The Mid-Western Educational Researcher will cease publication after this issue. The Executive Committee of the Mid-Western Educational Research Association has decided that its future publication will take the form of a newsletter. The Editors wish to express their gratitude to the contributors, the Editorial Boards and the readers over the past eight years. They are saddened at the loss of this outlet for dissemination of basic and applied research.

MIDWESTERN EDUCATIONAL RESEARCH ASSOCIATION

The purpose of the Mid-Western Educational Research Association is to improve, promote, and disseminate educational research through the publication of research, through presentations of research findings at an annual convention, and through other professional activities deemed appropriate by the association.
