Miss Shaw has been appointed a member of the Executive Committee of the Section on Women's Athletes of the American Physical Education Association and is chairman of the sub-committee on Athletic Games. This committee formulates policies and standards, makes recommendations and writes articles, which are published in Spauldings Official Rule Books, and heads up the Rules Committees for all sports.

The Mathematics department has recently added to its equipment a new transit and a level. As a result the department is able to offer this semester for the first time a course in elementary surveying.

Prof. Overman, of the Mathematics department attended the meetings of the National Council of Teachers of Mathematics and the American Association of Teacher's Colleges both of which were held in Cleveland on February 22-23 in connection with meetings of the N. E. A.

Recently the Clothing and Costume design classes under the direction of Mrs. Jordan visited the ready to wear and piece goods departments of several Toledo stores. All report an interesting and instructive trip.

**A SENIOR—THEN**

June is graduation time. Graduation signifies completion and achievement. A Senior has completed the four year requirements of this institution. This has been a road partly designed by others; a course of study standardized and presented for our choice. As we looked into the future four years ago when we began our college career, we pictures four years of college life with the trials of semester exams and the gaiety of social parties. What can we visualize when we look into the future now?

We are again faced with the problem of what to do—which direction to take. We try to find a route to travel that will lead us to our ultimate goal; our ideal of achievement.

But here we don't find a definite planned roads with parents, teachers and professors all along the way who understand and are always ready to help when our minds are troubled.

At the parting we are left alone with the equipment the past four years has given us. We must decide for ourselves how to use it and in what degree to develop it. Here we see many route signs designating the various roads; the long, the short, the easy and difficult, and the steep and rough. We must choose for ourselves. This is achievement again, and what an inspiring opportunity!

These roads are different from the ones we have been accustomed to. Along these roads instead of the kind parents, teachers and professors of the last path we picture the unbelieving, criticizing public weighing us by our every act. It remains for us to decide if we have the courage and backbone to present sound, original, well thought out products or to fall in the groove that marks the easy common, unachieving way.

And so, it is with something of this type in mind that I say with earnestness and sincerity—**A Senior—Then What?**

It was 5:15 on a serene spring day at the gates of Heaven. The call of a bird and the rustle of a golden serpent through deep soft grass accentuated the silence yet rendered it unoppressive. Even the sun mellowed his rays that the last two hours before twilight might be the most delightful of the day.

The absolute harmony in all nature struck out in bold relief the mad and distraught gesticulations of the figure by the Gate. To say that Peter was annoyed to the nth degree was utterly inadequate. He was disturbed, harassed, goaded to exasperation. A career and reputation earned by centuries of perfect service was about to crash before his eyes and he was helpless to stay his fate.

"Hells Bells", he roared, "A case like this at a time like this." He paced wildly up and down until the bricks in the golden pavement beneath his feet exuded great clouds of Gold Dust. Once more he glared at the slip of paper in his hand.

"Arriving shortly after midnight with the soul of Rastus Abraham O'Hara stop Dangerous mixture stop Be prepared for trial by 8 a.m. (Signed) Ballel, Guardian Angel"

If that were as bad as it looked he would have to settle the case quickly or all Heaven might be polluted. Still the just soul of Peter revolted at giving the poor sinner fifty years at nine hundred degrees (Fahrenheit) when ten years at five hundred would convince him. Justice at any price, decided Peter as he again looked at the name. That correspondence course on Names and Character Analysis failed him utterly. Rastus Abraham O'Hara might be anything from an Irish Negro to a Catholic Jew. Poor Peter, after one thousand eight hundred and eighty-three years of perfect service-money-back guarantee, exactly as advertised—to have to admit defeat at last. But facts were facts. He had just that moment received his message. It was imperative to be prepared to judge the case by eight the next morning and HORRORS...the Keeper of the Books, inspite of protests, locked up all the records at 5:00 every afternoon and opened them at exactly 8:00 the next morning.

Peter paced the pavement till the shadows lengthened. As the sun sunk in the west, his head dropped deeper on his faithful breast in the absolute despair of a thwarted and betrayed soul.

Heaven is not the only place where one may be desperately...in need of a book and discover that the Keeper has locked them all up from ESJ p. m. until ESJ a. m. Realizing the injustice of the present arrangement, the Five Sisters Sorority takes its stand with the Five Brothers in supporting Ralph Lindsay in his splendid fight for evening library hours.

Howard Russell will represent Bowling Green State College in the State Peace contest, to be held at Wooster, O. April 26. Mr. Russell was chosen in the local contest. There are from 12 to 15 colleges entered. These are divided into two groups, and the 3 or 4 best speakers in each group will meet in a final contest at a later date.

Members of the Physics class, together with several other interested students, made a trip to Detroit during the recent Aircraft Exposition, and visited the great Ford airport together with the Exposition.

They were invited to return at a future date to visit the Research Laboratories and factories, which were not open for visitors due to the large crowd attending the Exposition. Plans are being made to accept the invitation.

Profs. Carmichael and Zaugg addressed the Exchange Club at Bryan on Friday, April 12.

Pore: "Are you a letter man?"
Doc: "No, sir. She might want to, but I don't letter."
Dear Miss McCain:

I suppose by the time you get this letter you will be wondering whether I have bought your piece of jade. So far I haven't done anything but price it. Of course we haven't reached China and I was warned not to buy in Japan.

Tomorrow, Feb. 5th, we land at Chingwangleo and then a nine hour train ride to Peking or Peiping as Dr. Kent the lecturer told us it was called for the last few weeks. We spend four days in Peking. Yes and we were told no night life without a special guide. In Japan we wandered about among the shops and homes without any fear. Some of the streets were so narrow that the buildings on each side could be touched by stretching the arms.

I was in a Japanese theatre in Tokyo. It had a revolving stage and three of the most beautifully embroidered silk curtains I have ever seen. I visited the place on Sunday and there was no performance. They told us that a performance lasted from 3:00 until 9:00. Of course the audience went to an eating place near for dinner. I was so sorry to have missed the performance with our party but that was the night I stayed with friends in Tokyo.

At Nikko and Miyajima we were entertained by the Geisha girls. The music and voices were very strange and the men expressed their opinion of the dance by saying it was slow. It was slow but it seemed to me that more skill was taken to show the grace.

At Kyoto we were entertained by some Japanese players giving several old plays that have been used for hundreds of years. The only way we had of understanding was by the leaflet that we were given. I was wondering just what would happen if a play like that should be performed before our B. G. audience. Didn't you give one in English a few years ago?

It is almost time for our lecture on sociology, so must close and buy some Chinese stamps.

This is the first day I have had any "pep". Have been entertaining a cold. It had me down for one day. It just happened to be on a day we were sailing.

Sincerely,
Esther Crecelius

"ESSAY ON MAN"

Man is what women marry. They have two feet, two hands, and sometimes two wives; but never more than one collar or one idea at a time. Like Turkish cigarettes men are all the same material, the only difference is that some are better disguised than others. Generally speaking, they may be divided into three classes: Husbands, bachelors and widowers. An eligible bachelor is a mass of obstinacy entirely surrounded by suspicion.

Husbands are of three varieties: Prizes, surprises and consolation prizes. Making a husband of a man is one of the highest, plastic arts known to civilization. It requires science, sculpture, common sense, faith and charity—mostly charity. It is a physiological marvel that a soft, fluffy tender, violet-scented thing like a woman should enjoy kissing a big awkward and stubby chinend, tobacco smelling and bay rum scented thing like a man.

If you flatter a man it frightens him to death; if you don't you bore him to death. If you permit him to make love to you, he tires of you in the end, and if you don't, you soon cease to interest him, and if you argue with him in every thing, you soon cease to charm him. If you believe all he tells you he thinks you are a fool and if you don't, he thinks you are cynic.

If you wear gay colors, rouge and startling hats, he hesitates to take you out. If you wear little brown toque and a tailor made, he takes you out and stares all evening at woman in gay col-
ors and startling hat and rouge. If you join him in his gayeties and approve of his smoking, he swears you are driving him to the devil, and if you don't approve of his smoking and urge him to give up his gayeties he vows you are driving him to the devil. If you are the clinging vine type, he doubts if you have any brains; if you are a modern, broad, advanced, and independent type, he doubts if you have a heart. If you are silly, he longs for a bright mate, and if you are brilliant he longs for a playmate. If you are popular with other men, he is jealous; if you are not, he hesitates to marry a wallflower. Gosh darn men, anyway—the pop eyed bipeds.

The Chief Aim of Man Is—
At four—to wear pants.
At eight—to miss Sunday School.
At twelve—to be president.
At fourteen—to wear long pants.
At eighteen—to have monogrammed cigarettes.
At twenty—to take a show girl out to supper.
At twenty-five—to have the price of a supper.
At thirty-five—to seat supper.
At forty-five—to digest supper.

W. A. A.

The Woman's Athletic Association at the present time is sponsoring after school baseball and track and field. They want to have enough out so that they may have some good divisional teams. In order to obtain W. A. A. points in track and field each girl must be present at the two regular class practices and one practice besides. Miss Shaw gave us various exercises which will help get us ready for the track season. The baseball practices are being held on Monday and Wednesday. The track and field on Tuesday and Thursday.

Teacher: "Johnny, how many days are there in each month?" Johnny: "Thirty days hath September, All the rest I can't remember; The calendar hangs on the wall, Why bother me with this at all?"

Commencement News for Graduates

The Commencement week program will begin on the evening of May 31st. From that time on through the week of commencement, activities will be at their height.

The Alumni will be expected to take their part in the program to make this one of the great commencement weeks in the history of Bowling Green State College.

With the opening of the program as announced elsewhere we will be launched immediately into the program for Alumni Day, Saturday, June 1st. Three days for renewing old acquaintances and making new friends.

The program thus far arranged is:
Friday, May 31st, 8 p. m.—Gold Mask play.
Saturday, June 1st.
Morning—Class reunions, breakfasts, and luncheons. Special efforts to bring back the classes of 1915, 1920 and 1925. These will be the honor classes this year!

8:00 p. m.—Social hour for those who wish to remain in the new gymnasium.
8 p. m. Treble Clef Club Concert.
9:30-11:30 Reception and dancing at Shatzel Hall.

Sunday, June 2.
3:00 p. m. Baccalaureate.

We know that you will want to return for a big week-end at the School. It will be a success only if you attend.

We have arranged the Alumni Day and Banquet on Saturday before Baccalaureate this year in order that those who are teaching during the first week of June may be able to attend and meet their old friends and classmates during the Saturday holiday. Then we can remain for the Baccalaureate and make this, in a sense, a Spring Home-Coming. We do not wish to do away with the Home-Coming in the Fall. We need it, but we do wish to make the Commencement a time never to be forgotten, by graduates and alumni.

We have appointed a nomination committee of which Ralph Schaller is chairman. If you have any suggestions he will be held at the banquet table.

About the honor classes. Our plan is to honor the graduates of ’15, ’20 and ’25 by making their classes the nucleus for the gathering of the classes two years previous and two years following, for example; the class of ’20 will be the nucleus for the gathering of the classes of ’18, ’19, ’20, ’21, and ’22. Thus the classes are honored in being the nucleus and given a responsibility at the same time of not only having the largest attendance possible but of being the hosts of their group of classes. Next year the classes of ’16, ’21, and ’26 will be given this honor. Let us see what the grads of ’15, ’20 and ’25 can do in this matter, we are depending on YOU!

STARS OF OTHER YEARS. Will it
not be great to see the stars of other years out on the diamond again? It will seem like old times to cheer them in their efforts to win. They have carried the colors of their college to victory and even at times of defeat have honored the school. Will they be able to carry the colors of the Alumni Association to victory? This will be decided on Saturday, June 1st.

Some Facts About the Banquet. Reservations must be made to Miss Lillian Tressel, State College, Bowling Green. The price will be $1.25 per plate. Graduates and Alumni will be allowed to bring guests at the same price. Dues will be collected at the time of paying for the plates or may be mailed. Dues are $1.00 a year, in advance. Graduates of 1929 are members for the first year without the payment of dues. This is in honor of their successful undergraduate work which is just closing. Again may we remind you that reservations must be made by all who wish to attend, both graduates and alumni, and that the price will be $1.25 per plate. This price also includes the party. Guests may be brought to the party at 50 cents each.

What Is Done With The Dues? They are used to pay the expenses of the association. And this year we are planning to includes three or four issues of an alumni magazine. More information about this later. There are many things you wish accomplished. We do also, and will carry them out for you if the finance is provided.

The Language Department has just received new French, Spanish and German slides and Latin records.

Miss Nielsen of the Language Department spoke to the Home Economics Club on Wednesday evening, April 17. Her subject was "The Influence of Roman Cooking on Modern Cookery and on American Cookery. She gave the club some very unique recipes taken from an old latin cookbook and pointed out how little changed are menus and tastes today from what they were in the days of Roman splendor. The club served a hot punch and honey cookies. The favors were Roman scrolls bearing the insignia of the Home Economics Club.

At the State Scholarship contest held at the Bowling Green State College on March 30, there were 56 entered in the Latin 1 contest, 49 in Latin 2 and 50 in French. The winner in Class A Latin 1 in Wood county was a pupil of Miss Jean Sherer of Rossford High School and a former Bowling Green State College student.

Miss Eleanor Rees of Troy township high school in Luckey, won first place in Latin 2, in the scholastic contest in Columbus in Class B. She is a pupil of Miss Mildred Goughler, who is a former Bowling Green State College student.

FIVE BROS. FRATERNITY

A brilliant oriental spectacle was the annual Five Brothers fraternity dance in the College gym Saturday night. The season of sorority and fraternity parties has been replete with lovely affairs of which one of the most original and striking was that of the Five Brothers who effectively used their fraternity colors of red and black to transform the gym into a Turkish plaza.

Music by Leo Lake and his band of eight pieces. Favors for the feminine guests were leather coin purses with the gold fraternity seal.

A charming entertainment number was the toe dance given by Leora Salesburg of Toledo, during the evening.

Faculty guests were President and Mrs. Homer B. Williams, Dr. and Mrs. Clayton C. Kohl, Mr. and Mrs. Paul Landis, Mr. Warren E. Steller and Prof. Clyde Hissong.

YE OLD FIVE BROS.

After a long period of travail suffering and sorrow the neophyte have been initiated into the sacred realm of Skull and Bones. Many sighs of relief from the said neophytes greeted the completion of the third degree. No longer will they shudder at the lusty swing of the paddle and the resounding echo.

With the pledging of our new men we have organized our spring program.

The fraternity through its alumnae organization has inaugurated an extensive building program which will eventually lead to a new house to be owned by the Frat.

Plans are already nearing completion for the annual Spring Picnic and the final meeting of the year. Many of the old brothers will be back upon both of these occasions to participate in the fraternity life which was so enjoyable to those of yester years.

With the completion of these enjoyable social functions the years work will have been completed.
SKOL SORORITY

The Skol Sorority wishes to announce that it has accepted a challenge from the Five Sisters for a baseball tournament and tennis match. The first game is scheduled for Tuesday, April 30, 1929.

Look for the notice of the Big Spring Dance for Everyone!

BIG DANCE

The Skol Sorority will sponsor a dance for the entire student body on May 11. This dance is to be a strictly sport affair and we are extending a hearty invitation to all.

Bids can be purchased at $1.00 per couple from any Skol member or pledge. Get your bid early and watch for further announcements.

DELHI FRATERNITY

On Tuesday evening following Easter vacation the members of the Delhi Fraternity met and administered the third degree. After initiation the fellows adjourned to the house where Whooppe continued.

Following out an old custom of the Fraternity, the retiring Neos spread a feed for the brothers. All indulged, (some over indulged). In the course of the blow-out, one of our brothers, who recently ventured on matrimonial seas, had a stroke of philanthropy, and set up the cigars. Again all indulged. Withstanding the fact that Ed's cigars put some of the boys stomachs at high seas, we all wish Digby loads of luck.

Newly elected neophytes are: Fred Ball, Cleo Donalson, Richard Ford, Joe Moran, Jud Rinebolt and Schuyler Mohr.

SEVEN SISTERS SORORITY

On April 7, the following pledges were given their first degree: Elsie Newman Ruth Kellar, Ethel Cooke, Marian Sanzenbacker, Althea Benners, Esther Hayhwist, Dorothy Bolles, Elizabeth Walters Pauline Spitler and Marion Culbert.

Each pledge was presented with a pledge pin.

On the evening of April 12th, the Seven Sister Sorority gave their an-
Annual Formal Dance in the Women's gym. The gym was most cleverly decorated to resemble a quaint Dutch garden. Two little Dutch girls, in a booth representing a windmill, served refreshments to the dancers.

The men received leather comb cases with the Seven Sister insignia tooled in the leather, as favors and the faculty were given corsages of roses and sweet peas as fors. The alumnae members present were Margaret Bemis, Lillian Kennedy, Hattie Bettsloff, Edith Sheahon and Marie Dock. Youngs orchestra furnished the music.

The Three Kays met with Miss Baird, April 8, at her home in this city. After a short business discussion, they summoned the Misses Wilma Stone, Grace Schmunk, and Kathryn Leathers to present them with their pledge pins—little white gold K's to be worn with the colors green and white—and to instruct them as to their behavior during the next two weeks, and their preparation for the next meeting.

The Three Kays wish to announce to the student body and faculty the existence of the Three Kay Sorority which was organized last semester by ten girls under the guidance of Miss Florence Baird.

Mr. Petty, a graduate student at Ohio State, is filling Miss Baird's position for the rest of the year. Miss Baird was called to Arizona by the serious illness of her brother, Mr. Richard Baird.
The Gold Mask has started work on what promises to be one of the funniest plays that the organization has ever produced and plans to present the comedy sometime in May.

"Is Zat So", a prize fight comedy which took New York off its feet a couple of seasons ago, is the next vehicle of the club. A laugh provoker of great merit, the comedy ought to be a record breaker for Bowling Green and, if presented in the same Gold Mask efficient manner should gain high praise from the critics, who consider anything done by Gold Mask a real success.

Starring in this play will be Horace Pelton, who will play "Hap" Hurley, the hard boiled manager of a prize fighter. The fighter, "Chick" Cowan, will be Clement Premo. The two are out of a job and land a place as butler and footman in a rich man's mansion, which is so comical that it gives you a side che, especially their efforts to "loin de English gag".

Others cast prominently in the comedy will be Gertrude Fries, Anna Hayne, Ruth Grover, Burton Dewese, Treece, Hough, Lake and others.

This play promises to be as funny as "The Cat an dthe Canary" was horrifying and "The Enemy" was tense.

**WHO'S WHAT**

*By Pepe Popogesnokopolopus*

We are mentioning Prof. C. E. Powell in this chapter of Who's What, not for some one great thing he has done for the college, but for the many little personal services he renders his fellow citizens.

Now Doc Powell deserves his title, 'Doc'. He is one professor that does.

I never have known just why ordinary Profs are called Doctors. Maybe it's to make people think they are rich or something.

Anyway, Doc Powell is a Doc what is a Doc.

He's a speacialist.

Doc's a 'Boil Squeezer'—and a boil squeezer of no mean repute.

If there's any thing he likes better than squeezing boils, why it's—squeezing carbuncles.

This little past-time of his, keeps his mind off the saw and hammer. And it is an example of only one of the many useful little arts that he practices. He is not satisfied with doing or thinking about only his own profession. Doc will do most anything if it's helpful to somebody or the community.

The Professor recalls with pride the days when he used to drown cats and dogs in the wash tub in order to save the community the expense of hiring a pest officer.

Doc Powell is also a musician. He often plays the clarinet in the College Band. It is said that he probably can play louder than any body in the whole band — and probably anyone in all of Center Township! He sounds about like a million peanut roasters all playing in tune.

So it is the little things like these that he does, and the cheerful attitude in which he does them, that made him so popular and also, worthy of this elaborate dedication.

A list of the candidates and the position they are trying out for are as follows:

Yawberg, 3rd; Purdy, 2nd; Hough, O F; Dunipace, 3rd; Shaeffer, O F; Zeissler, p; C. Filiere, c; Spengler, p; Thorout, c; Stockline, L F; tacy, c; Galbrich, 2nd; H. TEENIS MEN

A "perpetual tournament" is being conducted between tennis candidates. Following is the rating of the men trying out for the Varsity Tennis Team.

Smith, Lerch, Lockwood, Myers, Olds, Lowell, Dermer, Lindsey, Doren, Helm, Roller.

Any man has the right to challenge the man directly above him. Challenges must be accepted.

Matches will consist of two out of three sets.

The rankings will at no time be permanent therefore one has an opportunity for trying out for the team throughout the season.

By this plan, the very best players will always be on the squad.
