SCENES
On The
CAMPUS
The New College Library

Watts & Suhrbier of Toledo have been awarded the contract for the new $275,000 Library.

This building was designed by State Architect Herbert B. Briggs, to be the most magnificent structure on the campus and without a doubt will be the most artistic building in the city.

The exterior is to be of terra cotta and will be three stories high. It will have a beautiful main entrance to Court street and two ordinary side entrances will be placed at each end of the building, one facing the west and the other the east. The building will be constructed on the corner opposite the administration building and Williams' Hall.

The first floor will be used for a shipping room. The hall will be for exhibition purposes and will be finished in marble.

The second floor will be the reading room. There will also be a few offices and classrooms on that floor.

The third floor will have recitation rooms and offices for the librarian.

The present library has about 16,000 volumes and the new library has the capacity for 106,000 volumes, therefore we have hopes that our present crowded library condition will not last much longer.

Debate Season Closes

The great battle of words is over. The 'argufiers' have won on one side and lost on the other in hard-fought battles. Strange to say, the Affirmatives held up their side of the question better than could be expected, judging from the present popularity of the question regarding the amendment that would give Congress the power to reverse by a 2/3 vote decisions of the Supreme Court, which declare acts of Congress unconstitutional.

Students of the college had the opportunity to hear two of the debates on the home floor. On March 12th the Affirmative met the visitors from Bluffton college and won a clear victory of three judges, but our own Negatives, who had embarked for Ypsilanti did not fare so well but secured one judge to their credit.

Again on March 26 both teams were keyed up for really strenuous contests; the Affirmatives secured the decisions of two judges out of three against a strong team from Adrian, Michigan, but the Negatives lost to our old rival, Toledo University, a total of three votes.

Intercollegiate triangular debates such as have been staged by our teams, are as important to the history of the college as any athletic events, because they are selected and prepared with much care and precision. Every loyal student should give his support when a debate is on that the local teams may win for their Alma Mater.

Both teams were coached by Prof. J. W. Carmichael, who took great pains in preparation of the subject to make the work both agreeable and profitable. They here-with wish to express their sincere thanks for the valuable assistance he has given them. Little change is expected in the personnel of the teams for next year, since most of the men are expected back again.

The college ought to have real teams to send on the rostrum against the opposition with the experience acquired during the past season.

New Women's League Officers

At a recent election the following girls were elected as officers of the Women's League, for the rest of this year and next:

President—Helen Harvey
Vice-President—Edith McGee
Secretary—Olive Bowersox
Treasurer—Grace Tressel

The new officers have taken up their positions. This election is early each year so that the new officers can become acquainted with the duties before the opening of school in the fall.

Helen—"Have you a seat left?"
Ticket Seller—(indicating number) "Yes," U-21.
Helen—"I am and if it's that kind of a show I'm glad I didn't ask Ma to come along."

The Optimists’ View

We are on this earth as pilgrims
And our tasks are mostly small,
But if we just do them gladly,
They’ll bring good to one and all.

Every one has joys and sorrows
That are strewn along life’s way,
And sometimes the sorrows hinder
Us in seeing some bright ray.

But, if we keep looking forward,
Life’s dark path will brighter grow,
And we’ll reap a bounteous harvest
From the seeds of cheer we sow.

Life itself will be worth living,
When we have such thots in mind,
Joy will take the place of sorrow,
Happiness, untold we’ll find.

Then we’ll be an inspiration.
To our friends and foes as well,
And we ever will be watching,
Waiting, for some good to tell.

Student Died at Home
Miss Helen Stalter of Sycamore, Ohio, a student of Bowling Green Normal College died at the home of her parents near Sycamore, at noon Sunday March 15, following a three week’s siege of scarlet fever.

Miss Stalter graduated from Sycamore high school in 1923. For the past two years she has been a student here at college and would have received her diploma in elementary education this June.

Miss Stalter was a very good student and was well thought of by her many friends in Bowling Green.

She is greatly missed by her college acquaintances.

During the past year, while here in college, she made her home with Mr. and Mrs. J. W. Zimemrman at 309 Ridge street.

Student’s Opinion

Our college campus is becoming more beautiful every day.

We need about four more tennis courts.

It does not show good culture to talk and whistle to girls in the dormitories from the sidewalk.

It is time for the HALL GANG to act more dignified. School superintendents are now frequently visiting that vicinity.

The Past Vacation

Since the publication of the preceding issue of this paper we have had a week's vacation. And who has not enjoyed it? Why was it given, and why did we enjoy it? If the reason for which it was given was the cause of our enjoying our vacation, then the week was well spent.

Some of us represent counties a hundred miles or so from B. G. and so we are unable to be at our homes over the weekend. This vacation enabled some to enjoy mother's own cooking again, and a real home's hospitality. Especially was this significant for those who are away from home for their first time.

Besides our parents and immediate relatives there was that wide circle of friends and neighbors whom we had not seen for a few months. The writer can think of no other city of its size that seems as hospitable as B. G., yet there's something about "the old home town" that is attractive to us.

Then, too, we needed a rest from our school labors, and this, the vacation afforded.

The industrious farmer uses a tractor for his heavy spring work, for he knows its endurance remains the same, while horses become fatigued and need a rest.

We, too, often times become fatigued and need a rest, there are limits to our "mental" endurance. This vacation enabled us to recuperate so that we can give our best to the remaining weeks of the term.

Altho we enjoyed our vacation immensely, yet it seemed we were all glad to get back to Bowling Green and our Alma Mater.

Speed on Court Street

Five years ago a very few students were fortunate enough to have the convenience of an automobile, but they were able to meet their classes perhaps more promptly than they do to-day. This is not because students of to-day who drive autos have engine trouble, rough streets or a "blow-out," but it is because many depend too greatly on a mile-a-minute speed from home. Economy of time is worth considering but "Safety First" should not be neglected.

Fortunate enough no serious traffic accident has occurred on Court street of late, but let's stop now and consider how quickly careless driving may change to a dreadful calamity.

Children are thoughtless when crossing a street and auto drivers are responsible for any accident that might occur. It might be well to become familiar with the latest law in this regard.

No excuse can justify such speed as we see on Court street. If you are late you should have started earlier. Let this be first warning "speedsters," the "traffic cops" are watching you.

"My heart is with the ocean," cried the poet, rapturously.

"You've gone me one better," said the seasick novelist, as he took a firmer grip on the rail.

College Band
Shall It Bust Up or Grow?
The band is a valuable college asset, they add pep, variety and pleasure to student life. The experience is valuable to the band members—but it costs money to keep the thing going.

The band needs cash and encouragement, so that 1926 shall see a 40 piece band instead of a few odd pieces of the 1925 band laying about all dusty and silent.

Doc: Exactly.
Patient: Well, I'll pay for the medicine and return the visits.

Base Ball Prospects For 1925

Coach Warren Steller made his first call for baseball men Monday April 7. It was answered by forty candidates from which to pick the battling nine.

There were five of these who have received their varsity award in baseball, namely: Myers, the shortstop; Rudolph, the mound man; Skibbie, the catcher; Moscoe and Frankfather, the garden men.

Coach Steller has been giving his men real workouts every night this week. He has been teaching them the technique of batting. “Nig” has also been giving his men some real stuff on running and sliding bases.

If the Bowling Green College doesn’t have a championship baseball team this year it won’t be “Nig’s” fault, for he is working hard with his men. He is teaching them real baseball from all angles. Judging from the display of ability in the early practice, the spirit and “pep” of the workouts, Bowling Green should again be able to bring home the bacon as we did in 1921 by winning the championship.

The baseball schedule for this season is as follows:

April 25—Findlay at Bee Gee.
April 29—Bluffton at Findlay.
May 2—Toledo at Bee Gee.

Findlay at Defiance.
May 9—Bluffton at Defiance.
May 13—Bee Gee at Toledo.
May 16—Toledo at Bluffton.
Bee Gee at Findlay.
May 20—Bluffton at Bee Gee.
May 23—Findlay at Bluffton.
Defiance at Bee Gee.
May 29—Defiance at Findlay.
Bluffton at Toledo.
May 30—Toledo at Defiance.
June 3—Defiance at Bluffton.
June 6—Bee Gee at Bluffton.
Toledo at Findlay.
June 11—Bee Gee at Defiance.

Our Track Team

A short time ago about twenty-five men reported for track work. The prospects look good for a winning team this year.

Captain Ogden is training diligently for the distance runs. He is making better time this year than he did last when he placed in the meet at Bluffton.

Frankfather, G. Crawford, Gundrum, Swartz, Rudolph, and Brand, last year’s men, and a host of new men are showing form in the various events.

We are better equipped to train the team this year because of the completion of the new track.

The conference is to be held at Bluffton May 19 with teams from Bee Gee, Findlay, Toledo, Bluffton and Defiance entered.

There has been a slight change in the events. Instead of the ½ mile relay it has been changed to the mile relay. Also a 2 mile run has been added.

More tin is mined in Alaska than in all the rest of the U. S.
Tennis Prospects For 1925

Coach Steller is very much pleased with his tennis prospects this season. He feels that the 1924 season will be repeated by Bee Gee becoming champions of the "Little Ohio Conference" this year.

There were seven men that answered "Nigs" sound for tennis. There were two who have already won their laurels in tennis, namely: C. Premo, of Potsdam, New York and R. Place, of Bowling Green. They are the two who made the championship possible for Bee Gee last year.

The other five men are as follows: H. Place, of Bowling Green; E. Fries, of Bowling Green; Miller, of Grand Rapids; Kohl, of Bowling Green, and J. Bone, of Gary, Indiana. They have all had much experience in tennis.

We are sure that by the time of the first tennis contest Coach Steller will have them all in the best of condition. At the present time he has them settled down to daily toil which will get them in the best of form for placing the felt covered rubber ball over the net at the right place and time.

This will undoubtedly be the best tennis team that has ever represented Bowling Green college.

The schedule for the coming season is as follows:

April 25—Bowling Green at Ohio Northern.

May 2—Oberlin at Bowling Green.

May 13—Bowling Green at Oberlin.

May 16—Ohio Northern at Bowling Green.

Some Match

"Milkfed" Place -vs- "Cornfed" Dewese

There was a question of vital importance that came before the student-body Feb. 12. The question was whether a milkfed man was stronger then a cornfed man. The scientists of the institution were unable to come to a satisfactory conclusion, so it was decided to hold a fistic combat between "Milkfed" Place and "Cornfed" Dewese as they were thought to be fair examples.

Accordingly at 3:00 o'clock about one hundred and fifty students were in the gymnasium all keyed up for the coming event.

"Shag" Moscoe, the promoter, had all the details arranged. Trainers John Rudolph and "Posty" Knecht had their men in the pink of condition. "Milkfed" weighed in at 147 and "Cornfed" at 155. The bout was in the capable hands of "Si" Sauter. Nothing escaped his eye. He found it necessary to warn each fighter several times about low punches. "Milkfed" kept "Cornfed" on the defense most of the time and seemed to score at will. Although "Cornfed" had "Milkfed" down several times he failed to follow up his advantage. It was in the open boxing that "Milkfed" seemed to outpoint "Cornfed" consequently "Cornfed" lost the referee's decision.

COACH ROBERTS MAKES GOOD

Coach W. E. Roberts of Deshler high school had a great basketball season this year. They played nineteen games and won the championship of Henry County. They scored 411 points to their opponent's 144 in the season.

Coach Roberts was on one of the first basketball teams that the college ever had. He was a sub on Coach Beyerman's squad of 1915-16, the first athletic team the college had. "Buck" Ladd, Johny Williams, Mickey Branigan, Chief Collar, Clif Noler and Jud Sayer were the members of that team.

A gentleman riding with an Irishman came in sight of an old gallows, and to display his wit said:

"Pat, do you see that?"

"To be sure I do," replied Pat.

"And where would you be to-day if the gallows had its due?"

"I'd be riding alone," replied Pat.

CHAMPIONSHIP TEAM OF 1921

Shorthand and Typewriting Contest

On Saturday, April 18, sectional contests in Shortland and Typewriting will be held in Toledo, Lima, Middletown, Bucyrus, Chillicothe, Cleveland, Bridgeport and Canton. Although last year was the first time that a state contest in these subjects was held, the interest was so great that it was found necessary to have sectional meets to determine who should enter the state contest. On Saturday, May 2, the winners and their teachers will meet at our State Normal College for the final contest which will determine those eligible to enter the inter-state contest to be held May 30 at Omaha, Nebraska. The commercial students will entertain the contestants with a party on the night of the contest.

Registrar C. D. Perry started out last week on a tour of twenty-two counties of Northwestern Ohio and is scheduled to speak at each one of the high schools in this district.

**Emersons**

The Emerson Literary Society held its usual meeting April 7th. The Parliamentary Drill was most interesting that night, as the weighty question as to whether dish washing was a legitimate excuse for being late to Emerson. One eloquent speaker for the affirmative was Miss “Peanuts” March.

The rest of the evening was given over to a discussion of “Cappy Ricks,” written by Peter B. Kyne, which was ably given by Chester Cornell. A piano solo by Edith McGee closed the meeting.

**Five Sisters Sorority Dance**

About thirty-five couples attended the most charming dance ever given at the college, by the Five Sisters’ Sorority, Friday evening March 20, 1925. The gym was beautifully and artfully festooned in the sorority colors, red and white. Lamps of various colors helped to produce a soft glow which added to the general scheme of decoration.

The features of the evening’s entertainment were the clever programs, designed after the shield of the sorority and the novelty dance.

During the evening refreshments were served by Lena Gardner, Verna Bule, Helen Diddle and Esma Riley, in a garden, set off from the rest of the floor by an artificial wall. Punch and wafers were served by Gladys Drill and Thelma Longfellow.

The patrons and patronesses for this interesting affair were: Dr. and Mrs. Homer B. Williams, Mr. and Mrs. E. C. Powell, Mrs. Maude Sharp and Miss Mirian Hall.

The music for the occasion was played by Leo Lake’s Campus Six of Bowling Green.

Plans are being made for a second annual dance to be given next year.

A girl going home from a dance one night lost her diamond ring. The next day she went to a restaurant and ordered a piece of apple pie. She cut the piece and what do you suppose she found?”

“The diamond ring?”

“No, apples.”

A student from another college was spending the spring vacation here. After driving around the circle to inspect the college buildings, they drove to the north past the Science Building. The student seeing the mausoleum in the distance said, “Oh, is that the stadium?”

The youth called up the blonde he met at the ball and asked for a date.

“Forget it,” she replied, “I can’t go out with a baby.”

“Cripes,” said he, “I didn’t even know you were married.”

Thoughts of B. G. S. N. C.
Though you travel up and down
Till you've reached the world around,
No better place is found
Than our own dear B. G. S. N. C.

Let our voices ever ring
In the praises that we sing,
As fresh garlands now we bring,
Bring to dear old B. G. S. N. C.

Though the time may swiftly fly,
And we mount the ladder high,
Yet in our hearts will lie
Sweet memories of B. G. S. N. C.

And as the years grow longer
World problems we shall ponder;
Still our thoughts will often wander
Back the trail to B. G. S. N. C.

When in the world of men
Each guides his given pen,
May we hear great tidings then,
Tidings of dear old B. G. S. N. C.

But in whatever land we dwell,
May our deeds forever tell
Of the lessons learned so well,
Learned at dear old B. G. S. N. C.

And whenever the shadows darker grow,
And the sunset colors glow,
Still our stream of love will flow
Onward for dear old B. G. S. N. C.
