*Represented for National Advertising by DON SPENCER COMPANY, INC., 271 Madison Ave., New York City.*

### GENERAL INFORMATION

Published for the Department of Intercollegiate Athletics, Bowling Green State University, Bowling Green, O., W. Harold Anderson, Director.

**LOST AND FOUND ARTICLES**—Anyone finding lost articles should take them to the office of Athletic Director Harold Anderson in the Men's Gym. Persons seeking lost property may inquire there after the game.

**DRINKING**—The drinking of intoxicating liquor will not be tolerated in the stadium. Violation of this rule will result in ejection of those guilty from the grounds.

**COMFORT STATIONS**—Because of conversion of the stadium's interior facilities for men's housing, those seeking comfort stations must go to the Men's Gym. The ladies' room is in the front corridor of the main floor. The men's room is in the rear of the building on the ground floor.

This program is made possible through a cooperative arrangement with the businessmen of Bowling Green and others who advertise in it. We appreciate it and hope that you will show your appreciation also by your patronage to them.

Football Program Committee: Ivan E. Lake, '23, chairman; E. J. Kreischer, B.G.U.; Marsh M. Sherer and Don E. Goebel, Downtown Coaches Ass'n.

"Meet Your Friends Here"
B. G. Greets Blue Streaks

Today Bowling Green State University is proud to act as host to one of the finest football teams in the state, in fact in the entire middle-west—John Carroll University of Cleveland.

Boasting a record of seven straight victories after an initial defeat, the Blue Streaks are nominated to act as host team in the annual Great Lakes Bowl game to be played in a huge lakefront stadium and the team selected to oppose them is the strong Canisius team of Buffalo, N. Y.

They are brought here by Head Coach Herb Eisele, whose record stamps him as one of the best in this part of the country. Last year his Streaks won six an lost three in his first season as a college coach making his college record to date, 13 wins and 4 defeats.

Herb is a product of Cleveland’s Cathedral Latin high school where he played end. He won outstanding recognition at the University of Dayton as one of the toughest ends in the state and was mentioned for All-American honorable mention in his sophomore year.

Records Set Right

The football relationship of Bowling Green and John Carroll is of brief duration. The two teams have met but once before on the gridiron, that game being in 1938 and resulting in a 20 to 0 victory for the Cleveland eleven.

This is contrary to the general understanding extant at the John Carroll campus where the records show that earlier, in 1924, the Blue Streaks defeated Bowling Green 51 to 0. But it was Kentucky’s Bowling Green.

Their error is excusable, however, and very understandable to persons living in Bowling Green, Ohio, for John Carroll is not the first to get this city mixed up with its prosperous namesake down in the blue-grass country.

Basketball Season Close At Hand

Eleven days from now the lid is lifted on Bowling Green’s toughest basketball schedule. Coach Anderson’s squad has been working hard daily since early in October and should be ready for the double test against Bluffton and Hillsdale on the local floor that evening.

Then the Falcons hit the road for games with Long Island, Western Kentucky, Holy Cross, Valparaiso and Chicago Loyola before appearing on the home floor again. There isn’t a soft spot in the long 27-game schedule. It includes a game with Kentucky at Cleveland’s Arena on Jan. 11 and games in that same hall with Baldwin-Wallace and John Carroll. There are also clashes with Marquette, Kent, Xavier, Dayton, Duquesne, Villanova, South Carolina, Beloit, LaSalle, Ohio U. and a pair of clashes with the University of Toledo.

But the Falcons are well fortified for the long grind and confident. With veterans like Mac Otten, Payak, Share, Green, Dudley, Speicher, Weber and Plinke and newcomers like Eli Joyce, Bob Long, Ernie Raber and a number of others, Coach Harold Anderson is sure that he has a winning combination, which, though it may not win all of them, will come home very often with colors flying high.
Falcons Acquire New Wings

The Bowling Green Falcon athletic teams and other campus groups are traveling in this comfortable Transit Coach Bus purchased by the Athletic Department last year.

It is the latest in transportation equipment.

The Head Man Of Falcon’s Gridders

The close of his twentieth year as a football coach brings Head Coach Bob Whittaker, of the Bowling Green State University Falcons to the peak of his career in the game.

This thorough, hard working driver, who as a teammate of Paul Brown at Miami, helped that school to some notable victories, has developed one of the finest gridiron combinations in the history of the Falcons and today they clash with a most worthy foe, seeking to complete the first season in the history of the school with a record of being unbeaten and untied.

Unbeaten teams are not new to Whittaker, who directed high school teams at Sandusky through five seasons without defeat and won 38 consecutive ball games, five more than were amassed by Paul Brown at Massillon.

Coach Whittaker came to Bowling Green in 1941 and his teams have won 45 victories, lost twenty times and have finished in three deadlocks. He is strictly an Ohio product. He was born in Greenville, attended school in Lorain and Norwalk, playing football for four years and then going to Miami.

He came out of college in 1929 and went to Sandusky to serve as assistant to Jim Nicholson and advanced to the head-coach job the following fall when Jim went to the University of Toledo as head coach.

After Dr. Frank J. Prout moved from the post of superintendent of schools at Sandusky to the presidency of Bowling Green State University he eventually called Whittaker to this campus to take over the coaching load and his football teams have always been worthy opponents even of some of the country’s better ball clubs.

His gridders call him “The Bear” because he growls constantly in his anxiety to secure perfection out of his men. Coach Whittaker is a great conditioner and all of his teams have been noted for their ability to stand up under the hardest competition.

He drives his men for perfection in blocking and tackling as the basic fundamental for success.

Though Bob is a graduate of Miami, he is also an alumnus of Bowling Green since he gained his Masters degree from this institution in 1942. He is married and has two daughters, Jean, a freshman at the university and Joan, a high school junior. Mrs. Whittaker is an assistant of A. B. Conklin, dean of students of the university.

In the spring, after early football practice ends, Whittaker takes over as head coach of the track team and enjoys the same relative success in whipping them into a strong competing unit as he always has in football. His 1944 team won the State Collegiate and Northern Ohio A.A.U. championships and annually has been running a close third in the collegiate meets held at Ohio Wesleyan.

A sailboating enthusiast, Bob spends his summers at Put-in-Bay where he maintains a summer home. He took top honors in the Inter-Lake regatta in 1940, 1941 and 1943.

His winter sports are skating, skiing and handball.

Twelve Seniors Sing Swan Songs

Twelve seniors close their football careers before the home fans today in the final regularly scheduled game of the season and Coach Robert Whittaker will have a tough job filling the shoes of some of them next fall. All have contributed immeasurably to the great record that the 1948 Falcons have made.

Those who will exchange football gear for cap and gown before the next season are Vern Dunham, end; Bill Wirick, tackle; John Sheldon and Don Dunham, guards; Max Minnich, Russ Maples and Joe Mercurio, quarterbacks; Howard Schaetzke, Jack Freitas, Dick Reis, Ed Simmons and Joe Lukac, halfbacks.

To these graduating seniors who have helped so greatly to forge Bowling Green's name as a football power in the middle west, Bowling Green State University extends a rousing sendoff as they sink their clefts into the home sod for the last time today.

Bowl Nightmares

Whether Bowling Green ever plays in a post-season bowl game or not, Coach Bob Whittaker's club has run into plenty of top-notch teams that have attained that honor.

Last year, three of the five losses sustained by the Falcons, were to teams which played in post-season bowl classics. They were St. Bonaventure, Miami and William and Mary.

This year's schedule included two teams which will be parties to bowl contests. One is Toledo, which team is the host outfit each year at the Glass Bowl regardless of record.

The other team is today's guest on the field, John Carroll, which eleven will meet Canisius in the Great Lakes Bowl classic at the big lakefront stadium early next month.
None associated with this campus can help but be most proud of her great athletic teams. Her marked progress in academic and social fields has attracted the attention of leaders throughout the country.

We share in this pride with you.

Music Hath Charms
By “Doc” Lake ’23

There is hardly any corner of the United States which has not learned that here at Bowling Green, Ohio is located an institution of higher education which has grown in its athletic prowess with astonishing speed. Bowling Green’s success in football, basketball, track, swimming, and other sports and the promise of continued growth in the future has been attracting wide notice in the public press everywhere.

In not quite such a noticeable manner, but still very effectively, the music department also serves as a very powerful medium for good notice over widespread areas where Bowling Green’s musical groups appear in concert. The trips of the Treble Clef, the A Cappella Choir (now on tour in the east), the Men’s Glee Club, the orchestra and the band serve to demonstrate most forcefully the high plane of Bowling Green instruction.

Today the all-male marching band of sixty pieces again provides halftime entertainment for the fans under the fine direction of Assistant Professor Arthur Zuelzke and his aide, Richard Ecker. These two members of Prof. M. C. McEwen’s music department are doing a fine job.

This is the 26th edition of the Bowling Green State University band. It was launched in 1923 by Prof. E. C. “Doc” Powell of the Industrial Arts Department and a student, Leo Lake. It was a motley crew of twenty men, whose only item of uniform was an orange and brown Frosh “Beanie.” But it was a proud beginning of a fine precision group which now helps to arouse Bowling Green’s high spirits at athletic contests.

Added to last year’s new uniforms are new and very attractive overcoats to make our marching band one of the best equipped among medium-sized universities in the country, to say nothing of the added comfort that the extra-heavy togs provide in the late games of the season.

The band expects to provide “pep” bands for each of the home games this winter on the basketball court. This splendid marching band puts in long hours weekly in drilling for their game-day program. They are a very essential part of a complete program at each home game.

While on the subject of music: Bowling Green State University’s history is unique for the origin of three very prominent organizations of campus life and activity.

The marching band was organized by an industrial arts professor; the university orchestra was founded by a professor of handwriting who was also a finger-print expert and the Bee Gee News was founded by a professor of agriculture.

gives three rousing cheers for

Bowling Green's prideworthy university
Big Spokes In Bowling Green's Football Wheel

The task of putting a college football team on the field rests not only with the coaching staff but a host of others play a pertinent part in the success of the team. As the Falcons roll toward one of its best gridiron seasons, we are happy to present some of the most tireless workers in obtaining this goal.

Ray Whittaker and his three student managers have handled the equipment in super fashion.

Paul "Porky" Bechtel, a proud pusher of the Sandusky Blue Streaks, was out on the field every night taking care of the practice balls, officiating the scrimmages and handling the many field wishes of the staff.

Harold Clement, a lad from out Iowa way, and Lewis Poggilia, another Sanduskian, worked diligently all week, getting game equipment ready for another Saturday test.

Ray has been their excellent supervisor and even put his 12-year-old son, Jackie, to work in readying the Falcon equipment. His work has made the Falcons the neatly attired outfit that has drawn praises throughout the year.

The training department, as usual, is performing their herculean task of taking care of the injuries. Many a week, it was the work of head trainer Al Sawdy and able assistant Tom Lloyd that saw a key man in the lineup. Without their services, this man would have been sidelined. Paul Hectors and Ernie Ramga have served as student apprentices, working with the freshman team.

2901 N. High St.     Phone: JEFFerson 4360
One of the least interesting or appreciated sports on the intercollegiate calendar is cross country racing. The only ones who really pay any attention to it are the coaches and the runners and once in a while a spectator, who happens to see a flock of fellows running around in their B.V.D.'s on a cold fall day and shakes his head in wonderment.

But the sport continues because of those few who do enjoy it and are satisfied with the little glory that comes their way.

Under Head Coach Dave Matthews, Bowling Green's cross country sport is looking up and there are many who believe that it will develop into a strong one next season.

The Falcon harriers this year made long strides in varsity development and watched as a very promising Frosh squad indicated even greater strength is ahead. The varsity twice defeated Toledo, Ohio Wesleyan and Wayne while losing to Michigan Normal's frosh.

Coach Matthews is expecting to take a group of them to the National Collegiate race in East Lansing, Mich. on Nov. 30.

The yearlings won four out of five races, winning from Toledo twice, Ohio Wesleyan and Wayne while losing to Michigan Normal’s frosh.

For the varsity Weaver, Petrie, Pomponio, Mickets, Mesloh, Oliver and Capt. Curt Nelson formed the main strength.

Kilgore, Pate, Dibble, Flannery, Webb and Cumpian were the consistent point winners for the Eyases.
It is natural that as the final game of the season arrives, followers of Falcon gridiron destinies look ahead to see what is in store for them in the next season. A team cannot lose men like Minnich, Vern and Don Dunham, Russ Maples, John Sheldon, Jack Freitas, Howard Schaeztke and others who played less regularly without feeling the loss greatly.

Yet there is optimism on the campus as the Eyases begin to get their pin-feathers and develop strength in their wings. Many believe that Frosh Coach Fred Marsh will promote a number of very fine gridders into varsity ranks next fall.

A rather rugged Yearling team has played a five-game schedule by today. They finished with a game at Ohio Wesleyan yesterday and the outcome was not known when the program went to press. In the other four games the Eyases (nestling Falcons) split even, defeating Toledo 13-0 and Michigan Normal 25-7 while losing to Ohio U. 12-7 and Kent 21-20.

Listed among those who have seen the most service and are expected to provide the most promise of varsity material in the future are the following Frosh:

Ends—Joe Ilacqua (Cleveland John Hay), Bob and Harry Coleman (Toledo Libbey), Les Green (Chagrin Falls), Claude Shanks (Manistee, Mich.), Ed Huffman (Hillsdale, Mich.), Chester Krolak (Toledo Scott).

Tackles—Dick Owens (Napoleon), Bill Butson (Van Dyke, Mich.), Bill Bumba (Toledo Waite), Fred Nagel (Cleveland St. Ignatius), Vince Garbo (Cleveland John Adams).

Guards—Jack Momany (Toledo Waite), Bill Bicksel (New Philadelphia), Gerald Barnes (Toledo Clay), Orah Howard (Dayton Fairmont), Elmer Fink (Toledo Libbey), Nick Resar (Elyria), Frank Gozdowski (Holland), Dominic Deluca (Newburg, N.Y., Free Academy).

Quarterbacks—Marion Rossi (Akron Garfield), Rex Simonds (B. Breen), Nick Nicholas (Canton Timken).

Left Halfbacks—Paul Shartzer (Napoleon), Joe Miraglia (Chagrin Falls), Jim Workens (Van Dyke, Mich.), Moxley (Columbus Linden-Mckinley).

Right halfbacks—Dick Pont (Canton Timkin), Dan Hudak (Cleveland Rhodes), Herb Bruick (Ft. Wayne North), Bob Stone (Reading, Mich.), Richard Ziegler (Mansfield).

Fullbacks—Art Miller (B. Green), Vern Robilliard (Van Dyke, Mich.), Norb Cowan (Ft. Wayne North), Ted Burns (Cleveland East Tech).

THE ATHLETIC PROGRAM

Football is one of nine sports in which Bowling Green teams participate on an intercollegiate basis. The basketball team, under the direction of Harold Anderson, is one of the nation's leading college quintets, participating in four of the last five National Invitational tournaments in New York. They will play a rugged 26-game slate this winter, featuring a game with the University of Kentucky at Cleveland.

The swimming team, coached by Sam Cooper, won the all-Ohio college invitational meet for the past two years besides racking up a fine dual meet record. Michigan State is always one of the stalwarts on the tank slate.

Wrestling returned to the program last year after a wartime layoff. With this experience, Bob Leiman will be out to give Kent, Waynesburg, Western Reserve and Marshall some fine competition.

Dave Matthews has been the cross country coach this fall. In his second year he is busy building a squad which with experience will become a strong midwest contender. The harriers compete in the national intercollegiate and national A.A.U. meets besides a number of dual contests.

In spring a four sport program keeps things busy on the courts, cinders, diamonds and links. The baseball team under Warren Steller’s guidance plays about 15 games with such foes as Western Michigan, Wayne, Ohio Wesleyan and Toledo.

Bob Whittaker had one of his best track teams last spring, going undefeated in eight dual meets and finishing third in the Ohio college meet behind powerful Baldwin-Wallace and Miami.

Fred Marsh handles the golfers who played to a six win-five loss season and took part in the Ohio Intercollegiate tourney.

After a year’s absence Clyde Parker will be back to coach the tennis squad. Powerful Wayne and Michigan State were among the opposition last spring as the netmen hung up six wins in ten matches.

280 South Main Street Bowling Green, Ohio
Bowling Green was one of the first universities in the nation to adopt the use of the “Grid-Eye,” a true precise instrument designed to determine the location of the ball with split-hair accuracy.

It speeds play because it is now unnecessary to carry the chain out onto the field to measure a first down. It is done through the power scope which is as accurate as a surveyor’s transit.

The “Grid-Eye” is not complicated to understand. There is a vertical hair-line in the forward lens of the instrument which is mounted on the top of “the box,” a stick indicating the downs. Within the instrument there is a precision mirror which sights straight down the sidelines (not across the field).

When the image of the sideline stripe appears straight up and down in the mirror and is centered upon the vertical hair-line in the front lens of the instrument, the “Grid-Eye” then is sighted at a perfect right angle to the sideline and straight across the field.

On sighting for a “first down” then, if the tip of the ball or any part of it touches the hairline sight within the scope, it is a first down.

With this instrument the ball may be placed with absolute accuracy when brought back to the spot of a previous down, upon an incompletely pass or for any other reason, the referee being told by the official on the “Grid-Eye” where to place the ball within five seconds.

It also enables the men carrying the chain to locate the spot of the first down in an exchange of the ball with unfailing accuracy, answering those critics who ridicule the idea of being so hair-line in having the chain brought out for measurement of the yardage gained to see if a first down has been gained when the chain probably was spotted from six inches to a foot or more away from the true spot of the ball when the team first got the pigskin several plays earlier.

With this instrument, the “Grid-Eye,” it would be unnecessary to have lines across the field at five yard intervals. At their best these lines, as laid out by use of lime, are bound to be inaccurate because of their width. The “Grid-Eye” measures to the fraction of an inch.

The “box,” indicates the downs in four colors, i.e. green for 1st down, white for 2nd down, yellow for 3rd down and red for 4th down.
