Merry Christmas to You

NOEL SONG

"I want to feel that the day is real to everyone I meet. I want to know that love and mercy have been given away in packages other than those tied with red tape."

This is what Ernestine Schumann-Heink asks of Christmas Day, and in the wish of this immortal songstress, whose "Stille Nacht, Heilige Nacht" has charmed the world on many Christmas Eves, one finds expressed a sentiment the world is richer for.

Madame Schumann-Heink at seventy two is alone in the world; a woman whose beauty has been kept alive through giving loveliness. She has known pain; her sons were taken from her. Still on Christmas Day she will be waiting for them to come to her; and they will come because she has faith and perhaps that is why on Christmas Eve when she sings of the first blessed noel, her voice carries with it all the joy and gladness of a heart that is full of light and warmth, mingling the finer, more abstract essences of faith and love, and on Christmas Day she will be waiting for them to come to her; and they will come because she has faith and perhaps that is why on Christmas Eve when she sings of the first blessed noel, her voice carries with it all the joy and gladness of a heart that is full of light and warmth, mingling the finer, more abstract essences of faith and love, and on Christmas Day she will be waiting for them to come to her; and they will come because she has faith and perhaps that is why on Christmas Eve when she sings of the first blessed noel, her voice carries with it all the joy and gladness of a heart that is full of light and warmth, mingling the finer, more abstract essences of faith and love, and on Christmas Day she will be waiting for them to come to her; and they will come because she has faith and perhaps that is why on Christmas Eve when she sings of the first blessed noel, her voice carries with it all the joy and gladness of a heart that is full of light and warmth, mingling the finer, more abstract essences of faith and love, and on Christmas Day she will be waiting for them to come to her; and they will come because she has faith and perhaps that is why on Christmas Eve when she sings of the first blessed noel, her voice carries with it all the joy and gladness of a heart that is full of light and warmth, mingling the finer, more abstract essences of faith and love, and on Christmas Day she will be waiting for them to come to her; and they will come because she has faith and perhaps that is why on Christmas Eve when she sings of the first blessed noel, her voice carries with it all the joy and gladness of a heart that is full of light and warmth, mingling the finer, more abstract essences of faith and love, and on Christmas Day she will be waiting for them to come to her; and they will come because she has faith and perhaps that is why on Christmas Eve when she sings of the first blessed noel, her voice carries with it all the joy and gladness of a heart that is full of light and warmth, mingling the finer, more abstract essences of faith and love, and on Christmas Day she will be waiting for them to come to her; and they will come because she has faith and perhaps that is why on Christmas Eve when she sings of the first blessed noel, her voice carries with it all the joy and gladness of a heart that is full of light and warmth, mingling the finer, more abstract essences of faith and love, and on Christmas Day she will be waiting for them to come to her; and they will come because she has faith and perhaps that is why on Christmas Eve when she sings of the first blessed noel, her voice carries with it all the joy and gladness of a heart that is full of light and warmth, mingling the finer, more abstract essences of faith and love, and on Christmas Day she will be waiting for them to come to her; and they will come because she has faith and perhaps that is why on Christmas Eve when she sings of the first blessed noel, her voice carries with it all the joy and gladness of a heart that is full of light and warmth, mingling the finer, more abstract essences of faith and love, and on Christmas Day she will be waiting for them to come to her; Will Someone Please Explain

The method of procedure in the recent popularity contest has given the writer food for thought. An explanation for these questions would be appreciated.

It was generally understood that the contest was sponsored by the Key Staff. If this were so, perhaps someone will please explain to why a member of the staff kept insisting that the staff had nothing to do with this contest. Was the staff ashamed of the contest, or were they afraid to admit that possibly everything was not as it should have been?

Who was the nominating committee? Was it representative of all groups?

Another thing! Why was the ballot box removed so early in the afternoon? There were a large number of people who desired to vote after 2:00 p.m., but the ballot box was gone. Why was it not left in the lobby until after 4:00 p.m.?

Was this election on the level?

---

**Personal and Impersonal**

I like B. G. because of: the fine faculty we have... the wonderful student body... which include many fine ladies and gentlemen... an attractive band... organizations to be proud of... beautiful buildings... Mike Seibert's smile... John Miller's witty sarcasm... an interesting group of pre-professional students... many beautiful romances... our fine athletic department... the interesting post-mortems of the pre-medics... the ego displayed when there is nothing to be egotistic about... Dr. Kohl and his lectures... they are to be appreciated... our debaters... a fine library even if we don't recognize it's value... the dances and entertainments... Professors Powell and Holt Humor... the association with friends which I shall never forget.

---

**TRAINING SCHOOL PREPARES FOR XMAS**

The Training School is making preparations to celebrate the coming holiday in various ways. All the grades are learning carols, reading and telling stories, and making preparations for a Christmas party to which the mothers will be invited. Most of the grades are making gifts to present to their mothers at that time.

Several of the grades are making special preparations. The sixth has three separate projects afoot. One group is dramatizing the Christmas Bible story, another is dramatizing the Italian Christmas, and a third is making a creche. The fourth grade is also making a creche. Pantomimes of Christmas stories are being made in the third grade. They are also making Christmas cards. The Kindergarten is especially beautifully decorated. The Christmas excitement is very plainly in the air at the Training School.

---

**Announcements**

**CHRISTMAS PARTY**

The Kindergarten-Primary Club Christmas Party will be on Wednesday, Dec. 13, in the Kindergarten Room in the Training School. Everybody be there!

---

Dr. Slater has accepted the sponsorship of this year's Junior class.

---

**TRAINING SCHOOL NOTES**

The Sixth grade have completed three projects as a review of the study of Greece. There are models of the Acropolis and Amphi theatres, and a movie review of Greece.

There were a number of visitors to the Training School the past week. Mrs. G. W. Beattie and Mrs. G. W. Beattie visited the Second Grade. Mrs. H. A. Schaller and her sister, Mrs. H. A. Watkins, the former Alice Dewees, visited the kindergarten. Mrs. Watkins was a student of Bowling Green Normal College in 1926. Before her marriage she taught for two years in Perrysburg Junior High School.

---

**SHATZEL NEWS**

Did any of the boys and girls of the college see Mae Myrice riding on the little-bitsy sled?

The girls on the second floor are recourseful. When the lights in the rooms were out they moved their tables into the hall. One girl even placed a busy sign over her desk.

The tables for Sunday dinner were very quiet, especially that one table on the left.

That girl that never shuts a door.

Boy! Is the show popular on Sundays? A week ago Sunday twenty girls went. Last Sunday about thirty went. The reason is that there are bargain prices if over ten go.

Married Granddaughter: "Tom and I have arranged our holiday. We're going to hike."

Grandma: "It's wonderful how popular that place has become. Everybody seems to be going there nowadays."
SOCIAL EVENTS

Seven Sister Sorority
What did you say? Why—of course? You are right! The pledges to the Seven Sisters Sorority entertained the members, spon-
sors, and guests with a Christmas Party Monday evening at the Seven Sister House. The Christmas Spirit was carried out in the program and games. The decorations and favors of the season were used also. After the social hour delightful refresh-
ments were served and everyone left with a lasting memory of the joyful occasion.

QUILL-TYPE
Quill-Type held the last meeting of the year 1933, Wednesday, Dec. 13. At this meeting several new members were taken in. After a short business meeting, Miss Evelyn Baker took charge of the program which consisted of the following: short speeches by the visiting past members of the club, Misses Miller, Fortney, Hicks, Morrissey and Masars. Beckman and David-
son; vocal solo by Miss Robinson; and a violin solo by Miss Curtis accompanied by Miss Waterman.

The next meeting of the club will be Wednesday, Jan. 10. The program will be as follows: reading, Miss Knapp; paper, Mr. Asmus; musical selection, Mr. Doeh-
ing; and a talk, Mr. Smith.

HOME ECONOMICS CLUB
The December meeting of the Home Economics Club was held in the Practical Arts building last Wednesday evening.

In the short business meeting a report was given concerning the work of the Ser-
vice Committee by Viola Bates.

Following this the program, which aimed to carry out the Christmas spirit, was giv-
en by various members of the Home Econ-
omics Club. This gave some notions from which many of our numerous customs, such as Santa Claus, the Christmas tree, hang-
ing the stocking, singing of carols and the sending of greeting cards, have been de-

The program was as follows:
Violin solo by Minnie Milloff.
Reading, “Christmas Bill of Fare”, by
Lois Haynes.
Carol Information by Fern Kaiser.
“Good King Wenceslas”
“O Tannenbaum”
“O Holy Night”
were given by a group of girls led by Helen DeTray.
Talk on Christmas Customs by Florence Howard.
Clarinet Duet, “Star of the East” by
Fern Kaiser and June Ogle.
Talk on Christmas Customs by Flossie Wray.
“Hark the Herald Angels Sing”
“O Little Town of Bethlehem”
“Silent Night”—by the Club.

EMERSON MEETING
At the meeting of Emerson Literary Society on Wednesday, Dec. 13, the program was “In the Musical Realm”. Rachel Con-

traced the development of modern light opera and told the story of “Pinafore”.
A selection from this opera, “I Called Little Buttercup” was sung by Bernice Kising, accompanied by Miss Conn. Anna Hurrell then told the story of Jenny Lind, her per-
sonality and her success.

Linda Dill presided over the parlia-
mentary practice session. The motion discussed was that all future notices of the Emerson Literary Society be posted in asbestos, so that they will not be destroyed in case of fire. The group had practice in “laying the motion on the table” and later “removing it”.

Frances Gerding was voted into the soci-
ety.

Y. M. C. A. AND Y. W. C. A.
HELD JOINT MEETING
The Y. M. C. A. and Y. W. C. A. held their first joint meeting on Thursday, December 7. After several group songs, Robert Stevens led in deviations. Mr. and Mrs. L. E. Fauley then presented a very interesting program. Mr. Killey sang Ward Stephens’, “In My Father’s House Are Many Mansions”, accompanying himself on the piano. Mrs. Fauley followed with the thought-provoking reading, “The Mansion” by Henry Van Dyke. Max Dunipace, Y. M. C. A. head, who had presided, pronounced the closing benediction.

Both societies are looking forward to another joint meeting in the future, and are hoping that they will be permitted soon again to enjoy the artistry of Mr. and Mrs. Fauley.

MATHEMATICS CLUB
President—Arthur E. Wohlers
Vice-President—Mary Hall
Sec.-Treas.—Helen C. Sterling
Faculty Advisor—Dr. Frank C. Ogg

The Mathematics Club of Bowling Green State College was organized and functions to improve the Mathematical appreciation and expression of its members. Any stu-
dent of this college is eligible to become a member of this organization upon passing the first six weeks of Integral Calculus. Meetings are held every four weeks on Wednesday night at which the programs consist of a paper and discussion on some mathematical topic, a brief treatment of some personality, and mention of some puzzle and question box.

After the program refreshments, which were also in keeping with the yuletide sea-
son, were served in the beautifully decorated home economics dining room.

FIVE BROTHERS
Have you heard the latest? Carl Step-
hens was placed on the All-Ohio Intercol-
legiate team as tackle. Murray was placed on the third team as quarterback. These men well deserve these honors. Stephens will be back with us next year although Murray will not.

COMMONER NOTES
The first degree was given to pledges Seibert, Panning, Andres, and Doehring by the Commoners’ Fraternity at their meeting last night, Tuesday, Dec. 19th. The boys will commence more concentrated effort in learning the honest labor of Commoner-
ship directly after the holidays. Got any coal you want heaved, snow shoveled?, soft water carried?

Foreign Language Club
A trip through foreign lands was made by the Foreign Language Club Thursday, December 7, when Miss Nielsen lectured on Germany and Spain. Lantern slides illus-
trated the travelogue, which began in Hamburg and followed the Rhine past the Rhein-
fels, the Mousetower and the Lorelei. Ber-
lin and Cologne were not neglected, nor were the Black Forest, Heidelberg or Ober-
zimmerei, where Anton Lang, the man who represents Christus in the Passion Play, was seen at work making beautiful pottery.

On the way to Spain a short stop was made in Switzerland. The monastery of Montserrat near Barcelona commanded atten-
tion, and after passing through towns in Andalusia and Castile the party broke up in the royal palace at Madrid.

Edna Miller, president of the Club, an-
nounced that the committees on language will meet Thursday, December 14 at 4 p. m. in Miss Nielsen’s room, to make plans for the year’s work. Miss Baird will appoint the committee on Spanish.

Kindergarten-Primary Club
Enjoyed Christmas Party
The Kindergarten-Primary club had a de-
lightful and very lovely party in the Kind-
gerden on Wednesday, Dec. 13. The Kindergarten was beautifully decorated with evergreen branches, candles, pictures, and so on. When the members arrived, each was given a different colored star. Each color represented a group. In this way the members were divided for games. A surpri-
ised speaking quartet recited selections. Miss Simmons told a story very effectively. Lunch was served at about 8:30, then the group sang songs before breaking up.

A co-ed at the University of Wisconsin took a journalism class unawares when she displayed a sleeveless vest jacket made up of remnants from numerous schools in the U. S.—N. S. P. A.
MUSIC RECITAL

Last Wednesday night students of the Music Department presented the second of their monthly recitals. As before, the program was presented to a large audience in the large studio in the Practical Arts building. So well-given was the program that every listener surely received the kind of inspiration that only good music is capable of giving one. So well received was the program that the persons performing could not give other than their best. In fact the program seemed perfect in every respect and that probably accounts more than anything else for the enthusiasm on the part of those hearing the program.

The first number of the program was a piano solo by Miss Krouse. This was followed by Miss Hutchins also playing a piano solo. The third number was a vocal solo by Miss Wentling accompanied by Miss Brubaker. Miss Gill then rendered a piano number. Miss Hutchins again appeared on the program in singing two vocal numbers. She was accompanied by Miss Whittlesey. Two of the first year students, Miss Avery and Miss Short then played two piano numbers each to be followed by Missso's vocal interpretation of three numbers. She was accompanied by Lester George, the only male soloist on the program who sang two numbers accompanied by Miss Gill.

The evening was brought to a pleasant climax by the concluding numbers by the Choral Literature Group under the direction of Miss Hall. The next recital is on Jan. 24, 1934, and it is looked forward to as something special in the Music Department.

MENS' GLEE CLUB FORMED

The Mens' Glee Club, one of the newer organizations of the campus, has lately undergone a complete rehabilitation, and now promise to become a really strong talent in the structure of our college. All praise, of course, must go to Mr. L. E. Fauley, the capable advisor and Director of the group.

At the rehearsal of Tuesday, Dec. 12, the following officers were elected:

President—Howard Haise
Vice-President—"Doc" Allensworth
Secretary—Troy Fisher
Treasurer—Lawrence Ringenberg
Assistant Secretary—George Rohrs
Bus. Mgr.—"Doc" Allensworth

The club plans to go Christmas carolling this week, and is to take part in the Christmas program of the Music Department on Thursday night.

Another special endeavor of the Club is the organization of a quartette which consists of Tenors: "Doc" Allensworth 1st, and J. R. Edwards 2nd; Basses: Erich Kopp, 1st, and Howard Haise 2nd.

LETTERS TO A FRIEND

Unknowingly my friend, you have performed a great service by asking, "Is One's Religion Justified?

I may be wrong or sluggish in my views according to the "Embryonic Intellectual", who is running at large on the campus, but when this rudiment has an "intellectual sunrise" and has established a justifiable ground for criticism, this state of undevelopment will then see my point. It also happens that I have been severely criticized by a fellow man, concerning my attitude towards religion. Suppose we speak of him as Dr. Jekyll.

First these two very charming personalities wish to reform me. Second, they say I'm wrong in my thinking. Dr. Jekyll was very astonished when the "E. I." informed him that I believed in God. I'm very sorry I shocked him. Because I believe in God and the Bible and will not tear the Bible apart and hunt for "so-called flaws", that one Dr. J. said that part of my brain was lying dormant. He also stated that it held me back from developing my mind, that I dare not think freely, and was just a waste of time. Also it was hinted that when I threw over my belief, I might leap ahead by (Sat-anic) bounds, or in other words have an "intellectual sunrise". Well here is my answer to these two persons and to anyone else whom it may concern.

First, I accepted this faith of my own free will and regret not that I have done so. Second, some day I shall stack that part of my brain which is called "sleepy" against the highly developed atheistical mind. Third, if it turns out to be a waste of time I will not know that it is so, but if it is not a waste of time, the profits are all mine. Fourth, I accepted God to believe and love, not to criticize. Fifth, if I cannot obtain success in this life without throwing away religious that success is not worth having. Therefore, in closing I say, let men who first examine and criticize himself, be before beginning to reform his fellow men. He that buildeth a straight path for many usually stumbleth with many.

Yours truly,

K. H. S.

BEE GEE NEWS

STUDENTS PASS PETITION ON SOPH CLASS ELECTION

The following petition has been circulating on B. G. S. C. campus for the past week. Undoubtedly, there are things here that should be looked into, and the Bee Gee News backs the movement whole-heartedly. But in so doing, we wish to stress the importance of the last clause of the resolution, i.e. "it's the principle of the thing". The petition reads:

Whereas, the following questions have been raised in connection with the Degree Sophomore class election:

(1) The legality of the appointment of the nominating committee.

(2) The fairness of the selection of nominees by the committee.

(3) The lack of a quorum at the class-meeting which passed on the nominees.

(4) The legality of the parliamentary tactics by which these nominees were "rail-roaded" through the meeting additions or discussion.

(5) The biased attitude of those in charge of the ballots.

(6) The intimidation and persuasion of voters by those in charge of the ballot-box.

(7) The fairness of the count of the ballots and the determination of the winners; and whereas, the suggestion of "machine-politics" implied by these discrepancies is a blot on the character of Bowling Green State College, and a disgrace to the record of the Sophomore class.

Be it resolved, by the undersigned Sophomores and other college students, that we hereby petition for an immediate cancellation of the results of the election, for an investigation of the above enumerated points by the administration, and for the calling of a Sophomore class meeting to nominate candidates in a proper manner; and be it further resolved, the undersigned are not questioning the integrity or ability of the election candidates, but merely the means by which they were elected.

Little Bobby returned home from school the other day looking very much the worse for wear.

"I've been fighting," he replied to his mother's question.

"But why?" she asked as she bathed his damaged eye.

"All because I allowed a boy in the class to copy my arithmetic problems," replied Bobby.

"What!" exclaimed mother, "Do you mean to say that this boy fought you just because you allowed him to copy your work?"

"Yes, mother," said the boy miserably.

"You see, they were all wrong."

"Hello, where have you been?"

"To the station to see my wife off for a month's vacation."

"But how black your hands are!" "Yes, I patted the engine."

Quoted from Lit. Dig.
FALCON'S WIN OVER KENT

Saturday night, Dec. 16, after suffering a defeat at the hands of Baldwin-Wallace the Falcon's donned their fighting spurs and defeated Kent State College, 35-31. It was a close battle but B. G. outplayed their opponents and came out on top.

Paul Shafer was again high point man scoring 15 points. Shafer was the scoring ace last year. At Ohio Northern he won the game in the last 15 to 30 seconds of play.

We have a fine team this year and it is the duty of the student body to get behind them and push them up to the top of the Ohio Conference standing.

Wednesday night the Bluffton Beavers are coming here to battle the Falcons in a cage combat. Let's be out there 100 percent, forget our dignity and cheer and BEAT BLUFFTON.

INTERCLASS BASKETBALL

The interclass basketball schedule will get under way this week. The managers are requested to watch the bulletin board in the Physical Ed. building. The practice games will all be played this week.

INTRAMURALS

The games scheduled for last week did not change the standing of the league very much. The Delhi's have managed to keep their lead—along with the House of Scoop, Miller's Onion Peepers and Rich's Cafeteria.

It might be interesting to note that seven of the men on the House of Scoop team are on the Freshman squad. Undoubtedly this helps to keep their team up toward the top of the ladder.

The standing follows:

CAMPUS SHADOW

Have you seen her yet? Perhaps not. 'Thought last week she had me sure, but I slipped away. Funny! I had but a fleeting glimpse of her face—it wasn't human. What will she do over Christmas? will she glide about the halls, talk with the white rats, sour the milk of human kindness? "Ah, that secret, black, and midnight bag! What is it you?"

BASKETBALL SCHEDULE, 1933-34

Dec. 20th—Bluffton
Jan. 13th—At Dayton U
Jan. 16th—Toledo U
Jan. 19th—At Ohio Northern U
Jan. 24th—Findlay
Jan. 27th—Alumni (Homecoming)
Jan. 29th—Detroi City
Feb. 3rd—At Otterbein
Feb. 9th—Marietta
Feb. 12th—At Bluffton
Feb. 16th—Heidelberg
Feb. 20th—Ohio Northern U
Feb. 27th—At Toledo U

Women's League basketball games start this week. Watch the Phy. Ed. bulletin board for the schedule of the games.

Meeting Wednesday night after practice and games, of all captains and managers.

M. Silva, Head of B. B.

BALDWIN-WALLACE

DEFEATED FALCONS

Friday night, Dec. 15, the Falcons traveled to Berea to play their opening game. The Falcons played a beautiful game, offensive and defensive, during the first half. In the second half B-W started shooting and made a lot of them good. Shafer was the high point man for B. G. and Powell held the same honor for the Bereans.

FIRST ROUND OF DEBATE TOURNEY UNDER WAY

The first debate of the first round of the Intramural Debate Tournament was held on Thursday, Dec. 14, in room 300A. The question was, "Resolved that the powers of the President of the United States should be substantially increased as a settled policy." The affirmative was upheld by Meltha Carter and Dale Kellogg, representing the Emerson Literary Society, while negative view was supported by Barton Schwarz and Dick Ellis, the Y. M. C. A. team.

The judge, Yvonne Steffani, awarded the decision to the negative team, but admitted that the contest was very close. In her decision, Miss Steffani pointed out many violations of correct debate form due to the inexperience of the speakers. Possibly the most humorous as well as the most vital of these errors occurred just after the presentation of the last constructive speech. The chairman, Lyle Beek, had announced that there would be a 5 minute intermission, but Mr. Kellogg, unaware of this, fired with zeal and enthusiasm over the question, arose and launched into a fiery rebuttal speech. This reversed the order of speaking for all the rebuttals.

The sponsors of the Tournament, the Eta chapter of Pi Kappa Delta, have amended the rules so that a team must lose two contests to be dropped from the competition. The Y. M. C. A. and Emerson teams will therefore meet the winner and loser of the Five Brothers-Commoners debate, which is to be held in the near future.
