Chapel Notes

May 11

Through the kindness of the Women’s League the students had the privilege of hearing the Nold Trio of Toledo. The Trio, consisting of Helen Johnston, Nold-violin, Marjorie Johnston, cello, and Franklin Nold, piano, rendered a most excellent musical program which was duly appreciated by the assembly. The students are very grateful to the Women’s League for making such opportunities possible.

May 18

Miss Marion Neprud of Columbus, who spoke to the girls of the college a short time ago, gave the address of the morning. Her subject was: “The Responsibilities of Citizenship.” She spoke of the opportunities of the young people of America today and made a plea to us to make the best of our opportunities. Her talk was interesting and very worthwhile.

May 25

Members of Prof. Carmichael’s public speaking class gave a program of readings at this hour. Those taking part were: Merle Gray, Pearl Gray, Gladys Kelley, Eleanor Stutz and Carolyn Zindler. All the numbers were well given and much enjoyed.

Undoubtedly we can have many worthwhile, and interesting chapel programs by using “home talent.”

The 1926 staff wishes the 1927 staff all good fortune and luck and hope that they may enjoy the co-operation that has been ours the last year.

Professors Zaugg and Kimmel Honored

Professors Walter A. Zaugg and Herbert Kimmel have been awarded service keys by the national educational fraternity, Phi Delta Kappa, upon the recommendation of their respective chapters, Alpha of Indiana University and Zeta of the University of Chicago. Seven years of unbroken good standing in Phi Delta Kappa and seven years of educational service together with a certain quantity and quality of educational work in an institution where an active chapter of Phi Delta Kappa exists are among the requirements for the service key.
BEE GEE NEWS STAFF OF 1925-26

Prof. G. W. Beattie, Faculty Advisor
Everywhere about us are signs of activity. The birds are flitting from tree to tree. Nests have been built. Others are in the process of building. The Spirit of Spring, that Fountain of Youth, has entered into the breasts of many. Even some of our students are planning on ‘feathering their nests.’

Business has taken on a new tone (even in Great Britain). Buildings are being reared skyward. This spirit is reflected here at the College. The new gymnasium is now under construction. This will mean another advantage for the sons and daughters of B. G. S. N. C. The Library will soon be ready for occupancy. This will mean an opportunity for broadening the intellect. In the past building after building has been added to this plant, but sometime the saturation point will be reached.

Then it will be that the real ideal of the institution will stand out as never before.

As we look about us it seems that the ideal of this institution has been to build. And this is what its ideal and aim is. We hope that it will always continue to be the aim of this College. “Buildings not made with hands”, this phrase may well express what we mean. The faculty of Bowling Green Normal is of the highest standard. The members are not content with the preparation they have had, but are continually seeking to enrich and enlarge their point of view that they might aid more wisely in this building process. A great stream of graduates is issuing from our halls every year. A great stream is coming into the same halls. What will be their development while here? Those who leave these halls are better equipped to grapple with the problems of life. With a clearer and broader vision they search for new worlds to conquer, no not new worlds—but to make the world in which they live a little brighter. The policy of this college—the aim—is to build and equip for life’s work. This can only be accomplished through the building of character. Everywhere, upon the playground, in the class rooms, in the social happenings, in the entertainments, lecture courses, in inter-collegiate contests, this movement is on. Therefore we can truly say that the purpose of this college is to build and enrich the character of the individual.

—W.

This issue brings the term of the present staff to a close. It wishes to thank the faculty, student-body and every one else who has contributed to its success.

Women’s League

Early in the morning of May 20, a number of girls, accompanied by Miss Shaw and Miss Fitzgerald, hiked to the outskirts of town for the May Morning Breakfast sponsored by the League. Although some of the bacon slipped into the fire and the dog ate some of the “dogs” nevertheless there was plenty left.
Gold Mask

As a fitting end to the year's activities the Gold Mask Club will enjoy a get-together party at the Women's Building on Tuesday, June 8th after the Glee Club concert. At this time the members of this year's Drama Class will be welcomed into the Club, and election of officers for next year will take place. All alumni members, active members and Drama students are urged to come. A good time is promised to all.
Y. W. C. A.

Y. W. C. A. attendants participated in an interesting discussion on “College Feet” May 20. A lively song service was an interesting feature of the evening. Brief devotions were in charge of Miss Kelley. Miss Lillian Benson led the discussion and introduced the subject by saying that every institution must have its foundation stones or feet to uphold it. Topical discussions were led by Miss Sheahan, Miss Dock and Miss Lawrence.

Vesper Services

Vesper services Sunday, May 16, were held in the grove back of Shatzel Hall. The weather was ideal for an outdoor service of this kind and a worth-while group was in attendance. Miss Fitzgerald talked to us on “The Call to Christian Service.” Devotions were led by Miss Mary Lawrence and group singing was in charge of Miss Helen Waesch. We feel that these services are being appreciated and are of real benefit.

Vesper Services Sunday, May 23, were held in the club rooms of Shatzel Hall. Miss Laura Jones lead the group singing. Devotions were in charge of Miss Edith McGee. An interesting talk on the choosing of vocations by Miss Laura Heston of the Home Economics department was of benefit to all.

June 3 is the date set for the Y. W. C. A. picnic. It will be near the close of this season’s work and will take the form of a combination outdoor meeting and hike. Watch for further particulars and signs. All girls of the college invited.
The regular meeting of Quill Type was called to order by the President on May 12. The minutes of the previous meeting were read and approved. Reports upon the expenses of the Quill Type party were given by Mary Kerst, Margaret Jessen, Olive More and Iris Hiers. The reports were approved. The nominations were then opened for next year's officers of the club, the election to take place at the following meeting. Nominations were: President, Clarence Kerr; Vice-President, Dorothy Beckman; Mildred Heffelfinger, Alice Hiers, Secretary-Treasurer; Frances Bush, John Brentin, Chairman of Programs, Bernice Shuder.

The program was then given by the "Y" group.

**Quill Type**

This concluded the evening's program and the meeting was adjourned.

**May 26**

The last business meeting was called to order on Wednesday, May 26. The election of officers was held. The officers for the coming year are:

President ............... Clarence Kerr
Vice-President .......... Alice Hiers
The retiring officers are, Wilber Rider, President; Iris Hiers, Vice-President; Margaret Jessen, Sec'y-Treas.; Alice Hiers, Chairman of Programs.

The graduating Sophomores who will be lost to the club are, Audrey Brentlinger, Mary Kerst, Georgianna Shively, Edna Probel, Iris Hiers, Margaret Jessen, Bernice Brandon, Olive More, Mildred Ewing, Wilber Rider, Kenneth Mollenkopf, Bernard Bricker, and Walter Insley. The “P” group, who were to have charge of the program, announced that the program would be deferred until Friday, June 4, when they would entertain with a roast, as the closing event of the club’s activities.

The Quill Type has this year become a stronger organization than ever before. It has successfully conducted, under the direction of Miss Fitzgerald and Mr. Knepper the largest state shorthand and typewriting ever held, and it sponsored the Quill Type parties. Besides this it has purchased the shorthand and typewriting trophy which is to be known state wide as the Quill Type Trophy. To the retiring officers and the graduating sophomores, and last but not least, to Mr. Knepper and Miss Fitzgerald, is due a vote of thanks for the time and work they have contributed to make the organization a success. And this year has shown that the Quill Type is an essential and powerful factor in the Commercial Department.

Skol

The Skol Sorority takes pleasure in announcing the following girls as pledges:

Ruth Powell '27, Bowling Green; Ellura Cook '28, Upper Sandusky; Marion Partridge '28, Toledo; Gladys Denny '28, Bellefontaine.

Impressive pledge services were held for these girls Tuesday May 17, at the home of Esther March. Plans were also made for the annual Skol farewell picnic which is customarily held after Baccalaureate services.

The Skol Sorority, although constitutionally limited in membership, has been an active though unobtrusive organization on the campus. The large number who graduate this year, Laura McMasters, Esther March, Onnolee Hipp, Agnes Pilliod, Eleanor Stutz, Jean Sherer, Helen Thompson and Sadie Belle Clements will be missed not only in the Sorority, but in student activities as well, due to the prominent part they have played throughout their college life.

Five Sisters

The Five Sisters are pleased to announce the following pledges: Elizabeth Harrison, Oak Harbor; Kathryn Croy, Caldwell; Virginia Smith, Port Clinton; Emma Rigby, Painesville; Maybelle Ruddock, Port Clinton; Mary Jo Milligan, Upper Sandusky; Pauline Wenger, Port Clinton; Frances Bush, Kenton.

"Where are you going?"
"Spooning."
"A good date, eh?"
"Not at all. I'm collecting silver for the Fraternity House."
Emersonian Literary

May 12th the Emersons met in front of the Administration building promptly at seven prepared to enjoy one of those hilarious affairs known as a weiner roast. They hiked to the grove behind a local gas station. While the bonfire was being built, by a few practical members, the remainder of the party divided up and a vigorous baseball game ensued until dark. Since the flames of the bonfire were already leaping high the Emersons soon had hot dogs and marshmallows roasting. While sitting stories told. Estrella Daniels read a clever review entitled, "The Presidential Campaign of Olive Bowersox," in which the heroine was miraculously saved to the Emersons. The party returned in high spirits declaring the outing a huge success. The pleasure of the party was impaired in a degree, however, due to the fact that a certain baseball player strained her ankle and had to be carried nearly home by an enthusiastic Emerson.

Country Life Club

This representative college group sponsored by Prof. Beattie and which divides its time between literary and physical recreation, met a short time after school opened and chose the following officers for the first term:

- **President**          Robert Younkin
- **V.-Pres.**           Marie Dock
- **Sec'y-Treas.**       H. Olds
- **Chorister**          Helen Whipple
- **Social Hour Leader** Jean Sherer

The club held its meeting at intervals of two weeks and enjoyed many fine entertainments in the auditorium and just as many lively times in the gym.

As the custom is to change officers each semester, the old officers were automatically released of their duties by the election of the following at the beginning of the second semester:

- **President**          George Evans
- **V.-Pres.**           H. Olds
- **Sec'y-Treas.**       Harry Frankfather
- **Pianist**            Louise LaTanner
- **Chorister**          Ray Troutner
- **Ch. Program Com.**   Helen Thompson
- **Social Hour Leader** Esther March

Under the group the work of the club continued smoothly till the end of the semester.

Five Brothers Hard Time Frolic

Ye Olde Five Brothers were the merry hosts to an old regular to goodness "Hard Time" party Saturday May 8th.

A program of twelve dances, spiced with circle, whistle, and feature dances, was enjoyed by the happy "cast-side gang."

Throughout the evening pretzels and orangeade were served a la tin cup under the capable direction of Brother Wyandt and the lowly neophytes.

Clever programs made of shingles tied with binding rope added to the fun of the evening.

The active chapter was pleased with the presence of many of the old Brothers, who with the gang forgot their dignity and pitched in for a great time.

The Five Brothers Fraternity announces the officers for the coming year:

- Olde Skull—Robert Wyandt.
- Vice-Skull, Harry Crawford.
- Miser—William Ogden.
Many fine things have been planned for the coming year. The events of the present year will be brought to a close by a farewell meeting Thursday, June 10th.

**Home Economics Club**

A large meeting of the Home Economics Club was held on Wednesday evening, May 5. Miss Beals, the County Home Demonstration Agent, gave a very interesting talk, telling about the work she is doing among the boys and girls and also men and women. Following this talk Miss Orpha Knight described her work as a club leader. These clubs are under the supervision of the Home Demonstration Agent. Miss Henrietta Robertson then told of her interesting experiences as a member of one of these clubs. These talks were especially interesting because as Home Economics teachers we may be called on to do this type of work.

After the program ice cream bars were served to the guests.

**Home Economics Party**

On Saturday evening, May 5, the gymnasium was transformed into a large motion picture theatre, the walls being covered with posters advertising the latest movies. This formed a rather unique setting for the Home Economics Club party. The guests were ushered to their seats by girls dressed as waitresses, who later helped serve the refreshments.

The first number on the program was the presentation of "Mrs. Jarley's Wax Works." The part of Mrs. Jarley was very admirably given by Miss Etta Ward. Her wax works consisted by motion picture stars, a few other celebrated persons. Mrs. Jarley introduced her characters which were oiled and wound up by two pages, the Blackburn twins. Her wax works consisted of Mr. Jarley by Miss Slessman, Gloria Swanson by Miss Katzenberger, Norma Talmadge by Miss Lee, Bill Hart by Miss Clements, Mary Pickford by Miss Loesch, Charlie Chaplin by Miss Jeswald, Thomas Meighan by Miss Smith, Calleen Moore by Miss Abrendt, Geraldine Farrar by Miss Williams and Mack Sennett by Miss Rideout. Several well known members of the faculty also appeared in the wax works. Miss Heston by Miss Werner, Miss Henderson by Miss Coleman, and Mr. Tunnicliffe by Miss Freeman.

The next number was an education film by shadow picture of the construction of a dress. This was given by Miss Bird, Miss Welsh, and Miss Jeswald.

The next number was a dance in colonial costume by Miss Williams and Miss Slessman.

After the program the guests took part in games and old fashioned square dancing, ending with the Virginia Reel. Very delicious refreshments were served which consisted of pineapple sherbet, individual cakes, and lollipop dolls dressed as movie stars.

Sport Review

When Bee Gee College first opened its doors to the students registering for the school year 1925-26, foot ball talk was already in the air. The season although wet enough to dampen the spirits of any team did not keep the championship from actually coming into the local camp after an absence of several years. Under Captain Harry Crawford the team won 3, tied 3, and lost one.

Football equipment was no more than turned in than the basketball court was swarming with eager applicants for varsity suits and positions. Under the leadership of Captain Bud Brand the second championship was won and this without a conference defeat. The team, one of the best ever to wear the Orange, met defeat by the hands of only two schools. Bliss and Urbanna. Wins were scored from Oberlin, Ohio Northern, Adrian, and all conference teams played. Altho only two regulars are left many old and new prospects are in view for the vacancies.

As for baseball to date the team has lost two games only and needs one more to bring the third championship to the college. The team lost to Ashland and Defiance but in turn has won from Bluffton, Defiance, Findlay, Toledo, Ohio Northern and Oberlin. Dayton, Capitol and Bluffton remained to be played, the second Bluffton game being the one to determine the title. Harry Frankfather captains the team.

In track the team has lost twice to Ohio Northern and Bluffton in dual meets, but won a triangular between Toledo, Defiance and Bee Gee and a dual with Findlay. Dope favors the locals to win the meet at Bluffton by a 5 to 10 point margin. The team is captained by Bill Odgen.

In tennis the team finished a strong second, being beaten only by Defiance, wins being scored over other conference teams. A fine schedule was arranged by Coach Landis which included matches with, Ohio Northern, Heidelberg, Dayton and St. John besides the regular conference schedule. Ed. Fries led the team as captain and first rank man.

Probably the most interesting and hopeful thing that ever took place in Bee Gee College Athletic History took place late in the semester when ground was broken for the new gymnasium. This building if any thing can, will bring men to our institution and men we need, so say the women. However with our splendid coaching staff and past records to maintain, the building is an inspirational sight. Work is being rushed and the Basketball team of next year will undoubtedly play at least its late season games on the new floor.

Dayton was played in the southern city but due to the long trip the team failed to make a very good showing. Beyerman won his singles but the other matches were lost.

Bluffton fell before the locals 3-2. Fries and Olds won their singles and doubles while Whalen and Beyerman lost.

Findlay lost to the locals 5-0. After the Orange made two trips to the other place. Play the first day was cut short on account of rain. On the second day the play was started over and Findlay lost by the above score.

Bowling Green met defeat at the hands of Defiance for the second time and even more disastrously than the first.

The team lost 5-0 with only the doubles match of Fries and Olds going in three sets but which finally went to the Yellowjackets.

Track

In the last meet before the final climax at Bluffton the teachers downed Findlay in a dual meet 81-36. No records were broken probably due to the loose track and a rather stiff breeze.

Findlay showed strong in only two events the 440 yd. race and the two mile. They took both first and second in the events.

Results of the meet:
100 Yard Dash—Won by Measell, B. G.; second, Frankfather, B. G.; third, Decknard, F. Time 10.9 sec. (Alternate Ostrander, B. G. was third but points for alternates did not count.)

All alternates who ran or competed in events and placed or won received credits in points toward their letters but the points did not count in the meet against Findlay's total.

**Bluffton vs. Bee Gee**

In the hardest fought battle of the season Bowling Green won over Bluffton 2 to 1. The game was clearly a pitcher's battle with the odds in favor of Bohyer. Becky sure looked like a million dollars and as Bluffton looked at the old pill they seemed to see it fade from sight. All the boys played a great game and the team advanced one more game nearer the championship.

**Toledo U. vs. Bee Gee**

Again the boys of the teachers College ran wild and Toledo U fell before the heavy artillery of the Profs. The game was somewhat closer in score than the first one of the season. Toledo U’s defensive was somewhat strengthened but their offensive won them nothing. Bowling Green was in no way lenient as the box score shows.

Defiance vs. Bee Gee

B. G.—Revenge for me.
Defiance—You shall not pass.
B. G. (after game) Catch us now.

Defiance once defeated our team, but that was a few weeks ago. The other day, with the aid of Becky, Defiance suffered a stinging defeat at the hands of B. G. You should have seen our boys play. The score should have been 11-2 but the coach on third base slept an inning and lost a run. With this one exception everything was well done and everyone was well pleased. (The coach P. E. Landis included).

Bowling Green now leads the Conference.

Findlay vs. Bee Gee

There is little to write concerning this game. It ended in favor of B. G. 9 to 0. Findlay cancelled.

Jimmie: It's shaky business.
Hugh: What is?
Jimmie: Playing with dice.

Definition: A pedestrian is a man whose wife has gone with the car.

Old Maid School Teacher: What tense is "I am beautiful?"
Chorus: Past.
Ohio Northern vs. Bee Gee

Supposing you were a farmer with hayseeds sticking behind your ears and in your hair. Supposing the opposing team said you had better be at home pushing the plow. Supposing—how would you feel. Well the boys on the Bowling Green team felt the same way and after chasing the city boys of Ohio Northern around for nine innings without losing a hayseed they carted home another victory from the Ohio Conference team.

Oberlin vs. Bee Gee

I joy in writing the account of this game for at least three or "mebby" two reasons. In the first place P. E. Landis took his team to the old school and showed them how the game was played. In the second place Oberlin was the second Ohio Conference team to fall before B. G. this year. In third place according to the Oberlin coach the poorest team won. And last lest we forget we now hold victories over Oberlin in tennis, basketball, and baseball. Filiere, Rudolph and Bohyer all threw a few in this game and did well.

The first two innings our team produced a punch which threatened to drive Oberlin wild. In the last of the eighth the score was tied at 8 all. In the first of the ninth came that awful punch again and our boys came home happy.

Capitol U. vs. Bee Gee

In as pretty a baseball game as has been played on the home diamond this season Bowling Green defeated Capitol U. 2 to 4. This game ended the season and only two more games are left to be played away from home.

Bowling Green faced a mighty team in this struggle. Along with being a good team the Capitol U gang showed the best brand of sportsmanship on the team.

Filiere twirled the game for B. G. and was very effective in the pinches, especially when Capitol filled the bases with none down and then were only able to garner one run.

Only 2 errors were made during the game, 1 by Capitol and 1 by Bowling Green.

Ashland vs. Bee Gee

The second loss of the year was meted out to the B. G. team by Ashland. Poor base running coupled by errors paved the way for an Ashland win. After you have looked over the box score you will see that Ashland was not so very far superior to our lads. Rudolph sure twirled this game with the fates against him.

In May the Seniors received a clever invitation in the form of an automobile, requesting their presence on a Joy Ride. May 10th was the joyful day.

Dr. and Mrs. Williams, Dr. and Mrs. Kohl and the Seniors gathered at the Woman's Club where a three course dinner was served. The traffic cop (Peanuts March) whistled the "stop" and "go" signals. After the dinner the following toasts were given:

Starters—Jonathan Ladd.
Spark Plugs—Virginia Wayman.
Horns—Wayne Cornell.
Flat Tires—Eleanor Stutz.
Accelerators—Dallas Lawrence.
Steering Wheel—Dr. Kohl.
Cops—Theodora Fowler.

Laura McMasters read Ma and the Auto. The Joy Riders were then in need of a mechanic for the contests “U. Auto Know” and an “Automobile Romance”.

After the contests the Auto Shimmying (dancing) and the Auto Chug (conversation) were the closing features of the ride.

The auto riders returned safely to their destination wishing that the Seniors could be Seniors forever so they could take some more auto rides together.

Senior Memories

Into these Halls of Learning
Came Youth, all eager and proud,
Seeking and searching about him
For the good that life might give.
For joy, and beauty and pleasure
Reaching out with open arms
To clasp to himself life's treasure,
And know for his own her charms.

Out from these Halls of Learning
Comes Youth again today.
Still seeking, but knowing the highest
Is not in the winning for self,
But in giving again to another
The joys of wisdom and truth,
That in serving mankind as a brother
Is the worthiest mission of youth.

Thanks, thanks dear Alma Mater
For the vision thou hast given
For loyal hearts that knew Youth's need
Kind hands that showed the way.

All hail! dear Alma Mater!
Thy message far we'll bear
And through our deeds, the ends of earth
Thy honored name shall hear.
