The Steinle Con's Co., Contractor

By Carl T. Steinle.

Fremont, Ohio.

CONTRACT.

THIS CONTRACT made and entered into this 19th day of August A. D. 1913, by and between HOWARD & MERRIAM, of Columbus, Ohio, hereinafter designated the "ARCHITECTS", and THE BOARD OF TRUSTEES OF THE BOWLING GREEN STATE NORMAL COLLEGE, of the State of Ohio, hereinafter designated "THE BOARD OF TRUSTEES."

WITNESSETH:- That said Architects in consideration of the fulfillment of the agreement herein made by said BOARD OF TRUSTEES agree to the following:

ARTICLE 1.- PRELIMINARY PLANS - The said Architects shall and will prepare preliminary plans for the Science Building, Power House, Tunnel for heating pipes, gas pipes, water pipes, sewer plan, boilers, etc. to be erected on the site owned by the State of Ohio, and known as the Normal School site at Bowling Green, Ohio, same to be approved by the Board of Trustees and the President of said Normal College. The preliminary sketches after approval are to become the property of the said Board of Trustees.

ARTICLE 2.- COMPLETE PLANS - The said Architects shall and will prepare after the approval of the preliminary plans, full and complete working drawings, details, estimates, bills of material, and specifications of the above work. The estimates of cost in detail and in aggregate for such buildings are to be as desired by the said Board of Trustees. Same to be erected under present appropriation; such plans, drawings, specifications, details, estimates, etc. to be approved by the Board of Trustees, the President of the said Normal College, and the proper State Authorities as required by law, complete in every way for advertising by September 15th, 1913. Failure to do so will terminate this contract and release the Board of Trustees in every way.

The said drawings, specifications, etc. shall contain all information necessary to enable contractors to make reliable bids on the work and to erect and complete the building therefrom, and shall be in strict accordance with the laws in such case made and provided.

Any omissions in the plans or specifications which must be met by extras in order that the building shall conform to the original requirements of the Board of Trustees and President,
due to errors or over-sight of the Architects, shall be provided for at the expense of the Architects. This does not include additional changes made upon written request of the Board of Trustees after plans have been approved.

If there be no reliable and acceptable bid within the estimate placed on file with the Auditor of State by the Architects, the same will terminate this contract, and the Board of Trustees will thereby be released from payment of any fees at that time due, or the Architects may be instructed to revise said drawings with no extra expense to the Board. This to be at the option of the Board of Trustees at that time.

If the estimate placed on file with the Auditor of State by the Architects exceed the amount specified by the Board of Trustees for this purpose, the Architects agree to a reduction in the amount of their fees equal to the excess of the estimate over that specified for the building by the Board of Trustees.

ARTICLE 3.- COPIES OF DRAWINGS, PLANS & SPECIFICATIONS - The Architects shall provide all necessary copies of drawings, details, and specifications to be used in the construction of the buildings and other work, and shall be present in person at any public letting of the work.

ARTICLE 4.- SUPERVISION - The said Architects agree to place at their own expense a competent Superintendent of Construction, satisfactory to the Board of Trustees, on the grounds at all times during the construction of the work, which Superintendent shall be at all times subject to the order of the Board of Trustees. One fifth of the fee to be paid to the Architects shall be construed for supervision and the Board of Trustees shall withhold proportionate payment on this one per cent if at any time the work progresses without such Superintendent. In case such Superintendent shall at any time not be satisfactory to the Board of Trustees, the Architects, upon being requested by the Board of Trustees so to do, shall dismiss such Superintendent and forthwith provide another in his place. The Architects shall provide competent engineering tests when required to insure proper results in the construction, and shall be responsible for any failure in plans, specifications or supervision.

ARTICLE 5.- ARCHITECTS AGENTS OF BOARD OF TRUSTEES - All instruction or orders to contractors and workmen shall be issued through the Architects. In all transactions between the Board of Trustees and the contractors, the said Architects shall act as the agent of the said Board of Trustees and they shall assume only the agent's liabilities in connection with the work.

ARTICLE 6.- PRESENCE DURING CONSTRUCTION - The Architect's agrees to be present in person on the work at least once every month during the construction of the work, and at such times as the Board of Trustees shall require.

ARTICLE 7.- CLERK OF WORK - The Board of Trustees, should it so desire, shall have the right to place a Clerk of the Works at its own expense on the work.

ARTICLE 8.- BOND - The Architects agree to furnish such bond as may be required by the Board of Trustees, conditioned to guarantee to the State of Ohio that such building as is done under the plans and specifications prepared, and as superintended by them under this contract, shall be of sufficient strength for the purposes to which the building is to be put.

ARTICLE 9.- IN CONSIDERATION OF THE AGREEMENT above made the said Board of Trustees hereby retain and employ the said Architects to perform the services above outlined, and upon the performance of the conditions and stipulations herein contained, agrees to pay the said

Proceedings, Trustees Bowling Green Normal College
Architects in full compensation therefor a sum equal to five per cent (5%) of the total cost of the work, including any plans, specifications, construction and future additions. Same to be due and payable in installments as follows:

(a) One per cent (1%) of the whole when the completed drawings and specifications are approved and signed by the Board of Trustees and by the required State Officials.

(b) An additional two per cent (2%) of the whole when the contracts are awarded.

(c) The balance remaining thereafter to be paid at the rate of two per cent (2%) upon each payment made to the Contractor, the final payment to be made when the buildings, etc. are completed and accepted.

IN WITNESS WHEREOF, said parties hereunto have set their hands and seal on the day and year first above written.

Howard & Merriam, Architects.

Attest:
Board of Trustees:
J. E. Collins, Pres.
John Beggs, V. Pres.
D. T. Davis.
J. D. McDonel.

There being no further business before the Board, moved by McDonel and seconded by Davis that the Board adjourn to meet in Bowling Green, Ohio, on Monday, Sept. 15th, 1913, at 5 P.M. Carried.

Board adjourned.
