What College Football Has Meant to Me

LOU CORDILEONE, Tackle
Clemson College

One thing makes me like football—contact. There is nothing more satisfying than to make a good, clean, hard block and spring a fast back into the clear; or to throw an opposing back for a loss. Football games are either won or lost in the line and the degree with which you carry out your assignment indicates who is the best man — you or your counterpart.

BOB SIMMS, End
Rutgers University

I get fun, exercise and a thrill from competing in football but more important, I've learned one of life's most important lessons: those who train most conscientiously and try hardest will succeed or be unashamed in defeat.

BILL CARPENTER, End
U. S. Military Academy

Football is more than just a game to me. Sure I love contact and the sense of satisfaction a successful play produces. The importance of the game, however, was clearly imparted by Coach Earl Blaik when he said: "The strategy, tactics, physical exertion and teamwork required on the football field simulate actual combat conditions." Since mine is the profession of arms, I find playing the game a valuable asset to me.

WAYNE CROW, Quarterback
University of California

Football gives me the opportunity to compete with the finest athletes in our country. To be successful in this high competition I must gain the respect of my teammates. This can only be done by disciplining myself into giving a full effort every day. This is true in my personal life. Respect can be gained only by discipline and effort. This is why I like football — it teaches me principles on the field that are to be used all through my life.

PRENTICE GAUTT, Fullback
University of Oklahoma

Football certainly builds character. Then you have the opportunity to meet many different types of guys and you have to learn how to get along with other people. Football is very valuable in later life because you learn how to take defeat as well as victory.

DONALD FLOYD, Tackle
Texas Christian University

Football is a rugged American game, one which offers the vigorous young man an opportunity to excel both physically and mentally. Aside from the thrill of exciting play, it teaches such values as team-play, sportsmanship, physical stamina and determination in a way you never forget.

JAKE CROUTHAMEL, Halfback
Dartmouth College

Competition, the thrill of contact sport, and the challenge to the ability of an individual are my reasons for liking to play football. College competition is, of course, best of all, and you never enter a game that you don't know that you'll be facing the very best an opponent can throw at you. This makes it all the better as far as I'm concerned. I like football, I like to play football. Getting that extra foot after an opponent has tried to stop you is a challenge every time.

ADMINISTRATORS OF ATHLETICS . . .

Dr. Ralph W. McDonald, a renowned figure in higher education for the past 37 years, has been one of the principal reasons for the rise in athletics at Bowling Green State University since his appointment as university president in 1951. A former football player himself at Hendrix College, he has taken great pride in the fortunes of the Falcons on and off the field as well as the building program, the strengthening of the faculty, and the improving of facilities.

Dr. Ralph G. Harshman has served as chairman of the athletic committee for the past 15 years and has been an active booster of the Falcon fortunes since he came here over 21 years ago. He has served the University as a professor of business administration, dean of the College of Business Administration, dean of administration, as well as university vice-president. He retired from this position earlier this month to resume teaching duties in the College of Business Administration.

Prof. W. Harold Anderson has been the Bowling Green State University athletic director since 1942. While guiding the 20-man department from Ohio Conference play through a period as an independent into one of the powerhouses of the Mid-American Conference, Anderson has also been the head basketball coach where he is ranked as one of the nation's top hardwood mentors. He served at University of Toledo before coming to BG.

Coach Doyt Perry

Twice Ohio Coach-of-the-Year, UPI Coach-of-the-Week, recipient of the Washington Touchdown Award as coach of the national college division champions, developer of 15 all-Ohio and all Mid-American Conference selections, and a Little all-American, one of the nation’s outstanding clinic speakers, and owner of the second best collegiate coaching record in America today.

These are a few of the accomplishments of Doyt L. Perry in the short period of five years that the short-statured BG alumnus has headed the BG football program.

Perry climaxed his head coaching career last season with the first undefeated-untied season in 41 years of football. With the 9-0-0 came the honor of being named by United Press International the top college division team in the nation.

The victory string gave Perry a 37-4-4 record which is only slightly behind that of Bud Wilkinson of Oklahoma, Under Perry, the Falcons have never been below a third place tie in the MAC. In 1956, BG took the league toga on 7-7 tie with Miami, the Redskins playing one less game than the rest of the league, and the Falcons took the crown.

Perry has a fabulous record against non-conference foes having never lost a game for a 15-0 mark. This record has been accomplished against such powers as Wichita, Dayton, Xavier of Ohio, Drake and Delaware.

Along with a winning record at BG, Perry has brought an outstanding staff of young coaches and educators, a fine group of young men who excel in the classroom as well as on the field, and a winning spirit among the students, faculty and staff, alumni, and other BG sport followers that is second to none in the Midwest.

Perry’s teams have been offensive minded outfits, averaging over 347 yards per contest in the 45-game record but the former Ohio State aide always comes up with a better-than-average defensive record. Perry is a firm believer that mistakes lose ball games so that fumbles, interceptions and penalties are things that BG players work the hardest to avoid. Passing has always played its part in the BG attack, last year’s team setting a new aerial record, accounting for more than 40 per cent of the offensive showing.

But being a winning coach is nothing new to Perry. Ever since he received his degree from BG in 1932, the diminutive Falcon 3-sport star has turned out winning teams.

After four years of successful basketball and track coaching at Lorain Clearview, Perry instituted football in 1937 there and in six years had a 32-9-4 record, including four league championships. His basketball and track records at Clearview were even better than his football mark.

In 1943 Perry moved to Upper Arlington as head football and basketball coach. His first football team at the Columbus suburb had a 7-2 season and the basketball team was undefeated until semi-finals of the district tournament.

After a 3-year U.S. Navy hitch, Perry returned to Upper Arlington in 1946 but limited his coaching duties to football. In the next five years, Perry had two undefeated teams and won or shared the Central Buckeye title four times.

In 1951 Woody Hayes selected Perry to join him in his initial year at Ohio State where he served four years as backfield coach and was considered by Hayes as the offensive statistical brain of the 1954 Rose Bowl and Western Conference champion Buckeye squad.

During his undergraduate days at Bowling Green, Perry was an outstanding athlete. He was quarterback on the 1929-30-31 teams that went 18 games without a loss. He won all--NWOC honors for two seasons and all-Ohio mention as a senior. He was a regular forward for three seasons in basketball and finished his 3-letter career with three awards at shortstop.

He received his secondary education at Hartford high in Croton (Licking County) Ohio where he was a 3-sport participant.

Mrs. Perry is the former Loretta Zeroll of Elyria. They have three children, Judy 19, a BGSU junior, David, 13, and D. L., 9.

The big difference is **FILTER-BLEND**

...and only Winston has it!

A lot is being said these days about flavor in filter cigarettes. But remember Winston was the one that put flavor into filter smoking by developing exclusive **FILTER-BLEND**—rich, golden tobaccos not only specially selected, but also specially processed for filter smoking.

So try Winston! It’s America’s best-selling filter cigarette, because it’s America’s best-tasting filter cigarette.

**Winston tastes good—like a cigarette should!**
