Home-coming Day

November 8th was a real B. G. College Home-coming day. It was the aim, effort and hope of every individual student and faculty member to make this day a success. If you were here on this particular date you have realized that our hope was not in vain. Some one has said, "Nothing could have prevented our home-coming success."

The word home-coming was heard everywhere you chanced to be. The badges and seals stared you in the eyes at every glance. The bulletin board was posted full of the names of float committees, decorating committees, A. B. C. meetings and notices of every nature that assisted in making the day the greatest success. With this environment you had to be a booster. Everyone was full of the home-coming spirit.

No better date could have been used as there were several attractions over the week-end which called forth the attention of the entire city. Practically every merchant flew their colors of loyalty to the Bowling Green-Fostoria high school football game on Friday. On Saturday morning, in addition to these colors could be seen the Orange and Brown of the college besides numerous flags that were displayed. All these decorations brought forth a cheerful welcome to our homecomers.

The dawn broke on a cool day but everything was just suited to the taste of the foot ball fan. The early morning was a scene of students, alumni and friends headed toward the college on Court street in a continuous line. At 6:30 class breakfasts were enjoyed by those present.

At 8:30 a get-together meeting was held in the auditorium where the tenth anniversary of the college was celebrated. Many speeches of interest were delivered by the students, alumni and faculty members. Leo Lake led the group in several college yells after which the college song aroused the spirit of all present.

Jonathan Ladd, who had charge of the arrangements of the home-coming, acted as chairman.

The following program was given:
Prof. Crowley talked on the subject of "College spirit from the faculty standpoint." Kenton Moore, 23, spoke on the subject of "Alumni college spirit." Miss Eleanor Shatzel 24, entertained with piano solos. Estell Mohr and Clement Premo sang groups of solos. Jonathan Ladd spoke on the subject of "Student college spirit." Greetings from alumni and former members of the faculty were read.

Dr. Williams, who has been the president of the college since it was first organized addressed the group on the subject of "Our tenth anniversary." He reviewed the interesting history of the college, dwelling on its growth and prosperity.

After this meeting considerable time was given to the decoration of floats which proved to be a real task.

At 12:30 the American Legion formed in front of the administration building for the flag raising exercises. The buglers sounded the salute to Old Glory followed by the Star Spangled Banner, which was played by the combined Delta High School and College bands.

At 1:05 the 52 floats formed for the parade and started toward Main street, led by the bands. Floats representing the various departments, organizations and other elements of the college were as follows: Athletic Boosters Club (A. B. C.), Five Brothers, Seven Sisters, Women's League, Skol, Varsity N, Emerson Society, Debating Club, Dramatic Club, Gold Mask Club, College Band, Country Life Club, Quill Type, Education, County Health Department, Williams' Hall, Shatzel's Hall, Dean Dormitory, Wood Cottage, Languages, Physical Education, including (Ice Skating, Basketball, Field Hockey, Tennis, Canoeing, Hiking, Horse back riding, Volley ball and golf,) Board of Education, Business Administration, all college organization float, training school, city high school, English department, history, geography, mathematics, biology, chemistry, physics, commercial department, agriculture department, music, industrial arts, home economics, junior class, senior class,
sophomore class, freshman class, county floats, faculty dames, De la band, Legion band, Military band and College band.

This was one of the largest and best parades that was ever put on in Bowling Green. A crowd was compactly formed on both sides of the street to greet the jolly group that passed by. The floats were of a grand variety. Some were built with such complexity that considerable thought was necessary to interpret its significance. Others were easily interpreted, but cleverly constructed which showed a quality of ingenuity, while others might have been considered a joke in general, however their absence would have greatly lessened the attractiveness of the parade.

After the parade everybody rushed for the grand stand which was soon filled to its capacity. The spirit was fine. The air was filled with music from the four bands that were on the field. Greater cheering was never heard. The pig skin was set in motion at 2:30 sharp. Our lads held their opponents for safety on the first three quarters, but due to injuries and cripples were forced to give in on the last quarter, leaving the score 15-0 in favor of Defiance.

To The Citizens of Bowling Green

By the comments that have been heard from the citizens of Bowling Green and vicinity, we the college students and faculty members feel confident in pronouncing our Home-coming a grand success. We wish to thank the citizens of Bowling Green for their loyalty and courtesy, the use of trucks, provided with drivers or any material contributed for the success of the day.

Band Notice

Yes, the boys have a fine band but the girls say that they have just as good talent if they were given a chance to use it. Bob Wyandt, the band leader is willing to give the girls an opportunity to organize at any time. The boys say they don't doubt the girls' talent, but they do think they should produce the evidence.

The Athletic Booster Club

When 275 red-blooded, loyal boosters of B. G. N. C. join forces something is bound to happen and happen quick—and it did. The A. B. C. girls started in this fall with all kinds of pep but with a rather gloomy outlook. Less than $25.00 in the treasury, only two home games this fall where they could sell sandwiches and then the foot ball fellows' banquet and party looming up ahead! A very vigorous membership campaign was launched and more than 275 girls dropped their dime in the treasury and pledged their support. Then the fun began. The first thing the girls did was to present the College Band with $25.00 to help buy those classy uniforms they had for Home-coming. Then some of the girls worked on the A. B. C. float, some decorated the foot ball field for the game, some made the paper caps so prominent during the Home-coming activity, some made sandwiches, some sold arm bands, sandwiches, candy and coffee. We mustn't forget those who handed out a sandwich and cup of coffee to the players of both teams after the game. The boys certainly seemed to appreciate it!

All this meant work but everyone helped and when the smoke cleared away the girls were a tired, but happy bunch. At least $75.00 had been cleared by the sale of sandwiches, candy, etc.

This means that you'll have one of the finest banquets you have ever had fellows, if the spirit of the thing means anything to you. We all appreciate the fine sportsmanship and fighting spirit you have shown in all of your games this year and we're anxious to give you the best there is, for we think you deserve it.

Wife—"Why was it before we were married you used to send me flowers every day and now you never give me anything?"

Husband—"Well, did you ever hear of anyone giving bait to a fish after he caught it?"
B. G. N. C. -vs- Ashland

The Orange and Brown toured to Ashland Friday, October 18th and won a victory over the Purple and Gold by a 13 to 6 score on the new gridiron. This was a hard fought battle from beginning to end.

The new football field and stand was dedicated just before Capt. Castner signified that the Stellcrites were ready to receive the oval.

The ball was kicked off and settled in the arms of a Bee Gee gridder who carried it back a few yards before being stopped by the opponent. The Bee Gee gridders tried one play with but a little gain. Then the quarterback, Eddie Fries called for a punt. The punted oval sailed for about thirty yards and when Hannahs caught it two of the Orange Clad put their shoulders against him with such force that he fumbled the pig skin, which was scooped up by Davy, one of the Stellerites who tugged it under his arm and carried it for forty-five yards to place it behind the purple goal. This happened within the first minute of play, although the purple sure were fighting for they blocked Held's place kick. The half ended with a score unchanged.

In the second half the Orange and Brown went on the gridiron with the same old 100% fight. For in the third quarter Captain Zibe, another Stellerite, scooped up the fumbled oval and with perfect interference carried it for sixty yards for a touchdown. Held place kicked and at the end of the third quarter the score was 13 to 0.

In the last quarter Ashland scored a touchdown with a long forward pass to their star McClintock. But the place kick was blocked by fiery Orange and Brown.

The game ended with a score of 13 to 6 for Bowling Green.

Mt. Pleasant -vs- Bowling Green

At noon on Friday October 31st the college steps were a scene of enthusiastic rooters bidding farewell to the pig skin lads with a boosting spirit. The men were off on their 250 mile journey at 12:30, arriving in Mt. Pleasant at 2:30 Saturday morning, which left but little time for sleep.

Altho when the whistle blew they were already to go for a touchdown. They fought a hard battle with all odds against them. They were out-weighted twenty pounds to a man. Four of the Orange and Brown regulars were out of the game due to charlie horses and a fractured rib.

In the first half Mt. Pleasant scored on a tricky pass, when Anderson passed the ball to Walters, waiting along the side lines, who in turn passed it to Dickie behind the goal. The Orange Clad blocked the kick. At the fire of the gun at the end of the first half the Stellerites had the ball on the three yard line and first down.

Toledo U. Game

Saturday, October 25th was Bowling Green's day in Toledo. Approximately 700 people of this vicinity enjoyed the fine sunshine and the thrills of the Toledo U. game.

The first period of the game began with a kick-off to Held on the ten yard line. The local men began immediately to adjust themselves to football spirit but this seemed hard to do in the first few minutes of the game.

Kazmaier, one of the Rocket's players attracted considerable attention from the start as a line plunger. They made their downs and Kazmaier carried the ball over the line in the first ten minutes of the game. Younkin blocked goal kick.
The second period opened with real football. Held blocked several passes. Fries made several fine punts. Dornhoff and Kazmaier made first downs for the opponents, followed with several gains by Bechtol. Swartz, one of our strong linemen showed up well in blocking and tackling. Gill was carried off on account of charlie horse. The Orange and Brown held their line and much of Toledo’s gain was made by forward passing.

The third and fourth periods were played with a combination of forward passing, end runs and considerable punting. The university began to feel a weakness and immediately placed Captain Stick, an ineligible player, to make their desired gain.

Bechtol of the university team was thrown out on account of unsportsmanship. Both teams were penalized several times. Stick carried the ball for an end run and reached the goal which made the score 12-0.

After several line plunges and many intercepted passes on the part of both teams, a pass was made from Held to Fries who carried the ball in a clever zig zag style to the goal line. Held kicked goal from placement and left the score 12-7.

Home-coming Game

Trick Plays in Last Quarter Wins Game for Defiance

The four bands together with the 1,800 spectators greeted the Defiance and Bowling Green lads as they entered the field at 2:30. The weather was cool enough to develop a feeling of vim and pep. Everybody had a winning spirit and a boosting cheer. Many were the alumni that were seated on the new bleachers with the hope of victory.

Castner won the toss and chose the east goal. Defiance kicked off and the game began with a greater cheer than was ever heard before on the local field. Two first downs were made by Held. Place and Fries made gains. A punt gave Defiance the ball on the 35-yard line. A couple losses and a failure to fake a place kick gave Bowling Green the ball on the 41. Defiance was offside twice. Fries fumbled a punt and Cruey recovered for Defiance. Two plays failed and a pass made twenty yards. Yonkin of the locals intercepted pass while Crawford carried for a five yard gain.

Second quarter—The local lads made several punts. Archambault caught the ball on the last and carried for a 24-yard gain. A drop-kick failed. Crawford and Yonkin carried for 11-yards from the 20. Yonkin intercepted for the opponents. Archambault’s place-kick failed. Held of the locals made 9 on first play. Yonkin carried for five on the second. Yonkin fumbled on the fourth and Defiance lost three yards on two plays. Held and Yonkin carried for 13 on another first down. Yonkin to Defiance at the end of first half.

Third period—The punting continued through the third period. Kemp, Schacht, Conkey and Archambault showing well for Defiance while Fries, Held, Yonkin, Swartz and Goebel showed up well for the locals. Both teams were penalized 15-yards.

Fourth period—Archambault intercepted a pass on the 50. Conkey punted to Held who fumbled on the 12-yard line. De-
fiancé then made their first points by Archambeault’s place kick. Conkey’s kick-off hit goal post and was a touch back. Fries’ kick was bad and went to the 30. Defiance began to outplay the locals from this point, making several gains. A long pass on a fake place kick put the ball on Cruey’s hands over the goal line. Kemp shortly afterwards made the second touchdown. The kick-off went to Gill who ran it back to 20. No gains were made and Fries kicked to the 40-yard line. The game ended. Score Defiance 15, Bowling Green 0.

The game was lost but the Orange and Brown men fought from the beginning for the victory. The line men deserves high credit for their excellent defense. The B. G. spectators departed with the sorrow of losing the game but with the pleasure for the fine spirit of both colleges from start to finish.

### Bee Gee and Toledo University

**First One Way, Then The Other**

Interesting athletic questions now and then come up that have to be solved with the good of the teams and the student-body in mind in their solution.

In the spring of 1923 Toledo University questioned the eligibility of a Bee Gee base ball player. The young man was questioned regarding his playing with an outside team for pay during the season. He (the college base ball player) frankly admitted the fact that he had been playing on a town team and to make bad matters worse for the Bee Gee team another Bee Gee player volunteered the information he was also in the game with the one questioned and both men were disqualified on their own admissions and kept from playing. This seemed fair to the boys violating a conference rule, fair to their fellow players who were living up to the rules, also a square deal to the student-body.

The foot ball season—1924 sees the tables turned. Bee Gee questioned the eligibility of a Toledo University foot ball player upon the grounds of playing Sunday foot ball where an admission was charged. This violation is proven by several affidavits to the above violation.

A meeting of the officials of the Little Ohio Conference was held, the case discussed pro and con, but due to the fact a copy of the constitution of The Little Ohio Conference could not be presented there was lacking the documentary authority to act definitely in the case in question.

The situation was mollified by the declaration of the coach of Toledo University, that the player in question would not be in the Toledo-Bee Gee game Saturday October 25th as he was out of condition.

This seemed fine and dandy. The game was called as scheduled. Toledo University as the score shows outplayed the Teachers, but just before the second touchdown the Teachers held the Toledo University Warriors for three downs dangerously close to their line, just before the play (fourth down for Toledo University) the T. U. player THAT WAS NOT TO PLAY was put in the game, given the ball and made a touchdown for Toledo University.

The best way to get rid of your temper is too keep it.
Thanksgiving Day

In the year 1621, the Pilgrims celebrated the first Thanksgiving day. This day was celebrated as such for a good reason. The Pilgrims had landed safely in a new country after many hardships on the sea. The new country was a wilderness; they had no buildings for shelter, they had little food, savages were all about them, clothing was scarce and the weather was severe; regardless of these conditions they felt thankful.

To-day we all have well built homes. It is not necessary to suffer from hunger. We are protected day and night. There is no need of fear and we have more clothing than we can wear. We have fine hospitals to comfort the sick and we have schools of opportunity all about us.

Think of the past and then of the present. The "blues" was unknown to the pilgrims but people of to-day get the "blues" from the want of something better. Perhaps many of us do not appreciate the comforts we already have. To realize this we should think of those who have suffered in the past for our liberty and think of those who are in need to-day.

We should not only feel thankful for our happy homes and friends but we should also feel grateful for attending college with the many opportunities that are offered.

We will have a good time at home on Thanksgiving day, but we should not fail to think of its significance.

Notice to Advertisers

Evidently, from the anxiety to secure one of the thousand issues of this paper, its actual existence is appreciated. You advertisers are helping to make this existence possible.

The staff wishes to extend their sincere thanks for your loyal cooperation.

Copies of the Bee Gee News are mailed to about 200 high schools and the County Superintendents of Northwestern Ohio.

Something to Think About

Where can a man buy a cap for his knee?

Or a key for a lock of his hair?

Can his eyes be called an academy

Because there are pupils there?

Can the crook of his elbow be sent to jail?

And if so, what did it do?

How does he sharpen his shoulder blade?

I certainly don't know—do you?

Undoubtedly most everyone will go home on Thanksgiving. Your folks are interested in our college as well as many of your friends. Take a copy of the B. G. News along with you. They will appreciate it. Perhaps you will see some alumni or former student of our college. A copy of the News would be a real treat to them.

The subscription for the whole year is 50c. They will consider this amount well invested. Collect and bring their addresses along back with you.
The Five Brothers Fraternity is pleased to announce the pledging of George Evans, Bloomdale; Edward Fries, Joe Ladd and Carl Goebel, all of Bowling Green; Edward Held, Maumee; Ora Keneck, Edgerton; Jay Bone, Gary, Ind.; Leland Gill, Convoy; Ivan Beard, Van Lue and Walter Ostrander, Bradner.

The Misses Ethel Crawford of Columbus, Ruth Harris of New Havens, Helen Dilgart of Toledo, Florence Bowerman of Wauseon and Ruth Lane of Tontogany, former students of B. G. N. C. were weekend guests over Home-coming of friends at Williams' Hall.

Miss LeEtta Wiedenhafer of Sandusky was the guest of her sister, Alyne Wiedenhafer of Shatzel’s Hall the week-end of October 18th.

Eleanor Stutz of Shatzel’s Hall had as her guest Dorothy Curtis of Sandusky the week-end of October 18th.

Miss Lenola Long ’22 who is teaching in Cleveland spent Home-coming week at Bee Gee.

Muns Bachman, now coaching at Bessmer, Pa., spent Home-coming weekend in Bowling Green. Mr. Bachman has had great success in Bessmer, only losing one game.

Mearle Hoskinson, coach of Convoy, who has been doing excellent work there attended home-coming.

C. D. Fox, coach at Stryker; Dale McDaniels, coach at Holland; Solon Hesrick, coach at Morenci, Michigan; Erney Etoll, coach at St. Pauls, Norwalk; George Figgens, coach at West Unity; Dewey Fuller, coach at Sycamore; Orville Raberding, coach at Perrysburg and many other familiar faces were seen distributed on the bleachers to witness the game on Saturday, November 8th.

The American Nature study has requested Prof. Moseley, of our Science department, to appear on the program in Washington, D. C. on December 30th.

Mr. Doolan Bain is teaching at Marietta, Ohio.

Mr. John Humphrey is principal at Lexington.

Mr. Earl Beard is attending Ohio State University.

In Case of Lost Articles See The “Cops”
If you lose anything, call at the police station. Ray Troutner says, “the cops have such taking ways.”

Mr. Troutner lost his bicycle last Saturday but later found it at the police station. He has now fully decided to make further search in the cop department for his Ford that was lost last spring.

Mt. Pleasant -vs- Bowling Green
(Continued from page 3)

The half ended by a 6 to 0 score for Mt. Pleasant.

At the beginning of the second half Swartz, a reliable guard was knocked out which weakened the team. Late in the game Fries kicked the oval from the Bowling Green twenty yard line against the wind. The wind carried the ball back of the goal where he fell on it for a safety. It was impossible to try to pass or kick against the wind. The second half ended with a score of 21 to 0 for Mt. Pleasant.

Halloween Party

Great was the excitement in the gym Friday night, October 31st at the annual Halloween party when people from various nations, witches, spirits, harlequins, "culled" folk mingled together during the first part of the evening trying to identify among the gaily dressed throng their various school chums.

The dancing began with a grand march led by Mr. Lester Bowers and Miss Marie Pulskamp, during which the two best characters were chosen by the committee in charge. Katherine Connor, as a small boy and Henry Dewese representing a Shakespearian character were deemed the best and were presented with small pumpkins. A dark ey mammy and her flock were also quite a hit during the evening.

Dancing was the diversion, the music being furnished by John Draper's Orchestra. The gym was appropriately decorated with corn stalks and pumpkins. Cider and doughnuts were served. The patrons and patronesses were: Prof. and Mrs. Carmichael and Dr. and Mrs. Kohl.

Home-coming Party

The Home-coming party, the last of the series of entertainments held on that day was a great success.

Due to the crowded condition at the party last year, the committee this year made the party in the form of a progressive party. Three different locations were used—the social room at Shatzel Hall, the main gym and the training school gym. Each hall was appropriately and attractively decorated. Dancing was enjoyed at each place, the faculty being assigned so they could spend a portion of the evening at each place.

The plan turned out to be as practical as it was attractive. All places were filled the entire evening for a large crowd attended.

The committees in charge of the various halls were the following: Irene Plummer had charge of the Shatzel Hall social room, Onnalee Hipp was chairman of the Williams' Hall girls who decorated the main gym, while the training school gym was put in charge of the men students.

Three orchestras, Osborne's, Lake's and Chet Long's added much to the pleasure of the evening.

Grumpy

The first feature of the home-coming celebration was the play "Grumpy" which was presented by the Drama class Friday evening, November 7th, in the chapel. The play which centers about an old criminal lawyer was very cleverly interpreted by the various members of the cast. Carleton Jones, as Grumpy made a very irascible, lovable old man, while Harry Crawford, as the young hero, also took his part especially well. Graham Place portrayed the villain, so well, that instead of having the accustomed hatred for the villain, we all felt sorry for him when at the end he was ousted.

Vivian Murdock made a very captivating little heroine, loving and cajoling all. Grace Kille portrayed the maid Susan with fine knack and grace.

The class played to a well crowded house. Many students who couldn't be accommodated with seats were admitted to the dress rehearsal on Thursday evening.

Great things will be expected of the class in the future, now that so much talent has been discovered.

The next play will be given later in the semester and will be the comedy "Dover Road."

Dr. Williams dismissed classes on Tuesday afternoon, November 11th in memory of Armistice day.

Country Life Meetings

Country Life held its second meeting in the Auditorium October 14th. June Beverstock was elected pianist and Clement Premo chorister for the year. The program consisted of several clever readings by Arline Stannard, vocal duet by Misses Leonard and Cowell. The three nominees for President, Coolidge, Davis and La-Follette were discussed by Mr. Nelson, Bower and Domrow. The meeting adjourned followed by the social hour in the gym. Every one reported a good time.

* * * *

November 11th Country Life held its regular meeting with an important program. Interesting talks on impotent subjects were given by Sheila Jones, Robert Younkin, Jay Bone and Dale Osborn. Robert Place and Mr. Kenecht sang an original song "Home-coming Blues." The program ended with a short reading by Helen Whipple. The meeting then adjourned and the social hour was enjoyed by the members present.

* * * *

The Country Life Club held its usual meeting on the evening of October 28th in the chapel. The program was a singularly interesting one. It consisted of speeches given by Dallas Lawrence and Jay Bone on the merits of Gov. Donahoe and Ex-Gov. Davis as prospective governors. Afterwards a straw vote was taken and Davis won.

The other part of the program was a musical rendition by Graham and Robert Place. Various duets with the use of banjos and saxophones pleased the audience. Bob also sang several songs.

After the program the crowd adjourned to the gym where Miss Purdy and Esther Brown kept them busy playing games. An interesting grand march was one of the features.

The Book and Motor

The Book and Motor Society held their first meeting of the year during the last week of October. Jonathan Ladd, acting president appointed Miss Nielson to assist Miss Hayward and Prof. Overman in selecting students eligible for membership to the society for this year. Officers of the society for this year will not be elected until after the fall membership election is held.

Senior Class Organizes

The Senior class experienced a great deal of difficulty before getting organized this year. After several attempts enough of these very important folks to constitute a quorum were gathered together and the following officers were elected:

President—Carleton Jones.
Vice-President—Earl Davidson.
Sec'y-Treas.—Esther Brown.
Committee on Social Functions—
Clement Premo, Ruth Sweet and Paul Domrow.

At a later meeting the class selected maize and blue as the Senior class colors. It is the hope of this class that these colors will prove so satisfactory that they will be accepted as the traditional senior colors by all succeeding classes.

Emersons

The Emerson Literary Society held its first program meeting of the year November 4th. The meeting was in the form of a welcome to the new students and was as follows:

College song.
Business.
Welcome Address........Eleanor Stutz
History of Emerson Society....
..........................Esther Brown
Emerson in 1923........Jonathan Ladd
Special Music..............Grace Tressel
Mr. Swartz, the new sponsor responded with some very fitting words and at the close of his address the entire society felt that it would have to work some to keep up with the sponsor.

At the close of the business meeting the members went to the gym where a very pleasant half hour was spent in games.

The student-body considered it a great opportunity to hear Basil R. Gabriel, an Armenian, who told of conditions in the Near East. He tried to impress the fact that a man’s greatest need in the world is a country and his country is worth everything to him. He further stated by contrasting conditions in Armenia with those in America, that we cannot appreciate the opportunities our country affords.

Tuesday, November 11th
Since this was Armistice Day, it seemed quite fitting when Joy Rider, Mayor of Bowling Green and a member of the legion spoke on the subject of “Citizenship.” He stressed the fundamentals of industry and loyalty as well as courage. Vocal selections by Estel Mohr and Clement Premo were rendered.

Pres. Williams was given great applause following his announcement, “college work suspended for the day.”

The Seven Stages of Men
(With apologies to Mr. Shakespeare)
1. When Williams cuts his first tooth.
2. When Willie starts to school.
3. When Bill gets a new bike.
4. When William gets his first girl.
5. When Mr. William becomes 21.
6. When Wm. J. graduates from college.
7. When Williams gets married. (the finish.)

Teachers' Day in Toledo

The Northwestern Ohio Teachers' Association held its 52nd annual session in Toledo, October 24th and 25th.

The first session at the Coliseum on Friday morning was a scene of smiles and hand-shakes followed by an interesting program. Professor Moseley, of our science department contributed the fact that Venus, one of our largest planets could be seen on that day, giving definite directions in discovering it. All were interested and many people could be seen gazing to the heavens in search of Venus as they left the building.

At noon the Annual Normal College Luncheon was held at LaSalle & Koch's where approximately four hundred former students and friends attended. A short program was given as follows:

Mr. Clement Premo entertained with a group of songs.

Mr. Jonathan Ladd gave a short talk on the program for the Third Annual Home-coming which gave everyone present a promising feeling to come home on November 8th.

Mr. Carleton Jones introduced the second volume of the Key after which he had little trouble in securing subscriptions.

Mr. Kenton Moore asked cooperation in collecting alumni reports for the Bee Gee News.

Dr. Williams expressed his sincere appreciation of the fine attendance and spoke of the fact that already our college enrollment was crowding our building capacity in many departments. This was of surprising interest to many alumni.

A unanimous vote was made to have a similar luncheon at the time of session next year.

Many college people as well as many citizens of Bowling Green stayed in Toledo until Saturday evening in order to witness the Bowling Green-Toledo U. game, which was played on Saturday afternoon on the Scott field.

New Movements

The Skol

During the Home-coming activities a new girls' society, the Skol, made its bow to the public. Up until this time the society has been strengthening its foundations and perfecting its organization, but from now on the girls intend to take an active part, as a society, in the activities of the college.

The society held its first annual banquet Friday evening, November 7th, after the Home-coming play. At this time the present members and pledges entertained the old members at the College Inn with a three course dinner. The table was attractively decorated in the society's colors, black and gold, and place cards in the form of the Skol Insignia marked places for the following guests: Iscah Belle Dall, Eleanor Shatzel, Dorothy Bates, Esther Russell, Florence Woods, Miss Rea McCain, Arline Stannard, Jean Sherer, Ruth Sweet, Ida Switzer, Esther March, Esther Brown, Helen Pearson. Ruth Beckman, Onnolee Hipp, Helen Whipple, Laura McMasters, Eleanor Stutz and Helen Rieder.

The old members were enthusiastic in their appreciation of the work of the society this year and pledged their loyal and willing support to its future undertakings. The dinner was highly successful and all the members expressed their intention of being present at the second annual banquet to be held here next fall.

Y. M. C. A. Movement

On Tuesday noon, November 11th a group of college men students and faculty who are interested in the Y. M. C. A. movement were given a luncheon in the domestic science department.

After the luncheon the men retired to room 201 where they held a business meeting. A temporary organization was formed as follows: President, Mr. Wyant; Secretary-Treasurer, Mr. Dunn; Delegate, Mr. Bowman. The Survey Committee was appointed by the President as follows: Mr.

Men's Union Organized
Thursday, November 13th the men students of the college held a meeting in the auditorium at four o'clock. Rev. Wilson presided as chairman. The purpose of the meeting was to form a men's organization. Practically all men students are interested and really feel the need of such a movement. The group present decided to call the organization "Men's Union." It was also decided at this time to attend the Bluffton foot ball game on the following Saturday.

Men, the A. B. C.'s have shown an example of their loyalty on Home-coming day. It is time for you to come out to the meetings and boost.

College Band
Since its organization the band has been a very busy crew. Both the college and the town have helped the organization to a flying start. The business men of the city, the American Legion boys and the A. B. C. girls of the college have made it possible for the band to appear in uniform.

The band has participated in the following events since the start of school. The celebration on October 30th, which was the Callithumpian, staged by the business men of the city. In rapid order then came the flag raising on the high school athletic field, the college home-coming and on Armistice the playing for the American Legion.

The band is a growing organization. At present three men are beginning on instruments. Anyone desiring to join the band or to start on any band instrument is invited to make their wants known to either of the following: Mr. Tunnicliffe, Mr. Powell or to any member of the band. Lessons on band instruments are given free of charge by the leader.

At one of the recent meetings of the band the following officers were elected: President and Manager Earl Leiter; Sec'y-Treas., Orville Bowman; Leader, Bob Wyandt. The regular meeting night of the band is on Monday at 7:00 in room 206 Science building.

Floats
Many of the floats in the college parade on home-coming day deserves honorable mentioning, but it is said that more comments have been given the Junior class and the music department. Evidently much work was necessary to construct these floats and high credit is due them for their loyalty.

The freshmen believe they won first prize with their fire department float. Undoubtedly it would have been a hard task to act as judge.

Superintendents, Principals and Supervisors Who Are Making Good

Jokes

A deaf and dumb man was arrested for man slaughter. They wrote on a piece of paper that he was to have his hearing the next day. In a short time the sheriff entered and found the man dancing and singing. The sheriff inquired why he was so happy. The man wrote back he was to have his hearing tomorrow.

“I’m very sorry sir, but your wife’s mind is almost gone,” said the physician.
“I’m not at all surprised for she has been giving me a piece of it for the last ten years.”

Bluffton Result

On Saturday, November 15th, boosters of Bowling Green College football were determined to journey to Bluffton and bring home the honors. In summarizing this is exactly what they did. This game being a feature of Bluffton College Home-coming made it a sad affair for them but perhaps we are all being treated alike. The score was 6-0. Details of the game will be given in the next issue.

Home-coming

Comments

The new bleachers and score board was highly commented by many home-comers.

The home-coming party this year, on account of the large attendance, was held in three different buildings. The scheme worked well, each building being well attended.

Citizens of Bowling Green seem to think our college is developing real university spirit.

Lodging for home-comers was gladly provided by mothers of Bowling Green.

Delta High School Band made a great hit at home-coming.

The home-coming play “Grumpy” was well attended and enjoyed by all present.

Home-coming boosters feel thankful for the answer of their prayers.

It was estimated that 3,000 attended home-coming on November 8th.

Unusual!

An Easterner and a Westerner got into an argument about which part of the country was the most progressive. The Texan showed the man from the East a magnificent structure and said, “It took 400 men only two years to build that.” They went on East and came to Washington’s monument. “What’s that?” asked the Texan. “Well, I don’t know,” said the man from the east, “it wasn’t there yesterday.”
