BEE GEE NEWS

STATE NORMAL COLLEGE

BOWLING GREEN, O., OCTOBER 22, 1924

Vol. 6. No. 1
Home-coming and Anniversary Day

The greatest event on the college calendar for the year and one to which the city is beginning to look forward to each fall is the Annual Homecoming Day celebration. The Win-One Club of the State College, under the leadership of Jonathan Ladd and Prof. C. J. Biery has perfected an organization which this year will try to put across the finest celebration ever.

In connection with the Homecoming this year, an anniversary celebration will be held. 1914 and 1924 are the principle years in the featuring of the Tenth Anniversary celebration. The program will delve into reminiscences of the first year's work at the Bowling Green Armory and then will trace the activities of the Orange and Brown through the days, which are still young, up to the present.

Bowling Green College is making great preparations for a huge crowd on that day. The program is to be even more extensive than the one last year when they dedicated a new athletic field and erected the huge flag pole in front of the Administration building.

The big football game with Defiance is Bee Gee's greatest conference rival outside of Toledo U is on the program for that day and will bring a real outfit of gridders to this city to meet Coach Warren Stellar's warriors. It will be the first home game of the season. The alumni should turn out en masse to see the boys in the tilt which may be for the championship.

On Friday night, as per custom Miss McCain's drama class will present a play which this year is to be "Grumpy," which was made so famous by Theodore Roberts in the silent drama. The cast is already working on the play and will have it letter perfect by the time the alumni and former students are back. There is every indication that the play will have to be given two nights. Last year the advance sale of tickets to alumni almost sold the house and the students had to go the night before to see the final rehearsal in order to see the play that was presented before the Homecomers.

The alumni already have started to ask for tickets. Reservations may be made upon written applications to Miss McCain. Better get your bid in early.

A feature of the first play will be the new arrangement of the college stage. The curtain was always a great handicap to both the actors in speaking and the setting of the stage heretofore. It has now been arranged so as to throw the settings farther toward the footlights by the construction of a new set of drapes held up by a strong network of pipes and braces.

On Saturday morning the real crowd of former students and friends of the college are expected to arrive and then the registration will take place. The registration was large last year but already indications of a much larger crowd has reached the Homecoming officials.

The morning program will be much improved over the former programs. Miss Caroline Nielsen, head of the Foreign Language department has charge of that end of the work, while Prof. Holt, of the Geography Department will have charge of the Reception committee.

Some of the classes have already made arrangements for a breakfast early in the morning. More are expected to complete their arrangements soon and will announce them in rapid order.

At noon the work of decorating the floats will have been completed and it is believed that the largest parade of any of the homecomings, this being the third one, will pass through the main streets of the city. Every single organization at the college, including faculty, alumni and student activities will have some kind of a float decorated. Each will vie with the others in outshining their rivals in beauty.

This year the city is invited to participate in the parade and other activities of the Homecoming. It is felt at the college that this is a community affair as much as a college affair because everyone should celebrate with the students and faculty and join in praising the great success which has marked the ten years of life at the col-
Ten years ago this fall there was a pile of bricks, a few concrete machines and a big muss on that lot. The city had a grand old fight to get the institution but accomplished it after the valiant efforts of the Commercial club and city leaders had convinced the legislature that Bowling Green was the best city for the college.

To-day there are six beautiful well built structures on the campus, all of them monuments to the president of the institution, Dr. H. B. Williams. A seventh is now being planned and will soon be in the hands of some competent contractor. More are to come each year as the college grows. The city increases in value and beauty as the college grows. The time is not far distant, say many in the city, when the State College will have more than a thousand students enrolled.

The first year it was a small registration of seventy-five students, which was hardly enough to draw an interest of the local people. To-day there are 615 thrifty, healthy young people in Bowling Green attending the college.

Dr. Williams, the faculty and the six hundred and fifteen students extend to all of the alumni, former students and friends a cordial welcome to be back at the old school, November 8th, for a one big, never-to-be-forgotten day. Everybody is coming, so lay down the school books, pencils, rulers, etc., and join the merry crowd. The date, November 8th. Let's go!

Premo—"Does this car always rattle?"
Carlon Miller—"Oh! No, only when its running."

A Freshie stood on a burning deck
As far as we could learn
He stood in perfect safety
He was too green to burn.

Sophomore—"Say, didja ever take any chloroform?"
Freshman—"What period does it come?"

Registration

This year marks the tenth anniversary of our college. Just ten years ago this fall the first classes were organized and held in the Armory until the Administration building was completed. The registration in 1914 was seventy-five; to-day our registration totals six hundred and fifteen. This is an increase of about one hundred over last year's number. We have quite a notable increase in the number of men students also. In 1919 there were twenty-three men students enrolled; 1920, forty-six; 1921, ninety-eight; 1922, one hundred and fifty; 1923, ninety-six; 1924, this year, one hundred and thirty-six.

Our registration shows a large increase of degree students, as well as of elementary students. Some of the departments are crowded almost to the limit. The Music department has a great increase, while both the Commercial and Industrial Arts departments have more than doubled their last year's enrollment.

Wood county again leads in county enrollment, being represented by one hundred and eighty-five students, ninety-one of whom are from Bowling Green alone. Hancock is second with fifty-three, Lucas county third with forty, Williams fourth with thirty-three, Sandusky next with thirty-one. There are forty-four counties represented here this year which means that we have students here from twenty-two counties not in our district. This is an indication of the high regard in which our college is held by the people of Northern Ohio.

The states of Indiana, West Virginia, New York, Texas and of course Ohio are represented here this year.

Our fame is spreading and our college is growing by leaps and bounds. Why? Because we have hundreds of loyal students and alumni boosting, boosting, boosting all the time.

Miss McCain—All ready? Run up the curtain!
Bob Place—What do you think I am, a squirrel?
The Wearin' of The Green

Great excitement was manifested by all Freshies when a little notice appeared on the bulletin board one day soon after the opening of school this fall. Two days later the power of this little notice was made evident when some three hundred Freshmen blossomed forth in their green caps and green ribbons.

After wearing their ribbons for two weeks the Freshmen girls were gathered together in the auditorium at 4:00 o’clock in the afternoon of October 7th, to be initiated into the ranks of Loyal and Faithful supporters of B. G. S N. C. A few words of welcome were expressed by Mildred Whisler and Helen Red, representing the Freshmen girls, assured the upper classmen of their desire to enter into the initiation with good spirit and plenty of pep. Various stunts, consisting of marshmallow eating contests, Siamese twins, etc., in addition to beautifully rendered vocal solos, several numbers of high class jiggling and some quite remarkable animal imitations provided ample enjoyment for all present. After completing her stunt, each girl turned in a piece of her green ribbon, upon which she had written her name. These ribbons will be mounted in some form and preserved as a permanent record of that day’s victims.

The boys will continue wearing their green caps until Cap Day, December 3rd, at which time they will be duly initiated and will become full fledged Freshmen.

Because of the good will and spirit of fellowship displayed by both the Freshmen and by the upperclassmen, very little difficulty was encountered by the committee in the enforcement of the rules this year. The committee in charge consisted of Mildred Whisler, Esther Brown, Clement Premo and Lester Bowers.

Men’s “Get Acquainted” Meeting

Wednesday night, September 24 about eighty-five men students gathered at the college auditorium for a “get acquainted” meeting.

The meeting was called to order by Jonathan Ladd who made several remarks on college spirit. Estell Mohr led the men in exercising their lungs on the college song and Leo Lake climaxed the spirit by leading the men in several college yells.

Dr. Williams gave a greeting of welcome to men students attending college here for the first time and interested the group in a brief history of the college. He related the fact that we are just entering our second decade and expressed an appreciation of the rapid advancement up to this time. He also impressed the men of various ways in which the student-body could participate in real college spirit.

Yes, our “coach” was there and encouraged the boys along the line of football. He told of several events in football games that were valued as a lesson to all football men. He said, “It is not necessary to bet on a football game, in order to root for it. When we bet on a game we are rooting for our money and not the team. What we want is whole-hearted team rooting.”

Our Coach has the right spirit. Let’s keep this in mind and give him the backing he deserves.

Captain Castner said, “We, as old football men will have to work in order to hold our places on the team this year. We have some new men out who are working hard.” Ralph is an ideal captain and he appreciates his support.

Refreshments were served after the meeting by the Athletic Booster Club.

Miss Nielsen — “Translate Rex Fugit.”

Eleanor Stutz — “The King flees.”

Miss Nielsen — “You should use ‘has’ in translating the perfect ‘tense.’”

Eleanor — “The King has flees.”
I'm going to the Toledo-B. G. S. N. C. football game, Saturday, October 25—are you? Sure I am.

College athletics offers a big opportunity for self development, physical and moral. Physical as a result of training and team work. Moral in holding one's appetites and habits in check so the physical has the best there is to work with. In short, a football player must train, practice, keep regular hours, refrain from smoking, drinking, or any form of dissipation.

We are for the team—win or lose, we are with you. You be for us by keeping in condition to play your best.

Social Calendar for 1924-25

Sept. 18—Reception.
Oct. 17—Country Life party.
Oct. 31—Halloween party.
Nov. 8—Home-coming party. Win-One Club.
Nov. 15—Penny Fair. Women's League.
Dec. 18—Christmas party.
Jan. 10—Junior and Senior formal
Feb. 7—Snow party. Glee Club.
Feb. 28—Freshman party.
March 7—Five Brother's party.
March—Sophomore Prom.
March 21—Home Economics party.
April 11—Men's Hop.
May 1—May Breakfast. Women's League.
May 2—Quill Type party.
May 28—Debating club banquet.
June 8—Male quartet concert.
June 9—Glee club concert.
June 10—Alumni banquet.
June 11—Commencement.

"Grumpy"—November 7—College Chapel. A great play by a select group of players.

ASHLAND OCTOBER 17
Bowling Green 13

We are delighted. Now boys get Toledo U the 25th.

Bee Gee Dinner, LaSalle & Koch, noon October 24. Meet you there.

School closes for the Northwestern Ohio Teachers meeting at Toledo, Ohio, October 24-25.
New Faculty Members

We have a number of new faces among the faculty this year, whom we are glad to welcome to B. G. They are:

C. E. SNOW—B. S.—William and Mary College, A. M.—Columbia University. Prof. Snow has taught in William and Mary College of West Virginia, University of South Carolina and in Kenyon College. He has charge of the Physics department this year.

WARREN E. STELLAR—A. B.—Oberlin. Mr. Stellar has had coaching experience both at Oberlin and Connecticut Wesleyan. He has charge of Physical education for the men.

VERA REYNOLDS—A. B.—University of Michigan; A. M.—University of Chicago. Miss Reynolds teaches Elementary English.

P. E. HARRIS—A. M.—Columbia University. Prof. Harris is completing his dissertation for the doctor’s degree. Education.

LENA I. MILLS—Diploma—Ohio University. Student at Columbia last year. Critic. 6th grade.

FRANCIS WARNER—Diploma in Music. Potsdam-Crane Institute of Music.

CORA PURDY—Diploma, Wellesley College, who has been teaching in Providence, R. I., is teaching Physical Education here this year. She is well known by many of the students, having taught classes in the summer terms for a number of years.

MABEL E. ALLEN—Registered Nurse from New Hampshire. Miss Allen has had long experience as a matron at Framingham, Mass. State Normal College and did extensive work in the Red Cross during the World War. She is assisted at William’s Hall by Mrs. Emma Dalton and at Shatzel’s Hall by Mrs. Florence Daniels.

Commercial Department Opens

In accounting for the forward stride of commercial education at State Normal a number of factors have to be credited. In the first place colleges and universities are beginning to recognize their duty to this important branch of teacher training. A beginning at adequate provision for such training is now being made in many schools. Students of this work are quick to seize the opportunity to turn from the private business colleges to the better facilities of the state institutions. The part which State Normal is taking in this movement was brought to more general public notice last year through the contest work carried on by the college through the commercial department. This no doubt has been a factor. The department expects to continue its activity along this line by taking a leading part in promoting the Second Annual State Contest in Typing and Shorthand.

Another factor that is believed to have had some influence is the policy of the department to provide good work and maintain increasingly higher standards. Students appreciate the opportunity to become thoroughly prepared. Changes for the present year are in the direction of strengthening the courses. Already students feel the effect of these changes in making the work somewhat harder but realize it means added teaching strength when they take teaching positions.

The commercial department owes much of its new growth to the influence of words of commendation from members of the faculty and students outside the department.

Onnolee—“Pass the bread!”
Mary—“What do you want with it?”
Onnolee—“I want to make a blotter of it for my gravy.”

Remember the date Nov. 8, the B. G. Home-coming.
Your Library

Do we know how to use it?

Your librarian and her assistants are attempting to help the entire student-body to use the library in a way which is fair to all. If there is any doubt about the regulations for using books we will find instructions on the bulletin board just inside the door. It might be well to keep in mind that it is necessary to sign card or slip and note printed directions before using books given to you by librarians. There are several notices on the walls of the library that seem to attract no attention. If we read these notices and think about them we will discover that they have been placed there for a particular purpose. One notice contains the word silence. It is taken for granted that we know what it means. We should keep in mind that this notice refers to the hallway on the third floor as well. Perhaps we should learn also that librarians are not expected to be walking catalogues, but always willing to help any one that needs help. When there are many waiting it is advisable to remove catalogues from the case until we secure the number desired, being careful in replacing them. It is not best to expect too much individual attention at the closing hour.

Faculty members also go to the library to read and study. They should not be disturbed while there. If we wish to consult them it is better to call at their class rooms or offices.

Due to crowded conditions in the library at certain hours it would be considered thoughtful of the student who is using his or her own text book to occupy another room for study at such time.

There was an old fellow named Crockett
Who parked his false teeth on the shelf
For fear that if left in his pocket
He'd sit down and chew up himself.

Come home November 8.

Music Notes

The girls' musical organization, known either as the Treble Clef Club or the Glee Club has started out strongly as between fifty and sixty girls have already joined. The material this year seems to be very good, with the contraltos being especially strong.

Prof. Tunnicliffe, the director, hopes to be able to present some four part work later in the season. One of the main pieces of work to be studied will be a cantata which will be given sometime during the year.

The music department has a large increase in the number of students, as there are practically twice as many beginning the course as there was last year.

Professor Tunnicliffe hopes to get a male chorus in working order this year, as quite a few men have signified their desire to join one. However, this work will not be started until after the foot ball season is over.

College Band

The college band made such a hit last year it just could not quit. Its to be some band this year, with Drum Major Mr. Leiter; Leader, Bob Woyant, and a gang of some twenty-five other wind jammers, who are to provide pep and amusement for athletic contests, parades and real for sure music on all other occasions.

Watch for the BAND on Home-coming day—Toledo Game—Serenades and Concert Trips.

We shall tell you more of this bunch of good fellows later.

"Its the little thing in life that tells," said Mary as she dragged her little brother, from underneath the sofa.

Flat—"Over in California we have a lilac bush fifty feet high."
Flatter—"I wish I could lilac that."
**Personals**

Sarah Ross, '24 spent October 5th at Shatzel's Hall. Miss Ross is teaching at Sylvania.

Mrs. C. W. Hipp spent October 4th and 5th with her daughter, Onnolee Hipp, of Williams' Hall.

Earl Rutter sustained a broken ankle during football practice October 6th.

Mrs. F. W. Havens spent the week-end of September 27th with her daughter, Olive Havens, of Shatzel's Hall.

Shatzel's Hall was the scene of a party given by a group of girls on the evening of October 3rd. Bridge was the diversion of the evening, with Millicent Enright receiving high honors and Olive Augsberger being consoled. At the close of an enjoyable evening lunch was served to those who participated: Alice Helwig, Millicent Enright, Olive Augsberger, Lucille Wahl, Marie Pulskamp, Helen Harvey, Bertha Abromoski, Grace Thompson, Ruth Torbor, Narita Grandstaff, Alyne Weidenhaefer and Eleanor Stutz.

Mr. and Mrs. B. O. Plummer and daughter Phyllis and Ralph Detrick spent October 12th with Irene and Max Plummer.

Mr. Dallas March is attending the College of Osteopathy at Kirksville, Mo.

Mr. Malcolm Sargent is employed in the commercial department of the France Stone Co., Toledo, Ohio.

Mrs. W. L. Brodbeck and Mrs. Schenary visited Zelma Schenary of William's Hall, October 12th.

Artis Witter, a Bee Gee student last year, visited at William's Hall, September 27th and 28th, being a guest of Thelma Ritchie.

(Continued on page 11)

**Alumni News**

The Alumni should let the Bee Gee News know where you are and what you are doing. Your old friends from and at Bee Gee are interested in how you are getting along and the best way to make these facts about you known is to write a letter to the Alumni Editor, H K Moore, care Bee Gee News, B. G. N. C., Bowling Green, Ohio.

Bowling Green has graduated a number of fine teachers and administrative heads in the past ten years. That is shown by the number of superintendents and school boards who come here for their teachers, principals and superintendents. It now looks as though they will also be getting their successful coaches here if the record of the coaches from the Bee Gee College for this year is any indication.

Morris Bistline is coaching football at Blissfield, Michigan. His team defeated Adrian 14 to 0 in what was considered by Adrian a practice game. Dundee was the next victim 22-0. It looks as though "Bobby" is making good.

Other coaches who are making good are: Solon Hesrick at Morenci, Mich.; Carl Bachman at Bessemer, Pa.; M. G. Hoskinson at Convoy, O.; C. D. Fox at Stryker, O.; Ernest Etoll at St. Joseph's High, Norwalk, O.; George Figgins at West Unity, O.; Leslie Figgins at LaGrange Hi, Norwalk, O.; Richard J. Langstaff at Scott High, Toledo, O., (base ball); Dewey Fuller at Lafayette (base ball, basket ball and track); Claitus Stough, superintendent, base ball, basket ball and track at Weston, O.; O. R. Raberding, foot ball, basket ball and track at Perrysburg, O.; C. S. Clue, superintendent, Tontogany, O.; and Dale Treece, superintendent, Bloomdale, O.

This is not a complete list of the coaches from Bee Gee by any means and information relative to any of the others would be welcomed.

Alumni and former students not provided with places to stay for Home-coming, write Prof. W. P. Holt.
Chapel Exercises

Tuesday, September 16
At the first chapel exercises the seats on the main floor were filled and many had to find seats in the balcony, which was evidence of an increased enrollment. Dr. Williams gave an address of welcome. Many important announcements were made. Clement Premo sang.

Tuesday, September 23
Rev. Mink spoke on the subject: "The Religious Life." The spiritual element in life was emphasized as supreme for it's spiritual education that develops real happiness in life. He also emphasized the value of love in doing all that is worth while.

Tuesday, September 30
Rev. Van Wicklin of the local M. E. church spoke to the students and faculty, having as his subject "Where Do You Live." He stated that one should live in the upper stories of his house, which is equivalent to the higher stories of civilization, rather than to live in the basement.

Robert Place sang "Because" by I. Hardeot and "Little Mother of Mine" by Bruligh.

Tuesday, October 7
A musical program was given by Mrs. Mooers, head of the voice department, who gave several vocal selections and Miss Clement, of the piano department. May we have them again?

Emerson Literary Society
The Emerson Literary Society held its first meeting of the present year on the afternoon of October 7th. This meeting was called by last year's president, Jonathan Ladd, to elect officers for this year, and to get the organization in working form.

At the next meeting new members will be welcomed in. The following people were elected to offices:
President—Vernon Sprague.
Vice-President—Eleanor Stutz.
Secretary—Mary Freeman.
Treasurer—Ralph Engles.
Chairman of Program Committee—Jonathan Ladd.

This society is one of the oldest organizations of the institution, its purpose being to study prominent men and popular subjects. This year the organization hopes to make a banner year. Various social functions besides the regular meetings, are being planned by the club.

Freshmen Girls Initiation

Tuesday, October 7, was the official initiation day for all the Freshmen girls, it being the last day that the girls had to wear the customary green ribbon on their arms. At four o'clock in the afternoon all Freshmen girls were assembled in the chapel where a group of upper class girls, headed by Esther Brown and Mildred Whisler awaited them. The girls were divided into groups, and each group made to perform certain appointed stunts. As each girl satisfactorily finished her stunt, the end of her ribbon, on which was printed her name, was cut off. She was then a recognized Freshman of the institution.

If we are to judge from the spirit shown by the freshmen during their initiation, we have with us this year, a fine class, girls who are willing and ready to be good sports, and who will, when called upon to cooperate in all functions. On the whole, no peevishness was shown, all the girls taking their initiation in the spirit it was given, in good fun.

Faculty Reception
The first party of the year was held by the faculty of the college in the form of a reception, for both new and old students on the evening of September 18th. As the students entered the building, slips of papers bearing their names were pinned on them to aid in getting acquainted, then they passed the receiving line,

Dr. B. D. Tyler announces the marriage of his daughter, Mary Elizabeth Tyler to Mr. Reeme E. Dillery on Tuesday, October the seventh, nineteen hundred and twenty-four at Cuthrie, Kentucky.

The following Bee Gee graduates of '24 are teaching in the Bowling Green schools: Jeanette Roper, Nadine Clevenger, Mabel Beckman, Vivian Craun, Arvilla Herbert, Hazel Hewgesteler and Hattie John Crawley.

Mr. Jacob Oberlin of West Unity, O., announces the marriage of his daughter, Laura Ann to Ralph D. Smith of Newton Falls, Ohio, October 11th, 1924. Mrs. Smith is a Bowling Green graduate of 1923. B. G. N. C. extends best wishes to the happy couple.

Miss Glaris Hostetter, graduate of '23 is attending Bethany College. Miss Hostetter is working for an A. B. degree.

Mr. Lester Scheriff and Mr. Harry Towers are teaching in the Industrial Arts department of schools in Canton, Ohio.

Miss Rena Ladd is attending the University of Southern California, where she has been given senior rank. Miss Ladd will finish her A. B. degree in June.

Ex-Coach McCandles is directing athletics at Bethany this year.

Miss Ethyl Blum, our librarian, attended a meeting of the Annual Ohio Librarian Association on Wednesday, Oct. 8th at Columbus, where she contributed an article on Juvenile Literature.

Social

composed of all the faculty.

Dancing was the diversion of the evening, the music being furnished by Draper's orchestra. Punch was served throughout the evening. The gym was simply, but beautifully decorated with daisies and the college colors, burnt orange and brown. A very large crowd attended for all the Freshmen girls were brought by their "big sisters."

Get Wise Party

The annual "Get Wise" party for the Freshmen girls was held on the afternoon of September 24th in the chapel.

A little playlet was put on by the upper class girls for the benefit and entertainment of the Freshmen. The play consisted of the antics of a little country Freshman, these being divided into three scenes, her trip to B. G. S. N. C., her first meal in the dormitory, and her appearance at the faculty reception. Miriam Long made a captivating little Freshie, while Annolee Hipp, as the dignified senior and "foot-baller" was a knockout.

After the play, the audience was invited into the Home Economic rooms for tea and wafers. The Freshies went home, unanimously declaring that the party was a great success.

Gold Mask Club

The members of the Gold Mask Club will present "The Intimate Strangers" by Booth Tarkington, on the evening of Oct. 21st before the Federation of Woman's Clubs, and again on the evening of November 14th in Port Clinton. The two leading roles will be played by Helen Shaffer and Clement Premo, with the "kid" parts portrayed by Jean Sherer and Carleton Jones. The members of this club have put on several very successful plays in the last several years, and "The Intimate Strangers" should also prove a great success. It is a modern, popular play, one in which Billy Burke, the popular actress, has played.

The Gold Mask Club is composed of those students who have completed the drama course of the institution. The in-

A. B. C. Club

On the afternoon of September 25th all the girls of the college were called together in the chapel for the first meeting of the A. B. C. club. The purpose of the clubs, as told to the new girls, is shown in its name, the Athletic Booster's Club. During this meeting a committee was appointed for choosing nominees for the election of officers. The college song "Dear Alma Mater" and some of the college yells were taught to the Freshmen.

A plea was made for all the girls to become active members and to make the club a live wire, working organization. Last year the members of the club did some fine work. It was through their efforts and the money that they earned that the football men were able to have fine blankets. This year the club should accomplish as much and more. Come on, you new girls, and you upper class women who have not joined the club. Let's all get together and be a real athletic booster.

A short meeting was held by the club October 9, for election of officers. The following girls are the new officers for the ensuing year:

President—Esther Brown.
Vice-President—Ruth Beckman.
Sec'y-Treas.—Thelma Ritchie.

Junior Class

The Junior class held its first meeting of the year on September 25th. The meeting was called by the president of the Win-One Club, Jonathan Ladd, for the purpose of electing officers for the year and arousing enthusiasm for the annual Homecoming day.

The following people were selected as officers:

President—Lester Bowers.

Five Sisters

September 16, the "Five Sisters" met in Shatzel's Hall for the purpose of reorganizing the society and discussing some of the plans for the year. The result of the election was as follows:

Grand Mask—June Beverstock.
Vice-Mask—Katherine Keil.
Torch—Thelma Ritchie.
Purser—Lucille Long.
S. A.—Olive Havens.
O. S.—Helen Veber.
G. P.—Mildred Whisler.

Plans for home-coming were discussed and preparations are already going on for helping to make this home-coming one which will long be remembered by the students and alumnae of Bowling Green.

Oct. 1, the "Five Sisters" held their regular meeting in Shatzel's Hall. The names of several girls were brought before the society and the new pledges will be announced soon.

Sophomore Meeting

The first meeting of the Sophomore class for the year 1924-'25 was called by President Carlon Miller, Wednesday Oct. 1 in room 300. The purpose of it was to perfect an organization for the ensuing year so the following officers were elected:

President—Harry Crawford.
Vice-President—Chester Fast.
Secretary—June Beverstock.
Treasurer—Welzer Porter.

A committee composed of Carlon Miller, Helen Whipple and Grace Kille was appointed by the acting President, Mr. Fast to present a number of color combinations

at the next meeting.
A motion for adjournment was then made and carried.

Country Life Club

The County Life Club, under the direction of Prof. Beattie, held its first bi-monthly meeting in the chapel, on the evening of September 30th. A business meeting took up the earlier part of the evening, at which the following students were elected to offices:

President—Ora Knecht.
Vice-President—Ernest Finkenbiner.
Secretary—Robert Place.
Treasurer—Esther March.
Chairman of Program Committee—Jay Bone.
Chairman of Entertainment Committee—Esther Brown.

During this part of the evening Prof Beattie gave a little talk, stressing what the purpose of the Country Life Club was. He emphasized that the club takes the form of a literary society, the subjects ranging from country life to prominent people and current events. The entire college body is invited to join this club. All students are urged to attend regularly.

At the close of the business meeting, all were invited to the gym where the newly elected officers waited them in a receiving line. As each person went down the receiving line, he or she took her place in the line, and in this way all present were introduced to each other. A pleasant hour was spent in dancing and playing games.

The next meeting will be held the evening of October 14th. The coming presidential election will be the topic of the meeting. All are urged to be present.

Big Rally

The chapel on the evening of October 9th was the scene of a rousing rally held by the student-body in order to stir up enthusiasm for the foot ball season, and to encourage the team before their first game of the season with Capitol University. Leo Lake led the cheering, teaching some new yells along with practicing the old ones. A great deal of pep and enthusiasm was shown by the three hundred students who were present at the rally.

Jonathan Ladd, as president of the Win-One club opened the meeting, explaining why such a meeting was being held. He also spoke of Home-coming day and urged all students to help make Home-coming day this year, the best ever held.

Captain Castner was called upon for a speech, and he stressed how much the team needed and appreciated the support of the student-body. All the foot ball men were then called upon the platform and each one given a rousing cheer.

President Williams was called upon for a talk and he responded briefly, stating that he was proud to see so many out for the rally.

Several such rallies will be held thru the course of the season. Lets each one of us be there, with all the lung power. It is only a small thing to show our appreciation and support of the team. Come on! Let’s have the next rally be 100% attendance.

News

That is what you are expecting to find in our college paper, and that is what the staff wants you to find, but in order to publish a paper with real monthly news the student-body must cooperate.

News is recent information. If this information is of our interest we are all glad to hear about it, so keep one ear open and the other closed and bring the contents to the Bee Gee Staff.

Jay—“From here, that girl reminds me of Elsie.”

November 8—“Hello you’re looking fine.”

Why We Are Loyal

The Alumni of Bee Gee are a loyal group for several reasons:
First, It was at Bee Gee that the Alumni acquired the knowledge, inspirations, attitudes and ideals that are responsible in a large measure for the success we, as teachers, have enjoyed.
Second, It was at Bee Gee College that we made and still have the numerous friendships among the students and faculty that mean so much to any human being.
Third, It was at Bee Gee College that we were permitted to receive instruction from the fine group of men and women who make up the faculty.
Fourth, The Alumni are always warmly welcomed at Bee Gee whenever we return there for the Homecoming, Alumni day or at any other time.

Surely these considerations would make any Alumnus willing and anxious to do anything he or she can for his or her Alma Mater. To show our appreciation we should turn out in full force for the Homecoming and other Alumni functions. Still more we should do all we can to get others to see the advantages of B. G. N. C.

Green Ribbons, Green Caps

(Quotations from Freshmen)
“Who do you suppose invented green?”
“Do you imagine we'll have to wear them?”
“Did anybody find my ribbon?”
“Put on your cap until they get by.”
“What’s the red button for?”
“We're green enough without any more color.”
“How do I look in it?”
“Wish every day were Sunday.”
“I never did like green.”
“I thought she was a freshman.”
“Girls! only one more day.”
“Dad thought I had joined the circus.”
“I wish this base ball cover had ear tabs.”

Why Our Enrollment Increases

B. G. N. C. is now entering her second decade with an enrollment of six hundred and fifteen, but how do we account for this enrollment? We may say with pride that “Bowling Green is as clean as you have seen.” Her location is ideal for scientific observation and study. Her buildings are attractive and her people are our friends. We are proud of our college buildings, equipment and faculty. These as well as many other facts constitute an attraction worth while, therefore it should be an easy matter for us to interest our friends in our college.

Mr. Fred Noller as well as a few other faithful former students have been using this opportunity in helping our college to grow. Mr. Noller enrolled eleven from Arcadia.

This is real alumni spirit. We need more former students of this character.

Don Smith ’24 is credited with six men from Convoy, Ohio.

Give us data so credit may be given to all our friends.

A Celtic Star

A man was walking down the street one evening with a friend, and pausing to look up at the starry sky, remarked with enthusiasm:
“How bright Orion is tonight!”
“So that is O’Ryan, is it?” replied Pat. “Well, thank goodness, there’s one Irishman in heaven, anyhow!”

Captain Castner

Captain Castner, known by all the squad as fighting Zibe. This makes Capt. Castner's third year of college football.

Zibe is a consistent player, never knows what the word "quit" means. Zibe plays left guard. He is one of the feared line men of the Conference. With Zibe's knowledge of football, pep and spirit he makes a line leader for the squad and assures us of a very successful season.

New Athletic Director

Coach W. E. Stellar, an all-star and an all-round athlete from Oberlin University is head of the Athletic Department at Bowling Green.

Coach Stellar's record of achievements is an enviable one in high school and university. An all-star end in high school, as pilot of O. U. 1919. Only one game was lost and that to Cornell. He also played basket ball and base ball. As a senior was captain of Oberlin's base ball team. While at Oberlin Coach Stellar was awarded six letters in athletics.

Prof. Stellar was graduated in 1920. remained at Oberlin for one and one-half years as assistant coach, going to Wesleyan under Dr. Fawer, his teams played Columbia, Harvard and Yale.

The boys like Coach Stellar and we are fortunate to have so able and versatile a leader in athletics.

Coach Stellar's Gridiron Call

40 Gridders Responded to Make Sound Material For The Fiery Eleven.

Foot ball season opened at the beginning of the new year with a squad of forty men, which is the largest respond to foot ball in the history of the college.

Our new coach, Nig Stellar, began training the men by outlining a few rules that are necessary to develop vigor and endurance.

The first week was devoted to pacing the field, handling the ball, tackling the dummy and exercising the charging sled. At this time the boys are using their signals with systematic results. Every man is working hard to hold his position. This is the spirit that is necessary to develop a real team. Captain Zibe says the prospects are good.

The gridders out to produce the fiery eleven are as follows: Berry, Crawford, L. S. Crawford, H. Davidson, Dunipace, Evans, Engle, Fries, Frankfather, Gill, Goebel, Gwynn, Huld, Huffman, Jones, Knecht, Ladd, Mullinkoff, Moscoe, Lawrence, Ogden, Ostrander, Place, Place, Roe, Roth, Swartz, Younkin, Waugh, Sterman, Sholl, Roe, Rutter, Rudo, Miller, Pinkenbinder, Mohr and Osborn.

B. G. N. C. -vs- Capitol University

With a crippled team on the field the college went down to a 19-0 defeat before Capitol University October 11 at Columbus. The fact that Rutter, G. Place, Ostrander and Evans were out with injuries greatly handicapped the college, but even at that our boys showed more fight than any other team from our college has ever

shown before.

The first quarter was played without a score by either team and it was not until the final minute in the second quarter that Capitol was able to take the ball across for their first touchdown. Capitol scored again in the third quarter and again in the last. Never once however did our boys let up in the least. They had just as much fight and spirit when the final whistle blew as they did at the beginning of the game.

On the line Castner, Younkin, Knecht, Osborne, Davidson, Swartz and Jones were the boys who disappointed the Capitol team more than once. Ladd and Goebel on the ends were fighting every minute and interrupted many plays. In the backfield Moscoe, Held, Gill, Berry and Place played but were unable to make many substantial gains due to the excellent defense of Capitol.

Eddie Fries as quarter ran the team in a very brainy fashion resorting to the punting game a large portion of the time.

Coach Stellar was very much satisfied with the showing of the team. He and the members of the team were also more than pleased at the great send-off and reception given them by the students. That's the kind of stuff that wins games, folks! Let's keep the good work up. Lots of pep! That's what we want.

New Bleachers for College Field

Plans for the construction of bleachers, seating one thousand people have been made at the college and every effort is being made to complete the construction before our homecoming game with Defiance on November 8th, according to Dr. H. B. Williams and Coach Warren E. Steller.

Local officials have been looking over a few of the stands of similar nature at other schools in the state and have the work well under way.

At the last biennial appropriation the legislature gave the college a sum of money to use in fixing up the athletic field. A running track is to be placed about the football field sometime this year and a base ball diamond will also be laid out.

The bleachers will be built in sections, eight tiers high and will be two hundred and ten feet long, thereby running practically the full length of the field.

Foot Ball Schedules

Oct. 11—Capitol U., at Columbus.
Oct. 18—Ashland College at Ashland.
Oct. 25—Toledo U at Toledo, Scott field.
Nov. 1—Michigan Central at Mt. Pleasant, Mich.
Nov. 8—Defiance, here.
Nov. 22—Cedarville, here.
