WELCOME TO BOWLING GREEN

To Our Guests From Kent:

Kent and Bowling Green State Universities were born on the same day, some twenty six years ago. Both have traveled along quite parallel lines; both have served their respective communities well. The most cordial relationship has existed between the student bodies. Therefore we are happy to have you with us today. Gladly do we offer you everything we hope—except the long end of the score. Of course, if necessity requires us to do so, we shall, with a smile, surrender even that. We hope you enjoy yourselves today and we invite you often to visit with us.

Sincerely,

FRANK J. PROUT

This is the official program for football games at Bowling Green State University and is published under the direction of Ivan E. Lake, '23, as agent for the Bowling Green Chamber of Commerce and the university. Advertising representative — Don Spencer Company, Inc., 271 Madison Ave., New York, N.Y.

Kent State Undefeated

One of the few undefeated teams in the country faces the Bowling Green State university Falcons today. Kent State, our sister school, has a most impressive record to date with six victories, all by definitely decisive margins. To date Kent State has 152 points to be the highest scoring team in Ohio. At the same time only two touchdowns have been scored against them, making them next to Wittenburg as the best defensive club. Their record:

Cross Country Race Today

A sport which is beginning to grow here is Cross-country running. Under the full-time direction of Coach Paul Landis a small squad is showing rapid improvement. Today they race against Ashland college between halves of the football game. Ashland is led by Gilbert Dodds, one of the best distance runners in the Ohio Conference, who fought a sensational two-mile race with Rolland Force, of Heidelberg here last spring.

"With the ball inside your own thirty yard line, kick on third down."

This is one of the sound principles of football strategy. It doesn’t pay to take the unnecessary chance of a fumble or a blocked kick, deep in your own territory.

When you look for a bank to entrust with your money, you want an institution that is run on sound principles of banking practice that have been established over the years.

You want a bank that will be safe, not spectacular.

Our steadfast devotion to these principles of sound banking practice is responsible for the complete confidence which the community places in us. It has made possible our contribution to its growth and development.
