At a recent organizational meeting of administrative and managerial staff, the following motion was passed unanimously:

Recognizing the need to establish a representative group to serve as an advocate of contract staff interests and concerns, [we] move that an ad hoc committee be established to explore and propose an ongoing organizational structure through which this purpose can be fulfilled.

Consequently, this ballot is being distributed. Please note the following:

1. The names of people who declined their nominations do not appear on the ballot.

2. Ballots are due back by July 7, Wednesday. They should be returned to Becky Moomber, 110 Administration Building.

3. A general meeting to introduce the steering committee you have elected will be held July 15, Thursday, 4:00 - 5:00 p.m. in Room 200, Moseley Hall.

Assumptions behind plan:

A. Each area should have some change each year

B. Continuity is valued, therefore 2+ years also have a priority

Determination of Terms:

A. Most votes = longest term, e.g., 3,3,3,2,2,2,1,1,1 in Student Affairs

B. By lot = everybody elected has equal chance

C. Vote for candidate + term of office = weighted scores resulting in system of points like "most votes" option

*There are several options here:*

1. leave seat vacant if no one wishes to sit on council, someone may want to next year

2. arbitrarily decide on length of term

3. ask people in area to decide on length of term they want; separate issue on their ballot only, or call a meeting of people in area (n = 6)
INSTRUCTIONS FOR ELECTION BALLOT
ADMINISTRATIVE STAFF COUNCIL

The election ballot for administrative staff council is enclosed. For this election you are asked to vote within your own area only. The ballot includes the names of all people who were nominated and who agreed to have their names listed.

According to the Charter approved by the administrative staff membership, each area will be represented on the Council by ten percent of the total staff members in that area. The Charter states that members will serve three year terms with one-third being elected each year. For this initial election it was necessary, therefore, to establish a procedure to accommodate terms of three years, two years, and one year. The Steering Committee has devised the following plan to assure equal distribution of terms of office.

Candidates receiving the highest number of votes in the area will be elected for three years, those receiving the next highest number of votes for two years, etc. In case of a tie, the term of office will be decided by drawing lots.

PLEASE RETURN THE BALLOT TO JOE MARTINI, OFFICE OF THE BURSAR, BY MONDAY, DECEMBER 6.

RE: Nomination Ballot for the Administrative Staff Council

Ballots to nominate individuals to stand for election to the Administrative Staff Council are enclosed. The ballots are divided into organizational areas, which reflect the organizational chart as presented to the Board of Trustees in July. The number of nominations is based on a 10% representation by area as stipulated in the Administrative Staff Charter.

On the enclosed nomination ballots, you may nominate individuals from all areas of the University. Then, once the listing of nominees is returned, an election ballot will be prepared and mailed on November 22 to elect members to the Administrative Staff Council. On this election ballot, you will vote only for Council members within your own area.

The following dates have been set by the Steering Committee for the nomination and election process:

Notes from Meeting of Election Committee  
January 20, 1984  

Present: Terry Appolonia, Tom Glick, Jan ScottBey, Norma Stickler

Agreement was reached on timetable for the election procedures. Nomination ballots will be sent out to vice presidential/presidential areas by January 27.

Allocation of ASC representatives by areas was reviewed and agreement was reached on a ten percent distribution of representatives to each area. Listing of staff included those approved by the Board of Trustees as of the January Trustees meeting. An additional representative was allocated when the area's total was 5 or more beyond the strict 10% figure. (e.g., an area having 32 staff would have 3 representatives; an area with 36 staff would have 4 representatives).

Those staff who are filling out partial one-year terms for people who resigned are eligible for re-election.

The President's Area was reallocated to include Intercollegiate Athletics, which results in five representatives instead of one. It was agreed that Jan ScottBey's term be extended to 1986 because at the time of her election to ASC, there were fewer than 10 people in the President's Area and the term was therefore limited to one year. The four additional people to be elected in the President's area will have three year terms, expiring in 1987.

It was agreed that all part-time employees who are on contract as of January 1984 will be eligible to vote and be nominated for office.

MEMORANDUM

TO: Administrative Staff Members

FROM: Norma Stickley
Secretary of Administrative Staff Council

The Administrative Staff Council has been asked to conduct elections for two committees--the Equal Opportunity Committee and the Long Range Planning Committee. With this memorandum, the Executive Committee is asking each of you to indicate if you would be interested in being on the ballot for either of the above committees. Background information on the two committees is enclosed.

In addition, we would like to establish a listing of interests you might have in service on other committees. The Executive Committee is occasionally asked to make appointments to committees, and such a listing would facilitate this process.

Please return the enclosed form by September 12.
ADMINISTRATIVE STAFF COUNCIL ELECTION

Elections have been completed for Administrative Staff Council for the 1984-85 year, and the membership is as listed below. You are now asked to vote for Administrative Staff Council officers--chair-elect and secretary--and for one representative from your vice presidential/presidential area to serve on the Executive Committee. The representatives to the Executive Committee are chosen by the entire administrative staff from the membership of the Administrative Staff Council. The staff members listed on the ballot are those who have agreed to be considered as candidates.

Also attached are ballots for University Committees. The staff members listed as candidates are those who submitted a form indicating their interest in serving on the committee.

Please fold and staple the ballot and return by Thursday, April 26.

Notes from Meeting of Election Committee
January 20, 1984

Present: Terry Appolonia, Tom Glick, Jan ScottBey, Norma Stickler

Agreement was reached on timetable for the election procedures. Nomination ballots will be sent out by vice presidential/presidential areas by January 27.

Allocation of ASC representatives by areas was reviewed and agreement was reached on a ten percent distribution of representatives to each area. Listing of staff included those approved by the Board of Trustees as of the January Trustees meeting. An additional representative was allocated when the area's total was 5 or more beyond the strict 10% figure. (e.g., an area having 32 staff would have 3 representatives; an area with 36 staff would have 4 representatives).

Those staff who are filling out partial one-year terms for people who resigned are eligible for re-election.

The President's Area was reallocated to include Intercollegiate Athletics, which results in five representatives instead of one. It was agreed that Jan ScottBey's term be extended to 1986 because at the time of her election to ASC, there were fewer than 10 people in the President's Area and the term was therefore limited to one year. The four additional people to be elected in the President's area will have three year terms, expiring in 1987.

It was agreed that all part-time employees who are on contract as of January 1984 will be eligible to vote and be nominated for office.
ADMINISTRATIVE STAFF COUNCIL ELECTION

Elections have been completed for Administrative Staff Council for the 1984-85 year, and the membership is as listed below. The staff members listed on the ballot are those who have agreed to be considered as candidates.

Also attached are ballots for University Committees. The staff members listed as candidates are those who submitted a form indicating their interest in serving on the committee.

INSTRUCTIONS FOR ELECTION BALLOT
ADMINISTRATIVE STAFF COUNCIL

The election ballot for administrative staff council is enclosed. For this election you are asked to vote within your own area only. The ballot includes the names of all people who were nominated and who agreed to have their names listed.

According to the Charter approved by the administrative staff membership, each area will be represented on the Council by ten percent of the total staff members in that area. The Charter states that members will serve three year terms with one-third being elected each year. For this initial election it was necessary, therefore, to establish a procedure to accommodate terms of three years, two years, and one year. The Steering Committee has devised the following plan to assure equal distribution of terms of office.

<thead>

MEMORANDUM

TO: Administrative Staff Members

FROM: Greg Jordan
Secretary of Administrative Staff Council

RE: Nomination Ballot for 1990-91 Elections

DATE: February 6, 1990

Enclosed are ballots to nominate Administrative Staff Members for membership on the Administrative Staff Council. As indicated in its Charter, the Administrative Staff Council represents administrative staff members by promoting their general welfare, seeking professional development opportunities, maintaining communication among staff members, and reviewing, initiating, and making recommendations on institutional policies. The Council meets from 1:30 to 3:00 pm on the first Thursday of each month. Attendance at ASC meetings is very important to the overall success of the representative council. If it is difficult to attend, administrative staff should withdraw from nomination. In addition, council members are asked to serve on council committees. Council members are elected for three year terms.

Please note the directions at the top of the ballot. The ballot consists of names of eligible staff members in your vice presidential area. When your nominations have been returned and tabulated, an election ballot will be prepared on which you will again be voting only for staff members in your area. The number of seats on the council is calculated at ten percent of the Administrative Staff in the area.

Also enclosed is a form on which you are asked to indicate if you would not be willing to have your name on the final election ballot if you are nominated. This form also seeks an indication of your interest in having your name on the ballot for various university committees.

Please return your nomination ballot and the committee interest form to Greg Jordan, Ice Arena, by March 1, 1990.

Soon after that date, you will receive a nomination form for those people in your vice presidential area who are willing to serve on ASC, followed by an election ballot on which you again will be voting only for staff members in your area. TO: Administrative Staff Members

FROM: Gail McRoberts
Secretary, Administrative Staff Council

SUBJECT: Nomination Ballot for 1996-97 Elections

Enclosed you will find a ballot to nominate administrative staff members for election to the Administrative Staff Council (ASC). In accordance with its Charter, ASC represents administrative staff members by promoting their general welfare, seeking professional development opportunities, maintaining communication among staff members, and reviewing, initiating, and making recommendations on institutional policies. ASC meets from 1:30 to 3:00 p.m. on the first Thursday of each month. In addition, Council members are appointed to serve on committees of the Council. ASC members are elected to serve three year terms.

Please note the directions at the top of the enclosed Nomination Ballot. The ballot consists of names of administrative staff members in your vice-presidential area. When your nominations have been returned and tabulated, an election ballot will be prepared on which you will again vote only for staff members in your area. The number of seats on the Council is determined by the number of persons in each vice-presidential area, at a representation rate of ten percent.

Following is a review of the apportionment of administrative staff for next year and the number of representatives to be elected in each area as assessed by the ASC Executive Committee.

FROM: Ann Bowers

RE: Ad Hoc Internal Affairs Committee

First, thanks so much for volunteering to be a part of this new ASC Committee. And a special thanks to Amy O'Donnell for agreeing to serve as chair. Listed below is the committee's charge; the first section of the charge, if possible, I would like to see in place by this summer, the rest will be to you to work on at your convenience. Please do not feel committed to dealing only with the points raised in this charge. I see this ad hoc committee continuing to meet for the next couple of years and more than likely becoming a permanent committee of ASC.

Please let me know if I can be of any assistance and thanks again.

INTERNAL AFFAIRS AD HOC COMMITTEE

This ad hoc committee will report to the ASC Executive Committees. Its responsibilities include but are not limited to:

Develop an orientation program/packet for new employees about ASC and for new ASC members; write a brief history of ASC and make this a part of the orientation packet.

Study the awards for administrative staff, discuss the potential of new awards and/or better recognition of awards presented.

RE: Proposed Amendment to the Bylaws - (Additions are in bold type)

Article 1: Meetings

Section 1: Regular Council Meetings

The executive committee will determine which issues are minor and which are major. Minor issues may be read and voted on at the meeting. Major issues will have two readings. At the first reading the council may ask questions in order to clarify any part of the proposal and the proposal may be debated, refined and/or amended. At the second reading there may be discussion and debate. If the proposal is amended, the chair will determine if the change is significant enough to warrant additional review by constituents. A vote may not be taken before the second reading.

A vote on a major issue may be taken without a second reading if there is a motion to suspend the Bylaws. The motion must be approved by a two-thirds majority of the full Council.

Section 5: Alternates at ASC Meetings

Alternates [may] will be designated by an Administrative Staff Council member who finds that attendance at an Administrative Staff Council meeting is not possible. Alternates must be chosen from the vice presidential or presidential area represented by the council member and must be identified to the Administrative Staff Council chair prior to the beginning of the meeting. An alternate so chosen and so identified may participate in discussion, initiate motions and vote on all issues, save those involving amendment to the charter or by-laws. [Alternates may replace any single council member no more than three times in one year.] (delete)

SUBJ: Attendance Policy for Administrative Staff Council Meetings

As Secretary of Administrative Staff Council, it is my responsibility to call to your attention Article I, section 6 of the ASC Bylaws:

Each Administrative Staff Council member must select a designated alternate who may substitute for the said ASC member. If the designated alternate is unable to attend, another member from the appropriate vice-presidential or presidential area should be chosen. An ASC member who is absent in excess of these 3 regular meetings shall be designated by the Executive Committee as absentee.

After the absentee Administrative Staff Council member has been notified by the Secretary of his/her designation as absentee, his or her name shall be placed before members of the Executive Committee at any regular meeting. At that time, a vote of two-thirds of those present shall be sufficient to remove the absentee ASC member from office.

According to my records, you have been absent four times this year. The Executive Committee feels that it is very important for those individuals who have been elected to attend and actively participate in Council business in order to be able to report back to and give input to their constituents.

Please contact me if my records are in error or you wish to discuss this further.

The Administrative Staff Council Executive Committee discussed the attendance policy and your response to the communication you received. Since you have indicated a willingness to continue as an Administrative Staff Council representative, the committee would like you to do so.

The Executive Committee encourages you to attend the remaining meetings. Attendance is very important for two reasons. Representatives are elected to represent concerns and provide input from constituents as well as to convey issues to them. It is hoped that reps have frequent contact with their constituents and that the ASC meetings serve as a forum to gain information for constituents and to fairly represent them. Attendance is also important in terms of having a quorum for voting on issues.

An ASC member who is absent in excess of these 3 regular meetings shall be designated by the Executive Committee as absentee.

After the absentee Administrative Staff Council member has been notified by the Secretary of his/her designation as absentee, his or her name shall be placed before members of the Executive Committee at any regular meeting. At that time, a vote of two-thirds of those present shall be sufficient to remove the absentee ASC member from office.

According to my records, you have been absent four times this year. The Executive Committee feels that it is very important for those individuals who have been elected to attend and actively participate in Council business in order to be able to report back to and give input to their constituents.

Please contact me if my records are in error or you wish to discuss this further.

MEMORANDUM

TO: Colby Blair  
Athletic Department

FROM: Mary Lynn Pozniak, Secretary  
Administrative Staff Council

SUBJ: Administrative Staff Council Meeting attendance

The Administrative Staff Council Executive Committee discussed the attendance policy and your response to the communication you received. Since you have indicated a willingness to continue as an Administrative Staff Council representative, the committee would like you to do so.

The Executive Committee encourages you to attend the remaining meetings. Attendance is very important for two reasons. Representatives are elected to represent concerns and provide input from constituents as well as to convey issues to them. It is hoped that reps have frequent contact with their constituents and that the ASC meetings serve as a forum to gain information for constituents and to fairly represent them. Attendance is also important in terms of having a quorum for voting on issues.
