The people of Bowling Green and the vicinity were very fortunate in having the opportunity of hearing the men from the old and renowned University of Cambridge, England.

The opportunity was one which does not knock at our doors very often.

The debate clearly showed the difference between the two forms of education, that of the cultural, and that of training for money making. We cannot say too much in praise of the eloquence of manner and speech which was shown by our English friends.

Debating on an American platform for the first time, they showed themselves fully at home, and soon won the admiration of the audience by their keen remarks and wit. The Englishmen showed a polish in speaking which is only gained by long practice and experience.

We cannot say the debate was a one sided affair. The Bowling Green team also did excellent work. We were de-

feated but that does not tell the whole story. The decision was given by a house vote and when all had voted the English team had reaped fourteen votes more than the Bowling Green team.

It is very seldom that the Chapel Hall is filled with people as it was on this occasion. Long before time for beginning every seat in the house was sold and extra chairs and standing room were at a premium.

The question debated was, "That This House Pities Its Grandchildren."

The Cambridge men had the affirmative and their argument was based upon the advancement of the "Yellow Peril." Bowling Green on the negative showed that posterity's interests would be secure because of the efforts of science, politics and a spread of culture.

The affirmative team was composed of Geoffrey Lloyd, Michael Ramsey and Patrick Devlin.

The negative team was composed of E. G. Baxter, Robert Wyandt and G. M. Wilson.

ALL KINDS OF CLOTHING FOR THE COLLEGE MAN.
Freshman Day!!

The Freshmen certainly earned their right to become members of Bee Gee College this year. But they served their apprenticeship very cheerfully, and we didn't hear of any casualties.

On freshman day the girls all appeared in dresses approaching eight inches from the floor. Primness! Modesty! And someone told them to leave their complexions in the box, and they did it! The main weapons of the hall gang all day, were rulers and measuring tapes. General Peanuts led the gang with a three foot rule.

The freshmen boys proclaimed their station by signs suspended by green ribbon. They all packed their books around in suit cases or traveling bags. There was plenty of room for their heads too, so for once they didn't lose them. We were a little alarmed at first. We thought our freshmen were leaving us.

Each upper classman was greeted with a gentle bow, at all places on the campus. The days of galantry have come back! Who says young folks have lost their manners? They showed their courtesy even further. They were afraid of congestion of the traffic at the front doors, so they kindly used the side doors all week. Considerate people!

One freshman was a wee bit timid and walked three blocks out of the way to school because he saw Bill Ogden standing on the next corner will a pad-

Did I give the impression that our new Freshmen were timid? Not a bit of it! Ask the Sophomores who took part in the battle royal at Shatzel.

Three weeks apprenticeship, but they've made a flying start.

Rev. Wilson (To Thelma): "Gather the news from Eleanor's weekends. Use your own judgment as to which weekend."

Helen (chiming in): "Well, her feet can't be her week-end, because they're strong enough to stand alone."

Chapel Exercises

The students have been spending their time very profitably from ten till eleven Tuesday mornings. The chapel programs for the first month have been very interesting.

September 15
After the usual opening exercises Pres. Williams gave an address of welcome to the student-body. In this talk he gave much worth while advice, which should prove profitable to both Freshmen and upper classmen.

September 22
Rev. Vorhis, the new M. E. minister, gave a very inspirational address to the students.

September 29
Pres. Williams spoke on the subject, "What We Owe Our College." He stressed scholarship, fellowship and leadership as being the three high spots in college life. Miss Helen Urschel sang several solos.

October 6
Rev. Gilbert, pastor of the Presbyterian church gave an interesting address to the student-body.

October 13
The Y. M. C. A. had charge of the program. Carl Brown had charge of the devotionals. Hayden Olds gave a very interesting and informational talk on "The Y. M. C. A. as a Great Social Institution." Oscar Hunter gave an enlightening discussion on "The Moral and Religious Principles of the Y. M. C. A."

Prof. Schwarz in his interesting way spoke of "The Character and Ideals of the Men Who Support The Y. M. C. A."

The session was closed by a short pep meeting with cheers for our football captain and our hero of Saturday's game. All the students left the session with renewed loyalty for their Alma Mater.

Do you know why every Sophomore fellow parks his hair in the middle? No, why?

Because every block must have an alley.
Loyalty

A well balanced program is needed for a well balanced college course. The truth of this has become so well recognized that certain subjects are required that all students may have a solid foundation for the storms and stress of modern life.

This truth may also be applied to the social life of the student. We may, if allowed to choose, form organizations to our individual liking. This would be merely allowing selfishness to predominate. We should not be bound by one organization to the exclusion of all others, neither should we be pledged to so many that we would be of no value to any. We should, rather, have a careful planning for a well-balanced social program as we have for our curriculum. We owe this to our future.

There is also a danger of becoming so entangled with our various societies that our studies suffer.

We ought never allow any social obligations interfere with our attendance of class meetings. Our classes are organizations for which the only qualification is to have advanced in our studies. They should be democratic in every way that all the members will feel welcome and become interested. When the spirit of the class is at low ebb, college spirit suffers.

We should never allow self-interest to interfere in the greater obligation, that of supporting our Alma Mater in all phases of activity, whether they be athletic or other contests, or whether it be in establishing a reputation for her, through the lives which we live.

Band

"Blow ye, wild and wintry winds" don't have a thing on us. We mean the college band. Dr. Powell's organization is stepping in high. With sixteen of last year's puffers back we aim to blow ourselves up and finally float to the sky.

Now seriously we need more men. There are a few slackers in our midst who might spare us an hour a week. Say fellows kinda quit kidding the folks and bring your old sax or bag pipe and tune in with us. The static is bad occasionally but we do our best.

A. B. C. Club

At the A. B. C. election the first of the year the following officers were elected:

President—Esther March.
Vice-President—Jean Sherer.
Sec'y—Treas.—Mary Lawrence.
Cheer Leader—Helen Whipple.

The A. B. C. or the Athletic Booster Club, is organized each year to support our athletics. It's aim is to put pep and spirit into the games and to aid in any way it can.

The membership fee is ten cents. Every girl in the college should be a member of this organization. Any of those, who have not availed themselves of the opportunity to do so, see one of the officers at once. Be a booster for your Alma Mater.
We Hail You, Dear Normal College

ERNEST HESSER

We hail you dear Normal College
Ohio's great seat of knowledge.
O cheer then dear brother
Sing then dear sisters,
Buck-eyes from this grand state, Rah! Rah!
We raise high the flag of victory,
Your fame is the whole world o'er, Rah! Rah!
So shouting defiance,
We have reliance, winning a great big score. Rah! Rah!

Refrain
Dear Alma Mater staunch and true
We pledge our heart and hand for you
Our loyalty to you we're deeding,
And here's to you always leading
Dear Alma Mater staunch and true
We pledge our heart and hand for you
No other school so grand has e'er been seen as,
Normal College Bowling Green.

We honor you Alma Mater,
We love you dear Alma Mater.
We wave high our banner
You'r the commander,
Orange and Brown float high, Rah! Rah!
Our team is the greatest ever,
Just see them break up that line, Rah! Rah!
A touch-down we're making,
Their men are shaking,
Orange and Brown float high. Rah! Rah!

Every nation has its national song in which are usually expressed praise and loyalty to its ideals and principles. Not only do nations have their songs but other organizations as well, among them schools and colleges.

The above is our College song. It is suggested that this copy of the B. G. News be preserved, if for no other reason than that the words of our song may be in the hands of every student of the college. Bring it along to future meetings in which the song is to be sung, then you will be able to participate in the singing. Memorize it.
Foot Ball

Otterbein vs. B. G. N. C. 0-0

Bowling Green College opened its '25 football season against Otterbein at Westerville, Ohio, October third. Otterbein is an Ohio conference team of the average calibre in that group. It is one of the few Ohio Conference schools that B. G. has met in football and the only one she ever tied, having in previous years been beaten by Ohio Northern and Heidelberg. The next thing is to score a win and that can't be very distant judging from our team's improvement from year to year.

Probably outweighing the home team was the one advantage B. G. held in the game. Playing away from home, on a muddy field, and expected to be beaten by all except B. G. loyalists, the team started things with a rush putting Otterbein on the defensive, without a doubt, during the first half. The second half B. G. still held its own but was not quite as aggressive. Both teams threatened to score once. The B. G. team when Bachman attempted a drop kick and the Tan and Cardinal on a pass which was carried over the line but called back on account of a misplay on the part of the down Stater's passer.

Altho a tie is not a win it certainly is a moral victory for our school to tie an Ohio Conference team. Keeping in mind that we play a team from the same school next year and in B. G. at that, lets all make it our aim to get a clean cut victory, the first for a B. G. football team over an Ohio Conference eleven.

Home Economics Club

The name itself—Home Economics Club—suggests something as to the meaning of the organization. Its purpose is to study the broadest phases of Home Economics which cannot be incorporated in the Home Economics courses. It is the aim of the club to raise the standards of its members so that they can make home life as ideal as possible.

Y. M. C. A. Meetings
The "Y" men met on Monday evening of the second week of school. Twenty-five enthusiastic men listened to reports of the Lake Geneva Conference. Hayden Olds reported on the 1924 conference and Ray Troutner on the 1925. It was interesting to know that twenty-five nationalities were represented at the 1925 conference.

Monday evening, October 5, the Y men met again. Prof. Schwarz was the speaker of the evening. His theme was "The Historical Setting of Jesus' Life." After the talk a round table discussion was enjoyed by all.

The "Y" invites all men to attend their meetings at all times.

Y. W. C. A.
The Y. W. C. A. has grown rapidly from a small group of girls meeting for Bible study classes on Sunday afternoon to an organization of about one hundred girls meeting one evening a week to discuss problems of vital importance to college life. The officers elected at the close of last year made plans during the summer and began their work early.

The first meeting on September 24 was a decided success. Miss Shaw, the faculty advisor, and Esther Marlnee, the president, gave talks to interest the girls in Y work. A constitution committee with Bernice Williams as chairman was chosen. The constitution will soon be ready to be presented to the society. At the close of the meeting one hundred and seventeen girls signed pledges stating their willingness to become members.

At the meeting on October 1, the topic "Good Times" was discussed. Ellura Cook was leader. Interesting talks were given by Gladys Kelly, Edith McGee, Grace Tressel and Helen Thompson.

The topic for October 8 was "College Debts." An interesting discussion was lead by Helen Thompson. Talks were given by Edna Kalt, Elinore Stutz, Pearl Gray and Marjorie Chapman. Helen Kurtz played several piano solos. The devotionals were lead by Laura Stevenson.

"People's Actions" was the topic for October 15. Lillian Benson, the leader, presented a very novel discussion. Virginia Wayman led the devotionals. Special music by Donna Van Camp was much enjoyed.

All the meetings so far have been very profitable and interesting. The organization has great expectations for the future. All girls of the college are cordially invited to join.

"Get Wise" Party
One of the cleverest affairs of the college year is the "Get Wise" Party which is held annually, soon after the opening of school, by the upper class girls. This year it took place in the auditorium on September 23rd. At four o'clock, the Dean of Women, Mrs. Sharp, gave an instructive little talk to all the Freshmen girls. After this the upper class girls put on a clever little playlet of the trials and tribulations of a little country girl in her first days at college. Jean Sherer, as the little Freshie, made quite a hit, as she stumbled into the train with all her bundles, and later made her appearance at dinner and the reception. The other members of the class cast were: Senior girl, Olive Havens; Dignified Senior, "Foot Bailer" Eleanor Stutz; Freshies, Esther March, Helen Whipple, Thelma Ritchie; Train Caller, Betsy Belle Brown; Upper class girls, Olive Bowersox, Marjorie Chapman; Boys, Mildred Whisler, May Leon-

Country Life Club
The Country Life Club held its first meeting September 29. After delivering a short address, Professor Beattie acted as temporary chairman. The first part of the meeting was devoted to songs and the election of officers. The auditorium was filled with unusual enthusiasm as nominations were made.
The officers elected follows:
President—Robert Younkin
Vice-President—Marie Dock
Sec'y-Treas.--Hayden Olds
Chairman of Program Committee--Esther March
Chairman of Social Hour--Jean Sherer
The rest of the hour was devoted to extemporaneous speeches by each of the new officers.
After the completion of the program all gathered in the gymnasium to get acquainted and to take part in games and dancing.

The Country Life Club met October 13. The meeting was opened by the singing of our “Alma Mater” and numerous other selections. Before the program two more officers were elected.
The results were:
Sadie Bell Clements—Pianist
Helen Whipple—chorister
After the reading of the minutes by Mr. Olds, the club was entertained by a splendid program. Our president, Mr. Younkin, made his second appearance before the group by delivering a talk on the value of country life. A number of piano selections by Miss Kurtz and clever readings by Miss Zindler also furnished entertainment for the evening.
Following the usual program hour all gathered in the gymnasium where games and stunts were enjoyed by all. The Country Life Club closed its meeting by an invitation to all to be present at the next meeting.

The College Gymnasium was the scene of a very informal party which was held Saturday night, October 10. All students were invited to this affair, at which dancing was the chief diversion. Punch was served during the evening.
The faculty guests at this gathering were Mrs. Sharp, Dr. and Mrs. Clare Martin, Prof. and Mrs. Crowley, and Martin, and Prof. and Mrs. Crowley.
Music was furnished by Leo Lake’s Orchestra.

Five Brothers
The Five Brothers Fraternity takes great pleasure in announcing the pledging of Hayden Olds, Bowling Green; Francis Roach, and Floyd Chase of Potsdam, N. Y.; Horace Pelton, Bloomdale; Wilford Gahn, Fremont; Arthur Brand, of Haskins, and James Constable of Morenci, Mich.
The officers of the active chapter of the Five Brothers fraternity for the year 1925-26 are: Jonathan Ladd, Olde Skull; Harry Crawford, Vice Skull; Edward Fries, Scribe, and Harry Frankfather, Miser.
Peanuts: “I just can’t adjust my curriculum.”
Jean: “Never mind, it doesn’t show.”

Women's League

In various colleges both co-educational and women's colleges, women's leagues have been organized to include and superintend the activities of its members. It is a form of student government, giving to each and every girl, a share, and responsibility in, student control of affairs. It is in fact a means through which students may express themselves; an organization in which they may learn self-control, cooperation and the value of responsibility to one another.

Our organization in this college has had very good cooperation from its members but it should receive more. On the day of the election of our vice president a lack of feeling of responsibility was shown as too few of the girls voted. Girls, did you do your duty? We have a League of the Women, and for the women, let us have one by the women.

The League this year has taken care of the Big Sister Movement, has given a Get wise Party for its new members, the freshmen girls, and has arranged marshmallow roasts and hikes for the girls. It secured Professor Carmichael of the English department to give a talk to the student-body on "The Worth of a Soul," which was a very interesting and instructive lecture. It will further other projects for good times as far as it is able.

The officers of the League are as follows:
President—Edith McGee.
Vice-President—June Beverstock.
Secretary—Olive Bowersox.
Treasurer—Grace Tressel.

The Skol

The first meeting of the Skol Sorority was held on Wednesday, September 16, at the home of Helen Whipple. The first part of the evening was spent in renewing friendships after which the regular business meeting took place. Then the social hour was enjoyed, refreshments being served by the hostess, assisted by Jean Sherer. The officers of the sorority for the ensuing year are:
President—Jean Sherer.
Vice President—Onnolee Hipp.
Secretary—Helen Whipple.
Corresponding Sec'y—Helen Thompson.
Treasurer—Dorothy Bachman.
Chancellor—Laura McMaster.

The second meeting of the Skol Sorority was held at the home of Mrs. A. W. Russell on Wednesday, October 7th. After a long business session the social hour was enjoyed, refreshments being served by the Misses Thompson, Stutz and Hipp.

What Would Happen If

The benches in the main hall were removed?
Posty would slip?
The bleachers were dusted off?
All the girls in college had a date?
Pork got a divorce from Beans?
Six weeks grades were final?
Notebooks never taken without a weeks notice?
Jay Bone should desert the football team?
Peanuts got cracked?

The second meeting of the Skol Sorority was held at the home of Mrs. A. W. Russell on Wednesday, October 7th. After a long business session the social hour was enjoyed, refreshments being served by the Misses Thompson, Stutz and Hipp.

Onnolee (to her class in practice teaching): "What are pauses?"
H. S. Student: "They grow on cats."

Hint To Freshmen

T’is better to be silent and be thought a fool, than to speak and remove all doubts.

Bee: “Say, you can’t smoke. You’re not eighteen yet.”
Gee: “Who’s smoking?”
Bee: “Well you’ve got your pipe in your mouth.”
Gee: “Yes, you’ve got your pants on, but you’re not panting.”

Helen Red: “When I sing I get tears in my eyes. What can I do for this?”
Bob Wyandt: “Stuff cotton in your ears.”

And we just laughed, ‘n’ laughed, ’n’ laughed, because we know that these are all the bunk.

CAMPUS SCANDALS

We have just heard that two of our fair number have been raised on a farm. It must have been on a monkey farm. How about it, Peanuts and Jean?

The class in Hallogy have noted the absence of several members prominent in it last year. What can be the matter? (We earnestly request that the matter be looked into.)

Moreover, we have noticed that some former ferocious manhaters have turned into quite docile followers of the fold.

Get busy! All organizations are now electing officers. Do not be the last one, Hall Gang!

The Library seems to have added one more to its corp of workmen—that of Janitor, at least Jay was seen burdened with the necessary implements.

The Quill Type

The club met for the first time this year in Mr. Knepper’s room on the afternoon of September 28.

The purpose of this meeting was the election of officers. The following officers were elected:
Miss Brentlinger—President.
Miss Shively—Vice-President.
Miss Moore—Sec-y-Treas.
Mr. Rider—Chairman of the Program Committee.

The next meeting was held on the evening of September 30. It was a weiner and marshmallow roast held for the purpose of a get-together meeting of the returned Quill-Type members. A very enjoyable evening was spent by all.

On the evening of October 7, the next regular meeting was held. Mr. Knepper gave a talk on the purposes and benefits to be derived from membership in the Quill-Type. Miss Fitzgerald told us where all of the former members of the club are now located. Mr. Finkenbiner gave a very interesting report of his trip to Camp Knox, Kentucky last summer with the National Guard.
