General Information

LOST AND FOUND ARTICLES—Anyone finding lost articles should take them to the office of Athletic Director Harold Anderson in the Men’s Gymnasium. Persons seeking lost property may inquire there after the game.

PRESS BOX—The Bowling Green State press box is for the working press only. Admission is restricted to newspapermen and football scouts. The press box is in charge of Paul Jones.

COMFORT STATIONS—Beneath the stadium and in the Men’s Gymnasium are located convenient rest rooms.

SALES TAX—The sales tax has been prepaid pursuant to authorization by the State Department of Taxation. We are, therefore, not required to issue pre-paid tax receipts.

DRINKING—The drinking of intoxicating liquor will not be tolerated in the Stadium. Violation of this rule will result in your ejection from the game.

ANNOUNCEMENTS—No persons will be called over the Public Address system unless it can be shown that they have to do with urgent or emergency situations.

The students and faculty of Bowling Green State University were happy this week to see Dr. Prout return to his office following a successful recovery from a recent operation in Johnston Hall. His great interest in the success of Falcon teams has always been indicated by his presence at games played at home and by his many trips with teams representing the Orange and Brown.

GREETINGS TO MIAMI AND ALBION

To the gridders representing Miami University at Oxford and the harriers from Albion College, Michigan, Bowling Green extends her sincerest greetings and hope that their stay on this campus will be a fine occasion for renewal of competition on ever friendly terms.
In any game there is usually one play that decides the final outcome—that one play decides the winner!

And in industry too, there are certain factors that determine the leaders. We at Daybrook Hydraulic are proud of the quality and endurance that is inbuilt into every Steel Dump Body and Speedlift Hydraulic Hoist that leaves our plant. We're proud that our customers are assured of complete dependability when the job is at its toughest.

THE DAYBROOK HYDRAULIC CORPORATION
MANUFACTURERS OF STEEL DUMP BODIES AND HYDRAULIC HOISTS
BOWLING GREEN, OHIO
THE FALCONERS

Athletic Director W. Harold Anderson, who is better known as Bowling Green State University's basketball coach, and Football and Track Coach Robert H. Whittaker form a great team here and have moved the Falcons forward into prominence in sports.

Coach Whittaker is in his sixth season at the helm of grid destinies here, four of them during the uncertainties of the war, and his record speaks for itself.

His teams have won 27 victories, have lost 12 times and battled to three ties in the five years past and during this time Bowling Green has advanced into tougher competition.

Through the war Coach Whittaker had but one assistant, George Meullich, but the return of peacetime football finds the staff increased by the return of Fred Marsh from Navy duty to take the centers and guards and the addition of Sam Cooper to the Staff as end coach. To this group are added student assistants Charles Maag, former Ohio State star tackle and Jim Whittaker, brother of the head coach, who is helping with the backs.

Al Sawdy continues in the capacity of trainer, doing the fine job that has established for him such a fine record in the past.

This increased staff is non-too large. Whereas the 1945 football squad was the smallest in Coach Whittaker's career, the one which greeted him at the start this year was the largest, numbering 226 men through the first few weeks of drill.

The squad is now divided into two squads: the "Meullich Squad" and the "Marsh Squad." Each numbers about sixty-five men.

Basketball Coach Anderson started cage drills recently. He observed a similar interest in basketball and the necessity of doing a lot of early cutting to get the varsity squad down to a workable limit.

Nov. 2—Bradley Tech at Oxford
Nov. 8—University of Miami at Miami, Fla. (night)
Nov. 16—Western Michigan at Oxford
Nov. 28—University of Cincinnati at Cincinnati (Thanksgiving)

HOMECOMING NOVEMBER 5

The next home game will be against Oberlin College on November 5 and it will be the happy occasion of our first real Homecoming Day since 1942. Even in that year travel restrictions prevented a complete celebration. So this is our first peacetime homecoming in five years.

That a big crowd will be here is a foregone conclusion because students and grads have been making plans for it for months; yes—even years.

Oberlin has another fine team this year but their real strength is to be unveiled today for the first time in a contest against Carnegie Tech. The Yeomen gave Bowling Green a trouncing last season which the Falcons want to atone for but an uphill battle is to be expected.

In the meantime Bowling Green hits the highway for two weeks in a row and against high calibre foes. Next Saturday the Beegees go to Kent State to play a traditional foe, the Golden Flashes. This “sister school” established by the same act of the legislature in 1910 is our oldest rival on this year’s schedule in point of the number games played.

Interrupted by the war, there was no competition in 1943, 1944 and 1945. The last time the two met resulted in a 7 to 0 victory for Kent. Over the span of 27 years the two teams have met 14 times with Bowling Green winning five games, Kent winning five games and the other four being ties. In only three of those 14 games has the difference been more than one touchdown for the winner.

On the following Friday night Bowling Green travels to Buffalo, N.Y. to meet a new foe, Caseius.

Even more important than its high octane rating...

MARATHON GASOLINE is SEASONIZED

POWER-BALANCED
FOUR TIMES A YEAR

It's not just its high octane rating that makes Marathon Seasonized Gasoline the favorite of Midwest motorists. Of even greater importance (according to automotive engineers) is its power-balance... the seasonally correct combination of STARTING POWER, PICK-UP POWER and RUNNING POWER for each season's driving temperatures. Scientifically adjusted at the refinery four times a year to give you:

- More miles per gallon
- Faster starting under all conditions
- Swifter pick-up in every speed range
- Smoother engine performance at all speeds
- Rugged, responsive power
- Added protection against knocking
- Extra protection against wear

THE OHIO OIL COMPANY • Producers of Petroleum since 1887
