FACULTY NOTES

Prof. J. R. Overman was in Columbus Tuesday, March 19th, attending a meeting of the state committee on the Selection and Guidance of Students in teacher training institutions, of which committee he is a member.

Miss Miles and Miss Dorothy Wiley expect to drive to Chicago for spring vacation. Miss Wiley to her home, a suburb of Chicago, Miss Miles on to Rockford, Ill., to visit friends.

Mr. Royal Hughes, head of the department of music at Ohio State, and Mr. Leeder, head of the Public Schol Music department spent a day this week visiting the members of our Music department.

Profs. Tunnicliffe and Zaugg were judges in a Musical and Literary Contest in Perrysburg on March 15 and 22. Profs. Church and Zaugg served in same capacity at Montpelier.

THE LIBRARY

We want to take this opportunity to clear up any misconception of our attitude on the Library question which has received a great deal of consideration in recent issues of the News. This is not an apology because we do not feel that we have done anything for which we should apologize.

We are not condemning or criticizing the management of the Library at all. We are not aiming any attacks at the personnel of the Library staff. When we speak of fifty per cent efficiency we refer only to the amount of time that the Library facilities are available. When we look in the catalog of Ohio University at Athens and see that their Library is open from 8 a.m. to 9:30 p.m., six days out of the week and from 2 p.m. to 4 p.m. on Sunday, we cannot help feeling that a Library which is open from 7:30 or 8:00 a.m. to 5 p.m. five days out of the week, with books unavailable for an hour before the time of closing and with books being called in at eleven o'clock on Saturday morning is hardly giving us what one could justly term 100 per cent efficiency.

We want but one thing. We feel that we are entirely justified in asking for that. We feel that we are stating the sentiments of the vast majority of the student body in asking:

We want the privilege of using the Library at night.

Bowling Green State College

Your college is to offer a greater service to the youth of Northwestern Ohio. It looks more than likely that Bowling Green and Kent State Normal colleges will shortly be authorized by the General Assembly of the State of Ohio to organize Arts courses in addition to their present Teacher's training courses.

The bill has been passed by the Senate and House, and returned to Senate to approve an amendment made by the house, eliminating the Masters degree.
Greeting to the Grads

I am informed by Prof. Beattie that this Alumni letter will reach at least 1300 graduates. This in itself makes me hesitate just a little as to what to say and how to say it. Were it possible to interview each of you I know there would be many questions asked that, possibly, might be better answered personally. But be that as it may we shall do the best we can, and hope that each one of you will take this as personal message.

Congratulations: First allow me to extend our congratulations to the College and the Bee Gee Staff in furnishing us a paper on a part time basis this spring. I believe it is one of the best moves ever made in the interest of the alumni. It is my hope and I think I can speak for the other officers that we may have an Alumni Magazine next year. It is very likely that this will be the starting point. Again allow me to bid the Bee Gee News welcome in our circles and say for all, thanks!

The Outlook: In the last issue of the News there was an item commenting on the senate action in creating an A. B. College at Bowling Green. Some of us attended the school when there was only the mere beginnings, others attended when the total enrollment reached 300, still others began, not so long ago, when the enrollment was about four hundred, and now the school is crowded to capacity. All this time we have struggled along in the Alumni Association to keep going. Now it is time that we ceased to crawl and learned to stand erect and walk upright. We must keep step with our Alma Mater!

How Can You Help? First by becoming an active member of the Alumni Association. Who-ever, Wher-ever, Whenever. Who-ever you are, wher-ever you are, and wher-ever you read this you are invited to share with us the responsibility of this work if you have been a student at Bowling Green. You may begin on the task now by reading again the names in the last issue and if you know of any that are not mentioned or of any addresses that are omitted mail that information at once to Prof. Clyde Hissing. Second, send any information or suggestions that will be of value to the Alumni officers to Mrs. Fankhauser, 343 S. Main, Bowling Green, Ohio. Third, we are planning a banquet and party for Commencement Week. You can do your part by making your reservation when the notice reaches you and by giving us your hearty support at that time.

Next Issue: The officers are meeting to make plans for Commencement Week and we are hoping to have a better news letter for the next issue with a more definite policy outlined.

Sincerely yours,
George M. Wilson
Alumni Pres.

The 3rd, 4th, 5th and 6th grades of the Training school demonstrated some of their play activities at the March meeting of the Parent-Teacher’s Association. Miss Shaw spoke on “The Place of Play in the School Curriculum. Miss Hough spoke of the Educational aspects of Rhythms and Folk Dancing and Mr. Stelker spoke of the importance of the development of fundamental skill in the game program.

The Basketball tournament came to a close with Williams Hall team undefeated, but not untied, as North team broken even with them in one game. Williams was captained by Dorothy Decker and managed by Helen Meyer.

Wednesday evening, March 20th marked the close of the basketball season. A fast and exciting game between teams selected from the Dorms and from the Town students, resulted in a Town triumph. Both teams played well. The Dorm team started with a good lead but the Town team had an 8 point advantage at the half, which the Dorms could not overcome. The final score of 53 to 45 testified to the skill of both teams in basket shooting.
Many “sharp curves” are needed in a well rounded life.

In the words, “sharp curves”. I see two phases of life. First let’s just consider the word “sharp.”

The capital letter “S” of this word stands for school. We can all enjoy this word, for we all have a chance to attend a school. Each letter in this words points out to me a particular quality we attain during this first epoch of our life.

The “H” stands for “honesty”, which is drilled into us day after day during the few short years we attend the school.

“A”, stands for “ability”. We ought to have the ableness to do what we know is right and just for all, by the time we have finished our school days.

“R”, stands for “religion”, which we all have in some varying degree.

“P”, stands for “patriotism”. School is surely the place where we form our attitudes of loyalty for our country and others.

Let’s look at the word “Curves”, in it I see a field just beyond the school. The capital “C” of this word seems to stand for “College”.

If we did not have the word “sharp” we would not know what kind of curves to expect.

So in this title, if we did not have the school first, we could not expect to be ready for the thing just “around the curves,” or College.

In this word I see some qualities which are more fully developed than in the common school.

First, we must be of some use to others before we can make much headway.

College is the place to make yourself useful. We can all make ourselves useful in some particular way.

If you never have had responsibilities here is the place to acquire them, and plenty of them, too.

Our next letter has a wonderful meaning to me. This (v) seems to stand for virtue.

There are seven principal virtues, which I think are very worth while; they are faith, hope, charity, justice, prudence, temperance and fortitude.

‘E’, stands for energy, for if you have the energy, you can acquire all these things.

With all these qualities we can serve others. We all are to be servants of man so it is written.

“Service” might be the last word in this little word, but I see it as the means to an end. For which are we qualifying ourselves for, but service?

In taking sharp curves of any kind, we run great risks.

The auto driver, runs great risks every day, but if he did not drive, who would drive, who would have to worry about the curves?

If we are not willing to risk a few sharp curves we will never get beyond the first sharp curve, on our elementary school of today.

Who knows what is just beyond that last sharp curve?

COUNTRY LIFE

The County Life Club has been organized again. The officers for this year are: Robert Shelton, president; Clifford Olds, vice president; Erwin Price, secretary-treasurer; and Anna Hayne, pianist. Mr. Beattie is again acting as Faculty Advisor.

A meeting was held on Wednesday evening, March 20. A program had been arranged, the peak of which was reached when Doc Lake preached a sermon in true Southern darkey style and then gave a masterly dissertation on 'How to Be Healthy-Live to be a Thousand Years Young.'

The meeting was then adjourned and the members went down to the gym and watched the town girls defeat the Dorm girls in a hard fought game of basketball. A social half hour was then spent in dancing.

W. A. A.

On Wednesday evening, March 20, the members of the W. A. A. gathered in the old library for their regular meeting. The board, appointed for the purpose of revising the constitution, had ready their report. The president read the constitution in the revised form. A copy of the constitution will be placed on the bulletin board.

In the near future a ballot box will be placed near the Physical Education bulletin board so that the members of the W. A. A. may vote either for or against the acceptance of the constitution in its revised form.

The meeting came to a close after a discussion of the Athletic carnival which is to be held in the Men's Gym on Wednesday, March 27.

The annual business meeting will be held after spring vacation. At this meeting the officers for next year will be elected so full attendance is requested.

"Seeing is believing, you know."
"Not always. I see my girl often, but d--- if I believe her."
Athletic Carnival

Remember the Date—
Wednesday, March 27, at 8 p. m.
Men’s Gym. This is the one time in all the year when the College Women in Physical Education ask for your interest, your loyalty and your support. On this night you may see our college women in action—dancing, game competitions, tumbling, stunts, pyramid building—just a sample of a few of the many interesting things we do in physical education classes.

The admission charge is 25 cents and the proceeds go to the Women’s Athletic Association.

The program includes:
1. Organ Prelude.
4. Anthem—Ave Verum—Gounod.
5. Scripture—Mr. J. W. Carmichael.

CHAPEL

The chapel program for March 19 was given by the Emerson Literary Society, with Beryl Bishop in charge.

First, Mr. Egbert gave the aims and purposes of the society and the rest of the program centered about Edgar Allen Poe.

Isabelle Wagner gave an enlightning discussion of Poe, the dreamer; which was followed by a reading given by Catherine Auxter, “The Bells”.

Elizabeth Munger played in a pleasing manner “A Scotch Poem” by McDowell. Linsermyer cleverly told Poe’s story, “The Black Cat”.

LINCOLN & DIRLAM

FROM OLD TO NEW WITH ANY SHOE.

CHURCH SHOE SHOP
THE ENEMY

Special music is to be furnished by the college music department on the occasion of the presentation of the latest Gold Mask production, "The Enemy" which is to be presented soon after the spring vacation. The music is to be under the direction of Charles F. Church.

Following their practice of doing their work in as nearly a professional manner as possible, the Gold Mask is preparing many stage effects for us in the "The Enemy."

Throughout the second act and part of the third act the constant, rhythmic, tramp, tramp, tramp of troops will be heard as the soldiers go marching down the street bound for the front. Marching, always marching, with such regularity that the audience will feel a peculiar warlike effect before many moments have passed.

Bands come and go, bugles sound the call to arms, fife and drum corps pass the window and then finally Carl, the hero, must say goodbye to his little wife.

Channing Pollock, author of the play, wrote the play in Vienna, Austria. The four act drama is set in Austria, America's enemy and it shows how nearly like ourselves were "the enemy" when we were fighting.

Their home life, their loves, their quarrels, this patriotism, their sense that God was on their side, the reports of victories from the front, the gradual starvation, raising prices, privation, death and all of the sidelights of war in the home.

Pollock's aim was to show that the real enemy is not the people opposed to us, but the real enemy is hate. The play is a master piece of construction.

College students, as diligent students of drama and of history, should not miss the honorary drama fraternity's production, "The Enemy" when it is produced in the high school auditorium in April.

The club is expecting to present the play elsewhere also, already having the play booked for Swanton, under the auspices of the Eastern Stars for a date in April.

The usual popular Gold Mask prices will prevail in spite of the tremendous expense involved in such an enormous production as this World War play.

PRISON PARTY

The Skol Sorority sentenced the following girls to a night in jail in cells 103 and 104 of the Administration Prison; Wednesday night, March 20.

Mary Pauken, Maxine Ogle, Joan Shalker, Alvera Switzer, Helen Kitson, Clara Krause, Corine Keller, Alice Catherine Fels, Thelma Delhr.

All 104 was decorated in black and white. Wicker davenports and chairs with bridge lamps made the room very cozy. Progressive "cootie" was enjoyed by everyone, prizes going to Maxine Ogle and Mary Pauken.

Later in the evening the prisoners moved to cell 103, where a long table held covers for thirty people.

Tuna fish salad, buttered rolls, ice cream, chocolate cake and coffee were served.

Gold and silver save bracelets were presented to the guests, after which all were bailed out of jail.
FRAT GAME

The challenging Five Brothers met defeat at the hands of the Delhi despite the fact that they played members of the Varsity squad. The final score was 18-16. Harold Treece managed the winners while 'Howy' Yawberg directed the Five Brothers.

Lindsey, Purdy and Stacy played clever basketball and were responsible for the Delhi's comfortable lead which they retained until near the end of the game, when the opposing team bucketed some pretty ones and threatened to win the contest. Yawberg made a couple of startling shots. Zisler, Hawkins and Shaeffer also needed close watching.

Practically all the men from both teams had a chance during the game. It was a clean, friendly game being well played by both teams. It would be well to have more of these inter-fraternity relationships.

SPRING SPORTS

Considerable interest in being shown in the Inter-class Track meet to be held March 27. Members of the various classes have been training for the past few weeks. It will provide a fine opportunity for the Coach to get a line up of the prospective men for track this spring.

The coaches together with the Coaching Class are directing those who entered.

Baseball is not being neglected. Coach Steller has at least thirty men out. There are several old hands at the game, who will have to play real ball this spring to be one of the first nine. The boys have a real task before them if they are to continue the pace set last season in which Bee Gee lost but the first game in the conference. They have done it and they can do it again.

Town-Dorm Basket Ball

A very interesting basketball game was held in the Woman's Gym on March 27, between the dormitory team and the town team.

The town team carried off the honors for the score was 53 to 46 in their favor.

During the first quarter one could easily see that the dormitory team was outplaying the town team. During this time Bines, Wms. Hall star forward, and Senfert, Shatzel's versatile player (forward and center) showed their ability.

In the second quarter Diehl, north's snappy little forward and Burkett south's best shot started and had nearly caught up with the dorm team when the whistle blew.

The dorm guard's were unable to stop Diehl and Burkett and by the end of the third quarter the town team was leading by several points.

Near the end of the game Kreilick, Shatzel, was substituted for Bines and she slopped in several pretty ones. But the game ended with the town team leading.

Decker, Wms. center and Keller, Wms. side center, played a very good game. McElheny, south's center and Eichloff, south's peppy side center, were a very good combination. Eichloff, though small, gave the dorm centers many surprises. Every one must admit that Decker can jump.

The credit for guarding goes to Benner, north; Myers, Wms.; Waldvogel Wms.; Lake, north; Norris, south; Wagner, Shatzel.

SKOL FORMAL

The spring formal of the Skol Sorority was a very successful occasion.

Strips of black and white paper completely surrounded the women's gymnasium, transforming it into a futuristically decorated ballroom. A blue ceiling with black, white and orange designs in futuristic patterns was used; pillars of the same colors supported this ceiling.

At one end of the room an amber spot light played on the Skol insignia a black diamond centered with an old English 'S'.

This along with futuristic lamps, made the decorations quite effective.

During intermission the couples ascended to the north balcony where ice cream and diamond shaped cakes were served.

Black and gold cigarette lighters were given as favors.

Miss Rea McCain, Skol sponsor, Miss Marna Haugh, and Mr. Warren Steller were faculty guests. Misses Virginia Smith and Miriam Rahmstock were Five Sister guests and Mrs. Francis Fiegel Gadin and Miss Kathryn House were Seven Sister guests.

Music was furnished by Leo Lake and His band.

TOLEDO CLUB

The girls of the Toledo club and friend relieved their childhood days at a "Kid Party", March 19. Most of the costumes were very clever. A prize was awarded for the best costume.

The interpretation of an old-type school room, was a very amusing part of the program. The childish pranks of all the girls made a happy time for everyone.

Refreshments consisted of animal crackers and lollypops. Children's games concluded the evening of fun.
SEVEN SISTERS

On Tuesday evening last, the Seven Sisters entertained twelve girls with a rushing party at the Women's club. The affair took the form of a formal dinner and dance. Dainty cards and favors marked places at the long table for thirty. Decorations in the sorority colors were lovely because of this marked simplicity. The remainder of the evening was spent in dancing.

Delhis Hold Annual Dinner

Saturday evening, March 9, found members of the Delhi Fraternity and their friends, comfortably seated at the annual fraternity dinner which was held in the basement of the United Brethren Church. In conjunction with the breaking of bread, old friendships were renewed, new friendships developed, and old times reviewed. Alumni members, "the boys of former days", interestingly discussed the times when men were few and popular.

After the dinner was eaten the party journeyed to the college gymnasium where the festivity continued with dancing. The gymnasium, with its elaborate decorations, glistening draperies, and lighting effects, was a riot of color.

Members of the fraternity and friends who attended the event will testify to its decided success, and anticipate another such time next year.

FIVE SISTERS

On Saturday night, March 2 the Five Sister Sorority held its annual spring formal in the Woman's Gymnasium.

The gym was cleverly transformed into a garden with pillars, roses, palms and awnings.

The music for dancing was furnished by the Campus Merrymakers of Toledo.

The guests of honor were Miss Hall, Miss Miles, Miss Hough and Mr. and Mrs. Landis.

The alumni, who came back for the dance were Avis Parks, Frances Siegen-

At the close of the evening, each girl received a rose and each fellow a small mahogany desk clock with the sorority seal in gold fastened in one panel.

An elderly lady entered a shop and asked to be shown some tablecloths. The salesman brought a pile and showed them to her, but she said she had seen them elsewhere—nothing suited her.

“Haven’t you something new?” she asked.

The clerk then brought another pile and showed them to her.

“These are the latest patterns,” he said. “You will notice that the border runs around the edge and the center is in the middle.”

“Isn’t that lovely,” she said. “I” take three of them.”

Prison School Teacher: “Now, Spike, a woman has a whole pie to divide among her four sons, Alfred, Robert, James and Willie. She gave Alfred one-half, Robert one third, and James one-fifth. What did Willie get?”

Big Mutterin’ Yegg Man: “I dunno, teacher, but it sounds tuh me like Willie got gypped.”

Book Salesman: “Have you a Charles Dickens in your home?”

Lady of the House: “No”.

“Or a Robert Louis Stevenson?”

“No!”

“Or a Shakespeare?”

“No we ain’t, and what’s more this ain’t no boarding house! If you’re looking for those fellows you might try the house across the streets as they take in roomers.”
Names and Addresses of Alumni

The following is the list of the names and addresses of the Alumni for the classes of 1921-25 based upon information which has been received on the return cards mailed to the Alumni group. Return post cards asking for information to be used in compiling an Alumni directory were mailed to all graduates of the institution. The cards were sent in each case to the last addresses recorded on the permanent record cards on file in the Registrar's office. A number of these cards were returned to the committee due to incorrect addresses but a still larger number of cards were not returned.

Graduates are requested to look over the list and assist the committee to get information as to the present names and addresses that are not correctly given on the list. This information should be sent to Prof. Clyde Hissong, Secy, Alumni Committee.
