Chapel Notes

March 16

Rev. David Dean, pastor of the Presbyterian church of Pemberville, was the speaker of the morning. He gave to the students a very helpful sermon, using the Easter story for his theme.

March 23

At this meeting the student body had the rare opportunity of enjoying a number of musical selections from great masters. The program was prepared by Prof. Tunnicliffe and was given by a number of the music students. The facts of interest given about each number added much to the appreciation. The program was as follows: Vocal solo, Helen Urschel; Piano solo, Esther Lambertus; selection, Miss Loomis, piano, Helen Urschel, voice and Helen Hull, violin; Piano solo, Gwendolyn Beal; Vocal solo, Helen Urschel.

April 5

Professor Knepper, head of the Commercial Department, gave a very interesting and helpful address on “The Investment of Funds.”

April 13

Miss Heston, of the Home Economics Department, gave an address telling of the trip she and Miss Nielsen took to New Orleans during spring vacation. What she had to say was both very interesting and informational. The students of the college are indeed fortunate in hearing such worth while, first hand reports from those who have visited various places of interest.

Alumni News

Remember, Alumni Day, June 9, 1926. The usual Alumni Banquet will be held. Every Alumnus is cordially invited, and urged to be present.

The officers for this year are:
Ralph A. Schaller, president; Esther Russel, vice president; Ivan Lake, secretary-treasurer; Executive committee, Mrs. Ruth Case, Nadine Clevenger and C. C. Stough.

The following Alumni News has been contributed by Miss Amelia Dauer of Toledo.
Frances Meagly - Sandusky, O.
Alice Meagly - Astabula, O.
Alma Spring - Monclova, O.
Vivian Haywood - Point Place, O.
Esther Creulious - Weston, O.
Nora Recker - Lake High School.
Mrs. Mary Davidson - Custar, O.
Kathryn Collins - Jr. Hi. Rossford, O.
Bertha Vermilia - Toledo, O.
Nellie Foote - Toledo, O.
Florence Grugrich - Toledo, O.
Ethel Grurich - Toledo, O.
Nellie Russel - Point Place, O.
Agnes Meurer - Toledo, O.
Mrs. G. Harding - Brandebury, O.
Lucille Webb - Monclova, O.
Grace Heald - Monclova, O.
Fannie Rupp - Monclova, O.
Margaret Holloway - Monclova, O.
Alma Filiere - Custar, O.
Morris Bistline - Blissfield, Mich.

Campus News

The new library building is progressing nicely.
New brass doors have been placed at the entrances of the Administration building, these add greatly to the beauty of the building.
Miss Iscah Belle Dall, '24 of Richwood was numbered among the alumni guests at the Skol Semblie.
Miss Neilsen and Miss Heston enjoyed a trip to New Orleans and other places of interest during the spring vacation.
Miss Shaw, Mary Lawrence and Gladys Kelly were delegates to the Y. W. C. A. convention which was held at Otterbein College.
Esther Brown, '25 was a Bowling Green visitor the week-end of March 20. While here she attended the Skol Semblie.
Ruth Powell, Margaret Bartlett, Dorothy Bachman, Onnolie Hipp and Lucy Veler were among the Bowling Green students who made the Washington trip with Prof. Carmichael.
Debate News

By the time this copy of the News reaches your hands, another series of debates will have been held, a dual debate with Defiance College. On March 23, Bowling Green College participated in a triangular debate with Adrian (Mich) and Bluffton Colleges.

We are extremely happy that our Alma Mater was able to win five of the six points awarded in the two debates in which we were participants, winning 3-0 from Adrian on the home floor, and 2-1 from Bluffton at that place.

The ones who represented Bowling Green at home against Adrian were: Dallas Lawrence, Robert Wyandt, and G. M. Wilson, with Miss Merle Gray acting as alternate. At Bluffton the Affirmative side of the question was upheld by Ray Troutner, Paul Woodring, and Nelson Rozelle, with E. G. Baxter as alternate.

The lineup for the Defiance debate which is to be held April 15, is the same as for the previous debate, except that E. G. Baxter will give the first speech and Ray Troutner will act as alternate. This time the Negative team travels while the Affirmative remains at home to meet the Negative team from Defiance.

We are glad for the success made by the debaters, and that Coach Carmichael is able to turn out such a winning group of people.

Opinions

Smoking by women is alright for those who have healthy tonsils.

Smoking on the campus is well and good as long as you make a smoke screen about you so that your Profs cannot recognize you.

Modern styles are not immodest. No one should know better than those who follow them closely.

If you saw a student cheating in exams and getting away with it, follow his example.

Smoking by women in older days was a common occurrence. It was nothing to see an elderly lady smoking a pipe.

The habit of smoking was not carried on to the same extent with the young people.

Bear in mind that Abe Lincoln placed men on an equal standing and the 17th amendment placed women equal with men. If it is O. K. for men to smoke, it is also O. K. for women to smoke.

"There is so much good in the least of us
And so much bad in the most of us,
That it scarcely becomes any of us
To talk about the rest of us."

If you see a woman smoking, keep quiet, she knows what she is doing.

Smoking by women may be alright just so they don’t spoil that school-girl complexion and smoking won’t do it so quickly as face powder, etc.

Don’t smoke on the campus as you will chase the squirrels away and make the non-smokers in the dorms sneeze or choke, and don’t let certain professors see you.

Modern styles are not immodest but comfortable.

Can You Imagine

Meyers having a date with Miss Long?
Not holding chapel?
Charleston at Soph. prom?
No games played at Country Life?
No classes held due to Spring fever?
No signs in Hall? (Pay your dues)
Posty wearing Chase’s suit?
Thompson not on decorating committee?
No bench back of bulletin board?
Landis with out a good team?
Trountner without his love poems?
No specials to attend shows?
Seats on Williams Hall porch?
Hipp taller than Red?
No Class in Hallogy?
McDaniels pronouncing Hybrid correctly?
Geo. Wilson speechless?
Measell without Rachael?
King without a mustache?
The Bee Gee News expresses its appreciation of the fact that the staff has been able to read the following High School and College papers:

The Witmarsum of Bluffton is an ideal college paper, giving the activities of the college in an entertaining way and showing great loyalty and support of the institution which it represents.

To date the writer has had only one opportunity to read the college paper of Capitol U—and this was an early issue. We hope that the paper has continued and is growing in popularity with the students.

The Toledo Collegian has been received regularly through this school year. Although we cannot agree to all the editor edits, nevertheless we wish to commend him and his paper for stating his views and opinions. In reading the Collegian we feel that it is an instrument of, for, and by the student-body.

Many High Schools are not able to publish a paper but we have received copies from several which show industrious effort to put the local High School on the map.

From Payne High School comes a little two page paper full of pep and enthusiasm for athletics and scholastic standing.

Convoy High School is represented by the Convoy News and Signal which is issued as a weekly community paper. We are glad to know that the old home town had a very successful season in basketball.

Put-in-Bay's paper reads like a good novel. You people surely are strong for dramatics and visiting. Keep up the good work, no criticism on our part.

We dare not leave out the B. G. High's Scarlet Parrott and Polly Cracker. The Parrott is the regular paper.
while the Cracker is a sheet of jokes and cartoons. B. G. is fortunate in having such a cartoonist as Hamlin to keep up the vim and vigor for the editions.

As Ernie Etoll's basket bail team plays so the editor writes. We have had your paper quite often and enjoy reading it. We note with pleasure the success of your football and basketball.

We have left the Libbey Crystal last, not because it is the least but because it is the finest edition of any paper that we have received. We commend highly your cartoonist and the care taken in arranging the paper. We pay you our highest compliments.

Social Calender

- April 16—Freshman Party.
- April 17—Home Economics Party.
- April 24—Men's Hop.
- May 1—Quill Type Party.
- May 8—Five Brothers Dance.

Skol

The Skol Sorority held its regular meeting Tuesday evening April 6, at Shatzel Hall. After a business hour, a pleasant social time was held during which a "hit and miss" supper was enjoyed.

The Skol sorority entertained at their second annual dance on March 20. The gym was decorated in green and white in keeping with St. Patrick's Day. During the evening favors were passed out among the dancers and punch was served from the famous old wishing well. Later, ice cream and cakes were served in small booths under the balcony.

Among the guests of the sorority were Dr. and Mrs. Williams, Prof. and Mrs. Powell, Prof. and Mrs. Reebs, Prof. and Mrs. Landis and Miss Rea McCain. Besides these about forty couples enjoyed the dancing.

Soph: —Yes, I was a Freshman once. I spent some of the happiest years of my life as a Freshman.

A Little Drama

Scene: Dr. Kohl's Sociology Class.
Time: Monday A. M.

Question at Issue: The different ways of teaching blind people to understand spoken words.

The Climax: Dr. Kohl had described two methods, the one where the pupils understand by placing their finger tips on the speaker's throat to determine what is being said. The other where the motion of the lips is the sole way of telling what the speaker is saying.

Evidently George Condit thought that Dr. Kohl was speaking of the former method, for when Dr. Kohl spoke of telling a story to 125 pupils at once, George interrupted, "How could that many children get their hands on your throat at once"?

Women's League

On March 25 the Women's League held an election for new officers. The following were elected to office for the coming year:

Grace Tressel .................. President
Pearl Gray ............ 1st. Vice President
Marie Dock ......... 2nd. Vice President
Estrilla Daniels ............ Secretary
Kathryn Gunn ............ Treasurer

A Statesman in Wonderland

A side-light on history: Lincoln wrote the "Gettysburg Address" while riding from Washington to Gettysburg on an envelop.

Box Office Man—"Hey!" Get in line. What d'ye think that brass rail is for?
"Why I thought it was for people to ketch hold of when they hear the prices."

Teacher—"What rule for punctuation did you learn this morning?"

Pupil—"Every sentence, personal name, and name of God should begin with a caterpillar."

Take advantage of your opportunites. If you had started 200 years ago you could be the world's oldest man now.
Quill Type

The "P" group had charge of the regular meeting of the Quill Type on Tuesday evening April 6.

After the business session the question, Resolved: That hope of reward is a greater incentive than fear of punishment, was debated. The affirmative speakers were Anna Seifert and Paul Crawford. The negative speakers were George Grauer and Minnie Rabish. The judges decision was in favor of the affirmative.

The story of the manufacture of small but indispensable articles was given by the following:

Matches by Iris Hiers, Pens by Bernard Bricker, Pins by Nancy Meyer and pencils by Bernice Schuder.

There is a rumor that the Easter bunny forgot to leave eggs for Jimmy Meyers, did you all notice how thin he appeared Monday.

Five Sisters

The Five Sisters take great pleasure in announcing that the following girls have completed their pledge requirements and are now active members of the society: Betsey Belle Brown '28, Avis Parks '27, Frances Sigenthaler '27, Marian Van Doren '29, Bertha Hayes '27, Gertrude Zeis '26, Gena Dirk '29.

W. A. A.

One of the latest ventures of our Co-Eds is the developing of a Women's Athletic Association. Such an association should do much to put our athletics on a par with those of other colleges.

The organization of the Association is still being formulated by the committee, but it is hoped that the W. A. A. will be in full swing before the academic year is over. So in the future our girls will receive compensation for their work in the physical education departments as well as the boys.

Women may be slaves to fashion. But their burdens are light.

Soph Prom

One of the enjoyable parties of the year was the one which the Sophomores gave Saturday, April 10. The gym was festooned in various shades of rose and gave a very festive appearances. Dancing was enjoyed by about seventy couples, for which the "Commodores" of Port Clinton furnished music.

Katherine Gunn, vice president of the Sophomores was the chairman at large, and her assistants included Agnes Pilliod, Helen Thompson, Alice Slessman and Olice Bowersox.

The patrons and patronesses included Dr. and Mrs. Williams, Prof. and Mrs. Schwarz, Prof. and Mrs. Hissong, Prof. and Mrs. Snow, Mr. and Mrs. Raney.

Y. M. C. A.

On the regular meeting night March 18, 1926 the following new officers were elected for the coming year:

Pres. Hayden Olds.
V. Pres. Ray Troutner.
Recorder, Chester Fast.
Asst. Treasurer, John Dunn.

Faculty Advisors

Prof. John Schwartz.
Prof. E. C. Powell.
Dr. C. C. Kohl.

The members wish the new officers the best of success and all look forward to a good year for the Y. M. C. A. The Y. M. C. A. wishes for a larger attendance at the meetings especially from its members and also extends a welcome to all those interested in the work to come to the meetings.

On Thursday night April 15 the Y. M. C. A. held their regular bi-weekly meeting. The attitude of the students toward college and college life were discussed by three of the members, Oscar Hunter, Chester Cornell and Harold Willman. These discussions brought on an interesting general discussion on the question of "cribbing at exams" which was only stopped by the lack of time, but will be continued at the next meeting.

Come to the next meeting and give us your opinion on this matter.
Y. W. C. A.

Thursday evening March 11, marked the beginning of a new year for the Y. W. C. A. At this time the following officers were installed:

- President—Gladys Kelly.
- Vice President—Ellura Cook.
- Secretary—Helen Brown.
- Treasurer—Kathryn Gunn.

Chairmen of Committees:

- Program—Pearl Gray.
- World Fellowship—Merle Gray.
- Social—Rozella Loesch.
- Social Service—Estrilla Daniels.

The former president—Mary Lawrence conducted the installation service. Miss Shaw in reviewing our past accomplishments and future plans compared our closing year to the first chapter of a book. She said that the work of a year ago resembled the preface.

Miss Kelley in outlining her plans for the new year made us feel that the next chapter will be more interesting than the first.

A social hour followed the meeting.

At a regular meeting of the Y. W. C. A. on March 19th members selected the Misses Gladys Kelley and Mary Lawrence to represent them at the state convention at Westerville.

Miss Esther Marlenee who was among the original group of Y. W. C. A. girls was a visitor at this meeting. She expressed her delight in our growth and progress.

Devotions were lead by Miss Eloise Leathers. The discussion of "Woman's Place in the World" was lead by Miss Helen Hays. Those assisting her with various topics were: Miss Ellura Cook— "Woman's Place in Early History", Miss Edith McGee—"Women in the teaching Profession", and Miss Bernice Williams— "Modern Women."

This discussion was supplemented by a few words from Miss Shaw and Mrs. Kohl.

The first meeting after spring vacation was held April 8. Since the president was attending the convention, Miss Dorothy Weisbrod took charge. The general topic was "Worship." The atmosphere for the discussion was created by a very fitting piano solo by Miss Helen Kurtz. This was followed by scripture readings and prayer by Miss Alice Spengler. An appropriate reading by Merle Gray assisted by Miss Bernice Williams preceded the discussion. The topics were:

- Worship in Music—Bernice Williams.
- Worship in Drama and Pagentry—Edna Kalt.
- Worship in Literature—Ruth Rohrbacker.
- Worship in Prayer—Dorothy Weisbrod.

Is China a Market or a Nation?

The Y. W. C. A. and all others interested in the Chinese problem are invited to attend the World Fellowship meeting and help to solve this question. Watch for further announcements.

Y. W. C. A.

Van Wert, Mercer Co. Club

The Van Wert, Mercer Co. Club is composed of students from these two Counties. We feel as though since we are the only club of this kind organized in our College we should at least appear once in our College paper.

Our Club was organized after our Christmas vacation and consist of the following officers, Pres. Helen Hayes, Vice Pres. Charles Buckles, Sec. and Treasurer Ray Troutner. Faculty Advisor—Miss Myra Stephen.

Every meeting has been a very enjoyable one and we feel sure the outside world would like to know what we are doing.

We have had a fine attendance at our meetings but would enjoy seeing our other friends out. Also we enjoy visitors.

Our meeting on Tuesday April 13, consisted of a business meeting followed by an interesting social program.

The singing of the College Song.
- Vocal Solo—Miss Grace Dull.

Extemporaneous Speeches:
“Why I Came to B. G.”—Miss McDougal.
“My Home Town.”—Miss Johnson.
“My views of Our Organization.”—Mr. Jones.

Many enjoyable games were played. One of the most enjoyable features of the evening was a Debate, won by the Affirmative. “Resolved - Country People have a better times than City People.”

Affirmative—Theron Miller, Erwin Price.
Negative—Ruby M. Riggins, Mary Skinner.

The closing of our meeting ended with the singing of a song composed by the gentlemen of our club.

Now Van Wert, Mercer Co. folks come out and help us do our duty for your Alma Mater.

**Spring Sports**

Following the close of the Basket Ball season athletics suffered a relapse as spring time approached and then passed on the calender, weather conditions still held tight to winter ideals. Base Ball, Track and Tennis fever began to spread until as a final relief the gym was confiscates for the purpose of indoor practice. These temporary conditions had to suffice till favorable weather came.

Since getting outside things have made much better progress. The Base Ball squad enjoyed its first inter squad conflict on Friday 9th. Two groups were selected by the coach who divided the veterans as evenly as possible, the result being two evenly matched teams as the 6-5 result shows. From now on the work will progress still more rapidly as the spirit of the game is in the air. Soon a team will emerge and take upon itself the true polish that becomes a real team.

**Track**

Altho the gym isn’t very suitable for track, lovers of the sport started the season by going thru suitable exercises provided by Coach Landis. In between snow flurries some use was made of the track.

During the last week work has concentrated on getting certain men ready for the coming relays at Columbus. Bee Gee intends to send a group of men to enter the mile run, mile relay and medley relay. Those going will probably be Capt. Odgen, Haltunen, Gahn, Measell and McDaniels. This is the first time that the Orange has entered this athletic event and this progress will be anxiously watched. Bowling Green will enter in the Class B division.

Following is the list of track aspirants and as one can readily see it contains a group of men well known for their ability as well as others able and willing to represent the school. Bowling Green will be far better represented on the track and in the field than ever before. Altho the track men are a little ahead of the field candidates, the strength and energy of that department is becoming more evident every day. As soon as the jumping standards and pits are ready training will begin in earnest.

**Tennis**

As to tennis the interest in this sport seems to be confined within the circle created by the coach and candidates for the team. With the first match a little more than a week away as yet the fellows have not had a practice on an outside court. What little practice that has been obtained was had in the training school gym. Under these conditions little can be expected of the team.

The college now has a group of fine tennis courts but they are all of clay. With weather conditions always as they are in the spring a good thing would be at least one hard surface court of concrete or asphalt. Early spring practice could then be obtained, as it is, with no outside training the team is bound to be found lacking in the early part of the season. The team does not represent its true strength nor does it help make a name in athletics for the college.

The following men have been waiting to practice for a long time.

**Washington D. C. Party**

The B. & O. Station was the scene of greater than for common activity on the evening of March 27th, when a group of people were awaiting the arrival of the special train that was to take them to the Nation's Capital. About 6:45 the long-looking-for train steamed in, and the party was soon aboard. Among the numerous faces to be seen were the following from Bowling Green State Normal College: Lucy and Louis Veler, Onilee Hipp, Dorothy Bachman, Margaret Bartlett, Ruth Powell, Lucille Lynch, Norman Campbell, Hellyne Fredericks, and Ray Troutner, besides the Director, Prof. J. W. Carmichael of the local College. Howard Shadle, a former student of B. G. N. C. was a member of the group. Many Waterville H. S. students, residents of the vicinity of Waterville, and Toledo tourists made up the balance of the party.

After the Pullman assignments had been made, a special d’hote dinner was served on the diner of the train. Following the dinner, our escorts acquainted the members of the party with each other and games of cards or other diversions were enjoyed by the group until 10:00 P. M. (or later)

The party arrived at Harper’s Ferry, W. Va., at 7:10 A. M. Sunday morning. Here breakfast was served at the Hill Top Hotel, the long walk to this place, giving the tourists a devouring appetite. After breakfast the party visited John Brown’s Fort, Jefferson’s Rock, and other points of historic interest.

9:50 A. M. they boarded the same sleepers for Washington D. C., arriving at the Union Depot at just 12:00 noon. This Station was constructed by the Baltimore and Ohio Railroad, the Pennsylvania Railroad, the United States, and the District of Columbia. It is of magnificent proportions, exceeding the Capital in dimensions. The main concourse is the largest room in the world under one roof, being 760 feet long, and large enough to accommodate an army of 50,000

men standing in dress parade.

After the baggage had been taken care of, special autos transferred the party to Franklin Square Hotel, located at 14th and K. Street, N.W. This was the party's home while in Washington.

Lunch was served in the hotel, after which autos called for the party, took the members for a tour of residential Washington, passing the homes of many congressmen, cabinet members, foreign ambassadors, and others of official rank. They also visited Rock Creek, Georgetown Mt. St. Albans, where Woodrow Wilson is buried, Fort Myer, Arlington Cemetery, the Lee House, Confederate Memorial Statue, the mast of the ill-fated Maine, the New Million-Dollar Amphitheatre and the Tomb of the Unknown Soldier, returning via the Naval Radio Towers, Long Bridge and Potomac Basin, visiting the much famed Lincoln Memorial.

This Memorial is placed on the axis of the Capital and the Monument. It is of imposing size and exquisite beauty, the Union being expressed in the colonnade surrounding the hall. There are thirty-six columns, one for each State in existence at the time of Lincoln's death, and on the wall above the colonnade, with decorations of carved memorial festoons and wreaths are inscribed the names of the forty-eight States which now make the Union. At one end of the hall is the famous Gettysburg Address, inscribed in the stone wall, while at the other end is the second inaugural address. Above these addresses are symbolical paintings of Freedom and Truth. But the main attraction of the Memorial is the marble statue, by Daniel Chester French. It is of magnanimous proportions and compels veneration to the great man that its features depict. There is a feeling of awe and adoration present at the sight of stature.

After dinner the escort conducted the party on a pilgrimage through the world-famed Congressional Library. This building is one of the greatest and most artistically designed of any in the city. Space will not permit any accurate description of this "Library of Libraries".

Monday morning the party went on another tour of the City and took a trip through the Capitol Building.

Monday afternoon they left Washington D.C. for Mt. Vernon, Va., stopping at Alexandria to visit the Masonic Temple and Christ Church, where George and Martha Washington worshipped. At Mount Vernon the party inspected the George Washington mansion and tomb. Here, on the lawn of the first President, a picture of the group was taken by a Washington D.C. photographer. At 5:00 P.M. the party left Mount Vernon on the steamer "McAlister", enjoying a beautiful ride up the Potomac River to Washington.

On Tuesday, the party visited the Pan American and Red Cross Buildings, and the White House, some getting to see the President, and others not. An order from the Senator was required. The afternoon was spent in the New National Museum, where some of the finest collections in the United States are located, including the famous Roosevelt, Collections, prehistoric collections and Cushing's Indian Collection. Some of the members visited Congress while in session and heard the charges brought against the Illinois Federal judge, Judge English.

The next day, Wednesday, was spent in visiting the Bureau of Printing and Engraving, where postage stamps, paper money and government bonds are printed. Lady guides conducted the party through these buildings. This concluded the tour to the city, and at 3:15 P.M. the party bade farewell to Washington and started on the return trip home, through the most beautiful mountain scenic route in the East, being afforded an everchanging view of the Blue Ridge and Allegheny mountains, trailing the Potomac, Wills Creek, Caselman, Monongahela and Allegheny rivers, and reaching the Ohio River at Pittsburg, Pa.

The party reached Bowling Green early Thursday morning.

The trip was one to be long remembered by all the members.

A Member of the Party.
