First Annual Home-Coming
To Be Held Here On November 4th

The First Annual Bowling Green College Home-Coming, which will come on November 4th this year, appears at present to be one of the big dates on the local college calendar; for it is then that many of the former students and graduates will return to their Alma Mater for a day of pleasure and celebration.

The Win-One-Club set the date upon the day of the final conference game, when the Bee Gee team plays their rival school Toledo University on the local gridiron that day. It is also the last time that the college gridders play on the home lot. The largest crowd of students that ever will be seen on the Orange and Brown campus is expected to watch and participate in the ceremonies of the day.

Plans are being made to advertise the event very extensively about the state; especially so at the N. W. O. Teachers Institute at Toledo on Oct. 27th and 28th when hundreds of former students and graduates of B. G. will be present. The event was well advertised during the summer to summer

Drama Class To Present
"Little Women" November 3rd

On the evening of November third the Drama Class will give the first performance of the year. The play selected is Marion de Forest's arrangement of Little Women. The older generation remembers Miss Alcott's book as the most successful story of girl life which has ever been written, while theatre-goers of the last decade think of the play in which Alice Brady achieved her great popularity. Costumes actually worn in the period of the play have been lent, and a great effort is being made to reproduce the atmosphere of the book.

As November fourth is the date of the first Home-Coming the class hopes to number among the spectators many old friends and former students. Reserved seats will be placed on sale October thirty first. Out of town orders will be attended to before the sale is opened to the general public. Admission thirty-five cents; with reserved seat, fifty cents.

Freshm'n were duly Initiat'd
Everybody Had Good Time

The Freshman class was duly and officially initiated on September 27. Members of that class of both sexes were most unhandsomely bedecked in all sorts of undignified regalia. Notices had been posted for a week before and nearly everybody obeyed the law laid down by those who went through the same humiliation in former years.

Promptly at 8:30 the "Freshies" formed in front of the Administration building and paraded about the campus for a quarter of an hour. The upper classmen looked on approvingly from the steps of the main building. Cheers were exchanged by the two classes.

At 7:00 o'clock that evening two boys who had not obeyed the rules were properly decorated, hitched to a wagon and made to parade the Main Street. After that the army of Upper-class boys augmented by another army of Freshmen went to the Dorm, Dr. Williams' and Dr. Kohl's and held a ceremony.

Over 550 Students Enrolled

This year's enrollment is the largest for a winter term there has been in the history of the college. At present the enrollment is over 550, which is an increase of about 125 over last year. In the enrollment there is also a larger number of men students than ever before. Owing to the large enrollment and to the fact that so many of the courses require Music and Industrial Arts these two departments are somewhat crowded. In the Music department two more instructors were secured; Miss Pearl Heiser and Mrs. F. C. Mooers. In the Industrial Arts department adjustments have been made to meet the situation.

The college regrets that the extension work is withdrawn and Prof. Clutta is teaching Education and Prof. Steele, English at the college.

The students arranged alphabetically are as follows: Velma Adams, Ruth Albright, Alice Allen, Mary Allen, Hazel Althouse, Clara Arheit, Mary Armstrong, Helen Arnold, Carl Bachman, Venice Badders, Doolen Bain, Florence Baird,
FRIENDLINESS, BEE GEE'S AIM

It would be interesting to make a compilation of the first week impressions of the 250 or so freshmen who entered college here this fall. It is safe to guess that one strong impression is that of the friendliness of everybody connected with the institution. How many people were introduced to each other? The answer, if personal experience and observation count, would be large. Then on Tuesday night the boys had a "get-acquainted" meeting and the girls had one on Wednesday. The week of friendliness and get-acquaintedness reached its climax on Thursday with the Faculty Reception. Bowling Green college certainly can be called a friendly place.

WE ARE GROWING

Those of you who were here last year will notice how our staff has grown. One assistant business manager and four reporters to assist the associate editors have been chosen. These people are all students of ability and their addition will make the work of the staff lighter by distributing it more widely. Another addition is that of the alumni editor. This work has hitherto been done by the staff as a whole, but this year Miss Helen Shafer "22 of Bowling Green, Ohio, will conduct this department. The Alumni are earnestly requested to send all news of interest to her.

Another growth of interest is in the size of the paper. Those of you who are unacquainted with the business end of the paper do not appreciate the difficulty in securing the finances to issue this paper oftener or to increase it in size. The fact, however, that we have over one hundred more students than last year makes it possible to double the number of pages.

FIRST ANNUAL HOME-COMING

(Continued from page 1)

school students and a majority of them will be here for the celebration.

The program of events will be closely followed throughout by the enthusiastic crowd. In the evening of November 3rd (the day before the Home-Coming) the Drama class will present "Little Women," which is taken from the famous story of the same title. The events of the day will start at about 9:30 a.m. in the auditorium where a p.p.y program of music, yea's and speeches will be heard. The college quartet will sing and several soloists will entertain.

Before the game a long parade will be held through the town. Many societies, classes and other organizations have already signed in their intention of having a float decorated for them in the procession. After the game a big snake dance will be made through the business district. Whether the team suffers defeat or wins a wonderful victory, the dance and celebration will be held just the same.

The evening will be spent in getting acquainted in the college gym., where a good time is assured to all.

"Now the success of this day," says the president of the Win-One-Cub, "depends upon the response that we receive from every one connected with the college. Every student should get into the work heart and soul, for it will well repay them for any extra endeavor that they make." Let every one, He continued, "try to get into touch with some former student, graduate, or friend of the college, urging them to come to this college upon the one day in the year which is set aside especially for them. The slogan for the Home-Coming is "A Great Day, A Great Crowd, A Great Game and A Great Spirit."

Let every student get behind the movement to make the day for the First Annual Home-Coming one of the best in the history of the Bowling Green College. Remember the date, Saturday, November 4th.

HOME ECONOMICS CLUB PLANS

The Home Economics Club held its first meeting on September 28 at which the plans for the year were made. The aims of the club are to be brought out in the October meeting. A "Kitchen" party is to be given this month also. All students taking the Home Economics course are cordially invited to the meetings.

MYSTERIOUS SOCIETIES ORGANIZED

There are two unofficial men's societies in the college that are causing quite a bit of curiosity. One is the "Old Five Brothers," and the other is the "Grand Society of Hokus Pokus." Both societies are organized for a good time alone and have no deeper or lasting purpose. They are just an expression of man's gregarious instinct and afford pleasure to everybody by their humorous notices, salutes, signs, insignia and repartee.

If you see a skull and cross bones or a heart with a knife through it posted somewhere you may know that some dignitary of these two societies has been at work.

SOCIETIES ELECTED OFFICERS

The Wilsonian officers were elected on September 24 and are: President, Miriam Long; Vice-President, Ernst Etoll; Secretary, Glaris Hostetter; and Treasurer, Earl Lowrie.

The Emersons met on the same date and elected: President, Ruth Tressel; Vice-President, Marian Koleman; Treasurer, Mildred Lake; Reporter, Bertha Brinkman; Chairman of Program Committee, Ruth Lane; Chairman of Social Committee, Elizabeth Thomas; Critic, H. K. Moore; Sergeant-at-Arms, Lloyd Witte; Chorister, LaRue Williams; Cheer Leader, Phyllis Pettibone; Secretary, Dorothy McMurray; and Faculty Adviser, Miss Nielsen.

The Country Life Club met on September 22 and elected: President, Dewey Fuller; Vice-President, Ernst Etoll; Secretary, Isabel Layton; Treasurer, Ivan Lake; Chairman of Program Committee, Ivan Lake; and Chairman of Entertainment Committee, Helen Hobert.

The Varsity N elected: President, Clement Premo; Vice-President, Earl Leiter; and Secretary-Treasurer, M. G. Hoskinson.

The Senior class elected: President, Doolen Bain; Vice-President, Suzanne Spearman; and Secretary-Treasurer, Orville Raberding.

"DRAMA CLUB" HAD MEETING

The college Drama Club held its initial meeting Tuesday, October 10th at the home of Miss McCain.

Various business enterprises were discussed and turned over to committees for further investigation.

The constitution of the club was gone over and discussed. It was decided that the first Monday night in every month shall be the regular meeting date. Volumes of modern plays were decided on and work in them will be begun at the next meeting.

After delightful refreshments were served by the hostess the club adjourned.

GIRLS ORGANIZED A. B. C. CLUB

The girls of the college met on October 10 and elected the following officers: President, Suzanne Spearman; Vice-President, Emily Benson; Secretary-Treasurer, Betty Hull.

The college is expecting a lot from this club in the way of boosting athletic activities. This club is the successor to the "Ladies Aid."

REPUTATION

A railroader told us this one. A man was arrested by a policeman while fighting on the street. The cop asked him "why didn't you let that man up when you had him down and he was yelling 'enough'?"

"Well," replied the other, "he's such a doggone liar I couldn't believe him."

Freshman (On top of Administration Building): "Do people fall off here very often?"
Senior: "No, only once."

**ADDRESS**

33 W. Frambes Ave.
Columbus, Ohio
Doris L. Powell, graduated from the Bowling Green High School in the class of 1921 and last year was a Freshman in B. G. N. C. She died July 10, 1922.

A Tribute

As Morn's first beams kissed Night's drab curtain out of sight,
It found this soul of youth which passed from earth to glory's height,
With smiling lips she saw that orb of heaven near,
For well she believed that Death is but transition—not fear.

So we who cherish Faith that her young life has taught,
And character with sterling honor and sincerity wrought,
Do pledge the Faith that Doris' life has taught,
And hope to reap a crown like her great Faith has brought.

And when that last great morn shall kiss forever night away,
To find God's chosen one within his peaceful sway
We know that Doris' smile will welcome us that day
For Faith like hers has led us on the way.

GIRLS ENJOYED MARSHMALLOWS TOAST

The girls of the college gathered around two large camp fires on September 22 and held a Marshmallow Toast. The affair was given for the purpose of getting acquainted with one another. Many yells were given and songs were sung.
COLLEGE LOSES TO ADRIAN

Bowling Green College lost here in the second game of the season in a rather loosely played game against Adrian college by a score of 7 to 0.

The local team lacked the fight that is usually so characteristic of the local teams. Over-confidence was probably the trouble with the Orange and Brown eleven.

In the first half the game was terribly slow and the whistle blew just as the local team was on the eight yard line ready to score. Captain Raberding's team had marched from their own 10 yard line for the entire length of the field only to lose the ball by having the half end.

Adrian could not gain on any occasion and only won on a fluke. The visitors' left half intercepted a pass with two minutes to play and ran 75 yards for the lone touchdown. In a desperate effort to win the locals used the forward pass but the ball was wet and most of them went incomplete.

It was a great disappointment to all concerned for Bee Gee was far better than Adrian gaining five times as much ground and making 14 first downs to the visitors two.

COACH SNYDER

Coach Allen W. Snyder of Wooster college; All Ohio quarter-back for two years; who came to the college highly recommended, is a clean cut, far minded athlete, who it is thought, will be able to handle the college teams as capably as any one formerly.

Mr. Snyder received a machine in 1920 from Ohio newspapermen for being the most valuable man to his team during the year. He came to Bowling Green from New Philadelphia High school where he coached last season.

The local mentor is small but mighty, believes in fair play and stands for what is clean in athletics. He is teaching Latin in the college.

November 11—Kent Normal at Kent
November 18—Rio Grande at Rio Grande *
* Tentative games.

VARSITY LOSES FIRST GAME

The Orange and Brown began their foot ball season by dropping a 27-0 game to Ohio Northern at Ada. Sweating under the rays of a July sun and facing a team that was, on the average nineteen pounds heavier per man, our Varsity put up a fight that caused even their opponents to express surprise.

The Northern Coach had booked the game for practice for his men but not until the last quarter did he risk pulling a first string man.

It was well that he waited for the Bee Gee men kept their opponents so busy that they failed to score in the last period.

As Capt. Raberding was out because of injuries received in practice, Skibbie was elected field captain. Leiter, a guard with 6 years foot-ball experience was also out of the game. Toan, Ostrander and Skibbie lead the offensive while Hearick and McMann displayed some fine punting and had the line held on two occasions, there might have been a different story.

The blocking, tackling and interference did not seem to be up to standard in this game, but Coach Snyder should have those branches repaired before long.

The locals made 5 first downs while O. N. made 10. Northern was penalized 110 yards to Bee Gee's 17.

The officials were very good.

FACULTY RECEPTION WAS SUCCESS

The Faculty Reception on September 21 was a decided success from both the social and artistic standpoints. After the customary getting-acquainted, the orchestra played for the first dance and the more than 400 present spent a very pleasant evening. The room was decorated in daisies and cat-tails. Punch and wafers were served.

THE MODEL RURAL SCHOOLS

The B. G. N. C. students who did practice teaching at the West Hope Model school will regret to learn that the connection between the College and the West Hope school has been severed. The board of education of West Hope feeling unable to contribute more than the minimum permitted by law toward the salary of the teacher, the College found it necessary to transfer the Model Rural school to some other community.

During the five years in which the school was conducted by the College, over one hundred students spent one or more weeks in the community training for rural school work. The attachment that grew out of this connection between students and the children and the patrons of the school will leave many pleasant memories for years to come.

The Model school has been transferred to the Liberty Centralized school near Bowling Green, with Miss Florine Smith as critic teacher. Miss Ai. Paugh will continue as critic teacher of the Haller Model school. Twenty six students have signed up for practice teaching in these schools for the first semester.

“GET WISE” PARTY WAS GIVEN

On Monday afternoon, September 25th the Women’s League gave a party for all the girls. The following program was given:

College Song—All,
Welcome Address—President of League, Rena Ladd,
Tradition of College—Suzanne Spearman,
Piano Solo—Ethel Cupp,
Dress of College Girl—LaRue Williams,
Travel—Vera Sildmcr.
Dining Room Etiquette—Elizabeth Thomas.

Hot-chocolate and wafers were then served.

DEBATE SOCIETY AT WORK

At the spring election the Varsity Debating Club chose as its officers for the ensuing year the following: President, H. Kenton Moore; Vice-President, John McDowell; Secretary-Treasurer, C. Delano Fox.

J. W. Carmichael head of the debating department is the faculty advisor.

This new organization is expected to be a big factor in the arranging for and carrying on of the try-out and intercollegiate debates of this year. Moore, McDowell and Fox of last year’s teams will be eligible for this year’s tryout besides other club members of former years.

B. G. N. C. men teams have never been defeated and last year both teams came thru with unanimous decisions in their favor. With the material in school we are sure Mr. Carmichael will again place “clean sweep” teams on the platform.

QUARTETTE PLEASED

The Varsity Male Quartette composed of Moore, Premo, Witte and Lake sang at the Odd Fellows’ Home-Coming on October 10 and more than pleased their hearers.

STUDENTS ELECTED TO SOCIAL COMMITTEE

The following students were appointed to serve as members on the Social Committee:

Senior—Suzanne Spearman,
Junior—Ruth Tressel,
Sophomore—Gertrude Fries,
Freshman—Homer Moscoe.

These people together with the faculty members of the committee take care of the college Social Activities.

APRIL 9—Concert by Maurice Dumesnil, eminent French pianist.

MAY 16—Lecture by Stephen Leacock, on “My Discovery of England.”

KINDERGARTEN IS OPENED

A kindergarten has been opened in our Training school this fall with an enrollment of twenty-two children.

If you should peek into the room you might see children building houses and barns with big floor blocks or sifting and moulding sand at the sand table. At the work tables some of them may be making picture books, stringing chains or modeling with clay. Or if you should come in at the right time you might hear the kindergarten band which is now being organized.

Already the kindergarten children have entertained the Children’s Literature Class by teaching them Mother Goose Rhymes. We consider the kindergarten to be a valuable addition to our Training school.
