Columbus, Ohio
June 4, 1915.

Mr. J.E. Shatzel,
Bowling Green, Ohio.

Dear Sir:

In reply to the controversy in connection with the sewer work at Bowling Green under the contract of Huffman-Conklin Company, would state that when we issued our final estimate it was done with the idea that in so far as this office was concerned and our ability to judge of the merits of the work, same was acceptable. In view of the report of the State Board of Health which was afterwards qualified it seems that the estimate was held up.

We wish further to state that in so far as our judgment is concerned we consider this work complete in accordance with the plans and specifications.

Very truly yours,
Howard & Merriam, Architects,
By O.D. Howard.
```

Estimate No. 4 being the final estimate of the Huffman-Conklin Company for work on the sewer contract amounting to $589.42, duly certified by Howard & Merriam, Architects, was presented for allowance and payment.

Moved by Shatzel and seconded by Begg that the above estimate No. 4 in favor of the Huffman-Conklin Company amounting to $589.42, be allowed on the recommendation of Howard & Merriam, Architects, and their letter which is made a part of the minutes and paid from the fund designated as "Maintenance F-10".
