FALCONS/1
THE CHALLENGERS

PURDUE — Bowling Green's first-ever opportunity to meet a Big Ten opponent in football will put the Falcons against a team which has the material to win the conference championship. All-American candidate Otis Armstrong is the loop's top returning rusher (214 for 945); QB Gary Danielson (89/154) is the league's top returning passer and End Darryl Stingley is the loop's top returning receiver (36/734).

MIAMI — The Falcons face one of the top MAC teams in the Redskins. Miami third in the nation in total defense (189.3) and tailback Bob Hitchens ranked 13th in the nation with 1,157 yards rushing.

WESTERN MICHIGAN — In its second league game on the road, BG lines up against all-league first team running back Larry Cates and the nation's 11th best defense headed by a rushing defense which ranked fourth in the country. The Broncos were 7-3 for the second straight year.

TOLEDO — In its fourth straight road game, BG runs up against the team which boasts the nation's longest winning streak (35) and has won the MAC for the last three years. Toledo also was the nation's top defensive team last season.

KENT STATE — BG had to score 36 points in the second half for a 46-43 victory last season against a team which defeated North Carolina State and came within three points of beating potent Iowa State. Kent has about six transfers waiting to step into starting roles headed by a 9.3 sprinter who also carries the pigskin.

SAN DIEGO STATE — San Diego had a taste of being ranked among the nation's top 20 teams in the last few years, and the Aztecs should be right back up there after a 6-5 campaign. Last season, San Diego was the nation's top passing team. In the last five years, San Diego owns a 44-8-1 record.

MARRAHLL — Marshall returns almost its entire team which dumped the Falcons, 12-10, last season. It's a revenge game for the Falcons.

OHIO UNIVERSITY — The MAC championship could be settled in this game. The Bobcats will probably be the league's surprise team with running back Bill Gary returning to his sophomore form of 1970, quarterback Dave Juenger, a second-team all-league selection, and highly-touted sophomore quarterback Rich Bevly on the scene.

DAYTON — The Flyers shocked Bowling Green, 26-16, last season and revenge will again be the order of the day.

TAMPA — As the only team in the nation to play at "both Disneylands," Bowling Green will face a young and talented team which posted a 6-5 record in its first year of major-college competition and returns 42 lettermen.

GENERAL ANALYSIS

"Trying harder because we're second best," has to be an advertising promotion for the 1972 Bowling Green State University football team which expects to make a run at the Mid-American Conference championship after finishing second to all-winning Toledo in last year's six-team race.

Only Toledo's super-seniors kept Bowling Green's super-sophomores from winding up on top last season.

PRE-SEASON POWER RATINGS

One of the most accurate forecasts of a football team's strength is produced each season by Harry DeVold of the Football News. His final power ratings for the 1971 season showed BG's 1972 opponents in this order:

19th — Toledo
39th — Purdue
47th — Western Mich.
48th — Miami
50th — Ohio University
70th — Tampa
71st — San Diego State
79th — BOWLING GREEN

Norm Hillstrom
as the Falcons rang up a 4-1 league chart with the only loss being a 24-7 defeat against the Rockets in a game watched by an MAC all-time record of 26,860 at Bowling Green.

BG’s super-sophs are now experienced juniors and Coach Don Nehlen will field one of the most experienced teams in the MAC with 16 starters included among 32 returning lettermen.

However, CAUTIOUS OPTIMISM exists in the Falcon camp because of a back-breaking schedule that includes the first three league games on the road against Miami, Western Michigan and Toledo and other non-league road contests against Purdue, San Diego State and Tampa.

“We expect to field a fine football team this fall,” states Nehlen. “However, our schedule is the biggest challenge ever faced by a Bowling Green team and we must use this to our advantage. We will have an experienced offensive team and should be improved on defense. Our team will be a junior-dominated team with seniors filling in at key positions and supplying the leadership needed for a winning season.”

The Falcons return nine of 11 starters on offense headed by a trio of players who could be headed for national honors. Heading up the running game will be 190-pound junior tailback Paul Miles who ranked 10th in the nation as a sophomore with 1185 yards.

Miles was a unanimous all-MAC choice and earned honorable mention All-American honors while being named to the Football News and Gridiron Sophomore All-American teams.

“Electrifying” Tony Bell will be used to compliment Miles in the running game at wingback after touching the ball 37 times in 1971 for 651 yards and a 17.6 average as a runner, receiver and return specialist.

Also drawing notice as a top-rate professional prospect is 245-pound guard Fred Sturt, a second-team MAC pick last season.

BG’s offense will also feature the exciting pass-catch combo of junior quarterback Reid Lamport and junior split end Rick Newman. Both veterans ranked third in MAC passing and receiving totals as Lamport hit on 71 of 154 aerials for 1,006 yards and Newman snagged 25 passes for 443 yards.

The Falcon offense, which topped the conference with a 367.4 average, also will be built around a big, veteran line headed by Sturt, 240-pound first-team all-MAC tackle John Czerwinski and his running mate, 240-pound Tony Kijanko, and 225-pound tight end Greg Meczka.

BG’s defense gave up 207 points last season although the Falcons still ranked among the top 25 teams in the nation in total defense with a 251.2 average. Senior end Bill Montrie, junior linebacker John Villapiano, senior tackle Gary Zelonis, senior safety Gary Seemann and junior halfback Myron Wilson are veterans around which Nehlen is hoping to build an improved unit.

Junior kicking specialist Bill Witte should be another plus factor.

QUARTERBACKS

In his first varsity game against Ohio University last season, Reid Lamport was honored as MAC Player-Of-The-Week as he led the Falcons to an upset 20-19 win over the Bobcats by completing 13 of 20 passes for 162 yards and a touchdown. The “rookie” did not stop there as he went on to start eight games and finish the season as the league’s third best passer with 71 completions in 154 attempts for 1,006 yards and 7 touchdowns.

The Falcons also can employ an excellent change of pace at the helm by using ball-handling magician Joe Babics at the controls. The junior from Canton McKinley alternated with Lamport last season and drew two starting assignments. Babics is adept at running the option and passing on roll-out action. He worked hard on his passing accuracy this spring after completing only 22 of 61 aerials last season for 325 yards and 2 touchdowns.

Inexperience exists after the one-two knockout punch although Nehlen was satisfied enough with Hal Watz’s performance in the spring game to shift third-team quarterback Ed McCoy to defensive safety for the start of all drills.

The coaches are also high on Mitch Sherrell, an all-Ohio freshman prospect from Claymont High School who has been called a “sleeper” similar to a Chuck Ealey who came out of the high school ranks to guide Toledo to 35 straight victories.

FALCONS/3
Opposing Coaches Talk About Paul Miles

Bill Hess, Ohio University: "I expected to see a good tailback, and I did."

Bill Doolittle, Western Michigan: "Miles was the difference."

Jack Murphy, Toledo: "Miles is a very fine running back. He made us miss some tackles."

Don James, Kent State: "We felt as a staff and squad that Paul Miles was the best running back we faced during the 1971 season."

Bill Mallory, Miami: "Miles reminds me of O. J. Simpson because he has such quick feet and can slide down the line so easily."

Jack Lengyel, Marshall: "It is virtually impossible to stop him for less than four yards."

John McVay, Dayton: "I feel this young man has great contact balance, great explosiveness and all the tools to be a great one."

Running Backs

As a sophomore last season, Paul Miles emerged as one of the premier running backs in college football as he rambled for 1,185 yards to finish 10th in the nation in rushing with a 118.5 per game average.

Consistency is Miles' game and the off-tackle play may be re-named in his honor before he graduates to a lucrative professional contract. In eight of 10 games, Miles went over the 100-yard mark in rushing to give him 29 junkets past the century mark in his last 33 games in high school and college. His best effort was a 192-yard day against Kent State which resulted in his selection to the UPI Backfield-Of-The-Week in addition to MAC Player-Of-The-Week honors.

Of the top five defensive units in the nation before he played against them. When the post-season awards went out, Miles got his share as he was named BG's most valuable player, a unanimous ALL-MAC choice, a honor-mention Ail-American by the AP, and a Sophomore All-American by both Gridiron and Football News.

While Miles was patrolling left field for the MAC championship baseball team this spring, Nehlen was finding some valuable depth at tailback and both Greg Brewton and Dave Bower displayed promise in the running game.

Additional depth could come from sophomore Jack Kozminski and a quartet of speedy freshman prospects. "Rookie" Jerry Johnson of Steubenville recently finished third in the Class AAA 440-yard run at the state track meet and Monroe Larkin of Cleveland East Tech recorded one place better in the 220-yard dash. Other first-year hopefuls at the eight-deep tailback post are Bill Ransone of Kenilworth, Ill., and Tom Moriarity of Cleveland Benedictine.

Nehlen calls FULLBACK the best position on the team from a depth standpoint and the three juniors who are in a battle royal for the starting job would have to agree.

On the basis of just surviving a vigorous spring practice, Jamie Henneberry is listed as the first replacement for 225-pound all-league pick Jerry Fields who tied a pair of BG records with 66 points and 11 touchdowns last season. Henneberry has the quickest start of the fullback candidates and looked impressive in spring scrimmages. A non-letterman last season with only six official carries for 17 yards, the former All-New Jersey first team running back could be the surprise of fall ball if he can avoid an injury bug which seems to follow him on every play.

The Falcons are also high on letterman Phil Polak, a 210-pound smasher who overcame a bout with double pneumonia this spring to star in the Spring Game as he led his team to victory with 143 yards and two touchdowns.

Also in the picture for the starting bid is 195-pound Don Dillingham who was recognized as one of the most improved players during the spring.

Falcon Defense Sends Ealey Flying

Brewton is a whirling dervish of a back who sometimes enjoys running in circles instead of going straight ahead. Nehlen feels the Toledo Woodward junior could start for many of the teams in the MAC. In limited back-up duty last year, Brewton averaged 5.6 yards a carry while romping for 45 yards.

RECEIVERS

Although depth could be a problem, Bowling Green will have one of its best receiving corps in its history this fall unless injuries strike down the first two players at each position.

The wingback and split end spots each are loaded with a solid one-two punch who can give a defensive secondary fits.

Junior All-American candidate Tony Bell heads up the wingback warriors. All the 6-3, 200-pound speedster could do last season was touch the ball 37 times for 651 yards and a 17.6 average. His totals included 179 yards on the ground for a 9.9 rushing average, 127 yards in the air and 345 yards in kickoff returns. The first-time he touched the ball in a college game he ran 57 yards.

A sign of Bell's game-breaking ability is the fact that he is winning the starting battle from two-year regular Billy Pittman who figures to break some career conference records in punt and kickoff returns this season. In two seasons with the Falcons, “Willie The Wisp” has collected over 1700 yards of real estate with 310 rushing, 405 receiving, 312 on punt returns and 746 on kickoff returns. Not bad for the 5-8, 162-pound “walk-on” who has a 225-pound twin brother starting for Iowa State.

The talent doesn't fall off at the split end position where Rick Newman and look-alike touchdown twin Roger Wallace camp out. A great pair of hands projected Newman among the top receivers in the MAC in 1971 as he ranked third with 25 catches for 443 yards and a pair of touchdowns. His replacement found time to haul down 10 passes for 99 yards and the fourth spot in team as he ranked third with 25 catches for 443 yards and a touchdown twin.

OFFENSIVE LINEMAN

Bowling Green's offensive line will mean “BIG” problems for opposing defenses this season with only the center position not sporting a holdover starter from a year ago.
man tackle John Jacquot into a guard will also be continued in the fall since the Toledo Whitmer junior had a leg injury during most of the spring drills. In the search for a guard who could even play this spring, 210-pound sophomore Dave Kulik from Massillon developed into an excellent prospect and could be heard from this fall.

The Falcons also are blessed with excellent size at tackle in the presence of twin towers John Czerwinski and Tony Kijanko, a pair of 6-5, 240-pound friendly giants. Czerwinski was a first-team All-MAC choice last season at strong tackle and Kijanko is a 25-year-old service veteran with two letters and MAC honorable mention and two years of football starting duty behind him.

Bowling Green will also have excellent depth at tackle with 225-pound sophomore Nick Obrovac and 225-pound Greg Harmon stationed on the quick side and 230-pound Tim Quinn and 6-6, 235-pound Mike Schmidt lining on the strong end. Obrovac was the outstanding freshman starter at left end as a continual enigma to opposing starters available at every position.

Although the graduation of all-MAC first-teamer Dennis Maupin leaves a large hole to fill at center, Nehlen was pleased with the progress of senior Jon Brandyberry in spring drills. Brandyberry, the team's smallest lineman at 200 pounds, came up with the spring "most improved player" tag in his battle to keep ahead of 210-pound Dave McMichael who lettered last year as a second-team guard.

DEVELOPMENT AND TACKLES
Experience and depth will be available on both sides of Bowling Green's Oklahoma defense with a returning starter available at every position.

Co-Captain Bill Montrie returns for his third year as a starter at left end as a continual enigma to opposing coaches. It's true that the 180-pound (give or take a few) marvel from Toledo Central looks more like the team manager or a walking Charles Atlas ad, but he has the heart and quickness to be considered one of the best defensive ends ever to play at Bowling Green. He was an all-MAC honorable mention choice last season.

The left tackle spot will miss all-league second-team selection Larran Meador, but Nehlen did some juggling to keep an experienced player at the position. When the flip-flops were finished this spring, last year's starting middle guard, Tom Hall, won the job, with letterman Gary McBride, one of the few deaf players competing in college athletics, shifting over from right tackle to supply help.

LINEBACKERS AND MIDDLE GUARDS

The major question marks concerning the 1972 Falcons have to be at the linebacking positions and middle guard. The talent appears to be there but it is raw and untested. BC's "name" player in the linebacking corps is junior letterman John Villapiano, who needs only about 55 pounds to be a carbon copy of his older brother, Phil, who last year was named the top defensive rookie in the American Football Conference. "Little John" packs quite a punch into his 185-pound frame along with amazing quickness that helped him rank second in team tackle last year with 160 stops.

The field is open after Villapiano. The top candidates include, Joe Russell, a highly regarded sophomore who was number one during the spring; Brian Cross, 225-pound junior who lettered at tight end last season and who intercepted three passes in the Spring Game; Jim Macry, the outstanding defensive lineman on the freshman team, and Pete Kiselewski, the only new transfer on the team from New Mexico State. Another key man could be freshman Gary Anderson, who last year was named UPI's outstanding football player in Class A competition at Cory Rawson.

On paper, the middle guard spot ranks as the weakest position on the team although Bill Centa and Mark Brown could change that picture. Centa, one of the most talented athletes on the squad, lettered last year as the second-team fullback and second-team tailback. Two years ago he led the freshman team to an undefeated season with a 5.2 rushing average and 38 points while doubling as a defensive starter at middle guard. In his last six seasons of football, Centa has started on five undefeated teams and lost only four times in his career. Brown is an untested second-quarter freshman from Canton McKinley who participated in spring football. A third possibility is Dave Wolfe, a non-letterman junior who is a two-time most valuable performer at 190 pounds for the wrestling team.

DEFENSIVE BACKS

Last year's defensive secondary was just average at best as the Falcons let 207 points find a home on the scoreboard. The problems seemed to come from a lack of speed and the inability to come up with the big defensive play which would turn the ball over to the high-powered offense. In 10 games, the four positions in the secondary accounted for only 10 interceptions and two fumble recoveries. Seven of those interceptions also went to graduating seniors.

However, defensive coordinator Gary Tranquill will be able to start rebuilding with two returning starters in senior safety Gary Seemann and junior halfback Myron Wilson. Both letterman have the potential to win all-league honors and Wilson could become one of the best in the business if he can add aggressiveness to his natural ability.
After spring drills, the other two positions were being handled by junior Rick Hans who was injured during most of last season and top sophomore prospect Dave Turner, who doubled as a standout performer on both the freshman football and basketball teams last season.

Turner will be stationed at the tough monster position where he must fill the shoes of Julius Livas, an all-league performer who topped the nation last season with 127 pass interception yards in a single game against Miami. Backing up Turner will be junior Jesse Creathouse and top sophomore prospect Gary Mixon.

Senior letterman Bill Fisher, who won his award as an offensive end two years ago, saw action at defensive end last season and could push Hans for a starting job at halfback. Other back-up players in the secondary are senior Don Albrecht at safety, junior Bob Kilpatrick and sophomore Bernard Sullivan.

**SPECIALISTS**

Junior Bill Witte ranked third in the MAC kick-scoring race last season with 40 points coming from 19 of 22 extra points and 7 of 13 field goals. He will be pushed by freshman kicking specialist Don Taylor of Hartville and sophomore Brian Bellovay.

Witte also tried punting last year and that’s another story. BG punters averaged 31 yards with rolls last season and the “Help Wanted” sign is out again. Applicants include tailback Bower, safety Ed McCoy, and split end Bob Pearsall.

Even centering on punts may become a specialist role with Montrie called upon in emergency situations. In the kick return game, Bell, Pittman, Newman and Brewton will be threats to go all the way anytime. Pittman will again be the top punt return man for the third year.

Babies and Lamport will hold for extra points and Cross looks like the kickoff man.

Dr. Hollis A. Moore became the seventh president of Bowling Green State University in July, 1970, and almost immediately ordered a brown blazer and burnt-orange slacks.

That school-colored suit, which now includes a Falcon crest, is rapidly becoming a tradition at Bowling Green athletic contests as the University’s chief administrator enjoys his position as being both a friend and supporter of BG’s successful intercollegiate athletic program.

Dr. Moore has always liked individual sports such as swimming, tennis, golf and water skiing. But his avid interest in athletics didn’t develop until his two sons came along.

“We began looking for something we could do together as a family, like ice skating. Sports help keep a family together and college sports have a carryover value into a lifelong interest,” he said.

Prior to coming to Bowling Green, the Missouri native was vice president of academic affairs at George Peabody College, Nashville, Tenn.

A varied background as a teacher, administrator, lecturer, writer, consultant and scholar has equipped Dr. Moore with a very real knowledge of the mounting challenges and issues facing higher education in the 1970’s.

He is a 1946 graduate of Baylor University where he studied history and political science. He earned his doctoral degree from the University of Texas in 1953.

His educational career began in 1949 in Austin (Tex.) Public School system where he taught social studies and was dean of boys. Three years later he moved into the publishing business as associate editor of “The Nation’s Schools,” a position he held until 1955 when he was appointed executive secretary for the Committee for the Advancement of School Administration in Washington D.C., a W. K. Kellogg Foundation project.

From 1960-64 he was dean of the College of Education at the University of Arizona, during which time he supervised the revision of the college’s curriculum.

Dr. Moore was named director of the division of education at the W. K. Kellogg Foundation, Battle Creek, Mich., in 1964. There he initiated the planning and grant for the New England Center for Continuing Education, a cooperative venture of six state universities in New England for the development of common programs in the area of adult continuing education.

Active in professional affairs, Dr. Moore has been called upon to serve as a consultant on research and demonstration for the U.S. Office of Education and for the Department of State’s Bureau of Cultural Affairs. He was also a consultant for American Child Centers.

In September, 1970, Dr. Moore was named special consultant to the New York Commission on Long-Range Planning for the State University, which is doing an extensive study of the future of higher education in that state.

Among the president’s publications is a book he co-authored entitled The Administrative Team and Long-Range Planning, published at the University of Georgia in 1967.

He and his wife, Marian, have a number of civic interests including music and art. The Moores have two sons, Andrew, an ensign in the United States Navy, and Michael, a junior at Northwestern University. Dr. Moore was born in Pierce City, Missouri, April 3, 1923.
ATHLETIC DIRECTOR DICK YOUNG

If they presented a national “Rookie Of The Year” Award to athletic directors, Bowling Green State University’s Dick Young would be a leading candidate for the honor.

Since taking over the duties and responsibilities as the chief athletic administrator at Bowling Green in April, 1971, the university’s intercollegiate athletic program has produced an amazing record of achievement in the eyes of the public and the Mid-American Conference.

In the MAC, Bowling Green athletic teams turned in their version of the “Impossible Dream” during the 1971-72 year by vaulting from last to first in the race for the coveted Reese Cup, emblematic of all-sports supremacy in the conference. After winning only two MAC championship (cross country and basketball) in five previous years, the Falcons won three league crowns in 1972 as the baseball, golf and track teams received championship trophies.

Other highlights of Young’s first year of administration included the scheduling of Purdue on the 1972 schedule as Bowling Green’s first Big Ten opponent in football; the scheduling of top-rated opponents at home for the hockey team in 1972-73; the announcement that nine holes will be added to the University Golf Course in the next two years; the increase in funds generated by The Falcon Club from $14,000 to over $35,000; the successful staging of the Toledo football game which produced an all-time MAC record attendance of 26,860, and the staging of such “extra” events as the MAC Baseball Playoff, the NCAA District Four Baseball Tournament, the USILA Lacrosse Tournament First-Round Game, and sectional, district and regional tournament of the Ohio High School Athletic Association in basketball, baseball, track and tennis.

The background of Bowling Green’s athletic director is as follows:

EDUCATION: Young was graduated from Upper Arlington High School in 1950. He attended Denison University in 1951 before transferring to Ohio State. He was graduated cum laude with a B.S. degree in health and physical education from Ohio State in 1955. He continued his graduate work at OSU in 1955 until he entered the United States Navy as a lieutenant. He returned to Ohio State in 1958 and received his master’s degree in education in 1959. He has also completed all academic course requirements for his doctorate degree in athletic administration at Bowling Green.

PROFESSIONAL EXPERIENCE: Young joined the Bowling Green coaching staff in 1959 as an assistant football and head baseball coach. His duties included coaching the freshman football team to a 31-7 record in eight seasons. He has also served as baseball coach since that time and from a standpoint of victories, he retired as Bowling Green’s winningest active coach in his 12th year with an excellent 184-146-6 record. Only three of his teams suffered losing seasons. He also served in 1970 and 1971 as an administrative assistant to the athletic director. For the 1971 spring term, he was appointed acting chairman of the Health and Physical Education Department while Dr. Sam Cooper was on a leave of absence. Young has also authored several instructional articles on baseball and in 1970 was one of the featured speakers at the American Association of College Baseball Coaches meeting.

ATHLETIC BACKGROUND: At Upper Arlington High School, Young lettered in football, basketball and baseball under Doyt Perry, former Falcon athletic director. He lettered in the same three sports at Denison University as a freshman. At Ohio State, Young lettered two years as a defensive halfback in football and participated in the 1955 Rose Bowl with the national champion Buckeyes. He was named to the All-American academic team in 1953 and was Ohio State’s recipient of the Big Ten Conference Medal of Honor for scholar-athletes in 1955.

PERSONAL: He and his wife, Sandy, are the parents of a son, Tim, 15, and two daughters, Pam, 13, and Alyson, 12. “Tim-Pam-Aly” as Young puts it... Born in Columbus, Ohio, 1-3-32.
HEAD COACH DON NEHLEN

After finishing second in the balloting for Mid-American Conference Coach-Of-The-Year honors in 1971, DON NEHLEN, 36, moves into his fifth season as Bowling Green State University's head football coach with a 20-17-2 record. He is Bowling Green's 11th head coach in its 53-year history of intercollegiate football. He is only the second, Doyt L. Perry, being the first, Bowling Green player to return to his alma mater as head coach.

After experiencing his first losing season as a coach in 1970 with a 2-6-1 record, Nehlen turned things around in excellent style as he guided a sophomore-dominated team to second place in the MAC and a 4-1 league to go with a 6-4 overall mark. Nehlen's first BG team compiled a 6-3-1 record and placed third in the MAC with a 3-2-1 mark. His second team was 6-4 overall and just missed defeating Toledo for the MAC title with a 4-1 record. In four years, his conference record stands at 12-8-1 with two seconds and a third place on the books.

Nehlen's 13 years of coaching have been filled with success.

In 1958, he started his career as reserve football coach at Mansfield Senior High School. The next year found him appointed to the head coaching position at Canton South High School where his teams won 24, lost 11, and tied 2 in four seasons.

DEDICATION

The 1972 Bowling Green State University Football Press Guide is dedicated to Dale Herbert who for the last 16 years has served as coordinator of health and physical education and athletic facilities at the University.

The 56-year-old administrator and former coach will be taking a year's leave of absence during the 1972-73 academic year and his future plans are indefinite.

For the past six years, Herbert has also served as assistant athletic director and he is recognized as one of the finest coordinators of athletic events in the nation. His work with athletes and coaches has enabled the University to be recognized and respected across the nation for the quality of its athletic program and its conduct of athletic events.

Herbert's career in coaching and athletic administration at high school and college levels spans 32 years. He first came to Bowling Green in 1951 as an assistant coach and instructor in health and physical education. He now holds the rank of associate professor. He was graduated from Bowling Green in 1939 and earned his master's degree from BG in 1951. Besides his administrative and teaching work at Bowling Green, Herbert has been manager for numerous Ohio High School Athletic Association events at Bowling Green during the last 10 years.

Unlike McArthur, he has not said he will return. If he does not, Bowling Green will indeed miss "THE MAN behind the scenes."

Bowling Green State University

"Tomorrow's Athletics For Today's Athletes" is the motto of Bowling Green State University's Athletic Department — an objective much in keeping with the overall goals of this fine, midwestern University.

A casual visitor to the main campus learns a great deal about Bowling Green State University from its physical features. Ultra-modern classroom facilities, spacious residence halls, and a stunning new athletic complex point toward progress and potential, while stately, ivy-covered halls reflect past tradition and success.

Bowling Green is committed to providing a friendly, yet academically stimulating climate for the physical and mental development of its students. There is at Bowling Green — on its campus, in its academic halls, and on its athletic fields — a powerful commitment to excellence of education, personal integrity, and freedom to achieve.

This has been the key to the University's academic and athletic success, and is its prospect for continued excellence in the future.

Bowling Green State University is situated on a 1,000 acre campus in Bowling Green, Ohio, 23 miles south of Toledo and 15 miles south of the Ohio Turnpike. The University also provides two-year academic centers in four northwestern Ohio communities. Total enrollment is now approaching the 15,000 mark, and has been steadily increasing since the school's founding in 1910.

Courses of instruction at Bowling Green lead to degrees through the Colleges of Arts & Sciences, Business Administration, Education, and The Graduate School. The academic year is divided into three quarters of approximately 11 weeks each, along with a regular summer quarter.

Firm and dynamic leadership has been a tradition at Bowling Green through the tenures of seven University presidents. The seventh, Dr. Hollis A. Moore, assumed his duties in July, 1970, succeeding Dr. William Travers Jerome III. Dr. Moore was formerly vice president of academic affairs at George Peabody College in Nashville, Tennessee.

In commenting on his new appointment, which came at a time of considerable campus unrest throughout the country, Dr. Moore stated, "I feel there is an excellent background here for communication between students, faculty and administration; all of which leads me to have an obvious optimism about Bowling Green and its future."

If past success and development is an omen of things to come, then Bowling Green's future is bright, indeed. The past decade marked the University's period of most rapid growth, as evidenced by its changing physical appearance.

Perhaps most impressive of the buildings recently completed is the nine-story university library, which has a total capacity of 640,000 volumes, terraced grounds, reading lounges, study carrels and seminar rooms. Other new facilities include a science-research complex, education-general classroom building, student medical center, student services building, and ultra-modern athletic complex.

Intercollegiate athletics and Bowling Green have been exciting and rewarding partners for many years. The University's athletic program has also expanded and matured in the past decade, and now embraces a total of 12 varsity sports. A member of the Mid-American Conference since 1952, Bowling Green has been a front-runner in competitive success and physical expansion.

Located on the eastern edge of the Bowling Green campus is one of the newest and finest athletic plants in the country. Built at a cost of over $6 million, the area now contains a 23,000-seat football stadium, 3,500-seat ice arena, all-weather track, baseball stadium, all-weather tennis courts, ski-area, championship golf course, soccer field and lake. The area also provides practice facilities for all Falcon outdoor sports, plus physical education, intramural, and community sports activity.

Throughout the years, Bowling Green has established many athletic traditions, including the tradition of winning. In the past decade, Bowling Green has compiled an all sports winning percentage of .622. Of the 12 intercollegiate sports, two of which were added in 1965 and one in 1969, nine had records of .500 or better in 1971-72.

Bowling Green's winning tradition also shows in the classroom. In the past 20 years, over 90 per cent of all scholar-athletes entering Bowling Green have graduated — a record significantly higher than the national average.

Other traditions include the nickname "Falcons", carried by all Bowling Green athletic teams, and the school colors of burnt orange and seal brown. There is the mysterious spirit organization, Sic, Sic, Homecoming Day, Dad's Day, migrations to other Universities, the Alpha Tau Omega victory bell, carried to all football games, and the school's mascot, Freddie Falcon.

ATHLETICS AT BOWLING GREEN STATE UNIVERSITY

In striving to achieve its education goal of providing total student participation within a framework of excellence at various levels of competition and proficiency, Bowling Green State University’s athletic program reached a new high in performance during the 1971-72 academic year.

At the intercollegiate level, Bowling Green established itself as the reigning all-sports champion of the Mid-American Conference by winning the coveted Reese Cup for the first time since 1959. Nine of the 12 varsity teams recorded .500 or better seasons with the baseball, golf and track teams capturing conference championships.

The athletic program continued to generate enthusiasm for “club” teams which range out the intercollegiate program with athletic contests in the sports of rugby, water polo, sailing, gymnastics, cricket, fencing and volleyball.

The program also completed another successful intramural sports program for men and women under the director of Maurice Sandy. During the 1971-72 year, the co-ed and men’s intramural activities provided recreation and competition for 1,172 teams and 8,437 participants.

BG’s athletic program also proudly embraces one of the nation’s finest departments of health and physical education at both the undergraduate and graduate levels.

Over 75 and 100 other athletic events sponsored by community and state-wide organizations were also incorporated into the total program last year as BG’s ultra-modern facilities were used for such events as district and regional high school tournaments in basketball, baseball, track and tennis and the state tournament in basketball, swimming and track for the Ohio Athletic Association for the Mentally Retarded.

With the total program using participation as its center of attraction, the Falcon intercollegiate teams have brought much recognition to the University through their excellence in athletic competition. A brief look at the recent history and current status of BG’s 12 varsity sports illustrates this point.

Football — Bowling Green is well known for its traditional football excellence. During the 1958-68 decade, the Falcons boasted a winning percentage of .793, ranking second among 113 major college teams in the country. The Falcons have won six Mid-American Conference championships since joining the league in 1952, and only twice have finished lower than third. Bowling Green won the NCAA College Division championship in 1959 on the merits of a perfect 9-0 season. (The Falcons received NCAA University Division status in 1961.) Head coach Don Nehlen and his staff have the current football program well in hand with two second places in the MAC in the last three years.

Basketball — For many years the Falcons have produced some of the finest and most widely recognized basketball teams in the country. Post-season major college tournaments have been especially significant in gaining deserved national recognition. Bowling Green cagers have appeared six times in the NIT tournament in New York, and four times in the NCAA tournament. The Falcons have produced nine basketball All-Americans, and won four MAC titles. Coach Pat Haley currently handles a Falcon cage program rich in tradition and winning success.

Hockey — Ice hockey became Bowling Green’s newest varsity sport in 1969, and has rapidly captured the fancy of Falcon fans. The University’s spanking new ice arena is one of the best of its kind in the country, and coach Jack Vivian’s icers are making it a “winning” arena already, competing with the nation’s finest teams.

Cross Country — Bowling Green, Oregon and Villanova are the only three cross country teams who have placed among the top 10 teams in the NCAA championships in each of the last three years. Coach Mel Brodt has guided the Falcons to finishes of ninth, eighth and seventh in the last three seasons. The harriers also won the 1969 MAC championship and have produced three of the last four individual league champions, including Dave Wottle which captured the 1971 crown.

Soccer — Added to the Falcons’ varsity itinerary in 1965, soccer is now firmly established as another Bowling Green “winner”. The 1969 squad posted a 7-3 over all record, and coach Mickey Cochrane was named Ohio Soccer Coach of the Year.

Swimming — Swimming has enjoyed a long and successful reign at Bowling Green (the Falcons won five straight MAC crowns from 1956-1960) and the natatorium still rings with past record-breaking performances. Coach Tom Stubbs now looks forward to establishing new records in a new facility — one which should make a fine swimming program even better.

Wrestling — Bowling Green has a long-formed winning habit on the mats, compiling a string of 18 consecutive winning seasons beginning in 1954. During that span, the team won three MAC titles and produced 15 individual champions. Veteran coach Bruce Bellard is reason enough to expect continued wrestling success.

Track and Field — American steeplechase record-holder Sid Sank and World 800-meter record-holder Dave Wottle have put Bowling Green track on the national and international map in the last four years. The top athletes each won individual NCAA champions in 1972 to give BG second place at the indoor track championships. Wottle also won the 880 and mile to help the Falcons to their first-ever MAC outdoor track championship in 1972. By tying the world record for the 800 meters at the Olympic Trials, Wottle became the first BG athlete to win a spot on the United States Olympic Team. The excellent track program is built around Robert H. Whittaker Track, a nine-lane, Tartan oval complete with permanent seats, enclosed press box and special facilities for field events.

Baseball — The Bowling Green baseball program has taken great strides over the past decade to rank as a leader in the baseball-strong Midwest. Under new coach Don Purvis, the 1972 team won the MAC Championships, finished second in the NCAA District tournament and ranked 13th in the nation.

Lacrosse — Another 1965 addition to the Falcon varsity program, Bowling Green lacrosse has gained prominence in the Midwest and nationwide. Coach Mickey Cochrane is duly proud of his teams’ 37-8 overall record in the past three years, along with seven All-Americans, perfect 9-0 season and number six national ranking in 1970.

Tennis — Falcon home tennis matches are now played on 16 new Grasslex and Laykold courts — facilities which do justice to the caliber of Falcon play. Youthful coach Bob Gill heads up the net program and is hungry for his first MAC championship.

Golf — Bowling Green recorded another MAC “first” by completing its own full-length, championship golf course on campus soil. Coach John Piper is proud to take Falcon foes on the beautiful and treacherous 3,577 yard, nine-hole layout after winning the MAC championship in 1972.

"ALL" Candidate Fred Sturt

THE MAC

FALCONS/43
COMMISSIONER FRED JACOBY

As the Mid-American Conference embarks on the second quarter century, the league’s directional reins have been entrusted to a new Commissioner.

Fred Jacoby, 43, became the MAC’s third chief executive on April 1, 1971. A native of Logan, Ohio, and a graduate of The Ohio State University, he brings a total of 23 years experience in the field of athletics to his new assignment.

Jacoby served as Commissioner of Athletics for the Wisconsin State University Conference for five years prior to accepting the MAC post. Before becoming an administrator, he compiled an impressive record as a high school and collegiate coach. He also was active in administrative work and a basketball official on schoolboy and college ranks.

From 1958 to 1966, he was an assistant football coach at the University of Wisconsin. Badger eleven won a pair of Big Ten crowns and finished second once during this period. While at Wisconsin, he also coordinated the recruiting program and gained substantial experience in the area of grants-in-aid.

As a high school football coach, Jacoby compiled an overall record of 63 wins, 13 losses at three schools — Bremen (Ohio) High, Washington Court House (Ohio) High and Madison West (Wis.) Individual records, in order, were 24-3, 9-0 and 30-10. His final Madison West squad in 1957 registered the first un-un season in school history.

Known for his organizational ability, Jacoby also is a determined, highly disciplined individual. Best illustration of these qualities may be traced back to his undergraduate days with the Scarlet and Gray. His dreams of football stardom were shattered by an injury in his freshman year that ended his playing days but Jacoby stayed on at Ohio State to prepare for a coaching career by obtaining a bachelor’s degree in physical education (1948).

In 1953, he added a master’s degree from the University of Wisconsin.

Since assuming his new position, Jacoby has made expansion his No. 1 priority. The MAC Commissioner and his wife, Marcia, have three sons — Tom, Robert and Steve. The Jacobys live in Upper Arlington, a Columbus suburb.

THE REESE TROPHY

Emblematic of athletic excellence in the MAC is the Reese Trophy awarded annually to the school maintaining the best record in the nine sports (football, cross country, basketball, swimming, wrestling, baseball, golf, tennis, track) contested on the conference level.

THE PAST

Cheerleader Chris Mohler could be on the receiving end of a pass from Quarterback Reid Lamport

FALCONS/45
With a tremendous amount of credit going to student assistant Jim Schneider who has been researching Bowling Green's modern football past for the last 10 months, the following gridiron achievements are published in record form for the first time. The achievements recorded are from 1947, the first year of the Mid-American Conference, through 1971. For the first time they can be viewed with historical perspective. In several categories, outstanding performances have been found recorded before 1947 and they have been included with a (*) notation. It should be noted that research is still being done in certain categories. Conference Records Are Noted.

EVERYTHING YOU ALWAYS WANTED TO KNOW ABOUT BOWLING GREEN FOOTBALL ("BUT WERE AFRAID TO ASK")

ABC — The American Broadcasting Company and the NCAA will again feature the Mid-American Conference on regional television during the 1972 season. For the first time ever, Miami and Bowling Green will make their first appearance on national TV when the BOWLING GREEN VS. MIAMI game on Sept. 23 from Oxford is televised. The last three appearances by a MAC team have involved games between Kent State and Ohio University.

ACADEMIC ALL-AMERICA — The team has been selected each year by the College Sports Information Directors of America since 1952. To qualify, players must maintain at least a B average the two previous semesters. Bowling Green’s Laurie Kelly was named to the third team in 1969-70. The Falcons have not been represented on the first or second teams.

ACADEMIC ALL-MID-AMERICAN CONFERENCE — The MAC faculty representatives have selected an all-league academic team in football since 1965. Bowling Green’s selections include the following players:

AIRPLANES — The football team will fly two charter trips in 1972 to San Diego, Calif., and Tampa, Fla. This is surprising after what Coach Don Nehlen experienced in 1971 when he was on eight different planes during a two-day scouting trip to East Carolina.

ALBRECHT, DON, senior safety, spent the spring of his sophomore year raising a pet monkey.

ALL-AMERICANS — Seven Bowling Green football players have been named to the first or second All-american teams in the 53-year history of the sport. Several other Falcons have received honorable mention. Bowling Green’s All-Americans are:

- 1971: Don Plusquelle, QB
- 1970: Laurie Kelly, S
- 1969: Don Plusquelle, QB
- 1968: Al Silva, O
- 1966: Frank Hapgood, T
- 1965: Heath Wingate, C
- 1964: Laurie Kelly, S

ALLEN, FRANK, senior guard, blocked five punts as a sophomore at Warren Western Reserve High School.

ALL-MID-AMERICAN CONFERENCE PLAYERS — Since joining MAC in 1952, Bowling Green has placed 106 football players in the MAC in 1952, Bowling Green has placed 106 football players.

ALL-STAR-GAMES — Sixteen Bowling Green football players have played in post-season all-star classics since 1955. The players honored include:

- EAST-WEST (San Francisco, Calif.) — Bernie Casey, 1959.
- SENIOR BOWL (Mobile, Ala.) — Jerry Croft, 1961; Mike Weger, 1966; Phil Villapiano, 1971.

ALUMNI — Jim Lessig keeps the Bowling Green alumni happy as director of alumni affairs. Fred Hanson is associate director of alumni and Jim Ladd is director of development. For additional information, call the Alumni House, 372-2186. The Alumni House is open before all Falcon home football games.

ALPHA TAU OMEGA VICTORY BELL — The Alpha Tau Omega Victory Bell, “Old Alpha” is one of the lasting traditions in BG football. The bell has been rung by ATO members following every Falcon touchdown and conversation since the opening game of the 1961 season. In 11 seasons, the bell has traveled over 40,000 miles including a 1970, trip to Utah State which resulted in “Old Alpha” falling over a cliff on the return home. Although a substitute “Baby Alpha” had to be acquired from the Weston fire department, the tradition was continued. “Old Alpha” made a strong comeback in 1971.

ANDERSON, GARY, freshman linebacker, was named the Ohio Class A Player-Of-The-Year in 1971 by United Press International. He played for Cory-Rayson H.S.

ATHLETIC COMMITTEE — The purpose of the University Athletic Committee is to provide for intercollegiate competition in wholesome approved sports for men students. The committee will be composed of the following members for 1972-73:

- Clifford Brooks, Director of Upward Bound Program
- Dr. Sam Cooper, Chairman of men’s HPE department
- Derek Dickinson, Assistant Dean of Students
- Harvey Donley, Professor of Business QAC
- Dr. Carl Hallberg, Professor of Biology
- Dr. William Harrington, Professor of Education
- Faith Jackson, Instructor in Speech
- Dr. Harry Lasher, Assistant Dean of College of Business Administration
- Dr. Eldon Snyder, Professor of Sociology
- Richard Young, Athletic Director
- Three Students To Be Named

ATTENDANCE — Bowling Green football fans set single-game and season attendance records for Doyt L. Perry Field in 1971. The Toledo game produced a record MAC crowd of 26,860 and the five-game home attendance was 90,752. The season attendance record of 76,416 was set in 1969. Bowling Green’s top home attendance in football include:

ATTENDANCE RECORD — The 26,860 fans who jammed their way into 23,272-seat Doyt L. Perry Field to see the Toledo game in 1971 set a Mid-American Conference record for a MAC team at home. The attendance figure did not include persons outside the fence, three airplanes which circled the field and a flagpole sitter.

BABICS, JOE, junior quarterback, joins fellow quarterback Reid Lamport as special education majors with a special interest in working with physical handicapped and mentally retarded children.

BARKUNOFF, VIC, sophomore fullback, played on a state championship baseball team at Pleasantville (New Jersey) High School.

BAND — Bowling Green’s FALCON MARCHING BAND of 150 musicians is well known throughout Ohio and the nation for its sensational halftime shows built around precision performance and musical excellence. For additional information about this year’s Falcon marching band, contact director Mark S. Kelly (372-2991) or assistant director Jon R. Piersol (372-2566). The following persons are among the band’s leaders for the 1972 season:

- Drum Major — Bill Shoup, Xenia, sophomore
- Featured Twirler — Linda Omoh, Glen Caron, III, senior
- Twirlers — Bonnie Ameling, Woodville, senior
- Debbie Wiltrom, Mansfield, senior
- Musical Arranger — Louis Marin
- Announcer — David Glesmiro
CHEERLEADERS — Bowling Green's cheerleaders for football and basketball.

CHISMAR, RON, sophomore defensive end, rates as one of the MAC's best in the nation. He was born in Dubica, Yugoslavia.

BEACH, MARK, senior tight end, is one of six BG players who are married.

BELLOVAY, BRIAN, sophomore fullback, once lost his football pants during a pile-up at a Brecksville High School game.

Bell, TONY, junior wingback, is the first BG athlete to letter in both football and basketball since Jack Hecker did it in 1953-54. Bell performed the feat as a sophomore.

BOLES, JOHNNY, freshman quarterback, captained his football, track and basketball teams at Toledo Bowsher.

BOWER, DAVE, senior tailback, once set a national age-group swimming AAU record as a youth in the medley relay.

BOWL GAMES — In Bowling Green's only post-season bowl appearance, the Falcons lost to Fresno State, 36-6, in the 1961 Mercy Bowl which was a memorial game to the players killed in the California Poly plane crash in 1960. Bowling Green and the other MAC schools are eligible to play in the Tangerine Bowl.

BRADBURY, JON, senior center, wants to be a dentist and his father is a minister. It's about the same line of work since both often confront persons with open mouths.

BREWTON, GREG, junior tailback, scored a touchdown during BG's 69-12 win over Toledo as a freshman and a reporter promptly asked him when BG was going to put the third-team player in. "It is the third team," replied Brewton.

BROWN, MARK, freshman middle guard, may be first freshman to ever play in Spring Football Game since he was a second-term freshman last spring.

BROADCASTING POLICY — It is the general policy of BGSU to accommodate on an impartial basis, all radio stations which wish to broadcast intercollegiate athletic contests from Bowling Green. Such broadcasts are subject only to the limitations of physical facilities and the following conditions: (1) terms apply only to radio — Permission to televise must be made by special arrangements with the Director of Tickets and Promotion (Jim Krone, 372-2401); (2) exclusive rights cannot be granted to commercial radio stations or to stations in a specific geographical area; (3) all applications for broadcasting privilege not corrected by a dumbb, tipesetting machine.

The one luxury the Bowling Green Press Box does not have. When questioned about it, he quipped it was "a present from the mafia." It's amazing how some of the players stare at him with a "Godfather" look in their eyes.

DILLINGHAM, DON, junior fullback, has twin brothers who are both rated excellent football players at Dayton Fairview High School.

DUDLEY, BOB, administrative assistant, is an avid golfer who finds time between rounds to supervise the university golf course. He is also a avid singer who finds time on Sunday to lend his bass voice to the Methodist Church choir.

DUNHAM, DAVE, sophomore defensive end, follows his father, Vern, who was a four-year letterman in football from 1945-48. Dave performed the feat as a sophomore.

DUMAS, JAY, junior center, was a high school All-American defensive end at Warren Western Reserve.

with a non-skid, all-weather plastic surface called Tartan; STELLER FIELD is baseball's home which is recognized as the finest facility in the MAC; GOLF COURSE is a nine-hole layout measuring 3,557 yards.

FACT LINE — Have a question about BG? Call Campus Fact Line (372-2445).

FALCON CLUB — The Falcon Club is an organization of Falcon fans who through their financial support and interest help perpetuate BG's winning athletic tradition. The club's objectives are (1) to encourage young men with academic, athletic and leadership abilities to attend the University; (2) to assist in bringing these students to the campus; (3) to contribute to the athletic grant-in-aid program; (4) to promote BG athletic teams and athletes whenever and wherever the opportunity arises. Falcon Club gifts in 1970-71 totalled $14,857.50. In 1972, the club raised $35,990.16. This year's challenge is $30,000. For additional information, contact Jim Krone (372-2401) at The Falcon Club, 205 Stadium Ticket Office, BGSU, Bowling Green, Ohio 43403.

FALCONE — Bowling Green's live "Falcon" mascots are trained to perform at athletic events by interested students. This year's Falcon is Jim Wolfe, Dayton senior. The University's four live mascots include three trained hawks and an albino red-tailed hawk presented to the school in 1970 by John Blakeman, a 1970 graduate and founder of the falconry program.

FALCONS — Ivan Lake, '23, managing editor of the Bowling Green Sentinel-Tribune with duties as sports editor, suggested the name in 1927 after reading an article on falconry. Before his idea, BG athletic teams were called the Normals or Teachers. He liked the name because it fit headline space for sports writers and the Falcon was "the most powerful bird for its size and it often attacked birds two or three times its size." 

FERLINE, CHUCK, junior safety, once ran the wrong way with a fumble at Eastlake North High School but still managed to score two points for his team on the play.

FISHER, BILL, senior defensive back, joined teammate Brian Cross as captains of the North team in the Ohio North-South All-Star game in separate years in 1969 and 1970.

FISHER, TOM, junior defensive end, has four brothers and three sisters in family.

FLOOD, LARRY, freshman fullback, is one of eight football players who play the guitar.

FLOREA, DAVE, sophomore defensive tackle, is one of six brothers in his family.

FOURTH QUARTER TRADITION — Last year's Bowling Green team and others have prided themselves on conditioning. It's become a tradition to let the other team know about that "fourth quarter" edge by holding up four fingers on the sideline before the start of each fourth quarter. Last year against Kent State, the Falcon's scored a MAC record 29-points in the final 15 minutes to come-from-behind and gain a 46-33 win over Kent.

FREDDY FALCON — Bowling Green's famous mascot was senior Kevin Smith of North Baltimore, Ohio, in 1971-72. This year's "Freddy" will assume his duties in the fall. Officially, he's obligated to go to all the football and basketball games, home and away. His identity is a secret until the final home basketball game. Hockey games aren't included in the FF schedule unless FF wants to be there. FF also made his first appearance at a wrestling match and swim meet in 1970-71.

GOERS, JIM, sophomore wingback, is an excellent snow skier.

GOOD, DOUG, sophomore defensive end, won letters in football, basketball, baseball and track at Toledo Whitmer High School.

GREATHOUSE, JESSE, sophomore monsterback, wants to be a sports announcer.

HALL OF FAME — Each year Bowling Green State University recognizes several outstanding men who have distinguished themselves in the field of athletics, either by virtue of their performance on athletic teams representing the University, or by meritorious efforts in behalf of athletics, either as an undergraduate or in the years after leaving the University. In 1971, the Hall of Fame inductees included Doyt L. Perry, former football player, coach and athletic director; Crystal Ellis, captain of the 1956-57 basketball team, and Macs M. Leitman, football and basketball star in the 1920's. The other members of the Hall Of Fame include:

HALLBERG, CARL, BG's faculty representative in the MAC, became a leading candidate for the job when he broke 90 in golf. It's an historical oddity that the MAC faculty representatives have the honor of being listed among the most prolific golfers on their faculties.

HALL, TOM, junior defensive tackle, lettered as a BG heavy-weight wrestler as a freshman. He is also active in campus religious groups.

HANS, RICK, junior defensive back, once scored on a 62-yard pass and an 82-yard punt return and intercepted two passes in one game at Lorain Senior.

HARGROVE, EARL, senior defensive tackle, was Paul Miles' roommate when he was sidelined last year with a case of infectious hepatitis.

(NOTES)
YEAR ONE (1971-72): REGROUP

1971-72 Record: Won 4, Lost 20
MAC Finish: Won 1, Lost 9, Sixth
1971-72 Freshmen: Won 10, Lost 4
91.9 Offensive Average

YEAR TWO (1972-73): REBUILD

1972-73 Capsule Outlook: Although there were no seniors on last year’s Bowling Green basketball team, the Falcons could start as many as four sophomores next season as Coach Pat Haley step[s] up his plans to rebuild BG into a threat for Mid-American Conference and national honors.

Although Haley’s four-year timetable doesn’t include a league championship overnight, the Falcons should be a vastly improved basketball team in 1972-73. While BG’s 4-20 record was nothing to shout about, Haley seemed to establish an instant rapport with players, fans and media as he regrouped and restructured the Falcon basketball program along the modern lines needed to put the program back into the national limelight.

Senior Le Henson (6-6, f, 9.5) and juniors Brian Scanlan (6-7, f, 13.9) Bob Hortaling (6-5, f, 6.8) and Jack Wisman (6-4, g, 4.1) were all starters during the last three weeks of the season and will be returning to give Haley an experienced nucleus to work with.

However, only Scanlan, who led the Falcons in all statistical departments last season while winning MVP honors, appears ready to hold off the challenge coming from a group of outstanding sophomores up from last year’s crack freshman outfit.

Five big reasons for optimism in the BG cage scene are 6-10 Bill Howard, who averaged 16.8 points and 16.0 rebounds a game; 6-8 Cornelius Cash who had 17.5 and 14.2 averages; 6-7 Jeff Montgomery, led the frosh with a 21.5 scoring average while running the offense in the backcourt; 5-11 sharpshooter Dick Selgo (13.6) and 6-4 defensive specialist Ron Weber (12.7).

Bowling Green’s only personnel loss from last season will be starting guard Tony Bell who has decided to concentrate on football where he is expected to be a high pro draft pick in two years.

Haley will have to do his rebuilding in a hurry since the young Falcons will face a suicide early road schedule. During a 30-day stretch in December, BG will face Niagara, St. Bonaventure, Central Michigan, Cincinnati and Miami on the road in addition to competing in the Maryland Classic with Maryland, Georgia Tech and Syracuse.

YEAR THREE (1973-74): REGAIN

The “Maryland of the Midwest” should be in full swing when the Falcons take on the hardworking Hoyas of John Thompson’s; the Cardinals of upperclassman Pat Riley; the Mountaineers of the Huggie era; the Illini, who are a year younger than last year; and the Volunteers of Tennessee state.

Maturity and experience will also be present in another group of outstanding freshmen who will taste varsity action for the first time this season. Expect five or six freshmen to establish themselves as starters during the last three weeks of the season and will be returning to give Haley an experienced nucleus to work with.

YEAR FOUR (1974-75): RESPECT

Goal No. 1: The MAC Championship
Goal No. 2: Recognition in the Top 10
Goal No. 3: The NCAA Championship
