This Article is brought to you for free and open access by the University Publications at ScholarWorks@BGSU. It has been accepted for inclusion in Board of Trustees Meeting Minutes by an authorized administrator of ScholarWorks@BGSU.
The Board of Trustees of the Bowling Green State Normal College met at 2:30 P. M. in its office in the Administration building on the above date. The members present were Pres. J. E. Shatzel, Trustees E. H. Ganz, and D. C. Brown. Dr. Williams was also present. Vice Pres. J. E. Collins and Sec'y Dr. H. J. Johnston were unavoidably absent.

The minutes of December 1st were read and approved. Pres. Williams made the following reports regarding conferences with state officials since the last meeting of the board.
I desire to make brief reports of visits to state officials since the last meeting of the Board. I was called to Columbus on December 5th to attend a conference at the office of the Director of Education and found time to see Mr. Harsh, State Architect and Engineer, Mr. Tracy, Auditor, and Mr. Davis, Budget Superintendent. An agreement was reached with Mr. Harsh and Mr. Tracy that the Department of Highways and Public Works would pay fees for services of Louis Brandt, Landscape Architect, and invoice same to the Board of Trustees. At this meeting Mr. Harsh handed us carbon copy of a form of contract prepared by the Attorney General for the employment of architects for state work and he stated that we would soon be notified of the selection of an architect to prepare plans for the new dormitory. Mr. Davis advised us that the Emergency Board then in session had allowed the Normal College $1477 to take care of the increase in the cost of the new boiler over the available appropriation and requested that we send him a communication for his minutes.

Being in attendance upon the holiday meetings of the State Teachers Association in Columbus, we took advantage of this opportunity to follow up several matters which were pending before the Department of Highways and Public Works, and especially to hasten action relative to the selection of an architect for the new dormitory. No important information was learned regarding the brick to be used for the boiler setting, the disposal of old buildings on lots recently purchased, and plans for the institutional water system. We reminded Mr. Harsh that by direction of the Board we had made requisition for dormitory plans on September 28th. He stated that since the selection of an architect must be made by Mr. Herrick, Director of Highways and Public Works, he would like to have us go with him to Mr. Herrick's office. We thereupon went to Mr. Herrick's office, and in the presence of Mr. Harsh, he stated that considerable pressure had been used in the interest of certain applicants but that he had promised the work some time before to Langdon & Hohly, and that he expected to stand by his decision. We called his attention to the fact that we had had no reply to our request of September 28th, and he thereupon directed Mr. Harsh to make proper answer.

Dr. Williams presented the following report on fees due Louis Brandt, Landscape Architect, and reported that a copy of this statement had been mailed to Robert S. Harsh, on December 9th, 1921, as per agreement with him and the Auditor of State and that a copy was also mailed to Louis Brandt on the same date. This statement was ordered made a part of the record.

**STATEMENT OF FEES DUE LOUIS BRANDT ON COST OF LANDSCAPE IMPROVEMENT AT 5 PER CENT.**

Dr. Williams read a letter written by him under date of December 5th, 1921, to W. Albert Davis, Superintendent of Budget, with respect to the additional funds required to pay for the boiler purchased by Mr. Shattuck and the letter was ordered made a part of the record by unanimous vote of the Board.

**Dec. 5, 1921**

Mr. W. Albert Davis  
Superintendent of Budget  
Columbus, O.

Dear Sir:

At the last session of the General Assembly we requested and were allowed an appropriation of $7600 for a 200 H. P. Horizontal Tubular Boiler similar to the two boilers which we now have in our Power House. We understand that on the recommendation of Mr. Robert S. Harsh, State Architect and Engineer, Mr. Shattuck, formerly State Purchasing Agent, ordered a 200 H. P. Water Tube Boiler at a cost of $9277 or $1477 in excess of our appropriation. The new boiler is being installed and our appropriation is insufficient to take care of it. Will you kindly present the matter to the Emergency Board and advise us of any suggestions or assistance that the Board may be willing to give us?

Thanking you for your cooperation, I am

Very truly yours,

Mr. B. Williams
Dr. Williams also read a letter under date of December 9th, 1921, in explanation of the
dating of the above letter which was also ordered spread upon the minutes by unanimous vote
of the Board.

Mr. W. Albert Davis
Supt. of Budget
Columbus, O.

My dear Mr. Davis:

In accordance with your request of the 5th
instant, I am sending you herewith a communication which I trust
will serve for your minutes. I have dated it to correspond with
the recent meeting of the Emergency Board.

Very truly yours

H. B. Williams

Dr. Williams read a letter dated December 6th, 1921, from W. Albert Davis, Superintendent
of Budget, referring to the subject mentioned in Mr. Davis's letter of December 5th.
This letter was ordered made a part of the record by unanimous vote of the Board.

STATE OF OHIO
DEPARTMENT OF FINANCE
COLUMBUS

Dr. H. B. Williams, President
Bowling Green State Normal School
Bowling Green, Ohio

Dear Sir:

December Sixth
Nineteen Twenty-one.

The Emergency Board yesterday allowed $1,477.00 to
apply on the price of the boiler ordered by Mr. Shattuck, late
State Purchasing Agent, which price was in excess of the appro-
priation for boiler to this amount. The Emergency allowance is
to be effective as of October 17th, 1921, the date of the new
contract.

Very truly yours

NAN B. AKIN
Asst. Supt. of Budget

Dr. Williams read a letter under date of December 29th, 1921, from Leon C. Herrick,
Director of Highways and Public Works, with respect to the appointment of architects to pre-
pare plans for the new dormitory and said letter was ordered made a part of the minutes by
the unanimous vote of the Board.

STATE OF OHIO
DEPARTMENT OF HIGHWAYS AND PUBLIC WORKS
COLUMBUS

Division of Highways

Board of Trustees
Bowling Green State Normal College
Bowling Green, Ohio

Gentlemen:

Following your request of the date September Twenty-
eighth, 1921, for architectural services for the Dormitory Building
at Bowling Green State Normal College, this Department has engaged
the services of Langdon and Hohly, Architects, of Toledo, Ohio, to
prepare plans, specifications, bills of materials, estimates of cost,
superintend this work under the direction and to the satisfaction of
this Department and the Board of Trustees and the President of
Bowling Green State Normal College.

A formal contract has not been entered into as yet due to
the fact that the form first had to be prepared by the Attorney General's Office and is now in the hands of the printer. A copy of the
draft of this contract, however, has been handed to President Williams
for your inspection and information.

I should be pleased to have your board meet Messers. Langdon
and Hohly as soon as practicable to go over the plans they have already
developed and make suggestions so that there will be no further delay
in getting this much needed building under construction.

Yours very truly

LEON C. HERRICK
Director of Highways and Public Works
January 18, 1922

Dr. Williams read a letter under date of December 30th, 1921, from Robert S. Harsh, State Architect and Engineer, regarding contract which had been entered into between the Department of Highways and Public Works and Langdon, Mohly & Gram and this letter was ordered to be entered on the minutes by the unanimous vote of the Board.

STATE OF OHIO

DEPARTMENT OF HIGHWAYS AND PUBLIC WORKS

COLUMBUS

Division of

Public Lands and Buildings

December 30, 1921

Board of Trustees
Bowling Green State Normal College
Bowling Green, Ohio

Gentlemen:

I am enclosing for your approval signed copies of a contract entered into by and between the state of Ohio, acting by its Department of Highways and Public Works, and Langdon, Mohly & Gram, Architects, of Toledo, Ohio, for the preparation of plans, specifications etc. for The Dormitory for Women for the Bowling Green State Normal College.

Respectfully submitted,

ROBERT S. HARSH

State Architect and Engineer.

Dr. Williams also presented four copies of the contract mentioned in the above letter of Mr. Harsh.

Moved by Ganz and seconded by Brown that action on said contracts be postponed until more definite information is received from the Department of Highways and Public Works, owing to conflicting reports that have been received by members of the Board as to the selection of architects for this work, and that Dr. Williams be requested to write Mr. Herrick for definite information, all members voting aye. Motion carried.

Moved by Brown, and seconded by Ganz, that Estimate #1 of the Joseph L. Skeldon Engineering Company of Toledo amounting to $4638.50 be allowed and paid from "O-31, Boiler". Voting aye: Shatzel, Ganz, Brown; all under protest. Pres. Shatzel in explanation of his vote presented the following protest.

Mr. Shatzel gave as a reason for voting under protest on the above claim that he, as a member of the Board of Trustees, although designated by law as a custodian of the property of The Bowling Green State Normal College and morally responsible for the allowance only of proper claims against that institution, was not consulted as to the type or capacity of the boiler now being installed, and because, if he had been consulted, he would not have favored the type of boiler purchased by the Purchasing Agent in the Department of State Highways and Public Works; and, further, that he voted in the affirmative only on account of the O.K. of said Department through Mr. Harsh, State Engineer and Architect, and in order to facilitate the provision of additional heating which will be absolutely indispensable in case of cold weather.

The above protest was concurred in by Ganz and Brown.

The following payrolls were presented for allowance. Moved by Ganz and seconded by Brown that the payrolls be allowed and paid from funds designated for the same. Voting aye: Shatzel, Ganz, Brown. Motion carried.

**January 15**

There being no further business, the Board adjourned to meet at the call of the President.

ATTEST: [Signature] Pres.
