FALCONS CONCLUDE SEASON AGAINST WESTERN MICHIGAN

BGSU COACH MOE ANKNEY: Moe Ankney (BGSU '64), the 13th head coach at Bowling Green, is in his fifth season heading the Falcon football program having compiled a record of 20-30-3 (.406). His teams have an 18-18-3 record in Mid-American Conference games, including three seasons of 5-3 marks. Under Ankney, the Falcons have tied for second in the MAC twice (1986 and 1987) while last season BG finished fifth. Ankney, in his first head coaching position, is in his 19th season of collegiate coaching having made stops at Arizona (1980-85), Tulane (1976-79) and Ball State (1971-75) as an assistant coach.

—BG—

WMU HEAD COACH AL MOLDE: Molde is in his fourth season at the Kalamazoo, Mich, school having compiled a 24-19 record. Molde led the Broncos to the MAC championship and California Raisin Bowl berth in 1988 with a 9-3 mark. In both his other seasons at WMU, Molde's teams have compiled 5-6 marks. Molde is in his 20th season as a head coach on the collegiate level having had previous stints at Eastern Illinois, Central Missouri State, Minnesota-Morris and Souix Falls College. His career record stands at 130-76-6.

—BG—

THE SERIES: In a series that has seen both teams meet every year since 1954, the Falcons hold a substantial 26-8-2 edge in the series. WMU won the first game in 1954 and then did not win again until 1966. BG has won six of the last eight games between the two teams with both WMU wins coming in the last three games, including a 34-27 Bronco win in 1987, the last time they played at Bowling Green. BG is 8-2 at home against WMU in the last 10 series meetings with the other WMU win coming by a 21-7 count in 1981. Overall, BG is 13-3-1 at home vs. the Broncos. BG holds a 13-4 series edge since the 1973 season. All four shutouts in the series have been posted by the Falcons with the last one coming in 1975. BG has won five of the six games in the series that have been decided by a field goal or less including the last four in a row. Last year’s 31-30 win is among those victories. BG holds a 10-4 advantage in games decided by a touchdown or less.

—BG—

BEST FINISH SINCE ’85 POSSIBLE: A BG win over Western Michigan today would not guarantee, but could be good enough to give the football team its best MAC finish since the 1985 championship season. A win would conclude BG’s league schedule with a 3-3-2 mark which, depending on what other teams do in the final two weekends, could be good enough for a third place finish. Since '85, BG has finished fourth, fourth, eighth and fifth, respectively. This week’s schedule appears (Continued on page 19)

MOE ANKNEY

Howard M. (Moe) Ankney, the fifth-year head football coach at Bowling Green State University, doesn't have to remind his players of what's important when they put on a Falcon uniform.

His players are reminded every day by a list of five objectives that hangs on the wall of Ankney's office at Doyt L. Perry Field. Meet these goals, and you succeed as a football player at BGSU. Meet these goals and Bowling Green maintains its reputation as one of the finest football programs in the Mid-American Conference.

The five goals for a BGSU football player:
1. Each player earn a college degree
2. Continue the winning tradition
3. Beat Toledo
4. Win the California Bowl
5. Each player become the best that he can be as a student, as an athlete and as a person.

With these goals in mind, Ankney will lead his Falcon football team into the new decade and the 72nd season of intercollegiate football at BGSU.

Appointed as the University's 13th head football coach on December 30, 1985, Ankney has coached the Falcons to second place finishes in the MAC twice. BG finished second in 1986 and second in 1987. After an uncharacteristic eighth-place finish in 1988, BG bounced back in 1989 with a 5-3 national champion Penn State and the Pac 10's Arizona. In 1988, national runner-up West Virginia and Texas Christian of the Southwest Conference were scheduled. Last year, eastern independent East Carolina and Independence Bowl-bound Tulsa were confronted.

The Falcons will be challenged again outside of the MAC in '90. BG opens at Cincinnati in Riverfront Stadium. A week later, BG visits independent powerhouse Virginia Tech.

Ankney, a 1964 BGSU graduate, returned to his alma mater after serving six seasons as the assistant head coach, defensive coordinator and secondary coach at the University of Arizona of the Pacific-10 Conference. He left a long-time coaching associate and friend, Arizona Head Coach Larry Smith. Like Ankney, Smith is a Bowling Green graduate, and the two coached together for 10 seasons.

Prior to joining the Arizona staff in 1980, Ankney was Smith’s defensive coordinator and secondary coach at Tulane for four seasons between 1976-79. Before that, he was the secondary coach at Ball State from 1971-75 under the late Dave McClain. In all, he has spent 18 seasons coaching football at the collegiate level.

At each stop, Ankney was instrumental in helping to rebuild struggling programs. While at Ball State, the Cardinals improved their record from 4-5-1 in 1971 to 9-2 in 1975. At Tulane, Ankney helped the Green Wave from a 2-9 record in 1976 to a 9-2 mark and a berth in the Liberty Bowl in 1979. The Arizona Wildcats were 5-6 in 1980 and improved their record to 8-3-1 in 1985, including a 13-13 tie with Georgia in the Sun Bowl. His Arizona defensive units finished among the nation’s statistical leaders from 1982-85.

More than 20 of his former players have gone on to careers in professional football. While at Arizona, Ankney coached Denver Broncos’ linebacker Ricky Hunley. At BGSU, Ankney has coached Cleveland Browns’ safety Kyle Kramer. Three Falcons were drafted by NFL teams earlier this year: Reggie Thornton (Minnesota), Ron Heard (Pittsburgh) and Derrick Carr (New Orleans).

Ankney entered the coaching profession at the high school level. He was an assistant football and wrestling coach at Eaton High School for the 1964-65 seasons and then became head coach at Dayton Northridge in 1966. From 1967 to 1971, he was head football and tennis coach at Dayton Wayne High School. His five-year head coaching record in the high school ranks stands at 24-21-5. While coaching in the Dayton area, Ankney earned his master’s degree from Miami University in 1969.

Ankney, 48, a native Ohioan, grew up in Xenia before moving to Kettering as a high school senior. A 1960 Fairmont High School graduate, he was an all-state quarterback and a participant in the Ohio All-Star game. While a student at BGSU, Ankney played on two MAC Championship teams as a reserve quarterback and lettered twice under legendary Coach Doyt Perry.

While an undergraduate, Ankney earned election to Omicron Delta Kappa, a leadership honorary, Phi Alpha Theta, a history honorary, and Kappa Delta Pi, an education honorary.

Ankney was reared in a football family. His uncle Pete was his head coach at Fairmont High School. Pete Ankney also was a head coach at Canton McKinley High School and at the University of Dayton. Moe’s father, Ben, coached at Miami University and at Xenia High School.

Moe and his wife, Carlalee, are the parents of two daughters (Angela and Molly), a son (Andy), and have two grandchildren (Ashley and Bryce).

Howard Milton Ankney was born June 23, 1942.

Founded in 1946, the Mid-American Conference is one of the nine Division I-A conferences in the country along with the ACC, Big 10, Big Eight, Big West, PAC-10, SEC, SWC, and WAC.

The MAC consists of nine state-supported institutions in the midwestern states of Ohio, Michigan and Indiana. The nine current members—Ball State University, Bowling Green State University, Central Michigan University, Eastern Michigan University, Kent State University, Miami University, Ohio University, the University of Toledo and Western Michigan University—have all been members of the conference for 16 or more years.

Throughout its existence, the MAC has been in the forefront of national legislation that has enhanced the academic integrity of intercollegiate athletics. The MAC has had an academic progress rule, strengthened admittance standards and qualitative grade point average requirements for its student-athletes long before the NCAA adopted or discussed implementing such academic standards.

The MAC currently sponsors 18 championships. In men’s sports, the MAC has sponsored championships in football, baseball, cross country, golf, tennis, and track and field since its founding, and added swimming and wrestling championships five years later.

In 1980, the MAC Council of Presidents voted to bring women’s athletics into the conference structure. The MAC currently sponsors women’s championships in basketball, cross country, field hockey, gymnastics, softball, swimming, tennis, track and field, and volleyball.

In the 44-year history of the conference, numerous MAC football teams and players have received national recognition. Bowling Green was recognized as the national college division champion in 1959, and Ohio won similar honors in 1960. After MAC teams achieved major college status, Toledo compiled a 35-game winning streak from 1969-71, the second longest such streak in modern major college football history. Miami beat Florida, Georgia and South Carolina in the 1973, 1974 and 1975 Tangerine Bowls. In the last few years, among the non-conference victims of MAC teams are opponents from the Big 10, Big Eight, SEC and WAC.

The 1990 MAC Champion will represent the conference against the champion of the Big West Conference in the California Raisin Bowl on December 9 in Fresno, CA.

MAC schools have a reputation for developing outstanding coaches. In the 1989 Fiesta Bowl, which pitted Notre Dame against West Virginia for the national championship, it was Kent graduate Lou Holtz against Bowling Green graduate Don Nehlen. On the same day in the Rose Bowl, Miami graduate Bo Schembechler directed his Michigan team to victory over Southern Cal coach by Bowling Green graduate Larry Smith. Among other current or former head coaches who played at and/or coached at MAC schools are Woody Hayes, Ara Parseghian, Don James, Paul Brown, Bill Mallory, Dave McClain, Don McCafferty, Weeb Ewbank, Frank Lauterbur, John Pont and two of the three 1988 inductees into the National Football Foundation Hall of Fame: Doyt Perry and Jack Mollenkopf.

Among current NFL players from MAC schools, Dolphins’ linebacker John Offerdahl (Western Michigan) was the 1986 Rookie of the Year, Rams’ center Doug Smith (Bowling Green) is a Pro Bowler and 13-year veteran; Bengals’ defensive back Robert Jackson (Central Michigan) is the senior member of the five former Chippeaws in the NFL; and defensive lineman Brent Williams (Toledo) is a rising star with the Patriots.

After concluding successful NFL careers, Bernie Casey (Bowling Green) and Tim Brown (Ball State), two former standouts at current MAC schools, went to Hollywood and have made numerous television and movie appearances.

MAC student-athletes are regularly selected to the GTE Academic All-America teams. In the last six years alone, MAC student-athletes have received Academic All-America honors 82 times. Since the Academic All-America program was established 21 years ago, MAC football players have earned that distinction 46 times. Three of the 48 Division I football players honored on the 1989 Academic All-America team were from MAC schools.

Celebrating Over 30 Years In Toledo!
DOYT PERRY
1988 College Football Hall of Fame Inductee

The year 1988 will be fondly remembered by Doyt Perry, the former player, coach and administrator at Bowling Green State University.

In January of '88, he learned that he would be an inductee into the National Football Foundation's College Football Hall of Fame.

In October, when Bowling Green hosted Miami at Doyt L. Perry Field, the man in whose honor the stadium was named was there for a special on-campus presentation by the National Football Foundation.

In December, Perry was in New York for the Foundation’s Hall of Fame Dinner. He was officially enshrined into the College Football Hall of Fame at Kings Island, OH, the following June.

Perry’s association with BGSU dates back 60 years when, as a student he lettered nine times in three sports (football, basketball and baseball). The Croton, OH, native received his degree in 1932 and began coaching on the high school level before becoming an assistant football coach at Ohio State University in 1951.

Perry returned to his alma mater as head football coach in 1955. The next 10 years, he led the Falcons to a 77-11-5 record for a winning percentage of .855, topped only by Knute Rockne and Frank Leahy of Notre Dame. His teams won five MAC Championships and the national college division championship in 1959.

Perry, who retired from coaching in 1964 to become BGSU’s athletic director for six years, developed such outstanding coaches as Jim Young of Army, Bill Mallory of Indiana, Don Nehlen of West Virginia, Larry Smith of Southern California, the late Dave McClain of Wisconsin and Bowling Green’s own Moe Ankney.
Duane Crenshaw is one of four seniors the Falcons have at inside linebacker.

Seniors Look To End Careers On A Winning Note

Players Will Go Out
Winners No Matter
What The Outcome

The end.
Everything has a beginning and an end. One you look forward to. The other you do not.

For 17 BG SU players, this afternoon’s game brings to an end another chapter of their lives while at the same time another begins.
The 1990-91 group of seniors is a diverse group. There are local players and there is a player from California and another from Arizona. There are physical education majors in the group and one that would like to be a lawyer. There are some who have been in the program for five years, others for four, some for two. There is a 330-pound lineman and a 150-pound wide receiver.

But, despite all the differences, there is one thread that has been woven into the cloth of each player — they came in together and they will go out together.

Tight end Pat Jackson probably put it best.

“You have a lot of ups and downs in the game of football,” Jackson said.

Dal McDonald (#93) has made the most of his senior year by averaging more than 10 tackles a game since becoming a starter.

“But through all that, you have to stick together as a unit. As a senior, you realize this is probably your last time through and all of us realize that. Realizing that brings us (the seniors) together.”

Linebacker Duane Crenshaw also thinks there is a special bond among the seniors.

“Because these are the players you came in with four or five years ago and you’ve gone through those years together, there is a special bond that might be tighter than with other players on the team.”

“As a senior you realize more about everything with one of those things being that this is probably the end as far as football goes,” linebacker Dal McDonald said. “You are more aware of what it takes to get prepared for a game and what it takes to be a winner. I hope we (the senior class) have been able to share that with the younger players so when they get in our position they will remember how it was when they were one of the younger players on the team.”

UNBEATEN IN LAST THREE: The Falcons have two wins and a tie to their credit in the last three games. It marks the first time since the championship season of 1985 that a BG team has gone unbeaten over a three week period while it is also the first time in Coach Moe Ankeny's tenure that the Falcons have gone unbeaten over a three week period.

TAKIN' CARE OF THE BALL: One of the reasons for the three-game unbeaten streak might be that the Falcons have just one fumble over the period, that coming in the Kent game and BG retained possession. The last time BG turned the ball over on a fumble was the fourth quarter of the Toledo game on Oct. 13. Since that time Falcon backs have had 107 carries, receivers have caught 46 passes and there have been 16 fumbles without a lost fumble. BG has only eight fumbles this season in which they have not had a fumble in the game at all and five contests in which they did not lose a fumble during the game.

NON-LOSING RECORD A POSSIBILITY: A win over Western Michigan Saturday would also ensure the first non-losing record for BG since the 1985 MAC championship season. A 4-4-2 record would be the best since the 11-1 record of the '85 team. Since '85, BG has been 5-6, 5-6, 2-8-1 and 5-6, respectively.

DEFENSIVE UNIT HAS SHOT AT BEST SEASON IN TEN YEARS: The BGSU defensive unit, which besides Central Michigan is the only unit in the MAC that has not given up more than 21 points in any game this season, continued its fine play last weekend yielding 19 or fewer points for the seventh consecutive weekend. BG is giving up an average of just 16 points a game thus far this season which is the lowest average since the 1981 unit gave up an average of just 12 points a game over an 11-game schedule. The 17 touchdowns allowed this season, one of those on a blocked punt, is the third-best total in the MAC while their average points allowed is fourth-best.

SHALE SECOND IN THE COUNTRY: Ben Lee had the top receiver in the MAC last season with 44 catches in nine games while Paul Agema from Western Michigan has 44 catches in the same number of games to lead the conference. Agema will have one more game after the BG contest set by Bill Bradshaw between 1952 and 1954. Bradshaw's 42.15 career average is also the MAC record which should fall to Shale after the final game today.

MAC RECEIVING TITLE COULD BE DECIDED TODAY: BG sophomore wide receiver MARK SZLACHCIC enters the final game of the season with 43 catches in nine games while Paul Agema from Western Michigan has 44 catches in the same number of games to lead the conference. Agema will have one more game after the BG contest set by Bill Bradshaw between 1952 and 1954. Bradshaw's 42.15 career average is also the MAC record which should fall to Shale after the final game today.

SHALE APPROACHING RECORDS: Shale is in line to break the MAC single-season record for punt average. The record is 44.0 set by BG's Bill Bradshaw in 1953. Shale is also approaching BG's top five lists for single-season attempts, yards and average. Shale needs four punts to reach fifth on the BG one-season list while his 2863 yards is fourth-best on the yardage list with Jim Phelps' 3321 punt yard in 1981 the record. And Bradshaw's 44.0 average in 1953 in the single-season average leader. His 178 career punts is third on the BG list while his 7661 yards punting is also third-best in BG history. His career average of 43.04 yards is almost one full yard better than the Falcon record set by Bill Bradshaw between 1952 and 1954. Bradshaw's 42.15 career average is also the MAC record which should fall to Shale after the final game today.

40.39 average.

Their names are familiar, because they have made an impact on football at all levels of the game — high school, college, and professional.

They belong to the Falcons’ Nest of Coaches, an organization created in 1984 for the purpose of promoting the proud tradition of Bowling Green Falcon football. Through the development of student and graduate-assistant programs at Bowling Green, most of these coaches got their start at this Mid-American Conference institution. They’ve studied and matured under the coaching philosophies of Warren Steller, Robert Whittaker, Doyt Perry, Bob Gibson, Don Nehlen, Denny Stolz and Moe Ankney, to name a few. Today, they are making a name for themselves and for their respective football programs around the country. Though they may be miles apart, they share at least one thing in common. They are members of a fine football coaching fraternity at Bowling Green State University, the Falcons’ Nest of Coaches.

Fresno State’s Bulldog Stadium is the site of the California Raisin Bowl.

For the last nine years, the Mid-American Conference has been sending its champion to the California Raisin Bowl in Fresno, California.

Hosted by Fresno State University in its 30,000-seat Bulldog Stadium, the Cal Bowl pits the MAC Champ against the Big West Conference Champion.

The 1990 Cal Raisin Bowl is scheduled for December 8.

Bowling Green is one of two MAC teams to have made the trip to Fresno twice, with Toledo being the other. The Falcons appeared in Cal Bowl II on December 19, 1982 and lost a 29-28 heartbreaker to Fresno State. BG blew a 21-0 third-quarter advantage in that game.

The Falcons met Fresno State again in Cal Bowl V, but this time the Bulldogs rolled to a 51-7 victory on December 14, 1985. BG also lost its head coach, Denny Stoltz, who announced earlier in the week he was leaving to coach at San Diego State.

More than just a bowl game, the California Raisin Bowl is a community happening for San Joaquin Valley citizens, whose support benefits the Valley Children’s Hospital. The benevolence of the Greater San Joaquin Valley Sports Association is displayed as every aspect of the Cal Bowl revolves around the well-being of the young patients of the Valley Children’s Hospital.

Fund-raising activities include a 10K run, bike rally, and a coronation ball, in addition to the bowl game. The Cal Bowl has generated more than $250,000 for hospital equipment and services.

LIBRARY RECEIVES ITEM FROM CIVIL WAR

Desk From Ohio Unit May Provide Many Answers

By Lynn Gagel
Office of Public Relations
Student Intern

World War I. Korea. Vietnam. World War II. All are the subjects of well-received books, movies and TV fare. But as the recent PBS series demonstrated, nothing fascinates and interests like the Civil War. Now a personal piece of that war is a permanent part of the University Libraries’ Archival Collections.

The adjutant’s desk that had traveled with the 21st Regiment of the Ohio Volunteer Infantry for the duration of its Civil War action will soon be available for inspection by historians and the public.

After more than a year, the task of cleaning, preserving, identifying, transcribing and cataloging the more than 2,800 items stored in the desk and the boxes that accompanied it is nearly complete.

“Six hundred staff hours were used to transform the collection taken from the original desk into a collection which can be used by the academic community,” Paul Yon, director of archival collections, said.

While a year to complete a project may seem long, Yon said the time in which the project was completed is indicative of its importance.

Students in a graduate history class spent spring semester organizing and cleaning the collection, which includes muster rolls, morning reports, general and special orders, statistical information, records of altercations and lists of casualties.

The collection is named after William J. Sullivan, the great-great-grandson of the 21st Ohio’s adjutant George Scheets, and partly donated by Toledoan Donna Sullivan, a family descen-

senior class were members of Coach Moe Ankney’s first team in 1986. Because of that, they have a special place in his thoughts going into today’s game.

“Those eight players have been here ever since the first year I was here,” Ankney said. “Every experience we have had as a coaching staff, they have been a part of. They have been a part of our program the whole time. That has some special significance to it.”

Ankney also believes that no matter how successful a senior class is on the field, there are other factors that have to be considered. Taking those into account, he believes this year’s class ranks with any he’s had the pleasure to coach.

“It’s a good group of seniors, one of the best I’ve ever been associated with,” Ankney said. “All of the players have contributed this season and in previous seasons to the development of this program.

“Some of them have played more than others, but all of them have contributed in one way or another. We have two great students in Jackson (Pat) and Shehab (Tom), we have players from junior colleges and players who have been here throughout their careers.

They have shown a lot of leadership this year and that’s what you want from your senior class in their final season.”

Through it all, the players have maintained their sense of humor, also. For example, lineman Brian Sherman would like to end his career by scoring a touchdown on a fumble-roosky play.

But, it was unanimous how the seniors would like to end their careers.

“The only thing I want is to win the last game,” linebacker Keith Pace said.

“Winning the final game of the season always makes you feel good about next year,” Sherman said. “I would really like to win the last game to give every guy on this team who is returning next season a good feeling as this season closes.”

“We (the seniors) go out knowing we’re winners,” Jackson said. “We put in the work, and although things might not have turned out how we hoped, none of us quit. People who fail are the people that quit. No one on this team has ever quit.”

As you watch the curtain drop on the 77th season of football at BGSU this afternoon, the 1990-91 senior class should have a special place in your thoughts.

The end.

To All Falcon Fans:

You are the key to success for our Falcon teams! The BGSU Athletic Department depends on the Falcon Club to raise more than $250,000 in 1990. This money will help fund athletic grants-in-aid, assist in the recruiting of prospective student-athletes, and provide funding for athletic facilities budgets.

Members of the Falcon Club are alumni, parents, friends and fans who provide financial support, volunteer hours and advisory expertise to the BGSU athletic program and share in the many benefits the Falcon Club has to offer.

The Falcon Club has ambitious goals for 1990 and is eager to involve YOU in our activities. The need to support our program is at an all-time high. Your financial contribution and BGSU’s athletic program are a winning combination.

We are very proud that Bowling Green’s athletic program is recognized as one of the best in the country. All of our 19 teams are highly competitive and very representative. Falcon Club membership offers you the opportunity to support these teams. Falcon Club donations have greatly aided our program, and to continue that winning tradition throughout the 1990-91 campaign will require another supreme Falcon Club effort.

I look forward to having you join the Falcon Club in 1990!

Sincerely,

Charles F. Nagle
Associate Athletic Director

I am interested in learning more about the Falcon Club and its activities.

The educational diversity and excitement of a large university combined with the caring and camaraderie of a small college. These are strengths of Bowling Green State University.

Bowling Green began in 1914 as a Normal School. On that first day, there were 15 faculty members and 158 students, all of whom were studying to be teachers. Today, the University has nearly 1,000 full- and part-time faculty and 18,000 students on its main campus. Degree programs are offered through the colleges of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology and the Graduate College. Within the undergraduate colleges are schools of Art, Mass Communication, Nursing, and Health, Physical Education and Recreation.

In all, the University offers more than 170 undergraduate degree programs, 12 master’s degrees in 75 fields of study and doctoral degrees in 14 departments with more than 60 specializations.

In addition to courses on the main campus, the University’s Firelands College campus, located in Huron, Ohio, offers 23 two-year associate degree programs, as well as courses which fulfill the first two years of a bachelor’s degree requirement. Firelands’ enrollment tops 1,300 students.

Fully accredited at the highest state, regional and national levels, the University has chapters of most national academic honor societies, including Phi Beta Kappa and Phi Kappa *Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant colleges.

The University’s faculty members, 71 percent of whom hold the highest degree in their fields, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of academic programs which are regionally and nationally recognized, including the chemistry and philosophy departments which host Ohio Eminent Scholars. A third Ohio Eminent Scholar grant will be added in the Department of Psychology in 1991. The scholar program was created by the Ohio Board of Regents to attract world-class educators and researchers to the state’s universities.

While committed to teaching, faculty are researchers as well, generating new knowledge through independent research and involvement in University units such as the Population and Society Research Center, the Center for the Study of Popular Culture and the Social Philosophy and Policy Center.

Bowling Green is also the site of the National Drosophila Species Center and the Mid-America Stock Center—the largest scientific facilities of their kind in the world—where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University’s students come from throughout the United States and nearly 60 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. During the spring term of the 1989-90 academic year, there were more than 3,300 “non-traditional” adult students enrolled in undergraduate and graduate programs on a full- or part-time basis.

The focal point of the 1,250-acre campus is the nine-story Jerome Library, with its collection of more than four million items, including 1.5 million volumes plus journals, periodicals, microforms, government documents and other materials. Special sections of the library include the Center for Archival Collections which houses materials relevant to northwest Ohio history and the Sound Recording Archives with 400,000 recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry’s past and present.

The University is continually refurbishing its more than 100 existing buildings and upgrading facilities to meet current needs. In recent years, nearly $83 million has been allocated for new construction and remodeling projects.

The University is also meeting the challenge of tomorrow’s high-tech education. It currently has 19 computer labs, including one in every residence hall complex, for use by students. And talk is now underway of installing computers in every residence hall room.

"An Environment for Excellence." Dr. Paul J. Olscamp adopted that slogan for his administration when he became Bowling Green State University's eighth president in 1982.

To create that environment, he charted a course that would move Bowling Green into the ranks of the country's most important colleges and universities. The effort has focused on teaching, research and service and has involved a University-wide commitment to excellence.

Since arriving on campus, the president has aimed at fulfilling that vision. Early in his administration, Olscamp and the faculty outlined the task ahead in a 27-goal document called the Role and Mission Statement. Most of the goals centered on improving the quality of undergraduate and graduate students, the academic programs, the learning environment and the faculty and its resources.

Now, as Olscamp begins his ninth year at Bowling Green, many of those original goals have been met and new priorities have been established, including the recruitment of minority faculty and students, and greater emphasis upon research production.

One of his most important accomplishments has been to fully involve the faculty in University governance. Faculty now have a key role in developing the annual budget and share authority with the president in interpreting the University's Academic Charter. The faculty also have greater control over the curriculum and development of new academic programs.

Olscamp brings a personal touch to the presidency and frequently hosts students for breakfast at his home, eats with them in campus dining halls and attends as many student events as his schedule permits. He also holds weekly forums for students wanting to discuss campus issues. During the past six years, he has played host to more than 675 faculty members at a series of "fireside talks" at his home.

HIGHLIGHTING THE OLSCAMP ADMINISTRATION

A great deal has happened at Bowling Green since 1982. Here are some of the highlights:

Academic Programs
* Creation of Bowling Green's first endowed professorships, in management, finance, chemistry and philosophy.
* Development of the Center for Photochemical Sciences, the only one of its kind in the country. Photochemistry is a multibillion dollar growth industry and some key research for that industry is being conducted at Bowling Green.
* Appointment of an Ohio Eminent Scholar in both Photochemical Sciences and Moral Philosophy; the positions are the result of two $500,000 grants from the Ohio Board of Regents. In 1990, Bowling Green was awarded its third Ohio Eminent Scholar grant; this one in Psychology. The appointment is expected to be made in 1991.
* Addition of doctoral programs in Applied Philosophy and Photochemical Sciences; the 13th and 14th Ph.D. offerings at Bowling Green.
* Increasing in 1990 to 61 the number of National Merit scholars, the most ever in University history and a figure that places Bowling Green in the top 25 universities in the country.
* Establishing the University's first major scholarship for minority students.
* A network of computer labs throughout the campus, including labs in each residence hall. Now, there is talk of installing a computer in every residence hall room.
* Securing more than $5 million from the Board of Regents' Selective Excellence Programs, which are designed to attract top scholars, conduct pioneering research and develop centers of excellence. Grants have been awarded in both the sciences and the humanities.
* Increasing library holdings to more than four million items including 1.6 million books, plus journals, periodicals, microforms, government documents and other materials.

Physical Plant
* Nearly $83 million in state capital improvement funds for renovation and new construction projects.
* Completion of $7.2 million Physical Sciences Laboratory Building in 1984 and a $3.65 million addition to the Business Administration Building in 1988.
* A $9.1 million addition to the Fine Arts Building; the groundbreaking ceremony will be held this fall.
* $39 million in funding to construct a new classroom building.
* Major renovation and refurbishing of existing campus buildings including Williams, Overman, Hayes and Shatzel halls, and Eppler Complex. Construction of a $2 million office building to house faculty and staff temporarily displaced by renovation projects and later to be used for permanent offices.

University Finances
* Growth in the University endowment from $1.9 million in 1982 to more than $27 million by the end of 1990.
* Creation of an internal endowment fund of $4 million from various University reserves. The balance is approaching $8 million and is expected to reach $10 million in two years. Interest on the $10 million principle will be used to supplement the academic budget.
* Developing a plan that restrucutres debt service obligations and is projected to result in a $35 million principle in 12 years. Interest on that amount, which could approach $3 million annually, will go toward the academic budget.
* Most successful fund raising drive in University history. With the assistance of the development and alumni office, the 75th Anniversary Fund raised more than $15 million in three years; well above the $12.5 million goal. Donations included the University's first two $1 million gifts—from the Stranahan Foundation of Toledo for the Social Philosophy and Policy Center and from Harold and Helen McMaster of Perrysburg for the McMaster Leadership Institute. In 1989 the Stranahan Foundation awarded a $3 million grant to the Social Philosophy and Policy Center.
With the dawn of a decade comes the hope for 10 years of success equal to or greater than the previous 10 years. That won't be easy.

Bowling Green sports teams of the 1980s achieved a level of success matched by few.

Bowling Green claimed 24 conference titles during the 1980s, 19 in the Mid-American Conference and four in the Central Collegiate Hockey Association. Twenty-one teams were involved in post-season play in the NCAA, NIT and California Bowl.

Each of the 19 Falcon sports teams has helped build and maintain the "Winning Tradition" at BGSU.

BASEBALL — The Falcons will have a new leader in the dugout this season in first-year coach Danny Schmitz. Schmitz, who most recently was an assistant coach at Eastern Michigan, also played in the minor leagues at the AAA level. Many former players have gone on to play professional baseball including two of the top pitchers in the game today—Roger McDowell of the Philadelphia Phillies and Orel Hershiser of the Los Angeles Dodgers.

MEN’S BASKETBALL — Coach Jim Larrañaga’s Falcons are in the hunt for a MAC championship. An NIT qualifier a year ago, BG will have its sights set on an NCAA Tournament berth with a veteran roster of 11 lettermen and five returning starters. The Falcons, who upset Big 10 Champion Michigan State last season, were ranked as high as 11th in the USA Today computer ratings. Historically, BGSU leads the MAC in post-season appearances (22 games) and victories (eight).

WOMEN’S BASKETBALL — Coach Fran Voll, a two-time MAC Coach of the Year, has led the Falcons to four-straight MAC Tournament Championships and four-straight NCAA Tournament appearances. BG has seven conference titles. BGSU has produced some of college hockey's greatest names, including 10 players who currently hold positions on NHL rosters.

FOOTBALL — Bowling Green closed out the 1980s by posting the second-best record in the MAC over the last 10 years. The Falcons had a winning record in league play in eight of the last nine years. BG won two MAC titles and made two trips to the California Bowl in the 1980s, while also setting the MAC single-game attendance record of 33,527 at Doyt Perry Field. Coach Moe Ankeney’s 1990 squad will feature 45 returning lettermen, including 12 starters.

GOLF — Coach Greg Nye’s men's and women's golf teams play on some of the most challenging courses in the country and in some of the most prestigious tournaments on the collegiate level. The BGSU men's program has won four MAC Championships and made four NCAA Tournament appearances while the women's program is annually among the best in the region. The men had six top ten finishes last season while the women were among the top ten teams in four tournaments.

GYMNASTICS — Year in and year out, Coach Charles Simpson fields an MAC title contender. With three MAC titles since 1980, the Falcons have qualified as a team for post-season competition four of the last seven years. In each of the last two seasons, his teams have consistently increased the school record for team score led by Mary Beth Friel, only a sophomore, who qualified for the NCAA regional meet last winter.

HOCKEY — A winning tradition is what the Falcon hockey program is all about. One of only five teams in the country to earn 20 or more wins in each of the last nine seasons, BGSU will be looking to make its fifth consecutive appearance in the NCAA Tournament this season. In all, the Falcons have appeared in nine NCAA Tournaments winning the 1984 national title. Coach Jerry York ranks among the best collegiate coaches of all-time with 406 career wins having led the Falcons to four CCHA regular season championships and one league play-off title. In all, the Falcons have won seven conference titles. BGSU has produced some of college hockey's greatest names, including 10 players who currently hold positions on NHL rosters.

SOCCER — Coach Gary Palmisano’s Falcons posted a winning record in all but one year of the 1980s and his 1990 team has the potential to be one of the best ever. Last fall, playing with seven freshmen starters, the Falcons were under consideration for an NCAA bid after posting a 12-3-3 record. The
Falcons concluded the season as the #4 team in the region. The BGSU schedule annually includes perennial NCAA power Indiana and other top teams in the region. BGSU also hosts the Kwik Goal/BGSU Classic having won the title in four of the five years the tournament has been contested.

**SOFTBALL** — Head Coach Jacquie Joseph begins her third year in charge of the Falcon softball program. Two strong recruiting classes should produce a BG team that will be ready to challenge for the MAC title. The Falcons last won the MAC Championship in 1988, a year that ended with BGSU playing host to the NCAA Midwest Regionals.

**SWIMMING** — Coach Brian Gordon, MAC Coach of the Year in 1988, is back for his fourth year with the Falcon men and women hoping to reap the benefits of his work recruiting during his tenure. The Falcon women have made winning a habit. It began with the 1981 MAC Championship and continued with second-place finishes in each of the next seven seasons. Last winter, the men hosted the MAC Championship at beautiful Cooper Pool, one of the Midwest's top swimming and diving facilities and this season the women will take their turn as the host.

**TENNIS** — The Falcon tennis teams have the advantage of playing and practicing at one of the finest facilities of its kind in the region—Robert Keefe Courts. The men's team, under the guidance of third-year coach Gene Orlando, is continuing to improve and will have five veterans returning for the 1990-91 campaign. The women's program has a new leader in first-year coach Penny Dean. Dean will have seven letterwinners returning from a team that won 15 dual matches in 1990, a school record.

**VOLLEYBALL** — Seven years of hard work by head coach Denise Van De Walle paid off in 1989 as the Falcons captured the regular-season MAC title breaking Western Michigan's seven-year stranglehold and the Broncos 98-match league winning streak. Van De Walle earned league Coach of the Year honors for a third time after the '89 season. If the Falcons are to repeat, Van De Walle will need to find a replacement for setter Linda Popovich who concluded a brilliant career setting two MAC records while earning conference Player of the Year honors.
Bowling Green State University has enjoyed tremendous intercollegiate athletic success in the 1980s.

In the last 10 years, Falcon teams have won a national championship and 23 conference titles.

This glowing track record has resulted from an effective administration, a hard-working staff, good coaching, fine facilities, and of course, outstanding performances on the fields, courts and ice.

A growing athletic endowment program is another reason. Athletic endowments will play a leading role in guaranteeing successful Falcon teams down the road.

The Charles E. Perry Society provides a significant and everlasting avenue of support to Falcon athletics.

The society was established in 1983 for the purposes of funding athletic scholarships through private contributions to the athletic endowment fund.

The society is named after its founder, Charles E. Perry, a 1959 graduate with honors (and two degrees) from Bowling Green State University and a former place-kicker on the Falcon football team.

Perry, currently the chairman and CEO of The Western Trading & Management Company in Houston, was one of the principle founders of the Falcon Club and is the organizer and sponsor of an annual fund-raising event for the BGSU athletic endowment fund. This fund-raiser is called the Perry Society Golf Outing, and has been held the past eight years at the Muirfield Village Golf Club and also, The Golf Club, in New Albany, Ohio.

In just eight years, the Perry Society has contributed approximately $120,000 raised through the golf outing to the athletic endowment fund. Perry Society members contribute $1,250 per year for the privilege of playing in the golf outing, with every dollar donated going directly to the athletic endowment fund. When a player contributes a total of $5,000, an endowed scholarship is established in the player's name within the Perry Society.

There were six charter members in the Charles E. Perry Society: Ashel Bryan, chairman of Mid-Am Bank; Jim Dimling, retired vice president for corporate administration at the Marathon Oil Company; Robert Ludwig, chairman of the board for L-K Motels, Inc.; Thomas Orchard, vice president for investments at Paine-Webber; Michael Wilcox, president of Wilcox Financial Group; and Robert Bagno, owner of Pastiflma Pasta Shop.

Since 1983, there have been 11 additional members: Kermit Stroh, president of Moulton Gas Service, Inc.; William Primrose, Jr., president of The Dickey-Grabler Company; Pat McGohan of McGohan & Associates; Thomas Noe, president of Numismatic Investments of Ohio, Inc.; William Lloyd, retired secretary-treasurer of the Winzeler Stamping Company; Gerald Harms, retired president of Harms Electric Company; Peter Halleck, attorney at law; Jim King, president of Buckenmeyer & King CPA's; John (Jack) Laskey, president and chairman of The Port Lawrence Title and Trust Company; Ed Ferkany, vice president for sales at Worthington Industries; and Jack Dulworth, president and CEO for Management Compensation Group.

While it remains an exclusive organization, the Charles E. Perry Society should continue to grow in the coming years, according to BGSU Athletic Director Jack Gregory.

"The private dollars are so critical to the success of Falcon athletics in the future," said Gregory. "The Perry Society supports our intercollegiate athletic program today, but the real benefit will be realized five, 10 years down the line. The University will benefit, our athletic teams will benefit, and most importantly our student-athletes will benefit."

Gregory added that the interest generated from each $5,000 endowment in the Perry Society fund will be used to reduce the debt on the BGSU Athletic Fitness Center.

Before becoming chairman and CEO of the Western Trading & Management Company, Perry was president and CEO of the Friedkin Companies in Houston. Prior to that, Perry had been chairman and CEO of Worldvest, Inc., and years earlier he had been vice-chairman, CEO and partner with golfing great Jack Nicklaus in the Golden Bear/Nicklaus Organization. Perry was instrumental in helping develop the organization into a substantial private business enterprise.

Some of Perry's other previous jobs have included senior officer for The Charter Company, founding president of Florida International University, and several positions at BGSU. He served as admissions counselor, director of admissions, director of development and assistant to the president.

Perry has been honored on numerous occasions, including being named one of the Ten Outstanding Young Men in America by the U.S. Jaycees in 1971. Four years later in 1975, he was granted the Distinguished Alumnus Award from Bowling Green State University.

Charles and his wife, Betty, have one son, Tom, and a daughter, Lynn.
JACK GREGORY

Since his appointment nine years ago as director of athletics at Bowling Green State University, John C. (Jack) Gregory has set a standard of excellence designed to place Falcon men's and women's teams on equal terms with today's elite intercollegiate athletic programs.

To reach these goals, Gregory challenges his staff of administrators, coaches and classified personnel to settle for nothing less than the very best. His challenge has resulted in some of the finest moments in the history of intercollegiate athletics at BGSU:

- the 1984 NCAA Division I Ice Hockey Championship;
- 13 Mid-American Conference regular season championships in football, men's and women's basketball, softball, women's cross country, gymnastics, men's golf, and last fall, volleyball;
- two California NCAA Tournament berths in hockey, basketball, softball and gymnastics, including a MAC record nine appearances in the last four years;
- three home NCAA Tournament berths in hockey, softball and women's basketball;
- and the 1987-88 Jacoby Trophy, awarded annually to the MAC school with the best overall record in women's sports.

The 1989-90 school year was highlighted by three Falcon teams advancing to post-season play. Hockey and women's basketball games during Gregory's tenure. Soccer, volleyball, gymnastics and softball are drawing larger crowds, too.

Last fall, the Falcon football team played before two of the 10 largest crowds in the 23-year history of Doyt L. Perry Field. More than 25,000 fans turned out for the first night game in Perry Field history.

In 1983, 33,527 fans packed Perry Field to witness the Bowling Green-Toledo football clash, one of college football's best rivalries. BGSU and MAC single game attendance marks fell that afternoon. Two years later, the Falcons drew a record 112,110 fans for five home games, giving BGSU the second-largest average attendance (22,422) in MAC history. In 1987, Bowling Green set still another MAC attendance record by playing in front of 84,574 fans at Penn State.

Sell-out crowds for BGSU hockey games are a tradition. The 1989-90 season featured the addition of 1,700 seats to the BGSU Ice Arena, and all attendance records were broken, including single game (5,005) and season (79,376).

With the growing interest in TV sports programming, Gregory has aggressively negotiated for live television coverage of BGSU sports events. Last year, Falcon football, basketball and hockey all attracted live TV coverage. This year promises more of the same. Falcon football and basketball will be aired as part of the MAC Game of the Week broadcasts, while Falcon hockey will continue to play in front of a national TV audience as part of the CCHA Game of the Week.

Gregory, 62, has also been instrumental in the development of the Falcon Club, the University's official athletic department booster club. Recent membership drives have encompassed all of northern and west central Ohio, resulting in unparalleled growth in cash and pledges. The Falcon Club has more than doubled its income and grown to such an extent that it compares favorably with any athletic support organization in the country.

Still, Gregory understands the integrity of college athletics depends on the continued emphasis of the "student" in student-athlete. In that regard, he appointed an academic coordinator in 1984, the first such appointment in the MAC.

Many BGSU student-athletes have excelled in the classroom. Volleyball's Linda Popovich became the MAC's first female to receive the Byers Scholarship from the NCAA in May, 1990. There were more than 150 BGSU scholar-athletes with grade point averages of 3.0 or better in 1989-90, including three who were named Academic All-Americans, raising the total to 14 Academic All-Americans in the last four years.

A 1952 graduate of East Stroudsburg State College and holder of a master's degree from Temple University, Gregory was a teacher and coach at William Penn High School in New Castle, Delaware, and later at P.S. Dupont High School in Wilmington, Delaware. In 1959, he returned to East Stroudsburg as head football coach and assistant professor of physical education.

One of the most successful coaches in the school's history, Gregory was inducted into the East Stroudsburg Athletic Hall of Fame in October, 1983.

In 1955, Gregory was named assistant football coach at the U.S. Naval Academy. Two years later, he was named head football coach at Villanova University. In 1969, he moved to the University of Rhode Island, where he served as head football coach for seven years.

In his 25 years as a head coach, Gregory's teams compiled a record of 132-69, including four undefeated seasons and seven league championships. He was twice selected as NAIA Coach of the Year, twice selected as Pennsylvania Coach of the Year and was named NCAA District Coach of the Year once.

Gregory joined the Green Bay Packers of the National Football League in 1976 and served in the personnel department for three years before becoming associate director at Yale University from 1978 to 1982.

Jack and his wife, Peg, reside in Bowling Green and have two sons and one granddaughter.
Today's Halftime Show

1990 FALCON MARCHING BAND

Today the curtain rings down on another Falcon Football Season and the Falcon Marching Band. The band has performed to sounds from Latin and South America, solid gold hits from Detroit and the Motown recording label, and a tribute to Leonard Bernstein with the music from his "West Side Story". We have one last presentation for you this afternoon... one that we hope you'll enjoy.

Everybody likes a cloak-and-dagger, who-dun-it mystery. We all like to associate ourselves with the solving of the crime. In our own way, we become detectives, or "Supersleuths" searching for every clue. Today's halftime presentation is entitled "A Supersleuth Spectacular" and is based on musical themes representing famous motion picture, television, and cartoon detectives/secret agents.

We begin with the consummate ladies' man, the suave and debonair James Bond, 007. Opening selection features the signature Bond theme followed by the title track to the motion picture, "Live or Let Die".

From motion picture to television we travel back to the late 60's and early 70's. During that time period, there were many secret agents and detectives on the screen but none as popular as Peter Gunn. Watch our flags and twirlers as we present the theme song from the television show of the same name.

"For Your Eyes Only" from James Bond follows. Madonna's "Hanky Panky" from Dick Tracy is next with help from the BGSU Pommerettes. We close today with a salute to the members of the band in appreciation for their efforts during the season and a vintage Bond number, "Goldfinger."

Enjoy the day Falcon fans, we hope to see you at an upcoming BGSU athletic event and next year here at Perry Field.

One last hello for the 1990 Falcon football season. As today's game concludes yet another season, it is now definitely time to look ahead to Falcon winter sports—if you haven't already.

The hockey season is well underway, and again off to a strong start. The Falcons will return to home action the day after Thanksgiving on Friday, November 23 against Western Michigan. So, after you fill-up with turkey and its trimmings, come indulge in Falcon (hockey).

Falcon basketball has unofficially began as both the men's and women's squads have already been in home exhibition action. Jim Larranaga's men will host another exhibition game next Friday against a national Yugoslavian team. Tip-off is at 8:00 p.m. come on out for a preview. Both teams will open their home-regular seasons during the last week of this month. Schedules for either team and all winter sports are now available at the Memorial Hall Ticket Office. Get yours now so that you can make your plans.

Finally, I would like to congratulate the Greek community for another successful non-alcoholic tailgate party. Held prior to the October 20 Night Game, Falcon Frenzie II confirmed that the event has the potential to become bigger and better as time goes on. Thank you Mike Hurlburt, Rachel Laughbaum, and Mindy Warnke for your efforts in organizing the event! The picture above is that of Alpha Omicron Pi, the chapter with the highest percentage of attendance.

Frieda & Freddie Falcon
Frieda Falcon and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU Cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and the winners remain anonymous to the student body until each is beheaded at the last home hockey and basketball games.

Retired Jersey
The only football jersey ever retired at Bowling Green is #29. It was worn by Paul Miles from 1971-73, when he rushed for 3,239 yards and 25 touchdowns. He was a three-time All-Mid-American Conference running back, gaining more than 1,000 yards in each of his three years on the varsity.

Why The Falcons?
The 1989 season marks the 62nd anniversary of Bowling Green’s nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake ’23 suggested the nickname, Falcons, after reading an article on falconry. Lake, managing editor and sports editor of the BG Sentinel-Tribune at the time, proposed the name change because it fit headline space and because falcons were “the most powerful bird for their size and often attacked birds two or three times their size.”

Why Orange and Brown?
Burnt Orange and Seal Brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a woman’s hat on a bus trip to nearby Toledo, OH. He liked the brown and orange color combination.
What is the NCAA? The question could be answered simply by saying “National Collegiate Athletic Association,” but in reality the NCAA is much more than four words beginning with the letters N-C-A-A.

It is also much more than a staff working in Overland Park, Kansas, on administrative details of America’s intercollegiate athletics programs.

To say that the NCAA is a staff or a group of people is to misunderstand not only what the NCAA is, but what its goals and objectives are. It is to misunderstand its very reason for being.

In reality, the NCAA is composed of some 1,000 colleges and universities from around the country, that determines the directions and goals of the NCAA are working together for the common good. The colleges and universities make the rules. The NCAA staff, working under the direction of the colleges and universities, simply administer the programs designed by the members. And it is the Committee on Infractions, which is comprised of college administrators from around the country, that determines sanctions levied against fellow members.

Just as integrity is the key to an academic program, it also is vital to healthy competition between NCAA member institutions. The colleges and universities seek to create an atmosphere in which all institutions have an equal chance to recruit America’s outstanding student-athletes. It is then up to member schools to help the individual student-athletes be as good as they can be, both in the classroom and in their athletic endeavors.

For all of the attention it receives, the enforcement program is but one small part of the NCAA’s total concern. The NCAA administers 77 championships in three divisions in 22 sports. More than 15,000 men and women student-athletes compete annually in these events, designed to determine the national champion.

Other programs under the auspices of the NCAA include the National Youth Sports Program, coproduced by the U.S. Department of Health and Human Services, Office of Community Services, Family Support Administration, and the nation’s colleges and universities. NYSP is a unique summer program that offers sports skills instruction, competition, improved physical fitness, and enrichment opportunities for economically disadvantaged youth between the ages of 10 and 16.

The NCAA conducts free Youth Education through Sports (YES) clinics in many sports, annually providing thousands of youngsters expert instruction from the best collegiate coaches, as well as important information about academics and substance abuse prevention.

The NCAA also administers several scholarship programs that benefit not only deserving student-athletes but also students in general. The NCAA Postgraduate Scholarship Program has distributed more than $3.2 million to some 2,000 student-athletes for full-time graduate study; two Walter Byers Postgraduate Scholarship winners annually receive $7,500 renewable stipends; the NCAA Ethnic Minority Enhancement Program and the NCAA Women’s Enhancement Program each provide scholarship awards to qualified individuals for postgraduate study in sports administration; and the NCAA makes available grants to undergraduate student-athletes who have exhausted their institutional financial aid opportunity and who wish to complete their undergraduate degrees.

More information about these scholarship programs is available from the NCAA administration department.

The NCAA also sponsors one of America’s foremost honors programs, which is designed to recognize yesterday’s and today’s top athletes, and the contributions of intercollegiate athletics as a whole to the country and society.

It has been said, and rightfully so, that sports is but a microcosm of society. Never before has it been more true, for sport and for the NCAA.

However, the goal of the NCAA is still the same—America’s colleges and universities working together for the common good of higher education, and the young men and women who study and compete for NCAA member institutions.

Bowling Green holds the MAC record for single-game attendance (33,527).

Doyt L. Perry Field, with its 30,000-plus seating capacity, is celebrating its 24th year as the home of Bowling Green State University football.

Built in 1966 for approximately $3 million as a replacement for the 43-year-old University Stadium, Perry Field had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Field holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Field for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out arch-rival Toledo at Perry Field in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,000, an average of 22,400.

Perry Field is more than just a football facility. The west side received a face-lift three years ago. A physical fitness center/weight room opened its doors for all 19 intercollegiate athletic teams in the summer of 1988.

Also situated on the west side of Perry Field are the Falcon Club offices and clubhouse, the academic affairs office, the track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 11th year of operation, the Stadium Club's 106 theater-type seats, which are all sold, provide loyal BGSU fans with a fine view of the game. The President's Box, located on top of the east side of the stadium, provides luxury seating for President Paul J. Olscamp and other supporters of Falcon football.

Bowling Green won the first game ever played in Perry Field, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won almost 65 percent of their home games, compiling a 75-41-3 record in the 119 games played at Perry Field.
Field. Over the last seven seasons, Bowling Green is 26-8-1 at home for a .757 winning percentage.

A multi-purpose facility, Perry Field has also hosted concerts, NFL exhibition games, and major soccer tournaments.

Perry Field is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, according to James Van Valkenburg, director of statistics for the NCAA, only two coaches on the Division 1-A list are above that figure — Knute Rockne at .881 (Notre Dame) and Frank Leahy at .864 (Boston College and Notre Dame).

Perry, 80, known for his well-organized practices and attention-to-detail meetings, never stopped thinking of ways to succeed. He was a winner in football and as a high school basketball coach. His basketball teams were 161-35 over nine seasons and his high school track teams won 70 county titles in nine years.

"First, I always tried to get the best assistant coaches possible," Perry said of his success. "Then we sought to eliminate mistakes as far as possible."

After stepping down as Bowling Green's head football coach in 1964, Doyt Perry remained as the BGSU athletic director for six years.

ABOUT THE VARSITY BG CLUB

The Varsity BG Club is an exclusive organization open only to former Bowling Green State University varsity letterwinners, who, for a non-tax deductible contribution of $10 per year, can help operate the club and support BGSU athletics at the same time. Almost 500 former Falcon letterwinners were Varsity BG Club members last year. Again this year, the Varsity BC Club is offering a lifetime membership for $100; no other dues will ever be required. Lifetime memberships for those 65 and older are only $50.

The Varsity BG Club undertakes three major projects each year, the first of which is the spring Recognition Reception honoring the College Coach of the Year, the High School Coach of the Year, and the Special Recognition Award Winner. Then in July we will enjoy another Doyt Perry Golf Outing at the BGSU Forrest Creason Golf Course. Each fall, the annual Varsity BG Day festivities take place in conjunction with a Bowling Green football game. It’s a great day to return to campus and visit with former classmates and teammates.

We are looking forward to another big year for the Varsity BG Club and Falcon athletics, and all we need from you is your participation.

"CONVENIENCE AT ITS BEST"
WOMEN'S BASKETBALL TEAM IS YOUNG BUT TALENTED
Voll's Squad Will Improve As The Season Progresses

What goes around comes around. After winning three Mid-American Conference regular-season titles and four MAC tournament titles with basically the same nucleus of players, Bowling Green State University women's basketball coach Fran Voll now faces the season after the nucleus has departed.

It's an inevitable cycle that all coaches eventually face.

To make what could have been termed a "rebuilding year" even worse, BG has lost the services of LORI ALBERS for the season after undergoing reconstructive knee surgery on her right knee in August. Albers averaged 8.6 points and 6.3 rebounds last season to earn MAC Freshman of the Year honors.

"She is probably the most talented athlete this conference has ever seen," said Voll, who has a 130-45 record in six seasons at BG. "You can't lose somebody like her and not feel it."

Also gone from the 22-9 team of one year ago is 6-2 center Angie Bonner, 5-11 forward TECCA THOMPSON and 5-11 guard ERIN VICK, the first player off the bench. Both Bonner and Thompson graduated while Vick opted to concentrate on her studies.

"We went from losing two players, Angie and Tecca, to losing four with Lori and Erin not playing this season," Voll said. "We were young last year and we will be young again."

The Falcons do return three seniors with 6-1 forward TRACI GORMAN the most experienced player on the squad. The coaching staff is looking for Gorman to step up her game a notch after averaging 9.8 points and 4.9 rebounds last season. Voll hopes Gorman's experience, having been a vital member of the team the last three years, will help the younger players develop.

The two other seniors are 6-0 forward HEATHER FINFROCK and 5-4 point guard WANDA LYLE. Finfrock averaged six points and three rebounds last season making 17 starts while Lyle started all 31 games also averaging six points while handing out an average of 3.2 assists.

"I don't think we have been this inexperienced since my first year at Bowling Green," Voll said. I just want us to be a good team. If we can survive the early games, we have a chance to be a solid club before the year is over."

Among the other returning letterwinners is a center, two guards, one forward and one player that can play in both the backcourt and the frontcourt.

Six-foot-two center KATIE MCNULTY is the only "true" center among the returning players. McNulty averaged two points and two rebounds last season in 24 games. Other candidates along the front line include a pair of 6-0 sophomores. ANDREA NORDMANN, who played in 29 games last year averaging 2.2 points, and JUDIT LEDVAY, who played in 21 games averaging 2.4 points. Ledvay can also play a guard spot.

In the backcourt, besides Lyle, Voll will have 5-4 junior CATHY KOCH returning along with 5-6 sophomore JENNIFER KENNEDY. Koch averaged 4.3 points and led the team dishes out 3.5 assists. Kennedy played in 19 games averaging 1.4 points.

One of the keys to the season will be the development of the newcomers who will have to contribute.

Voll expects most if not all the first-year players to have an impact on the program this season led by 5-4 point guard SUSIE CASSELL. Cassell was the Division I (large school) Ohio Player of the Year last season for state champion Pickerington High School. She averaged 18 points and nine assists as a senior.

Others members of the talented class include 6-1 center J.J. NUESMEYER (19.2 ppg., 11.0 repg), 5-11 forward TANGY WILLIAMS (15.0 ppg., 10. repg.) and 5-9 swing player TALITA SCOTT (19.5 ppg., 14.0 rpg.).

To complicate matters even further, the 1990-91 squad faces one of the toughest schedules in the history of the program. The Falcons have home dates with Big Ten foes Michigan State and Illinois while they have road games against the likes of Purdue and Michigan, also from the Big Ten, along with a trip to North Carolina to play in the Tar Heels' tournament.

The women begin the season Nov. 24 at Dayton before hosting Illinois State Nov. 28 at Anderson Arena. The Falcons open MAC play Jan. 2 on the road against Miami.

"This will be a little different basketball team with so many new people," Voll said. "But there have been a lot of things that have been good to us that we will stay with."
