A MOST APPEALING NEW EDUCATIONAL TOUR

The Bowling Green State Normal is ahead of any other college or university in offering for the first time a very wonderful educational tour to some newly opened “wonderlands” in the South-West that few have yet visited. It includes a new approach to the Grand Canyon, Zion National Park, Bryce Canyon, Cedar Breaks, and the Kaibab Forest.

Every traveler interested in seeing the most impressive scenery in the world naturally wants to visit the Grand Canyon of the Colorado River in Arizona. The Canyon is immensely old, but here is a new approach to it that will enable you to view “Nature’s greatest master-piece of erosion” from a point 1500 feet higher than the former approach from the south side.

Naturally you will want to see the Grand Canyon at its best, for it is characterized as “the most sublime spectacle in all the world.” From this higher new point of observation one gets a broader and grander panoramic view of the Canyon than at the lower level from which some of your friends have already seen it.

Zion National Park is one of the most talked of wonderlands in N. A. at present; but those who see it declare emphatically that “the half has never been told”! Yosemite is a region of wonder and inspiration, but here in Zion is another Yosemite that is “painted” in such unbelievable colors that it far surpasses the Yosemite of California.

Then comes Bryce Canyon, another great attraction. In the whole wide world there is nothing to approach it—a marvelous region of Nature’s choicest carvings. Not only are the carvings of Wind and Rain at their best here, but the rich colorings give an added life and charm to the mysterious, awe-inspiring figures and forms in stone. Both Bryce Canyon and Cedar Breaks will add wonderful new chapters to your life experiences, and will give you impressions and experiences a-pelnty for a life time.

Another big attraction. Have you ever visited one of our great national forests? Then, here is your chance. In going from Zion National Park to the Grand Canyon one passes thru the Kaibab National Forest, one of the most beautiful woodland areas in N. A. and at the same time one of the greatest game preserves in the world. There are said to be over 50,000 wild deer in this great forest, and it is no uncommon thing to see a hundred or more at one time. Many other interesting forms of animal life abound.

In contrast with dizzy canyon depths the trip also includes most impressive mountain heights, for some of the very best of Rock Mountain scenery is included in special side trips. Lack of space forbids even reference to them here; but they will afford plenty of “thrills” and deeply inspirational scenery that will never be forgotten.

A score of other big scenic attractions are also included in this great combination educational tour. Great Salt Lake, the Royal Gorge, Ogden Canyon, city sight-seeing trips are a few of the many attractions.

All travel details are worked out for you so that you go absolutely care-free, in order to get the most possible out of the trip; and at the same time the cost is considerably less than what it would cost one to go to these places alone or in any other way.

For further information see Professor Holt of the Geography Dept. All requests for joining this party should be in as early as possible.

All students and teachers desiring to take either the Yellowstone-Middle West trip, the Grand Canyon and South-west trip, or the shorter Lake Erie and Niagara Falls trip should see Professor Holt as soon as possible in regard to making reservation in one of these special groups.
Newly Organized Skol Alumnae Hold Sorority Luncheon at Clubhouse

Celebrating the fifth anniversary of the sorority, the newly organized Skol Alumnae enjoyed a bridge-luncheon at the Woman's Club Saturday, March 17.

After the luncheon courses a short business meeting was held at which it was decided to have a similar function semi-annually, the next one being at Homecoming in the fall.

Several tables of bridge furnished amusement for the afternoon, prizes being awarded to Miss Jean Sherer and Miss Esther March.

About five o'clock the members adjourned full of enthusiasm and plans for a successful year.

The following members were present: Misses Esther Russell, Port Clinton, Pauline Barnwell, Waterville, Vivien Murdock, Oakwood, Grace Kille, Jean Sherer, Rossford, Ida Switzer, Cygnet, Arlene Stannard, Esther March, Bowling Green Dorothy Nieman, Port Clinton, Helen Reider, Toledo, Ruth Beckman, Milbury, Helen Whipple, Blissfield, Mich., Pearl and Merle Gray, Columbus, Marjorie Chapman, Bowling Green, and Mrs. Laura McMasters Caldwell, Weston.

Seven Sister Rush

The second in the series of sorority Rush Week parties at the college was given by the Seven Sisters in the Woman's Building Tuesday evening and took the form of an informal bridge and dancing party from 7 until 11. Twenty sorority sisters delightfully entertained nine college girl guests at eight tables of cards, favors for bridge going to Miss Cora Gillin, who held high honors, and to Miss Ruth Edwards who held low score. Refreshments were served at the conclusion of the party and with green appointments carried out the color scheme of St. Patrick's day as did the favors and tallies.

Skols Inaugurate Rush Week With Dinner Party

The Woman's Club Monday evening was the scene of a very attractive bridge dinner dance given by the Skol sorority of the college in recognition of Rush Week. The girls assembled at 7:00 o'clock around a gaily decorated table whose appointments were in keeping with St. Patrick's Day. Favors were small bouquets of sweet peas tied with the sorority colors of orange and black. Place cards and bridge tallies were daintily suggestive of the Irish green and its symbolism.

Toledo Club

The Toledo and Lorain Clubs held a joint meeting, March 19, in the Band Room.

Each club planned a program that was original and clever. The first act was put on by the Lorain club, and was called a "Human Automobile." It was an exact reproduction of an old ford, and everyone had a good laugh over it. Nelda Murphy entertained us with a dramatized song.

The Toledo Club presented a "Buffalo Bill" act. The wild west men were Jessie Lilllicotch and Virginia Arduser. This scene was a breath-taking one, as the gunmen were true to life. The next act was a take-off on the faculty. This was
cleverly worked out by Edna Carr, Velma Creps, Alice Richards, and Harriet Bush. A Moving Picture “Studio” was the last part put on by the Toledo club.

Dorothy Robinette was the prefect Village Photographer. Pictures were taken of Anna Rappaport, the town gossip Jeanne Sach, the bride-elect, Lorretta Onnenga, the prize fighter and Ann Wollman, the society leader of the town. A pot luck supper and dancing followed the program in a most enjoyable evening.

The Emerson Literary Society

The “He-Man” program given by the Emerson Literary Society, Wednesday, March 14, was a huge success and was thoroughly enjoyed by all. The first number was “Characteristics of a Man’s Man” given by Walter Schmunck. Then came “Men’s Men From History” presented by C. D. McDaniels. The program ended with “My Friend Mart” which was very interestingly presented by Toby Edwards.

The club is now looking forward to its annual taffy pull and a weiner roast to be held sometime after the spring vacation.

A newspaper, The Emerson Exaggerator was published Wednesday evening, March 28, at the regular meeting of the Emerson Literary Society. Miss Martha Burwell was news editor. An account was given of Dale Mac Daniels, long distance flier, who has just encircled the globe in 36 hours and 1 minute. Toby Edwards announces that he is a candidate for president on the Independent ticket. His slogan is “Bigger and Better ice cream cones and weiner sandwiches.”

The sports editor was Miss Kathryn Gunn. The magnificent “battle of the centuries between the Fairies and the Firpos” was described in full.

Mr. Louis Veeler was the polished editor of the Society Page. Mr. Daniels had charge of the “Advice to the Love-lorn” column. Because of his wide experience he was able to answer all questions put to him.

Miss Elizabeth Brown, our rising young poetress, wrote a poem for children. Miss Eloise Alspach was another to the Poet’s Corner. Her poem was entitled, “That’s A Question You Hear.” Most Everyday.

Will Rogers visited the Campus recently during chapel, and later made a tour of the grounds and college. One of the things which bother him most was why we have a round square in front of the administration building. He would also like to know why students who are busily studying during chapel should be disturbed by someone getting up in front and yelling at them. Since he did not have time to be present himself, he sent his able deputy, Isabel Wagner.

Robert Shelton, had charge of the advertisements. He had a number of Matrimonial positions advertised. Anyone interested in obtaining a satisfactory wife or husband would do well to answer these advertisements.

The next meeting will be led by Miss Martha Brown. The topic will be “Presidential Candidates: “Who and Why.” Each member will be expected to be able to give a three minute talk on his favorite candidate. The program will be followed by a taffy pull.

Chapel Notes

March 13

Dr. Barringer gave us his version of the N. E. A. meetings which he attended in Boston. We are always interested in getting different peoples viewpoints and Dr. Barringer is never commonplace.

March 27

Rev. George Lawrence Parker of Unitarian Church of Toledo addressed us this morning on the subject “Spiritual Leadership in a machine made Democracy.” The speaker spoke for his popularity more eloquently than any words can here.

April 10

The musical numbers rendered by Miss Clement and Mrs. Mores this morning were enjoyed very much. We always appreciate a musical program.

### Popularity

You who think you are popular. Did you ever stop to wonder how secure your position may be? According to the dictionary popularity is general esteem. It is natural for some one of every group to be more popular than the majority. But, we must find what is the basis of this popularity.

Some people are popular because they have money. They need not necessarily have a great deal, but use much of it to keep pace with a few friends whom they like. This is all well enough, but, where will this student stand when his supply has been exhausted? Others try to stay in the limelight by doing something spectacular; by spending a great deal of time trying to excel, say in some sport. Usually these are popular only a season or two. Then they fall and fall hard.

The only true and lasting personality is gained, not by trying to become popular, but through honest hard work, true sportsmanship, loyalty to one's group, and by being true to one's self as well.

### The Last Lap

April 9 found us beginning the last lap of the scholastic year 1927-28. For a great number of students, this nine weeks period may seem unimportant, but for others it is the last of their college career at Bowling Green. They are beginning on the last lap.

These few weeks will greatly influence the future of the Seniors and from now on their attention will be turned to worth while things out in life as teachers. Success will depend upon their ability to get people interested enough in them to solicit their services.

Therefore, make the most of these few remaining weeks, Seniors.

### Common Courtesy

It seems to be a common occurrence in chapel or at any college entertainment for a certain group of students who either are ignorant of or disregard the simple rules of common courtesy. For a brief time silence reigns, then soon a buzz and hum of voices begins, and almost culminates in a mad uproar. A great craning of necks, wiggling around in seats, stamping of feet, loud guffaws, and unnecessary whispering characterizes almost all of our chapel or other student assemblies.

Even if you do not like the speaker or the music, should you be allowed to bring down the standard of the college? You are only making people regard you as unrefined and unkind. By the lack of respect on the part of a few, a stranger may very easily be given the wrong impression of our college. The last motto you can adopt is, “Do ye into others as you would that they should do unto you.”

On March the twenty-second, the annual election was held, with the following results:

President—Martha Burwell.
Vice president—Helen Starkweather.
Secretary—Elizabeth Rump.
Treasurer—Bernice Hitchcock.

Henry County Club

The Henry County Club held its regularly meeting, Tuesday, April 10. The meeting was called to order by Pres. Lawrence Doren. Paul Lankenau, one of the dignified Seniors here, gave an interesting talk which was greatly enjoyed by all.

Then due to the “County H. S. contest” the meeting was cut short, the movies were eliminated. The movies will be given at the next meeting. A special meeting will be called. Business was discussed then meeting was adjourned.

Lets! Boost the Henry Co. Club. Lets try and see if we can’t each bring a friend and encourage others at ttend.

The meeting devotes part of the time to business and a program and then comes the recreational.

Lets! Boost the Henry County Club.

Country Life Club

The Country Life Club held its regular meeting Wednesday, March 21, at the college. It was opened by the singing of several songs. A very interesting program was given by the various members of the organization. Harry Gwynn discussed the important current events. A very clever little skit was given by Nelda Murphy, who was accompanied by Florence Rice. Following this was the main feature of the program, a lecture by Ivan Lake on “And What Have You.” He gave a most humorous talk upon the causes and remedies for stomach trouble. The program was concluded by a piano duet played by Pearl Urshalitz and Ruth Poetzinger. After singing some more songs we went to the gym for the “social hour.”

Mrs. Hissong Dies

We are very sorry to learn of the death of Mrs. Hissong who died Friday, April 16 at a hospital in Dayton. Mrs. Hissong had been ill for about three months, but was reported as recovering. However death came unexpectedly.

Prof. Hissong had charge of the training school for four years. They have one daughter eleven years old.

Five Sister News

On Tuesday evening March 20th, the Five Sisters met in the club rooms of Shatzel Hall to administer the pledge services to the following girls; Marie Alwine, Quaker City; Alice Budd, Perrysburg; Ruth Morehead, Virginia Teachout, Toledo; Gertrude Smidlen, Maumee; Esther Smith, Fostoria; and Geraldine Scott of Bowling Green. Following these services we had a short business meeting to complete the plans for the annual dance.

Miss Mary Caywood, of Frederick, Orio, having completed her period of pledgeship was given her final degree, March 25th.

The annual formal dance of the Five Sisters Sorority was held on March 24th in the college gymnasium. The decorations of many colors transformed the room a Spanish garden scene. The dark background, the blue heaven, the wooden pillars and the colored lights lent realism to the scene.

During the grand march black lether bill folds embossed with the Five Sister seal were presented as favors to the men. The girls received programs to match. The Gene Goldkettes Orchestra then played a program of lively selections and the dancing was enjoyed by fifty-five couples. Refreshments were served throughout the evening by dainty madens dressed in keeping with the spanish decoration plan. The members of the executive committee in charge of the
dance were: Virginia Smith, Maxine Rouse, Pauline Wenger and Kate Taber.

The guests of honor were: Dr. and Mrs. Williams, Professor and Mrs. Zaugg and Coach and Mrs. Landis. Other guests were: Misses Martha Brown, Helen Brown, Eva Busevenger, Frances Feigel, Gertrude Fries and Edith Pope.

**Seven Sister Pledge Service**

The Seven Sister Sorority held their regular meeting on Wednesday, March 26, at Shatzel Hall. After a short business meeting in which plans for the coming dance were discussed, pledge service was conferred upon the following: Mary Doyle, Findlay; Clara Gillian, Marion; Jean Robertson, Bowling Green; Isabelle Crum, Delaware; Cletus Eckel, Bowling Green; Dorothy Cox, Lorain; Ruth Edwards, Napoleon; and Gladys Knarr, Whitehouse.

**Seven Sisters Entertain**

The Seven Sister Sorority entertained a group of girls with a bridge at the Woman’s Club on Thursday, March 15. The first few minutes were spent in getting acquainted. While bridge places were being found, a short humorous play was given by some of the new “actives” then everyone proceeded to play bridge.

The first prize, a glass elephant filled with bath salts, was captured by Clara Gillan, and Ruth Edwards was the lucky winner of the “booby” prize, a gaily colored parrot.

After the awarding of prizes, a delicious lunch was served which was followed by a short period of dancing.

**Skol Sorority**

On March 27 the Skol Sorority had a very effective pledge party in the annex of Shatzel Hall. At this time the following girls became pledges: Edith Crosses, Margaret Keller, Marjorie Washbaugh, Katherine Tadsen, Kathleen Soufert, Thelma Chetister, Olive Lutz and Mildred Schatz.

Tuesday, following the Easter vacation, initiation proper began and after a short business meeting we were delightfully entertained by our pledges. Following the entertainment we all enjoyed a pot luck dinner, which was served by the pledges.

**Spanish Ball Given by College Fraternity**

The Spanish Ball given by Ye Olde Five Brothers fraternity of the College in the Woman’s Gym last night was one of the most brilliant and artistically conceived affairs of its kind in the history of the school. The Five Brothers annual dance is one of the important occasions on the College social calendar and is much anticipated from year to year.

Last night’s ball transformed the gymnasium into a Spanish patio with a blue canopy above simulating the dark sapphire sky of night, the Spanish arches of long, shaded arcades framing the open space which made the dance floor. A Spanish balcony effect was achieved by covering the gallery railing with blue streamers in festive decoration. Gay awnings in wide red, purple, green and yellow stripes added a dash of vivid color suggestive of senioritas, toreadors, and the picturesque atmosphere of Old Spain. The Moorish influence was seen in the spears which crossed the creamy pillars upholdin gthe arcades and which formed the braces for the bright awnings. Rising to meet them were green fronded palms. From the balconies hung gold and silver cloth, carelessly draped, and beneath, in the shadowy arcades, where mellow light glowed from Spanish lanterns mounted on the wrought iron
always associated with this fascinating
country, small tables were placed where
the senors and senoritas were served with
chili con carne, saltines, and coffee, by
pretty little Spanish waitresses in cos-
tume, who were Misses Zenobia Fries,
Beulah Steen, Ruth Kershner and Louise
McMahon. They also served punch thru-
out the evening.

At the west end of the patio wicker
furniture in gay cretonnes was arrang-
ed for the patrons and patronesses who
were President and Mrs. H. B. Williams,
Dr. and Mrs. C. C. Kohl, Prof. and Mrs.
E. C. Powell, Coach and Mrs. P. E.
Landis, and Mrs. M. Swearingen. Re-
grets were received from Athletic Di-
rector W. E. Stellar.

College Basket Ball

Coach Paul Landis was host last night to members of the College basket ball team at a steak dinner at the Woman's Building which was served at 6:30 o'clock. The affair was one of similar delightful courtesies extended each year by Mr. Landis at the conclusion of the basket ball season and this proved no exception in the way of enthusiasm and comradship.

Following the dinner, Athletic Director, Warren E. Stellar talked briefly on the successes of the past season and the pleasing campaign through which the boys had come so splendidly. Coach Landis contributed a few remarks in the same vein, and discussion followed.

Those present were Messrs. Miller, Robbins, Jump, Steen, Yawberg, Filiere, Ryder, Fish, Markle, Swergin, Athletic Director, Warren E. Stellar, Ivan E. Lake, of the Sentinel-Tribune, and the host, Coach Landis.

Miller, Robbins, Jump, Steen, Yawberg, Filiere, Fish and Sweringen were named letter men. Mr. Miller was made honorary captain of the team for the past season.

During the evening part of the group were entertained informally at the home of Coach and Mrs. Landis.

Girl's Gym Work

Possibly two hundred people braved the stormy elements Thursday March 29 to watch the excellent demonstration presented by the men and women gymnasts at the new college gymnasium.

Some three hundred students took part in the many events which included contests, games, dances and clogging. The men engaged in apparatus and tumbling stunts, it being the first time that they ever joined with the girls in this annual event, enjoyed.

The work was a demonstration of the class room work by Miss Carolyn Shaw, the head of the department and her assistant, Miss Dorothy Haskins. The work of the men was supervised by Prof. Warren E. Steller.

Dr. H. B. Williams, president of the institution, presented the athletic awards to many girls, who earned them through athletic participation during the year.

The following regulations govern the award of the "W. A. A." to women athletes, the emblem being regarded as the same as the Varsity B. G. to men.

Points are earned by participation in interclass athletics.

Everyone who comes to practice regularly and plays in one half of the games which their team plays will receive at least 25 points.

Those who are on the first team receive 100 points.

Those on the second team 50 points.

Squad members receive 25 points.

During the year points may be received in hockey, soccer, basket ball, track and field, volleyball, indoor baseball and tennis.

A point a mile is given for any hike
of five miles or more which conforms to the hiking rules.

A person winning 300 points receives the W. A. A. emblem and the girl who has 600 points receive a chevron. For 900 points the chevron is made a double chevron, and when a girl receives 1250 points she is given a B. G. sweater.

The points accumulate from year to year. No one has yet received a double chevron or sweater.

Those girls receiving emblems were:

**Stag Party**

A new way of giving letters and sweaters to the varsity men was broached upon by Coaches Steller and Landis.

A Stag Party was held in the huge gym, with men participating in Volley Ball, Cage ball and numerous other exercises.

Coach Steller called the men all together at one end of the gym and he told us of the reason for holding the Stag Party. That it was to increase more spirit into the men of the college. There are only about 150 men in school contrasted with 500, or so many, girls.

This plan created greater interest in the giving of the letters and sweaters.

The Coaches then awarded the letters and sweaters to the men who had won their letters in Cross County, Basketball and Football. It was a real treat to see the way in which the awarding of the coveted B. G. to the Varsity men. Yells were given for each man as he came forward to receive his letter.

After the awarding of the letters was done, we were greatly treated with cider (hard?) Apples and doughnuts. Also a few musical selections were rendered by Mr. E. Loomis.

The Brown trophy which is to be in our new addition to the gym was donated by Mr. D. C. Brown of the trustee board of our college.

This trophy is to have the name of the most valuable man, in each sport, engraved on this trophy.

So far, Forrest Warner (in football) and Wilbur Miller in basketball, have had the honor. I should also state that medals are given to these men who receive the “most valuable man” honor.

I think we should heartily thank Mr. Brown for his efforts in promoting such an interest in our College sports.

At exactly 9:15 the party broke up. A good time was enjoyed by all those present.

We should maintain this Stag affair as a yearly occurrence and have a traditional party, every year to honor our letter men.

Women's Athletics

Athletics form one of the chief interests among the women of the college. Every spring witnesses a large group of enthusiastic athletes out for all the various sports offered in the Physical Education Department.

With the final game of the basketball winter sports ended. Now baseball, tennis, track, etc. occupy our time. The athletic field is fairly alive with promising baseball stars and athletes.

The Women's Athletic Association cooperates with the department in promoting women's activities, and arousing a lively interest in athletics by allotting points for membership on teams and squads. Let's boost our teams and help them win!

Athletic Carnival

On Thursday evening, March the twenty-ninth an Athletic Carnival was given under the auspices of the Women's Athletic Association. Many interesting features comprised the program—stunts, folk and clog dances, tumbling and numerous other equally peppy numbers. In spite of the weather's being against us, there was a fairly large group of enthusiastic spectators who witnessed one of the best Athletic Exhibitions ever held at the college. Under the able leadership of Miss Shaw and Miss Haskins the program was especially good. Besides the regular class work being displayed, several splendid stunts by the men were given. The last item on the program was a Giant Volley Ball game, in which everyone who was on the program took an active part. Clowns, old fashioned girls and boys, negroes, hayseeds, and many others attempted to get the huge ball over the net.

Those who helped to plan this carnival were:
Helen Starkweather, general chairman.
Esther Ross, program chairman.
Jessie Lillicotch, dancing.
Virginia Arduer, pyramids.
Catherine Bowersox, games.
Mary Miller, stunts.
Rozella Loesch, costumes.
Betty Taylor, refreshments.
Gertrude Schmidlin, tickets and advertising.
Elda Talbert, ushers.

One of our customers had been reading about what the chic Parisienne was wearing this Spring. Dropping in to our store to make a small purchase she recognized a copy of one of the frocks she had admired in the illustrations, and exclaimed in astonishment, “Good gracious! Tomorrow's styles are here today.”

Yes indeed they are. Our buyers are constantly searching the markets for fashions from Paris, gay costume accessories from the Continent, bright chintzes for the home. The gayest seasons of the year are here, and we must dress accordingly. Tomorrow’s styles are no further than the nearest Penney store.
