To Our Homecoming Friends:

The day we have long been thinking about is here. We are happy, as you are, that after four years the war conditions are ended and we are privileged again to assemble at a homecoming and meet our friends of old. You are finding conditions changed. With our 3900 students we are crowded to the place where it is not possible to provide you with the housing and eating facilities which, as hosts, we wish we might give you. We ask you to be tolerant and understanding and trust that you will adjust yourself well to our new conditions. Please be sure that we are very happy that you are here.

We welcome another group of guests this afternoon—the football team and its friends from Oberlin College. Over a long period of years Oberlin has been noted for its excellent athletic teams and its perfect sportsmanship. Our greetings to this fine group of friends. We are honored to have them participate in this homecoming ceremony.

Cordially,

FRANK J. PROUT
HONOR ROLL

We salute the hundreds of Bowling Green State University men who served so well with the armed forces in World War II

ALMA MATER HYMN

Home of aspiring souls, our college stands
On fertile plains where once roamed Indian bands
Where gorgeous sunsets tint the bending sky,
Where pioneers strong in dust now lie;
Keep high the flame enkindled at their shrine
Our hearts in beauty to entwine.
The Deciding Play!!

In any game there is usually one play that decides the final outcome—that one play decides the winner!

And in industry too, there are certain factors that determine the leaders. THE BEGINNING OF FALCON FOOTBALL

By Ivan E. Lake, '23

Bowling Green football has advanced a long way since the bright September day in 1919 when the gridders above gathered in front of Jim Walker, the town's leading photographer, to pose as Bowling Green's first football team. Hundreds of candidates have come and gone since then with many leaving indelibly recorded great feats on the annals of the university gridiron.

No coach posed with them because Dr. H. B. Williams had not yet succeeded in finding a permanent mentor and the team was being drilled under the guidance of Attorney Raymond E. Ladd, a former All-Ohio player from Denison, who is now Wood County's Probate Judge. He decided not to pose with the team because he was only filling in temporarily, volunteering to serve until a coach was found.

Finally a week before the opening game, John Stitt, a former Western Reserve star, took the job and directed the "Falcons" who were then known as the "Normals." F. G. Beyerman, now a Bowling Green insurance man, was then head of the physical education department.

Beyerman's office was in the room now housing the offices of the speech faculty. The men's locker room was located just north of the men's rest room in the Administration lower floor. The showers were in the present men's rest room.

This 1919 team drilled on rock-strewn ground close to the present ticket building at the entrance to the present athletic field. It was a very unlevel area with Niagara limestone jutting out of the sod in many places and provided a very limited place for practice.

When school started a schedule had not even been booked. A meeting of men was called to find out if there was enough interest to start a team. There was an enthusiastic turnout of 20 men and so some equipment was ordered, a coach sought and the country scoured for games.

The "Normals" averaged about 17 men out for practice scrimmaging one side of the line against the other and getting a full team practice only when they worked out as a team against the high school, which usually drubbed them. Only about four of the Normals had ever played football before.

Then came the first game. It was played on the high school field, which was then located on a grassless lot back of the Ridge St. grade school where sandburrs thrived. The high school had just spent $100 to build a wooden bleacher on the 50-yard line, which was quite the thing and the most of the 200 fans were college students singing the Alma Mater hymn, "We Hail You Dear Normal College" which was written in such a high key that only girls and tenors could hit the high notes.

The University of Toledo was the first foe and won 6 to 0 by scoring in the first quarter. Only 11 men played for Beegee, there being no subs used and the record shows that the following lined up in that opener: C. Stough re, Clucas rt, Noyes rg, Johnson c, L. Stough lg, D. Treece It, Troyer le, March qb, Vail lh, C. Treece rh and Raberding fb.

The second game was booked with Defiance on October 11 but it was postponed because of "wet grounds" and was played on October 18th instead. The Normals came home defeated 12 to 0 and the same lineup was used for the greater part of the game, three subs helping to do battle. Those subs were; Royal Chamberlain at left tackle, John Gillespie at left guard and Ivan "Doc" Lake at fullback.

Despite widespread efforts to secure opponents, only one more could be slated and that was Michigan Normal, of Ypsilanti. They came down to play here on Wednesday, Oct. 22. They scored a field goal in the first quarter but were held even from then until the final period when a Beegee drive moved to the Michigan 5. At that point the director of athletics, in his fervor to help cheer the team to victory, was charged with coaching from the sidelines and the B.G. team was penalized 25 yards, which was the last straw and prevented the first B.G. football team scoring any points at all. Ypsilanti scored in the final period just three minutes before the game ended and won 10-0.

The same fourteen players appeared in this game against Defiance; the eleven starters and three subs seeing service.

As is obvious in the picture, the brawny muscles of those "ancestors of the gridiron" were scantily protected by pads. The headgears were light felt affairs with no protective interior cushions and covered with thin leather. The hip and shoulder pads were flimsy leather-covered felt affairs which would be scorned by today's gridder. Many of the shoes were ordinary street shoes with pyramided strips of leather nailed on for cleats. None of the jerseys were of limber wood inserted in the front of the pants.

And though every advance story in the newspaper pointed out that the Normals "expect to win" they were destined to start Falcon football without a victory and without even a touchdown.

The eleven starting varsity members of the squad were awarded the coveted "N" which was then the letter awarded to athletes by the Normal college. This was the inauspicious start of Bowling Green State University football 28 years ago.

Where are these fellows now?

One of them is gone. Ralph Schaller, who was professor of biology on the campus here for several years, passed away a few years ago but the rest are living.

Raberding is teaching in S. Pasadena, California. Dale Treece is superintendent at Bloomsdale's schools near here and his brother Clive is principal at Perrysburg high. Moore, now possessor of a Ph.D., is professor of education and psychology at Arkansas A. & M., and Clucas has a Ph.D. and is head of the history department at Marquette Mich. State Teachers.

Claitus Stough, who still holds the single game scoring record in B.G. basketball history, is now assistant auditor in the National Acme Co., Cleveland while his brother, Lester, is a successful farmer near Findlay.

Lawrence is teaching in Findlay, Troyer is Junior high teacher in B.G., and Fry heads Industrial Arts at Canton McKinley. Chamberlain is in business in Kentucky and Noyes was working in Toledo when last located. Johnson travels for a bank supplies firm. Vail is a farmer near B.G. March is a doctor in Bowling Green and your truly is managing editor of the Daily Sentinel Tribune in Bowling Green. Coach Stitt is farming near Findlay.

In Bowling Green, it's Lasalle's—naturally. And, just like B.G.S.U., Lasalle's is keeping abreast of the times with a modernizing program that will rate cheers from everyone in town.

BOWLING GREEN'S INTERCOLLEGIATE ACTIVITIES

Bowling Green State University was among the limited number of institutions in the country that was able to maintain intercollegiate sports without interruption during the late war. The institution felt extremely fortunate in this regard and is deeply indebted to the United States Navy for locating one of its fine V-12 units here because without it, this campus would have been forced to discontinue its intercollegiate program as did so many others.

The name of the Falcons became most familiar throughout the world as her basketball teams answered three successive Madison Square Garden tournament invitations with splendid records, the news appearing in service papers everywhere to the joy and pride of our boys in uniform.

But basketball was not all. In baseball and track the Falcons won state titles with glittering performances too and the name of Bowling Green gained increased prestige among our Ohio neighbors. A limited activity was carried on in tennis and swimming also.

Now, with nearly 2,400 men enrolled, Bowling Green is returning to a complete program of major and minor sports by the renewal of cross-country and golf, the restoration of swimming and tennis to a full activity basis and the continuation of all of our major sports. The athletic department looks forward to an early resumption of wrestling and other sports, which were just getting a good start when war forced their curtailment.

In the following pages will be found reviews of the intercollegiate program for Bowling Green.

FOOTBALL MENTOR

ROBERT H. WHITTAKER
Head Football Coach

Bob Whittaker, “The Bear,” is in his 6th season as head football coach here and is highly regarded everywhere for his success as a mentor. To date his Bowling Green teams have won 30 games, lost 14 and tied three.

Last week, in winning from Canisius, 13 to 7, Falcon teams coached by Whittaker passed the one thousand mark in scoring. In 47 games his gridders have scored 1,007 points while holding their opponents to 479 points.

J-V FOOTBALL

The tremendous turnout of candidates for football so swamped the Bowling Green coaching staff this fall that a division was decided as desirable to give some of the men needing more experience the training that it is hoped will prepare them for the coming years. Coach Fred Marsh, regular Freshman Coach, was assigned the job of heading the staff for the Junior Varsity and is assisted by Jim Whittaker.

The “Rinkey-Dinks” have displayed a lot of pep and have provided the cannon fodder for the varsity in scrimmages, using play of BG opponents brought home by scouts and preparing themselves for an abbreviated schedule of games with other Junior Varsity teams.

Early this fall they battled to a 7-7 tie with the Jay Vee club of Ohio Wesleyan, outplaying the Bishops but being tied by a 95 yard pass interception by the foe. They played their second game at Kent State Friday, Nov. 1, but as this goes to press before the game is played, the result is not available for publication here.

Marsh’s squad plays one home game this season and that will be a return game with Ohio Wesleyan on November 9th. The “Rinkey-Dinks” finish the season at Oberlin against the Yeomen Jay-Vees on November 15.

The coaching staff has been watching the development of many of the players on this squad, anticipating the use of many of them in competition with the varsity in 1947 and it is believed that many of them will be valuable assets in future years.

CROSS COUNTRY

A pre-war rivalry is being renewed today when the cross country teams of Bowling Green and Oberlin compete over the 4-mile course here. The race will start shortly before the first half of the football game is over and will finish sometime during the halftime intermission.

Sam Cooper is coach of the Falcon harriers.
Coach Harold Anderson can call on these returning lettermen for his basketball varsity this season. The eight men on this page were members of the squad which won 27 and lost 5 last season.

Anderson's four-year record here shows the Falcons winning 91 games and losing only 18.

The climax of last season was the winning of the Chicago Round Robin tournament by beating Oklahoma A. & M. in the finals 48 to 37.
With 16 lettermen available to form the nucleus of the 1946-47 Falcon cage squad, Coach W. Harold Anderson faces a difficult task in making his final selection. The squad reporting during October, numbered 206 candidates but preliminary cuts have reduced its size to 40 now.

When football ends, two weeks from now, many more men will discard the pads and don shorts to enter the race for varsity posts and "Andy's" problem will then be further complicated.

Lettermen not pictured on these pages include Mack Otten, 6 foot 6 inch brother of "Big Sid" Don Otten, last year's All-American center of Bellefontaine, Walter Blateric of Akron, Gordon Larson of Akron, Bob Conner of Illinois, Max Minnich of Napoleon and Charles Ball of Michigan.

In addition Coach Anderson is looking over some very excellent freshman material, some of whom may shove a few of the lettermen back out of the picture.

The schedule, as listed above, is without question the most difficult in Falcon history but if it is successfully negotiated, there will be no question about the national rating of this year's club.
BASEBALL

Baseball is a major sport on the Bowling Green campus and was one of the activities which continued during the war at a high plane. The Falcons were undisputed state champions in 1944 when a number of fine V-12 athletes were available to form a splendid ball club behind the top hurling of Al DiMarco.

Last spring the Falcons fielded another strong team which won eleven games and lost two under the guidance of Coach Warren E. Steller. The prospects for next spring are very good with sixteen known letterman in school planning to be available when the first call is issued next March. Steller will be coaching his twenty third baseball team for Bowling Green.

No schedule has yet been arranged but the Falcons probably will see action against the usual slate of foes such as Ohio Wesleyan, Oberlin, Findlay, Hillsdale and Heidelberg. To this schedule may be added Kent State, Ohio U., Miami, Cincinnati and others.

Coach Steller is giving serious consideration to a baseball trip into southern Ohio, Kentucky and West Virginia during the spring vacation and may arrange such a tour during the coming months. Among the letterman back are Fred Petrides, Onyx Espen and George Vucovich, pitchers; John Jeremiah, and Don Kuhlman, catchers; George Baldwin, George Bohanna, Lee Kubik, Jim Knecht, Tom Inman, Nick Caputo, Bill Lute and Harold Martin, infielders with Howard Martin, Harley Hanna and Cled Jones as outfielders.

Inquiries have indicated that there are many very fine former high school players enrolled this year as Freshman and Coach Steller believes that Bowling Green should field another very strong team in 1947.

Bowling Green's 1946 record:

- Bowling Green 13 Oberlin 3
- Bowling Green 9 Lockbourne Air 1
- Bowling Green 5 Heidelberg 1
- Bowling Green 7 Heidelberg 5
- Bowling Green 24 Findlay 6
- Bowling Green 9 Ohio Wesleyan 3
- Bowling Green 5 Wright Field 6
- Bowling Green 5 Oberlin 0
- Bowling Green 6 Wright Field 2
- Bowling Green 20 Ohio Wesleyan 7
- Bowling Green 1 Ohio Wesleyan 0
- Bowling Green 11 Bee Gee Cubs 7

The veteran of the athletic staff is Warren E. Steller, who started his 23rd year on this campus this fall. "Nig" is no stranger to today's opponent, Oberlin, for his fame still lives on their campus where his football feats stamped him as one of the all-time great Yeomen in the late 'teens.

Steller's long service here has included 11 years as head football coach, two years as basketball coach and 22 years as baseball coach.

TRACK

Track and field activities operated through the war in a rather curtailed fashion here at Bowling Green with the exception of 1945 when Coach Bob Whittaker's Marine and Sailor bolstered squad stepped out against all state opposition to win every available title.

That year the Falcons not only won all dual meets but swept the field at Baldwin-Wallace in the Ohio A.A.U. meet and then went to Delaware the following week to defeat all foes, including Ohio State, in the annual Ohio College Meet at Ohio Wesleyan.

After that the school was not so fortunate in its material and the record has been spotty. But next spring Bowling Green's colors may be carried with a greater degree of success if the increased enrollment has brought the campus any additional strength to augment the carry-overs from last year.

Coach Bob Whittaker, who trains the thin clads in addition to the gridders, will have such veterans as Walter Terrell in the distance runs, Charles Maug in the discus, Jim Whittaker in the pole vault, Bob Conroy in the high and low hurdles, Ennis Walker in the dashes, George McDonald in the half mile and Cliff Baker in the high jump.

Among high school stars who gained recognition among "Ohio's Top Ten" as published in "The Ohio Trackster" are Jim Smithy, hurdler and high jumper of Akron North, Bob Schnelker, discus thrower of Upper Sandusky, and Ray Winkler of Westlake in the hurdles.

No schedule has yet been arranged but competition will probably be booked with such rivals as have regularly been on the Falcon schedule such as Albion, Baldwin-Wallace, Miami, U. of Detroit, Ohio Wesleyan, Ohio University, and others.

Scores of meets last spring:

- Bowling Green 96 Albion 35
- Bowling Green 57 Baldwin-Wallace 70
- Bowling Green 24 Cincinnati 32 Miami 95
- Bowling Green 69 1/3 Ohio Wesleyan 57 2/3
- Bowling Green 54 U. of Detroit 68
- Bowling Green 49 Ohio University 73

F. Marsh
Golf

Bowling Green is now planning to field a team in intercollegiate golf competition next spring, the first in a number of years. Fred Marsh has been appointed head coach of that sport and will also be in charge of the new University golf course, which will be ready for use for the first time.

There are no veteran lettermen available but a number of students proved themselves quite capable of playing advanced golf last spring and summer and Coach Marsh believes that a Falcon team should be able to meet competition with fair success next spring.

The new Bowling Green golf course is a most interesting one which will require emphasis upon accuracy with the irons. It is a short course and will not place a high premium upon wood shots. Whether home matches will be played there or on the Bowling Green Country Club course has not yet been decided.

No schedule has been arranged as yet but a full program is contemplated for the Falcon fairway artists.

Tennis

Returning this year from the tennis squad of last spring is a fine nucleus of four lettermen and two reserves and Bowling Green State University anticipates the development of a strong team in the coming year.

Coached by Dr. Emerson Shuck, the Falcon team will face a more extensive schedule of activities in the coming year. Last spring the team won four and lost five matches.

Now in school are the following lettermen; Gerald Harms, Harding Monroe, William Parker and David Scudder. Peter Sherry and Bob Padden were members of the squad last year and appeared in some matches.

The caliber of new freshman tennis material is not known, but Coach Shuck has had reports that a number of very fine netters are going to be available and may displace some of the veterans.

Last season's record:
Bowling Green 1 Oberlin 8
Bowling Green 4 Wittenberg 3
Bowling Green 2 Case 5
Bowling Green 1 Oberlin 6
Bowling Green 5 Lawrence Tech 2
Bowling Green 3 Ohio Wesleyan 4
Bowling Green 3 Ohio Wesleyan 4
Bowling Green 4 Lawrence Tech 3
Bowling Green 4 Otterbein 3

Swim Team

Swimming returns to the role of a major sport at Bowling Green State University after limited activity in the intercollegiate field during the war and the prospects for a very good team appear to be better than average according to Coach Sam Cooper, new mentor on the athletic staff this year.

A squad of 35 candidates has been working out informally under Elmer Brown, who is assisting Coach Sam Cooper as a student aide. He had considerable experience training swimmers in the army.

A schedule is not yet ready but many early contacts indicate that a strenuous program is ahead. Home and home matches are slated with Ohio Wesleyan and meets are booked with Kent State and the University of Detroit.

Negotiations may culminate in the booking of meets with the University of Indiana, Northwestern University, Depauw, Cincinnati, Ohio U., Oberlin, Wayne, Michigan State and Kenyon.

There are only four Falcon veterans available. Paul Stark, backstroke, Tom Stubbs, free styler and Phil Hodes and Ray Murray divers, are trying out with the likelihood that they will form key men for the coming year.

There appears to be a wealth of good material on hand in the freshman class, some of the candidates having records of fairly good times and much good high school competition behind them.

In addition to the veterans on the squad are the following thirty-one new candidates:

Free style distance: Gerald Davis of Fostoria, John Fisch of Lake Forest, Ill., P. E. Frederick of Fairhope, Ala., Dean Hess of Fremont, Robert Krolewski of Lorain, Theodore Marchand of Lincoln Park, Mich., Thomas McManus of Bridgeport, Conn.

Breast stokers: Sam Mamaliga of Canton, Robert Russell of Akron, Fred Boggs of San Antonio, Texas.

Back stokers: Kenneth Reed of Fremont, Robert Krolewski of Canton.

INTRAMURALS

Bowling Green has always had a very active and complete intramural program and plans are being made for a number of activities to be held this winter and next spring. The great school population causing congestion of all facilities is forcing curtailment of a part of the program, however, and plans are not ready for announcement at the present time.

The gym floor has not been available because of the presence there of cots for men temporarily housed until the Emergency Housing is completed. The clearing of the floor gives promise of a full-time use of the gymnasium once more.

Several basketball leagues probably will be organized soon.

TRAINING DEPARTMENT

One of the secrets of Falcon success in all sports is the high quality of the work done in the training room. In charge of this is Al Sawdy, former trainer of the Detroit Lions professional football team and a product of Michigan Normal.

Al is ably assisted by Gordon Herwig, student helper.

Even more important than its high octane rating...

MARATHON GASOLINE

is SEASONIZED

POWER-BALANCED
FOUR TIMES A YEAR

It’s not just its high octane rating that makes Marathon Seasonized Gasoline the favorite of Midwest motorists. Of even greater importance (according to automotive engineers) is its power-balance... the seasonally correct combination of STARTING POWER, PICK-UP POWER and RUNNING POWER for each season’s driving temperatures. Scientifically adjusted at the refinery four times a year to give you:

• More miles per gallon • Faster starting under all conditions
• Swifter pick-up in every speed range • Smoother engine performance at all speeds • Rugged, responsive power • Added protection against knocking • Extra protection against wear
