HOME-COMING A SUCCESS

Biggest Day in History of College.

Unquestionably the biggest day since the foundation of the college was the Home-Coming celebration on November 10. Absolutely nothing hindered the success of the day. Even the weather was perfect.

The day dawned clear and cold, but with a bright, cheery sun, which created a fine atmosphere and feeling of warmth.

The streets of the city, the store windows and even the citizens on the streets were bedecked in the college colors. Everything displayed a holiday appearance.

At nine o'clock the halls of the Administration building were packed with grads and former students greeting one another. At nine-fifteen a sudden cheering was heard and almost 200 students marched into the chapel, cheering. All wore green, the insignia of the Freshman. This was a signal for the chapel meeting and at once the college band struck up a lively air. The second annual Home-Coming of Bowling Green college was started.

Prof. Tunnicliffe led the singing of the college song, after which Dr. H. B. Williams delivered an address of welcome. Dr. C. C. Kohl, head of the History department, next spoke about our college and its ideals and standards. Mr. Langstaff, of Scott High school, Toledo, a graduate of the class of ‘22, next spoke concerning the duty and purpose of the alumni. Donal Y. Smith, class of ‘24, next talked of the duty of the student body, faculty and alumni. Miss J. Kathryn Fast, of Sandusky, a graduate of the class of ‘22, made it a perfect program with several vocal selections. After the program a “yell practice” was held and a display of pep made, never before equaled in the history of the college.

At 12:15 a very fitting ceremony was held to dedicate the new flag pole on the campus. The ceremony was in charge of the American Legion. The parade, which formed immediately after the flag raising and went through the main streets of the city, was an elaborate and beautiful sight. Practically every organization in college was represented. The parade in length reached from the college campus to Enterpise street.

The dedication address, delivered by the honorable Robert C. Dunn was well received and a very inspiring address.

Following the dedication came the real event of the day when old Bee Gee covered herself with glory by defeating Ashland college, 10-0.

After the game came the huge bonfire and snake dance, the snake dance being almost a mile long.

The climax was reached with a monstrous party at the Armory in the evening, rounding out the biggest day in Bowling Green’s history.

Bee Gee Decisively Defeats Findlay.

October 19, 1923, Findlay college came to Bee Gee confident of a victory. In just 60 minutes of football they were educated by a 26 to 3 score that Bee Gee had the best team. At no time did Findlay appear dangerous. They were outplayed throughout. Findlay got her score at the end of the third quarter when a fumble gave her the ball within striking distance of the goal. A place kick succeeded and saved Findlay a shutout.

The defence for the Orange and Brown was very strong, especially in the line. Only one first down was made through the line.

Bachman's kicking was a feature of the game, his kickoffs easily passing over the goal line. The line-up was as follows:

**Bee Gee—**

- Castner L. E. Conaway
- Fuller L. T. Sevens
- Blatline L. G. Blahe
- Mohr R. G. McCauley

Toledo Cinches “Little Ohio” Conference.

October 27 Toledo U. cinched the “Little Ohio Conference” championship by defeating the Orange and Brown with a 27 to 0 score.

Both teams fought hard but the line-plunging of the Toledo crew was enough to insure a victory. The play of Stick for Toledo and Blatline for Bee Gee was a feature of the game. Figgins, Skibbie and Fuller also starred for Bee Gee. Line-up:

**Bee Gee—**

Bee Gee Loses to Defiance.

Playing rather loose and ragged football, the Orange and Brown met defeat at the hands of Defiance, Saturday, November 3. The score was 17 to 7.

The defeat was a blow to the followers of the Orange and Brown. Although a stiff game was anticipated, it was expected that the locals would win.

The occasion held the utmost significance for Defiance for it was their Homecoming. Doubtlessly that fact served to spur them on to their greatest efforts.

The Defiance outfit succeeded best in the aerial game and it was in this department that they succeeded in piling up sufficient lead to assure the victory.

During three years of play this was the first win for Defiance. Bee Gee having scored a total of 34 points to 17 for Defiance.

Bee Gee Wins Home-Coming Game.

Determined, fighting mad and full of pep, the Orange and Brown football warriors took the field against Ashland college, Home-Coming Day. The charges of Coach McCandless emerged from the game on the long end of a 10 to 0 score.

It was the most sensational game of football ever played on a local gridiron.

In general the locals were picked to be beaten by about 30 or 40 points, but the old dope bucket was turned over. The old dedication day jinx had been killed. Several other institutions in the state lost their dedication day games, but “old dedication day jinx” did not have anything on the local warriors. He was completely whipped.

The work of the team was a joy to its local followers and the hundreds of alumni who had come back to their Alma Mater for Homecoming.

The points in style of play which Coach “Mac” had been drilling into his men all season finally came to the surface in the wonderful game which the locals played. They tackled harder, took out men, blocked, and played harder than in any game this season. The co-operation between the line and backfield was wonderful and drew many comments from the crowd.

Both teams used practically the same style of play. The pedagogues used the aerial route and live plays to a great advantage, while Ashland’s greatest ground gainer was the forward pass.

In the first quarter both teams threatened to score, but neither had the final punch to put the ball across.

The second quarter found the Normalites in position to score. On the fourth down Heerick decided to try a place kick at a very difficult angle. The line held like a stone wall and Heerick proceeded to kick and score three points. This injected all the pep into the team and they proceeded to make a touchdown before the quarter was over. Heerick kicked goal. Score: Bee Gee, 10; Ashland, 0.

The second half found the two teams battling furiously with the Bee Gee men having the edge, playing almost the entire half in Ashland’s territory. Ashland fought desperately to score but of no avail. The teachers held like a stone and Ashland was unsuccessful.

The entire Bee Gee second team played the last few minutes and gave a very good account of themselves.

Freshmen Defeat Sophs in Hotly Contested Battle.

On a very treacherous field, the Freshmen won 6-0 victory over the Sophomores, November 9th. This victory relieves the Freshmen from wearing the green after Thanksgiving.

The only score came from the very first scrimmage of the game when a misunderstood signal resulted in a fumble for the Sophs, which McDaniles, left end for the yearlings, recovered and carried to a touchdown. Place's attempted drop kick was blocked.

The third quarter saw the Sophs in a position to score but they lacked the punch and the rookie line was unable to carry the ball through. The final score was 6-0 in favor of the Freshmen.

WOOD COTTAGE NEWSLETS

Mrs. Olive Wood, of Wood Cottage, entertained Prof. and Mrs. J. W. Zellars, of Columbus, Ohio, to a six o'clock dinner at the Woman's building, Home Coming evening, Saturday, November 16. Prof. Zellars was formerly a member of the B. G. N. C. faculty.

Mrs. Zellars made an address, speaking on "Play It Safe or Take a Chance". He brought out that, although safety first was a good motto, it was a good thing to take a chance, and do it square, once in a while.

The talk was made interesting by examples familiar to all college students, and his talk was one of the most enjoyable of the chapel talks, and was very much appreciated by all.

CHAPEL

October 16.

After the regular devotional exercises and song service, Prof. and Mrs. Holt, of the Geography department gave an illustrated lecture on the National Glacier Park.

The main beauty spots of this park were shown and explained by Mr. Holt.

The park is the next largest national park and is noted for its beautiful lakes, 250 in number, its mountains, wild flowers, and glaciers. The park is located in the wildest part of North America and the various scenes are beautiful, many of the mountains resembling Alpine peaks.

October 23.

At this assembly announcements were made concerning the annual college dinner at Toledo, October 27, and the T. U. vs. B. G. college game, which was called for Saturday afternoon.

At this time the Music department had charge of the program. Mr. McEwen gave a short talk on string instruments, their tone and construction. Later the string quartet played two numbers.

October 30.

Rev. Purdy Van Wicklin, of the local Methodist church, gave the morning address, speaking on "Play It Safe or Take a Chance".

He brought out that, although safety first was a good motto, it was a good thing to take a chance, and do it square, once in a while.

The talk was made interesting by examples familiar to all college students, and his talk was one of the most enjoyable of the chapel talks, and was very much appreciated by all.

"SEVENTEEN" WELL PRESENTED

The play, "Seventeen", presented on Thursday and Friday evenings, was well rendered. The acting was splendidly done and created many laughs.

On Friday night every seat in the auditorium was occupied and many, wishing to come, were turned away by the knowledge that the seats were all sold.

The acting of the main characters could hardly have been exceeded by professionals.

The cast was as follows:

William Sylvanus Baxter
Donnal E. Smith
Dona M. Smith
Miss Hoston, president of the Home Economics section.

At the meeting of the Northwestern Ohio Teachers' Association in Toledo on October 29, Mr. Knepper was elected president of the Commercial section and Miss Hoston, president of the Home Economics section.

THANKSGIVING

In our world of autos and aeroplanes, radios and radiophones the individual has much to be thankful for. It is a privilege to live in an era such as ours.

We, students of one of society's greatest institutions, the college, should be doubly thankful, for we are furnished with means of obtaining an education never before equaled in the history of mankind. All that years of research in science and philosophy have revealed is at our disposal. We have but to ask and knowledge is given to us. We come here to college free of any tuition because our citizens; we repay society by making use of our education in our life work, because we try to repay society, we in our endeavors advance our individual interests and if we try hard enough, become great. Is not this opportunity, this chance of greatness, enough for the fortunate students of America to be thankful for? Certainly it must be. Let us then give expression of our thankfulness for these opportunities on this day set apart by our executive. By our example of thankfulness we will make those about us realize that they too have opportunities, or health or youth or that they have something for which to be thankful.

If we express our thanks on this occasion it will be easier to go back to work after vacation; it will be easy to attack your old job with energy and courage because we realize just how fortunate, how really wealthy we are. We really take an inventory at Thanksgiving time. If you are honest with yourself you will surely find that you have much for which to be grateful to God.

HOME-COMING PARADE BIG EVENT

Thousands of people lined the sidewalks at 12:30 Saturday noon eagerly awaiting the parade. They were not disappointed, for when it came it was the biggest parade ever seen in Bowling Green, bar none.
The American Legion, carrying the Stars and Stripes, headed the procession and a drum corps and the college band furnished music for the marchers.
About 30 elaborately decorated floats were in the procession, among them being boats from the following organizations: The A. B. C. Toledo Alumni, Woman’s League, Faculty, Administration Bldg., Science Bldg., Training School; organizations, Senior Home Club, Varsity N., Williams Hall, Dean Dorm, Wood Cottage, Five Brothers, Five Siste-s, Freshmen, Juniors, Seniors, Sophomores, Home Economics Club, Kindergarten Band, College Crew, Wilsonian and Emerson Literary Societies, and many others.
The floats were ingeniously decorated and aroused the spectators. The streets of the city were one solid mass of orange and brown and the Ashland coloring.
This was Bee Gee’s second attempt at a Homecoming. What may we expect next year?

SOCIETY NOTES

Party at Dormitory.

A delightful party was held by the girls of the dormitory at six o'clock, Wednesday evening, October 24th. The dining hall was beautifully decorated with appropriate colors, orange and black, arranged in such a way as to give the mysterious effect of this occasion. In this atmosphere a delightful picnic dinner was served. A short program then followed, consisting of:

- Ghost Dance
- Dormitory Girls Vocal Solo
- Reading

The program was followed by a social hour of fun and dancing. The college faculty were the guests of the evening.

Hallowe'en Party.

The annual Hallowe'en party was held in the college gymnasium Friday evening, October 24th. The party was opened with a grand march, made very attractive by the many pretty and unique costumes. Fortune-telling and palm reading made up a part of the evening's entertainment.

An enjoyable evening was spent in dancing. Cider and doughnuts were served for refreshments.

A. B. C. Party.

The A. B. C. girls gave the first party of the season, Friday evening, October 19th. The gymnasium was artistically decorated in beautiful Autumn leaves. A very enjoyable evening was spent in dancing, the music being furnished by Mr. Lake's orchestra. Punch and wafers were served for refreshments.

Mass Meeting.

A mass meeting was held Thursday evening, October 18th, to arouse pep for the Findlay game. Although it was a rainy evening and the crowd was small, nevertheless, a great deal of enthusiasm was displayed. Short talks were given by the coach and the football men.

Home-Coming Party the Social Event of the Year.

The Home-coming party held at the armory on Saturday, November 14th, was the event of the year. The Armory provides the largest dance floor in Bowling Green, but it wasn't half large enough to hold the homers. However, a jubilant, victory-mad bunch of Bee Gee grads could care little for large crowds, so the party went merrily on.

The Armory was decorated in orange and brown and lighted with orange draped chandeliers. A false ceiling was created by hanging a net of shredded orange and brown crepe paper over the entire hall. The walls were decorated with boughs festooned in orange and brown.

Alumni were present from all over Ohio and from every year since classes were first held in Bowling Green.

The music was furnished by Potter's Peerless Players, of this city, and although everyone was tired from the strenuous activities of the day, the evening was well enjoyed and was a fitting finish for so great a day.

The patrons and patronesses were Dr. and Mrs. Williams, Prof. and Mrs. Overman, Prof. and Mrs. Holt, and Miss Nelson.

LITERARY SOCIETIES ORGANIZE

Emerson Society.

The Emerson society at its first meeting devoted its attention entirely to organization and Homecoming plans.

Jonathan Ladd was elected president; Miss Isabell Belle Dall, vice president, and Mildred Luke, secretary-treasurer.

Wilsonian Society.

A short business meeting and program was held by this society on November 7th, Miss Miriam Long serving as chairman. At the next regular meeting, officers will be chosen.

There is a place in the college life for the literary society. Its influence can be directed so as to result in a vast amount of good to the individual working in the organization. Bee Gee is proud of two such organizations as the Emerson and Wilsonian Literary societies.

Anyone not belonging to either society is cordially invited to join one. Every student in college is urged to affiliate himself or herself with one or the other, as their work is highly beneficial and is heartily endorsed by the administration. Don't put that matter off but give it your immediate attention. Join now!

LETTERS OF APPRECIATION FROM ALUMNI ORGANIZATIONS

Sandusky, Ohio, Nov. 14, 1923.

Editor B. G. News, Bowling Green, O.

Home Coming Day, Nov. 10, 1923, will always be remembered as a happy and gala day. Everything was just the best ever and even now we are looking forward to next year.

We wish to express our thanks and appreciation to the faculty, students and town for the hearty welcome shown to us.

B. G. ALUMNIAE IN SANDUSKY.

Hilda Fuchs, Pres.

Port Clinton, Ohio, Nov. 14th, 23.

Editor of Bee Gee News, Bowling Green, Ohio.

Dear B. G.: The former B. G. students now located in Port Clinton have asked me to express our appreciation for the kind reception at the Home Coming. There are times when it is impossible for anyone to express themselves completely; this is such an occasion but one word expresses as much as I might write on several pages. That word is Success and if ever human energy and nature worked harmoniously it was Home Coming Day—truly the "End of a Perfect Day". I have often thought of that thrill which is said to overcome Americans upon seeing the Statue of Liberty, when returning home. In a measure we felt that same thrill of welcome when we arrived in B. G. and saw the splendid enthusiasm displayed in spirit and action. These few lines in closing:

Again you've welcomed us dear Alma Mater
On glad Home Coming Day.
Again your sons have gathered from afar,
Their homage to pay.
Again old friends, old scenes of grandeur
Were strewn along our way.
Again we've pledged our best to thee our Alma Mater
Let life bring what it may.
I beg to remain.

Sincerely,

HOWARD R. HAM.

72 Alfred St., Detroit, Mich., November 13, 1923.

Editor of the Bee Gee News, Bowilig Green, Ohio.

Dear Editor: We, the Detroit Alumni, want to express our appreciation of the good time afforded us by our Alma Mater at the Homecoming. It is pleasing to us to see the growth of our school, not only in numbers and buildings, but also in the spirit and enthusiasm of the students. It brought back memories of our college days and we are 100% strong for a successful Homecoming in 1924.

THE DETROIT ALUMNI.
