BGSU CAMPUS HAS NEW LOOK . . .

In the 51 years since the beginning of Bowling Green State University, construction and improvement have been the symbol of a constantly growing university.

This past summer was no exception to the rule as demolition crews took away outdated buildings and construction workers added to the growing number of buildings on campus.

Ivy Hall, the oldest building on campus, was razed in August to make room for a Founders Quadrangle parking lot. This lot will hold approximately 110 cars and will be used mostly for loading and unloading.

Gate Theatre also was demolished during the summer. In its place will go a storage and supply area for contractors working on the new Administration Building.

Construction on the new Administration Building, which will be located between the Music Building and Shatzel Hall, began in August.

This 10-story structure, slated to be finished in 1963, will cost $1.25 million. It was designed so that those administrative offices which require the greatest accessibility to the public will occupy the lower floors. The exterior will consist of brick and concrete panels below the windows.

Work on the new women's residence center (pictured below) on Ridge Street has progressed as planned. The residence should be ready for occupancy by upperclass women in September, 1962.

Construction continued throughout the summer on the addition to the Fine Arts Building. It is hoped that the addition will be ready for use by second semester of the current school year.

All the married couples apartments at the north end of campus were burned in conjunction with a fire school working under the direction of the state fire marshall.

The apartments were former army barracks converted into living quarters for married students following World War II. A new residential center for married students is in the plan for the future.

Among the other changes or addition and renovation of the campus include the purchase of the former Leedom property on Ridge Street opposite Memorial Hall by the University. This property will be used by the home economics department as the home management house.

The Wooster House, which was the residence of the Phi Kappa Psi fraternity last year, has been converted into faculty offices. The Alpha Phi Alpha fraternity, which occupied this house for a short time last year, has moved to Rodgers Northwest.

Fifteen park benches ordered by the classes of 1962, 1963, and 1964 have been located in suitable spots about the campus.

FOOTBALL STAFF
Dr. Ralph G. Harshman, for 25 years a booster of Falcon athletics, served the University as chairman of the athletic committee for 15 years before his appointment as acting president last summer.

During his service on this committee, the University joined the Mid-American Conference and the NCAA. The calibre of the teams representing the University has increased substantially and the teams have gained national recognition and several championships.

Dr. Harshman also was vice president, and president for two years, of the MAC, and during his presidency the Conference tightened its rules on grants-in-aid for athletes.

Joining the faculty in 1936 as assistant professor of business administration, Dr. Harshman was appointed dean of the newly organized College of Business Administration one year later. At the same time, he was promoted to the rank of associate professor, and then to professor in 1939.

In 1951 he became dean of administration, and for three years also directed the Summer School. He was promoted to vice president in 1965, serving in that position until late last year.

UNIVERSITY ADMINISTRATORS

Dr. Kenneth H. McFall, University vice president who is beginning his nineteenth year as a member of the administrative staff, is the recently appointed chairman of the athletic committee.

Dr. McFall came to the University as dean of freshmen in 1943, became director of guidance services in 1945, assistant dean of the College of Liberal Arts in 1947 and dean the following year.

He succeeded to the vice presidency of the University in 1960 when Dr. Harshman, who had been vice president, returned to fulltime teaching.

While he was provost of BGSU, the College of Business Administration was accredited by the National Association of Collegiate Schools of Business.

During the administration of President Ralph W. McDonald, Dr. McFall was closely identified with the program of major curricular reorganization on a University-wide basis.

A graduate of Mt. Union College, where he served for nine years as director of admissions, Dr. McFall is a member of that college's board of trustees.
DAYTON'S GAME . . .

Dayton Invades Seeking First Victory . . .

The University of Dayton Flyers, under Coach Stan Zajdel, will be seeking their first win of the season today.

Two weeks ago the Flyers lost a close one to the University of Cincinnati 16-12, then last week were routed by a strong Kent State team 38-14.

Dayton, which has experienced three straight losing seasons, nevertheless has developed some outstanding players that have gone on to play in the professional ranks. This team never can be rated a breather for any opponent, as evidenced by its win over Villanova last year and its near-upset of Wichita’s Missouri Valley champions.

The Flyers to date have experienced some difficulties with their running game. Though last year’s leading rushers are back, they’ve disappointed so far, shoving the offensive burden on quarterback Dan Laughlin.

Laughlin, the team’s captain, passed for two touchdowns in the loss to Kent last week, hitting on 14 of 29 throws for 200 yards, while the runners accounted for only 72 yards.

The strong-armed quarterback will offer a strong test for the Falcon secondary, which allowed Marshall only 48 yards last week.

Dayton will be seeking revenge for three straight shutouts at the hands of Bowling Green, the last a 14-0 whitewash two years ago on this field.

BG Seeks 19th Straight Over Non-Conference Foes . . .

The Falcons’ comparatively easy win over Marshall University last week by a 40-0 score raised a few eyebrows in the midwest, especially those of the Orange and Brown opponents.

One game doesn’t make a season, as the saying goes, but the game proved to Mid-American Conference foes that the Falcons are still one of the top teams to beat for the title.

The win also showed non-conference opponents that they will have to be at their best to end Coach Doyt Perry’s string of wins over them—a string that now measures 18 wins long.

The first game also gave Coach Perry a chance to look at a lot of his reserves in action. This valuable game experience means that the Falcons have just a little more depth than they thought they had before the season opened.

One of the positions where this was most evident was quarterback, where second team all-MAC veteran Jim Potts completed seven of nine passes for 126 yards and two touchdowns, proving that his ankle was strong again.

His replacement, Tony Ruggiero, displayed his talents, also, hitting two of two for 24 yards and running for 68 yards.

The Falcons totaled 488 yards, 319 on the ground and 169 in the air, while limiting the Big Green to 148.

Falcons Lead Series, 3-2 . . .

The Dayton-Bowling Green football series began in 1926 and has been marked by four shutouts in the five games, BG winning the last three after dropping the first two.

Reports of the first encounter between the two in 1926 indicate the Flyers’ size and experience was too much for the Falcons as UD rolled to a 41-0 win in the season opener at Dayton.

Twenty-one years later, again at Dayton, BG fell short in an upset attempt in bowing 20-13 to the Flyers. Several key injuries hampered BG’s efforts as its team fell behind 13-0, and just couldn’t catch up.

The Falcons began their shutout streak over the down-staters in 1954 with an 18-0 whitewash at Dayton. Kenny Russell intercepted a pass, Bill Bradshaw completed one to Chuck Kissell, and John Ladd plunged for the three BG tallies.

In the fourth straight game at Dayton, BG won 25-0, but the score doesn’t indicate the closeness of the encounter. For 40 minutes the game was scoreless, but Dayton native Bob Colburn intercepted a pass in the end zone to end a Flyer threat. Moments later, halfback Harold Furcron dashed 81 yards for the first Falcon tally. BG made it “no contest” in the final quarter, scoring three touchdowns to end a Flyer home winning streak at seven in the 1958 tilt.

The first time a UD eleven set foot on BG soil, the Falcons pushed them all over the field, yet scored only two touchdowns.

As the Falcons were on their way to the national college division crown in 1958, they downed Dayton 14-0 and dominated the statistics, yet didn’t put the game safely away until midway in the final stanza.

Bob Colburn scored early in the first quarter on a bootleg play and it looked like a rout, but BG failed to score three times deep in UD territory. The Falcons ran up 323 yards to the Flyers’ 17, including a minus six rushing total.

ALMA MATER

Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.

Time will treat you kindly
Years from now you’ll be
Ever dearer in our hearts,
Our University.

From your halls of ivy
To the campus scene,
Chimes ring out with gladness
For our dear Bowling Green.

When all is just a mem’ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.
The Bowling Green State University Marching Band

HALF-TIME SHOW

The Bowling Green State University Marching Band, under the direction of Prof. Roy J. Weger and assistant director Richard Ecker and featuring head majorette Lucylee Neiswander, today presents a half-time program directed toward the entering freshmen.

Every fall eager-eyed freshmen that come to BGSU are given the usual grand tour of our ever growing campus. As a public service to this fine group of young people the band would like to point out in formation and music, some points of interest slightly off the beaten path.

1. For the young ladies in the audience, the band calls your attention to the gargantuan young man forming on the field. He represents the ROTC cadet, complete with rifle and fixed bayonet.

2. Any afternoon during football season behind Rodgers Quadrangle, on the mall in front of the Administration Building, on the baseball diamond or any convenient large open space, a group of hard-working majorettes practice their routines for Saturday afternoon. Between two king-sized batons the finished product is put on display.

3. The first helping hand received by incoming students every fall as they unload at the dormitories, and quite a familiar figure thereafter is the University policeman. The band forms a replica of their badge in salute to the “campus cop,” as it plays “Don’t Be Cruel.”

4. In the twilight shadows, behind the scenes of campus life, frequently a little drama unfolds. The old story of boy meets girl, two hearts mingle into one. Watch the action of the two hearts and listen as the music tells you the story of “Two Hearts, Two Kisses.”

5. Usually not associated with university life, but becoming most common on the scene at Bowling Green is a most integral part of the construction surrounding us. Here is one more opportunity to gaze in amazement at the work of the power shovel.

Opening game of the 1921 season with new coach Earl C. Krieger at the helm was the start of BG's first gridiron championship. This game was played at the Ridge St. field, now the site of the Ridge St. Elementary School. About 500 people witnessed the game which the B.G. Sentinel-Tribune said "was the closest and quietest game in BG football." Serious illness in a neighboring household prevented any rooting by the students.

Captain F. G. (Gus) Skibbie, now the Bowling Green mayor and social studies instructor at B.G. high school was the captain and quarterback. Both teams moved the ball into the opponents' territory, but there was no scoring.

An incident in the third period caused a little rhubarb. Skibbie completed a 15-yard pass to Al McMan, now an auditor in Elyria, but the head linesman called a penalty on Kent. According the game contracts the head linesman, "a local man," could not call penalties, so the ball reverted to its prior spot.

BG used only 15 players. Dr. Dallas March of BG was a speedy halfback in those days and Bob Younkin, also of BG, was a full game performer at center. BGNC had 431 students, including 90 men.

PERRY'S BG RECORD IS NATION'S BEST...

Bowling Green State University's Doyt Perry in his six years as a head coach has compiled a won-lost record which ranks him first in the nation among the country's active coaches at major schools.

In that span his teams have won 45, lost only five, and tied four for a percentage of .870 against teams from the ever-rugged Mid-American Conference and such outside foes as Xavier, Dayton, Delaware, Wichita, Southern Illinois, and Drake.

Oklahoma's Bud Wilkinson is the only major college coach with a mark that approaches the BG mentor's total and he trails by only three-thousandths of a point. Mississippi's John Vaught, who posted a 9-0-1 record last year, is gaining rapidly on the two leaders.

Perry, who started football at Lorain Clearview in 1937, had an equally amazing high school record there and at Upper Arlington, winning 73, losing 20, and drawing in six games. His coaching totals since 1937 read: 118 wins, 25 losses, and 10 ties, for an .804 percentage.

Here is the major college coaching's top 26 before the 1961 season:

MEET THE FALCONS

DON LISBON—Halfback from Youngstown (South) who saved the backfield when injuries struck hard last season. He developed into the co-most valuable player on the team and was a second team all-MAC selection. Don led the team in rushing with 605 yards in 99 carries and caught six passes for 91 yards. He’s one of the MAC’s great runners. Electronics is his hobby.

JERRY CROFT—Tackle from Cleveland (Rhodes) who is the only Falcon returning who gained first team all-MAC honors last season. He’s been a standout performer for two years. The coaches rate Jerry as one of the top tackles to wear the Orange and Brown. Business administration is his major and he intends to enter the business field in personnel work.

LARRY SMITH—End and co-captain from Van Wert who is starting his third varsity year at BGSU. He’s won two letters for his steady, all-around end play. Though defense is his forte, he can catch the ball, too. Larry came to the campus via the U.S. Military Academy, where he played plebe ball. A math major, he likes to hunt and fish.

RAY KWIATKOWSKI—Guard and co-captain from Clifton Heights, Pa. Ray is the only out-of-stater on the squad and the only returning guard letterman. He earned a letter at center his sophomore year and was the only first year man to start. A Marine vet, he saw duty in the Far East and Hawaii. “Ski” is a future teacher.

JOHN HASCHAK—Halfback from Cleveland (Lincoln) who led last year’s freshman team in rushing with 367 yards, averaging six yards per carry. He also led in pass receptions with seven for 62 yards. One of sophomore backs counted on to provide depth behind Lisbon and Hepner. John is a hardnosed performer with average speed and a lot of drive. He’s a biology major.

BARRY WEAVER—Halfback from Kettering (Fairmont) who led last year’s frosh team in scoring with 28 points. He rushed for 137 yards in 19 carries for a 7.1 mark and caught six passes for 94 yards. A real hustler, he is another sophomore counted on for depth, Barry is dependable on punt and kickoff returns. A finance major, he intends to enter the banking field.

EARL WHITESIDE—Halfback from Hamilton (Garfield) who was voted the most valuable defensive back by last year’s frosh teammates. He intercepted three passes for 50 yards. He averaged six yards per try rushing and caught six passes for 59 yards. Earl played well in the spring game and should develop rapidly. He intends to teach.

The
National Football Foundation
and
Hall of Fame

The National Football Foundation is a nationwide organization that enlists everyone interested in the game for a purpose that truly serves American youth. That purpose is to promote football as an integral and wholesome part of our educational processes and to encourage the beneficial direction and playing of the game throughout the country.

The Purposes and Goals

To achieve its purposes the Foundation seeks to establish the true concept of football as an amateur game and to gain recognition of the important role it plays in the preservation and advancement of our way of life. It endeavors to obtain those goals by disseminating substantive information through its own publications and the other media that reach the public, and by honoring in the Hall of Fame those players and coaches whose deeds and lives during and after their playing days have been exemplary and inspiring.

National Symbol

The Hall of Fame, although it plays a prominent part in the work of the National Football Foundation, and is a challenge to all those interested in the game, is only one of the activities of the Foundation. However, it is the living symbol of the Foundation, and the focal point of its many interests.

We earnestly solicit the support of all football men

We invite all enthusiasts of the game to become members

We hope all will become active in their hometown chapters

Please use the coupon below and let us enroll you in the ranks of those who support football
