Welcome to Doyt Perry Field

Something for everyone — that's the theme for Bowling Green football in 1979. There is no finer family entertainment than college football on a Saturday afternoon. In addition to exciting MAC action, the Falcon Athletic Department has put together a series of pre-game and halftime shows and special promotions which we feel will appeal to fans of all ages.

Starting with the gala Shrine parade on September 8 and Band Day on September 22, throughout the season there will be sky divers, gifts and surprises for the youngsters, an automobile show, Homecoming activities and much, much more. Add to this one of the most explosive offenses in the nation, and you've got a great day of entertainment.

A warm welcome to all of our fans and our special guests from Eastern Michigan, Central Michigan, Toledo, Miami and Southern Mississippi. We hope you thoroughly enjoy your day on the Bowling Green campus. And after the game, take the time to stroll the campus and visit its many outstanding buildings and facilities.

When the day is complete, we hope you will agree that it was an exciting visit. We hope to see you at many future Falcon athletic events.

Today's Visitor — Southern Mississippi

For the second week in a row, the Falcons are meeting a strong non-conference opponent. Southern Mississippi, an independent, comes into today's game with a 5-3 record. Coach Denny Stolz says that USM was as good as any team the Falcons faced last year, and the Golden Eagles appear to be just as good or better this season. To win today, Bowling Green will have to play with the same intensity shown last week against Kentucky, and cut down on mistakes.

Against Kentucky, the Falcons looked very, very good at times. The BG offense moved the ball against a Kentucky defense that had given up an average of just 163 yards per game, rushing and 278 yards in total offense. The Falcons rushed for 228 yards — their second straight 225-plus yard game after being held to 80 yards against Kentucky, and cut down on turnovers and some mistakes.

Senior quarterback Mike Wright completed eight of 16 passes for 92 yards and a touchdown. Wright has now accounted for 42 touchdowns in his Bowling Green career, rushing for 21 TD's and passing for 21 others. Sophomore tailback Kevin Folkes rushed 17 times for 122 yards and a touchdown against Kentucky. It was by far his best day as a Falcon, and was the first 100-plus yard rushing game this year by a BG player.

Defensive standouts included junior tackle Todd Gates, senior end Mike Callesen and sophomore linebacker Doug Carr.

To win today, the Falcons will have to cut out the mistakes that cost them a chance at upsetting Kentucky. Four turnovers and some untimely penalties hurt the offense, while the defensive gave up two long touchdowns, one on an 82 yard run and the other on a 60 yard punt return.

Going into the Kentucky game, the BG coaching staff felt the UK defense was the best the Falcons had faced all year. Southern Mississippi’s may be better. The Golden Eagles have limited six of their nine opponents to one touchdown or less. Standouts in all year. Southern Mississippi’s may be better. must contend with a big USM offensive line and a trio of tailbacks — Sammy Winder, Ricky Floyd and Tiko Beal — who have combined to rush 339 times for 1,389 yards and 17 touchdowns.

The Falcons wind up their season next Saturday at Ohio University. A Bowling Green win over the Bobcats will put the Falcons in the first division of the MAC. The next home game will be September 13, 1980 against Eastern Michigan.

Head Coach
Denny Stolz

Denny Stolz is in his third year at Bowling Green State University following successful coaching stints at Alma College and Michigan State University.

A former Big Ten Coach-of-the-Year, he has amassed a 72-43-1 record as a collegiate head coach for a winning percentage of .591. That percentage could improve this season as Stolz' original recruits begin to mature in their third year in the program.

Before coming to Bowling Green, Stolz was the head coach at Michigan State from 1973-75. During his three year tenure, he led the Spartans to a 19-13-1 record which was the only winning record produced among Big Ten coaches other than Woody Hayes and Bo Schembechler.

His first club posted a 5-6 record in 1973, but a year later, he directed the Spartans to a 7-3-1 mark for the best effort at State since the 1966 season. The team was 6-1-1 in conference play and only a tie with Illinois kept it out of the title picture. His efforts earned him coaching plaudits from the Big Ten and the Spartans finished 12th in the AP poll and 18th in the UPI ratings. A 16-13 win over Ohio State highlighted the campaign as the Buckeyes were ranked number one at the time.

A year later, Stolz led State to a 7-4 record and a third place finish in the Big Ten. One of the team's big wins was a 10-3 decision over Notre Dame.

His coaching success earned him a spot as head coach of the North team in the 1976 All-American Bowl in Tampa and he directed his team to a win over the South team.

Stolz began his coaching career with the Spartans as an assistant to Duffy Daugherty in 1971. As defensive coordinator, his units ranked second and third in the league in total defense.

Prior to joining Daugherty, Stolz was head coach at Alma College in Michigan from 1965-70. Taking over a team that had won just three games in four years, he molded Alma into a Michigan Inter-collegiate Athletic Association (MIAA) power. During his six years as head coach, his teams won three MIAA titles, compiled an 18-game win streak and posted back-to-back unbeaten seasons in 1967 and 1968.

A 1955 graduate of Alma and a native of Lansing, Mich., Stolz got his start in coaching at Haslett High School where he had a nine-year record of 40-13-3 from 1955-63. He also spent a year as defensive coordinator at Lansing Eastern High School in 1964.

Denny and his wife, Cena, are the parents of a son, Doak, 19, and daughters, Dawn, 18, and Denise, 11.
Mohr Likes Switch To Defense
By Kevin McDermott

After four years at Bowling Green State University, Rex Mohr seems to have only one regret.
"I wish," confessed Mohr, "I had played defense the whole time.

Mohr switched to defensive tackle two years ago after playing offensive tackle his first two seasons. "I really enjoy playing defense," Mohr says. "I like the freedom. It's not as confining as playing on offense. On defense I can hit more and use my hands. Generally, you can just get away with a lot more."

Although his playing time has been limited, the Dayton native still gets pleasure out of Bowling Green football.

"I've met a lot of people through football and made a lot of friends. Everybody on the team gets along real well. We're a close group and that makes it enjoyable."

And though he might not contribute that much on Saturday afternoon, Mohr does play an important part in the football program.

"Except for the coaches and players," says head coach Denny Stolz, "nobody realizes how important a Rex Mohr is. He's been here four years and does a good job. I have just as much, probably even more, respect for him than I do for others who get to play. It takes a certain amount of character on his part."

The way Rex figures it, "you gotta keep working and working till the final bell."

Looking at his last home game against Southern Mississippi, Mohr sees emotion playing a large part.

"It'll be interesting. I'm looking for a real emotional game," said the senior Public Relations' major. "It's the last time to put on a uniform, run through drills and play in front of a Bowling Green crowd. After four years of going through everything with these guys, it's bound to be emotional, and I'm looking forward to it."

Ground breaking ceremonies are scheduled for the new home of Lundy-Van Oldsmobile Cadillac. The new facilities will be located on the north end of Bowling Green on North Dixie Highway and will feature the most modern facilities in the area and a large new car showroom. If you appreciate the quality built into a Cadillac, you'll appreciate the quality we're building into our new facilities.
CoSIDA Selects
Academic All-Americans

The selection of the Academic All-American teams is a major yearly project of the College Sports Information Directors of America, an association of almost 1,000 sports information people from all levels of college athletics. The Academic All-American Program was started by CoSIDA in 1952. In 1977, the U. S. Tobacco Company conceived the idea of adding scholarships to the recognition received by the winners.

U. S. Tobacco awards scholarships to colleges and universities in the names of students who display outstanding ability in football, basketball or baseball, while maintaining superior scholastic achievement.

Sports Information Directors of the 1,000 member schools submit names of scholar-athletes to CoSIDA selection committees for each sport. The committee selections are then voted on by the full membership. In addition to outstanding athletic records, All-American candidates must have a grade-point average of 3.0 or better (on the basis of 4.0 = A, this equates to about a B average).

In 1978, U. S. Tobacco awarded 39 scholarships totaling $58,500. Individual scholarships of $1,500 were awarded for first team selections in the University Division in football (22 scholarships), baseball (12 scholarships) and basketball (5 scholarships). For the 1979 year, the awards program has been restructured to also include first team selections in the College Division. Thirty-nine scholarships of $500 each will be awarded in this division, and 39 scholarships of $1,000 each will be awarded in the University Division — a total of $58,500.

Bowling Green has two nominees for Academic All-America honors this year, senior defensive end Mike Callesen of Cleveland, and senior quarterback Mike Wright of Wellsville. Callesen is majoring in business, and Wright is a communications major.

Alma Mater

Alma Mater hear us,
As we praise thy name
Make us worthy sons and
daughters
Adding to thy fame.

Time will treat you kindly
Years from now you'll be
Ever dearer in our hearts,
Our University.

From your halls of ivy
To the campus scene,
Chimes ring out with gladness
From our dear Bowling Green.

When all is just a mem'ry
Of the by-gone days,
hear our hymn dear Alma Mater
As thy name we praise.

THE FIRST CHEVY OF THE '80s. CITATION.
OUR MOST SUCCESSFUL NEW CAR EVER.

Ever since its introduction, people have been flooding Chevy showrooms across the country to see the 1980 Chevy Citation. And according to Retail Delivery Reports, 33,765 units were sold in its first three weeks, more than any new entry Chevrolet has ever introduced.

MID-SIZE ROOM FOR 5.
Citation's engine is mounted sideways, so the passenger compartment can be bigger. In fact, in EPA interior dimensions, Citation is classified as a mid-size car. With the back seat folded down there's room enough for two adults in front and 30 bags of groceries in back.

0 TO 50 IN 9 SECONDS FLAT WITH THE AVAILABLE V6.
In engineering tests, Citation goes from 0 to 50 in 9 seconds flat. That's with available 2.8 Liter V6 engine and automatic transmission. California figures not available. (Citation is equipped with GM-built engines produced by various divisions. See your dealer for details.)

EASY ON GAS.
24 EPA ESTIMATED MPG.
38 HIGHWAY ESTIMATE.

That's with Citation's standard 2.5 Liter 4-cylinder engine and manual transmission. (Manual transmission currently not available in California. Calif. estimates lower.)

Citation's standard 4-speed transmission is made to conserve gas. It's an overdrive. And at cruising speeds the 4th gear lets the engine run slower than with a conventional transmission, helping to get impressive fuel economy.

IMPRESSIVE LONG-RANGE CRUISING ESTIMATES, TOO.
And Citation's long-range cruising estimates are just as impressive: 336 miles based on EPA estimated MPG (city) mileage figures, and 532 miles based on estimated highway MPG. Range figures obtained by multiplying Citation's 14-gallon fuel tank capacity rating by the EPA mileage estimates.

REMEMBER: Compare the circled estimated MPG to the estimated MPG of other cars. You may get different mileage and range depending on your speed, trip length and weather. Your actual city mileage and range will be less in heavy city traffic. Your actual mileage will probably be less than the highway estimate.

YOU'VE GOT TO DRIVE IT TO BELIEVE IT.
When you drive Citation you'll see what all the excitement is about. The way it feels. The way it maneuvers. The way it rides. And Citation's front wheel drive puts approximately 65% of its weight over the "driving wheels" to give you impressive traction on wet or snowy roads.

IT'S A WHOLE NEW KIND OF COMPACT CAR.
There's still a lot about Citation that we haven't mentioned. Like slip stream design to cut down on wind resistance and wind noise. The hidden cargo area in all hatchback models, so what's inside is protected from view. A dual diagonal braking system. And much, much more. That's why we encourage you to see your Chevy dealer and test drive the 1980 Chevy Citation today. This could be the car you've had in mind.

BG All-America Candidate Winds Up Career Today

Anyone who follows Bowling Green athletics at all is familiar with the name Mike Wright. Indeed, the Falcon senior quarterback has had an outstanding career here and is a strong candidate to win All-MAC honors for the second year in a row.

But there is another BG athlete who is winding up his collegiate career today who may attain even higher honors. Dennis Mepham, the co-captain of the Falcon soccer team, is a legitimate candidate for All-America honors.

The senior striker from Rochester, NY, is probably by now the highest scorer in BG soccer history. With four goals left Mepham had already tied the BGSU career point record of 31 and was just two short of the BG mark of 24 career goals.

Mepham has played even better this year. He has played his best soccer against the best opposition. His contributions go much beyond scoring goals. He scored just one goal as the Falcons whipped Western Michigan 2-1 and Ohio State 4-0 to win the Akron Children's Hospital Tournament last month, but he was selected as the tournament's Most Valuable Player.

“Dennis is certainly as good as any striker we have had at Bowling Green,” Cochrane says, “and when you combine his scoring talent and playmaking ability, he is probably the best.”

Palmisano, who played for Bowling Green and served as an assistant coach to Cochrane before taking over the head job last year, feels Mepham has an excellent future in soccer.

“Dennis has all the qualities that make up an All-America selection,” Palmisano continues. “He combines his great athletic ability with excellent technique and tactical knowledge of the game. I feel he is one of the finest athletes we have had at Bowling Green.”

The soccer coaches are not the only ones who recognize Mepham's athletic ability. Mepham was also a standout in basketball at Brighton High School, and he was a walk-on candidate for basketball at Bowling Green. He played JV for two years and was a varsity squadman.

“Dennis has a lot of natural talent,” BG Basketball Coach John Weinert says. “He has excellent quickness, great leaping ability, and is a fine passer. Unfortunately, the two sports don’t mix. We begin our basketball running program in September, and because of his soccer commitment, Dennis was never able to join us until November.

“Without question, Dennis could have helped our basketball program,” Weinert continues, “but it would have meant neglecting his best sport (soccer) to improve on his second best (basketball).”

Mepham’s chances for All-America honors rest with the evaluation of opposing coaches, but both Cochrane and Palmisano feel he has a shot at becoming BG's first All-America striker and third soccer All-America. Dave Dyminski and Buddy Lewis, both backs, won All-America recognition in 1973 and 1974 respectively.
ATHLETIC SECRETARIES: Some of the most important members of the BGSU athletic staff are the department secretaries. The group and their responsibilities includes (L-R) — Marty Frobose (athletic director), Jan Kiehl (Falcon Club), Sandy Graf (football), Lou-Ann Bray (sports information), Sally Thiebaut (assistant athletic director), Bernie Joseph (promotions), Tracy Cary (switchboard) and Ann Jones (associate athletic director). Missing are Becky Meek (tickets) and Opal Adams (tickets).

STADIUM MAINTENANCE TEAM: The excellent condition of BGSU’s athletic plant is the responsibility of the athletic fields and facilities crew under the direction of Ken Schoeni, administrative assistant to the athletic director. The group includes (L-R) — Curly Foster, Dan Malone, Norm Jimison, Dick Layman, Butch Patton, Genaro Cruz, Paul Thiebaut and Ken Schoeni. Missing are Jerry Hiser and Jerry Jimison.

Office Of Admissions Sponsors Fifth “Preview Day”

Dr. Clifford Long, Professor of Mathematics and Statistics, discusses opportunities for study in mathematics with a prospective student and her parents.

Over 1500 persons attended last year’s Preview Day which was held in the Grand Ballroom of the University Union.

A “Big Orange” welcome is extended to all visiting high school students, their families and counselors who are participating in today’s Fifth annual “Preview Day” program. Information on Art to Zoology, housing, financial aid, career planning and placement, intercollegiate athletics, flight instruction, social activities, karate and hundreds of other topics filled the Grand Ballroom of the University Union this morning as our guests discussed Bowling Green State University.

The Office of Admissions conducts “Preview Day” in order to provide an opportunity for more personal contact between prospective high school students and our University community. Last fall over 1,500 persons attended “Preview Day” with an even larger turnout expected at today’s program.

More than 200 BGSU faculty and staff members along with 100 Bowling Green students assisted in providing today’s “personal contact.”

The Office of Admissions extends sincere thanks to our University hosts, and hopes that a meaningful and enjoyable experience was offered to our guests on “Preview Day.”

The Falcon Marching Band Presents

It is with a great deal of pride that we present our final field performance of the 1979 season. We open our show with “Different Worlds”, the theme song from the popular television program, “Angie”. Music from one of Broadway’s most successful musicals, “Fiddler on the Roof”, serves as the background for our Falcon Flag Corps.

The music world was deeply saddened by the death of Stan Kenton this past summer. The countless number of great melodies from his big bands of the past several decades are a tribute to his musical excellence and influence. Stan Kenton would have wanted any musical tribute to be accompanied by joy and happiness, therefore the Falcon Band and the Pommerettes are “eager” to please with our Kenton tribute, “Eager Beaver”.

We are extremely grateful to our many loyal fans for their support and appreciation throughout the football season. It is with you in mind that we close the 1979 football season with a dedication; because we love you, “Just The Way You Are”.

Falcon Band Performs in Silverdome

The Falcon Marching Band had a truly memorable experience on Sunday, October 28, performing before 70,000 people in the Pontiac Silverdome. The occasion was the Detroit Lions-Buffalo Bills football game, and it was the first time that the Falcon Band has performed at a National Football League game.

The big weekend actually began on Saturday, October 27, as the Band shared the pregame and halftime shows with the Ball State University Band, in Muncie, Indiana. The Band returned to Bowling Green at midnight, and was on its way to Detroit by 7:00 Sunday morning. After an hour of rehearsal in the Silverdome, the Band was treated to a lunch by the Lions, and then presented its pregame show. The halftime show was well received by the audience, and the music performed included “Lucretia MacEvil”, “Mack the Knife”, “Last Dance”, and “Hey Jude”.

The Falcon Marching Band members were extremely proud to represent Bowling Green State University, and will have fond memories of their performance for a long time.

Bowling Green's Most Exciting Nite Spot
Isn't in Bowling Green

No kidding, it's just outside Bowling Green. It's a place that does the music the way you want to hear it; makes your dancing shoes move and kick around, and serves fine beverages 365 nights a year.
Since 1965, one of the driving forces behind the Bowling Green State University athletic program has been the Falcon Club. The group offers a variety of activities to members and support by the members has had much to do with the success enjoyed by various Falcon teams. Luncheons, such as the one above, are just one of the many activities available to members.

Dear Falcon Fan:

We share with you an enthusiastic desire for winning athletics at Bowling Green. In order to sustain a winning program, however, we must meet the financial challenges of athletic excellence. Falcon Club membership offers you an opportunity to get behind our teams and coaches. Falcon Club donations have been the salvation of our program, and to win in 1979 will require a supreme Falcon Club effort.

I am interested in learning more about the Falcon Club and its activities.
