**A Message From The President**

Welcome to Homecoming 1988! Each year it is always a special pleasure to welcome you back to your Alma Mater. We take pride in hearing of your accomplishments, and we look forward to sharing ours with you. As I visit with returning alumni, I am reminded that you care deeply about this University and about its future health and vitality. This care and concern has been demonstrated to me in many ways and in particular during my visits to alumni chapters across the country over the past two years. I am encouraged by your dedication and support.

That support is necessary for our continued success, and we are deeply appreciative of it. And in turn, we hope your pride in Bowling Green grows as you sense our continuing search for and commitment to excellence.

As you enjoy the Homecoming weekend, I hope you have time to reminisce with your friends and fellow classmates, and to visit with faculty. Their contribution to the quality of life at Bowling Green State University is reflected in your achievement and is the base for the Bowling Green academic experience.

Enjoy your weekend with us. We are delighted to have you here for the festivities and we invite you to return often.

Falcons Host Ohio University in 1988 Homecoming Game

You couldn’t blame the Bowling Green Falcons if they were just a little road-weary after spending the last three weeks at Texas Christian, Toledo and Western Michigan.

Coach Moe Ankney’s Falcons (0-5 overall) will try to rebound from an 0-3 start in the Mid-American Conference, when they host the Ohio University Bobcats in a 1:30 p.m. game at Doyt L. Perry Field, today. This is Homecoming Week at BGSU, and today’s gridiron battle will be the University’s 66th annual Homecoming football game.

Last week, the Falcons were 37-10 victims in a Homecoming contest at Western Michigan. The unbeaten WMU Broncos passed for a school-record 386 yards against the Falcons.

Ohio University (1-3, 1-0 MAC) enters Saturday’s game after scoring a 24-14 victory over Toledo last week in Athens, OH. That win broke a 12-game losing streak and an 18-game MAC losing streak for OU, one of five MAC teams without a league loss right now.

BOWLING GREEN OFFENSE: The Falcons topped the 300-yard mark in total offense for the second straight game, but were still limited to just one touchdown and one field goal at Western Michigan. BG’s scores came on a two-yard TD run by MIKE McGEE in the third quarter and on a 36-yard field goal by JASON ZELLER in the fourth quarter. BG rolled up 313 net yards in the game, all but 22 of those yards through the air. WMU registered nine sacks of BG quarterbacks for 88 yards in losses. McGee, BG’s leading rusher this season with 186 yards on 59 carries, paced the Falcons with 33 yards on 13 carries at WMU. QB RICH DACKIN was (Continued on page 19)

Now in his third year as head football coach at Bowling Green State University, Howard M. (Moe) Ankney believes in Falcon football, its past, present and future.

"Bowling Green football is strong, and Bowling Green football is respected across the country," Ankney says. "When our players put on the Bowling Green uniform, they are eager to go out and uphold that winning tradition."

Hanging on his Doyt L. Perry Field office wall is a framed list of five objectives. Meet these goals, Ankney tells his players, and Bowling Green will maintain its reputation as the winningest Mid-American Conference football program of the 1980s.

— BOWLING GREEN FOOTBALL GOALS —
1. Each player earn a college degree.
2. Continue the winning tradition
3. Beat Toledo
4. Win the California Bowl
5. Each player become the best that he can be as a student, as an athlete and as a person.

Appointed as the University's 13th head football coach on December 30, 1985, Ankney has coached the Falcons to two successive second-place finishes in the Mid-American Conference. His teams have compiled a 10-6 record in MAC play the last two seasons. Each year, the Falcons have finished just one game shy of first place and a trip to the California Bowl.

Ankney has a 10-12 record overall at BGSU, a record that reflects the challenging non-conference schedule Bowling Green has played the last two seasons. In 1986, the Falcons visited Minnesota and Washington. In 1987, BGSU visited Penn State and Arizona. The 1988 season promises to be equally difficult for Ankney and his staff.

Besides eight games in the competitive MAC, the Falcons visit West Virginia, a 1987 Sun Bowl participant, and Texas Christian, out of the Southwest Conference. BG will host Youngstown State.

Ankney, a 1964 BGSU graduate, returned to his alma mater after serving six seasons as the assistant head coach, defensive coordinator and secondary coach at the University of Arizona of the Pacific-10 Conference. In leaving Arizona, he left a long-time coaching associate and friend, Arizona Head Coach Larry Smith. Like Ankney, Smith is a Bowling Green graduate, and the two coached together for 10 seasons.

Prior to joining the Arizona staff in 1980, Ankney was Smith's defensive coordinator and secondary coach at Tulane for four seasons between 1976-79. And before that, he was the secondary coach at Ball State from 1971-75 under the late Dave McClain.

In all, he has spent 16 seasons coaching football at the collegiate level. At each stop, Ankney was instrumental in helping to rebuild struggling programs. While at Ball State, the Cardinals improved their record from 4-5-1 in 1971 to 9-2 in 1975. At Tulane, Ankney helped the Green Wave from a 2-9 record in 1976 to a 9-2 mark and a berth in the Liberty Bowl in 1979. The Arizona Wildcats were 5-6 in 1980 and improved their record to 8-3-1 in 1985, including a 13-13 tie with Georgia in the Sun Bowl. His Arizona defensive units finished among the nation's statistical leaders from 1982-85.

Among his former players now in the National Football League are Denver Broncos' linebacker Ricky Hunley and Cleveland Browns' defensive back Al Gross. More than 20 of his former players have gone on to careers in professional football.

Ankney entered the coaching profession at the high school level. He was an assistant football and wrestling coach at Eaton High School for the 1964-65 seasons and then became head coach at Dayton Northridge in 1966. He moved on to Dayton Wayne High School as head coach in football and tennis in 1967 and stayed until 1971 when he joined the Ball State staff. His five-year head coaching record in the high school ranks stands at 24-21-5.

While coaching in the Dayton area, Ankney earned his master's degree from Miami University in 1969.

Ankney, 46, a native Ohioan, grew up in Xenia before moving to Kettering as a high school senior. A 1960 Fairmont High School graduate, he was an all-state quarterback and a participant in the Ohio All-Star game.

While a student at BGSU, Ankney played on two MAC Championship teams as a reserve quarterback and lettered twice under legendary Coach Doyt Perry. The Falcons went 23-5-1 from 1961-63.

While an undergraduate, Ankney earned election to Omicron Delta Kappa, a leadership honorary, Phi Alpha Theta, a history honorary, and Kappa Delta Pi, an education honorary.

Reared in a football family, his uncle Pete was his head coach at Fairmont High School. Pete Ankney was also a head coach at Canton McKinley High School and at the University of Dayton. Moe's father, Ben, coached at Miami University and at Xenia High School.

Moe and his wife, Carlalee, are the parents of three children: Angela, 25, Andy, 23 and Molly, 20. Howard Milton Ankney was born June 23, 1942.

ASSISTANT COACHES

1988 BGSU FOOTBALL COACHES — Seated (l-r): Bob Wolfe (defensive coordinator, inside linebackers), Moe Ankney (head coach), Reggie Oliver (offensive backfield). Standing: Mark Miller (offensive coordinator, quarterbacks, receivers), Mike Mangili (defensive backs), Terry Malone (offensive tackles and tight ends), Andy Garver (defensive line), Bob Reublin (assistant head coach, offensive line), Kurt Humes (outside linebackers).

ANDY GARVER
Andy Garver, 30, is in his third year as a defensive line coach at Bowling Green. He serves as recruiting coordinator, while supervising the special teams. He recruits Northwest Ohio and the west coast of Florida, and the Chicago area junior colleges. Garver, a 1980 graduate of Tulane University, has previously coached at Jesuit High School in New Orleans, LA, Tulane University, the University of Arizona, and the University of Notre Dame. Andy and his wife, Terri, are the parents of Allison, 3, and Kevin, 1.

TERRY MALONE
Terry Malone, 28, is responsible for the tight ends and tackles on the offensive line. Now in his third year under Head Coach Moe Ankney, Malone is in charge of scouting and breaking down game films. He also serves as Bowling Green's strength coach and recruits the Detroit suburbs and the Cincinnati area. Malone, a 1983 graduate of Holy Cross College, formerly coached at the University of Arizona and Holy Cross. Terry and his new wife, Ann, reside in Bowling Green.

KURT HUMES
Kurt Humes, 33, is in his second year as a member of the Bowling Green coaching staff. Humes recruits the Dayton area and Indiana, while supervising the team's fields, equipment, supplies and facilities. Humes, a 1976 graduate of Ball State University, is a former graduate assistant coach at Bowling Green in 1976. He has also coached at Ball State, Miami University and the University of Wisconsin. Kurt and his wife, Pam, a 1977 BGSU graduate, are the parents of Tanner, 9, Jessica, 6, and Rachel, 4.

MIKE MANGILI
Mike Mangili, 34, is in his third year as an assistant coach at Bowling Green. For the last two seasons, he has coached the defensive backs. He was in charge of the outside linebackers in 1986. Mangili is in charge of player relations under Head Coach Moe Ankney and recruits the Columbus area. A 1978 graduate of California State-Sacramento, he formerly coached at Amos Alonzo Stagg High School in Stockton, CA, and at the University of Arizona. Mike and his wife, Lauren, are expecting their first child this fall.

MARK MILLER
Now in his sixth season as an assistant coach at Bowling Green, Mark Miller, 31, serves as offensive coordinator, while also coaching quarterbacks and receivers. He recruits the Akron-Canton area and serves as the team's academic supervisor in cooperation with Dr. Pat Cleveland, director of academic affairs for the BGSU athletic department. Mark, a 1978 BGSU graduate, and his wife, Barb, a former BGSU cheerleader, are the parents of Zachary, 7, Adam, 4, and Infant son Kyle.

REGGIE OLIVER
Reggie Oliver, 36, is in his fifth season as the offensive backfield coach at Bowling Green. He also supervises relations with professional scouts and recruits the Michigan cities of Detroit and Flint. A 1975 graduate of Marshall University, Oliver formerly coached at Huntington High School in West Virginia and at Marshall University. He played professional football with the Jacksonville Sharks of the World Football League in 1974, before earning a tryout with the Dallas Cowboys.

BOB REUBLIN
Bob Reublin, 49, is in his third season as Bowling Green's assistant head coach and offensive line coach. Reublin handles numerous administrative duties and takes the place of Coach Moe Ankney when Ankney is involved elsewhere. Reublin recruits north central Ohio and Cleveland. A 1961 BGSU graduate, he served as a graduate assistant coach at BGSU for one year. He later coached at Sandusky High School, Miami University, and the University of Colorado. Bob and his wife, Mary Lou, are the parents of Susie, 26, twins Nancy and Patsy, 25, and Cathy, 23.

BOB WOLFE
Bob Wolfe, 41, is in his third season as inside linebackers coach and his second season as defensive coordinator at BGSU. A 1969 graduate of the University, Wolfe recruits Northeast Ohio, including Cleveland's east side, and the cities of Youngstown and Warren. He also coordinates the team's "Incentive, Motivation and Pride" program. Wolfe has coached at Ball State, Washington & Jefferson, Youngstown State and Allegheny College. Bob and his wife, Karen, a 1970 BGSU graduate, are the parents of Eric, 18, Kevin 13, and Christine, 9.

GRADUATE & STUDENT ASSISTANTS

ANDY DENGLER

Andy Dengler begins his first year as a graduate assistant football coach at Bowling Green State University. Dengler, who celebrated his 25th birthday on September 10, comes to BGSU after three years of coaching at the high school level. He was an assistant coach at Circleville High School in Circleville, OH, for the past two years. Before that, he was an assistant coach for one year at Hopewell-Loudon High School near Tiffin, OH. Dengler, a native of Circleville, is a graduate of Heidelberg College in Tiffin, OH. While at Heidelberg, he lettered two years as an offensive and defensive lineman on the football team. Before that, he lettered as an offensive and defensive lineman at Circleville High School. Andy has a wife, April.

STEVE FEYRER

Steve Feyrer is in his second year as a graduate assistant coach at Bowling Green State University. Feyrer, who turned 24 on August 25, coached high school track in Milwaukee, WI, and Wauwatosa, WI, for two years before coming to BGSU. He is a 1986 graduate of Ripon College in Ripon, WI, and holds a bachelor's degree in physical education. He was a four-time letterman in football and a three-year letterman in track at Ripon. He earned All-America honors as a wide receiver and was named all-conference three times. Feyrer owns Ripon's single game receiving record and is the school's all-time leading receiver. Feyrer earned all-conference honors in track and set school records in the long jump, the 400, 800 and 1600 meters, and the sprint medley relay.

TODD FITCH

Todd Fitch is in his first year as a graduate assistant football coach at Bowling Green State University. Fitch, 24, has served as an assistant football coach at Ohio Wesleyan University, his alma mater, the last two years. He also worked as an Ohio State University football camp counselor for two summers. Fitch was an All-North Coast Athletic Conference defensive back while attending Ohio Wesleyan in Delaware, OH. He lettered three times in football. He later earned his bachelor's degree in journalism from OWU. Before that, he was a three-sport letterman (football, basketball and track) at Bellaire High School in Bellaire, OH. Todd is single.

GREG STUDRAWA

Greg Studrawa makes the transition from player to coach this year at Bowling Green State University. A two-year letterman on the offensive line for the Falcons in 1986 and 1987, Studrawa will serve as a student-assistant under Coach Moe Ankney in 1988. Studrawa, who turns 24 on November 3, was a walk-on to the Falcon football team out of Fostoria St. Wendelin High School. He gained a starting role on the offensive line in his junior and senior seasons. He was also a member of the 1985 MAC Championship team that went to the California Bowl. Studrawa was a football and basketball letterman at St. Wendelin High School and played on the 1983 football team that finished as the Ohio Class A runner-up. He is the son of Dennis and Irene Studrawa. His father has coached football for more than 20 years.

Scientist Studies How Chemicals Affect Our Health

by TERI SHARP
BGSU Office of Public Relations

Little is known about how hundreds of common drugs, like aspirin, actually work. Neither is it clear how environmental agents such as sunlight, smoke and food additives affect human health.

But strides are being made to identify the specific chemical reactions by chemists like Dr. W. Robert Midden of Bowling Green State University's Center for Photochemical Sciences.

As Midden explains, when environmental agents encounter a living cell, many chemical reactions occur. Some are damaging; others are insignificant, and still others can be beneficial.

"It's hard to determine what chemical reactions are responsible for the harmful effects observed. But information about that chemical mechanism can be quite valuable in optimizing treatment, estimating environmental risks and designing methods to prevent unwanted reactions," the assistant professor of photochemical sciences said.

Midden conducted research at Johns Hopkins University for eight years before coming to the Center for Photochemical Sciences, the only center of its kind in the nation, in 1987.

One area under Midden's study is cellular reactions of an especially reactive form of molecular oxygen called singlet oxygen. Singlet oxygen lasts for only microseconds — which makes it particularly challenging to study — but it may play an important role in causing cancer and arthritis.

Midden has developed a method to determine the biological effects and the chemical reactivity of singlet oxygen. Now research has begun to see if it can be determined which reactions account for the ability of singlet oxygen to kill cells or cause pathological effects.

Another area of Midden's research concerns the chemical reactions responsible for the carcinogenic (cancer-causing) and skin aging effects of sunlight. He is particularly interested in psoralens, a class of drugs in use as early as 2000 BC in Egypt to treat skin diseases.

"These drugs are potent tanning agents, but they also react photochemically with DNA, and so can be carcinogenic," Midden said.

DNA is a basic material found in the chromosomes of the nucleus of a cell that contains the genetic code and controls hereditary patterns.

Although psoralens are beneficial in the treatment of such diseases as psoriasis, their potential for causing cancer limits their use.

"We want to find which reaction is responsible for the drugs' therapeutic benefits and which are carcinogenic. If we can, we might be able to design a way to modify the drugs to improve their safety — and perhaps find a safe way to tan. A tan protects the skin from the aging damage of the sun. It's a long shot, but one worth pursuing," Midden says.

The photochemist is also continuing a joint project with Johns Hopkins researchers to learn more about the reactions responsible for the carcinogenic effects of sunlight.

In this work, the scientists are examining how differences in chemical composition and reaction times affect the outcome of exposure to sunlight.

The research involves comparisons among laboratory hamsters exposed to simulated sunlight, East Coast shoremen, who work outdoors and wear sensory equipment that measures their exposure to sunlight for the study, and human skin exposed to simulated sunlight in a laboratory.

"We chose sunlight because it's possible to have this range of study. We should be able to gain more insight into the chemical mechanism to determine how sunlight causes cancer," Midden explained.

Results of such studies, Midden believes, will help improve the ability of scientists to accurately predict human risk from environmental exposure.

"The important thing is to try to find rational ways to solve problems. The knowledge gained by this research will improve our ability to discover ways to minimize the harmful effects and maximize the beneficial effects of environmental agents," according to Midden.

0.0% explained. Buy an oil change, a set of tires or repairs with the Marathon credit card. Take up to six months to pay with
no finance charge—you pay the same as the cash price.

Suppose you bought a set of tires costing $300.00 in March and charged them on your credit card. Your account is billed the first
day of each month and you pay $50.00 by the 15th of each month in six equal installments. The difference between the Marathon
credit card and another credit card which has an annual percentage rate (APR) of 18% and a monthly finance charge of 1.5%

Alumni Service Award Goes To The Arnolds

Two long-time supporters of Bowling Green State University and the Alumni Association, who reside in Toledo and are attending their 51st consecutive Homecoming today, will receive the Alumni Service Award during a halftime ceremony.

Charles and Marcia Jane (Parent) Arnold, both members of the Class of 1942, become only the second couple in history to receive the honor during this, the 26th presentation of the Alumni Service Award.

During their undergraduate years (1938-42), both were active on campus — he in Five Brothers Fraternity and she in Seven Sisters Sorority. Both were members of Y.M.C.A. and Y.W.C.A., respectively.

As alumni, the Arnolds have always been there when needed. Chuck served on the Alumni Board, and, along with Jane, worked on many program committees for the BGSU Alumni Chapter of Greater Toledo. Together they have supported and worked on several fund-raising campaigns for the University. Among the numerous committees on which they have served are the Alumni Association’s Awards Committee and the Master Teacher Award selection committee.

"Their loyalty and support are magnificent," comments Larry Weiss, Associate Vice President and Director of Alumni Affairs. "If ever two people personified all the positive aspects of volunteerism, the Arnolds are those people. We are greatly appreciative of their continuing interest and support."

Reunions, Receptions Highlight 1988 Homecoming

Bowling Green State University and the Athletic Department take special pride in welcoming all alumni who have returned to campus for one of the eight reunions sponsored by the Alumni Association.

Reunion luncheon programs were held this morning for the following groups: graduates of the 1920s-1930s, featuring the Golden Anniversary Class of 1938; graduates of the 1940s; Class of 1958; Silver Anniversary Class of 1963; Class of 1968; Class of 1978; Class of 1983; and the Cheerleaders Reunion including former Freddie and Frieda Falcons.

Following the game, alumni are invited to attend one of these five receptions: Alumni Band in the Forum of the Student Services Building; College of Arts & Sciences graduates in Room 205 of the Administration Building; College of Education & Allied Professions graduates on the 2nd floor of the Education Building; College of Technology graduates in the Technology Building; and all other alumni at the Alumni Center.

Again, welcome back to campus and do come and see us often!

13-of-20 passing for 159 yards, before leaving the game in the third quarter with a wrist injury that is expected to sideline BG's third all-time leading passer for the remainder of the season. ERIC SMITH stepped in and responded with 132 yards passing. FL RON HEARD caught five passes for 92 yards, including one in the third quarter for 51 yards. SE REGGIE THORNTON and TE KYLE HOCKMAN combined for six catches for 77 yards.

BOWLING GREEN DEFENSE: For the first time this season, the Falcons gave up more passing yards than they produced. WMU quarterback Tony Kimber passed for 370 yards and touchdowns of 78, 38, 52 and 21 yards, while rushing for another score. LB CHARLES DOTSON paced BG with 11 tackles, while satellites MICHAEL JACKSON and TERRY WILSON added eight and seven stops, respectively. Big defensive plays were turned in by Jackson, who returned his first career interception 13 yards, and by TONY MCCORVEY, who picked off his second pass of the season. Tackle DAVID KINZIE was BG's defensive player of the week with six tackles vs. WMU.

OHIO DEFENSE: The Bobcats got a pair of 100-yard rushing efforts in beating Toledo 24-14, last week. The win not only snapped a 12-game OU losing streak, but it also vaulted the Bobcats into the thick of the MAC title chase at 1-0. TB Andrew Greer, a junior college transfer from Fullerton, CA, rushed for 103 yards and two TDs on 13 carries, while QB Anthony Thornton gathered 116 yards rushing and 72 yards passing against the Rockets. For the season, Greer and Thornton have combined for 345 yards rushing and 16 TDs. As a team, the Bobcats have averaged 187 yards rushing and 114 yards passing in their first four games.

FB SHAWN DANIELS was a busy man at Western Michigan. He played both fullback and tailback and carried the ball five times for 11 yards. In addition, he caught a team-leading eight passes for 69 yards, including one for 16 yards.

SMITH A STEADY REPLACEMENT: When QB ERIC SMITH stepped in for the injured Rich Dackin at quarterback last week, he did as he has done for the last three years, play a steady game. In a little more than one quarter, Smith completed 11-of-29 passes for 132 yards, raising the senior's career passing total to 1044 yards.

FALCON FOOTNOTES: Two Falcons who are used to lining up on offense, saw things from the defensive side of the ball last week. PAT JACKSON and RICHARD YOUNG started at outside linebacker and guard, respectively, after spending the first four weeks of the season at tight end and offensive tackle. BG pass-catchers REGGIE THORNTON and RON HEARD, both juniors, are within 200 yards of the top five in career receiving yards at BGSU. Thornton has 85 career receptions for 1242 yards. Heard has 72 catches for 1320 yards. The fifth-best receiving total is held by Mark Dowdle, who accumulated 1422 yards from 1981-84. . .Punter CRIS SHALE continues to lead the MAC with a 43.3-yard average. However, five of his punts have been blocked this season.

VARSITY BG CLUB SAYS
GO FALCONS!

ABOUT THE VARSITY BG CLUB
The Varsity BG Club is an exclusive organization open only to former Bowling Green State University varsity letterwinners, who, for a non-tax deductible contribution of $10 per year can help operate the club and support BGSU athletics at the same time. Almost 500 former Falcon letterwinners were Varsity BG Club members last year. Again this year, the Varsity BG Club is offering a lifetime membership for $100; no other dues will ever be required. Lifetime memberships for those 65 and older are only $50.

The Varsity BG Club undertakes three major projects each year, the first of which is the spring Recognition Reception honoring the College Coach of the Year, the High School Coach of the Year, and the Special Recognition Award Winner. Then in July we will enjoy another Doyt Perry Golf Outing at the BGSU Forrest Creason Golf Course. More information will be forthcoming. Each fall, the annual Varsity BG Day festivities take place in conjunction with a Bowling Green football game. It's a great day to return to campus and visit with former classmates and teammates.

We're looking forward to another big year for the Varsity BG Club and Falcon athletics, and all we need from you is your participation.

MEMBERSHIP BENEFITS
All active members of the Varsity BG Club will receive:
• Membership in an exclusive organization open only to BGSU varsity letterwinners.
• A list of special activities and programs, such as the ones described above.
• Subscription to the quarterly newsletter.
• Personal satisfaction in contributing to BGSU athletics through your continued involvement.

FALCONS’ NEST OF COACHES

Moe Ankney
Bill Mallory
Don Nehlen
Larry Smith
Denny Stolz

Their names are familiar. Together, they dot the nation as football coaches at all levels of the game—high school, college, and professional football.

They belong to the Falcons’ Nest of Coaches, an organization created in 1984 to promote the proud tradition of Bowling Green Falcon football. Through the development of student and graduate-assistant programs at Bowling Green, most of these coaches got their start at this Mid-American Conference institution. They’ve studied and matured under the coaching philosophies of Warren Steller, Doyt Perry, Bob Gibson, Don Nehlen, Denny Stolz and Moe Ankney, to name a few. Today, they are making a name for themselves and for their respective football programs around the country. Though they may be miles apart, they share at least one thing in common. They are members of a fine football coaching fraternity at Bowling Green, the Falcons’ Nest of Coaches.

DOYT PERRY HALL OF FAME DINNER — OCT. 29, 1988

Call 372-2401 For Details

Doyt Perry to Be Inducted Into College Football Hall of Fame

The year 1988 will be fondly remembered by Doyt Perry, the former player, coach and administrator at Bowling Green State University.

Last January, he learned that he would be a 1988 inductee into the National Football Foundation’s College Football Hall of Fame. In May, he was in Toledo, OH, for his induction into the Mid-American Conference Hall of Fame.

This fall, when the Bowling Green Falcons host Miami in an October 29 football game at Doyt L. Perry Field, the man in whose honor the stadium was named will be there for a special on-campus presentation by the National Football Foundation.

Then, on December 6, Perry will be in New York for the Foundation’s Hall of Fame Dinner. Perry will be officially enshrined into the College Football Hall of Fame at Kings Island, OH, in the spring of 1989.

Perry’s association with BGU dates back almost 60 years when, as a student, he lettered nine times in three sports (football, basketball and baseball). The Croton, OH, native received his degree in 1932 and then began coaching on the high school level before becoming an assistant football coach at Ohio State University in 1951.

Perry retired to his alma mater as head football coach in 1955. Over the next 10 years, he led the Falcons to a 77-11-5 record for a winning percentage of .855, topped only by Knute Rockne and Frank Leahy. His teams won five MAC Championships and the national college division championship in 1959.

Perry, who retired from coaching in 1964 to become BGU’s athletic director for six years, developed such outstanding coaches as Jim Young of Army, Bill Mallory of Indiana, Don Nehlen of West Virginia, Larry Smith of Southern California, the late Dave McClain of Wisconsin and Bowling Green’s own Moe Ankney.

Ironically, Perry will enter the College Football Hall of Fame with another Bowling Green graduate, the late Jack Mollenkopf. Mollenkopf coached the Purdue Boilermakers to a record of 84-39-3 in 23 seasons.

The MAC consists of nine state-supported institutions in the Midwest. Located in the states of Ohio, Michigan and Indiana, the MAC schools have enrollments that range from 14,000 to 26,000.

Founded as a five-team conference in 1946, the MAC expanded to 10 schools in the early 1970s. With Northern Illinois' withdrawal in 1986, the nine current members are Ball State, Bowling Green, Central Michigan, Eastern Michigan, Kent State, Miami, Ohio, Toledo and Western Michigan.

A competitive league, balanced programs, a commitment to the NCAA Division 1 level, an excellent academic reputation and a tradition of athletic success are all appropriate descriptions of the MAC and the institutions which comprise it.

One of the nine Division 1-A conferences in the country along with the Big West, ACC, Big 8, Big 10, Southwest, Southeast, WAC and PAC 10, the MAC is as balanced and competitive as any other.

While playing competitive Division 1 schedules, MAC institutions have maintained their high ethical and academic standards. No MAC team has ever been put on NCAA probation for rules violations, nor has any MAC team ever been seriously investigated for rules infractions. A total of 53 MAC student-athletes have earned Academic All-American recognition in the last four years. Bowling Green has proudly contributed seven Academic All-Americans to the MAC's total in the last two years, alone.

In the 42-year history of the conference, many MAC teams and athletes have received national recognition. In football, Bowling Green was recognized as the national college division champion in 1959, and Ohio won similar honors in 1960. After the MAC joined the list of Division 1 institutions, Toledo compiled a 35-game winning streak from 1969-71, and Miami beat Florida, Georgia and South Carolina in the 1973-74-75 Tangerine Bowls. This year, the MAC enters its eighth year of an agreement that matches the MAC Champion against the champion of the Big West (formerly known as the PCAA) in the California Bowl.

The MAC currently sponsors 18 championships. In men's sports, the MAC has championships in football, cross country, basketball, swimming and diving, wrestling, baseball, tennis, golf and outdoor track and field. The nine MAC women's championships are volleyball, cross country, field hockey, basketball, swimming and diving, gymnastics, softball, tennis and outdoor track and field.

The Bowling Green State University Falcon Club has been a driving force behind one of the nation’s most successful athletic programs for the last 24 years.

Since its founding in 1964, the Falcon Club has helped Bowling Green athletes achieve success in both intercollegiate sports and academic endeavors.

Although the Falcon Club’s primary purpose is to provide financial support for the intercollegiate athletic program, members also enjoy a number of benefits and special programs. Among them are priority seating for football, basketball and hockey, pre- and post-game parties and luncheons, travel opportunities with Falcon teams, greens fees to be used at BGSU’s championship-caliber, 18-hole Forrest Creason Golf Course, and priority parking in Falcon Club lots.

This year, the Falcon Club has already held its annual “Meet The Team” cookout to usher in the 1988 football season, and visited Morgantown, WV.

The 1988-89 hockey season is fast approaching, with basketball season not far behind. Falcon Club members will be active throughout the winter, cheering on the Falcons and attending pre-game luncheons and post-game receptions.

Charles Nagle, assistant athletic director/development, feels the Falcon club has been growing in membership thanks to a very active and interesting calendar of events.

“Our annual membership drive got off to another great start last April with more than $155,000 raised in cash and pledges,” Nagle said. “We’re excited about our calendar of events for the 1988-89 year. We’ve already enjoyed the color and excitement of a football weekend at West Virginia. And of course, our Falcon Club tent was filled with activity before and after our football home-opener against Ball State.”

The Falcon Club today bears little resemblance to the fledgling group of BGSU backers 24 years ago. For one thing membership in 1964 amounted to 137 Falcon supporters. Today, the membership goal is 1,800.

During the late 1960s, the Falcon Club grew within the framework of the University’s Development Office, located at the time in the “Alumni House,” which today serves as the site of BGSU’s highly-acclaimed Popular Culture center.

Throughout its history, the Falcon Club has looked for ways to expand its scope. That expansion took on an entirely different meaning in 1983 when the Falcon Club of Toledo opened. A chapter in west central Ohio serving the Lima and Wapakoneta areas followed in 1984. Another chapter opened that same year in the greater Cleveland area.

“We continue to see growth and development in our regional chapters,” said Nagle. “The Falcon Club of Toledo went through its fifth year of existence, maintaining over 240 members and reaching an all-time high in cash contributions. The Falcon Club of Greater Cleveland and the Falcon Club of West Central Ohio completed their third year of existence, offering their members a number of special events like organized trips to BG games, luncheons and more.”

Bowling Green State University Athletic Director Jack Gregory believes, “The Falcon Club is an exceptional organization in 1988. It’s bigger and better than ever, and we feel its potential for growth is unlimited. We’re pleased with all the support we receive from the Falcon Club members.

“Our recent successes in athletics and in the Falcon Club make us all feel proud of what can be accomplished when we work together,” Gregory added. “Each year, we face the challenge of maintaining our proud position through the dedicated efforts of our student-athletes, our coaches and administrators. It’s good to know that we have the support of the Falcon Club members, whose support enables this program to each year set and reach our very ambitious goals.”

THE FALCON CLUB

THE FALCON CLUB NEEDS YOU!

To All Falcon Fans:

You are the key to success for our Falcon teams! The BGSU Athletic Department depends on the Falcon Club to raise more than $242,000 in 1988. This money will help fund athletic grants-in-aid, assist in the recruiting of prospective student-athletes, and provide funding for athletic facilities budgets.

Members of the Falcon Club are alumni, parents, friends and fans who provide financial support, volunteer hours and advisory expertise to the BGSU athletic program and share in the many benefits the Falcon Club has to offer.

The Falcon Club has ambitious goals for 1988 and is eager to involve YOU in our activities. The need to support our program is at an all time high. Your financial contribution and BGSU’s athletic program are a winning combination.

We are very proud that Bowling Green’s athletic program, both men and women, is recognized as one of the best in the country. All of our 19 teams are highly competitive and very representative. Falcon Club membership offers you the opportunity to support these teams. Falcon Club donations have greatly aided our program, and to continue that winning tradition throughout the 1988-89 campaign will require another supreme Falcon Club effort.

I look forward to having you join the Falcon Club in 1988!

Sincerely,

Charles F. Nagle
Assistant Athletic Director/Development

I am interested in learning more about the Falcon Club and its activities.

Ham it up more often.
Dinner Bell ham is the all day meat.

Ham is about the only meat that appears regularly on breakfast, lunch and dinner menus. And ham is a favorite for picnics and snacks, too. So it's a good idea to keep it on hand. Make it Dinner Bell ham. Less waste. Easy to slice. And you get a lot for your money, so you can afford to be generous. That's important, because once your family gets a taste of Dinner Bell's gentle smoked flavor, they'll ham it up more often.

Invest in SOMEbody special.

At Universal, we know you're SOMEbody! And the best investment SOMEbody like you can make is in good health, a good body. Like your body, your home represents a lifetime investment, one that says much about you, your family and your accomplishments. So invest in the best for your body and your home. Invest in Universal Home Fitness Equipment. It's an investment backed by people who know you're SOMEbody special.

Bowling Green State University offers a range of educational opportunities expected in a large university, yet retains the personalized small-school atmosphere of its early years.

When Bowling Green Normal School opened its doors in 1914, there were 15 faculty members and all 158 students were studying to be teachers. Today the University has nearly 720 full-time and 200 part-time faculty and 17,300 students on its main campus. Degree programs are offered through the College of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology, and the Graduate College. Within the undergraduate colleges are Schools of Art, Mass Communication, Nursing, and Health, Physical Education and Recreation.

The University offers more than 170 undergraduate degree programs, 75 master's degree programs and has 14 departments granting doctoral degrees in more than 44 specialty areas.

In addition to courses on the main campus, the University's Firelands College campus, located in Huron, Ohio, offers 17 two-year associate degree programs, as well as courses which fulfill the first two years of a bachelor's degree requirement. Firelands College enrolls about 1,200 students.

Fully accredited at the highest state, regional and national levels, the University has chapters of most national academic honor societies, including Phi Beta Kappa and Phi Kappa Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant Colleges.

The University's faculty members, 82 percent of whom hold the highest degree in their fields, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of academic programs which are regionally and nationally recognized, including the chemistry department which hosts an Ohio Eminent Scholar in Photochemical Sciences. The Ohio Eminent Scholar program was created by the Ohio Board of Regents to attract world class scholars to the state's universities.

Committed to teaching, faculty are scholars as well, generating new knowledge through independent research and involvement in University units such as the Population and Society Research Center, the Center for the Study of Popular Culture, and the Social Philosophy and Policy Center. Bowling Green is also the site of the National Drosophila Species Center and the Mid-America Stock Center—the largest scientific facilities of their kind in the world—where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University's students come from throughout the United States and nearly 60 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. During the spring term of the 1987-88 academic year, there were more than 2,700 "non-traditional" adult students enrolled in undergraduate and graduate degree programs on a full- or part-time basis.

The focal point of the 1,250-acre campus is the nine-story Jerome Library, with its collection of more than four million items, including 1.5 million volumes plus thousands of journals, periodicals, microforms, government documents and other materials. Special sections of the library include the Center for Archival Collections which houses materials relevant to northwest Ohio history and the Sound Recording Archives with 400,000 recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry's past and present.

The University is continually refurbishing its more than 100 existing buildings and upgrading facilities to meet current needs. An example is the recently completed $3.65 million addition to the Business Administration Building. Currently, Williams Hall, home to the history, sociology and political science departments, is undergoing major renovation as is Overman Hall, which houses chemistry, physics and astronomy and geology programs. Also, numerous computer facilities have been installed and upgraded throughout campus.
When Dr. Paul J. Olscamp became Bowling Green State University's eighth president in 1982, he charted a course that would move Bowling Green into the ranks of the country's most important educational resources. The effort, he said, would be an unrelenting commitment to excellence in teaching, research and service at the University. Indeed, he adopted the slogan "An Environment for Excellence" to describe his hopes for Bowling Green.

Since then, everything the energetic Olscamp has done at Bowling Green has been aimed at fulfilling that vision. Early in his administration, Olscamp and the faculty outlined the task to be done in a 27-goal document called the Role and Mission Statement. Most of the goals centered on improving the quality of undergraduate and graduate students, the academic programs, the learning environment and the faculty and its resources.

Now, as Olscamp begins his seventh year at Bowling Green, many of the Role and Mission Statement's original goals have been met. Most of the goals centered on improving the quality of undergraduate and graduate students, the academic programs, the learning environment and the faculty and its resources.

Now, as Olscamp begins his seventh year at Bowling Green, many of the Role and Mission Statement's original goals have been met. Last year, the University's eighth president, Dr. Olscamp, arrived on campus seven years ago. Some of the accomplishments include:

### Academic Programs
- Creation of Bowling Green's first endowment professorships, one in management and the other in finance.
- Appointment of an Ohio Eminent Scholar in Photochemical Sciences, the result of a $500,000 grant from the Ohio Board of Regents. The Eminent Scholar Program is designed to attract world class scholars to Ohio. Dr. Michael A. J. Rodgers, one of the country's foremost photochemical scientists, is Bowling Green's Eminent Scholar.
- Addition of doctoral programs in applied philosophy and photochemical sciences; the 41st and 14th Ph.D. offerings at Bowling Green.
- Increasing the number of National Merit Scholarship winners entering Bowling Green to 41 finalists and 23 semifinalists, the most ever in University history and more than doubling the goal set in 1987.
- Establishing the University's first major scholarships for minority students.
- A network of microcomputer labs throughout the campus, including labs in each residence hall, as part of an effort for all students to have a background in computer usage by the time they graduate.
- Increasing library holdings to more than four million books, journals, periodicals, microforms, government documents and other materials.

### Physical Plant
- Nearly $48 million in state capital improvement funds for renovation and new construction projects.
- Completion of $7.2 million Physical Sciences Laboratory Building in 1984.
- A $3.65 million addition to the Fine Arts Building scheduled to get under way in the next few years.
- A $5.1 million addition to the Fine Arts Building scheduled to get under way in the next few years.
- Major renovation and refurbishing of existing campus buildings including Williams, Overman, Hayes and Shatzel halls.

### University Finances
- Growth in the University endowment from $1 million in 1982 to more than $8 million in 1988.
- Creation of an internal endowment fund of $4 million from various University reserves. The balance is approaching $7 million and is expected to reach $10 million in four years. Interest on the $10 million principle will be used to supplement the academic budget.
- Developing a plan that restrucures debt obligations and is projected to result in a $35 million principal in 12 years. Interest on that amount, which could approach $3 million annually, will go toward the academic budget.
- Most successful fund raising drive in University history. With the assistance of the development and alumni office, the 75th Anniversary Fund raised more than $15 million in three years; well above the $12.5 million goal. Donations included the University's first two $1 million gifts—from the Stranahan Foundation of Toledo for the Social Philosophy and Policy Center and from Harold and Helen McMaster of Perrysburg for the McMaster Leadership Institute.

Bowling Green Is A 1980s Success Story

When, in the year 2000, historians look back upon 85 years of intercollegiate athletics at Bowling Green State University, they'll stop and take a second look at the 1980s. Bowling Green sports teams of the 80s have achieved a level of success matched by few.

In all, Bowling Green teams have won 21 conference titles the last eight years, 17 in the Mid-American Conference and four in the Central Collegiate Hockey Association. Sixteen teams have gone on to post-season play in the NCAA, NIT and California Bowl.

Bowling Green student-athletes distinguished themselves in numerous ways in 1987-88. MAC champions were crowned in women's basketball and softball. The Falcon hockey team added to the BGSU honor roll by capturing the CCHA Playoff title. The volleyball team set a school record for winning percentage in a season. In the end, Bowling Green laid claim to the Jacoby Trophy, awarded annually to the MAC school with the best overall record in women's sports. BG also produced four Academic All-Americans in football, volleyball, men's basketball, and hockey — an uncommon distinction for any MAC school in just one year.

Each of the 19 sports at Bowling Green has enjoyed success in the 1980s. Here is a brief look at the "Winning Tradition" of the Bowling Green Falcons...

BASEBALL — Coach Ed Platzer's Falcons are annual contenders for the MAC Championship. Playing at Steller Field, one of the finest college baseball facilities in the region, the Falcons are a MAC leader in producing future professional ballplayers. Roger McDowell helped pitch the New York Mets to the World Series Championship in 1986, while Orel Hershiser is a stand-out pitcher for the Los Angeles Dodgers.

MEN'S BASKETBALL — Coach Jim Larranaga has built a solid foundation that should produce a MAC championship contender in 1988-89. Two strong recruiting classes and an exciting up-tempo brand of basketball have made Anderson Arena once again "The House That Roars." BGSU is one of six MAC teams which have qualified for the MAC Tournament the last two years. Historically, BGSU leads the MAC in post-season appearances and victories.

WOMEN'S BASKETBALL — Coach Fran Voll has led the Falcons to a pair of MAC Championships and NCAA Tournament appearances the last two years, as well as an overall record of 51-8. Voll coaches some of the best players in the conference, like two-time MAC MVP Jackie Motycka. With Motycka and four other starters back in 1988-89, the Falcons will be an early favorite to repeat as MAC Champions.

FOOTBALL — Bowling Green is the MAC's winningest team of the 1980s with a first- or second-place finish the last six years. The Falcons have won two MAC titles and made two trips to the California Bowl since 1980. BG also holds the MAC single-game attendance record of 33,527 at Doyt Perry Field. Coach Moe Ankney has guided the Falcons to two-straight second-place finishes. Taking the next step to the top is the goal for 1988.

GOLF — Coach Greg Nye's men's and women's golf teams play on some of the most challenging courses in the country. The BG men travel to Florida and the Carolinas. BG has won four MAC Championships and made four NCAA Tournament appearances in the last 18 years. The Falcon women are one of this region's top teams. Last fall, the Falcon women won the BGSU Invitational and contended for the Ferris State Invitational title.

GYMNASTICS — Year in and year out, Coach Charles Simpson fields a MAC title contender. With three MAC titles since 1980, Simpson's Falcons share the league lead in conference championships. The Falcons have qualified as a team for post-season competition four of the last five years. Last winter, Kim Trost was an individual qualifier for the NCAA Regionals. This year, BGSU will host the MAC Championships.

HOCKEY — National Champions! The year was 1984. The site, Lake Placid, NY, where Coach Jerry York's Falcons won the University's first NCAA Division I championship. It was Bowling Green's finest hour. BGSU has won four CCHA regular season championships and one league play-off title. In all, the Falcons have won seven conference titles and appeared in seven NCAA...

Athletic Director Jack Gregory

Since his appointment seven years ago as athletic director, John C. (Jack) Gregory has set a standard of excellence designed to place Bowling Green State University on equal terms with today's elite intercollegiate athletic programs.

In his first six years at Bowling Green, Gregory has challenged his staff of administrators, coaches and classified workers to settle for nothing less than the very best. His challenge has resulted in some of the finest moments in the history of intercollegiate athletics at BGSU—moments such as:

- the 1984 NCAA Division I Ice Hockey Championship;
- 2 MAC regular season championships in football, men's and women's basketball, softball, women's cross country, gymnastics, and men's golf;
- 1 CCHA post-season tournament championship;
- 3 Central Collegiate Hockey Association regular season championships;
- 9 NCAA Tournament appearances in hockey, basketball, softball and gymnastics;
- and the 1987-88 Jacobsy Trophy, awarded annually to the MAC school with the best overall record in women's sports.

Gregory came to Bowling Green during one of the most difficult periods in the school's 72 years of intercollegiate athletics, a time when BGSU and the MAC were fighting for NCAA Division I-A status in football. Behind Gregory's leadership, the football program attained 1-A status, making the Falcons one of the front-runners in achieving that goal.

During his tenure here, BGSU has proven to be a marketing and promotions leader. Record crowds have attended Falcon football, hockey and women's basketball games. Crowds have swelled, too, in sports like soccer, volleyball, gymnastics and softball. In 1983, 33,527 fans packed Doyt L. Perry Field to witness the annual college football classic between Bowling Green and Toledo. BGSU and MAC single game attendance records fell that afternoon. Two years later, the Falcons drew a record 41,110 fans for the five home games, giving BGSU the second-largest average attendance (22,422) in MAC history. Last year, Bowling Green set still another MAC attendance record by playing in front of 84,574 fans at Penn State.

Sell-out crowds for BGSU hockey games are also a tradition, making game tickets the hottest item in town each winter.

With the growing interest in TV sports programming, Gregory has aggressively negotiated for live television coverage of BGSU sports events. Last year, Falcon football, basketball and hockey all attracted live TV coverage. The 1988-89 year promises more of the same. Falcon football and basketball will be seen around the country as part of the MAC Game of the Week on Master Video Productions, while Falcon hockey will continue to play in front of a national TV audience as part of the CCHA Game of the Week on Pro-Am Sports.

Gregory, 60, has also been instrumental in the record-breaking development of the Falcon Club, the University's official athletic department booster club. Recent membership drives have encompassed the Toledo, Cincinnati and west central Ohio areas, resulting in unparalleled growth in cash and pledges. The Falcon Club has more than doubled its income and grown to such an extent that it compares favorably with any athletic support organization in the country.

Still, Gregory understands the integrity of college athletics depends on the continued emphasis of the "student" in student-athlete. In that regard, he appointed a director for academic and regulatory affairs in 1984, the first such appointment in the MAC. Today's student-athlete is offered every opportunity for a fulfilling educational experience at BGSU. Many student-athletes have earned academic honors, such as the 122 BGSU scholar-athletes with grade point averages of 3.0 or better in 1987-88. In just the last two years, seven BGSU scholar-athletes have been named Academic All-Americans, an uncommon distinction among MAC schools.

A 1952 graduate of East Stroudsburg State College and holder of a master's degree from Temple University, Gregory came to Bowling Green from Yale, where he served for four years as associate athletic director.

Gregory began his professional career in 1952 as a teacher and coach at William Penn High School in New Castle, Delaware, and later at P.S. Dupont High School in Wilmington, Delaware. In 1959, he returned to East Stroudsburg as head football coach and assistant professor of physical education. One of the most successful coaches in the school's history, Gregory was inducted into the East Stroudsburg Athletic Hall of Fame in October, 1983.

An assistant football coach at the U.S. Naval Academy for two years, Gregory was named head football coach at Villanova University in 1967. In 1969, he moved to the University of Rhode Island, where he served as head football coach for seven years. In his 25 years on the high school level and at East Stroudsburg, Villanova and Rhode Island, Gregory's teams compiled a record of 432-69, including four undefeated seasons and seven league championships. He was twice selected as NAIA Coach of the Year, twice selected as Pennsylvania Coach of the Year and was named NCAA District Coach of the Year.

He was lured away from coaching in 1976 by the Green Bay Packers of the National Football League and served in the personnel department for three years before moving on to Yale.

Jack and his wife, Peg, reside in Bowling Green and are the parents of two sons.

Tournaments. BGSU has produced some of college hockey's greatest names, including nine players who currently hold positions on NHL rosters.

SOCCER — Coach Gary Palmisano's Falcons have posted a winning record in all but one year of the 1980s. Last fall, BGSU showed a fine 12-5 record that included wins over Penn State and Cleveland State. The Falcon booters also captured the 1987 BGSU Soccer Cup for the second-straight year. BG players have earned All-America honors seven times, the most recent being Jon Felton last year.

SOFTBALL — Former Coach Gail Davenport, the most recent being Jon Felton last year.

TRACK & FIELD — Bowling Green was again represented at the NCAA Track and Field Championships, thanks to All-American discus thrower Beth Manson. Meanwhile, Coach Lee Labadie guided the Falcon women to a second-place finish at the 1988 MAC Championship. Sid Sink and Tom Wright, co-head coaches of men's track, coached the Falcons to within seven points of fourth place at the MAC meet.

VOLLEYBALL — Coach Denise Van De Walle's Falcon volleyball team has entrenched itself as one of the top programs in the MAC. Last fall, Bowling Green carved out an overall record of 24-6, the highest winning percentage in school history, while posting a second-place finish in the MAC. Van De Walle, MAC Co-Coach of the Year, also guided her squad to a championship at the West Virginia Tournament.
Fitness Center/Weight Room Benefits All Falcon Athletes

BGSU STADIUM TRAINING ROOM

One of the most ambitious athletic department facelifts in recent years resulted in what is now open to all student-athletes at Bowling Green State University. It is a $300,000 Physical Fitness Center/Weight Room on the west side of Doyt L. Perry Field.

The 5,800 square foot fitness center is striking in appearance, functional and already instrumental in helping BGSU student-athletes become as strong and conditioned as they can possibly be.

The facility will eventually offer everything from free weights and Nautilus equipment to an open mat area for general fitness and agility exercises. Office space, restrooms and lockers are also available.

However, help is still needed to cover the cost of the facility. More free weights and Nautilus equipment will be purchased when there are additional funds available. Anyone interested in contributing to the new Fitness Center/Weight Room should contact Athletic Director Jack Gregory at (419) 372-2401.

Today's Halftime Show
1988 Falcon Marching Band

If it's Homecoming 1988 . . . . then that means it's the return of the Falcon "ALUMNI" Marching Band!!! Once again, we heartily welcome these stellar members of the band from days gone by. These marching "tigers" have once again migrated to Bowling Green to loosen up the joints, purse the lips, and make spirited music with colleagues and friends.

In that today is Homecoming and there have been many different activities taking place, the halftime presentation, likewise, is varied in format. Appropriately, the Band begins its performance with its version of the Broadway show tune, "It's A Most Unusual Day."

Following this selection, the Falcon Marching Band presents a "classic" . . . . Cartoon Classic, that is! The first four pitches of this next selection will bring instant recognition by the audience and create an image of those loveable space-age characters that we know as the "Jetsons."

In addition to the Alumni Band, we welcome "The Pommerettes" to today's performance. They join the band by dancing to an arrangement of Aerosmith's "The Dude Looks Like A Lady."

To close today's performance, the Falcon Marching Band would like to return to music from the Broadway stage. One of the most popular musicals ever written is currently breaking box-office records on Broadway. "Phantom of the Opera" is presently enjoying immense success and notoriety and the Falcon Marching Band would like to present the title theme and the love ballad "That's All I Ask of You."

Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.

Time will treat you kindly
Years from now you'll be

1988-89 BGSU CHEERLEADERS
NCAA Stands Firm On Athletic Representatives

Dictionary-makers agree on the definition of representative. However, of late, the word has been interpreted differently at many colleges and universities across the United States. To ensure that confusion does not reign, especially in the matter of recruiting prospective student-athletes, the National Collegiate Athletic Association has set hard-and-fast rules for: 1. Who athletic representatives are, and 2. What they can and cannot do.

As of August 1, 1987, the NCAA has banned athletic representatives (see box to left) from any involvement in the recruiting of prospective student-athletes. That involvement includes on- or off-campus contacts by 1. personal visit, 2. correspondence, or 3. telephone calls. Bluntly, the answer to all questions regarding the involvement of athletic representatives in the recruiting process is an unequivocal "NO."

The new legislation does not prohibit "unavoidable incidental" contacts with prospects, their parents or friends. The contact would be "legal" provided that: 1. it is not pre-arranged by the representative or a member of the athletic department, 2. it is not made for the purpose of recruitment, and, 3. it is in the course of "normal civility."

Bowling Green intercollegiate Athletics urges all athletic representatives to comply with all NCAA regulations. If questions arise, please call the Bowling Green State University Athletic Department at (419) 372-2401.

Doyt L. Perry Field, with its 30,000-plus seating capacity, is celebrating its 22nd year as the home of Bowling Green State University football.

Built in 1966 for approximately $3 million as a replacement for the 43-year-old University Stadium, Perry Field had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Field holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Field for the annual BG-Toledo game, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out arch-rival Toledo at Perry Field in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,000, and average of 22,400.

Perry Field is more than just a football facility. The east side of the stadium includes dressing rooms, equipment and training rooms, along with the Athletic Department offices. The west side just received a face-lift. This year, a new physical fitness center/weight room opened its doors for all 19 intercollegiate athletic teams to use.

Also situated on the west side of Perry Field are the Falcon Club offices and clubhouse, the academic affairs office, the track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its ninth year of operation, the Stadium Club’s 106 theater-type seats, which are all sold, provide loyal BGSU fans with one of the finest places to view a game in all of the midwest. The President’s Box, located on top of the east side of the stadium, provides luxury seating for President Paul J. Olscamp and other supporters of Falcon football.

Bowling Green won the first game ever played in Perry Field, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won more than 65 percent of their home games, compiling a 70-37-2 record in the 109 games played at Perry Field.

Bowling Green posted a 3-2 record at Perry Field last season. Over the last five seasons, Bowling Green is 25-5 in the friendly confines of Perry Field.

A multi-purpose facility, Perry Field has also hosted concerts, NFL exhibition games, and major soccer tournaments.

BGSU students are among the most vocal fans in the MAC.
Perry Field is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, according to James Van Valkenburg, director of statistics for the NCAA, only two on the Division 1-A list are above that figure — Knute Rockne at .881 (Notre Dame) and Frank Leahy at .864 (Boston College and Notre Dame).

Perry, 78, is as popular as ever in Bowling Green. An avid golfer, he spends his winters with wife Loretta in Florida. Each season, he entertains his friends and former players at a golf outing. Former players and coaches return for the "Falcons’ Nest of Coaches" meeting.

Known for his well-organized practices and attention-to-detail meetings, Perry never stopped thinking of ways to succeed. He was a winner in football and as a high school basketball coach. His basketball teams were 161-35 over nine seasons and his high school track teams won 70 county titles in nine years.

**Welcome to Doyt L. Perry Field**

They Put BGSU
In The Driver's Seat

The Bowling Green State University Athletic Department recognizes and appreciates the efforts of the car dealers from Bowling Green, Continental, Findlay, Fremont, Maumee, and Toledo pictured on this page. The generosity of these people and their support of Falcon athletics enables BGSU coaches to be on the road to recruit student-athletes, scout opponents, and represent the University.

To make it on our team, you have to hit the books just as hard.

Our team is the GTE Academic All-America® Team as selected by the College Sports Information Directors of America (CoSIDA). And our recruiting standards are the toughest around.

Like any other team, we want to know how many passes you’ve completed. Or, the number of quarterbacks you’ve sacked. But we also want to know what your cumulative grade point average is. And it better be at least a 3.20.

Getting drafted by the GTE Academic All-America Team isn’t easy. That’s what makes it such an honor for those who do.
Falcon Icers Eager To Start 10th Season Under Jerry York

by JOHN FARINA
Assistant Sports Information Director

After a strong second-half surge last season that enabled Bowling Green to capture the Central Collegiate Hockey Association Playoff Championship and a berth in the NCAA Tournament, tenth-year Head Coach Jerry York returns a solid nucleus of players in 1988-89, making for an exciting year at the BGSU Ice Arena. Along with 16 letterwinners, York hopes to maintain the winning edge that the team displayed over the second half of last season. After a slow start, the Falcons skated their way to a second-half mark of 22-5-1 and established themselves as college hockey's most potent offensive club.

While many key players from that club have completed their eligibility, York feels that the returning members have the desire and talent to make a serious run for a CCHA title.

“We have a solid group of returning players who should be able to step in and assert themselves,” says York. “While the departure of our top scorers of last season leaves us with a dent in our offensive production, we feel that the experience of the veterans along with the enthusiasm of our freshman class will make us a team to contend with.”

A quick check at the pre-season roster shows that five seniors, five juniors, seven sophomores, and nine freshmen comprise the lineup. More than 50 percent of both the goal and total-point producers from last season are back.

“I have a good feeling about this club,” says York. “While it may take some time for us to mesh offensively, our defense, led by American defenseman Scott Paluch, will be dependable, as will the goaltending where Paul Connell returns for his junior year.”

GOALTENDING: Paul Connell enters the 1988-89 season as the club’s No. 1 netminder after posting a won-loss record of 27-10-2 along with a goals-against average of 4.00. Connell, the MVP of last season’s CCHA Playoff Finals, was outstanding during the second half of last season and carved out a 21-5-1 record during that stretch along with a goals-against average of 3.43. The two-time letterwinner was tabbed by the Philadelphia Flyers in the supplemental stage of the 1988 National Hockey League Draft. Sophomore John Burke and sophomore Christian Albitz provide BGSU with depth.

DEFENSE: In 1987-88, the Falcons’ defense was tough to penetrate allowing just 28.2 shots per game, the second lowest mark in the CCHA. Despite the loss of Scott Paluch, BGSU will have a stable of rock-solid performers including senior co-captain Alan Leggett and junior Kevin Dahl, a Montreal Canadien selection in last summer’s NHL Draft. Senior Thad Rusiecki is a hard-nosed backliner who can be counted on for consistent performances, while sophomore Rob Blake, a Los Angeles Kings selection in the 1988 NHL Draft, emerged as one of the more talented youngsters among the defensemen.

While many key players from last season are back, the departure of our seniors, including All-CCHA left winger Christian Albitz and sophomore John Burke, will provide BGSU with depth.

FORWARDS: Looking to replace the firepower of last season’s senior class will be York’s primary concern. Fortunately, the club’s top scorer of 1987-88, junior center Nelson Emerson and senior co-captain Greg Parks, return to pace the BGSU offense. Emerson, a finalist for the Hobey Baker Award last year, pumped home a team-high 83 points on 34 goals and 49 assists en route All-CCHA honors. Parks, a fiesty playmaker who is a threat everytime he steps on the ice, chalked up a career-high 74 points on 30 goals and 44 assists. The ability of these two to shoulder much of the scoring burden during the early part of the season could be key for the Falcons. Sophomore center Braden Shavchook is a crafty centerman who York believes will become more involved in the offense this year.

At right wing, juniors Marc Potvin and Joe Quinn have shown consistent im-

prove at both ends of the rink and hope to boost their scoring totals. The rugged Potvin tallied a career-high 36 points on 15 goals and 21 assists last season, while Quinn, a skilled puck-handler, totaled 27 points on 14 goals and 13 assists.

Three vets shore up the left wing slot, senior Chad Arthur, along with sophomores Matt Ruchty and Pierrick Maia. Arthur, a tireless worker, registered 16 points last season and came through with some big goals. Ruchty, an intimidating forward, finished off an impressive rookie season with 21 points on six goals and 15 assists and was picked up by the New Jersey Devils in the NHL Draft. Maia is a fine skill player who adjusted well to the Falcons’ system last season and netted 18 points on six goals and 12 assists.

NEWCOMERS: An impressive group of first-year players that includes six forwards and three defensemen should make an important contribution to the program. On defense, Derek Hopko from the Notre Dame Academy in Saskatchewan headlines a contingent of players that includes Otis Plageman and Llew Newana, another Notre Dame product.

At center, Jim Solly and Martin Jiranek both possess fine skills and will look to find their niche among the forward corps. On the wings, Dan Bylsma has good size on the left side while right winger Peter Holmes has excellent goal-scoring ability. Ty Elgner and Matt Weir are other rookies who could find their way into the lineup as the season progresses.

The Falcons open their schedule with their first-ever trip to Alaska. Anchorage the weekend of Oct. 14-15. BGSU will make its home debut on Oct. 22 against Ohio State.
