The study submission and informed consent for the proposal referenced above has been reviewed and approved via the procedures of the University of South Dakota Institutional Review Board.

Prior to initiation, promptly report to the IRB, any proposed project updates / amendments (e.g., protocol amendments/revised informed consents) in previously approved human subject research activities.

Any research-related injuries (physical or psychological), adverse side effects or other unexpected problems encountered during the conduct of this research study needs to be reported to the IRB within 5 days of notification of the occurrence.

The forms to assist you in filing your: project closure, continuation, adverse/unanticipated event, project updates/amendments, etc. can be accessed at http://www.usd.edu/research/irb-application-forms

You have approval for this project through 8/23/2018. When this study is completed please notify the Office of Human Subjects Protection. If the study is to last longer than one year, a continuation form is to be submitted at least thirty days prior to the expiration of the study.
If you have any questions, please contact: humansubjects@usd.edu or (605) 677-6184.

Sincerely,

Ann Waterbury, M.B.A.
Director, Office of Human Subjects
University of South Dakota
