Gentlemen:-

Referring to your letter of July 5th, wish to say that we had our Superintendent meet Mr. Williams at the above building and they went over the work desired in the Domestic Science Kitchen, so we are arranging to install this work as outlined.

We will furnish two (2) cast Iron White Enamelled Laundry Trays as shown in corner of kitchen and the sink as shown in table near center of room, making connections with waste and vent piping for the sum of Eighty ($80.00) Dollars.

It will be necessary for U3 to channel the walls for these fixtures and we have included this additional labor in the above bid.

Trust this will meet with your approval, and awaiting your advices, we beg to remain,

Very truly yours,

THE HUFFMAN CONKLIN CO.
