CONGRATULATIONS

- WE SHARE WITH THE STUDENTS AND FRIENDS OF BOWLING GREEN STATE UNIVERSITY, CONTINUED PRIDE AND JOY OVER A GREAT EDUCATIONAL INSTITUTION.

A TRIBUTE

- The rapid growth of this University since its beginning in 1914 is a glowing tribute to the builders who have fashioned the halls through the years and we are proud of our part in providing the materials for the construction of so many beautiful buildings.

A WORLD TITLE AT STAKE

- The Falcons may carry on in battles against their friendly foes in the good old American way today, a privilege that few other countries may now enjoy, but to protect our right to continue to live our lives as we wish, we as Americans must fight a bigger and more serious foe.

- Across the water in the Pacific an “undefeated and untied” outfit scored a lot of points against us because we were looking the other way when he pulled his “Sneak play” last December. The result is that the United States has a “varsity” in every part of the world drilling for the “World Championship” games which are even now under way.

- We, who sit on the sidelines must buy our tickets and buy them again and again in the form of War Bonds and Stamps. Uncle Sam may ask a lot but he is no scalper. If he is going to provide the best equipment in the world for the best soldiers and sailors in the world, we must go all out in our purchase of Bonds and Stamps.

- Make sure that your Army and Navy wins the biggest Victory in the world. Buy Bonds. This Bank can provide you with them at any time.

HERE COMES THE NAVY

The world situation has changed the picture of football all over the United States and there probably is not a college team which does not play a football squad representing a part of the armed services. Bowling Green opens and closes her schedule against the gentlemen of the United States Navy.

Today's game is against the United States Naval Training Station at Miami University, studying radio. The Sailors have a number of ex-high school and college stars on their squad and the game ought to be a good one. In their opener they lost 14 to 7 to a powerful Patterson and Wright Field team from Dayton.

We welcome the boys of Uncle Sam's fine Navy today and though the Falcons will try to beat them, everyone joins in hoping that they trim the pants off everybody else they meet and especially the Japs and Nazis and the poor little Facists too.

MIGRATION DAY

Next Saturday Bowling Green State travels to Delaware to inaugurate gridiron relations with Ohio Wesleyan University and the day has been proclaimed as "Migration Day".

The Alma Mater of President F. J. Prout, Ohio Wesleyan is annually considered as one of the top notch gridiron schools of Ohio and Bob Whittaker's charges have a real job cut out before them.

The Bishops anticipate a good hard game at the hands of Bowling Green's gridders. Every Bowling Green student is urged to make every effort to accompany the team to Delaware to support the Falcons in their first bid for victory over the Bishops.

B.G. MEN ON THE JOB

The War has changed many aspects of the athletic front of Bowling Green State University but though the institution regrets some of the changes very much, it is with the pride of knowing that sons of Bee Gee are doing their part that we are all proud.

Athletic Director Harry Ockeman is on leave helping in some vital war construction work; Coaches M. Budd Cox and Fred Marsh are commissioned officers in the United States Navy and Assistant basketball coach Dick Gernert is a commissioned officer in the U. S. Marine Corps.

Co-captain Stan Yoder, fullback and All-Ohio selection last year, is in the U. S. Army today but his spirit will help to guide the boys in their campaign this year even though he is not here to confer with Co-captain Ralph Quesinberry.

Scores of B. G. Varsity men are now seeing service in all parts of the world.

“GOD GRANTS LIBERTY ONLY TO THOSE WHO LOVE IT
AND ARE ALWAYS READY TO GUARD AND DEFEND IT”

In the face of overwhelming odds, George Washington defended our Liberty on the windswept fields of Valley Forge. Today, as in 1778, that Liberty is under fire. And once again, Americans stand “ready to guard and defend it”. The battle ahead is greater than any Washington could have envisioned, . . . but the fighting spirit of Americans hasn’t changed. WE HAVE JUST BEGUN TO FIGHT. . . .

It’s going to cost a lot to win this war, but Victory is a million times cheaper than defeat. To find the billions needed for Victory, every American must do his share by buying U. S. War Bonds and Stamps to the very limit. If every American bought one $18.75 Bond today, $11,487,500,000.00 worth of guns, tanks, planes and ships could be paid for tomorrow. A small price to pay for such a big reward. More—U. S. War Bonds have behind them the tremendous resources of this country. Your money will come back with interest—as much as $4 for every $3—when bonds are held to maturity. Our America is now—as it has always been—the best investment in the world.

BUY YOUR SHARE OF VICTORY TODAY!
