BG Opens MAC Schedule Vs. Ball State

The Bowling Green Falcons try to get off to a good start in Mid-American Conference play when they host the Ball State Cardinals in a 12:30 p.m. game at Doyt Perry Field, today.

It will be "Welcome Back to School Day" at BGSU, with a large turn-out of Wood County school children, teachers and administrators expected to be in attendance.

The BG-Ball State game is the second telecast in the MAC TV Game of the Week series by Master Video Productions, available in 40 million homes on independent stations and cable systems in all parts of the country.

Coach Moe Ankney's Falcons are eager to bounce back from a 62-14 loss at West Virginia, last week. The nationally-ranked Mountaineers took advantage of some early BG miscues en route to the win.

Ball State comes to BG on a high, having won its season-opener against MAC rival Toledo, 13-3, in Muncie, IN. The Cardinals may be one of the MAC'S most improved teams in 1988, thanks to the return of tailback Bernie Parmalee, the MAC Freshman of the Year in 1987, and linebacker Greg Garnica, the MAC Defensive Player of the Year.

BOWLING GREEN COACH MOE ANKNEY: Moe Ankney (BGSU '64) is in his third season as head coach at Bowling Green with a 10-13 overall record and a 10-6 mark in the MAC.

BALL STATE COACH PAUL SCHUDEL: Paul Schudel (Miami '66), is in his fourth year at Ball State with a 15-19 overall record and an 11-15 mark in the MAC.

THE SERIES: The Falcons hold the upper hand in the series with Ball State, having won the last eight contests and 11 of 14 overall. Last year, BG registered a 24-0 victory over the Cardinals in Muncie, IN. Mike McGee rushed for 112 yards and two touchdowns, including one scoring jaunt of 89 yards. Rich Dackin passed for 295 yards, while Charles Dotson paced the Falcon defense with 10 tackles.

BOWLING GREEN OFFENSE: The Falcons showed some signs of a cohesive offense, despite the lop-sided defeat at West Virginia. The passing game produced 206 yards against a good Mountaineer defense. Quarterbacks RICH DACKIN and ERIC SMITH threw to 10 different receivers. Wide-outs KEN RANKIN and RON HEARD both grabbed three passes, while six others contributed two receptions. The BG ground game was paced by a 56-yard effort from tailback MIKE MCGEE. McGee also scored both Falcon TDs with a pair of one-yard lunges. BG's 61 yards rushing was 58 yards more than the Falcons tallied at Penn State in the 1987 opener. Part of the credit goes to BG's starting offensive line: center BRIAN SHERMAN, guards TOM ADDIE and DAVID HAYNES, and tackles HAROLD ARROWSMITH and BILLY HORN.

BOWLING GREEN DEFENSE: The Falcons' secondary got a real work-out at West Virginia, as the Mountaineers made numerous advances beyond BG's forward defensive wall. Cornerbacks MIKE HOLMES and TONY MCCORVEY and safeties KYLE KRAMER and TERRY WILSON combined to make 39 tackles. Kramer, who also recovered a WVU fumble, led the way with 14 stops. BG linebackers DAL MCDONALD and TOY (Continued on page 19)

TV WORTH WATCHING!
Now in his third year as head football coach at Bowling Green State University, Howard M. (Moe) Ankney believes in Falcon football, its past, present and future.

"Bowling Green football is strong, and Bowling Green football is respected across the country," Ankney says. "When our players put on the Bowling Green uniform, they are eager to go out and uphold that winning tradition."

Hanging on his Doyt L. Perry Field office wall is a framed list of five objectives. Meet these goals, Ankney tells his players, and Bowling Green will maintain its reputation as the winningest Mid-American Conference football program of the 1980s.

-BOWLING GREEN FOOTBALL GOALS-
1. Each player earn a college degree.
2. Continue the winning tradition
3. Beat Toledo
4. Win the California Bowl
5. Each player become the best that he can be as a student, as an athlete and as a person.

Appointed as the University's 13th head football coach on December 30, 1985, Ankney has coached the Falcons to two successive second-place finishes in the Mid-American Conference. His teams have compiled a 10-6 record in MAC play the last two seasons. Each year, the Falcons have finished just one game shy of first place and a trip to the California Bowl.

Ankney has a 10-12 record overall at BGSU, a record that reflects the challenging non-conference schedule Bowling Green has played the last two seasons. In 1986, the Falcons visited Minnesota and Washington. In 1987, BGSU visited Penn State and Arizona. The 1988 season promises to be equally difficult for Ankney and his staff.

Besides eight games in the competitive MAC, the Falcons visit West Virginia, a 1987 Sun Bowl participant, and Texas Christian, out of the Southwest Conference. BG will host Youngstown State.

Ankney, a 1964 BGSU graduate, returned to his alma mater after serving six seasons as the assistant head coach, defensive coordinator and secondary coach at the University of Arizona of the Pacific - 10 Conference. In leaving Arizona, he left a long-time coaching associate and friend, Arizona Head Coach Larry Smith. Like Ankney, Smith is a Bowling Green graduate, and the two coached together for 10 seasons.

Prior to joining the Arizona staff in 1980, Ankney was Smith's defensive coordinator and secondary coach at Tulane for four seasons between 1976-79. And before that, he was the secondary coach at Ball State from 1971-75 under the late Dave McClain.

In all, he has spent 16 seasons coaching football at the collegiate level. At each stop, Ankney was instrumental in helping to rebuild struggling programs. While at Ball State, the Cardinals improved their record from 4-5-1 in 1971 to 9-2 in 1975. At Tulane, Ankney helped the Green Wave from a 2-9 record in 1976 to a 9-2 mark and a berth in the Liberty Bowl in 1979. The Arizona Wildcats were 5-6 in 1980 and improved their record to 8-3-1 in 1985, including a 13-13 tie with Georgia in the Sun Bowl. His Arizona defensive units finished among the nation's statistical leaders from 1982-85.

Among his former players now in the National Football League are Denver Broncos' linebacker Ricky Hunley and Cleveland Browns' defensive back Al Gross. More than 20 of his former players have gone on to careers in professional football.

Ankney entered the coaching profession at the high school level. He was an assistant football and wrestling coach at Eaton High School for the 1964-65 seasons and then became head coach at Dayton Northridge in 1966. He moved on to Dayton Wayne High School as head coach in football and tennis in 1967 and stayed until 1971 when he joined the Ball State staff. His five-year head coaching record in the high school ranks stands at 24-21-5. While coaching in the Dayton area, Ankney earned his master's degree from Miami University in 1969.

Ankney, 46, a native Ohioan, grew up in Xenia before moving to Kettering as a high school senior. A 1960 Fairmont High School graduate, he was an all-state quarterback and a participant in the Ohio All-Star game.

While a student at BGSU, Ankney played on two MAC Championship teams as a reserve quarterback and lettered twice under legendary Coach Doyt Perry. The Falcons went 23-5-1 from 1961-63.

While an undergraduate, Ankney earned election to Omicron Delta Kappa, a leadership honorary, Phi Alpha Theta, a history honorary, and Kappa Delta Pi, an education honorary.

Reared in a football family, his uncle Pete was his head coach at Fairmont High School. Pete Ankney was also a head coach at Canton McKinley High School and at the University of Dayton.

Moe's father, Ben, coached at Miami University and at Xenia High School. Moe and his wife, Carlalee, are the parents of three children: Angela, 25, Andy, 23 and Molly, 20. Howard Milton Ankney was born June 23, 1942.

Adults Earn Academic Credit For Life Experiences

by TERI SHARP
BGSU Office of Public Relations

Terry Stellingworth of Toledo was only a year away from completing her degree at Michigan State University when her husband was transferred to a job in Dayton. Then came motherhood, more relocations and, later, a job in Toledo.

Now Stellingworth is finishing her college degree at Bowling Green State University where she’s taking advantage of a new portfolio assessment program that offers adult students an opportunity to earn academic credit for life experiences.

Students who seek credit through portfolio assessment are first screened by Joan Bissland, director of adult learner services and the evening credit program. If qualified, students enroll in a special section of English 207, an intermediate writing class. Class members polish their writing skills by compiling a portfolio that documents what they’ve learned outside a classroom.

“As the portfolio is written in sections, the students match their experiences with courses offered at the University,” Bissland explains. “If departmental faculty agree that the outcome of the students’ experiences are potentially the same as those of specific courses, then when the portfolio section is completed it can be submitted to the department for review. If the reviewing professor agrees the outcomes are the same after reviewing the documentation, then the student receives credit for that course.”

Five students enrolled in the portfolio assessment English course last fall and a similar number are enrolled this semester. Dr. Thomas Wymer, the professor of English who teaches the course, points out that like individual experiences, students’ portfolios can be quite different.

“Documentation of experiences can vary greatly. In business education, for instance, a number of highly specific skills have to be mastered. In other fields, these skills may be more generalized than specific,” Wymer says. Completed portfolios, in addition to detailed resumes, might contain job descriptions, letters of verification and actual work samples in some cases.

Judy Lord of Pemberville, who graduated from the University last May, said the course helped her in composition. “We’ve been taught how to write and how to document,” she added. Lord has had extensive public speaking experience through the Northwest Ohio Kidney Foundation and the Red Cross. “You can almost write a book (to document your experiences). It requires an awful lot of time and work, but it’s a great course,” she said.

Once students have successfully completed writing their portfolios for English 207, they can submit sections for credit review. Students can receive as many as 30 hours of credit toward their college degree, but completion of a portfolio doesn’t guarantee credit.

Bissland stresses. Credit is granted only after departmental review. “Of course,” she adds, “the student does get credit for taking English 207.”

In addition to fees for enrolling in English 207, portfolio assessment costs $70 per course.

While the cost of portfolio assessment is higher than for credit-by-examination options, Dr. Ramona Cormier, dean of continuing education, says it’s justified because “you receive much more attention, with service on the portfolio and faculty review of whether it’s worthy of credit.”

Stellingworth is preparing sections of her portfolio to submit to the departments of journalism, home economics, speech communication and, possibly, sociology. She hopes that she may be able to finish her degree this year.

“The world has set the standard and that standard is a college degree. A number of doors have been closed to me. I want to take that obstacle out of the way,” Stellingworth says.

SENIOR SPOTLIGHT

Scott Beckley is "Mr. Versatile" on the Falcon football team. He doubles as BG's long-snapper on punts and place kicks and as a reserve strong safety behind Terry Wilson. Last week at West Virginia, Scott began his senior season with a perfect day as a long snapper. He also saw some action in the secondary and recorded two tackles, one of them a solo stop. Scott is a three-year letterman at BGSU, and has a perfect record as BG's long-snapper on more than 300 punts and place kicks. Last season, he not only handled over 100 long-snapping situations without error, he also started at free safety in BG's season finale against Central Michigan and picked off a CMU pass, returning it 14 yards. Earlier in the season, he made four solo tackles in the Arizona game. Scott is a business major at BGSU and is a member of the American Marketing Association at BGSU. Born March 22, 1967, Scott is the son of Richard and Mary Beckley.

Mark Bongers is the kind of player every coach wants on his team. Listed as BG's No. 2 flanker behind Ron Heard this season, Mark was pressed into duty last season as a punter. He did some punting at Westlake High School, but that was in 1983. Still, Mark performed admirably and averaged 35.2 yards on 57 punts. With Cris Shale handling the Falcons' punting duties in 1988, Mark can concentrate on pass-catchning. And how he can catch! Last week at West Virginia, Mark caught a pair of Eric Smith aerials covering 28 yards late in the game. A two-year letterman, he hauled in a 17-yard scoring toss from Smith last season against Western Michigan. In all, he made five catches for 64 yards, a healthy 12.8-yard average. Mark, a sport management major, gained some practical experience as a practicum student in the BGSU athletic department last summer. Born March 3, 1966, he is the son of Mike and Carol Bongers.

When opposing coaches evaluate the Falcon running backs, they immediately take note of the impressive size and strength of fullback Shawn Daniels. At 5-11, 235 pounds, Shawn is a rock-solid back who can do it all — run, block and catch passes. Last week at West Virginia, he did his share of banging around against a tough Mountaineer defense and came out of the game with four rushes for four yards and one pass reception for seven yards. Last season, the transfer from Snow Junior College in Ephraim, Utah, was used primarily as BG's No. 1 tailback and collected 423 yards and three touchdowns. BALL STATE OFFENSE: The Cardinals racked up 317 yards of total offense in beating Toledo last week, 13-3. Tailback Bernie Parmalee, the MAC’s No. 2 rusher a year ago with a 106.4-yard average, gained 76 yards against the Rockets. One of his back-ups out of the backfield, Mark Stevens, had 41 yards and one touchdown rushing. QB David Riley came up with a big game, completing 17-of-25 passes for 208 yards. His favorite targets last week were tight end Eugene Riley (five catches, 54 yards) and split end Herb Jackson (four, 48). Starting guard Todd Wright is the son of Dr. Tom Wright, BGSU track and field coach, and Suzanne Wright of Bowling Green.

— BG —

BALL STATE DEFENSE: The Cardinals look to linebacker Greg Garnica as their leader on their 52 defense. The 1987 MAC Defensive Player of the Year made eight tackles in the Cardinals’ opener against Toledo. Only defensive end Greg Shackelford (nine tackles) and linebacker Tim Walton (nine tackles) were credited with more stops. Nose guard Mose Carter (eight tackles) anchors the defensive line. Defensive backs Andre Barnett and Mike Crews registered a pair of interceptions last week.

PERRY FIELD SUCCESS: BG lost its 1987 home opener last year on a last-second kick by Youngstown State, 20-17. However, since 1982, the Falcons are 26-4 at home. Over the last six seasons, the Falcons are 5-1 in home openers. Over the last six seasons, the Falcons are 26-4 at home. Over the last six seasons, the Falcons are 5-1 in home openers. MAC OPENER: The BG-Ball State game marks the beginning of Bowling Green’s 37th season of MAC football. BG has won six in a row to begin the league schedule, including two victories over Ball State: 31-6 in 1985 and 24-0 in 1987. In the last six MAC openers, the Falcons have out-scored the opposition, 174-46, an average of 29 points for BG, 7.7 points for BG’s foes.

FALCON FOOTNOTES: BG Head Coach Moe Ankney and assistant coaches Kurt Humes and Bob Wolfe all have Ball State ties. Ankney was an assistant coach at Ball State from 1970-72. ... QB RICH DACKIN moved into BG’s top five in career total offense last week with 3,255 yards. The three-year starter and 1987 second team All-MAC pick has also passed for 3,536 yards, the third-highest mark in BG history. ... SE KEN RANKIN’S return to the lineup was marked by three receptions for 46 yards. Rankin, a game co-captain along with KYLE KRAMER, missed the 1987 season with a knee injury. ... REGGIE THORNTON went over the 1,000-yard mark in career pass reception yardage last week. A second team All-MAC selection in 1987, Thornton has 69 career receptions for 1,026 yards. RON HEARD is sure to join Thornton soon in the 1,000-yard club. Heard has 56 career receptions for 979 yards. ... BG punter CRIS SHALE overcame a shaky start to post a 40.1-yard average at West Virginia. Shale dropped the snap in his first punting situation as a Falcon, giving the Mountaineers their first score. Later in the first quarter, Shale’s punt was blocked, leading to another WVU score. He persevered, however, and wound up with seven punts for 281 yards for a healthy 40.1-yard average. ... ILB CHARLES DOTSON and TE PAT JACKSON, both projected starters this season, missed the WVU game because of injuries.

**VARSITY BG CLUB SAYS**

**GO FALCONS!**

**ABOUT THE VARSITY BG CLUB**

The Varsity BG Club is an exclusive organization open only to former Bowling Green State University varsity letterwinners, who, for a non-tax deductible contribution of $10 per year can help operate the club and support BGSU athletics at the same time. Almost 500 former Falcon letterwinners were Varsity BG Club members last year. Again this year, the Varsity BG Club is offering a lifetime membership for $100; no other dues will ever be required. Lifetime memberships for those 65 and older are only $50.

The Varsity BG Club undertakes three major projects each year, the first of which is the spring Recognition Reception honoring the College Coach of the Year, the High School Coach of the Year, and the Special Recognition Award Winner. Then in July we will enjoy another Doyt Perry Golf Outing at the BGSU Forrest Creason Golf Course. More information will be forthcoming. Each fall, the annual Varsity BG Day festivities take place in conjunction with a Bowling Green football game. It's a great day to return to campus and visit with former classmates and teammates.

We're looking forward to another big year for the Varsity BG Club and Falcon athletics, and all we need from you is your participation.

**MEMBERSHIP BENEFITS**

All active members of the Varsity BG Club will receive:
- Membership in an exclusive organization open only to BGSU varsity letterwinners.
- A list of special activities and programs, such as the ones described above.
- Subscription to the quarterly newsletter.
- Personal satisfaction in contributing to BGSU athletics through your continued involvement.

Their names are familiar. Together, they dot the nation as football coaches at all levels of the game—high school, college, and professional football.

They belong to the Falcons’ Nest of Coaches, an organization created in 1984 to promote the proud tradition of Bowling Green Falcon football. Through the development of student and graduate-assistant programs at Bowling Green, most of these coaches got their start at this Mid-American Conference institution. They’ve studied and matured under the coaching philosophies of Warren Steller, Doyt Perry, Bob Gibson, Don Nehlen, Denny Stolz and Moe Ankney, to name a few. Today, they are making a name for themselves and for their respective football programs around the country. Though they may be miles apart, they share at least one thing in common. They are members of a fine football coaching fraternity at Bowling Green, the Falcons’ Nest of Coaches.

Doyt Perry To Be Inducted Into College Football Hall of Fame

The year 1988 will be fondly remembered by Doyt Perry, the former player, coach and administrator at Bowling Green State University.

Last January, he learned that he would be a 1988 inductee into the National Football Foundation’s College Football Hall of Fame. In May, he was in Toledo, OH, for his induction into the Mid-American Conference Hall of Fame.

This fall, when the Bowling Green Falcons host Miami in an October 29 football game at Doyt L. Perry Field, the man in whose honor the stadium was named will be there for a special on-campus presentation by the National Football Foundation.

Then, on December 6, Perry will be in New York for the Foundation’s Hall of Fame Dinner. Perry will be officially enshrined into the College Football Hall of Fame at Kings Island, OH, in the spring of 1989.

Perry’s association with BGSU dates back almost 60 years when, as a student, he lettered nine times in three sports (football, basketball and baseball). The Croton, OH, native received his degree in 1932 and then began coaching on the high school level before becoming an assistant football coach at Ohio State University in 1951.

Perry returned to his alma mater as head football coach in 1955. Over the next 10 years, he led the Falcons to a 77-11-5 record for a winning percentage of .855, topped only by Knute Rockne and Frank Leahy. His teams won five MAC Championships and the national college division championship in 1959.

Perry, who retired from coaching in 1964 to become BGSU’s athletic director for six years, developed such outstanding coaches as Jim Young of Army, Bill Mallory of Indiana, Don Nehlen of West Virginia, Larry Smith of Southern California, the late Dave McClain of Wisconsin and Bowling Green’s own Moe Ankney.

Ironically, Perry will enter the College Football Hall of Fame with another Bowling Green graduate, the late Jack Mollenkopf ’31. Mollenkopf coached the Purdue Boilermakers to a record of 84-39-3 in 23 seasons.

Bowling Green State University became a member of the Mid-American Conference in May of 1952. That was 36 years ago, and in the interim, the Falcons have won eight MAC football titles, two of those coming in 1980s (1982 and 1985).

Entering the 1988 season, the Falcons led the MAC with the best league record (.51-19-1) in the 1980s. In fact, Bowling Green has finished either first or second in the MAC standings six years in a row.

The MAC consists of nine state-supported institutions in the Midwest. Located in the states of Ohio, Michigan and Indiana, the MAC schools have enrollments that range from 14,000 to 26,000.

Founded as a five-team conference in 1946, the MAC expanded to 10 schools in the early 1970s. With Northern Illinois' withdrawal in 1986, the nine current members are Ball State, Bowling Green, Central Michigan, Eastern Michigan, Kent State, Miami, Ohio, Toledo and Western Michigan.

The MAC is as balanced and competitive as any conference, many MAC teams and athletes have received national recognition. In football, Bowling Green was recognized as the national college division champion in 1959, and Ohio won similar honors in 1960. After the MAC joined the list of Division 1 institutions, Toledo compiled a 35-game winning streak from 1969-71, and Miami beat Florida, Georgia and South Carolina in the 1973-74-75 Tangerine Bowls. This year, the MAC enters its eighth year of an agreement that matches the MAC Champion against the champion of the Big West (formerly known as the PCAA) in the California Bowl.

The MAC currently sponsors 18 championships. In men's sports, the MAC has championships in football, cross country, basketball, swimming and diving, wrestling, baseball, tennis, golf and outdoor track and field. The nine MAC women's championships are volleyball, cross country, field hockey, basketball, swimming and diving, gymnastics, softball, tennis and outdoor track and field. One of the nine Division 1-A conferences in the country along with the Big West, ACC, Big 8, Big 10, Southwest, Southeast, WAC and PAC 10, the MAC is as balanced and competitive as any other.

While playing competitive Division 1 schedules, MAC institutions have maintained their high ethical and academic standards. No MAC team has ever been put on NCAA probation for rules violations, nor has any MAC team ever been seriously investigated for rules infractions. A total of 53 MAC student-athletes have earned Academic All-American recognition in the last four years. Bowling Green has proudly contributed seven Academic All-Americans to the MAC's total in the last two years, alone.

MAC Assistant Commissioner

All nine Mid-American Conference teams return at least 34 lettermen, and eight of the nine have between 12 and 16 starters back. With that in mind, who's the favorite in the MAC in 1988? The league has produced seven different champions in the last 10 years. Defending Champion Eastern Michigan must replace ten starters and 1986 Champion Miami has just seven starters back, but the other seven MAC teams average 14 returning starters.

A brief look at Bowling Green's rivals in the MAC follows in alphabetical order:

Ball State was inconsistent last year, finishing 4-7. But when the Cardinals were good, they were very good: they led Wisconsin in the fourth quarter, they beat second place Kent; and they gave Eastern Michigan a real scare on the road. Coach Paul Schudel must replace five offensive starters and hope the defense returns to its MAC-leading 1986 form. Seven starters return on defense including MAC Defensive Player of the Year Greg Garnica, his LB mate Tim Walton, and two starters in the secondary. MAC Freshman of the Year Bernie Parmalee will run behind a line headed by center Ted Ashburn and guard Brian Outlaw.

Central Michigan has not had a losing season in 24 years, but the Chippewas are not pleased with back-to-back .500 records. Coach Herb Deromeedi enters his 11th season with a 74-30-4 record. CMU was the only MAC team to beat Eastern Michigan last year, but the Chippewas lost four MAC games by 10 points or less. Seven starters return on offense and six on defense. All-MAC John Hood leads a stable of talented running backs. WR Eric Reed is a good one. The defensive perimeter has some question marks, but experienced offensive line headed by center Ted Ashburn and guard Brian Outlaw.

Eastern Michigan is coming off its finest football season ever. The Hurons were 10-2, won their first MAC title and finest football season ever. The Hurons Alferink, inside linebacker George Ricumstrlct and safety Durand Robertson.

Western Michigan made great strides under first year Coach Al Molde in 1987 and could move higher this fall. Sixteen starters are among the 40 lettermen back from last year's team that was 5-6 overall and 5-3 in the MAC. On offense, guard Chris Trainor and split end John Stofa are the only returning starters. The biggest concerns are finding a quarterback and running backs from an inexperienced group of candidates. Defensively, the picture is brighter with five starters returning: tackles Bob Getz and Mark Cristell, outside linebacker Jerry Prochko and backs Jim Harnett and Scott Barnett. The linebacking corps must be replenished. All-MAC punter Chuck Konrad returns.

Ohio appeared ready to turn the corner early last year, but was unable to reverse its losing ways. Coach Cleve Bryant has 40 lettermen, including 16 starters, back as the Bobcats strive to improve after back-to-back 1-10, 0-8 seasons. Among the nine offensive starters returning are sophomore quarterback Anthony Thornton and a talented receiving corps. Whoever takes over for John Caldwell at tailback will be running behind a veteran offensive line headed by tackle Ron Rogers and center Brian Faut. Four starters are gone from the Bobcat defense, but a lot of young players gained experience last year.

Toledo slipped to 3-7-1 overall and 3-4-1 in the MAC last year after finishing strong in 1986 and being tabbed as one of the 1987 favorites. Coach Dan Simrell returns virtually everyone on offense. The key will be consistency at quarterback and tailback. Mark Melfi and Steve Keene both saw a lot of quarterback action last year, while David Rohrs, Allen Smiley and Neil Trotter all had 100 yard rushing games from the tailback spot. A large and experienced offensive line headed by tackle Ken Moyer, center George Linberger and guard twins Todd and Tim Olsen is the offensive strength. Five defensive starters are gone, but the secondary looks strong with the return of Jon Bowsher and Dewayne Fletcher.

The offensive line, the receiving corps returns intact and tailback Bob Foster could be ready to blossom into a star. Defensively, the front four is gone, but six of the other seven starters return. Keith Bertram and Scott Wyka man the inside linebacker posts and the secondary is led by senior Tom Menard and All-MAC Charles Gordon.

Kent has tied for second in the MAC two years in a row. New coach Dick Crum hopes the return of 38 lettermen, 13 of them starters, boosts the Flashes up a notch. Tailback Eric Wilkerson, the MAC MVP and Offensive Player of the Year, led the nation in all-purpose yardage last year. Quarterback Patrick Young, the 1986 MAC Freshman of the Year, returns after missing all but 20 minutes of last year with a dislocated hip. All-MAC center Chip Curtis is one of four returning starters in the offensive line. On defense, the secondary returns intact.

Miami has finished second, first and tied for second in the MAC the last three seasons. However, Coach Tim Rose has just seven starters back from last year's team that was 5-6 overall and 5-3 in the MAC. On offense, guard Chris Trainor and split end John Stofa are the only returning starters. The biggest concerns are finding a quarterback and running

All-MAC center Chip Curtis is one of the 1987 favorites. Coach Dan Simrell returns virtually everyone on offense. The key will be consistency at quarterback and tailback. Five defensive starters are gone, but the secondary looks strong with the return of Jon Bowsher and Dewayne Fletcher.

Western Michigan made great strides under first year Coach Al Molde in 1987 and could move higher this fall. Sixteen starters are among the 40 lettermen back from last year's team that was 5-6 overall and 4-4 in the MAC. The deep, fast and talented receiving corps is headed by track All-America Jamie Henke and brothers Allan and Bruce Boyko. The middle of the offensive line must be rebuilt, but fifth year giants Kevin Haverdink (6'7", 275) and Gary Vanderweele (6'6", 272) are back. Among the eight returning starters on defense are All-MAC end Joel Smeenge and All-MAC linebacker Eric Hoffman.
THE FALCON CLUB

To All Falcon Fans:

You are the key to success for our Falcon teams! The BGSU Athletic Department depends on the Falcon Club to raise more than $242,000 in 1988. This money will help fund athletic grants-in-aid, assist in the recruiting of prospective student-athletes, and provide funding for athletic facilities budgets.

Members of the Falcon Club are alumni, parents, friends and fans who provide financial support, volunteer hours and advisory expertise to the BGSU athletic program and share in the many benefits the Falcon Club has to offer.

The Falcon Club has ambitious goals for 1988 and is eager to involve YOU in our activities. The need to support our program is at an all time high. Your financial contribution and BGSU’s athletic program are a winning combination.

We are very proud that Bowling Green’s athletic program, both men and women, is recognized as one of the best in the country. All of our 19 teams are highly competitive and very representative. Falcon Club membership offers you the opportunity to support these teams. Falcon Club donations have greatly aided our program, and to continue that winning tradition throughout the 1988-89 campaign will require another supreme Falcon Club effort.

I look forward to having you join the Falcon Club in 1988!

Sincerely,

Charles F. Nagle
Assistant Athletic Director/Development

I am interested in learning more about the Falcon Club and its activities.

Ham it up more often.
Dinner Bell ham is the all day meat.

Ham is about the only meat that appears regularly on breakfast, lunch and dinner menus. And ham is a favorite for picnics and snacks. Too. So it's a good idea to keep it on hand. Make it Dinner Bell ham. Less waste. Easy to slice. And you get a lot for your money, so you can afford to be generous. That's important, because once your family gets a taste of Dinner Bell's gentle smoked flavor, they'll ham it up more often.

Bowling Green State University offers a range of educational opportunities expected in a large university, yet retains the personalized small-school atmosphere of its early years.

When Bowling Green Normal School opened its doors in 1914, there were 15 faculty members and all 158 students were studying to be teachers. Today the University has nearly 720 full-time and 200 part-time faculty and 17,300 students on its main campus. Degree programs are offered through the College of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology, and the Graduate College. Within the undergraduate colleges are Schools of Art, Mass Communication, Nursing, and Health, Physical Education and Recreation.

The University offers more than 170 undergraduate degree programs, 75 master’s degree programs and has 14 departments granting doctoral degrees in more than 44 specialty areas.

In addition to courses on the main campus, the University’s Firelands College campus, located in Huron, Ohio, offers 17 two-year associate degree programs, as well as courses which fulfill the first two years of a bachelor’s degree requirement. Firelands College enrolls about 1,200 students.

Fully accredited at the highest state, regional and national levels, the University has chapters of most national academic honor societies, including Phi Beta Kappa and Phi Kappa Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant Colleges.

The University’s faculty members, 82 percent of whom hold the highest degree in their fields, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of academic programs which are regionally and nationally recognized, including the chemistry department which hosts an Ohio Eminent Scholar in Photochemical Sciences. The Ohio Eminent Scholar program was created by the Ohio Board of Regents to attract world class scholars to the state’s universities.

Committed to teaching, faculty are scholars as well, generating new knowledge through independent research and involvement in University units such as the Population and Society Research Center, the Center for the Study of Popular Culture, and the Social Philosophy and Policy Center. Bowling Green is also the site of the National Drosophila Species Center and the Mid-America Stock Center—the largest scientific facilities of their kind in the world—where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University’s students come from throughout the United States and nearly 60 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. During the spring term of the 1987-88 academic year, there were more than 2,700 “non-traditional” adult students enrolled in undergraduate and graduate degree programs on a full- or part-time basis.

The focal point of the 1,250-acre campus is the nine-story Jerome Library, with its collection of more than four million items, including 1.5 million volumes plus thousands of journals, periodicals, microforms, government documents and other materials. Special sections of the library include the Center for Archival Collections which houses materials relevant to northwest Ohio history and the Sound Recording Archives with 400,000 recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry’s past and present.

The University is continually refurbishing its more than 100 existing buildings and upgrading facilities to meet current needs. An example is the recently completed $3.65 million addition to the Business Administration Building. Currently, Williams Hall, home to the history, sociology and political science departments, is undergoing major renovation as is Overman Hall, which houses chemistry, physics and astronomy and geology programs. Also, numerous computer facilities have been installed and upgraded throughout campus.
When Dr. Paul J. Olscamp became Bowling Green State University's eighth president in 1982, he charted a course that would move Bowling Green into the ranks of the country's most important educational resources. The effort, he said, would be an unrelenting commitment to excellence in teaching, research and service at the University. Indeed, he adopted the slogan “An Environment for Excellence” to describe his hopes for Bowling Green.

Since then, everything the energetic Olscamp has done at Bowling Green has been aimed at fulfilling that vision. Early in his administration, Olscamp and the faculty outlined the task to be done in a 27-goal document called the Role and Mission Statement. Most of the goals centered on improving the quality of undergraduate and graduate students, the academic programs, the learning environment and the faculty and its resources.

Now, as Olscamp begins his seventh year at Bowling Green, many of the Role and Mission Statement's original goals have been met. Last year, the University's eighth president reviewed the goals and assigned new priorities, including the recruitment of minority faculty and students and greater emphasis upon research production.

More than any other president in Bowling Green's history, Olscamp has sought to more fully involve the faculty in University governance. Faculty have been involved in developing the University's academic charter. Before the change, only the president had that power. He has also given the faculty greater control over the curriculum and development of new academic programs.

The Bowling Green president worked tirelessly with state government officials and legislators in Columbus on behalf of Bowling Green and higher education. He has testified about the needs of higher education before legislative committees and has been a leading spokesperson for improved operating and capital budgets for the state's colleges and universities.

Highlighting The Olscamp Administration

A great deal has happened at Bowling Green since Dr. Olscamp arrived on campus seven years ago. Some of the accomplishments include:

**Academic Programs**
- Creation of Bowling Green's first endowed professorships, one in management and the other in finance.
- Appointment of an Ohio Eminent Scholar in Photochemical Sciences, the result of a $500,000 grant from the Ohio Board of Regents. The Eminent Scholar Program is designed to attract world class scholars to Ohio. Dr. Michael A. J. Rodgers, one of the country's foremost photochemical scientists, is Bowling Green's Eminent Scholar.
- Addition of doctoral programs in applied philosophy and photochemical sciences; the 43rd and 44th Ph.D. offerings at Bowling Green.
- Increasing the number of National Merit Scholarship winners entering Bowling Green to 41 finalists and 23 semifinalists, the most ever in University history and more than doubling the goal set in 1987.
- Establishing the University's first major scholarships for minority students.
- A network of microcomputer labs throughout the campus, including labs in each residence hall, as part of an effort for all students to have a background in computer usage by the time they graduate.
- Increasing library holdings to more than four million books, journals, periodicals, microforms, government documents and other materials.

**Physical Plant**
- Nearly $48 million in state capital improvement funds for renovation and new construction projects.
- Completion of $7.2 million Physical Sciences Laboratory Building in 1984.
- A $3.65 million addition to the Business Administration Building completed in 1988.
- A $9.1 million addition to the Fine Arts Building scheduled to get underway in the next few years.
- Major renovation and refurbishing of existing campus buildings including Williams, Overman, Hayes and Shatzel halls.

**University Finances**
- Growth in the University endowment from $1 million in 1982 to more than $8 million in 1988.
- Creation of an internal endowment fund of $4 million from various University reserves. The balance is approaching $7 million and is expected to reach $10 million in four years. Interest on that amount, which could approach $3 million annually, will go toward the academic budget.
- Developing a plan that restructures debt obligations and is projected to result in a $35 million principal in 12 years. Interest on that amount, which could approach $3 million annually, will go toward the academic budget.
- Most successful fund raising drive in University history. With the assistance of the development and alumni office, the 75th Anniversary Fund raised more than $15 million in three years; well above the $12.5 million goal. Donations included the University's first two $1 million gifts—from the Stranahan Foundation of Toledo for the Social Philosophy and Policy Center and from Harold and Helen McMaster of Perrysburg for the McMaster Leadership Institute.

Bowling Green Is A 1980s Success Story

When, in the year 2000, historians look back upon 85 years of intercollegiate athletics at Bowling Green State University, they'll stop and take a second look at the 1980s. Bowling Green sports teams of the 80s have achieved a level of success matched by few.

In all, Bowling Green teams have won 21 conference titles the last eight years, 17 in the Mid-American Conference and four in the Central Collegiate Hockey Association. Sixteen teams have gone on to post-season play in the NCAA, NIT and California Bowl.

Bowling Green student-athletes distinguished themselves in numerous ways in 1987-88. MAC champions were crowned in women's basketball and softball. The Falcon hockey team added to the BGSU honor roll by capturing the CCHA Playoff title. The volleyball team set a school record for winning percentage in a season. In the end, Bowling Green laid claim to the Jacoby Trophy, awarded annually to the MAC school with the best overall record in women's sports. BG also produced four Academic All-Americans in football, basketball, volleyball, men's basketball, and hockey—an uncommon distinction for any MAC school in just one year.

Each of the 19 sports at Bowling Green has enjoyed success in the 1980s. Here is a brief look at the “Winning Tradition” of the Bowling Green Falcons...

BASEBALL — Coach Ed Platzer's Falcons are annual contenders for the MAC Championship. Playing at Steller Field, one of the finest college baseball facilities in the region, the Falcons are a MAC leader in producing future professional ballplayers. Roger McDowell helped pitch the New York Mets to the World Series Championship in 1986, while Orel Hershiser is a stand-out pitcher for the Los Angeles Dodgers.

MEN'S BASKETBALL — Coach Jim Larranaga has built a solid foundation that should produce a MAC championship contender in 1988-89. Two strong recruiting classes and an exciting up-tempo brand of basketball have made Anderson Arena once again “The House That Roars.” BGSU is one of six MAC teams which have qualified for the MAC Tournament the last two years. Historically, BGSU leads the MAC in post-season appearances and victories.

WOMEN’S BASKETBALL — Coach Fran Voll has led the Falcons to a pair of MAC Championships and NCAA Tournament appearances the last two years, as well as an overall record of 81-8. Voll coaches some of the best players in the conference, like two-time MAC MVP Jackie Motycka. With Motycka and four other starters back in 1988-89, the Falcons will be an early favorite to repeat as MAC Champions.

FOOTBALL — Bowling Green is the MAC's winningest team of the 1980s with a first- or second-place finish the last six years. The Falcons have won two MAC titles and made two trips to the California Bowl since 1980. BG also holds the MAC single-game attendance record of 33,527 at Doyl Perry Field. Coach Moe Ankeney has guided the Falcons to two-straight second-place finishes. Taking the next step to the top is the goal for 1988.

GOLF — Coach Greg Nye's men's and women's golf teams play on some of the most challenging courses in the country. The BG men travel to Florida and the Carolinas. BG has won four MAC Championships and made four NCAA Tournament appearances in the last 18 years. The Falcon women are one of this region's top teams. Last fall, the Falcon women won the BGSU Invitational and contended for the Ferris State Invitational title.

GYMNASTICS — Year in and year out, Coach Charles Simpson fields a MAC title contender. With three MAC titles since 1980, Simpson's Falcons share the league lead in conference championships. The Falcons have qualified as a team for post-season competition four of the last five years. Last winter, Kim Trost was an individual qualifier for the NCAA Regionals. This year, BGSU will host the MAC Championships.

HOCKEY — National Champions! The year was 1984. The site, Lake Placid, NY, where Coach Jerry York's Falcons won the University's first NCAA Division I championship. It was Bowling Green's finest hour. BGSU has won four CCHA regular season championships and one league play-off title. In all, the Falcons have won seven conference titles and appeared in seven NCAA (Continued on page 49)
Since his appointment seven years ago as athletic director, John C. (Jack) Gregory has set a standard of excellence designed to place Bowling Green State University on equal terms with today’s elite intercollegiate athletic programs.

In his first six years at Bowling Green, Gregory has challenged his staff of administrators, coaches and classified workers to settle for nothing less than the very best. His challenge has resulted in some of the finest moments in the history of intercollegiate athletics at BGSU—moments such as:

- the 1984 NCAA Division I Ice Hockey Championship;
- 11 Mid-American Conference regular season championships in football, men's and women's basketball, softball, women's cross county, gymnastics, and men's golf;
- 2 California Bowl appearances;
- 2 MAC post-season tournament championships;
- 3 Central Collegiate Hockey Association regular season championships;
- 1 CCHA post-season tournament championship;
- 9 NCAA Tournament appearances in hockey, basketball, softball and gymnastics; and
- the 1987-88 Jacoby Trophy, awarded annually to the MAC school with the best overall record in women’s sports.

Gregory came to Bowling Green during one of the most difficult periods in the school’s 72 years of intercollegiate athletics, a time when BGSU and the MAC were fighting for NCAA Division I-A status in football. Behind Gregory’s leadership, the football program attained I-A status, making the Falcons one of the front-runners in achieving that goal.

During his tenure here, BGSU has proven to be a marketing and promotions leader. Record crowds have attended Falcon football, hockey and women’s basketball games. Crowds have swelled, too, in sports like soccer, volleyball, gymnastics and softball. In 1983, 33,527 fans packed Doyt L. Perry Field to witness the annual college football classic between Bowling Green and Toledo. BGSU and MAC single game attendance marks fell that afternoon. Two years later, the Falcons drew a record 112,110 fans for the five home games, giving BGSU the second-largest average attendance (22,422) in MAC history. Last year, Bowling Green set still another MAC attendance record by playing in front of 84,574 fans at Penn State.

Sell-out crowds for BGSU hockey games are also a tradition, making game tickets the hottest item in town each winter.

With the growing interest in TV sports programming, Gregory has aggressively negotiated for live television coverage of BGSU sports events. Last year, Falcon football, basketball and hockey all attracted live TV coverage. The 1988-89 year promises more of the same. Falcon football and basketball will be seen around the country in the MAC Game of the Week on Master Video Productions, while Falcon hockey will continue to play in front of national TV audiences as part of the CCHA Game of the Week on Pro-Am Sports.

Gregory, 60, has also been instrumental in the record-breaking development of the Falcon Club, the University’s official athletic department booster club. Recent membership drives have encompassed the Toledo, Cleveland and west central Ohio areas, resulting in unparalleled growth in cash and pledges. The Falcon Club has more than doubled its income and grown to such an extent that it compares favorably with any athletic support organization in the country.

Still, Gregory understands the integrity of college athletics depends on the continued emphasis of the “student” in student-athlete. In that regard, he appointed a director for academic and regulatory affairs in 1984, the first such appointment in the MAC. Today’s student-athlete is offered every opportunity for a fulfilling educational experience at BGSU. Many student-athletes have earned academic honors, such as the 122 BGSU scholar-athletes with grade point averages of 3.0 or better in 1987-88. In just the last two years, seven BGSU scholar-athletes have been named Academic All-Americans, an uncommon distinction among MAC schools.

A 1952 graduate of East Stroudsburg State College and holder of a master’s degree from Temple University, Gregory came to Bowling Green from Yale, where he served for four years as associate athletic director.

Gregory began his professional career in 1952 as a teacher and coach at William Penn High School in New Castle, Delaware, and later at P.S. Dupont High School in Wilmington, Delaware. In 1959, he returned to East Stroudsburg as head football coach and assistant professor of physical education. One of the most successful coaches in the school’s history, Gregory was inducted into the East Stroudsburg Athletic Hall of Fame in October, 1983.

An assistant football coach at the U.S. Naval Academy for two years, Gregory was named head football coach at Villanova University in 1967. In 1969, he moved to the University of Rhode Island, where he served as head football coach for seven years. In his 25 years on the high school level and at East Stroudsburg, Villanova and Rhode Island, Gregory’s teams compiled a record of 132-69, including four undefeated seasons and seven league championships. He was twice selected as NAIA Coach of the Year, twice selected as Pennsylvania Coach of the Year and was named NCAA District Coach of the Year.

He was lured away from coaching in 1976 by the Green Bay Packers of the National Football League and served in the personnel department for three years before moving on to Yale.

Jack and his wife, Peg, reside in Bowling Green and are the parents of two sons.

Tournaments. BGSU has produced some of college hockey’s greatest names, including nine players who currently hold positions on NHL rosters.

Soccer — Coach Gary Palmisano’s Falcons have posted a winning record in all but one year of the 1980s. Last fall, BGSU showed a fine 12-3-1 record that included wins over Penn State and Cleveland State. The Falcon booters also captured the 1987 BGSU Soccer Cup for the second-straight year. BG players have earned All-America honors seven times, the most recent being Jon Felton last year.

Softball — Former Coach Gall Davenport saw five years of hard work pay handsome dividends in 1988, as the Falcons won the MAC Championship and hosted the NCAA Midwest Regionals. Davenport was also named MAC Coach of the Year. Spearheaded by senior centerfielder Amy Lienhardt, a first team All-American and a first team Academic All-American, the 1988 Falcons shattered a number of seasonal records for BGSU softball.

Swimming — Coach Sheila Chiricosta, showed signs of new life in 1988, as the Falcons recorded the most wins in a season since 1983.

Tennis — Robert Keefe Courts have been the site of many top MAC tennis matches in the 1980s. And the Falcon tennis teams have benefitted from the fine facility. The men’s team, guided ably by Bob Gill the last 20 years, will see Gene Orlando at the helm in 1989. The women’s tennis program, under the tutelage of first-year Coach Sheila Chiricosta, showed signs of new life in 1988, as the Falcons recorded the most wins in a season since 1983.

Track & Field — Bowling Green was again represented at the NCAA Track and Field Championships, thanks to All-American discus thrower Beth Manson. Meanwhile, Coach Lee Labadie guided the Falcon women to a second-place finish at the 1988 MAC Championship. Sid Sink and Tom Wright, co-head coaches of men’s track, coached the Falcons to within seven points of fourth place at the MAC meet.

Volleyball — Coach Denise Van De Walle’s Falcon volleyball team has entrenched itself as one of the top programs in the MAC. Last fall, Bowling Green carved out an overall record of 24-6, the highest winning percentage in school history, while posting a second-place finish in the MAC. Van De Walle, MAC Co-Coach of the Year, also guided her squad to a championship at the West Virginia Tournament.

SPONSORSHIPS

Area Businesses Take Part In 1988 Football Promotions

While today's game marks the beginning of the 1988 home schedule for the Bowling Green State University Falcons, members of the BGSU athletic department have been planning, promoting and preparing for today's game and the four home games to follow this fall since last March.

The results of their efforts are too numerous to mention here, but among them are posters and schedule cards bearing photos of "Uncle" Freddie Falcon and selected BGSU football players (see photo above), as well as the successful enlistment of area businesses for game sponsorship.

Members of the Northwest Ohio business community were contacted and asked to provide financial support for Falcon football, in exchange for various promotional incentives.

What was an idea last spring became reality this summer when all five Falcon home games attracted sponsors.

"Securing game sponsors is nothing new in college athletics," said BGSU Athletic Director Jack Gregory. "It's been done by most of the college bowl games, and it has been done to a lesser extent here.

"Game sponsorships are a two-way street. They benefit the businesses which sponsor the games because of their involvement in the community and the publicity they receive. Game sponsorships also assist the athletic department in the areas of promotion and finances.

Gregory added, "It has been well-documented that funding Division I athletics is a challenge to universities across the country. We are very pleased and grateful to those businesses which have offered their support by becoming game sponsors for 1988."

Today's Ball State game is designated as "Welcome Back To School Day," featuring free admission to the game for all Wood County school children, teachers and administrators in grades 1-12.

Kroger supermarkets and the Bowling Green Sentinel-Tribune newspaper have backed the idea as game sponsors.

The Oct. 8 Ohio University game brings all the color and pageantry of Homecoming to the BGSU campus. And while the BGSU alumni flock to campus for pre- and post-game reunions, State Home Savings will be a part of it all as the Homecoming game sponsor.

The Oct. 22 Youngstown State game has been designated as BGSU Student Appreciation Day. University student organizations will be recognized that day, and the sponsor for Student Appreciation Day will be announced soon.

The Oct. 29 Miami game is Parents' Day, Varsity BG Day and the day when Bowling Green's Doyt Perry is recognized by the National Football Foundation for his upcoming enshrinement into the College Football Hall of Fame. Food Town has agreed to be the game sponsor that day.

"We have an obligation to putting something back into the community we serve," said Don Valiton, director of advertising for Food Town. "BGSU is certainly a major asset to the community, as we feel an obligation to supporting the athletic program."

The Falcons conclude their 1988 schedule Nov. 12 at home against Eastern Michigan, the defending Mid-American Conference champion. It will be Youth/Team Day at Perry Field, with team and youth organizations from all over Ohio in attendance. Fifth/Third Bank will sponsor the event.

"We are very pleased to be a part of the great football tradition at BGSU by sponsoring the Nov. 12 Falcon game," said Al Blackburn, executive vice-president at Fifth/Third Bank. "This is an excellent way for Fifth/Third Bank to show its commitment to the community and the University."

For more information on game sponsorships, contact Brad Browning, BGSU athletic marketing and promotions director, at (419) 372-7093.
Today's Halftime Show
1988 Falcon Marching Band

It's that time of year again . . . Mid-American Conference football, Doyt L. Perry Stadium, Falcon Football, and the FALCON MARCHING BAND!! The BGSU Marching Band extends its greeting to each of you.

The Falcon Marching Band takes the field today with the annual presentation of the University's Alma Mater and the National Anthem. This pre-game presentation, a traditional one, begins the year for the 190-strong Marching Falcons. With the strains of “Forward Falcons” ringing through the stands, the band will march downfield, stop and turn, and salute the visiting Cardinals of Ball State University.

At halftime, you will have the opportunity to see the performances of both bands. The Falcon Marching Band opens its halftime show with a sparkling arrangement of “Winter Games”. This music was written for the closing ceremonies of the 1988 Calgary Winter Olympics.

Following “Winter Games”, the band shifts gears to a “Top-40” feel. The recording artist was Gloria Estefan and the Miami Sound Machine. The tune is currently in the “Top Ten, the title . . . . “1 - 2 - 3”!

The closing selection, this afternoon, is a lovely ballad that originated in the Tony award-winning Broadway musical, “Les Miserables.” It was re-recorded by the performing artist Neil Diamond and is entitled “I Dreamed a Dream”.

On November 20, in Anderson Arena, the Marching Band will present its annual Marching Band Concert and the public is invited/encouraged to attend.

HELLO FOOTBALL FANS . . . welcome to Perry Stadium and the 1988 Falcon Football Season! With the pre-season predictions and summer preparations behind us, the moment of truth has arrived.

This being our first game of a five-game home schedule, I see this as an excellent opportunity to briefly preview the upcoming 1988 home Falcon schedule.

Today’s opener brings to us the traditional “Welcome Back To School Day.” Some 18,000 students, plus teachers and support personnel of every Wood County school, have been invited to this game by receiving a free admission ticket, compliments of Kroger’s, The Sentinel-Tribune, and the BGSU Athletic Department. In addition, each student who had perfect attendance for the 1987-88 school year received a personalized certificate from the Athletic Department and will again be recognized at some point during the game. A special “Hello” to all of you in attendance from Wood County Schools!

Game two will be October 8 against the Ohio University Bobcats during BGSU’s 1988 Homecoming celebration. The day’s festivities will begin at 10:00 a.m. with the campus parade leaving the Ice Arena. After that, tailgating will lead us up to the 1:30 kick-off.

The third game brings together the Falcons and the Penguins. Ah yes, the Youngstown State Penguins! Revenge will fill the air as the Falcons will attempt to avenge last year’s upset loss. This game has also been denoted as “Student Appreciation Day.” Falcon fans are the key to the Falcons’ success, and that includes BGSU students.

Parents’ Day, the biggest weekend of the year on campus, brings long-time rival Miami to town in what should prove to be a great game! This day will also recognize the Varsity BG Club and two prominent former coaches. At halftime, former coach Doyt Perry and the late Jack Mollenkopf will be recognized for their recent induction into the College Football Hall of Fame.

The home season finale will match up the defending MAC and Cal Bowl Champion Eastern Michigan Hurons against the Falcons. Kick-off will be at 12:30 p.m. This game, we hope, could very well determine the 1988 Mid-American Conference Champion! It will also be Group/Team Day, where virtually every school team and all community organizations across the state are invited to this event free of charge!

Make your plans now to spend these five exciting dates at Perry Field! Group rates are available and information can be had by calling 372-2401.

Finally, on behalf of the Falcon family, I thank you for your attendance today and support of BGSU athletics.

1988-89 BGSU CHEERLEADERS
NCAA Stands Firm On Athletic Representatives

Dictionary-makers agree on the definition of representative. However, of late, the word has been interpreted differently at many colleges and universities across the United States. To ensure that confusion does not reign, especially in the matter of recruiting prospective student-athletes, the National Collegiate Athletic Association has set hard-and-fast rules for: 1. Who athletic representatives are, and, 2. What they can and cannot do.

As of August 1, 1987, the NCAA has banned athletic representatives (see box to left) from any involvement in the recruiting of prospective student-athletes. That involvement includes on- or off-campus contacts by 1. personal visit, 2. correspondence, or 3. telephone calls.

Bluntly, the answer to all questions regarding the involvement of athletic representatives in the recruiting process is an unequivocal "NO."

The new legislation does not prohibit "unavoidable incidental" contacts with prospects, their parents or friends. The contact would be "legal" provided that: 1. it is not pre-arranged by the representative or a member of the athletic department, 2. it is not made for the purpose of recruitment, and, 3. it is in the course of "normal civility."

Bowling Green intercollegiate Athletics urges all athletic representatives to comply with all NCAA regulations. If questions arise, please call the Bowling Green State University Athletic Department at (419) 372-2401.

Doyt L. Perry Field, with its 30,000-plus seating capacity, is celebrating its 22nd year as the home of Bowling Green State University football.

Built in 1966 for approximately $3 million as a replacement for the 43-year-old University Stadium, Perry Field had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Field holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Field for the annual BG-Toledo game, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out arch-rival Toledo at Perry Field in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,000, and average of 22,400.

Perry Field is more than just a football facility. The east side of the stadium includes dressing rooms, equipment and training rooms, along with the Athletic Department offices. The west side just received a face-lift. This year, a new physical fitness center/weight room opened its doors for all 19 intercollegiate athletic teams to use.

Also situated on the west side of Perry Field are the Falcon Club offices and clubhouse, the academic affairs office, the track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its ninth year of operation, the Stadium Club's 104 theater-type seats, which are all sold, provide loyal BGSU fans with one of the finest places to view a game in all of the midwest. The President's Box, located on top of the east side of the stadium, provides luxury seating for President Paul J. Ols camping and other supporters of Falcon football.

Bowling Green won the first game ever played in Perry Field, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won more than 65 percent of their home games, compiling a 70-37-2 record in the 109 games played at Perry Field.

Bowling Green posted a 3-2 record at Perry Field last season. Over the last five seasons, Bowling Green is 25-5 in the friendly confines of Perry Field.

A multi-purpose facility, Perry Field has also hosted concerts, NFL exhibition games, and major soccer tournaments.
Perry Field is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, according to James Van Valkenburg, director of statistics for the NCAA, only two on the Division I-A list are above that figure — Knute Rockne at .881 (Notre Dame) and Frank Leahy at .864 (Boston College and Notre Dame).

Perry, 78, is as popular as ever in Bowling Green. An avid golfer, he spends his winters with wife Loretta in Florida. Each summer, he entertains his friends and former players at a golf outing. Former players and coaches return for the “Falcons’ Nest of Coaches” meeting.

Known for his well-organized practices and attention-to-detail meetings, Perry never stopped thinking of ways to succeed. He was a winner in football and as a high school basketball coach. His seasons and his high school track teams won 70 county titles in nine years.

To make it on our team, you have to hit the books just as hard.

Our team is the GTE Academic All-America® Team as selected by the College Sports Information Directors of America (CoSIDA). And our recruiting standards are the toughest around.

Like any other team, we want to know how many passes you’ve completed. Or, the number of quarterbacks you’ve sacked. But we also want to know what your cumulative grade point average is. And it better be at least a 3.20.

Getting drafted by the GTE Academic All-America Team isn’t easy. That’s what makes it such an honor for those who do.
Another Promising Autumn Ahead
For Five Falcon Sports Teams

by JOHN FARINA
Assistant Sports Information Director

Those associated with Bowling Green athletics are well aware of the long and storied tradition of excellence that surrounds the program. The 1988-89 school year appears to be no exception as the Falcon squads gear up for another promising season of success. With key personnel returning in each sport, plenty of excitement looms on the horizon this fall...

SOCCER

Head Soccer Coach Gary Palmisano will have a veteran-dominated lineup in 1988 as the Falcon booters look to improve upon the 12-5 won-loss ledger of a year ago. Palmisano will have 17 lettermen, including eight seniors, back from that club that fashioned wins over teams such as Penn State and Cleveland State.

Defense and goaltending will be the strength of this year’s team, and two players to keep an eye on will be senior back Jon Felton and junior goalie Mickey Loescher. Felton, an All-American selection in 1987, will anchor a dependable backline that promises to limit opponents to few good scoring chances. Loescher will provide stability in the nets after posting a won-loss record of 10-4 last season along with a fine goals—against average of 0.94.

Offensively, the Falcons will be led by senior toward Mike Anticoli and sophomore forward Kyle Royer, both of whom ended up tied for first place on the team’s scoring list in 1987.

VOLLEYBALL

Head Volleyball Coach Denise Van De Walle and her 1988 edition of the BGSU spikers will eye their first Mid-American Conference crown after posting a second-place finish last year. BGSU will have a dependable group of seven lettermen back from last season’s club that manufactured an overall record of 24-6, the highest winning percentage in Falcon volleyball history. Among the seven monogram winners are five starters, including junior setter Linda Popovich. Popovich, a GTE/CoSIDA Academic All-American last year, was an All-MAC second-team choice in 1987.

Hoping to be on the receiving end of Popovich’s sets will be senior co-captains Kelley Ellett and Jane Plantz. Ellett will be a key performer in the middle after finishing second on the team in kills and fourth in attack percentage in 1987. Plantz, has shown steady improvement on the left side.

WOMEN’S GOLF

The 1987 season was an interesting campaign for Head Coach Greg Nye and his squad as the Falcons posted some impressive finishes. BGSU chalked up a solid fourth-place showing at the competitive Michigan State Invitational, and then captured its own Invitational later on in the season.

As for 1988, Nye will have to do some rebuilding as just three lettermen from last year’s club return. It will be a young team with three juniors, one sophomore, and five freshmen on the pre-season.

Key performers include juniors Gloria Holmes and Rena Friedline and sophomore Heidi Wright.

“We are looking forward to the challenges of a new season,” Nye says. “With road trips to places like Iowa State, Ohio State, and Purdue, our team will face some stiff tests,” Nye says. “Plus we are looking forward to our home match against Ferris State on September 11.”

CROSS COUNTRY

Sid Sink is always one of the busier Falcon coaches in the fall as he guides both the men’s and women’s cross country teams. In 1988, Sink is definitely eyeing major improvements in both squads in the Mid-American Conference standings.

On the women’s squad, the Falcon mentor believes his team has the ability to surpass last year’s third-place showing in the MAC Meet if the group stays healthy and shows continual improvement. A leader on this year’s team will be junior Mary Louise Zurbach, an All-MAC harrier last season. Other runners that Sink points to include co-captains Sharon Hogrefe and Missy Ellers.

The men’s team finished in seventh place in the conference last season, and Sink is definitely eyeing major improvements in his charges. Junior captain Mike McKenna, slowed by injuries in 1987, could give the team a boost if he returns to full strength. Senior John Hickman turned in a number of outstanding performances last season. A fine contingent of sophomores, headed by Dan Fulmer and Jon Monheim, along with a transfer from Walsh College, Brian Donnelly, will provide the Falcons with depth.
