My dear Mr. Murray:-

On March 18th I wrote you the action of the Board of Trustees of the Bowling Green State Normal College in which they instructed me to ask you for your report on the condition of the Training School building at the time it was taken over by the Board from the Steinle Construction Co.

At a meeting of the Board of Trustees on Friday, April 16th, 1920, at Columbus, I was again instructed to write you and ascertain if you had the report in shape for us. If you have not, our Mr. Merriam, architect of the Board, will be ready at any time to render you all the assistance he can if you should need him.

We are anxious to get this report as soon as possible in order that it may be made a matter of record against the day when legal adjustments must be made. If you have it ready we would appreciate it if we might have it soon; if it is not ready, can you give us some idea as to when it will be.

Awaiting a reply, we are,

Yours very truly,
