SUMMER B. G. N. C. TRIP

The outlook for the big Yellowstone trip this summer is steadily growing brighter. Almost every day some one or more write in to state their intentions of going or to seek further information.

There is still a large number planning to go who have not yet been heard from. Even among those now in the Normal there are several who secretly expect to go who have not yet stated their intentions. Also many of the present students know of friends at home and others elsewhere who are already interested in going, or who would be if you were to tell them about the trip.

Prof. W. P. Holt will appreciate it greatly if any who are seriously planning to go will hand in their names at once, as well as the names of others you may know about who would be glad to go. It is very important to know as early as possible how many there are to plan the methods of going and where it will be best to stop. It is also necessary to know how many to manage for in making such a trip.

Although there was much interest in the Niagara trip from the start, the number (220) who finally went nearly or quite doubled in the last ten days before the trip, over the number who had definitely stated their intentions of going previously. This made it more difficult at the last to secure the necessary accommodations.

A trip of this kind cannot be run every year, hence it is important now to get the information of the Yellowstone-Middle West trip to your friends. It would have been very unfortunate later to learn of anyone who would have been highly desirous of going had they but known of this special opportunity.

This is purely a service trip and not one given for personal gain in any way—hence there is no special fund for advertising and promotions. Cinda Hatcher was elected chairman of this committee. The other members are R. J. Langstaffe, Josephine Schub, Frieda Kirchner and Doris Chraye.

Another committee, Helen Gerding, chairman John Fuller and Elnor Stutz, was appointed to suggest to the class council what promotions and activities might be arranged for. More will be given later.

One of the most interesting and successful promotions was the class council meeting. After the roll call, a joint meeting was held, at which the program for February was announced. At the close of the meeting Cinda Hatcher was elected to suggest to the class council such promotions that in order to make the last number of the Bee Gee News worthily large, the class council may co-operate with the staff.

The Sophomores elected Vera Stair as their representative and the Seniors elected Gladys Rhodes.

CHAPEL EXERCISES

January 24

Dr. Williams made some announcements in regard to final examinations, registration, and the renting of rooms at the dormitories.

Prof. F. G. Boyer gave a talk on the basketball game which was played with Kent here on January 23. Mr. Boyer emphasized B. G. N. C. desire to defeat Kent, and also what the victory would mean to this institution.

January 31

Dr. Williams commented on the great tragedy of the Orchard Heights Theatre. There many lives were lost when the roof caved in, on account of the great weight of snow upon it. He illustrated that there is a limit to the endurance and strength of everything and everybody. After this a musical program was given by the music department.

The Male Quartette rendered several selections and Clement Premo and Katherine Canard each favored with vocal solos.

Tunefulness was at the piano. The program was very much enjoyed.

February 1

One of the most enjoyable and most interesting chapel programs was given on this date

In connection with the Western trip which Prof. W. P. Holt is planning for next summer Mr. Muller, a representative of the Union Pacific Railroad, gave an illustrated lecture on "Two Rocky Mountain Parks in Two Weeks". Colored slides of some of the many interesting scenes of the Rocky Mountains were shown.

A great many people attended and enjoyed this interesting lecture.

February 14

The address of the morning was given by Judge O. B. Bistline of this city. His subject was "Lincoln As a Man". His unique treatment of the subject pleased his audience. Mr. Bistline emphasized the extraordinary qualities of Lincoln as a man. His lecture brought a message and a call to think about.

DR. KOHL ON CITIZENSHIP

Dr. C. C. Kohl, head of the History department, gave the fourth of his series of monthly talks on Citizenship on February 2, 1922. He discussed the origin, growth, and status of the rights we enjoy as American citizens. He illustrated by showing how the hill of rights in our national and state constitutions originated, and grew. After the lecture a forum of discussion was held in which many interesting points were brought out.

ATHLETICS

Kent vs. B. G. N. C.

Kent Normal was forced to bow in defeat when the quintet came to Bowling Green, by a score of 27 to 10. At no time were the locals in danger and Premo, Siblee and Bachan easily rained in shots from the floor.

The first half ended 11 to 2. It was a great game and displayed the undoubted superiority of the local college over her sister school.

Findlay vs. B. G. N. C.

B. G. N. C. won her second start in the conference when the Orange and Brown quintet went to Findlay college, January 27, and with Bachan in short time 'em from 21 all angles made a score of 29 to Findlay's 21. The first half was 16 to 10.

Skibbie was well guarded and had few chances while the rangy center caged eight shots. The locals were supported by a large crowd of enthusiastic rooters who drowned out Findlay college's small band of supporters.

The birthdays of two great and noble Americans come this month—Abraham Lincoln's on February 12 and George Washington's on February 22.

The strong team of the Michigan State Normal College of Ypsilanti will debate the Michigan affirmative at Ypsilanti.

Dorthea Florie of Pemberville is teaching at Lakefootball.

Sister Camillia is teaching in the parochial school at Sylvania, Ohio. Nadine Cleveenger and Marjel Blue are at home next semester, 1921-22.

Ruth Holmes is teaching at Detroit, Michigan.

Mr. and Mrs. Lewis Paxus of Waterville, announced on February 3, the engagement of their daughter Berneda to Rev. John H. Hagen, pastor of St. Zion Lutheran church at Waterville.

A letter from Ross Herr, a graduate of B. G. N. C. in 1929, who is teaching mathematics at Sioux City, Iowa, informs us that he is getting along splendidly. He has had charge of the meetings of the mathematics teachers of that city and is attempting to further scientific teaching. Among his en- couragements are stories of specifications for teaching mathematics in the Sioux City schools.

Mr. Herr is a member of Phi Delta Kappa, and also a member of the local Book and Motor society.

Prof. E. G. Walker, former dean of B. G. N. C., has been very successful at Hiram college, where he is head of the educational department. An article in the Hiram Ad- vance, the college paper, comments upon the large enrollment in the educational classes. The headlines and subheadlines of the article read as follows: "Psychology courses prove popular. Tribute to the de- velopment of department under Prof. Walker."

MARCH ACCIDENTALLY SHOT

Dallas March, 19, a member of the Junior class of the Normal college, was accidentally shot on February 12, at the home of his sister in this city.

He was holding a 32-calibre revolver in his hand and the gun accidentally discharged. The bullet entered his left side, passing just below the heart, through the lung, and finally leaving his body went through a door.

His condition is satisfactory at pres- ent and his recovery will be a matter of time.

LITERARY SOCIETIES

Emersons
By Evelyn Byall.

At the regular meeting of the Emerson Literary society on January 31, 1922, the following officers were elected:

President—Dallas March.
Vice President—Esther Latham.
Secretary—Margaret Schrammer.
Treasurer—Orville Raberding.
Chorus—Gladyas Frisken.
Chorister—La Rue Williams.
Sargent-at-Arms—Lloyd Witte.
Critic—Ora Stair.
Reporter for Bee Gee News—Evelyn Byall.

The Emerson Literary society met in their room on February 7, 1922, where the following program was read:

"Answered by quotations from Lamb Reading, "Old Familiar Faces"—By Evelyn Byall
Piano Duet—Marilyn Colemon and Mildred Lake Emerson.

This was a very interesting meeting and each of the numbers was enthusiastically re- ceived, for they were rendered in the man- ner that is most pleasing and makes every Emerson meeting a success.

BLACK IS WHITE FOR:

1. Many black objects are painted white.

2. White is the sign of purity. Black coffee is pure. Then, since white equals pure equals black, therefore white equals black, since things equal the same are equal to each other.

3. I make a black mark on this paper. I erase that black mark. The black then becomes white.

4. Light waves traveling directly carry the impression "black" and "white" to our brain. Light waves traveling in an oblique direction are of different length. The waves of both are the same color. That is, the black is white and the white, black.

5. Black equals white.

6. A black horse is as good as a white horse. A black horse equals a white horse. Therefore black equals white.

7. Black is the color of night. The axioms in geometry will prove the truth of this to you.
unlucky defeat by a score of 28 to 22. The home team was ahead at the end of the half by a score of 17 to 13.

The foul line can be said to be the true half by a score of 17 to 13.

The Toledo crew was supported by a splendid bunch of runners.

Toledo U. vs. B. G. N. C.

"With Bachman ineligible and Premo playing center in his place the Normals were defeated in a close game by a score of 19 to 15. The first half ended 7 to 11 in the visitors' favor. B. G. outplayed the T. U. team but without Bachman were seriously handicapped. The Toledo crew was supported by a splendid bunch of runners.

TARTUFFE A BRILLIANT SUCCESS

The drama class of Miss Rosa McCain presented "Tartuffe" as their second play on January 24, 1922, in the college auditorium. The play, as a whole, was excellently done and was perhaps the best effort in dramatics yet made in the history of the college. C. Delano Fox as Orgon, Rena Ladd as Dorine, Helen Shafer as Elmire, and Frankin E. Doolin as Tartuffe, all carried difficult parts with ability. John Humphries, as Damis, showed the true dramatic spirit in playing up to the other characters while they were talking. The other characters, Claris Hostetter, Isach Belle Doll, Doris Dewese, Charles Richardson, Ralph Schaller, Countess of Rips-, Timmy McShane, H. P.-.H. Kenton Moore, all carried their parts in good shape.

The costumes were specially made for the occasion and represented a considerable outlay. Such a play was worthy of the filled auditorium of people who witnessed it.

The next play to be given by the Drama class of Miss McCain is "The Times" by Arthur W. Pinero, the great English dramatist. The date has been set as April 4, 1922, and the play will be an amateur comedy and has the following cast:

Mrs. Ferguson—Helen Robert Denham, Viscount Lurgashall, her son--Ralph Schaller
Hon. Montague Trimble—Charles Richardson
Timothy McNiece—H. P.-.H. Kenton Moore
Mrs. Hooley—Rena Ladd
Honoria, her daughter—Miriam Long
Miss Curzeet—Isach Belle Doll
Lulu—Doolin Bain

HOME ECONOMICS CLUB

The regular meeting of the Home Economics Club was held on February 9, 1922, in room 217.

The meeting was called to order by the president, Lillian Beecher, and the following reports were given. The following program was given:

Feeding the Child—Mrs. Beatle C. Delano Fox
Child Problems—Hazel Crawford
History of Foods—Ruth Todd

The talk given by Mrs. Beatle was especially interesting and full of practical information. The other numbers were also very good.

To attend these meetings would be time well spent by any girl interested in any phase of Home Economics.

GLEE CLUB SNOW PARTY

On Saturday evening, February 11, the students of the college and friends were delightfully entertained by the Glee Club Girls at a Snow Party given in the gymnasium. Music was the principal element in the program which was designed to give the effect of a snow storm. Large snow balls and a snow fence across the end of the Gym finished out the decorations. In the history of the college, the Dance orchestra was dropped on the dancers from the balcony. "Snow ball programs" and pop corn balls, the "Sleepy Turk" by Osborn went out the scheme. Osborn's orchestra furnished the music. At eleven-thirty all went home, pronouncing the party a grand success.

ABIGAIL SMIBTHY'S ANSWERS

Dear Abigail Smithby: When a young man asks a girl for a date to an informal party, and she is unable to give a definite answer, is it proper for her to call him at his rooming place when she has made her decision, providing she doesn't know his address or his telephone number, or should she call her?

What should she say when the kind-hearted florist calls her regarding an order of flowers to be sent to her address? She knows nothing of the arrangement, but he states they have been ordered by one young man and cancelled by another early in the day. This is a very embarrassing situation. Kindly advise. Gratefully, Prunella Pippin.

Answer: You evidently are not used to thinking for yourself. It is poor taste, improper and misleading for a young woman ever to call a young man for or about a date, when it should have called up the young man who ordered the flowers. Evidently your decision was unfavorable to the young man he called up, but you should not have been called up by another. If you had not seen why you could only order the flowers no one would have called you.

Conversation of a rural resident at a theatre ticket window:

Rube: "Have you any seats?"
T. Seller: "We have 900 of them."
Rube: "Are they any good seats?"
T. Seller: "Covered with silk."
Rube: "Can I get two?"
T. Seller: "If you have the price."
Rube: "Are these the seats for tonight?"
T. Seller: "No, these are the tickets, the seats are inside."
Rube: "Will they be there when I come?"
T. Seller: "Well, they are screwed to the floor."

Muny and his car are running each other at college.

"You're nuts."
"Nether one seems to be able to make the grades now."

"This may be a one horse town," said the street cleaner, "but if you had my job you wouldn't think so."
