SUPERINTENDENTS AND PRINCIPALS' ROUND TABLE MEETING
The Superintendents and Principals Round Table Meeting of Northwestern Ohio will be held at the Normal college on Friday and Saturday, April 7 and 8.

Two sessions of the Round Table meeting are to be given to the subject of Rural Education. Miss Mabel Carney of Teachers' College, Columbia University, has been secured to lead the discussion on Friday afternoon and to give the address on Friday evening.

On Saturday morning several topics of general interest will be discussed by some of the leading educators of the state.

The dinner of the Schoolmasters' Club will be held on Friday evening at 6 P.M., Central Standard time. In order to insure accommodations for all, it will be necessary to secure reservations from Prof. C. J. Biery, State Normal College, not later than April 5.

The faculty of the Normal college will give a reception to the members of the Round Table and their friends immediately following the close of the program on Friday evening.

All school men are cordially invited.

DRAMA CLASS SEES "KINDLING"
Prof. Rea McCain's Drama class went to Toledo on March 1, to see "Kindling", a three act play by Charles Kenyon, which was given at the Toledo theatre. The play was very well given and was observed with profit by the members of the class.

NEW GIRLS' DORMITORY
A new dormitory for women will be erected on the college campus. Such a building was provided for by an appropriation of $150,000 by the last General Assembly.

The additional dormitory accommodations will undoubtedly have a beneficial effect on the enrollment. Accomodations for women students have been inadequate.

Plans and specifications for this building are being prepared by S. F. Stewart and local architects.

GIRLS GIVE SWEETS TO DEBATERS
Miss Helen Shafer, Miss Mickey Long and Miss Glarys Hostetter, three of the girls of B. G. N. C., gave each of the two debate teams and Mr. Carmichael a box of candy on Monday after the debate. The debaters all join in saying "Long live home-made candy". After being so bitter to Ypsi they are now sweet.

ASHLAND VS. B. G. N. C.
The Normal quintet lost the most exciting game of the year when Ashland college played a return game here Friday night, February 17. A five-minute overtime period was played to settle which was the best team and a foul shot decided the victors.

The first half ended 22 to 21 in favor of the Orange and Brown. The score at the end of the game was 28 to 29. Bachman and Premo starred for Bowling Green.

A new style from Paris is footless hose, and a countless number of Americans have been in style. In this respect, since they were children.

Spring time, the happiest season of the year, is not far distant. On the campus many signs of spring have been noted for 1922. They are:

"Apearance of"—
The robin, earthworm, strollers, baseball, marbles, spring fever, the desire on the part of some students to skip classes, porch swing dialogues, dandelions, etc.

"Dappearance of"—
Zero weather, overcoats, galoshes, wool socks, etc., hot chocolate and basketball.

Everyone welcomes spring. It is not as shabby as most of the poetry it inspirs.

"June 15, 1922." The significance of this date is that it will be Alumni Day at Bowling Green Normal College. This is the reunion of the University of Alumni and former B. G. N. C. students. The opportunity for all former B. G. N. C. students to come back to their Alma Mater is meet. Remember the time and place and be present. You are cordially invited.

The dual victory in debating which is the characteristic annual reward for Prof. J. W. Carmichael's efforts in debate work, was achieved for 1922, on February 23, when the Normal teams met the Ypsilanti debaters.

Much credit is due Mr. Carmichael for the production of the successful debating teams of the past years. Work in intercollegiate debating was started in 1920, and the first debate in which B. G. N. C. participated was against Hillsdale college. Both teams were victorious. The next contest was with the debate teams of Kent Normal. Coach Carmichael's team came through with two victories.

Another victory of much importance was added to the list this year when B. G. N. C. defeated the Michigan Normal school's teams by an unanimous vote of the judges.

B. G. N. C. has been a big factor in making Bowling Green State Normal college better known, in giving-it a reputation of which every one connected with the college should be worthy.

Too much credit cannot be given to Coach Carmichael and the members of the teams who have won so much glory for the college. That Coach Carmichael is worthy of the support of every student and faculty member.

SESSIONS OF SUMMER SCHOOL

The first term of summer school will begin on May 8. The second term will begin on June 25. The last summer term will start on July 31.

DRAMA CLASS TO PRESENT "THE TIMES"

The Drama class, directed by Miss McCain, is planning to put on "The Times" by Arthur W. Pinert, on Tuesday evening, April 4, 1922. This play is a four-act comedy and is said to be a scream from start to finish. The play centers about the ambitions of a foolish and weak Percy Egerton-Bompson and his wife. The rest of the case succeed in getting them into all sorts of trouble which finally causes the surprise which is the final result.

There are high-brows, would-be high-brows, ordinary people and people from Ireland in the play. Every student in college should have an interest in this case because it is an effort which is not in the case are busy making furniture, preparing programs and doing other things to make the play a success. The case was published in the February issue of the Bee Gee News.

"The curtain raiser will be "Suppressed Desires" by Susan Glaspell. It is a new play modern comedy and was played by a traveling company at the Aaxon-Auditorium in Toledo in January. It caricatures the life of people who are-upper class. Miss Glaspell, who was the first woman to write drama, is a very dramatic writer. Helen Urechak plays the lead and is supported by Ralph Schaller and Doris Dewese.

The members of the Drama class are planning to sell artistic souvenir programs on this evening. These will be valuable for memory books and only cost ten cents. The covers will represent a large amount of hand-work and effort and these programs are worth the price. As many students as possible should buy them.

LITERARY SOCIETIES DIVIDE HONORS

After a series of two games the supremacy of the Emerson Girls and Wilsonian Boys is decided to be unquestionable. The Emerson-Wilsonian series was won on March 16 and 23 in the gymnasium. The Emerson girls won, 10 to 9, and 11 to 2, while the Wilsonian boys won 21 to 12 and 21 to 11.

In the first game the Wilsonian Girls were ahead, 9 to 0, at the end of the first half but were held to nothing in the second half while their opponents made nine points. The boys were interested with the Emerson team in the lead at the end of the half, 8 to 7. The next period saw a decided change in the Wilsonians' playing and the Emerald and White won, 21 to 12.

In the next game the Emerson girls won, 11 to 2, when they prevented the Wilsonian sextette from scoring a field goal. The first half ended 5 to 2. The second half saw a decided change in the Wilsonians' playing. The first half had a lead of 7 to 2, but eased up and at the end of the half the score was 14 to 9.

YPSILANTI-B. G. N. C. DEBATE

Both the negative and affirmative debate teams of the Normal college won by a unanimous vote of the judges over the teams of Ypsilanti Normal in the Intercollegiate debate which occurred on February 23.

The question for debate was, "Resolved: That the principle of the closed shop in the iron industry should receive the support of public opinion".

Each home team presented the argument for the affirmative. At Ypsilanti

For the affirmative—Mary E. Humphry, Ola B. Hiller, Helen L. Hanna, Edythe E. Jones, alternates.

For the negative—Charles Richardson, C. Delano Fox, R. J. Langstaff, Gladys Risden, alternate.

Judges—Prof. Louis Eich, University of Michigan; Atty. Leslie Lisle, Ann Arbor; Sup't. Earl Finch, Wayne.

At Bowling Green

For the affirmative—John McDowell, H. Kenneth Moore, Howard R. Ham, T. Doolin Leo, alternate.

For the negative—Edward Hoyman, Harvey Klemmer, Clele Mathieson, Louis Leo, alternate.

Bowling Green Normal was well repre-
cented at Ypsilanti by Richardson, Fox and Langstaff, all of whom displayed their best in good debating. The locals were royally entertained while in the Michigan city.

A large crowd of students and town folk attended the debate at Bowling Green. John McDowell opened the debate here for the locals with a very fine, convincing argument. Moore followed with an unusual supply of the "hot stuff" needed to make the judges feel that Bowling Green de-
served their votes. Ham closed the de-
bate, delivering the final blows which gave the Normal another victory in intercolli-
giate debating.

The students supported the team in fine shape, favoring with yells and as each joyous "yes!" Sophocles took his place on the platform a hearty appreciation was heard. The Varsity Male quartette sang before and after the debate, responding with an enthusiasm each time.

The "Ypsi" teams displayed much de-
bat ing ability, and furnished keen oppo-
sition for the locals.

Helen Lisle distinguished himself as the "hard hitter" of the Ypsilanti school.

The debates were a credit to any in-
stitution and much is due Prof. J. W. Carmichael, coach, and the members of the teams.

HOME ECONOMICS CLUB

The Home Economics club met Thurs-
day, March ninth, in room 12.

The meeting was called to order by the president, and the secretary's and treasurer's reports were given.

There were two very interesting papers read: "Economy—Doris Clary, and "Family Management"—Harriot Dewese.

The question, "Resolved. That the woman should control the family purse", was very interesting and humorous. Gertrude Scott and Grace Kincaid represented the affirmative while Bernice Croll and Pauline Shockay had the negative. The society, as a whole, were the judges and it may be interesting to know that they decided that the woman should control the family purse.

TOLEDO U. VS. B. G. N. C.

Playing a miserably poor game in a miserably poor place under miserable conditions, Bee Gee lost to Toledo U. by a miserable score of 41 to 15. In fact it was a miserably poor place under miserable conditions, some of the most impossible shots. Bee Gee will welcome the news that Ohio Northern University, an Ohio conference school, will play the teachers, both at Ada and on the Normal lot. The recognition the state colleges have given the down state nine proves the reputation that B. G. N. C. has gotten in one not to be sneered at.

Another college on the schedule outside of the Northwest Conference is Ashland. That game is early in the season and at Ashland. Other games are with Findlay, Bluffton, Toledo U. and Defiance.

Coach Kreiger will take charge of the men soon and will give the batterymen warming up practice in the college gym. Bart Wittmer, who was the mainstay of the teachers last season, will be captain and with a team of veterans behind him should have a successful season.

If Capt. Wittmer is in the same shape that he was last season and the team has not improved at all the old lightning cup they will be right up in the race. The schedule is as follows:

NG POON CHEW ON CHINA

Dr. Chew, a talented Chinaman, gave an extended address to the students of B. G. N. C. and the citizens of the town in the college auditorium on March 23. Dr. Chew in his address showed that he had well-earned his title of "the Chinese Mark Twain", because his many good points were well mixed with humor.

He told of China's backwardness and explained it. Today, however, China is awakening from the sleep of centuries and is now throwing off the yoke of aristocracy and is putting on the cloak of democracy. This is due to the efforts of the missionaries. Another method of educating China is by their young people coming to America to study in our colleges.

As a result of these influences China overthrew her monarchy and adopted a republican government. It is republic in name only, a republican in name only.

BASEBALL SEASON LOOKS GOOD

With the baseball season safely tucked away and with the exception of electing next year's captain, the teachers are looking forward with great interest to the chances they have in baseball.

Prof. Beierman has arranged the best schedule that was ever had in the college diamond game, booking eleven games in six weeks. Five home games will be played by the professors who already are determined to win the championship over. Losing the basketball championship has not made the locals exactly as congenial as they might be without a doubt the old fight which was so scarce in basketball will crop out on the diamond.

BOWLING GREEN NORMAL will welcome the news that Ohio Northern University, an Ohio conference school, will play the teachers, both at Ada and on the Normal lot.

Lectures to Women Students

On February 23 Miss Neville of Scott High, Toledo, gave her second lecture on "Hygiene" to the women students of the college.

On February 27 Miss Slider of Toledo, gave the third of a series of lectures which are being given for the women students of the college.

LITERARY SOCIETIES

Wilsonian—March 7.

The resignation of Ivan Lake, president-elect for the second semester, was read and accepted, Mr. Lake had served his society honorably, and President Russell, John Fuller and Merrill Hoskinson pointed to make arrangements for the society's work for the next year. Mr. Biery swore in the new officers previously elected for the second semester.

Wilsonian—March 21.

The meeting was opened by the president, who read an invitation to the members of the society from the Foreign Language department, asking them to be present at a party to be given March 28 at eight o'clock.

The meeting of the Wilsonian's party scheduled for March 21 was discussed. A committee is to be appointed to carry out the plans of the society.

A few minutes were given over to Helen Hobart who introduced some new yells which were practiced and which are to be used in the inter-society games.

The program, "Sidelines on Japanese Art," was then presented. John McDowell presided, and after stressing the importance of a Japanese program, introduced the following numbers:

- Fine Arts in Japan—Ronald Robertson
- Chalk Talk—Prof. Biery
- Japanese Folk Story—Alice Cole
- Solo—Kathryn Canard
- Emerson

Evelyn Byal, Reporter.

The meeting of the Emerson Literary society was held March 6, 1922, in room 401. After a short talk by Mr. Lake, letters were read from outside priors, Esther Russell, John Fuller and Merrill Hoskinson in recognition of their services last year in the inter-society contests.

A motion was carried that flowers be sent to Dallas March, the Emerson president, who is now convalescing at his home.

It was decided to charge a fine of five cents for each unexcused absence from a meeting and twenty-five cents for failure to appear on the program. This provision is to be enforced with the announcement of the new president.
