TODAY’S COVER

Their faces have appeared on schedule cards, posters and media guides. Coach Moe Ankney feels they will make their presence felt all season long, much to the dismay of Falcon foes. They are “Moe-town’s Greatest Hitters,” four returning All-Mid-American Conference defensive standouts who will help lead the way for the Falcons in 1987. Coach Moe Ankney’s “Greatest Hitters” are (l-r): Linebacker Joe Foley, Linebacker John Hunter, Defensive Back Kyle Kramer, and Nose Tackle Greg “Dirty” Johnson. TODAY'S GAME

Falcons Entertain Youngstown State In 1987 Home-Opener

How much can be gained from having opened the 1987 season with a 26-point loss at the hands of the defending national champions? For Bowling Green Coach Moe Ankney, that is a question he hopes will be answered in a positive way, today, when his Falcons open the home portion of their 1987 schedule against Youngstown State. Game time is set for 1:30 pm. at Doyt Ferry Field.

Bowling Green dropped its season-opener at Penn State, 45-19, before a Mid-American Conference record crowd of 84,574. The Falcons threw a scare into the Nittany Lions with a 7-3 lead after the first quarter. But Penn State essentially won the game with 28 second-quarter points. It was 31-16 at the half. The win was No. 200 for Penn State's Joe Paterno.

Youngstown State enters the Bowling Green game with an 0-1 mark, as well, after losing 35-20 at Eastern Michigan last Saturday night.

Saturday's BG-YSU contest has been promoted as "Youth/Team Day," when area youngsters can enjoy a day full of activities at BGSU. Saturday also marks the return of "Varsity BG Day." BG letterwinners will gather for the football game and for a post-game reception at the BGSU Ice Arena Lounge from 4:30-6:30 pm. The reception is free and open to the public. The year's Varsity BG Day honorees are Ken Schoeni (Honorary Letterman), Howard Yawberg, '30, (Gold Award Letterman), and Al Sautter, '42, (Silver Award Letterman).

WFOB Radio (1430 AM) and WBGU Radio (88.1 FM) will broadcast the game locally.

THE SERIES: Bowling Green leads, 3-1. It's been 34 years since BG and Youngstown State have met on the gridiron. The Falcons won the first three contests in 1950 (22-7), 1951 (20-0), and 1952 (50-0). However, the Penguins upended the Falcons in 1953 (20-7).

BOWLING GREEN OFFENSE: QB Rich Dackin (Cairo/Lima Bath) registered a career high 288 yards passing against a fine Penn State defense last week. BG's Offensive Player of the Game found TB Jeff Davis (Flint, MI/Southwestern) on a five-yard scoring pass in the first quarter and SE Reggie Thornton (Detroit, MI/Mackenzie) on a 68-yard scoring toss in the second quarter. Thornton finished the day with seven catches for a career-high 152 yards. TE Kyle Hockman (Cincinnati/Harrison) made eight catches for 90 yards in his first game as a Falcon. Penn State shut down the BG running game, limiting the Falcons to just three yards in net rushing. Jeff Davis was BG's top rusher with 19 yards on 11 carries. TB Mike McGee (Dayton/Belmont) added 11 yards on seven carries. Overall, Coach Ankney was pleased with the play of his tight ends and wide receivers, and with the ability of Dackin to find his receivers against a highly-respected defense. Ankney also complimented the pass blocking of his offensive line. Dackin threw 40 passes and was sacked just three times. However one third-quarter sack was costly, as Dackin was hit inside the 5 and fumbled into the endzone for a Penn State score.

BOWLING GREEN DEFENSE: Coach Ankney is looking for a better showing (Continued on page 19)

Howard M. "Moe" Ankney, Bowling Green State University's 13th head football coach, believes in Falcon football. Its past, its present and its future.

"Bowling Green football is strong, and Bowling Green football is respected across the country. When our players put on the Bowling Green uniform, they are eager to go out and uphold that winning tradition."

Those are Ankney's words as he enters the 1987 season at Bowling Green, his second at the successful Mid-American Conference school.

Ankney was appointed head football coach at Bowling Green on December 30, 1985. For him, it marked a return to his alma mater. He was a quarterback under the legendary Doyt L. Perry from 1961-63 before graduating in 1964. During his 15-year collegiate coaching career, Ankney has made coaching stops at Ball State, Tulane and Arizona, coached in several major bowl games, and developed a reputation for coaching excellent defensive teams.

Heading into the 1987 season at Bowling Green, Ankney continues to be a believer in strong defense. "The thing I like about our team is that I think we will be strong defensively. You need to have a good defense to win the championship."

Ankney's Falcons relied on a big-play defense and an improving offense to get the job done in 1986. Bowling Green's 5-6 overall record was only part of the story last season. Ankney had his Falcons in the race for the MAC title from a season-opening win over Ohio University to a season-ending loss at Toledo. The Falcons finished 5-3 in the MAC, tied for second, only one game behind conference champion Miami.

"Last year, we had a 5-6 record," Ankney said. "That doesn't live up to the winning tradition of Bowling Green football. Our coaches and our players are determined to get Bowling Green football back to where it should be."

Ankney joined the Falcons after serving six seasons as the assistant head coach, defensive coordinator and secondary coach at the University of Arizona of the Pacific-10 Conference. His defensive teams finished among the national leaders from 1982-85. He coached the Pac-10's leading tackler in each of those years.

In returning to his alma mater, Ankney left a long-time coaching associate and friend, Arizona Head Coach Larry Smith. Like Ankney, Smith is a Bowling Green graduate, and the two coached together for 10 seasons. Smith, now head coach at the University of Southern California, said of Ankney, "He was my right hand and right arm for 10 years and a friend for much longer than that."

Prior to joining the Arizona staff in 1980, Ankney was Smith's defensive coordinator and secondary coach at Tulane for four seasons between 1976-79. And before that, he was the secondary coach at Ball State from 1971-75 under the late Dave McClain.

At each stop, Ankney was instrumental in helping to rebuild struggling programs. While Ankney was the secondary coach at Ball State, the Cardinals improved their record from 4-5-1 in 1971 to 9-2 in 1975. At Tulane, Ankney helped the Green Wave from a 2-9 record in 1976 to a 9-2 mark and a berth in the Liberty Bowl in 1979. The Arizona Wildcats were 5-6 in 1980 and improved their record to 8-3-1 in 1985, including a 13-13 tie with Georgia in the Sun Bowl.

Among his former players now in the National Football League are Denver Broncos' linebacker Ricky Hunley and Cleveland Browns' defensive back Al Gross. More than 20 of his former players have gone on to professional football.

Ankney began coaching on the high school level. He was an assistant football and wrestling coach at Eaton High School for the 1964-65 seasons and then became head coach at Dayton Northridge in 1966. He moved on to Dayton Wayne High School as head coach in football and tennis in 1967 and stayed until 1971 when he joined the Ball State staff. His five-year head coaching record in the high school ranks stands at 24-21-5. While coaching in the Dayton area, Ankney earned his master's degree from Miami University in 1969.

Ankney, 45, a native Ohioan, grew up in Xenia before moving to Kettering as a high school senior. A 1960 Fairmont High School graduate, he was an all-state quarterback and a participant in the Ohio All-Star game.

At BGSU, Ankney played on two MAC Championship teams as a reserve quarterback under Coach Doyt Perry. The Falcons went 23-5-1 from 1961-63. Ankney completed eight of 19 passes for 75 yards and earned two letters at Bowling Green.

While an undergraduate, Ankney earned election to Omicron Delta Kappa, a leadership honorary, and Kappa Delta Pi, an education honorary.

He has said that his decision to attend Bowling Green was heavily influenced by his cousin, Bob Colburn, quarterback and captain of Coach Perry's 1959 national championship team.

Raised in a football family, his uncle Pete was head coach at Fairmont High School. Pete Ankney also was a head coach at Canton McKinley High School and at the University of Dayton. Moe's father, Ben, coached at Miami University and at Xenia High School.

Moe and his wife, Carla, are the parents of three children: Angela, 23, Andy, 22 and Molly, 18. Howard Milton Ankney was born June 23, 1942.

TOUGH DECISIONS
BGSU Offers Doctoral Program In Applied Philosophy

Thousands of people in this country are awaiting some type of a life-saving organ transplant operation. When a heart, lung or kidney becomes available, who gets that organ? How is that decision made? What factors and values should be considered in making that decision?

A manufacturing plant is polluting the environment; it is also providing jobs to thousands of people. How do you balance the two? What is an acceptable level of pollution? Is there such a thing as an acceptable level of pollution? Who decides? What factors should be considered in making that decision?

These problems and thousands like them face today’s business and government leaders. And in our high tech society, the problems are becoming more numerous and more complex.

How are these decisions made? Well, maybe those who are trained to think about these types of problems—philosophers—can help. If they don’t know the answers (and they probably don’t) they at least know what questions need to be asked so our political and business leaders can make informed decisions.

To prepare these desperately needed question-askers, the University has developed the country’s first doctoral program in applied philosophy.

Approved by the Ohio Board of Regents this summer, the five-year program, unlike traditional programs which produce college and university professors, is designed to prepare students with the critical thinking and analytical skills needed to help business, non-profit organizations and government agencies resolve perplexing ethical and moral issues.

“IT is a program of national significance,” said Dr. Thomas Attig, chair of the University’s philosophy department, adding that the new degree program will “firmly establish philosophy as a center of excellence at Bowling Green. Our goal is to prepare students to use concepts and skills learned in the program and bring those to bear upon real world problems,” Attig said, adding that some of those skills include problem solving, decision making, research and communication skills.

Though graduates of the program may not ultimately make the hard decisions, they will provide the carefully studied options, consequences and rationale that must be considered by those who do make the decisions, Attig said.

Because technology has advanced so rapidly in such fields as medicine and business, the questions and issues have become more complex and the answers less obvious, Attig said. It is in helping provide these important answers that applied philosophers have the most to offer. Health care is a prime example, where the following questions have become almost common:

—Who receives less than the best medical care? Should there be a national health care policy which provides the best care for everyone? If yes, how will it be paid for? (As the number of AIDS patients grows and the collective cost of their care skyrockets, the above issues could become a national emergency in the next few years.)

—Medical science can keep a person’s body alive long after the brain has died. When is the body allowed to die? What values are to be considered in making the decision?

—And there is the issue of providing medical care to people who cannot make rational decisions, Attig said. If a mentally retarded child could be helped by an operation, but the operation will result in considerable pain and a long recuperative process, should the operation be performed? How do you balance everyone’s rights, needs and concerns? How does the situation change if the patient is comatose or a mentally retarded adult?

These are only a sampling of the issues facing medical science, Attig said. Similar questions must be dealt with in other areas of society, including business, government, legal, educational and family settings.

For example, how can a business fairly apply affirmative action laws? Can a business require drug testing of its employees? How are determinations made on the safe dumping of toxic wastes? Was the media correct in exposing Gary Hart’s private life? If an applied philosophy graduate had been working at the National Security Council, would Oliver North have needed to testify before a Congressional committee?

“It is impossible to encompass the full range of applications. However, it would be fair to emphasize that many include a concern for social responsibility,” Attig said.

Bowling Green’s doctoral program in applied philosophy is a natural outgrowth of the University’s successful master’s degree offering which began in 1972 and was also the first of its kind in the country. If all goes according to plan, the first doctoral students could be enrolling in the program as early as the fall of 1988.

COVER STORY

Four Falcons already a hit in Moe-town

by Chris Sherk
Sports Information Director

It began as a promotional theme last spring, a way of recognizing one of the many strengths on the 1987 Bowling Green Falcon football team. Today, photos of "Moe-town's Greatest Hitters" appear on schedule cards, posters, media guides and, yes, even the cover of today's game program.

"Moe-town's Greatest Hitters" has caught on elsewhere in recent weeks, with regional and national magazines and newspapers mentioning the Bowling Green coach and players in pre-season evaluations of the Falcons.

Last week, while the Falcons were in State College, PA, for their 1987 season-opener against the defending national champion Penn State Nittany Lions, the sports editor of the local paper noted, "Never let it be said the Bowling Green Falcons don't have style... The story (of Moe-town's Greatest Hitters) has been documented by local and national media. No wonder."

The "Greatest Hitters" consist of Joe Foley, a 6-1, 229-pound senior outside linebacker from Gahanna; John Hunter, a 6-3, 220-pound senior outside linebacker from Detroit, MI; Greg Johnson, a 5-11, 235-pound nose tackle from Detroit, MI; and Kyle Kramer, a 6-3, 185-pound junior strong safety from Dayton.

Last season, Foley led the MAC in tackles for loss with 21 for -88 yards. He finished in a tie for second on the team in tackles with 105 and earned second team all-conference honors. Ankney calls him one of BG's top two players on defense.

He says he "felt privileged to be a part" of the promotional theme. "When they first approached me about the idea, I thought it was original," Foley said. "I catch a little flack about it sometimes, but it was a good idea. Bowling Green has been known in the past as being a big offensive team with the Brian McClures and the Bernard Whites. It's nice to have the defense get a little attention."

On the field, John Hunter is the most flamboyant player of the quartet. His antics after a big play rank right up there with the Mark Gastineaus of the football world. Last season, he danced his way to 84 tackles and a place among the MAC leaders in tackles for loss with 17 for -97. At the end of the season, he was a unanimous choice for all-conference selection. This season, The Sporting News projects Hunter to be the MAC Defensive Player of the Year.

"At first, I was shocked because we never did anything like it before," said Hunter, when asked about his reaction to the "Greatest Hitters." "Before this year, it was always a picture of a coach, so I thought it would be fun to have players on there for a change. It was kind of silly, because they were asking us to smile and we wanted to look mean. But it turned out pretty nice. I like it."

Greg Johnson, who goes by the name "Dirty" because he wears an unwashed jersey in practice, said he was "thrilled" to be selected for the quartet. "We have so many guys who can really hit. Erik Johnson and Jack Coppess, now those are two guys who can hit better than 99 percent of the other players in the league."

"When I first saw the poster, I said, 'Ah, I can't send this back to Detroit. They're going to laugh me out of the stadium.' That hasn't happened, and now Johnson admits he enjoyed the experience, almost as much as he enjoyed making 92 tackles last season for a spot on the all-conference first team.

Kyle Kramer has the reputation of being all over the field when he plays football. Last season he matched Joe Foley's 105 tackles, while also leading the team in interceptions with five. The MAC coaches awarded him with a spot on the All-MAC second team.

Last week at Penn State, he was back to his old tricks, making 12 tackles and returning three punts. His 12 tackles were a team high and were matched only by the 12 stops made by Erik Johnson.

from his defensive unit this week. The BG defense surrendered 31 of Penn State's 45 points, allowing the Lions to rack up 464 yards in total offense, 274 yards on the ground and 190 yards through the air. However, there were some defensive highlights, as well. NT Greg Johnson (Detroit, MI/Mackenzie) held his own in the trenches and earned BG's Defensive Player of the Game Award. He made nine solo tackles and 11 stops, respectively.

For the Record: BG set a school and MAC record by playing in front of 84,574 fans last week at Penn State. That tops the 84,011 against EMU, linebackers Sam Wesley and Paul Soltis were the tackling leaders with 13 and 12, respectively.

Against EMU, linebackers Sam Wesley and Paul Soltis were the tackling leaders with 13 and 12, respectively. DBs Jason Price and Rod Dotson (Detroit, MI/DePorres) each registered 13 tackles in the contest, and Coppess recovered a Penn State fumble.

Youngstown St. Defense: The Penguins allowed more than 400 yards for the third straight game, 349 yards in last week's loss at Penn State. That tops the 341 yards and two TDs by Trenton Lykes, who grabbed 10 passes for 49 yards. WR Maury Bibent had six catches for 101 yards and one TD. LB Lorenzo Davis, another receiving threat out of the backfield, had six catches against EMU, garnered a team-leading 25 yards on the ground. However, the Penguins offense netted —19 yards rushing for the game.

Youngstown St. Defense: Youngstown State allowed Eastern Michigan almost 400 yards in total offense last week, 243 of those yards coming on the ground. All five Eastern Michigan scores were accomplished on the ground that parallels last year's statistical story, in which the Penguins allowed more than 400 yards per game, 255 yards rushing and 156 yards passing. Still, the Penguins have plenty of experience on defense. Five of their top six tacklers from last season are back, including LB Jerry Pacifico, who registered 138 stops in 1986. The Penguins consider their defensive backs to be their strength. DBs Jason Price and Rod Henderson are veterans in the backfield. Against EMU, linebackers Sam Wesley and Paul Soltis were the tackle leaders with 10 and 9 stops, respectively.

For the Record: BG set a school and MAC record by playing in front of 48,574 fans last week at Penn State. That tops the 48,011 old record of 79,582, set by Miami in a game at Michigan State in 1979. BG now holds the MAC record for single game attendance and away, thanks to the 33,527 fans who attended the BG-Toledo game at Doyt Perry Field in 1983.

VARSITY BG CLUB SAYS
GO FALCONS!

ABOUT THE VARSITY BG CLUB
The Varsity BG Club is an exclusive organization open only to former Bowling Green State University varsity letterwinners, who, for a non-tax deductible contribution of $10 per year can help operate the club and support BGSU athletics at the same time. Almost 500 former Falcon letterwinners were Varsity BG Club members last year. Again this year, the Varsity BG Club is offering a lifetime membership for $100; no other dues will ever be required. Lifetime memberships for those 65 and older are only $50.

The Varsity BG Club undertakes three major projects each year, the first of which is the spring Recognition Reception honoring the College Coach of the Year, the High School Coach of the Year, and the Special Recognition Award Winner. Then in July we will enjoy another Doyt Perry Golf Outing at the BGSU Forrest Greason Golf Course. More information will be forthcoming. Each fall, the annual Varsity BG Day festivities take place in conjunction with a Bowling Green football game. It's a great day to return to campus and visit with former classmates and teammates.

We're looking forward to another big year for the Varsity BG Club and Falcon athletics, and all we need from you is your participation.

MEMBERSHIP BENEFITS
All active members of the Varsity BG Club will receive:
• Membership in an exclusive organization open only to BGSU varsity letterwinners.
• A list of special activities and programs, such as the ones described above.
• Subscription to the quarterly newsletter.

Each summer, members of the Falcon’s Nest of Coaches meet to discuss business and to recognize coaching achievements over the last year. Those in attendance last July were... 

Their names are familiar. Together, they dot the nation as football coaches at all levels of the game - high school, college, and professional football. They belong to the Falcon’s Nest of Coaches, an organization created in 1984 to promote the proud tradition of Bowling Green Falcon football. Through the development of student and graduate-assistant programs at Bowling Green, most of these coaches got their start at this Mid-American Conference institution. They’ve studied and matured under the coaching philosophies of Warren Steller, Doyt Ferry, Bob Gibson, Don Nehlen, Denny Stolz and Moe Ankney, to name a few. Today, they are making a name for themselves and for their respective football programs around the country. Though they may be miles apart, they share at least one thing in common. They are members of a fine football coaching fraternity at Bowling Green, the Falcon’s Nest of Coaches.

Varsity BG Day, the annual autumn reunion of Bowling Green letter-winners, takes place this afternoon at Doyt Perry Stadium in conjunction with the Bowling Green-Youngstown State football game.

Today's game has also been designated by the BGSU Athletic Department as Youth/Team Day, in which Northwest Ohio youth groups and athletic teams attend morning instructional clinics before attending the football game in the afternoon.

Varsity BG Day begins with a pre-game ceremony honoring three BG supporters who stand out for their loyalty to Bowling Green: Ken Schoeni of Bowling Green, Howard Yawberg of Findlay and A.H. (Al) Sautter of Atlanta, GA. Schoeni is the Varsity BG Club's Honorary Letterman for 1987. The club also selected Yawberg as the Golden Anniversary Letterman and Sautter as the Silver Anniversary Letterman.

After the football game, the three honorees will be the featured guests at a post-game reception in the BGSU Ice Arena Lounge. The reception is free and open to the public and runs from 4:30 to 6:30 p.m.

Schoeni has been a very active and popular member of the BGSU Athletic Department for the last 21 years. He was director of grounds and maintenance for the department when the athletic complex east of Mercer Road was in its development stages. He now holds the title of administrative assistant to the athletic director, supervising all athletic facilities, including the 18-hole Forrest Creason Golf Course. A true friend of many BGSU student-athletes, coaches and administrators, Schoeni and his hard-working grounds crew have served the University well.

Schoeni has been a valuable contributor for Varsity BG Club activities for many years. He has assisted in the preparations for the annual Doyt Perry Golf Outing since it began 11 years ago. Ken and his wife Rita have been members of the BGSU Falcon Club for 20 years.

A native of Alliance, Ken and Rita are the parents of five children: Gayle, Linda, Roger, Sharon and Bob.

Howard Yawberg, '30, has been a long-time Varsity BG Club member while earning the reputation as a very successful high school football coach. For 23 seasons he coached football at Rawson, Mt. Blanchard and Findlay High Schools. He posted two undefeated seasons at Rawson, won five league championships in 10 years at Mt. Blanchard, and later led Findlay to a pair of co-championships in eight years. Yawberg was not just a coach. He taught and was a school administrator for 32 years in Hancock County.

Yawberg was a 1926 graduate of Grand Rapids High School in Wood County before attending BGSU. While at Bowling Green, he played three sports (basketball, baseball and track) and earned eight letters under Coaches Warren Steller and Paul Landis. At the time, he was president of the old Varsity BG Club, as well as president of his class.

His son Harold played football and golf at BGSU, and his grandson, Dave Litzenberg, was a baseball letterman.

Al Sautter, '42, was a baseball letterman for two seasons under Coach Warren Steller. He went on to work in Toledo at a tank depot and at the Toledo Scale Company, before founding Sautter Employment Service in Toledo in 1950. There he helped hundreds of BGSU students, including many student-athletes, find summer employment in the area.

He sold the employment service in 1971, moved to Atlanta, GA, and became president and owner of Corporate Personnel, Inc., a professional executive recruiting service. He has also been general manager and chairman of the board of First International Personnel Consultants, a national network of 65 independent personnel recruiters.

Sautter remains active in sports. He and his son, Carl, participate in the Georgia Youth Soccer Association, and Al manages a very successful youth team.

Al is married and has four children: Suann, Jennie, Carol and Carl.
THE FALCON CLUB

THE FALCON CLUB NEEDS YOU!

To All Falcon Fans:

You are the key to success for our Falcon teams! The BGSU Athletic Department depends on the Falcon Club to raise more than $234,000 in 1987. This money will help fund athletic grant-in-aids, assist in the recruiting of prospective student-athletes, and provide funding for athletic facilities budgets.

Members of the Falcon Club are alumni, parents, friends and fans who provide financial support, volunteer hours and advisory expertise to the BGSU athletic program and share in the many benefits the Falcon Club has to offer.

The Falcon Club has ambitious goals for 1987 and is eager to involve YOU in our activities. The need to support our program is at an all time high. Your financial contribution and BGSU’s athletic program are a winning combination.

We are very proud that Bowling Green’s athletic program, both men and women, is recognized as one of the best in the country. All of our 19 teams are highly competitive and very representative. Falcon Club membership offers you the opportunity to support these teams. Falcon Club donations have greatly aided our program, and to continue that winning tradition throughout the 1987-88 campaign will require another supreme Falcon Club effort.

I look forward to having you join the Falcon Club in 1987!

Sincerely,

Charles F. Nagle
Assistant Athletic Director/Development

I am interested in learning more about the Falcon Club and its activities.

Ham it up more often.
Dinner Bell ham is the all day meat.

Ham is about the only meat that appears regularly on breakfast, lunch and dinner menus. And ham is a favorite for picnics and snacks, too. So it’s a good idea to keep it on hand. Make it Dinner Bell ham. Less waste. Easy to slice. And you get a lot for your money, so you can afford to be generous. That’s important, because once your family gets a taste of Dinner Bell’s gentle smoked flavor, they’ll ham it up more often.

The Mark of a Champion

It’s more than a decoration. It’s a symbol representing the brand name responsible for innovative uniform design; a tradition culminating in the largest variety of fabrics, styles, and colors available anywhere.

It’s also the sign of rugged construction and incomparable quality. But most of all, it’s your guarantee—a seal that it is the finest team uniform money can buy.

Look for the “C.” It’s the mark of a Champion. Contact the Champion Sales Representative listed for more information.

Bowling Green State University offers a range of educational opportunities expected in a large university, yet retains the personalized small school atmosphere of its early years.

When Bowling Green Normal School opened its doors in 1914, there were 15 faculty members and all 158 students were studying to be teachers. Today the University has nearly 750 full-time and 200 part-time faculty and 17,100 students on its main campus. Degree programs are offered through the Colleges of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology, and the Graduate College. Within the undergraduate colleges are Schools of Art, Mass Communication, Nursing, and Health, Physical Education and Recreation.

The University offers more than 170 undergraduate degree programs, 75 master's degree programs and has 12 departments granting doctoral degrees in more than 40 specialty areas.

In addition to courses on the main campus, the University's Firelands College campus, located in Huron, Ohio, offers 17 two-year associate degree programs, as well as courses which fulfill the first two years of a bachelor's degree requirement. Firelands College enrolls about 1,100 students.

Fully accredited at the highest state, regional and national levels, the University has chapters of most national academic honor societies, including Phi Beta Kappa and Phi Kappa Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant Colleges.

The University's faculty members, 82 percent of whom hold the highest degree in their fields, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of academic programs which are regionally and nationally recognized, including the chemistry department which recently announced the appointment of an Ohio Eminent Scholar in Photochemical Sciences. The Ohio Eminent Scholar program was created by the Ohio Board of Regents to attract world class scholars to the state's universities.

Committed to teaching, faculty are scholars as well, generating new knowledge through independent research and involvement in University units such as the Population and Society Research Center, the Center for Environmental Programs, the Center for the Study of Popular Culture, and the Social Philosophy and Policy Center. Bowling Green is also the site of the National Drosophila Species Center and the Mid-America Stock Center—the largest scientific facilities of their kind in the world—where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University's students come from throughout the United States and nearly 60 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. During the spring term of the 1986-87 academic year, there were more than 2,500 "non-traditional" adult students enrolled in undergraduate and graduate degree programs on a full- or part-time basis.

The focal point of the 1,250-acre campus is the nine-story Jerome Library, with its collection of more than 4 million items, including 1.4 million volumes plus thousands of journals, periodicals, microforms, government documents and other materials. Special sections of the library include the Center for Archival Collections which houses materials relevant to northwest Ohio history and the Sound Recording Archives with 400,000 recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry's past and present.

The University is continually refurbishing its more than 100 existing buildings and upgrading facilities to meet current needs. An example is the recently completed remodeling of West Hall, the former music building, to provide up-to-date facilities for the School of Mass Communication. Currently, Williams Hall, home to the history, sociology and political science departments, is undergoing major renovation. Also, numerous computer facilities have been installed and upgraded throughout campus. A $3.65 million addition to the Business Administration Building is expected to be completed in 1988 and reflects the growth of the College of Business Administration in recent years.
The president of a university must provide the vision and inspiration if the institution is truly to become a place of learning, and that is exactly what Dr. Paul J. Olscamp has been doing since becoming the eighth president of Bowling Green State University in 1982.

With an announced goal to "move Bowling Green into the ranks of nationally important universities," one of Olscamp's first efforts was to work with the faculty in developing a Role and Mission Statement, a 27-goal document aimed at improving the quality of undergraduate and graduate students, the University's academic programs, the learning environment and the faculty and its resources.

However, Olscamp knows that very few of the University's plans will materialize without adequate financing. While state appropriations can be counted upon for day-to-day operations, other kinds of resources must be tapped if Bowling Green is to enhance its position as a university. Steps have been taken to insure an additional endowment of nearly $50 million by the year 2000.

One plan, authorized by the University's Board of Trustees in 1986 and approved by the Ohio Attorney General, will restructure debt service obligations and is projected to result in a $35 million principal in less than 15 years. Interest on that amount should provide more than $3 million annually to the academic budget.

In addition, in 1984 the Trustees, at Olscamp's request, created an endowed fund of $4 million from various University reserves. The balance of that fund is currently $6.5 million and, if left untouched, is expected to reach $10 million in approximately five years at which point the annual interest of about $1 million will be used to further support academic programs.

Also, Bowling Green has recently completed its most successful fund raising program in history. The 75th Anniversary Fund generated nearly $15 million for the University, topping the announced goal of $12.5 million by almost $2.5 million. These funds are being used for a variety of purposes including graduate and undergraduate scholarships, faculty research, library holdings and special equipment purchases.

Improving and maintaining the physical facilities are a University priority and Olscamp has been instrumental in securing nearly $34 million in state capital improvement funds for renovation and new construction projects.

Students have always occupied an important place on Olscamp's agenda and several moves have significantly improved student life at Bowling Green. One has been the installation of computer labs in all University residence halls and other campus locations, reflecting Olscamp's desire to make it convenient for all students to have a background in computer usage.

An installment payment plan enabling students to defer fee payments over the course of a semester has been popular as has been a legal services program, the first in Ohio to employ an attorney for students.

Increasing minority representation on campus has also been a major effort of Olscamp's administration. A newly-created Office of Minority Affairs provides services to assist minority students and a director of minority student recruitment was added to the admissions staff to bolster efforts to attract more minorities to campus.

The Bowling Green president has made it a point to work closely with state government officials and legislators. He has testified about the needs of higher education before several legislative committees and has been a leading spokesperson for improved operating and capital budgets for higher education in the state.

Olscamp has emphasized the internationality of education and has made two trips abroad to further educational opportunities for University faculty and students. In 1983 he visited Bowling Green's exchange programs in Spain, France and Austria.

In 1984 he traveled to China to strengthen existing exchange programs with universities in that country and to explore further opportunities for faculty and students to study in the People's Republic of China.

Olscamp brought further recognition to Bowling Green when, in 1987, President Ronald Reagan nominated him for a position on the board of the National Endowment for the Humanities, the federal agency designed to promote cultural programs and events in the United States.

Other highlights of Olscamp's first five years at Bowling Green include:

- a record level of alumni support through 12 Ohio chapters and 20 in other states and an increase in alumni chapter scholarships from 2 in 1982 to 24 in 1987.
- creation of Bowling Green's first endowed professorships, one in management and the other in finance.
- the University's first $1 million gift. The first, from Harold and Helen McMaster of Perrysburg, resulted in the McMaster Leadership Institute, which is expected to have a significant impact upon the ways that science-based industries maintain their position in business. The second was a challenge grant from the Stranahan Foundation of Toledo to the University's Social Philosophy and Policy Center.
- development of a Photochemical Sciences Center, which is rapidly becoming the country's top center for the study of photochemistry, a multibillion dollar growth industry.
- appointment of an Ohio Eminent Scholar in Photochemical Sciences, the result of a $500,000 grant from the Ohio Board of Regents. The Eminent Scholar Program is designed to attract world class scholars to Ohio's campuses.
- membership for Bowling Green in the National Association of State Universities and Land Grant Colleges, the oldest university association in the country, comprising the nation's 143 best universities.
- creating NETWORK BG, a public service program using University expertise and facilities to aid area businesses, industries and organizations.

Born in Montreal, Olscamp received his bachelor's and master's degrees from the University of Western Ontario in 1958 and 1960, respectively. In 1962 he earned his doctoral degree in philosophy at the University of Rochester.

Later that year he accepted a position as an instructor of philosophy at Ohio State University. In 1963 he was promoted to assistant professor and in 1966 was awarded the rank of associate professor.

In 1969 he was named associate dean at Ohio State and a year later became vice president for academic affairs, dean of faculties and professor of philosophy at Roosevelt University.

He became executive assistant to the chancellor of Syracuse University in 1972 and later, vice chancellor for student programs.

At age 37, he was named president of Western Washington University in 1975 and guided that university for seven years before his appointment at Bowling Green.

He is married to the former Ruth Irene Pratt, a native of Akron.

Bowling Green Sports Teams Are A 1980s Success Story

When, in the year 2000, historians look back upon 85 years of intercollegiate athletics at Bowling Green State University, they'll probably stop and take a second look at the 1980s. Bowling Green sports teams of the '80s have achieved a level of success matched by very few of their contemporaries.

In all, Bowling Green teams have won 17 conference titles, the last seven years 15 in the Mid-American Conference and four in the Central Collegiate Hockey Association. Thirteen teams have gone on to postseason play in the NCAA, NIT and in the California Bowl.

Bowling Green student-athletes distinguished themselves in numerous ways in 1986-87. Conference championships were crowned in ice hockey and women's basketball. The volleyball team set a school record for wins in a season, while the men's basketball team made the nation's biggest jump in conference play under a first-year Division I head coach.

For the third straight year, Bowling Green placed third or better in the standings for the Joyce Trophy, awarded annually to the MAC school with the best overall record in women's sports. BG also produced three Academic All-Americans in football, women's basketball and women's track - an uncommon distinction for any MAC school in just one year.

This kind of success didn't just happen overnight. Bowling Green has enjoyed a long history of success that dates back to the years of World War I. Frederick Beyerman, considered at the time to be the founding father of Bowling Green athletics, was artistic director and coach when BG Normal College basketball and baseball teams were formed in 1916 and 1918, respectively.

The 1920s and 1930s brought victories and championships in the Northwest Ohio Athletic Association and later the Ohio Conference. Coaches Robert Whittaker (football) and Harold Anderson (basketball) made their contributions to the winning tradition beginning in the 1940s, with Dorothy Perry (football) and Sam Cooper (swimming) adding to the legend in the best 1950s. Anderson's basketball teams and Perry's football teams were widely known in the 1960s, with Falcon hockey just getting started as a club sport.

The 1970s saw Mel Brodt coach a golf-capped run to the NCAA Championship and Coach Fran Voll's women to four CC titles in seven seasons. As the 1980s have shown, it's developed into a lasting union, one that has given Falcon fans plenty of thrills.

Bowling Green student-athletes compete at state-of-the-art facilities. Day Gymnasium seats 3,000, 6,500 for football. While not large, Anderson Arena is an intimidating place for a visiting team. The Falcon hockey team has won more than 80 percent of its home games in the noisy BGSU Ice Arena. Cooper Pool is often the site of MAC Championship swimming and diving events, while Whittaker Track has been the site of numerous track and field meets. Steller Field has 2,500 seats for baseball, and the Forrest Ckeason Golf Course is a championship facility located right on campus.

BASEBALL - Coach Ed Platz's Falcons are consistent contenders for the Mid-American Conference Championship. Playing at Steller Field, one of the finest college baseball parks in the region, the Falcons are a MAC leader in producing future professional ballplayers. Roger McDowell helped pitch the New York Mets to the World Series Championship in 1986, while Orel Hershiser has enjoyed a fine career with the Los Angeles Dodgers.

MEN'S BASKETBALL - Coach Jim Larranaga's Falcons made the nation's biggest jump last season under a first-year head coach on the Division I level. Picked to finish ninth in the pre-season, Larranaga instilled a disciplined approach to the game and coached the Falcons to a third-place finish in the MAC. It had Falcon fans flocking back to Anderson Arena, "The House That Roars." The Falcons have a history of success. BG leads the MAC in post-season appearances and victories.

WOMEN'S BASKETBALL - In just three seasons at BGSU, Coach Fran Voll has led the Falcons to the MAC Championship, BG posted a perfect 16-0 MAC record and a school-record 27-3 overall mark in 1986-87. The Falcons won the MAC post-season tournament title and gained an automatic berth in the NCAA Tournament. Voll coaches some of the best players in the country. The BG men travel to Georgia and the Carolinas. Upon their return, the Falcons are well-prepared for tournament action in this region. BG has won four MAC Championships and made four NCAA Tournament appearances in the last 17 years. The Falcon women are one of this region's top teams. Last fall, BG won the Penn State Invitational.

GYMNASTICS - Year in and year out, Coach Charles Simpson fields a MAC title contender. With three MAC titles to his credit since 1980, Simpson, the MAC Coach of the Year in 1983, has coached the Falcons to more conference championships than any other member school. Last winter's team took second in the MAC and qualified for the NCAA Northeast Regional for the first time ever.

FOOTBALL - Bowling Green student-athletes distinguished themselves in numerous ways in 1986-87. Conference championships were crowned in ice hockey and women's basketball. The volleyball team set a school record for wins in a season, while the men's basketball team made the nation's biggest jump in conference play under a first-year Division I head coach.

This kind of success didn't just happen overnight. Bowling Green has enjoyed a long history of success that dates back to the years of World War I. BGSU ATHLETIC DEPARTMENT

1987 MAC Champions
1987 CCHA Champions

(Cont. on page 51)
John C. (Jack) Gregory is in his sixth year as the director of athletics at Bowling Green State University. He was appointed to the position on July 15, 1982.

In Gregory's first five years at Bowling Green, the Falcons have enjoyed some of their finest moments in history, winning the 1984 national championship in ice hockey and claiming Mid-American Conference championships in numerous other sports, including two football championships, along with two trips to the California Bowl. In the last four years, Falcon teams have claimed league titles in ice hockey, football, men's basketball, men's golf, women's cross country and women's gymnastics. The women's basketball team is Bowling Green's latest MAC Champion, posting a perfect 16-0 conference record in 1986-87, winning the post-season MAC Tournament and participating in the NCAA Tournament.

Bowling Green achieved another notable accomplishment last year, finishing for the fourth time in the last five years third place or higher in the Jacoby Trophy standings. The Jacoby Trophy is awarded each year to the MAC school with the best overall record in women's sports.

Gregory came to Bowling Green during one of the most difficult periods in the school's 71 years of intercollegiate athletics, a time when BGSU and the Mid-American Conference were fighting for NCAA Division I-A status in college football. Behind his leadership, Gregory directed Bowling Green athletics through the period, making the Falcons one of the front-runners in achieving that goal.

During his tenure here, BGSU has proven to be a marketing and promotions leader in the MAC, as evidenced by record crowds in football and hockey. In 1983, 33,527 fans packed Doyt L. Perry Field under threatening skies to witness the annual college football classic between Bowling Green and Toledo. The school and MAC single game attendance marks fell that afternoon. The Falcon football team went on to set a season attendance record of 100,021, only to break that mark two years later, 1985, by drawing 112,110 for five home games.

Sell-out crowds for BG's hockey games have become the norm as well, making game tickets the hottest items in town during the winter. Gregory's leadership in the area of television has helped BGSU sports become a popular item in Northwest Ohio. BG football, basketball and hockey teams all attracted live television coverage last year.

Gregory, 58, has also been instrumental in the record-breaking development of the Falcon Club, the University's official athletic department booster club. Recent membership drives have encompassed the Toledo, Cleveland and Lima areas, resulting in unparalleled growth in cash and pledges. The Falcon Club has more than doubled its income and grown to such an extent that it compares favorably with any athletic support organization in the country.

A 1952 graduate of East Stroudsburg State College in Eastern Pennsylvania and holder of a master's degree in physical education from Temple University, Gregory came to Bowling Green from Yale, where he served for four years as associate athletic director. While at Yale, he was responsible for generating income, managing the university's 33-sport program and supervising staff operations.

Gregory began his professional career in 1952 as a teacher and coach at William Penn High School in New Castle, Delaware, and later at P.S. Dupont High School in Wilmington, Delaware. In 1959, he returned to East Stroudsburg as head football coach and assistant professor of physical education. One of the most successful coaches in the school's history, Gregory was inducted Into the East Stroudsburg Athletic Hall of Fame in October, 1983.

After six years at East Stroudsburg, Gregory was named assistant football coach at the U.S. Naval Academy, and in 1967, he was named head football coach at Villanova University. In 1969, he moved to the University of Rhode Island, where he served as head football coach for seven years.

In his 25 years on the high school level and at East Stroudsburg, Villanova and Rhode Island, Gregory's teams compiled a record of 132-69, including four undefeated seasons and seven league championships. He was twice selected as NAIA Coach of the Year, twice selected as Pennsylvania Coach of the Year and was named NCAA District Coach of the Year.

He was lured away from coaching in 1976 by the Green Bay Packers of the National Football League. He served in Green Bay's player personnel department for three years before moving on to Yale. Jack and his wife, Peg, are the parents of two sons.
Imagine what it would look like if a football team decided to "wing it" out there on the field without a game plan. It would look pretty silly, wouldn't it?

Well, that's exactly what many companies do when it comes to planning and designing telecommunications systems. The results are costly.

That's where we come in to play. You see, we can show you the most cost effective way to handle your information. No matter how unusual your needs are. In fact, we're the telecommunications consultant to the Super Bowl and a number of NFL teams. We provide dozens of communication systems that enable the press to get their stories out, spotters to talk with their coaches, and stadium security to talk to each other.

If we can do all that, just think of what we can do for you.

Isn't it time you had a game plan for your telecommunications system? Get in touch with us. Your GTE Account Manager will be glad to help you draw one up.

YOUTH/TEAM DAY USHERS IN 1987 BG FOOTBALL SEASON

Today marks the fifth annual Youth/Team Day sponsored by the Bowling Green State University Athletic Department. High school athletic teams and various youth groups from all over the state of Ohio are in attendance at today's Bowling Green-Youngstown State football game, courtesy of sponsors from throughout Northwest Ohio.

The purpose of Youth/Team Day is for youngsters, who might not otherwise be able to attend, to enjoy an afternoon of Falcon football. Most of the youth groups in attendance are here courtesy of various merchants, both in Wood County and in the groups' hometowns.

These youngsters are the BGSU students of the future. Athletic Department officials are pleased to share the exciting atmosphere of this University, its campus, facilities, and personnel with those youngsters who may one day attend classes here in BGSU.

ORANGE PRIDE SHOWS IN PERRY STADIUM FACE LIFT

While watching the Bowling Green Falcons tangle with the Youngstown State Penguins, you may notice a few of the changes which have taken place at Doyt Perry Stadium. Large and small improvements were made to the physical structure of Perry Stadium over the last six months.

One major change in the stadium plant is the new weight training and fitness center on the west side. Rooms have been created where four racquetball courts once stood, and soon, BGSU student-athletes from all 19 intercollegiate sports will benefit from what the center has to offer.

Added to the east side of the stadium (on the outside wall behind the president's box) are the letters "B G S U" and the Falcon logo. The letters and logo are painted bright orange and brown, giving all interstate 75 drivers the clear message that they are passing through "Falcon Country."

A fresh coat of orange paint was applied to the railings of Perry Stadium. The touch-up work may seem small, but when added to the orange bench seats and bleachers, BG's school colors are everywhere.

LEGAL LEGENDARY COACH DOYT PERRY FEATURED IN NCAA PRESS KIT

Doyt Perry, the former head football coach and athletic director at Bowling Green State University from 1955 through 1970, is one of 12 coaching legends who discuss their views on college football in the 1987 NCAA Football Press Kit.

The 1987 football season marks the 50th anniversary of the beginning of national college football statistics rankings. So to mark the event, the NCAA contacted 12 coaching legends and asked them about their views on the last 50 years of college football.

Doyt Perry was interviewed along with Army's Earl "Red" Blaik, Syracuse's Ben Schwartzwalder, Georgia Tech's Bobby Dodd, Missouri's Don Faurot, Oklahoma's Bud Wilkinson, Michigan State's Duffy Daugherty, and Nebraska's Bob Devaney, among others.

One of 20 head coaches in history to win at least 80 percent of his games, Perry guided the Falcons to 77 wins, 11 losses and 5 ties from 1955 through 1964. His 1959 team won the national college division championship. Perry was later athletic director at BGSU from 1964 to 1970.

Perry still resides in Bowling Green with his wife Loretta. He remains very active in Bowling Green athletics, attending BG football games in the stadium named in his honor, hosting a large golf outing each July and helping coordinate activities for the Falcon's Nest of Coaches, an organization of coaches that meets twice annually to promote the proud tradition of BG football.

Among Perry's responses listed in the NCAA Press Kit were:

Q. What do you see as the most significant changes, 1937 to 1987?
Perry: "Two-platoon changed the game in many ways. It put more emphasis on specialization and brought about the need for more players and consequently a large staff and more expensive program ... An even more significant factor came about in the 1950s with the emphasis on a total year-around weight training and conditioning program."

Q. In what ways has the game stayed the same?
Perry: "The formula used by the winning teams throughout the history of football is to field skilled players and to avoid making unnecessary mistakes such as fumbles, penalties, pass interceptions, blocked kicks and poorly-called plays."

1987 Falcon Marching Band

Welcome Back! The 1987 Falcon Marching Band extends its warmest greetings to both new and returning students, alumni, family and friends of Bowling Green State University. Once again, the enthusiasm and expectations of a successful football season along with the sights and sounds of a Saturday football afternoon fill the air.

That same excitement and anxiety for the start of today’s game is shared with you by the Falcon Marching Band. Winter, spring, and summer have come and gone and the band is anxious to perform for you, once again, in the friendly confines of Doyt L. Perry Stadium. We hope that you enjoy the band’s performances this season and that you will join us in a mutual support of the Falcon Football Team, along with its coaches and staff. Clap along with us... sing if you will... or just tap your foot!

We present for you today, a halftime presentation of contemporary sounds. The Falcon Marching Band opens with a powerful, driving tune entitled “Throwdown”. The second selection will involve you, the audience, in a vintage rendition of the 1962 hit, “Hey! Baby!” Be sure you sing loud and strong! Following this fun number will be the smash hit from Beverly Hills Cop II... “Shakedown”! You will have the opportunity to observe both our twirlers and flag corps in action on that tune. Closing today’s performance will be the Falcon Marching Band’s version of the current Whitney Houston ballad... “Didn’t We Almost Have It All?”

Welcome back to Bowling Green State University!

Director, Marketing & Promotions

FALCON FANS, welcome to Perry Stadium and the 1987 Falcon Football Season! With all the predictions, interviews and pre-season hype behind us, the stage is set for an exciting year. In fact, in looking at the different pre-season polls, I’ve seen six different schools picked to win the MAC (and yes, BGSU was one of them!) No doubt, the 1987 Football Season promises excitement. Come out and support your team, the BGSU FALCONS, and play a part in their success.

Today is Youth/Team Day, and welcome to all of you coaches, student-athletes, and band members who have come from all parts of the state to watch the Falcons. Enjoy your day, and if you haven’t already done so, take the time to observe the student atmosphere and tour BGSU’s beautiful campus and facilities.

Today is also Varsity BG Day, and with that in mind, I would like to welcome all past BGSU letterwinners who are here today for their annual reunion. Congratulations to Ken Schoeni, Howard Yawberg and Al Sautter, who are honored today for their continued loyalty and support. Join them and other Falcon Fans immediately following the game (4:30 to 6:30 p.m.) at a reception, free and open to the public, at the Ice Arena Lounge.

Looking ahead to the near future, the Falcons will visit Ball State next Saturday to open MAC play, and then return the following weekend for BGSU’s 1987 Homecoming Celebration vs. Western Michigan. Foodtown will be the game sponsor and will be distributing Homecoming Mums to the early arrivals, so come EARLY!

In conclusion, I would like to thank you for your support of BGSU Athletics and your attendance at today’s game. Your support is appreciated by the student-athletes, coaches and administrators.

If you’re involved with an organization that is active in outings and enjoys the outdoors and a GREAT TIME, consider our group discounts. Any purchase of 15 or more tickets entitles you to great SAVINGS! Call me at 372-2401 for further information.

Alma Mater
Alma Mater hear us,
As we praise they name
Make us worthy sons and daughters
Adding to thy fame.
Time will treat you kindly
Years from now you'll be
Ever dearer in our hearts,
Our University.
From your halls of ivy
To the campus scene,
Chimes ring out with gladness
From our dear Bowling Green.
When all is just a mem'ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.
among the MAC ERA leaders. Even more encouraging is the fact that all three return for the 1988 season.

SWIMMING - Success in swimming became synonymous with Bowling Green thanks to former coaches Sam Cooper and Tom Stubbs. Today's coaches are laying the foundation for a successful future. The Falcon women have made winning a habit. It began with the first MAC Championship in women's swimming in 1981. Ever since, BG has been the MAC runner-up. The men's team is working hard to make up ground on perennial MAC champion Eastern Michigan. They've finished in the top five at the MAC meet the last three years.

TEennis - Robert Keefe Courts have been the site of many top Mid-American Conference tennis matches in the 1980s. And the Falcon tennis teams have benefited from the fine facility. Men's Coach Bob Gill, now in his 20th year at BG, has recruited some top young players for the Brown and Orange. The women's tennis program hopes to improve under a new head coach in 1987-88.

TRACK & FIELD - Bowling Green was represented at the 1987 NCAA Men's Track and Field Championship, thanks to distance runner Dave Mora. BG began the 1980s with at least one representative in the NCAA Championship for two consecutive years. Distance runner Sara Collas was Bowling Green's first NCAA qualifier for the women in 1986. The Falcons won the first MAC Championship for women's track in 1991. Sid Sink, coordinator of BG's track and cross country programs, and Tom Wright are both in charge of the men's team. Lee LaBoite takes the Falcon women.

VOLLEYBALL - Coach Denise Van De Walle's Falcon volleyball is climbing toward the top of the conference standings. Last fall, Bowling Green finished fifth in the MAC. Van De Walle guided her squad to a third-place finish in the conference, a sparkling 26-8 overall record and the championship at the University of Louisville Tournament. Outside hitter JoLynn Williamson was named first team All-MAC, and setter Linda Popovich was the MAC Freshman of the Year.

Doyt L. Perry Field, with its 30,000-plus seating capacity, is celebrating its 21st year as the home of Bowling Green State University football.

Built in 1966 for approximately $3 million as a replacement for the 43-year-old University Stadium, Perry Field had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Field holds the conference records for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Field for the annual BG-Toledo game, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out arch-rival Toledo at Perry Field in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,000, an average of 22,400.

Perry Field is more than just a football facility. The east side of the stadium includes dressing rooms, equipment and training rooms, along with the Athletic Department offices. The west side is in the process of receiving a face-lift. This fall, a new physical fitness center/weight room is scheduled to open its doors for all 19 intercollegiate athletic teams to use.

Also situated on the west side of Perry Field are the Falcon Club offices and clubhouse, the academic counselor's office, the track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its eighth year of operation, the Stadium Club's 106 theatre-type seats, which are all sold, provide loyal BGU fans with one of the finest places to view a game in all of the midwest. The President's Box, located on top of the east side of the stadium, provides luxury seating for President Paul J. Olscamp and other supporters of Falcon football.

Bowling Green posted a 4-1 record at Perry Field last season. Over the last five seasons, Bowling Green is 23-2 in the friendly confines of Perry Field.

A multi-purpose facility, Perry Field has also hosted concerts, NFL exhibition games, and major soccer tournaments.

Perry Field is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons.

BGSU students are among the most vocal fans in the MAC.

Bowling Green holds the MAC record for single game attendance (33,527).
Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, according to James Van Valkenburg, director of statistics for the NCAA, only two on the Division I-A list are above that figure—Knute Rockne at .881 (Notre Dame) and Frank Leahy at .864, (Boston College and Notre Dame).

Perry, 77, is as popular as ever in Bowling Green. An avid golfer, he spends his winters with wife Loretta in Florida. Each summer, he entertains his friends and former players at a golf outing. Former players and coaches return for the "Falcon's Nest of Coaches" meeting.

Known for his well-organized practices and attention-to-detail meetings, Perry never stopped thinking of ways to succeed. He was a winner in football and as a high school basketball coach. His basketball teams were 161-35 over nine seasons and his high school track teams won 70 county titles in nine years.

"First, I always tried to get the best assistant coaches possible," Perry would say. "Then we sought to eliminate mistakes as far as possible."

After stepping down as Bowling Green's head football coach in 1964, Doyt Perry remained as the BGSU Athletic Director for almost seven years.

The new tradition in traditional health care.

Someone had to draw the line against the rising costs of traditional health care. So Blue Cross and Blue Shield of Ohio did...with an innovative group health plan called Blueprint.

The Blueprint plan, in cooperation with area hospitals, provides strict cost controls for the medical services you receive. Yet it doesn’t restrict your freedom to see the doctors of your choice.

BGSU FALL SPORTS PREVIEW

Autumn Athletics

Falcon Fall Sports Teams To Carry On Winning Tradition

by JOHN FARINA, Assistant Sports Information Director

While the fall season means different things to different people, here it conjures up a variety of thoughts such as the challenge of new classes, meeting new people, getting back together with old friends and in some cases thinking about what the future holds after graduation. Fall also means the start up of the athletic year and at Bowling Green the what the future holds after graduation. the 1987 fall season certainly looks promising, which should translate into plenty of excitement for fans and followers.

SOCCER

Head Soccer Coach Gary Palmisano and his team will try to better last season's overall record of 12-6-2 that included tournament championships of the Akron Soccer Classic, Toledo Trust/BGSU Soccer Cup and Florida Invitational. Experience and talent exist throughout the BGSU lineup in the form of 15 returning let- termen, who should enable the Falcons to make a solid run at bettering some of last season's accomplishments.

"We are eagerly awaiting the 1987 season with great expectations," says Palmisano, who brings an 88-57-18 record into his tenth season. "Our objective this year is to finish in the top three in the Great Lakes Region and receive a bid to the NCAA Tournament."

Among the players of watch for this year include junior forward Joe D'Agostino, who finished the 1986 season as the team's second leading scorer with 13 points on six goals and one assist. Junior Tom Kasten looms as another key offensive performer, as does Steve Aleric, who returns after missing last year with a leg injury. Anchoring the midfield position will be co-captains Larry Valbuena and Kevin McKenna, a junior, garnered All-MAC honors in 1986 and seventh in blocks.

Head Women's Golf Coach Greg Nye

All-Mideast choice.

WOMEN'S GOLF

The 1986 season was a memorable one for Head Women's Golf Coach Greg Nye as the Falcons took home a first-place finish in the Penn State Invitational and second-place finishes in the Ferris State and Purdue Invitational Tournaments. The 1987 campaign has the potential to be as good if not better than last season, according to Nye, if the squad plays up to its potential.

Senior Laura Broadbent headlines the group after recording a number of fine performances last season. She placed first at the Penn State and Purdue Invitational Tournaments. An ardent worker, Laura advanced to the semi-final round at the Ohio Women's Amateur Tournament this past summer. "Laura has enough talent to look at a possible career in golf," says Nye. "She is a very steady competitor and has a strong desire to succeed." Sophomore Ingrid Lundblad distinguished herself during her rookie season and will be an imp- tant contributor after finishing second on the squad in scoring average. Nye indicates that the play of junior Kelly Strickland and sophomore Gloria Holmes will play a role in how the BGSU team fares.

CROSS COUNTRY

Sid Sink will be one busy coach as he guides both the BGSU men's and women's cross country squads. As for the men's team, the BGSU mentor will have some new faces in the lineup as he looks to replace such standout as Dave Mora, a NCAA qualifier last year, Dan Butchko and Scott Wargo. Two harriers who Sink will rely upon will be co-captains Mike McKenna and Todd Nichols. McKenna, a junior, garnered All-MAC honors in 1986 and is primed to turn around a strong performance last season. Nichols, a senior, is a dependable runner who has the ability to compete in the top twelve in national meets. The Falcons in eighth in the conference in attack percentage for Head Women's Golf Coach Greg Nye along with junior John Hickman.

The women's squad should make its presence felt in the MAC this fall as an ample amount of experience returns from the 1986 squad. Leading the way will be senior Bonnie Ramsdell, who was selected as the team's MVP a year ago. Ramsdell, an All-MAC choice last season, paced the Falcons in eight of nine meets and hopes to quality for the NCAA Championships. Senior Lori Grey is a battle-tested veteran, as is senior captain Suzie Dieters. Sophomore Mary Zurbach has a bright future after capturing the team's Outstan- ding Freshman Award last year. Sink will look to get production from seniors Kathy Kubicki and Jill Soster, along with junior In- grid Amato and sophomore Mis- sny Ellers.

Volleyball

Head Volleyball Coach Denise Van De Walle and her 1987 edition of the BGSU spikers will be "Reaching for the Top" after turning in a stellar campaign last season that included a 26-8 overall record, the winningest season in Falcon history. BG "The Falcons entered the MAC Tour- nament championships of the Akron Soc- cer Classic, Toledo Trust/BGSU Soccer Cup and Florida Invitational. Jack Coppess
DG 6-2 245 Groveport, OH (Madison)
Jack is one of eight returning starters on defense for the Falcons in 1987. Known as a hard-hitting, aggressive player, Jack is a two-year letterman. He is capable of making the big plays, according to his coaches. Last season, he made 37 tackles, 26 of them solos and 11 others assists. Five of his tackles amounted to 18 yards in losses. Jack was also second on the team in fumble recoveries with two. He broke up two passes and intercepted another against Western Michigan. In 1985, Jack earned his first letter as a back-up nose tackle to Mike Foor. Jack is a marketing major at BGSU.

Jeff Davis
TB 5-11 200 Flint, MI (Southwestern)
Jeff went into last week's Penn State game as a 1,000-yard career rusher for the Falcons. He is a two-year starter, who works hard and often goes the extra mile to improve his skills. In 1986, Jeff established himself as a threat to run and catch out of the backfield. He rushed for almost 800 yards and caught 24 passes for 210 yards. He gained more than 100 yards in games against Ohio University, Western Michigan and Kent. A three-year letterman, he entered this season needing 903 yards to break into BG's top five career rushing list. Jeff saw limited action in the 1985 season, although he did carry the ball seven times for 78 yards and one touchdown in the California Bowl. Jeff is an interpersonal communications major at BGSU.

Tony Parker
LB 6-1 200 Akron, OH (Garfield)
Tony has been looking forward to the 1987 season, and with good reason. A three-year letterman with plenty of potential at linebacker, he was slowed by injuries in 1986. Despite the adversity, Tony made 26 tackles, including 11 solos, last season. He began the season with seven stops in the Ohio University game. He added six more in the Minnesota game. In 1985, he was used as a back-up defensive end behind Chris Hartman. One of Tony's two interceptions that year set up a Falcon touchdown vs. Western Michigan. This season, he'll challenge John Hunter for playing time at outside linebacker. Tony is an interpersonal communications major at BGSU.

Ray Redd
DB 5-10 195 Dayton, OH (Wayne)
As the projected starter at strong corner, Ray figures to have a very busy senior season for the Falcons. He is a three-year letterman with starting experience. Ray entered the BG program as a walk-on following four years in the Army as a member of the 101st Airborne stationed in Germany. He rose to the rank of sergeant, hence his nickname, "Sarge." He even played football while in Germany. Not surprisingly, at 27, he is the oldest member of the team. He is also one of BG's top conditioned athletes. Last season, he made 28 tackles, including 20 solo stops. He also picked off a pass in the win over Kent. Ray is an interpersonal communications major at BGSU.
