SUBSCRIBE NOW FOR YOUR KEY

The key staff wishes to thank those who helped make our subscription drive on October 15, a decided success.

A great majority of the faculty and students signified their desire to make the 1931 KEY an outstanding book, by signing their cards, and a gratifying number have already paid their subscription in full.

For your convenience we are setting Dec. 1 aside as the next date on which you will have an opportunity to sign for your KEY, and also pay the second installment which is due at that time.

This date falls on the first Monday after the Thanksgiving vacation, and it gives everyone a chance to get their money when they are home for Turkey Day.

The dates of Oct. 15, Dec. 1, and Jan. 15, have only been set aside as KEY DAYS for your convenience. If you should wish to subscribe or pay for your KEY at any other time, a word or two to any member of the staff will get you the opportunity.

From all reports THE 1931 KEY is going to be the best yet, so don’t put off subscribing but SUBSCRIBE NOW, and by so doing you will insure the success of the book.

THE TEAM

It only takes eleven men to play a football game, and little attention is paid to the reserves who are found along the side lines, game after game. These lads are out there each night, giving and taking, trying to show enough stuff to earn a position with the regulars. The Coaches realize how important it is to have these lads on the squad and when ever an opportunity comes some new man is sent into the line-up. This has been a tough season on the reserve strength, every game has been a “nip and tuck” affair and the coaches can not take the chance in such games. Several boys are wearing the cleated shoes for the last season as a Falcon player. Chapman has played on the team the past four years and has gained State recognition by his marvelous playing. Never before has a Bee Gee man attracted the attention that this Bowling Green high school lad has. A Sophomore “Chet” was picked on the all-Ohio team and every sport writer in the state told of the playing of Chapman. With the team, he has played guard, end, tackle and fullback.

Lowell will also be missing next year when the coach issues his first call. Don has served his team very capably during his college career. This seems to be his best season when he is found to be running through the opposition for large gains.

Kennemuth is another player who is playing his last season. Clyde has never before earned a football letter, but each year he has been out there working hard and now he is seen in the line-up at some time nearly every game. This Rudolph boy owes all his football experience to

Excuse me—I beg your humble pardon. It would be a great help to the B. G. staff if the College had in their catalogues the numbers of a few English courses, to aid especially our staff. May we suggest why?

THE FLICKER'S NEST
Non, Conformist, or Big Nut?

Years ago, when walnuts could be found under walnut trees, as well as at college dances, two boys waited expectantly for the first frost. As soon as it came, they made numerous trips after school and carried many a bag of the greenish-brown nuts to their home, until the winter's supply was collected. Then they bored a hole through a plank, and proceeded to "shuck" the nuts by driving them through this hole with a mallet. The medium-sized nuts were properly skinned, and spread out to dry in the sun. The little nuts dropped through the hole without much change, but the larger nuts caused difficulty. They refused to go through the hole, and necessitated a few extra "wallops" before their jackets were removed. Usually they were fine enough to justify the extra trouble they caused.

It would seem that our school system is organized largely on this plan. One course is devised which permits little variation, and all of our pupils with their individual needs are expected to derive needed experiences from the same courses. The small minds slip through without "setting the world on fire." The average student gets about what he needs since these courses are built for him, but the special student is improperly provided for and becomes either disappointed, or a disappointment. To revert to the above illustration, it would seem that whether or not you finish satisfactorily depends upon the kind of "Nut" you are.

Too little attention has been given the student who cannot, or will not conform. Instead of recognizing him as a Non-Conformist, we have classed him as a Big Nut. We have penalized the student who has special abilities in unusual lines, and, figuratively speaking, have chopped off his ears if he failed to conform. Who will say how much society loses by such a system?

Who can estimate what might have been produced? How soon can we educate for life, rather than for college entrance? We are driven to the inevitable conclusion that perhaps we, as teachers, rather than the Non-Conformist, have been the Big Nut.
HOME

Someone wrote a song about “Home, Sweet Home.” I hadn’t thought much about it until I left my home for college.

I had never been away from home for more than a week at a time until this last September. I had never had to make my own living. My life was pretty carefree those years after I graduated from high school. Nevertheless, I became dissatisfied with my home life. Sometimes I thought I hated the farm and my work there. I always dreamed of the day when I would go to college. I wanted to go to a school far enough from home that I couldn’t get back very often. Circumstances made me change my mind on that. I came to Bowling Green, only twenty miles away.

I have been away nearly seven weeks. College isn’t a dream now, but a reality. I find that working my way through is not an easy task, but an extremely hard one. And living with strangers is not like living with Dad and Mother.

Here in the city one must walk on hard streets, eat from a counter, and figure the cost of every move. If one looks from the window, one sees only the drab walls of buildings. Songs of birds are drowned out by the roar of trains and the screech of automobile brakes. The air is filled with disagreeable odors. There was very little of the definite schedule about my life at home. Here I am governed by the clock. I am no longer my own boss, but part of a system.

The longer I stay away from home, the more I appreciate it. It seems good to walk on the soft ground; hear the birds and the cattle, see across a broad, clean field, and fill the lungs with clean country air. And best of all, I like to stick my feet under Dad’s table and eat my fill of a good old country dinner that has the college restaurant beat in every way. After all, there’s no place like home.

—Gale A. Herbert

THE FRESHERMAN RULE

The department of Athletics at State college has definitely committed itself to the adoption of a rule prohibiting first year men from engaging in interscholastic sports. This means, that beginning with next September, students will not participate in varsity athletics until they have been in school one full year, or two semesters.

Practically all of the reputable colleges and universities adhere strictly to this rule, and it has long been the aim and ideal of Bowling Green to enter this class athletically. However, until this year, the entire enrollment of men in the institution has always been under 200, many of whom were one, two or three year students. Consequently, it has been thought that by barring freshmen from varsity teams we would be detracting considerably from the quality and effectiveness of the teams. This year the enrollment of men has increased to about 250, and most of this number are starting out as degree students. Thus they will be available for varsity teams for three years. There are 35 men starting out with the intention of majoring or minoring in Physical Education, and most of this group is potential varsity material. It is felt, therefore, that next year is the logical time to make the move.

Scholastically and athletically many benefits may be expected from this change. To list them briefly: freshman athletes will have time and opportunity to concentrate on studies during the fall of their freshmen year, and that is the most critical part of their college career. If at that time they are not successful in adapting themselves to college study habits, they will most likely be dropped later.

The quality of the teams should improve, eventually, since it will be necessary for team members to serve on the freshman team before being put into a critical varsity game. Much of value is learned from the bench. To try a new man in a varsity game before he is ready and have him fail, destroys confidence permanently.

A stitch in time may be appendicitis.
Hitherto many Ohio conference schools have refused to schedule Bowling Green because freshmen were used, the idea being that men who had no intention of working for a degree could enter school in the fall play football for a season and then withdraw, to do the same at some other institution the following fall. By careful regulation Bowling Green has prevented such, but the suspicion always attaches to a school using freshmen.

Another point, of special interest to the athletes, is that letters earned in sports may then be given out immediately after completion of the sport season. At present this is not done until a man has completed at least one semester's work successfully.

It would also do away with the six weeks grade reports, which may disrupt teams in mid season.

Finally, team moral will be improved. A man having labored diligently for one or two seasons becomes discouraged, if a freshman, who has not proved his mettle scholastically, wins a berth on the team the first year. Under the new scheme, to represent Bowling Green State on the athletic field, it will be necessary that a man be a worthy, scholastic representative of the school.

Bee Gee because he never had a ball in his hand until he came under Coach Stellar’s guidance.

The rest of the squad will be back for another season. Travis and Goldner the regular tackles; Ault, Traub and Marsh at the guard posts will wear the Falcon uniforms again next season. Swearingen, D. Stevenson, and Thourot, the ends from this years team and Stevenson at center. In the backfield will be Quarterback Perry, Gill, Poe and Orwick. Other letter men who will be eligible are Bortel, Galanka and A. Chapman. Besides these players are Sheffer, Schaller, Brigham, Hurtt, Floyd, Gray, Clapp, Mower, Croll, Dryer and Conyers.

The College football team played its last conference game of the season before the largest crowd that ever gathered at the local athletic field. Toledo University furnished the opposition and by some good defensive play battled the local lads to a scoreless tie. The game was part of the homecoming celebration and scores of former Bee Gee players lined the sidelines and pulled for a Bee Gee Victory.

The home team started a march on the first play, and after making two straight first downs, lost the ball on a fumble. From then on the two teams battled on even terms, until the final minutes of play in the first half. Three forward passes put the ball on the Toledo two yard line when the gun halted play.

In the last half the Falcons again hit the Toledo line for several first downs but were unable to push over a touchdown.

Goldner played his best game of the year and seemed to be in every play. Several times he broke through the Toledo defense to throw the team for a loss. "Bill" Chapman went into the game the third quarter and played a fine game. More will be heard from this lad next season. Other players who took part in the homecoming affair were: Thourot, Swearingen, D. Stevenson, Marsh, A. Chapman, Ault, Stevenson, Travis, Bortel, C. Chapman, Perry, Poe, Lowell, Gill and Kennemuth.

Defiance 6, Bee Gee 13

The Bowling Green team won the second conference game of the season when the Defiance Yellowjackets fell before a 13 to 6 count. The team was playing well together and rolled up the thirteen points before the coach sent in the entire second team. The Defiance team opened an aerial attack and scored its lone touchdown in the last few minutes of play. Coaches Steller and Landis used twenty-five players in the game. It was the first varsity experience for some of the boys.

Findlay 6, Bee Gee 6

The annual Findlay college homecoming football game took place in the new Donnell stadium with the Falcons being the opponents. The Findlay team is made up of a group of veterans and after battling Toledo to a 19 to 6 victory set out to win the conference title.

The first quarter looked like Findlay would have everything her own way, scoring a touchdown and registering four first downs to one for the local lads. But after the first period Capt. Chapman and his team mates pulled together and threatened the Findlay goal on several occasions. Twice the ball was called back when the team had crossed the goal for what sometimes is a touchdown. Once Perry raced fifteen yards through tackle and over the last marker but the ball was returned to the playing field. Again Gill intercepted a forward pass and raced 60 yards down the field with referee Trautman following close behind and then the umpire called the fullback, ruling that he had ran outside.

When the last half opened it was easy to see that the Findlay team had gave all its punch the first quarter. The Falcons worked the ball to the one yard line when the quarter ended. On the first play of the last period the team pushed the ball over for the only Bee Gee score of the game.

The Falcons used several combinations of players in the game. Lowell worked well in the backfield and cut loose for several long gains during the game. Poe went through the line for a thirty yard gain, and also played well on the defense. Other Bee Gee players who took part were: Thourot, Galanka, Stevenson, Swearingen, Traub, Ault, Marsh, A. Chapman, Travis, Goldner, Chapman, Stevenson, Gill, Perry, Kennemuth, Orwick.

HOORAY FOR THE L. S. A.
The Lutheran Student Association of Bowling Green college is a flourishing organization boasting a membership of 85 good looking, entertaining, congenial and enthusiastic members. Meetings are held at 123 N. Summit St. every first Monday in the month and all those who have been with us will remember the enjoyable times which we are having.

Our officers for this year are:
- Pres., William Miller, Oak Harbor.
- Vice Pres., Arlene Green, Toledo.
- Sec.-Treas., Vera Switzer, Rudolph.
- Reporter, Laeta Lindeman, Woodville.

It will be remembered that the Ohio Valley Regional Conference of the Lutheran Student association was held here last year at which time nine different colleges of Ohio, Michigan, Pennsylvania and West Virginia were represented. This year the conference will be held at Capital University, Columbus, Dec. 5-7. The delegates who will represent our local L. S. A. are: William Miller and Laet Lindeman. Alternates are Arlene Green, Toledo, and Gertrude Bensch, of Rocky Ridge.

All Lutheran students of the college who have not attended any of our meetings thus far are cordially invited to come and have a good time with us. Remember the time, every first Monday evening in each month.

The place: 123 N. Summit St.

VARSITY B. G.
The Varsity B. G. club has been organized for this year and so far we have had two important meetings. The first one, officers were elected. Jack Thourot was elected president and Clifton Olds, secretary-treasurer. The next meeting was called to lay plans for the Varsity B. G. dance to be held, Dec. 5.

There seems to be a common feeling against decorating for dances this year, which this organization most heartily agrees with. In doing away with decorations there will be more money spent in music, which after all is what one goes to a dance for, not to see scenery which costs money, time, and many tired muscles to put up only to last three hours.

The football season will soon be over and the boys are already looking forward to the Kick-Off dinner and dance given to the squad and cross country men every year by the W. A. A. girls.

There is always something appealing to the fellows, in sitting down to a banquet in their honor and then listening to a brief review of the season by the coaches and exchanging their personal viewpoint about this and that, of the game, football.

—Clifton Olds.

Homecoming

The Five Brothers House was the scene of many happy renewals of old acquaintances this year. The house was full from the top to the bottom. Saturday night the S. R. O. sign had to be put up, but that didn't bother them much. What Five Brother would kick at sleeping with an old pal in a double decked bed that had four in it when the usual number should have been two? After all who wants to sleep on Homecoming? It only comes once a year. Why not celebrate, and celebrate we did.

The Fraternity held the Annual Banquet at the American Legion hall in the city park this year. In any good banquet three things are essential for it to be a success: good food with plenty of it, good after dinner talks and plenty of smokes. All three of these things were at the banquet 100 per cent strong. Promptly at 12:00, the men sat down to the tables and through the efficient work of the Legionaires, were soon eating food that was fit for a King. After everyone was satisfied and had eaten all the chicken they could possibly hold, E. C. Powell, acting toastmaster, started the social hour off by introducing Bob Wyandt, the Old Skull of the Fraternity this year. Bob briefly outlined the results and future of the fraternity. The next man called upon by the toastmaster was Dr. C. C. Kohl, our newly elected sponsor. In the few minutes that he took to explain the purpose of Fraternity and how its results were accomplished, more was said to instill into every Five Brother present “That Thing Called PEP” than anything that has happened for a long time. His talk was followed by a long burst of applause.

The new men were then instructed about the history of the Fraternity by “Doc” Lake, the “Millionaire” in the homecoming play, “That Thing Called Love,” he being the only charter member present. Many amusing incidents were related during the course of the historical talk.

The third degree was given to Dr. C. C. Kohl, and seven neophytes, Stewart Himes, Doyt Perry, Glen Beard, Felex Mainz, Herman Luger, Lyall Loomis, and Theron Miller. At the close of the ceremony, Dr. Kohl was presented a Five Brother pin by Old Skull Wyandt in behalf of the organization.

The program completed, the active and alumni met the new men, greeting them for the first time on equal basis, not as lowly Neophytes.

The meeting broke up at an early hour in the morning with all members highly pleased over the success of the affair.

Scribe, Clifton Olds.
DELHI NEWS

The most difficult task that fraternities perform during the year, seemingly, is the selection of pledges. This year it is exceedingly difficult for the enrollment of men in our college has vitally increased over any previous year. This is indeed, a fortunate thing for all, because the registration of men and women students is more nearly equal, and it favors stronger and better organizations. Delhi expresses this sentiment in announcing its new pledges, as follows: George Lutman, Willard Shaller, John Linn, Delos Helm, Eugene Witters, Donald Cryer, Walter Martin, Gerald Ferrell, Harold Ferrell, Joe Kristenak, Mike Lesko, Ed Kirchner, William Monthaven, David Conyers, Robert James, Roscoe Miller, Richard Murray, Arthur Hallberg, Kenneth Dilts and Robert Hurtt.

The Homecoming activities of the Fraternity were nearly as renowned as those of the College. From Friday morning until Sunday evening the House was more like a hotel than a home; yet every alumni brother received a sincere welcome upon coming to Bowling Green. The Midnight Banquet was the most memorable ever. Sixty-five brothers and pledges enjoyed a delicious chicken dinner, and an enthusiastic program of speeches. President, McArtor extended the welcome to the alumni to which Brother Lawrence gave a heartfelt response. Brother Ault narrated the activities of the Fraternity during the past year. Mr. Carmichael and Mr. Reeds, the Fraternity sponsors, gave whole hearted interest and support to the organization. Brother Treece led a business meeting which is an annual event after the banquet. Everyone bid farewell and Homecoming was ended. —David W. Wilson

VARIOUS BASKET BALL

Commoner's Fraternity

With the fall rushing period over we wish to announce the following as pledges to the fraternity: Iams, Roberts, Rector, Kendall, Stearns, Christy, Kunkle, Hagedorn and Wolfe.

Several alumni men returned to B. G. S. C. for homecoming and were with us to join in the festivities culminating in the banquet held at Fetzer's, late Saturday night.

At this gathering of brothers and pledges, State Senator Dunipace was elected as an honorary member of the fraternity. Mr. Dunipace told of the condition of his son, William Dunipace, Jr. who has been recovering from a severe case of tuberculosis. Brother Dunipace was one of the charter members and very instrumental in the organization of the fraternity. We all hope to see Brother Dunipace back with us soon.

TREBLE CLEF CLUB

"I breathed a song into the air,
It fell to earth, I knew not where;
For who has sight so keen and strong,
That it can follow the flight of song?"

—Longfellow.

The Treble Clef Club opened the new school year with a meeting Tuesday, September 24, in room 103 A. A large number of girls were represented. The big part of the hour was spent in group singing, the latter part in testing individual voices.

On October 28 the group went on a steak roast one mile east of Bowling Green. The girls had a jolly time and made many new friends. Everyone decided that they would like to have an informal party soon.

This Tuesday officers for the year were elected. They are as follows:

President—Alice Catharine Fels.
Vice President—A tie between Irene Hitchcock and Martha Sharp, which will be decided upon next time.
Sec.-Treas.—Margaret Burkland.
Chairman of Social Committee—Gertrude Hepner.

The club now has sixty members. With Miss Marion Dee Hall as our director, and Miss Nadine Speakman, pianist, we expect to have a successful year.

One of the most delightful affairs of Homecoming Week was the Huron County club Luncheon at Fetzer's Grill, Nov. 1. Twenty-two members and guests of the club met at 11:30 around the table which was attractively decorated in pink and green. The places were marked with tally cards and pencils which were later passed around and autographed by each one. The favors were tiny pink candles in green holders. The primary purpose of the meeting was the delicious three-course luncheon which disappeared as if by magic. It hardly seems necessary to add that there was plenty of talking and laughing to satisfy the requirements of a "real good time".

Former students who were present were: Annabelle Atherton, Mary Carr, Mary Fay, Ilo Lucal, Elsie Bemis and Aleda Hershiser. The faculty was represented by Miss Hedrick, sponsor, and Miss Willy, guest.

LINCOLN & DIRLAM
Las Amigas
A pleasant surprise is in store for the rushees when they are entertained at the rush party to be given Nov. 20. Lee Sailer and Kay Grow have planned a group of novel activities for the evening.

Plans have been completed for the annual Sophomore dance, the Autumn Amble, which is being sponsored by the Las Amigas Sorority. Buck Arnold's six-piece orchestra of Toledo has been engaged for the evening. Come and enjoy a delightful evening as the guests of Las Amigas.

Seven Sister Sorority
Tuesday evening, Oct. 28, the sorority was very pleasantly entertained at the home of one of our sponsors, Miss Nielsen. Virginia Bigelow and Alice Smith were received into full membership after a very impressive, interesting service.

Homecoming again made it possible for forty Seven Sisters, alumni and active members, to gather at the Women's Club Saturday evening for a dinner party.

Alumni members present were: Cletus Eckel, Esther Hayhurst, Blanche Shanower, Dora Doyle, Mary Doyle, Marcella Noonan, Helen Durholt, Margaret Bemis, Lillian Kennedy, Lucile McClelland, Evelyn Scherff, Eulalie Hoffman, Ward Leontine Morrison, Charlotte Gaith, Winifred Freyman, Ethel Cook, Marian Sauzenbacked, Lillian Benson and Marie Dock.

Sponsors and active members present were: Miss Caroline Nielson and Miss Tressel, Althea Benner, Ruth Bernath, Lois Kemmis, Pauline Spitler, Elizabeth Walters, Mildred Immel, Marian Culbert, Vivian White, Martha Gaeth, Kathryn Cleary, Virginia Bigelow, Alice Smith, Beryl Thorson, Jane Reynolds and Jean Robertson.

Extensive plans for the rushing season have been made. One party will be in the form of a Peek-In-Tea, given in the Home Economics dining room. Arrangements are in charge of the Rushing committee with Miriam Culbert, chairman.

SKOL NEWS
Homecoming for the Skols proved to be a very successful and happy occasion. Thirty Skol alumnae returned to Bowling Green, to renew old acquaintances and make new ones at Homecoming.

At 1:30 p.m. Saturday, Nov. 1, at the Women's Club, 43 active and alumnae members gathered around tables lighted with golden tapers and decorated in Skol colors, for the Skol luncheon. During the luncheon the president, Alice Catherine Fels gave a pleasing welcome to the alumnae. Dr. Florence Williamson and Miss Grace Canen, the new sponsors were introduced to the group. Dr. Williamson gave a fine talk on Skol activities.

Following the luncheon the party attended the Bowling Green-Toledo football game in a body.

Still another meeting was added to Skol program during homecoming. Alumnae and active members met in Room 118 at Williams Hall to further discuss Skol activities and future work.

With this meeting closed the activities of Skols for homecoming. The alumnae departed, each to go to his different work but each to have a closer tie and a warmer feeling for Skol.

The regular meeting of the Sorority was held in Studio of Administration building, Tuesday evening, Nov. 4. Regular business was transacted and final plans were made for the rushing season.

"I guess I've lost another pupil," said the professor as his glass eye rolled into the kitchen sink.
Five Sister Sorority
The annual event of Homecoming, which is always looked forward to with eagerness and anticipation, was a very happy and successful one for the Five Sisters. A large number of alumnae returned and a more gala and exuberant crowd would have been hard to find.

Among the many get together parties held by the sorority, the banquet, held on Saturday evening at the Women's Club, was perhaps the loveliest and most enjoyable. On Saturday afternoon, the Sisters attended the game in a body and occupied the large section which had been reserved for them.

The alumnae who were back were: Marion McMahon, Ellen Stover, Olive Bush, Adelaide Childs, Charlotte Wollcott, Esther Smith, Gertrude Schmidlin, Kathryn Taber, Olive Bowersox, Elda Tabbert, Geraldine Scott Byers, Irene Plummer, Marion Van Dorn, Donna Van Camp Bone, Marie Menz, Leona Horner, Mary McKnight, Maxine Olnhausen, Kathryn Secrist, Helen Van Cleif, Thelma Ritchey, Helen Oxley, Genevieve Keil Ward, Virginia Smith, Bertha Hayes Younkin, Virginia Teachout.

The sorority is progressing rapidly under the able leadership of Kathryn Sams president. The other officers are: Isabelle Gunn, vice president; Mary Elizabeth Walker, secretary; Irene Urschel, treasurer; Louise McMahon, corresponding secretary; Helen Harmon, reporter; Olive Mae Pelton, G. P.

The sorority is very glad to welcome to its midst, Mrs. Moores, who has become the new faculty advisor.

3-K
Once more groups of alumni came back to meet old friends, and this time the 3K girls had a home to see and enjoy.

One of the prettiest dinners arranged by organizations was given at Fetzer's Grill, Saturday evening, Nov. 1. The sorority colors were daintily carried out in green and white. A large basket of white chrysanthemums centered the table and each guest found a tiny corsage at her place. Those present to renew old friendships were: Grace Schmunk, Leethel Fortney, Julia Mae Roser, Lola Allbright, Esther Cleveland, Frances Miller, Frances Quandt, Alice Sollinger, Nannie Lee Rush, Minnie Lake, Josephine Nichodemus, Letha Phillips, Ann Phillips, Mary Brunthover, Naomi Doyle, Vilma Stone, Mary Miller, Ollivene Sardoris, Nadine Speakman, Lorraine Mookey, Marquerite Wright, Alice Kille, Lois Felsted, Miss Yocum and Miss Baird.

While some of the members enjoyed "This Thing Called Love", others talked over old times at the sorority house, where all girls gathered later for a party which brought together old friends and old memories.

The alumni found the active members a lively group and are watching for great things to happen.

Now that "rush week" is here again each organization is watching the student body for prospective members. The 3K's have been watching closely and are to start activities Monday Nov. 10 with an informal party to be held at the sorority house. These girls are expecting to have a very worth while and successful year. Just watch their activities!

A Wide-awake Club

Did you see the reception and registration room the Marion County Club had for their Homecoming Friday? No, you missed something. Room 201 was quite attractively furnished and decorated, and a committee was present all of Saturday morning to welcome visitors from Marion County.

Meeting of Marion Co. Club

The Marion County Club held a social meeting Tuesday, Nov. 4, in room 103. The evening was spent in games and contests, after which refreshments were served. All present declared they had a very enjoyable time.

The next regular meeting will be in two weeks in the same room, at 7:30 p.m., at which time a short business meeting will be followed by an entertaining program.

SMILE A WHILE

Henry Ward Beecher was once riding with Robert Ingersoll, when the latter asked him to write his epitaph. Taking a piece of paper, Beecher wrote, "Robert Burns."

An editor of a western newspaper was once instructed by the San Francisco Examiner to meet Sarah Bernhardt at Reno and escort her over the mountains of California. This editor was a likeable chap, and the great French actress became so fond of him that thereafter she declined to be interviewed by any other newspaper man during his sojourn on the coast. If she had anything to say for publication, he said it for her. The day came when she was to leave for the east. As the locomotive bell was ringing, she put her hands upon his shoulders, kissed him upon either cheek, and then squarely upon the mouth, remarking as she did so, "The right cheek for the Carson Appeal (his own paper) the left for the Examiner, the lips, my friend, for yourself.

"Madam," the editor answered, without any sign of bashfulness, "I also represent the Associated Press, which serves 380 papers west of the Mississippi."

When Oliver Wendell Holmes was leaving a certain hotel he was asked to write something in the hotel register. "With pleasure," he answered as he wrote: "I was told to come to this hotel for change and rest. The waiter got the change and the landlord got the rest."

On one of Marshal Foch's visits to this country a guest took exception to French politeness. "There is nothing in it but wind," he protested. "Neither is there anything but wind in a pneumatic tire", retorted the general, "yet it eases the jolts along life's highway wonderfully."

COME TO COUNTRY LIFE CLUB

Many Freshmen do not know just what the Country Life Club really is. Some may think it is a study of rural life—far from it. It is a social club established for ALL college students. It is about the only club upon the campus where we all can meet upon common grounds. There are Country Clubs, Music clubs, clubs for upperclassmen; but Country Life is open to everybody.

The two main objects of the Club are first, to get the students together and get them acquainted; second, to put on a program by the students and in this way give the student experience in speaking and acting before a gathering, so that when he goes out into the world he will have had some experience in public speaking. It brings out the speaking and acting ability of the student. Who can tell? We might have a possible Barrymore in our midst. Come to Country Life and you'll always come.

The following is a typical Country Life Program:

1st—Short discussion of current events.
2nd—Either a short one act play or skit or essays and talks concerning interesting subjects.
3rd—Group singing.
4th—Club Business.
4th—Dancing and Games in the Ladies Gym.

Get the Country Life habit and come every other Wednesday night at 8 p.m. in the College auditorium. "See you at Country Life." —Ed. Kirchner

LOGAN COUNTY CLUB

Thirteen young people from Logan County met Oct. 21, 1930, to organize the Logan county club. The officers of the club are: Helen Moore, president; Martha Sharp, vice president; Herman Lugar, secretary and treasurer; Irene Orahoo, reporter.

Miss Durrin and Mrs. His song have consented to be our faculty advisors.

The second meeting was held Nov. 4, After the business session was over, the entertainment committee gave us all an enjoyable evening. Again thirteen people were present.

Thirteen may be our lucky number—who knows—but we would like to have every Logan county student out to our next meeting to be held in room 105A at 7:30, Nov. 18. "Remember that date."

Bryan's Orders
During the campaign of 1896 when Wm. Jennings Bryan was running for president for the first time on the Democratic ticket, he was speaking in a town in southern Nebraska, near the Kansas line one afternoon, and he was flaying the Republicans hard from the platform, when an old Republican, with a few too many drinks under his belt, sitting near the center of the room, drolled out between hiccoughs: "You-go-to-hell!" The audience yelled, "Throw him out!" And several men started to do so. Bryan shouted from the platform: "No! Don't touch him! Let him alone! I've been ordered all up and down this country during this campaign, by the Democratic committee, but this is the first time that anybody has commanded me to go to the Republican headquarters."—Forensic.

Bzzzz! Ouch! Swat!
Amos Quito is an obliging fellow. He is constantly by our side after darkness arrives and will only consent to leave when the dread Fly-Tox is made use of. He always has a friendly greeting for the tired student when he returns to the peaceful suite of his room. He is not only affectionate but very musical. His melodious buzz and soothing hum never fail to calm our troubled spirits when bed-time arrives.

He is used as an excuse for all the swollen lips, black eyes, and red noses on the campus. He makes the Fly-Tox dealers smile and he drives the blues away from the Black Flag vendors. In fact, Amos Quito is one of the best fellows on the campus. As a lover Amos is not very successful. He loves the women, but they don't love him. However, with all these admirable qualities, Amos Quito becomes a nuisance when he hangs around in the room so long that he hinders our study, because we all would rather study than entertain Amos Quito.—Capital Chimes.

The following lines were copied from a blackboard of one of the teachers in this institution:
To all who come inside this door, Leave fret and care behind; And find within this friendly room, The cheer of kindred mind. And going out take strength and faith, To help advance God's plan; To bring to pass in his good time, The brotherhood of man.

Mr. Carmichael asked his class to write a description of the hottest day they had ever experienced.

One Freshman wrote:
I remember one day in July about six years ago that was really hot. The car tracks melted into a red stream of liquid fire every garden was littered with blazing cucumbers the river boiled over and scalded about eleven bridge tenders, the ice houses were burning all over town and every blast furnace in the city was crowded with sunburned refugees vainly trying to escape the heat.

Motor Cop: “So you saw the accident? What was the number of the car that knocked the man down?”
Overman: “I’m afraid I’ve forgotten the number, but I remember noticing that if it were multiplied by fifty, the cube root of the product would be equal to the sum of the digits reversed.

A lady phoned the water office, relative to the hours for watering the lawn.
“What is the proper time to put on my hose.”
Clerk—“Really, madam, I don’t know but I believe immediately after your B. V. D.’s.

Farmer—“The West is a fine place; I’ve got a good crop.”
Neighbor—“How come. We ain’t had no rain this year.”
Farmer—“I raised pertaters and onion together. The onions got in the taters eyes and they watered themselves.”

“The elevator to success is not running—take the stairs.”
“Some folks would rather blow their own horns than to listen to Sousa’s band.”
“When the outlook is not encouraging, try the uplook.”

Perry sighted along the barrel, aimed at a bird away in the distance, and pulled the trigger. A loud report and the sportsman ran forward. When he reached the neighborhood of where the bird had been he saw something hopping around in the long grass. He picked up a frog and remarked with pride: “Not such a bad shot for an amateur. I didn’t kill him, but I certainly knocked all the feathers off.”

A minister had a parrot which much to his regret had started swearing. Feeling the need of advice, he asked one of the church members how he could break his pet of this habit.
“Just biff him on the side of the head or throw a bucket of water on him the next time he swears,” was the answer received.
The next time the parrot swore the minister slapped him so hard he knocked it unconscious and to be sure of the cure, threw a bucket of water on it.
When the parrot came to his senses again he looked up and asked, “Where in the Hell was you when the cyclone struck us.”
