ASC Executive Committee Notes
September 13, 1988

PRESENT: Carr, Crawford, Fitzgerald, Heyman, Jordan, Kaplan, Regan, Schultz, Stickler, Swaisgood

1. Melissa Firestone will be asked to be the ASC liaison to CSC.

2. A joint meeting between the welfare committees of ASC and CSC will be arranged. Rich Hughes will contact Jeff Jackson.

3. Personnel Welfare Committee reported on insurance discussion. No progress made on salary study. Chris Dalton will be invited to PWC meeting in the near future.

4. A new law that could require all employees working over 17.5 hours to receive prorated benefits was discussed.

5. Pat Fitzgerald spoke with the President regarding plans for a joint personnel office. No definite plans have been established, but Dr. Olscamp said that ASC would be represented in the decision.

6. Greg Jordan will be granted time to make a presentation about United Way at the October meeting.

7. Joe Martini has asked for ASC support in the plan to have picture ID's for all faculty and staff. It is hoped that these ID cards will cut down on the abuse that currently takes place.

8. Sam Ramirez asked that consideration be given to including a statement about Employee Assistance Program in the Administrative Staff Handbook.

9. Norma Stickler, Sue Crawford, and Deb McLaughlin will serve as a subcommittee to review the configuration of the Administrative Staff Handbook. NS will convene.

10. There was brief discussion of better ways to handle staff awards for those who have been here 15 or more years.

11. A subcommittee report was given by Sue Crawford on potential for drinks or high tea at Kaufman's. Agreed to begin October 6 with weekly gatherings of all Administrative Staff. SC will make the arrangements with Kaufman's.

12. Josh Kaplan gave a brief report on Wellness Committee.

Norma J. Stickler
ASC Secretary

xc: Annmarie Heldt
ASC Executive Committee Notes
September 27, 1988

PRESENT: Carr, Fitzgerald, Heyman, Hughes, Kaplan, Regan, Schultz, Stickler, Swaisgood

1. Discussion of October 6 agenda.

2. Report from Personnel Welfare Committee
One meeting has been held. The Committee will split into two groups to deal with salary and fringe benefits. Salary deliberations will involve 3 major goals: data base for salary recommendations, recommendation on procedures for market adjustments, and study of internal vs. external positions. Comparisons will be made with industry and business for those areas that cannot recruit from other than universities. The recommendations of the Wellness Committee will be incorporated into ASC's fringe benefit request. Chris Dalton will be invited to attend a meeting of the PWC.

3. GASP (Gathering of Administrative Staff Personnel) was organized and named, will begin Thursday.

ADMINISTRATIVE STAFF COUNCIL
FRINGE BENEFIT REQUEST
1988-89

Based on the results of the recent Administrative Staff Fringe Benefit Survey, the Administrative Staff Council hereby recommends the following additions/changes to the Administrative Staff fringe benefit package effective July 1, 1988. Although our additions/changes are ranked in priority order, we request that all items be given full consideration.

1. In order to support the concept of preventive medicine as a means to the ultimate reduction of long term, high cost medical treatment, the Administrative Staff requests that the University cover the Reasonable Customary Cost of a preventive physical examination every two (2) years exclusive of diagnostic tests and the laboratory cost of an annual pap smear.

2. Administrative Staff throughout the campus feel strongly, and request frequently, that the employee contribution to the cost of family health insurance benefits be eliminated. We understand that the plan to raise the University's contribution toward family health insurance benefits to 92% beginning January 1, 1988 has been deferred due to budget constraints. We request that the University's contribution toward family health insurance benefits be increased to 100%.

3. The Administrative Staff requests that the University provide full coverage of family dental/vision benefits. Again this would assist with the desire to remain competitive with other state colleges and universities and area employers.

4. The Administrative Staff requests that all benefits provided for full-time Administrative Staff be available to part-time Administrative Staff on a prorated basis.

5. In an effort to promote both a healthy lifestyle and preventative health measures, and to hold the cost of medical payments paid by the University to a minimum, the Administrative Staff requests that Administrative Staff who join the Student Recreation Center and participate in the FITWELL program, maintaining a designated level of participation, be provided each semester thereafter, as a benefit, a Student Recreation Center Lift pass. This pass would be provided so long as an individual maintained the designated level of participation. The staff member would be permitted to pay the difference for a regular membership.

6. The Administrative Staff requests that two days of annually accrued sick leave be considered personal days with unconditional usage.

MEMORANDUM

TO: Members of the ASC Executive Committee

FROM: Rich Hughes, On-Campus Housing

RE: Release time for physical fitness

The fringe benefit subcommittee met yesterday to draft the first version of our proposed policy regarding release time for physical fitness. Enclosed is the policy. I am planning on bringing the policy before the Executive Committee on Tuesday, December 20th for your comments and review. Please review the policy and share with me any questions, comments or criticisms you may have at the Executive Committee meeting.

RH/jkm

That is T. Pearson.
Release Time for Physical Fitness

Release time for physical fitness is designed to provide an administrative staff member with the opportunity to participate in a routine program of physical exercise. An administrative staff member who is a member of the Student Recreation Center is eligible for release time for physical fitness.

The following guidelines must be observed when using release time for physical fitness:

1. Three non-contiguous 30 minute time periods per work week will be permitted for release time for physical fitness. Only one 30 minute time period may be used per day in conjunction with the following times:
   a. the start of the work day
   b. immediately prior to lunch
   c. immediately following lunch
   d. the end of the work day

2. Release time for physical fitness cannot be accrued.

3. Release time for physical fitness can only be used at the Student Recreation Center or facilities supported by the Student Recreation Center.

4. Supervisors may request verification of proper use of release time for physical fitness.

It is recommended that, prior to any physical activity, administrative staff members seek the supervision of their personal physician and/or participate in the Fitwell Assessment program.

RE: JOINT MEETING OF OFFICERS OF GOVERNANCE BODIES

As a follow-up to our telephone conversation, Officers of the three governance bodies will meet on Monday, December 19th at 11:30 a.m. in the Senate Conference Room, 140 McFall Center.

This will, as we agreed, be an informal meeting with no minutes to explore some issues that are of mutual concern to all of us. Everyone should feel free to bring lunch.

I am attaching a draft agenda which includes four items we have thought of. If any of the Officers wish to add more, they can do so by calling Linda Canady in the Faculty Senate Office.

I look forward to meeting with all.

Best regards.

UNIVERSITY POLICY ON A DRUG-FREE WORKPLACE

A. It is the policy of Bowling Green State University to provide and maintain a drug-free workplace. To this end, the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance by University employees on University premises or University-related premises is prohibited.

B. To assist in providing and maintaining a drug-free workplace, the University has established a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace. In addition, it is the intent of the University to require employees who violate this policy to participate in designated drug rehabilitative programs as provided in section D of this policy.

C. An employee charged with a violation of section A of this policy will be provided with a hearing consistent with established University hearing procedures.

D. Any employee found in violation of section A of this policy is subject to the following action:

Consequence
1. For a first offense involving the unlawful use or possession of a controlled substance, the employee shall be required to participate and complete a drug counseling rehabilitative program designated by the University. Failure of the employee to participate in and complete the designated drug counseling rehabilitative program will result in suspension without pay for a period not to exceed 90 days during which time the employee must participate in and complete the designated drug counseling rehabilitative program. Failure to participate in and complete the designated drug counseling rehabilitation program within the 90 days will result in termination of employment.

Consequence
2. For a first offense involving the unlawful manufacture, distribution or dispensation of a controlled substance, the employee will be terminated.

3. For a second offense involving the unlawful use or possession of a controlled substance, the employee may be subject to the conditions specified in section D 1 of this policy or may be terminated from employment. Action under this section will depend upon various conditions, including but not limited, to the following: elapsed time between offenses, prior criminal convictions for drug-related offenses, the quantity of the controlled substance used or possessed and recommendations of professional drug counseling rehabilitation personnel and/or supervisors.

E. The University will distribute to all employees a copy of this policy.
F. The following provisions apply when an employee is employed under a federal grant.

1. As a condition of employment, the employee agreed to abide by the terms of this policy.

2. As a condition of employment, the employee agrees to notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction.

3. The University (employer) will notify the granting agency within 10 days after receiving notice of a conviction under section F2 of this policy from an employee or otherwise receiving actual notice of such conviction.
public housing agencies (including Indian housing authorities) for use in eliminating drug-related crimes in public housing projects.

SEC. 103. ELIGIBLE ACTIVITIES.

A public housing agency may grant a subgrant under this chapter for the following purposes:

(1) to eliminate the drug-related crime problem in the community or public housing project for which the grant is made;

(2) to develop effective crime prevention strategies and services for public housing projects;

(3) to provide for the employment of private security personnel in public housing projects;

(4) to develop drug-free public housing projects.

SEC. 104. AUTHORIZATION OF APPROPRIATIONS.

There are authorized to be appropriated to carry out this chapter $500,000 for each of the fiscal years 1982 through 1986, or such other amount as the Secretary of Housing and Urban Development may determine necessary to carry out this chapter.

SEC. 105. STATEMENT OF PURPOSE.

The purpose of this chapter is to establish a cooperative program to eliminate drug-related crime in public housing projects and to provide training and assistance to public housing agencies for the eradication of drug-related crime in such projects.

SEC. 106. ELIGIBILITY.

A public housing agency is eligible for assistance under this chapter if:

(a) the agency has policies and procedures to prevent drug-related crime in public housing projects;

(b) the agency has a drug-free public housing policy;

(c) the agency has a drug-free public housing policy;

(d) the agency has a drug-free public housing policy.

SEC. 107. APPLICATION.

An application for assistance under this chapter shall be submitted by the Secretary to the Council on the United States, through the Office of Drug Control Policy, on or before the date of enactment of this Act.

SEC. 108. ELIGIBILITY CRITERIA.

A public housing agency is eligible for assistance under this chapter if:

(a) the agency has a drug-free public housing policy;

(b) the agency has a drug-free public housing policy;

(c) the agency has a drug-free public housing policy.

SEC. 109. ADMINISTRATION.

The Secretary shall establish a program of drugs education and training for public housing agencies and public housing projects.

SEC. 110. ELIGIBILITY CRITERIA.

A public housing agency is eligible for assistance under this chapter if:

(a) the agency has a drug-free public housing policy;

(b) the agency has a drug-free public housing policy;

(c) the agency has a drug-free public housing policy.

SEC. 111. ELIGIBILITY CRITERIA.

A public housing agency is eligible for assistance under this chapter if:

(a) the agency has a drug-free public housing policy;

(b) the agency has a drug-free public housing policy;

(c) the agency has a drug-free public housing policy.
the contractor has failed to make a good faith effort to provide a drug-free workplace as required by subsection (a).

(2) Contracting officer determines, in writing, that cause for suspension of payments, termination, or suspension or debarment proceedings, an appropriate action shall be initiated by the contracting officer of the agency to be conducted by the agency concerned in accordance with the Federal Acquisition Regulation and applicable agency procedures.

(B) The Federal Acquisition Regulation shall be revised to include rules for conducting suspension or debarment proceedings under this subsection, including rules providing notice, opportunity to respond in writing or in person, and such other procedures as may be necessary to provide a full and fair proceeding to a contractor or individual in such proceeding.

(3) Effect of debarment—Upon issuance of any final decision under this subsection requiring debarment of a contractor or individual, such contractor or individual shall be ineligible for award of any contract by any Federal agency for a period of 5 years from the date of any future procurement by any Federal agency, for a period specified in the decision, not to exceed 5 years.

SEC. 112. DRUG-FREE WORKPLACE REQUIREMENTS FOR FEDERAL GRANT RECIPIENTS.

(a) Drug-Free Workplace Requirement—No person, other than an individual, shall receive a grant from any Federal agency unless such person has certified to the granting agency that it will provide a drug-free workplace by:

(A) publishing a statement notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violations of such prohibition;

(B) establishing a drug-free awareness program to inform employees about:

(i) the dangers of drug abuse in the workplace;

(ii) the grantee's policy of maintaining a drug-free workplace;

(iii) drug counseling, rehabilitation, and employee assistance programs;

(iv) the penalties that may be imposed upon employees for drug abuse violations;

(C) making it a requirement that each employee be engaged in the performance of such grant be given a copy of the statement required by subparagraph (A); and

(D) notifying the employee in the statement required by subparagraph (A), that as a condition of employment in such grant, the employee will:

(i) abide by the terms of the statement; and

(ii) notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than 5 days after such conviction.

(b) Suspension, termination, or debarment proceedings—If a grantee or contractor is found to be in violation of the requirements of this section, the granting agency shall be required to initiate suspension or debarment proceedings against such contractor or individual, and such contractor or individual shall be required to:

(i) provide a good faith effort to maintain a drug-free workplace through implementation of subparagraphs (A), (B), (C), (D), (E), and (F).

(2) Individuals—No Federal agency shall make a grant to any individual unless such individual certifies to the agency as a condition of the grant that he will not engage in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in conducting any activity with such grant.

(b) Suspension, termination, or debarment proceedings—If a Federal agency is unable to resolve disputes through the procedures described in subsection (d), it shall notify the affected contractor or individual of the decision to suspend, terminate, or debar such contractor or individual, and such contractor or individual shall be given an opportunity to appear and present evidence in person before a hearing officer designated by the Federal agency.

(C) The Federal Acquisition Regulation shall be revised to include rules for conducting suspension or debarment proceedings under this subsection, including rules providing notice, opportunity to respond in writing or in person, and such other procedures as may be necessary to provide a full and fair proceeding to a contractor or individual in such proceeding.

(D) Effect of debarment—Upon issuance of any final decision under this subsection requiring debarment of a contractor, such contractor shall be ineligible for award of any contract by any Federal agency nor for participation by any contractor in any future contract under any Federal agency for a period specified in the decision, not to exceed 5 years.

SEC. 113. EMPLOYEE SANCTIONS AND REMEDIES.

A grantee or contractor shall within 30 days after receiving notice from an employee of a violation of the terms of a grant (including a violation of Federal regulations related to the drug-free workplace program) shall:

(A) take appropriate personnel action against such employee up to and including termination;

(B) require such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health law enforcement, or other appropriate agency.

SEC. 114. WAIVER.

(a) In General.—A termination, suspension of payments, or suspension or debarment under this subtitle may be waived by the head of an agency or a grantee or contractor in respect to a particular contract or grant if—

(i) in the case of a waiver with respect to a contract, the head of the agency determines that the contract is otherwise proceeding, or (ii) in the case of a waiver with respect to a grant, the head of the agency determines that the grantee or contractor has not engaged in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in conducting any activity with such grant.

(b) Exclusionary Authority.—The authority shall not be used to waive the imposition of a penalty for drug abuse violations.

(c) Section 1092. Notwithstanding the provisions of section 1092, the President shall not use the authority provided in this section to waive the imposition of a penalty for drug abuse violations.

(d) Section 1092. Notwithstanding the provisions of section 1092, the President shall not use the authority provided in this section to waive the imposition of a penalty for drug abuse violations.

SEC. 115. CONSTRUCTION OF SUBTITLE.

Notwithstanding the provisions of this subtitle, the prohibition on the use of Federal funds for drug abuse prevention shall not be interpreted to mean that the President is required to submit to Congress a report on the effectiveness of the drug abuse prevention program.
MEMORANDUM

TO: Pat, Jill, Norma

FROM: Linda Swaisgood

RE: Attached on Parking Appeals Committee

The attached was approved by the University Parking Committee at its meeting on Jan. 27. I attended that meeting representing Parking Appeals.

This is a revision of what ASC saw before, and the Parking Committee is now asking for ASC endorsement. I believe most, if not all, of our previous concerns have been satisfactorily addressed, but the fact remains that the Parking Committee has NO jurisdiction over Parking Appeals so the recommendation really carries no weight.

Kevin Work, who chairs the Parking Committee, intends to carry this recommendation forward for endorsement by Faculty Senate and Classified Staff Council, and then take it to Bob Martin to whom the Parking Appeals Committee reports.

Perhaps we can discuss this at the next ASC Executive Committee meeting. I have obtained further information on the reasons why the Parking Committee decided to make these recommendations. There seem to be a few power hungry individuals on that committee and I have some concerns about their flexing their muscle in what might be an inappropriate direction.

Feb. 8, 1989
Revised
Recommendations for Parking Appeals Committee
by the University Parking Committee
January 27, 1989

The University Parking Committee has been asked by several persons and groups on campus to find a way to improve the present parking appeals process for faculty, staff, and graduate assistants at FGCU. It must be made clear at this time that the University Parking Committee has no jurisdiction over the Parking Appeals Committee at this time (the University Parking Committee is under the Committee on Committees of the Faculty Senate and the Parking Appeals Committee is presently under the VP for Operations) and that the following are merely our recommendations for improving the process. We stress, however, that we feel that the recommendations are strong ones and that the present situation should be changed as soon as possible.

A. MEMBERSHIP OF PARKING APPEALS COMMITTEE

The membership of the Parking Appeals Committee shall consist of four positions:

1 Faculty member, one of elected for a three-year term.

1 Administrative Staff member, elected for a three-year term.

1 Classified Staff member, elected for a three-year term.

1 Graduate Assistant, who shall serve a one-year term.

We would also wish to see the following become policy for the Parking Appeals Committee:

1) One member of the Parking Appeals Committee should also serve on the University Parking Committee to ensure communication between the two bodies.

2) Each member should designate an alternate member, subject to approval by the Parking Appeals Chair, who shall attend meetings in the member's absence.

3) Three members present at a meeting shall constitute a quorum.
4) The Chair should have served on the committee for at least one year previous to becoming Chair of the Parking Appeals Committee.

5) No one shall serve as Chair for more than three years consecutively.

6) Members can be reelected to a new term on the Parking Appeals Committee immediately following the completion of their term.

7) The Chair shall be elected for a one year term.

B. Reappeals

1) The University Parking Committee shall be the body that rules on second appeals, if the Chair of the University Parking Committee deems that an appeal merits a second consideration.

C. MEETINGS OF PARKING APPEALS COMMITTEE

At present, the Parking Appeals Committee vote on the appeals without discussion among the members of the committee. The University Parking Committee recommends the following:

1) Committee meetings shall be held every two weeks at a set time and in a designated location.

2) The Parking Appeals Committee should discuss all appeals prior to voting.

3) The Parking Appeals Committee shall decide on appeals by a simple majority vote. The Chair shall vote only in the case of a tie.

4) The Parking Appeals Committee will meet in closed session.

D. PROCEDURAL CHANGES

1) Any person wishing to appeal a parking citation must file their appeal within 10 calendar days of the date of issuance of the citation.

2) A decision must be made on every appeal within 21 days of the initial filing. This rule will not apply to any second appeals, nor
will it apply to first appeals during EGSU break or holiday periods when an additional 10 day adjudication grace period shall be in effect.

3) A Compliance Officer appointed by the Parking Appeals Committee (preferably, a member of the Parking Appeals Committee) shall rule on appeals during Christmas break.

4) In order to better facilitate communication and accountability, we recommend that a three-part parking appeals form should be adopted and used.

5) Given the high volume of paperwork and correspondence that is necessarily generated by this committee, we recommend that some clerical support should be given to them.
ASC Executive Meeting

5. Policy for merit across the board
   - cost of living and remainder for merit, merit adjustment

6. Report on meeting with Dr. Dalton

7. other matters
Drug Free Workplace Act of 1988 - This Act requires most federal government contractors, as well as recipients of federal grants, to take specific steps to ensure a drug-free workplace, beginning March 18, 1989. One of the Act's central provisions requires employers to prepare and distribute an anti-drug policy statement prohibiting any drug related activity in the workplace.

Bowling Green State University Drug Free Work Place Policy

It is the intent and obligation of Bowling Green State University to provide a drug-free work environment.

Employees must, as a condition of employment, abide by the terms of the policy and report any conviction under a criminal drug statute for violations occurring on or off university premises while conducting university business. A report of a conviction must be made within five (5) days after the conviction. (This requirement is mandated by the Drug-Free Workplace Act of 1988.)

Violations of this policy may result in disciplinary actions as listed in the appropriate University Handbooks.

Turn out & pressure to hire an equivalent at the school.
MEMORANDUM:

DATE: March 14, 1989

TO: Christopher Dalton, Vice President
Planning and Budgeting

FROM: Pat Fitzgerald, Chair
Administrative Staff Council

RE: Mandatory second opinion for surgery

The Personnel Welfare Committee of the Administrative Staff Council has asked me to write to you expressing their concern about the potential dropping of the mandatory second opinion provision of the cost containment plan.

It is felt that such a cost containment plan is in the best interests of the University and would prevent some unnecessary surgeries and expenses. There is presently an Insurance Appeals Committee that is capable of handling disputes in applying the mandatory second opinion for plan participants.

In order to keep medical costs contained in a self-funded program it is important that measures such as the second opinion be applied universally to the employee group as long as each employee is participating equally in the plan. Should we adopt a "cafeteria" or self-selecting plan in the future, then perhaps the option of second opinions can be explored. An employee who would choose not to have a plan with required second opinion might in that case have a higher deductible or pay additional premiums.

MEMORANDUM

TO: ASC Executive Committee
FROM: Annmarie Heldt
RE: Handbook

April 4, 1989

It has been brought to my attention that some question remains relating to the suggested change in the Administrative Staff Handbook in the section "Grievance and Hearing Procedures." Specifically, the question raised relates to the grounds for petition of grievance as:

"A. Failure to observe due process at the unit level."

It appears that the concept of due process can be misunderstood by competent attorneys and/or judges. Should an administrative staff member in a supervisory position be responsible for an interpretation of a concept few people understand? Please let me know how you wish to proceed.

AH:mmb
A. Matters of interpretation or application of University policy or of the provisions of the Administrative Staff Handbook.
SECTION 5: FACULTY GRIEVANCE PROCEDURES

Procedure for handling of faculty grievances by the Faculty Senate’s Faculty Personnel and Conciliation Committee (FPCC).

A. Types of Grievances to be Considered

1. Nature of Grievance:
   a. non-renewal of probationary contract or denial of tenure;
   b. denial of promotion;
   c. inequitable treatment regarding salary, departmental responsibilities or other professional assignments;
   d. termination of a probationary tenured appointment for cause. Some of the procedures regarding this type of grievance are different from procedures for grievances in a, b, and c above;
   e. all other cases set forth in Article IV.6.D.

2. Grounds for petition may be any or all of the following allegations:
   a. failure to observe due process in decisions at the departmental, school, college or higher administrative level (including failure to meet Charter provisions for evaluation of probationary faculty or other failure to meet formal professional commitments);
   b. denial of academic freedom;
   c. inadequate or inequitable consideration of professional competence;
   d. unlawful discrimination because of race, creed, color, national origin, sex, age, or handicap;
   e. inadequate cause for termination of tenured or probationary appointment.

B. The Appeal Petition

The appeal petition shall include the following:

1. Specific statement of the nature of the grievance and the grounds for the grievance, including all available supporting evidence deemed relevant by the appellant. (The

Market Adjustments for Administrative Staff

1. Requests for market adjustments may be formulated by the staff member's supervisor and/or contracting officer or by the administrative staff member.

2. All requests for market adjustments should be reviewed by the Director of Administrative Staff Personnel Services who will make a comparative study using local, state, and national data on administrative staff salaries in comparable positions.

3. The minimum adjustment range should be $750 to $1000. Market adjustments in the range of $100 to $500 should be avoided.

[Market adjustments should be considered only for individuals whose salaries fall more than 10 percent below the average for comparable positions.

4. On the assumption that new staff members are hired at salaries close to the market, priority for market adjustments should be given to staff members who have been at BGSU for a longer period of time and may have fallen below the market—assuming that their performance is meritorious.

5. Adjustments for administrative staff at the lower end of the pay scale may be more critical than for those at the upper end of the pay scale.

6. Staff members who have received market adjustments in the past five years should be given lower priority for another market adjustment.

7. Market adjustments are to be given only to individuals whose performance has been demonstrated to be meritorious. A market adjustment is not to be used as an alternate way of obtaining additional merit money.

In current U. position for at least 3 yrs. at end 1 current fiscal yr.

All things being equal, priority to those with longest.

8. Bring up in the fall.

Policy: Should we take something forward that we don't endorse. Check why laws.

funded positions: major discrepancy

9. Agree to change to drop 5 yr. restriction
MEMORANDUM

TO: Administrative Staff Council Executive Committee

FROM: Norma J. Stickler
       Secretary of Administrative Staff Council

RE: Meetings of May 30 and June 13

Summary of May 30 meeting:

Agreement to place original market adjustment procedures statement on the June 1 agenda of ASC. The "Arrowsmith" revision will not be sent forward.

Agreement that action on the distribution guidelines for market adjustments will be postponed until early in the fall semester. The guidelines as approved by the Executive Committee on May 9, 1989 have been sent to Dr. Dalton and will be used for this year's distribution.

The Personnel Welfare Committee reports that it found no serious discrepancies in the levels of grant funded salaries.

It was agreed to forward a recommendation to Annmarie Heldt requesting that dependent fee waivers be extended to retired administrative staff on the same basis as they are for faculty (see attached).

The Executive Committee will meet on June 13 in the Canal Room of the Union.

Enclosed, from Pat Fitzgerald, is an article of interest about second opinions.

MEMORANDUM

To: Annemarie Heldt, Director
    Administrative Staff Personnel Services

From: Patrick T. Fitzgerald, Chair
    Administrative Staff Council

Date: May 31, 1989

Re: Retirement Benefits

The Administrative Staff Executive Committee at their meeting on May 30th, 1989 requested that I write to you concerning the discrepancy in retirement benefits between faculty and administrative staff.

On April 18th, the Faculty Senate passed Charter revisions that have no such time limitations on fee waivers for dependents. It is further believed that our present policy unfairly discriminates against those who have chosen to marry or have children at an older age.

We are requesting that in order for retirement benefits for spouse and dependents to be equal, the five year limitation should be omitted from our handbook on page 35 (V. E.) and page 33 (no. 6). Please include these changes in the handbook revisions that are to go forward this year to eliminate the present five year limitation on fee waivers for retiree dependents.

Thank you.

CC: ASC Executive Committee
Companies Find Such Programs Fail to Cut Costs

By James R. Schifferman
Staff Reporter of The Wall Street Journal

Over the past decade, corporations increasingly turned to health-care programs that required a second opinion for surgery, with the idea that a second look may find costly treatment unnecessary.

It didn't work that way. Instead, second opinions almost always confirm the first—meaning companies have to pay for the surgery and the second opinion. Even when surgery costs do decline, the savings are often too small to offset the cost of the second opinions.

As a result, many companies are revamping their second-opinion programs to make them more flexible or dropping them altogether. PepsiCo Inc. redesigned its plan to make second opinions voluntary, except when declining a panel decides another look is needed. Revising Second-Opinion Health Plans: A look at enlightened choices further reduces the cost of second opinions.

The percentage of surveyed employees who had adopted a second-opinion plan surged.

For this reason, doctors must often ask for second opinions, and they aren't inclined to recommend additional tests to the patient. "Surgery is a bit of a hardship and they can't afford to lose their livelihood," says Dr. Richard Cooper, a physician and healthcare consultant in Franklin, Tenn.

Many companies agree with such explanations, of course. The American Medical Association says that second opinions generally confirm the first largely because advanced medical knowledge has led to a greater consensus among physicians about what is appropriate. Moreover, studies showing high rates of inappropriate procedures based on differences in data from the 1990s and early 2000s probably are out of date. High Cost of Second Opinion: A look at enlightened choices

One thing they do agree on is that it is voluntary. That's an approach favored by the AMA and by consumer advocate Borden.

"There are people out there who wish to have that second opinion," says Borden's Mr. Portman. "We are trying to educate our employees that you have to do it at your expense, but don't want to penalize them if they elect not to get a second opinion."

In January, PepsiCo dropped requiring second opinions and switched to a mostly voluntary review system, after finding a high continuation rate in its second opinions. High Cost of Second Opinion: A look at enlightened choices

One company that didn't make the change was Aetna Life & Casualty Co. of America in 1987 began recruiting family practitioners for second opinions, on the theory that they would be less inclined to opt for cutting the company says it is still too early to test whether the move will help cut costs. High Cost of Second Opinion: A look at enlightened choices

Other companies, such as Travelers Corp., are instituting programs in which nurses or physicians contracted by the insurers review requests for surgery to determine whether a second opinion is needed. Travelers has "patient advocate" plans that process procedures that are believed to be offered either marginally performed appropriately, including coronary bypass, hysterectomy, and knee surgery. To receive the second opinion, patients recommended for these surgeries have to call screening nurses, who, if they aren't satisfied, can refer the case to a second opinion. High Cost of Second Opinion: A look at enlightened choices

Aetna Life & Casualty Co. broke new ground in January when it began offering a similar review program for outpatient surgery. Among its list of procedures that require screening: cataract surgery, knee surgery, and hernia repair. To receive the second opinion, patients recommended for these surgeries have to call screening nurses, who, if they aren't satisfied, can refer the case to a second opinion.
