, now lie;

Keep high the flame en-kind-led at their shrine
Our hearts in beau-ty to en-twine.

The Orange and Brown

Home of aspiring souls, Our College stands
On fertile plains where once roamed Indian bands,
Where gorgeous sunsets tint the bending sky;
Where pioneers strong in dust now lie;
Keep thou the flame enkindled at their shrine
Our hearts in beauty to entwine.

Above unfurled, Our Standard staunch and true,
Orange where the glow of sunset fades to blue,
Brown for the faith of youth in Country dear
Who gather in thy halls each year,
Seeking thy truth to aid in fortune's quest
Calmly distilling what is best.

Who yet can sing thy honor and thy praise?
Whose pen can write? whose voice in triumph raise?
Wisdom and culture, purity of aim—
What future glories crown thy name!
The thousands come and gone will honor thee
With thee in faith the years will be.

Teach us, State College, to be loyal and brave,
To search for truth and ne'er to be Time's slave;
To set a light in this dark age of doubt,
Put ignorance and fear to rout:
Live on and on, unshackled and unblamed;
Honored, and cherished and acclaimed.

Prof. J. W. Carmichael

“BETTER LIGHT - - - BETTER SIGHT”

In The Home, In The Store and In The Factory
