The Bee Gee News sends you this copy with their compliments. Note a list of about one-third the graduates of B. G. S. N. C. You may expect to receive two more issues of this paper to complete the list.

Kindly save the lists, look them over and help Prof. Hissong locate every one.

Now just to make the following papers real newy for the graduates send us some news about yourself and others.
BOY SCOUT MOVE

The College Y. M. C. A. is again sponsoring a Boy Scout Leaders Training Course. A similar course was given two years ago with Mr. Nisbett, Field Executive from Toledo, in charge of the course.

The course consists of twelve lessons given over a period of about nine weeks. Three of the sessions are to be held outdoors, one of them to be an overnight camping trip. Those taking the course will spend much of their time learning the things that scouts are taught and the rest in learning how most effectively to teach these things to the boys.

The course will be under the direction of Mr. Katsche the new Field Executive, in charge of Bowling Green, Fremont and Port Clinton. Mr. Katsche will be the speaker at the next Y. M. C. A. meeting and he will outline and explain the course at that time.

Prof. E. J. Powell is in charge of the course and Ralph Lindsey is to act as business manager. About fifty men have already signed up for the course. If you have not already signed up see one of the men mentioned above and get in with the bunch—both for a good time and for some worth-while knowledge. Teachers are frequently called upon to start or lead Boy Scout troops. Will you Be Prepared?

STATE COLLEGE

The legislation of the General Assembly of Ohio to establish an Arts course at Kent and Bowling Green in addition to the present Teacher’s Training courses passed the Senate without a dissenting vote.

Careful consideration of the measure is being given this bill by the House committee. Bowling Green and Kent have had representatives at Columbus studying and explaining the situations.

To the Bee Gee News, the bill should pass.

There are many young people who would take an Arts college course, thereby increase the service of the institution. To be sure it would require additional faculty, but no expense for Library facilities, physical training outlay or general overhead for administration will be made. This economy should have an influence and we feel confident that the Arts course for Bowling Green and Kent will be authorized by the General Assembly.

Miss Ethel Reed, Fifth grade Critic at the Church Street school, has returned to her position after a semester’s leave of absence spent in study at the University of Chicago.

An informal recital was held in the studio Thursday evening, February 14th at which time a number of students in the music department appeared in vocal and piano numbers. The department will welcome any member of the faculty or student body at these affairs which will be scheduled every two or three weeks.

Miss Ruth Van Dorn, Sixth Grade Critic in the Church Street school, is having a leave of absence for this semester. She is taking work at State Normal college, Bowling Green.
On February 20, a Bowling Green College debate team visited Case School of Applied Science, Cleveland, and debated with a picked team of that school, the abolition of the Jury System. An audience decision game Bowling Green the victory.

Never has a Bowling Green debate team been accorded finer entertainment than at Cleveland. The boys were the guests of the President of the institution at a dinner at the Fenway Hotel, and of different fraternity groups over night.

This makes three straight victories for the affirmative team this year in decision debates having won from Muskingum, Otterbein, and Case. The speakers were: Lewis Manhart, senior, Leonard Linsenmayer, freshman, C. D. Van Tassel, senior, Robert W. Tripp, sophomore, and Nelson Rozelle, senior. During this year, several speakers debate on each team, instead of three. This gives a better chance for speech training, and creates a greater interest in debate.

HOME ECONOMICS

The February meeting of the Home Economics club was held Wednesday evening, Feb. 13, in Room 217. The president, Virginia Smith, was in charge. The roll call and minutes of the last meeting were read by the secretary. Miss Heston brought a message from Miss Henderson, who is on a leave of absence, which was appreciated very much. Plans for the annual party were discussed. The club then attended the Case-B. G. debate after which refreshments were served to the debaters. Decorations were in keeping with St. Valentines day.

GOLD MASK CLUB

A special cast was selected from the Gold Mask, B. C. college fraternity, for the presentation of "The Enemy" a three act war play written by Channing Pollock.

Miriam Long-Alward, of Camden, Mich., whose last appearance with the Gold Mask was in "The Passing of the Third Floor Back" in 1925, has returned to this city especially for this occasion. She will play the leading role of Pauli.

Opposite her will be Clement Premo, high school teacher at Swanton, O., who is well known for his work in "Within the Law" and "Smilin' Through" last year.

Olive Bowersox, teacher in Napoleon high school, well remembered for her great roles in "Within the Law" and "Smilin' Through" last year, is playing a prominent part.

Carleton C. Jones, drama instructor of Bowling Green high school, is to act in the role of Prof. Arndt, the pacifist. Opposite him in the role of the militarist will be Graham Place, teacher last year in the Howe Military Academy, at Howe, Ind.

Chester Ray, Frank Purdy and Elizabeth Munger, now students in the college have good parts in the play also. A newcomer in the cast will be little Bobbie Norris, who will play the part of Kurt, a boy in the play.

Ivan Lake is directing the play and also taking a minor role to finish out the exceptional cast. Each person was selected because of his or her fitness for the part and already the play is developing marvelous promise.

Many of the ministers of Bowling Green churches have read the play and have declared it a great piece of work and worthy of the support of everyone.

The play will be given shortly in the high school auditorium. The date will be announced soon.

Several of the Faculty are attending N. E. A. at Cleveland, Ohio.
EDUCATION

It seems to be about time that we had a restatement of our definition of education. We are demanding things of the person we call educated which we may have no right to demand of him.

The tendency to look on the educated as a super-intellectual seems to be a hangover from the days when Oliver Goldsmith modestly confessed to a yearning "amidst the swains to show my book-learned skill;" when he pictured the rustics ranged around the village school master discoursing in "words of learned length and thundering sound: And still they gazed, and still the wonder grew that one small head could carry all he knew."

The sum total of things to be known has increased many hundredfold since those days, so that even Goldsmith's village master might be considered as nothing remarkable. From this great store of knowledge the schools pick out certain things which are worth knowing and attempt to impart this knowledge to boys and girls. We can remember only a small part of what is thus learned, and the chances are that when we meet someone who has remembered the same things which we have remembered we call him educated.

This, of course, is wrong. Some of us may know things which we did not learn in school. It is conceivable that a man may be a most excellent teacher in some line without having heard of Eli Whitney, and it also is conceivable that one may be able to answer many questionnaires and still be a failure as a teacher. —Editorial, Toledo Times. 2-16-29.

TREBLE CLEF CLUB

Girls' Glee Club is exceptionally large this year, being composed of about sixty members. Miss Marian Hall is director; Miss Marie Menz and Mr. Dindot, accompanists. The weekly rehearsals have proved to be very interesting and beneficial.

At an early business meeting the following officers were elected, and have since acted:

President—Dorothy Webster.
Vice Pres.—Isabelle Wagner.
Sec'y-Treas.—Genevieve Weaver.

Marie Wenz was chosen to act as social chairman.

So far the club's only public appearances have been the Christmas caroling after the cantata given by the choir the week before Christmas vacation, and outdoor caroling at a few places, including the dormitories and President William's home.

Many activities are in store for the club for the remainder of the year. Preparation is now being made to sing in chapel at a near date. April 26, has been the date set for the annual formal dance, and then, finally, toward the end of the year, the club will appear in the annual Treble Clef concert.

GLEANED

One reason why a man is not as curious as a woman is because a woman leaves him so little to be curious about.

What the average man does with his "love life" reminds of one of what a playful kitten does with the ball of yarn. He begins by recklessly chasing around—and ends by getting all tangled up.

Fussing over the selection of a referee gives the Sharkey-Stribling entertainment the appearance of a big show.

It has been suggested that it would be a good idea to start a new organization in the college as a member of the Senior class has been found who is president of only two organizations.

WYANDOT CO. CLUB

The Wyandot County Club met in a hut east of the cemetery, January 29th to enjoy a taffy pull.

After the Big Chief had held a council meeting the braves and the squaws proved themselves as adept at candy making as at war making.

At the appointed hour the Chiefton and his followers returned to their respective tepees.

All Wyandots should watch for the signs of the next meeting and plan to be there.

FIVE BROTHERS
The lucky ones to be chosen as Neophytes are Hawkins, Lowell and Rank. However, we hope to add some more new men to this list and in all probability there will still be some more added in the next issue of the News. These men have been pledged and are now passing through the early stages of Neophyteism. Possibly by the next issue of the News some of the present old neophytes will be listed as brothers, so if you find your next door neighbor's name in the list do not be a bit surprised.

On the twenty-third of March our Annual Dance will take place. As per usual it is slated to be one of the biggest and best events of the College Social Activities. Something a little different than last year is being planned for, and very few know what it is, so don't become too inquisitive as it will do you any good.

As yet we have not met any of the other fraternity basketball teams, but Coach Steller has promised to reserve a place in a Demonstration Program which is to be held later.

The Five Brothers are willing to push any good cause, and any other organization or individual that has a good proposition let us know if we can help get it across. It has been our policy to do this thing in the past, and we want it to be known that we're ever ready to do our bit. WE STAND FOURSQUARE BACK OF "DOC" LINDSAY ON THE LIBRARY PROPOSITION, AND AS AN ORGANIZATION WOULD LIKE TO SEE IT USED MORE. LET'S GET TOGETHER NOW AND BOOST THIS MATTER—WE WOULD LIKE TO KNOW WHAT THE OTHER FRATERNITIES AND SORORITIES THINK OF IT.

Hawkins: "For two cents I'd knock your block off."
Zeissler: "So you've turned professional!"

**DELHI FRATERNITY**

The Delhi Fraternity met Wednesday evening in a special meeting, to arrange for its biggest event of the year—the annual Delhi Dinner Dance. It was decided that the dinner would be held at the Woman's club, followed by a dance at the College gym.

Neophyte Clark, of Toledo, who has charge of the decorations, assures us of something new and something different in the line of decorations.

The neophytes anticipate the biggest time of their lives in the coming event. Some of the boys who aren't so sure of their "step" are practicing the current contortion, in dark alleys.

All in all, the most successful social event the fraternity has ever exhibited, is expected.

**FIVE SISTERS PARTY**

The pledges of the Five Sisters Sorority entertained the members at a party Monday evening, Feb. 18, at the home of Maxine Powell.

During the first part of the evening bridge was played. Marian Rahmstock won first prize and Genevieve Storey was second. Later music and dancing were enjoyed.

At the close of the evening a delicious lunch, consisting of Chow Mein, rice and tea, was served to the following: Miss Hall, Kathryn Taber, Pauline Wenger, Margaret Beverstock, Virginia Smith, Genevieve Storey, Mary Miller, Eleanor Davis, Ruth Moorhead, Virginia Russell, Virginia Teachout, Alice Budd, Ruth Grover, Kathryn Sams, Marian Rahmstock, Adelaide Childs, Kathryn Secrist, Ellen Stover, Isabelle 'Gunn, Marie Menz, Marian McMahon, Lois Smith, Genevieve Keil, Margaret Moorhead, Charlotte Welcot and the hostess Maxine Powell.

Maxine: "Don't you think my new coat is a perfect fit?"

Genevieve: "Fit? Why, it is a perfect convolution."
DELHI

The evening of Wednesday, Feb. 6, was one large night for the Delhi neophytes, who on that night passed thru the ordeals of the second degree and came one step nearer to that much desired haven when they might be addressed as brothers. The boys felt that the goat was in an unusually frolicsome frame of mind but some were heard to remark as they began the wearisome trudge home ward at about 3:00 o'clock G. M. (Good Morning), "I'd like to have that goat here to ride now!"

But in spite of sleepy nods and weary stretches the boys were still on deck the following day. They are now eagerly looking forward to three big events: the third degree, the pledging of new neophytes, and the Delhi Dance which is to be given this year on Saturday evening, March 9. The custom hitherto has been to give a dinner dance at the Woman's Club, but plans for this year have not yet been announced.

Those who were given the second degree are Howard Clark, Carl Messr,er, Paul Croll, Stanley Huntington, Howard Poe, Wilfred MacArtor, William Ault, David Wilson, Riley, Kennedy, and Garrow.

It is rumored that Poe is offering a reward for any information leading to his finding out who the charming young lady is who was leaving Shatzel Hall at the same time that he was Wednesday night.

Mr. Tripp: "Hey! What's the difference between old fashioned and new fashioned kisses?"
Lester H: "Oh! about five minutes."

George Garrow died Saturday afternoon at a hospital on Toledo. On Friday he became sick and was at once taken to the hospital. Geo. was a member of the Freshman class and was a member of the Delhi Fraternity.
The Commoners Fraternity is looking forward to a very active program for the present semester.

The first class of Plebes have just finished their pre-initiatory degrees. Following is a list of them:

- George Hilgeneck, Elmore
- Arthur Craft, Weston
- Archie Myers, Delta
- Sidney Barron, B. G.
- Francis Babione, Luckey
- Leonard Linsemyer, Maumee
- Donald Lusk, Findlay
- Courtney Wilcox

Next Tuesday the above will receive the first degree. The Fraternity does not sponsor any type of public initiation. However on the night of Feb. 18, the rules were stretched to their furthest bound of flexibility and the Plebes enjoyed a night of cold and persistent foraging. No causalities have been announced but as a group of the Plebes seem quite happy that this portion of their initiation is over.

The Fraternity is looking forward with much anticipation toward their annual Ball. According to the fundamental principles of Commonership no over-elaborate plans are being made. However, it is certain that this will be one of the leading social events of the year.

The Brothers recently enjoyed an evening at the home of Bro. W. H. Zaugg.

Otis Smith has returned to his studies this semester and is once more welcomed back to the Fraternity.

The annual election of officers was held early in January. Following is a record of the incoming and retiring officers.

- G. C.—Howard George (Donald Armstrong)
- V. G. C.—Hollas Dindot (C. Hayes Garster)
- M. P. S.—(John B. Hough)
- K. M.—Marvin George
- K. C. F.—Frank Campbell (Hollis Dindot)
- R. S.—Ellsworth Capen
- C. S.—Stanley Myers
- R.—Hollas Dindot (C. Hayes Garster)

FIVE SISTERS

On Tuesday evening, Feb. 26, the Five Sisters Sorority held their formal initiation services at Shatzel Annex. The following girls were initiated at this time: Kathryn Secrist, Marian McMahan, Adelaide Childs, Genevieve Keil, Maxine Powell, Dorothy Serrick, Margaret Moorhead, Charlotte Wolcott, Ellen Stover, Marie Menz, Isabel Gunn and Lois Smith.

The Five Sister’s Annual formal comes on March 2 this year. We are expecting many of our Alumni back. Ruth Moorhead has been appointed general chairman of the dance so she and her committee are making the plans for the dance.

Woman’s Athletic Association

The executive board of the W. A. A. have been holding meetings for the purpose of revising the constitution. When this is completed it will be referred to the members for ratification.

The W. A. A. girls are going to sell candy at the tournament held at the college gym March 1 and 2.

The physical education department is planning another gym carnival this year. Everyone is eager to begin planning for this. It has not yet been decided just when it is to be held. We hope that we can have a better night for it this year than we had last year.

Hopes for successful baseball season will probably keep rising equally in the conference until the first game.

QUILL TYPE CLUB
Quill Type Club has received an invitation from a former member, Miss Bernice Shuder, to visit the local Commercial Club which she has organized at the Wayne high school where she is the instructor of Commercial Education.

The Quill Type has been invited to a six o’clock supper March 4, to be served by the Wayne Commercial Club and also to attend a program of that club presented by it before the Parent-Teacher Association of Wayne.

Miss Shuder is the secretary of the Wayne P. T. A. She is also a very loyal booster for B. G. N. C.

Earlier in the year Miss Shuder and a number of her students were guests of the Quill Type at an open meeting.

For ten weeks ending February 5th, a number of the churches of Wood and Sandusky counties conducted a Leadership Training School at Gibsonburg, under the general supervision of the International Council of Religious Education. The school was in session one evening each week with a faculty of six and an enrollment of seventy-five students. Prof. E. C. Powell taught the class in Young Peoples’ Work and Prof. W. A. Zaugg taught Principles of Religious Education.

Professor Carmichael announces the arrival of a new method course in Public speaking called “The Spoken Word Course”, edited by Windsor P. Daggett, New York City. Part of the course consists of a study of sounds and how formed; enunciation of the vowels, lip sound, etc. There are a number of records illustrating proper speech formations, two of which are an interpretation, by Walter Hampden, of Shakespearean roles.

Freshman, possibly, will be able to appreciate an upper classman’s attitude when after a few years he look sat his picture in the old 1929 KEY.
**SPORTS**

**Findlay Game**

On January 16, Bowling Green's basketball squad journeyed to Findlay for their first conference game. Findlay had a perfect record up to that date and retained their perfect percentage by giving us our first defeat in the conference with the score 50-32. Findlay's sleepers proved a handicap to the Falcons. Several second string men had a chance, in the last few minutes of play, to demonstrate their skill.

**Defiance Game**

The Orange and Brown improvement proved insufficient to stop the clever Defiance quintet. Again we received the short end of the deal with a setback of 32-21. Accurate shooting on the part of the opponents was largely responsible for the victory as both teams proved their passing ability. "Herb" Fish was in form on long shots and bucketed three goals as a result.

Lineup:
R. F. Price 2; C Jump 6; L. G. Filiere 4; R. G. Fish 6; L. F. Thourot 0; F Yawberg 2; F Pencheff 0; F Thompson 0; G Swearingen 0; F Oilds 0; G Stevenson 0.

**Bluffton Game**

On Feb. 15, Bee Gee was defeated by the snappy Bluffton quintet 26-25. The starting lineup was Olds, Jump, forward Price at center with Filiere and Swearingen playing the guard position. Thourot took Old's position for the last six minutes. Shaffer was sent in the last few minutes to shoot long shots.

**Defiance Trims Bee Gee**

On Feb. 20 at Defiance, Bee Gee again met defeat. The floor was small and cramped the running track protected out over the edges and especially the corners of the floor. The game was close until after about five minutes of play in the second half, when the whole team seemed to go to pieces in both defense and offense the result being a bad defeat, 45-22. Most all of the boys got a chance to play.

**Bluffton vs. Bee Gee**

Up until this game neither Bowling Green or Bluffton had won a game in the conference. Both teams showed lots of fight in their effort to get out of the cellar. Fate seemed on our side at least we won 35-27.

Jump and Swearingen led in the scoring with nine points each. Price was a close second with seven points.

**Findlay Trims Bee Gee**

On Feb. 5, Findlay came to Bee Gee for their second encounter with the Falcons for the season. The game proved to be a thriller, being anyone's game until the final whistle bore with it a 31-30 victory for Findlay. The last few minutes of play took on the aspects of some unheard of game in which considerable roughness resulted in a mad effort to get the ball. The referee seemed to lose control somewhat of the game.

It was Filiere's night for high score. He collected 15 points with almost faultless shooting. Jump also shared with 13 points. Swearingen and Filiere proved to be considerable menace to the Sleepers and other tactics were resorted to. All of the boys fought hard and it was a hard game to lose.

**Toledo Loses To Bee Gee**

Remembering the defeat earlier in the week handed to us by Findlay, the Falcons met Toledo more determined than ever. To Toledo's surprise they had to acknowledge defeat by the tune of 17-16.

Neither team had more than 4 points margin during the game and all who saw it will say that it was a real game. Swearingen's keen foul shooting eye proved its worth when he stepped up to the foul line and won the deciding point in the game after the final whistle. Good floor work featured the game.
Names and Addresses of Alumni

The following is the list of the names and addresses of the Alumni for the classes of 1915-21 based upon information which has been received on the return cards mailed to the Alumni group. Return post cards asking for information to be used in compiling an Alumni directory were mailed to all graduates of the institution. The cards were sent in each case to the last addresses recorded on the permanent record cards on file in the Registrar's office. A number of these cards were returned to the committee due to incorrect addresses but a still larger number of cards were not returned.

Graduates are requested to look over the list and assist the committee to get information as to the present names and addresses that are not correctly given on the list. This information should be sent to Prof. Clyde Hissong, Secretary, Alumni Committee.

\textbf{COME ON!}

Let's get acquainted with Success family.

Father of success is Work.

Mother of success is Ambition.

The oldest son is Common Sense.

Some of his brothers are Perservan-

ce, Honesty, Thoroughness, Foresight, Enthusiasm, and Co-operation.

The oldest daughter is Character.

She has four sisters, namely Che-

refulness, Loyalty, Economy and Sincer-

ity.

Get acquainted with the Old Man, and you'll be able to get along pretty well with the rest of the family.

\textbf{LIBRARY}

Encyclopedia Bowling Greenia: Fresh-

man—a future Senior.

Horse sense consists of keeping a sure footing.

We are wondering how everyone will be able to attend chapel when B. G. N. C. has an arts college.

Simile: As short as the column of mercury, Feb. 20.

In Eutopia everyone who goes to college becomes educated.

An enjoyable evening, Simmon's modern pirate stories.

\textbf{SPICE OF LIFE}

Che tto Prof: "You're married pro-

fessor—aren't you?"

Prof: "I'll tell the world I'm married."

Chet: II'I've been thinking a little of matrimony myself; how would you con-

trast single with married life?"

Prof: "Well it is this way: Before marriage I talked and she listened. For a while after marriage she talked and I listened. Now we both talk and the neighbhrs listen."
