LOST AND FOUND
Anyone finding lost articles is requested to take them to the Athletic Office, 200 Memorial Hall. Persons seeking lost property may inquire after the game.

TELEPHONES
A public telephone is located in the main lobby of the Men’s Gym near the intramural office. Public telephones in Memorial Hall will be available after the first half.

REST ROOMS
A ladies' rest room is located at the east end of the stadium under the stands. Men's rest rooms are in the rear of the Men's Gym on the ground floor. Memorial Hall rest rooms will be available after the first half.

Jerry Mix
Editor
Because of the rapid expansion of Bowling Green State University during the last decade and anticipated continued growth, the University is currently moving ahead with a widely diversified building program.

The buildings now under construction are a new University library, a unit of the science-research complex, a 1,400-student residence center and a television production studio.

In the near future, construction will start on a new football stadium, ice arena, student services building and a student health center.

Construction is slated to start this fall on the new stadium that will seat 22,500 fans. The new stadium, that has an estimated cost of $2.8 million, will contain the latest in facilities and accommodations. It is scheduled to be completed by the fall of 1966.

On the east side of the stadium will be dressing facilities plus training and equipment areas to handle all of Bowling Green State University's outdoor sports. On the east mezzanine floor, the stadium will have 30 offices and meeting rooms.

Four handball courts plus locker rooms and showers along with storage areas have been planned for the west side. Six classrooms will be situated on the west mezzanine floor. The press box, also slated for the west side, will have facilities for 70 people and will include 10 radio booths and two television areas.

Expanded Stadium

If, in the future, the stadium needs to be expanded, completing the oval will add 20,900 additional seats. An upper deck on the stadium would make possible another 16,600 seats. Bowling Green's stadium, at total capacity, will seat 60,000 people.

The indoor ice arena, with an estimated cost of $1.5 million, is being planned to include a practice area and ice hockey rink. The arena will seat 2,500 spectators. Health and physical education classes will use the arena which will also be available for intramural groups, the general student body and the public when not being used by students.

With the addition of the stadium and ice arena, Bowling Green will have outstanding athletic facilities that also include a nine-hole golf course, two baseball diamonds and 18 tennis courts. All these facilities are on the eastern part of campus, beyond Yount Road.

Bowling Green's $1.5 million student services building will be centrally located on campus. It will house the dean of students and his staff, offices and meeting rooms for student organizations and student government. The building is designed to give more significance to student government and to serve as another nerve center on the continually expanding campus.

New Library

The $4.5 million, nine-story library being built east of the present football stadium is expected to be completed in September, 1966. It will house 640,000 volumes when finished and will be able to hold one million volumes when the enrollment reaches 15,000 students.

(Continued on Page 3)
The 94,000 square foot College Library will accommodate 1,800 readers on the ground floor. The area will have a 140,000-volume capacity and will meet the undergraduate course preparation and research requirements.

The terrace above the College Library will add beauty to the campus. This terrace level and seven stories of the high rise tower will comprise the research facilities and accommodate 500 readers. The top floor will house the air conditioning and other mechanical equipment.

Bowling Green's science research complex will consist of six buildings providing instruction in the natural sciences. A $3.4 million life sciences building, which will provide laboratories and classrooms is now being built. Overman Hall, the current natural sciences building, constitutes the first phase of this complex, the life sciences building will be the second phase.

The third unit, a general science lecture and research building, will have three large science lecture halls, instructional television, a computer center, and a specialized science library. This phase will be built by the fall of 1967.

Other units include a physics and chemistry laboratory building, a behavioral sciences building, and a life sciences building—which will be shared by the departments of biology and psychology.
BOWLING GREEN'S 1965 HOMECOMING SCHEDULE

The central meeting places for all alumni are the Alumni Room of the University Union and the Alumni House. In the evening, all alumni are invited to attend the Homecoming Dance in the Grand Ballroom.

**4**
For the championship of northwestern Ohio, that is the way football fans are referring to today's game between Bowling Green State University and Toledo University.

However, this game may go far beyond just determining the northwestern Ohio title. Both Bowling Green and Toledo figure to be very much in the running for the Mid-American Conference crown when the two squads meet in BG's Homecoming game.

Bowling Green, the Mid-American's defending champion, enters the game with a 3-1 record and a 1-0 slate in the MAC. Toledo is also 3-1 overall and 1-1 in the conference. Both teams need a win to stay near the top of the league standings.

All records and standings go out the window when these two teams meet but the last decade has proven to be a long dry spell for Toledo. Bowling Green has rolled to 10 straight victories over the Rockets and now leads 16-10-3 in the series that dates back to 1919.

The series opened in 1919 as Toledo scored a 6-0 victory over the Falcons. The Rockets also marked up 20-19 and 38-7 victories in 1953 and 1954 before Bowling Green got on its winning track. The Falcons haven't lost since 1954 and have outscored the Rockets by a 296-104 margin in 10 years.

This year, the Rockets opened their 1965 season with a 9-7 victory over Villanova. The next weekend, Toledo tripped the Quantico Marines, 9-0, before coming out on the short end of a 14-0 score at Marshall. Last Saturday, the Rockets bounced back with a 21-7 win over Ohio University. TU has a 39-28 point margin over its four opponents.

In the rushing department, TU is being led by fullback Jim Berkey who has picked up 164 yards in 49 carries for a 3.5 average. Sophomore halfbacks, Jim Hauser and Pete Kramer, are next in line with averages of 3.8 and 2.9 and have compiled 76 and 75 yards respectively.

Starting quarterback Mike Holobetz has completed 14 of 29 passes for 118 yards. His chief receiver has been end Henry Burch who has caught 12 for 98 yards. Hauser is the Rockets' leading scorer with 12 points.

For Bowling Green, the Falcons opened their year by stopping California State 21-0 then got whipped 34-0 by West Texas State. Since that defeat, BG has stopped Dayton and Western Michigan by counts of 9-0 and 21-17.

Fullback Stew Williams is showing the way for the Falcons in rushing with 272 yards in 19 carries. Halfbacks Dave Cranmer and Bob Pratt are second and third with 160 and 64 yards respectively.

Quarterback Dwight Wallace has completed 24 of 42 passes for 263 yards and one touchdown. Cranmer has been on the receiving end of 12 aerials for 113 yards while end Bob Heider has caught six for 97 yards. Cranmer and Williams are tied for the Falcons' scoring lead with 12 points apiece.

Against Western Michigan, Williams was charged with the first minus yardage of his Bowling Green career. The big All Mid-American Conference fullback was stopped for a one-yard loss by the Broncos. In three seasons, counting his action with the 1963 freshman team, Williams has carried the ball 252 times for 1,264 yards and was never caught behind the line of scrimmage until last Saturday.

The Falcons' attack has been helped along by Wallace's passing. He hit five of seven passes against Western Michigan. So, in the last two outings, Wallace has connected on 10 of 12 aerials for 127 yards.
What does she mean "cigars...cigarettes...Tiparillos"?

You'll be hearing that chant more and more—now that Tiparillos have arrived. And arrived they have. In all the right places. With all the right people.

The new Tiparillo has a neat, trim shape. It looks young and debonair. And its pearly, pliable tip pays more than lip service to your smoking pleasure.

And never before such mildness! The most careful blending of choicest imported tobaccos has seen to that. So, too, has the exclusive, veinless Ultra Cigar Wrapper* that burns so evenly and smoothly it insures complete mildness.

You can even see the mildness. The surprisingly whiter ash is visible evidence. Smoker's proof. Here is flavor you don't have to inhale to enjoy.

"Cigars...cigarettes...?" Who knows, maybe someday it will be just "Tiparillos!"

Why don't you ask for one today?

*TM. General Cigar Co.

Tiparillos are on sale at this stadium.

Seven new members have been elected to Bowling Green State University's Athletic Hall of Fame, joining the original six members who were inducted last Homecoming.

With the purpose of recognizing persons associated with Bowling Green State University athletics who have distinguished themselves in the field of athletics, either by their performance on University teams or by meritorious efforts after leaving Bowling Green, former Athletic Director Harold Anderson and Dr. Samuel M. Cooper, chairman of health and physical education department, planned the Hall of Fame project in 1964.

Athletic Director Doyt Perry announced that a committee had chosen the following men: Robert Younkin '26; Kenneth (Jack) Mollenkopf '31; Chester Chapman '32; Edmund Siminski '40; Alfred Bianchi '54; James Darrow '60 and Warren Steller, former BG football and baseball coach and athletic director, 1924-41, for induction into the Hall of Fame.

Representing the first era in BG's 50-year intercollegiate athletic history, Mr. Younkin was an outstanding member of the 1921-22-23-24 football teams. He was captain of the 1923 team and won all-Northwestern Ohio Conference honors three seasons. He was an outstanding defensive center. Younkin also participated in baseball and track.

Mr. Younkin taught and coached at Haskins and Delta before going into government work in 1935. He completed his 28-year government duty in 1963 after 13 years as division chief of the packaging center at Rossford Ordnance. He enjoys retirement in his Bowling Green home.

Two selections were made from the second era. Mollenkopf is in his 10th season as head football coach at Purdue University. Jack has one of the top records in the Big Ten at 44-29-8 and his Boilermaker teams have staged some of the top upsets in college football. Seven of nine years Purdue has finished in the top half of the final standings.

Mollenkopf won awards on the 1925-26 football and baseball teams. He started his teaching and coaching career at Rossford high school before going to Toledo Waite where he had some of the top teams in Ohio scholastic circles. He joined Stu Holcomb's staff at Purdue in 1947 where he was line coach until taking over the head job.

Chapman, the other second era representative, was an outstanding football player on the 1928-29-30 teams. He was the first BG player to win all-Ohio honors, being named on the 1928 team at guard and the 1930 team at end. He was named to the all-Northwestern Ohio Conference team for three seasons at three different positions.

The Bowling Green native was also BG's first professional football player before joining the coaching staff at Davidson College in 1935. After World War II, he served 15 years as a civilian athletic officer in naval installations in North Carolina and California. He is now an Oakland, Calif. real estate broker.

Siminski, a Toledo Scott High School product, was captain of the 1939 Falcon 11 that finished near the top in Ohio Conference. While winning Ohio Conference honors for his outstanding tackle play, Siminski won a starting berth on Buffalo's professional team in 1940.

After serving four years in the air force, Siminski started his teaching and coaching career at Cerritos (Calif.) Union High School where his 1950 team was Class A champion. In 1954 his Glendale, (Calif.) Hoover team was runnerup for the state Class AA championship. His teams also won two league championships.

Bianchi is starting his tenth year in the National Basketball Association as a guard with the Philadelphia 76ers. Drafted by the Lakers, Bianchi was picked up by the Syracuse Nats and has been a standout backcourt performer on both offense and defense for the Nats and 76ers.

The New York protege won all-Ohio and all-American honors as one of the nation's top scorers on the 1954 BG National Invitation tournament team. He finished eighth in the NCAA scoring race with 600 points and set a new individual game record of 35 in the all-College tournament at Oklahoma City. He was top man on the 1953 tennis team.

Darrow is another all-time basketball great. He led the Falcons to the 1959 Mid-American Conference championship and its first NCAA tournament. He set 19 different scoring records, making 1740 points over three seasons. He gained All-American and All Mid-American Conference honors for three seasons. The Akron South star was an outstanding performer in the 1960 Olympic tournament and was named as an alternate. He won the MAC scoring championship with a 30.9 average, recording the top game mark with 52 in two different contests.

He played two seasons with the Akron Goodyears before playing with the St. Louis Hawks and Cleveland Pipers. He is now a successful cage coach (record 40-10) at Shelby, Mich. High School. He still plays in the Midwest Professional league.

Warren E. Steller has played a most important part in the development of athletics and health and physical education at Bowling Green. He started his 40-year teaching career here in 1924 as athletic director and football coach. He handled the football for 11 years recording a 40-21-19 record, second only to Doyt Perry's fine mark. He was athletic director until 1941 when he chose to devote fulltime to his duties as chairman of health and physical education.

The former Oberlin College football great served as BG's baseball coach for 35 years with a 231-150 record. His 1944 squad was declared the Ohio collegiate champions. He was selected to the Helms Hall of Fame in 1954. He retired in 1964 and still maintains his home here.

10 Straight Winning Years

Aid Bowling Green’s Climb

Bowling Green State University’s football squad continued to climb up the ladder listing the nation’s elite teams as the Falcons moved into 27th place after compiling a 9-1 record in 1964.

The Falcons’ steady climb up the national chart has been made possible by 10 straight winning seasons, all under Doyt Perry. In 45 years of football, the Falcons have stacked up 205 wins with 77 of them coming during Perry’s 10-year reign.

Bowling Green currently rests in 27th place with a percentage of .633. After 1964’s action, the Falcons moved past Cornell and Stanford in the standings and are now challenging Washington and Pennsylvania State.

Three other Ohio teams, Ohio State, Miami and Xavier, are listed in the nation’s top 35 teams. The national leaders are: most seasons, Princeton, 95; most games, Pennsylvania, 867; most wins, Yale, 600; most losses, Pennsylvania, 276; most ties, California, 54 and best percentage, Yale, .767.

23. First down
24. Ball ready; start the clock
25. Start the clock

Holiday Inn
The Nation’s Innkeeper®
The band plans to linger in Madrid for only a few minutes because the next stop is Tel Aviv where the homecoming crowd will hear the outstanding piece "Exodus". The band's final number will be "Manhattan" as it returns home to New York City. The final number will feature tenor saxophone player Candy Johnson, a sophomore from Lakewood.

Bowling Green's marching band will start its busy day by participating in the pre-game ceremonies that will honor Bowling Green's 1965 homecoming queen and her court.

This year's Bowling Green band is being led by Miss Quick and drum major Larry Williams, a senior from Elyria. The majorettes are Sherry Bradley, a senior from Canton, Lonna Dangler, a junior from Paulding, Barbara Gindlesberger, a senior from Millersburg, Suzanne Karcher, a junior from Columbiana, and Mary Martin, a junior from Columbus.

"Cities of the World—Their Fame and Fortune" is the overall theme of Bowling Green State University's 1965 homecoming ceremonies and BG's marching band will provide today's football fans with musical pictures of many of these cities during the halftime show.

Under the direction of Louis Marini, the band will open its halftime show in London, playing "Foggy Day". From there, the band will move directly to Paris and play "I Love Paris". This number will feature the drum section.

Madrid is next on the agenda and the band will play "Amparito Roco". This number will feature the baton twirling of 1965's new head majorette, Becky Quick, a freshman from Christopher, Ill.

* Denotes Lettermen
Introducing the tuned car. 1966 Buick.

What makes a car a car is styling, performance, ride and handling. Only when they’re all tuned together is the car a Buick. Like this ’66 Riviera Gran Sport.

Every last thing that goes into a Buick—suspension, body mounts, shock absorbers—not only has to work, it has to work with everything else. That’s tuning.

**Tuning is what we do more of** (and care more about) than anybody we know of. And then we go out and test it in more places, too. On roads like the ones you’ll be driving on. Why we do it will be obvious when you take your first ride. The tuned car rides and handles as handsomely as it looks. (Tuning may be hard to explain. But it’s easy to notice.)

**What the tuned car will do for you. And your family.** For a start, the new Riviera will comfort you. You’ll see that when you slip into the Riviera’s new bench seats. Space for six. If you like buckets, they’re available, with a reclining arrangement for the right-front passenger. And we have another comforting option available: a new notch-back seat that converts from bench to semi-bucket.

**Choosing the tuned car.** Visit your Buick dealer. Every Buick you see is the tuned car. Riviera, the new international classic. Riviera. Every ’66 Buick.

And with a choice like that, how in the world can you go wrong? **Wouldn’t you really rather have a Buick?**

400-cubic-inch V-8, 4-barrel carb, twin pipes: Buckle up and have yourself a ball! This is the 350-hp 4-4-2. With heavy-duty suspension, built to K.O. the roughest roads. Front and rear stabilizers to take the "bend" out of curves, the bind out of corners. And under it all—pavement-biting red-line tires! But the swinging-est thing about Olds 4-4-2 is its surprisingly modest price!

LOOK TO OLDS FOR THE NEW!

I Like College Football

by LINDSEY NELSON

During the past 11 years, all three major television networks (ABC, CBS, NBC) have shown the NCAA College Football Game of the Week. LINDSEY NELSON, the author of this article, was chosen as a sportscaster by all three networks. Here he tells why he is so enthusiastic about college football.

I LIKE college football. I remember listening as a small boy to my folks talking about Red Grange of Illinois, Ernie Nevers of Stanford, the Four Horsemen of Notre Dame and Albie Booth of Yale. To me, they only were names, but they were the names of “giants,” of “knights,” and I marveled at their deeds on the gridiron.

By the time I enrolled at the University of Tennessee in the years immediately preceding World War II, I was a dedicated fan. A sportscaster or a sportswriter who didn’t play college football usually claims he was “too small.” Well, I suppose I was too small (I weighed about 110 pounds) but I also didn’t have any football ability. Instead, I hired out, at my repeated suggestion, as a tutor for football players delinquent in the classroom. As payment, I was permitted to live in the stadium dormitory, to eat at the training table and to attend practice and skull sessions. I doubt now that I contributed very much to the classroom showing of things but contributed a great deal to my future professional performance when I got into the field of radio and television.

You see, the head football coach at Tennessee was the late General Robert R. Neyland. You could not be long at Knoxville to broadcast a Tennessee game and not be in close touch with “the General.” Among those I remember are Herman Hickman of Yale, Bobby Dodd of Georgia Tech, Bob Woodruff of Baylor and Florida, Murray Warmath of Mississippi State and Minnesota, Phil Dickens of Indiana, Billy Barnes of UCLA, DeWitt Weaver of Texas Tech, Jim Myers of Iowa State and Texas A&M, Billy Meek of Kansas State, Houston, and SMU, Ray Graves of Florida, Clay Stapleton of Iowa State, Bowden Wyatt of Wyoming, Arkansas, and Tennessee, Harvey Robinson of Tennessee, Allyn McKeen of Mississippi State, Quinn Decker of Centre and The Citadel, Beatty Feathers of North Carolina State, Gene McEver of Davidson, and others, too.

After World War II, I came back to Knoxville to broadcast the Tennessee games and to become briefly the Director of Sports Information. Along the way, I learned that one of the principal ingredients of college football is enthusiasm. Look about yourself in any college football stadium. Look at the cheerleaders, the student sections, the marching bands. It’s a quality that can’t be manufactured.

Another ingredient is loyalty. Look at the students and the alumni joining in to boost the morale of the team that represents the Alma Mater. They will not be for one team this week and another next week. This, for better or worse, is their team. This is loyalty, a quality much to be desired.

The fan in the stands who is cheering for his team also is exhibiting another quality that is becoming all too rare. He is standing up and openly being for something. It has become popular in recent years in many areas to be against things but never really for anything. If I want to know what a man really is, I’d like to know first what he’s for. I’d like him to have early practice in being for things, things that may not be successful by material measurements but are nonetheless worthy. His attitude is more important than the outcome on the field. It is the will to win that is important.

I like to see a boy on the afternoon that he suddenly blossoms into a star right before my very eyes. To see him perform magnificently in later years is satisfying. To see him in the moment of his transformation is ecstatic.

I’ve been associated with the NCAA College Game of the Week on national television for 11 years, one as producer, one as color announcer, and nine as play-by-play announcer. I’ve worked many of the bowl and all-star games, most of them many times. Yet, the thrill for me has never diminished.

The giants of college football history are still giants to me. During the years, I’ve come to know most of them—Red Grange, the late Albie Booth, Ernie Nevers, Jim Crowley, the late Harry Stuhldreher, Don Miller, and Elmer Layden. And, more recently, fellows like Terry Brennan and Frankie Albert.

A few years ago, Red Grange and I worked a game at Penn State, and the referee was Albie Booth. After the game, Red and I started for the airport and Albie asked if he could hitch a ride. Inside the cab, I turned to Red and said, “You know Albie Booth?”

“No,” smiled Red, “we’ve never met.”

It was true. They were two of the greatest stars in the history of the game, and yet they’d never met before.

I suppose you’ve guessed by now—I like college football.
MID-AMERICAN CONFERENCE GROWS RAPIDLY

BY JIM CARFIELD
Sports Information Director
Mid-American Conference

Further attesting to the ruggedness of MAC squads is the fact that more than a dozen of its players ranked among national statistical leaders in the final 1964 NCAB figures.

There's at least one player, incidentally, who is in a position to make a valid appraisal of MAC talent. He's Harry McMillan, a former Army letterman who transferred to Toledo and played close to 60 minutes per game last year at offensive center and defensive halfback.

"Maybe the crowds are smaller and the big names fewer," says McMillan, "but MAC teams hit you just as hard as any of the more publicized outfits."

Bowling Green's Stew Williams also drew praise from McMillan, who played against several All-Americans while facing Navy, Pitt, Michigan, Oklahoma, Syracuse and others during his West Point days. "Williams runs as hard or harder than any fullback I've seen anywhere," he declared.

But football isn't the only area in which MAC members are showing strength. In cross country, Western Michigan annexed the NCAA team title last autumn while individual honors went to Ohio's Elmore Banton and five MAC runners won All-America acclaim.

On other fronts, MAC Commissioner Robert C. James is working behind the scenes to upgrade the level of competition.

In 15 months on the job, James has instituted several programs designed to enhance the prestige, reputation and power of the MAC as a ranking major college conference.

Among the highlights of his administration to date are the signing of a "Game-of-the-Week" TV series in basketball, toughening the qualifications for league officials, adoption of a conference code, standardization of entrance requirements for student-athletes and affiliation with the national letter-of-intent program.

ALMA MATER

Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.

Time will treat you kindly
Years from now you'll be
Ever dearer in our hearts,
Our University.

From your halls of ivy
To the campus scene,
Chimes ring out with gladness
For our dear Bowling Green.

When all is just a mem'ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.
1965 CHEERLEADERS—Vic Crouch, Carol Ann Helman, Jeanne Rogel, Judy Povse and Valerie Smith, left to right in bottom half of photo. Tari Scholler, Nancy Lester, Doug Bleckner, and Don Robinson, left to right in top. Penny Gerber is missing from the photo.

Bowling Green State University’s 1965-66 theatre season will feature 10 full length plays that will be produced in the Main Auditorium and the Joe E. Brown Theatre.

Among the 10 plays are six of broad appeal ranging from the classics to modern drama, three of which are experimental in style and content and one play designed especially for children. The children’s play will tour nearby communities for several performances.

In addition, 18-20 one-act plays will be staged in six evenings. Graduate and undergraduate students will direct and design these productions in order to test their creativity and their understanding of theory when applied to a public audience. Some of these plays will be original scripts by campus playwrights from the class in Dramatic Theory and Playwriting.

Next Thursday, The Waltz of the Toreadors will open for a three-day engagement, Oct. 21-23. Leading the cast will be the aging General St. Pe whose romantic exploits as soldier and lover, in more youthful years, have not prepared him for the changing role of an older man. Bored with his relationship to a shrewish and invalid wife, he escapes occasionally to pursue his wife’s chambermaids and to reminisce about an earlier love.

Ralph Richardson enacted the role of the General when the play appeared in New York in 1957 following successful runs in Paris and London, Walter Kerr labeled the play as “endlessly fascinating and uproariously funny.”

The second play of the year, The Days Between, was written by world-famous Robert Anderson, author of Tea and Sympathy and The Nun’s Story. The University Theatre will join a group of fifty educational and community theatres, associated with the American Playwrights Theatre, which will produce this play prior to its appearance on Broadway.

Tickets are available to students by presenting their ID cards and ten cents at the Box Office in University Hall. Adult tickets are $1.00. Seats may be reserved by writing or by calling the University Theatre Box Office (Ext. 3303).

The office will be open from 11 a.m. to 3:30 p.m., Monday through Friday, Oct. 18-22, and after 7 p.m. on the evenings of performances. Patrons who wish to be placed on the mailing list, to receive future announcements, should write or phone the Theatre Box Office.

A scene from “Burning Bright”
GIVE IT EVERYTHING YOU’VE GOT!

That’s what wins football games. That’s what takes a man all the way to the top, whatever his field of endeavor. If you’ve got what it takes to be that kind of man . . . if you have the chance to take ROTC, make what you’ve got count. Go for an Army commission. That way, come commencement, you’ll have two good things going for you: your college degree, and the gold bars that mark you a leader of men . . . tested, trained, trusted.

GET IN—STAY IN ARMY ROTC!

TOLEDO UNIVERSITY BUILDS PLANETARIUM

Dr. William S. Carlson
Toledo University's President

The Ritter Observatory and Planetarium at The University of Toledo will be used for teaching and research and as a public facility. Work was begun on the structure, which has an estimated total cost of $800,000 in January, 1965 and is expected to be completed in the Spring of 1966.

The building will face Bancroft Street in line with the University Library. The section of the building housing the observatory measures about 40 feet by 40 feet and is connected to the planetarium, which measures 54 feet by 87 feet.

In the planetarium there will be a theater-classroom with a seating capacity of 110. The dome of the planetarium has a 43-foot diameter on which projections of stars, planetary motion and astronomical phenomena may be shown. At its highest point the dome itself is 16 feet high, or a total of 31 feet above ground level.

The building will include offices, an office-seminar room and an astronomy laboratory and will be equipped with an elevator.

The new building will also have an exhibit area in the space surrounding the planetarium and observatory towers. This exhibit area will be devoted to a series of displays which are designed to supplement the demonstrations given in the planetarium chambers.

TU's Science Building

Toledo University is also making rapid strides in other areas. The construction of Toledo's science building is expected to begin at end of October and will be completed in approximately 20 months.

This new building will house the university’s biology and chemistry departments and will cost in excess of $4.5 million when fully equipped. More than half the cost of the new building is being provided from TU’s share of the 1963 state bond issue.

The Biology-Chemistry building will contain 154,357 square feet of space, and will include undergraduate and graduate research and teaching facilities. It will be the second largest academic building on the campus.

The north wing of the building will house chemistry laboratories, faculty offices and research facilities. The south wing will provide similar facilities for the biology department, plus an animal facility in the basement and a greenhouse on the ground level. Lecture rooms and other facilities to serve both departments will be housed in the center section of the building.

The building, which will be air-conditioned, will be constructed on the old baseball diamond, near the Secor Road entrance to the campus.
BG’s FRESHMAN FOOTBALL SQUAD EYES GOOD YEAR

When Bowling Green State University’s 1965 freshman football squad opened its season, Coach Dick Young predicted “this year’s team will be as good if not better than last year’s”.

In an effort to make their coach’s prediction come true, the young Falcons opened their season with an impressive 18-6 victory over Ohio Northern’s junior varsity squad.

Young started the year with Paul Nyitray at quarterback with speedsters Jim Brown and Ed Coletti at the halfback posts while John Ulmer was holding down the fullback position.

All four of these players turned in fine jobs against Ohio Northern in a game that the Falcons also had to battle the elements as well as the Polar Bears. A steady rain fell throughout the contest.

Nyitray, in his first taste of college football, proved he liked what he saw as he completed five of seven passes for 88 yards. One of his passes was a 20-yarder to end Ed Jones for a touchdown. Then in an effort to treat all the ends fairly, Nyitray fired a 30-yarder to Dave Whitaker that just missed going for another touchdown.

The majority of the rushing was left up to a pair of fullbacks, Ulmer and Charles Radich. Ulmer carried 10 times for a net of 57 yards while scoring a pair of touchdowns while Radich finished as the game’s leading rusher as he carried seven times and picked up 69 yards. Brown hit into the line 11 times and picked up 37 yards.

Along with Jones and Whitaker, the other starting line jobs went to Ken Lashutka and Tony Kijanko at the tackles with Bob Frick and Dick Ashbridge at the guards. The starting center was Bill Bourquin.

In one of the big changes during the Falcons’ early drills, Dennis Zolciak, a former All-City end from Toledo Central, has been converted to a guard and linebacker. Zolciak was one of BG’s starting linebackers in the Ohio Northern contest.

The 1965 freshman squad has a definite Toledo and Canton flavor. Nyitray, Ulmer, Frick and Ashbridge all turned in fine jobs for Toledo high schools while Coletti and Jones are from Canton.

Discussing the team, Young said, “as a group, the 1965 team is one of the best we’ve had at Bowling Green. The team has good speed, fine blocking halfbacks and hustle but isn’t too big.”

Young has entered his sixth season as Bowling Green’s freshman coach. Including the opening 1965 victory, he has directed the frosh to an outstanding 21-4 record. Last season, he ran up his worst mark as the Falcons finished with a 3-2 slate. However, the 1964 team provided the varsity with several good players including, Tom Luettke, John Gregory and Dave Seiter.

The 1963 and 1961 frosh teams went undefeated and untied. In 1962 and 1960, the Falcons marked up 4-1 slates. His six year victory total leaves Young with a percentage of .840.

Young is also Bowling Green’s head baseball coach. In six seasons with the baseballers, he has posted an 82-59-3 record. Only one of his teams have been under the .500 mark. Last season, the Falcons finished with a 17-9 record and an 8-2 slate in the Mid-American Conference.
SKETCHING THE HOME FOES

Editor's Note—The following sketches on Bowling Green State University's four home opponents, California State, Western Michigan, Toledo and Miami, will provide plenty of interesting background material for Falcon fans.

CALIFORNIA STATE—This year's game between the two schools marks the first time Bowling Green and California State have met on the football field... Nicknamed the Diablos, California State has a 12-game winning streak that extends through the 1963 and 1964 seasons... Coach Homer Beatty has run up a 16-1 slate in his two seasons at the California helm... The Diablos were the 1964 national college division champions... California State plays its home games in the 100,000-seat Rose Bowl and the Falcons are scheduled to tackle the Diablos there in 1967... California State was undefeated, 9-0, in 1964 and three players, guard Walter Johnson, quarterback Dunn Marteen and halfback Art Robinson signed pro contracts... Johnson signed with the Cleveland Browns.

WESTERN MICHIGAN UNIVERSITY—Bill Doolittle is moving into his second season as the Broncos head football coach... Last year, Western finished with a 3-6 slate but came up with big wins over Louisville, in the opener, Kent State and Ohio University... The Western-Bowling Green games have always been close but the Falcons currently hold a 9-1-1 edge... In the series, the Broncos took the opener 20-15 in 1954 but they have suffered through nine defeats and a tie in the last decade... Bowling Green has won seven straight games from the Broncos... Doolittle faces a real challenge at WM, the Broncos have never won a Mid-American Conference football crown.

TOLEDO UNIVERSITY—The Rockets haven't produced a winning football year since the 1957 team marked up a 5-4 slate... However, Toledo hasn't suffered from a lack of outstanding individuals including Mel Triplett, Gene Cook, Frank Baker and Dan Simrell... Frank Lauterbur is in his third season as the Rockets' coach... In his first two years, Lauterbur owned a 4-15 record... The Bowling Green-Toledo series currently stands at 16-10-3 in the Falcons' favor... Toledo scored a 38-7 victory in 1954 but hasn't marked up a victory now in the last decade... The closest the Rockets came was 22-20 in 1963... Last year, TU finished with a 2-8 slate... Some of the outstanding veterans on this season's team figure to be pass receivers Jack Rogan and Henry Burch plus fullback Jim Berkey.

MIAMI UNIVERSITY—The Redskins are the only team on Bowling Green's schedule that holds the series edge over the Falcons... These two schools have met on the football field 22 times with the series reading 5-15-2 in Miami's favor... Doyt Perry's record stood at only 3-5-2 against the Redskins... Bo Schembechler entered his third season with a record of 11-6-3... Miami sagged in the second half of the 1964 year, losing three of five games to finish the season with a 6-3-1 slate... the big win: 28-27 over Northwestern... BG marked up a 21-18 victory in '64... The Redskins will be without quarterback Ernie Kellermann this year... Redskin coach Jack Hecker won All Mid-American honors at Bowling Green in 1954 and 1955 as an end.
FALCON GAMES BROADCAST BY NETWORK

As part of its expanding athletic program, Bowling Green State University’s 1965 football games will be aired by a six-station radio network. BGSU’s Athletic Director Doyt Perry and station WFOB’s vice president Mel Murray announced recently.

WFOB, with facilities in both Bowling Green and Fostoria, will serve as the originating station for the network that also includes: WEOL, Elyria; WTOD, Toledo; WONW, Defiance; WBCO, Bucyrus, and WLKR, Norwalk.

The network will give Bowling Green excellent radio coverage in northwestern Ohio. WFOB’s veteran broadcasting team of Dugan Fry and Gene Kinn will handle the play-by-play for the network.

Fry and Kinn have done Bowling Green State University’s football games for the past six years and their coverage of BG’s athletic events have taken them from coast to coast.

Fry worked at radio stations WCLT, Newark; and WTTF, Tiffin, before coming to WFOB six years ago. He is now the station’s sports director. Kinn has been at WFOB for seven years and is currently program director.

Falcon games will also be aired this season by WAWR, Bowling Green, and WBGU, the university’s station.

Bowling Green opened its 1965 nine-game schedule at home against California State, last season’s national college division champions. During the California State game, the network fed WBGS, a 50,000-watt station in Los Angeles.

How do athletes handle athlete’s foot?

They follow their trainers’ advice and use Desenex® for prevention and treatment

It’s excellent protection against itching, cracking and irritation of Athlete’s Foot. Helps prevent spreading, too. No wonder Desenex is the Athlete’s Foot treatment most widely used by college football trainers.

We know you don’t have a trainer to keep you on your toes. But that’s no reason to suffer from Athlete’s Foot. Start using Desenex yourself. Avoid Athlete’s Foot problems with Desenex Powder or new, cooling Desenex Aerosol—and for treatment use Desenex Ointment. Desenex is guaranteed to work or your money back.

WTS-PHARMACRAFT, Rochester, N.Y. 14603
MEET THE FALCONS

1. **TOM O'LEARY** (40)—5-11, 185—O'Leary is officially listed as a fullback, but with Stew Williams and Tom Luetke handling the offensive work at that position, O'Leary has been seeing his action with the defensive unit. Last season, he worked his way up to the first string cornerback spot only to suffer an injury that kept him on the sideline for a couple of games. This year, he has firmly established himself as Bowling Green's No. 1 cornerback. Last year, he intercepted one pass for five yards and scored one touchdown. O'Leary played his high school football at Toledo St. Francis. He was an All-City selection during his senior year and won the Junior Chamber of Commerce award for sportsmanship and scholarship. O'Leary is majoring in biology in the college of education.

2. **PAUL ROLF** (87)—6-1, 180—Rolf, a senior end, has established himself as a fine receiver. During last spring's football drills, Rolf was named as the most improved end of the squad. This year, he has seen spot action. Last season, he nailed four passes for 109 yards while picking off four for 48 yards in the Falcons' first three 1965 outings. At Eastwood High School, he co-captained the football, basketball and baseball squads. On the football field, he lettered for three years as a fullback and made the All-League team. Rolf is enrolled in the college of education, majoring in math.

3. **BRUCE BURDICK** (65)—6-0, 225—Burdick lettered with the 1964 Bowling Green team as he saw part-time action. This season, he established himself as the Falcons' starting right offensive guard until an injury in the West Texas contest, the second outing of the year, put him on the shelf temporarily. Burdick is a big, strong guard who fires out well. For weighing in at 225 pounds, Burdick is blessed with good speed. With the Solon High School Comets, Burdick was a fullback and tackle. He captained the Comets and made the All-League squad. He also lettered as a heavyweight wrestler while earning three letters as a pole vaulter and discus thrower with the track team. Burdick is enrolled in the college of business administration.

4. **BOB PRATT** (24)—6-0, 190—Pratt is one of the fastest men on the 1965 squad. He missed last spring's football drills while running with the track squad. Pratt was part of the 440-yard relay team that finished seventh in the nation in the NCAA run and set a new Bowling Green record. He has been one of Bowling Green's starting halfbacks this year despite the fact that he missed the West Texas game with an injury. In 1964, he carried the ball 29 times for 175 yards and a 6.0 average. Pratt also caught three passes for 68 yards and scored three touchdowns. In the first three 1965 games, he had picked up 52 yards. With the Lowellville High School Rockets, Pratt was an honorable mention All-State fullback. As a trackster, he was second in the state in the 100-yard dash.

5. **HENRY ORR** (78)—6-2, 220—Orr was named as Bowling Green's most improved player during the spring drills. This fall he then took up right where he left off and moved into one of BG's first string defensive tackle posts. Through the Falcons' weight program, Orr has added over 20 pounds. His desire and aggressiveness make up for a lack of experience. He was a member of the 1964 team but didn't letter. He captained both the football and basketball squads at Youngstown South while earning All-City honors on the gridiron and taking honorable mention recognition as a basketballer. Orr is enrolled in the college of education at Bowling Green.
HALF TIME—ANYTIME—MAKE IT MILK!

Busy football weekends call for extra energy. And that calls for a refreshing glass of milk. Milk is nature's vitality drink... that helps you stay in peak condition, sees you through the busiest fall days.

Half time; snacktime, anytime—when you take a break, make it milk. Keep up with the fun with milk's vitality!
