What Bowling Green head coach Gary Blackney can accomplish for an encore to the 1991 season is a challenge he is looking forward to. Then again, challenges are something that have followed him throughout his coaching and personal life.

The effervescent Blackney has won the hearts of many in the Bowling Green community, both on and off campus, as well as many in Northwest Ohio and the state despite being on the job only 20 months. He also earned the respect of the coaches in the Mid-American Conference with the turnaround he orchestrated last season.

There wasn't any doubt in the minds of his colleagues when the voting for MAC Coach of the Year came around last fall. They were unanimous in their selection of him as the top mentor in the MAC.

It is not hard to believe why the vote was unanimous.

All Blackney did, in not only his first season at BGSU but his first season as a collegiate head coach, was take a 3-5-2 team and turn them into an 11-1 squad. The Falcons clinched the MAC title with two weeks of the league schedule still remaining, which is believed to be the earliest any team has ever wrapped up the title.

The final standings showed BG with a perfect 8-0 mark while the second place team finished at 3-1-4.

The top first-year coach in the country last season, Blackney was just the fifth coach in MAC history to lead his team to an outright conference title in his first season. He is also the winningest first-year head coach in BGSU history. The 11 wins by the 1991 team tied the school record.

In addition to his being named the top coach in the MAC, Blackney was also recognized by his peers, members of the American Football Coaches Association, as the Region 3 Coach of the Year. Region 3 includes schools in the states of Ohio, Indiana, Michigan and Illinois. In addition, the schools of Wisconsin, Minnesota and Iowa are also included in the region.

Blackney also received the Award of Distinction from the Touchdown Club of Columbus in February for his work with the BGSU football program last year.

But, in a sport that involves so many people, it would not be fair to give all of the credit for the 1991 Bowling Green State University football season to one person. But, certainly to find the mastermind behind the resurgence of the program one would have to look no further than Blackney.

The Blackney File
Full Name: Gary Richard Blackney
Age: 47
Birthdate/Place: December 10, 1944/Astoria, New York
Hometown: Plainview, New York
Height/Weight: 5-8/180
Began at BGSU: December 5, 1990
High School: Plainview High School, '63 - College: Connecticut, '67
Wife: Lauretta
Children: Debbie (25), David (24), Kyle (18), Gary Jr. (14)

Blackney, BG quarterback Erik White (third from left), NCAA Executive Director Richard Schultz (far left) and Al Fellhauer, representing McDonald’s, gather for a picture following last year's Vern Smith dinner. Blackney received his Coach of the Year award while White was named the Player of the Year.
Blackney, 47, began immediately to work on the confidence of a squad that had never had a winning season. At the same time, he wanted to test the commitment of the team. It didn’t take Blackney or his staff long to find out the team was thirsting for a winner and looking for someone to put the pieces together. Blackney was that person.

A little less than two years ago, Blackney realized his dream of becoming a collegiate head coach. He certainly paid his dues serving as an assistant coach the previous 21 years at such programs as Wisconsin, UCLA, Syracuse and, most recently, Ohio State. The list of coaches he served under ranks among the best in the collegiate game - such as Dick MacPherson, Terry Donahue, Earle Bruce, Ric Forzano and John Cooper.

The Plainview, New York native began his coaching career at his alma mater, Connecticut, in 1968, where he spent two seasons as a graduate assistant on a staff that included, in addition to Forzano, current Notre Dame head coach Lou Holtz, former Cleveland Browns head coach Sam Rutigliano, Dave Adolph and Dan Sekanovich, both NFL assistant coaches.

That was followed by stops at Brown and Rhode Island, in addition to the aforementioned schools, with all but two of those seasons spent on the defensive side of the ball. Last season was the sixth time in the last eight years Blackney has helped a team to a bowl bid.

The Falcon mentor spent much of his time since the conclusion of the 1991 season speaking to different public and civic groups as well as speaking at many football camps and clinics.

His success story is certainly one that makes all people feel thankful for their own situation.

In March, 1986, Gary’s wife, Lauretta, suffered a basilar artery aneurysm which has led to her need for 24 hour care ever since.

Forced to take over the duties of running the household, which were previously handled by Lauretta, Blackney made the necessary changes and still keeps up with the demands of being a head coach and a father.

A lesser person may have felt pity for themselves in that situation, but not Blackney.

“I look at Lauretta’s situation and know she could call it quits. But she keeps competing to get better and better. If you want to talk about endurance and courage, look at her - not me.”

Gary and his wife have four children, Debbie, David, Kyle and Gary Jr.

The 10 member institutions have a total enrollment of better than 220,000, with individual enrollments ranging from 16,000 to 30,000, and have produced more than one million alumni. The MAC is the fourth-largest conference in the country in terms of undergraduate enrollment.

Throughout its existence, the MAC has been in the forefront of national legislation that has enhanced the academic integrity of intercollegiate athletics. The MAC has had an academic progress rule, strengthened admittance standards and qualitative grade point average requirements for its student-athletes long before the NCAA adopted or discussed implementing such academic standards.

The MAC currently sponsors 18 championships. In men's sports, the MAC has sponsored championships in football, baseball, cross country, golf, tennis, and track and field since its founding, and added swimming and wrestling championships five years later.

In 1980, the MAC Council of Presidents voted to bring women's athletics into the conference structure. The MAC currently sponsors women's championships in basketball, cross country, field hockey, gymnastics, softball, swimming, tennis, track and field, and volleyball.

The MAC is the only Division I conference with its own Hall of Fame. A total of 43 individuals has been inducted into the MAC Hall of Fame in its first five years of existence, including 16 inductees with football backgrounds. Some of those include Ara Parseghian (Miami), Doyt Perry, (Bowling Green), Bo Schembechler (Miami), Jaci Lambert (Kent) and Phil Villapiano (Bowling Green).

Numerous MAC football teams and players have received national recognition during the MAC's 45 years. Bowling Green was recognized as the national small college champion in 1959, and Ohio won similar honors in 1960. After MAC teams achieved major college status, Toledo compiled a 35-game winning streak from 1969-71, the second-longest streak in modern major college football history. Miami beat Florida, Georgia and South Carolina in the 1973, 1974 and 1975 Tangerine Bowls. In the last few years the non-conference victims of MAC teams include opponents from the Big Ten, Big Eight, SEC and WAC.

MAC WINNER IS VEGAS BOUND

After an 11-year association with the California Bowl, the Mid-American Conference and the Big West Conference will be sending their winners to the “Entertainment Capital of the World” for the first Las Vegas Bowl this season.

The game will be played Friday, Dec. 18 at 8 p.m. (EST) in the 32,000-seat Sam Boyd Silver Bowl. The contest will also be televised by ESPN live to more than 52 million homes across the country.

“We believe this bowl game will give both conferences the exposure needed to show the quality of football played to the entire country,” said Karl Benson, the MAC commissioner. “ESPN is planning to telecast at least seven bowl games and the Las Vegas Bowl will be the first one of the season. I think that’s very important. It’s going to be prime time in the Eastern time zone.”

The MAC and Big West have a two-year agreement with Las Vegas Events Inc., a dynamic civic organization which is responsible for bringing various national and international events to the city of Las Vegas.

The Silver Bowl has the distinction of being the first stadium in the world to feature a Monsanto Corp. outdoor retractable turf, a state-of-the-art surface which gives the facility its multi-purpose capability. “The Magic Carpet,” as it is known, is made of heavy nylon and was installed during the summer of 1985.

The Mid-American Conference has put together a very affordable package for the bowl game. For $370 from Detroit and $385 from Cleveland a person will get three nights hotel accommodations at the Riviera Hotel, the official team hotel for the MAC champion, round-trip air fare, round-trip transfers between the Las Vegas Airport and the Riviera Hotel, game ticket and round-trip transfers from the hotel to the Silver Bowl, a downtown “street party” on Thursday night, buffet dinner for two and an evening of entertainment at one of the famed Las Vegas shows. Interested people are asked to contact Holiday Travel Center in Bowling Green at (419) 352-6567.

DECEMBER 18, 1992

The Sam Boyd Silver Bowl will serve as the home of the Las Vegas Bowl.
Senior Carlos Brooks (#10) and sophomore Vince Palko (#30) are returning starters for the Falcons on defense.

TODAY'S GAME

The Falcons are working on a modest seven-game streaks in today's contest. The Falcons will be looking to extend a touchdown or less.

FALCON FOOTBALL MAGAZINE

TURNOVERS HAVE BEEN THE KEY: One key to BGSU victories, and victories by any football team, is keeping the turnovers to a minimum. In BG's two losses this season, they turned the ball over six times in both contests and had a turnover margin of -4 for those games. In the three BG victories this season, the Falcons have turned the ball over just six times in both contests and had a turnover margin of +1.27. The Falcons were tied for ninth in the nation last season in turnover margin at +1.27.

—BG—

BOBCAT BULLETS: Ohio coach Tom Lichtenberg is now in his third season heading the Bobcat program compiling a 4-21-2 record during his tenure. Lichtenberg and his staff will look to get the Bobcat offense on track having scored just 12 points in their four losses this season and just three points in their last three contests. OU is coming off a 13-0 setback to Akron in which they had 271 yards of total offense but gave up 446 yards. OU is yielding an average of just under 400 yards per contest. OU relies heavily on the running of junior Tim Curtis who has averaged 4.2 yards per carry this season while rushing for almost 100 yards per outing (457 yards in five games). OU quarterbacks Tom Dubs and D.R. Robinson have completed just 43% of their passes while throwing six interceptions in 125 attempts. Wide receivers Courtney Burton and Chris Jenkins are the leading targets. Defensively, OU is led by their tandem of inside linebackers, both seniors, leading tackler Scott Zele (58 stops) and Troy Vespie (56 tackles). Outside linebacker Jason Carthen has 37 tackles, nine of those for a loss. OU has yet to intercept a pass this season.

—BG—

SZLACHCIC ROLLS ON: BG flanker Mark Szlachcic continues to show why he is one of the best in the country after a six-catch, 90-yard performance against Central Michigan last week. Now third on the BG career list with 152 receptions (1986-89, 158 catches). Szlachcic has caught a pass in 30 straight games.
Coors LIGHT BEER

IT'S THE RIGHT BEER NOW!
Catches like this one against Ball State last season are becoming commonplace for senior wide receiver Mark Szlachcic.
Senior Steve Bosko is one of only two linemen returning this season for the Falcons. Bosko started at guard last season, but will switch over to center for the '92 campaign.

THE FALCON CLUB NEEDS YOU!

To Our Falcon Fans:

You are the key to success for our Falcon teams! The BGSU Athletic Department depends on the Falcon Club to raise more than $250,000 in 1992. This money will help fund athletic grants-in-aid, assist in the recruiting of prospective student-athletes, and provide funding for athletic facilities budgets.

Members of the Falcon Club are alumni, parents, friends and fans who provide financial support, volunteer hours and advisory expertise to the BGSU athletic program and share in the many benefits the Falcon Club has to offer.

The Falcon Club has ambitious goals for 1992 and is eager to involve YOU in our activities. The need to support our program is at an all-time high. Your financial contribution and BGSU's athletic program are a winning combination.

We are very proud that Bowling Green's athletic program is recognized as one of the best in the country. All of our 19 teams are highly competitive and very representative. Falcon Club membership offers you the opportunity to support these teams. Falcon Club donations have greatly aided our program, and to continue that winning tradition throughout the 1992-93 campaign will require another supreme Falcon Club effort.

I look forward to having you join the Falcon Club in 1992!

Sincerely,

Fran Voll
Associate Athletic Director

I am interested in learning more about the Falcon Club and its activities.

It's official. Bowling Green State University's $9.8 million addition to the Fine Arts Center is now open. The new facility was dedicated during ceremonies on Oct. 8.

For the first time, all five divisions of the School of Art are now housed under one roof, a roof which is three times larger than the original fine arts building.

The building, according to School of Art Director Thomas Hilty represents not only a bold commitment to the arts on campus, but also promises to make the University an art showcase for all of northwest Ohio.

"It was a major decision by the University to build the facility as we did," Hilty added. "It is extremely well equipped and was not an inexpensive venture."

The University offers bachelor's degrees in five areas of specialization: art education; art therapy; design, both graphic and environmental; art history; and studio art, which includes ceramics, computer art, crafts, fiber and fabric, jewelry and metalsmithing, painting, drawing, photography, printmaking, sculpture and glass.

The Fine Arts Center goes beyond just fulfilling fundamental requirements. With the new Hiroko Nakamoto and Dorothy Uber Bryan galleries and an outdoor sculpture garden, the facility offers about 7,000 square feet for displaying both student works and major art exhibitions.

"We're definitely going to be able to bring to Bowling Green outstanding artists and exhibitions on the national and international levels which people from all over northwest Ohio will be able to enjoy and learn from," Hilty said.

Featuring a high ceiling and beautiful northern hard maple floor, the Dorothy Uber Bryan Gallery is the Fine Arts Center's largest exhibition area and was made possible by a $250,000 donation from Dorothy and Ashel Bryan of Bowling Green. Dorothy Bryan is a respected and successful artist whose mixed media paintings have been exhibited throughout Ohio.

The Hiroko Nakamoto Gallery, which is adjacent to the Bryan Gallery, was constructed under the supervision of Nakamoto, an internationally known interior designer and a Bowling Green alumna. Her design experience includes the interiors of the New Zealand and Royal Netherlands embassies in Japan as well as the Tokyo Branch of Manufacturers Hanover Trust Co.

Representing Ohio's artistic heritage, a large glass mural made by world-renowned "glass man" Dominick Labino (1910-1987) is located at the Bryan Gallery entrance. Mounted into the wall, "A Flow of Color," as it was named by Labino's wife, Libby, measures nine feet in length by three feet in width and is illuminated by lights mounted directly behind the glass. The resulting colors, from cool blues to brilliant yellows, are startling.

"A Flow of Color" probably has some of the best color that Nick did in his panels," Hilty said. "You have to remember that he was an artist painting with color. Some colors in this piece have such a precise edge, where they divide from one another, that you would almost think it was stained glass, but it's not."

While students will have even greater opportunities to observe art, they also will have even better equipment to use while studying their respective disciplines.

More than $846,000 has been spent to provide new moveable equipment and furniture, including computer work stations, kilns, band saws, a forklift, an arc welder and dozens more items, not including equipment previously used at older locations. Plus, approximately $21,000 has been earmarked to purchase computer equipment.

"What makes this unique is not just the building space, but the equipment that's going into it," Hilty said. "That is what is going to make this facility really come together."

"Space doesn't create the program; it's the faculty, the equipment and the technicians. The Fine Arts Center is going to make its mark," Hilty predicted.

The $9.8 million building adds more than 61,000 square feet of space for the study of art on the campus. The building is now home to the 43 art faculty members and the more than 500 students who study art each year.
Since 1964, the Bowling Green State University Falcon Club has been a driving force behind one of the nation’s most successful athletic programs.

For the last 28 years, the Falcon Club has helped Bowling Green athletes achieve success in both intercollegiate sports and academic endeavors.

Although the Falcon Club’s primary purpose is to provide financial support for the intercollegiate athletic program, members also enjoy a number of benefits and special programs. Among them are priority seating for football, basketball and hockey, pre- and post-game parties, luncheons, travel opportunities with Falcon teams, greens fees for BGSU’s 18-hole Forrest Creason Golf Course, and priority parking in Falcon club lots.

This year, the Falcon Club has already held its annual “Meet-The-Team” cookout just prior to the start of the football season.

The 1992-93 hockey season begins next week and the start of the basketball season is not far behind. Falcon Club members will be active throughout the winter and spring, cheering on all of the Falcon teams.

Fran Voll, associate athletic director, feels the Falcon Club has been growing in membership thanks to a very active and interesting calendar of events.

“Our annual membership drive got off to the best start in Falcon Club history last spring with nearly $240,000 raised in cash and pledges,” Voll said. “We’re excited about our calendar of events which revolves around our very competitive athletic schedules for the 1992-93 year. We’ve already enjoyed a Falcon Club reception in Columbus during the BG vs. OSU football weekend and of course our Falcon Club tent will be filled with activity before and after our five home football games.”

The Falcon Club today bears little resemblance to the flegling group of BGSU backers 28 years ago. For one thing, membership has grown from 137 members in 1964 to this year’s goal of 1,700.

During the late 1960s, the Falcon Club grew within the framework of the University’s Development Office, located at the time in the Alumni House, site of the BGSU Popular Culture Center today.

Throughout its history, the Falcon Club has looked for ways to expand its scope. In 1983, the Falcon Club of Toledo opened. A chapter in West Central Ohio, serving Lima and Wapakoneta, followed in 1984. Another chapter opened that same year in the greater Cleveland area.

“We continue to see growth and development in our membership and be prepared to take an even greater role in the support of our athletic teams,” Voll said. “Our goal is to reach out to all prospective Falcon Club members and include them in supporting one of America’s finest sports programs. The key is offering Falcon Club members a number of special events, like organized trips to BG games, luncheons and more.”

Bowling Green State University Athletic Director Jack Gregory believes the Falcon Club is a very important aspect of the athletic department.

“The Falcon Club is an exceptional organization,” Gregory said. “It’s bigger and better than ever, and we feel its potential for growth is unlimited. We’re very pleased with all the support we have received from the Falcon Club members.”

“Bowling Green State University Athletic Director Jack Gregory believes the Falcon Club is a very important aspect of the athletic department. “Our recent successes in athletics and in the Falcon Club makes us feel proud to wear the Brown and Orange,” Gregory added. “Each year, we face the challenge of maintaining our proud position through the dedicated efforts of our student-athletes, our coaches and administrators. It’s good to know that we have the support of the Falcon Club members. They enable us to set and reach our very ambitious goals at Bowling Green State University.”

The Falcon Club and its members were very visible at last year's Cal Bowl game.

#BG home game
THANKS, B.G.!

We're not the most conspicuous copier store in the area. Which is why your business means so much to us. You see, we know that you know that story: while the big universities get the attention, BGSU just does its job... and develops programs, academic and athletic, to rival any in the Midwest! So... thank you, BG, for letting Goodremont's and Minolta to help you in "reproducing" your very considerable accomplishments.

In large measure, Bowling Green State University’s success has centered on its ability to offer its students the educational diversity and excitement of a large university, while maintaining the caring and camaraderie of a small college.

That’s a direct result of Bowling Green’s research and teaching commitment, which attracts top scholars and graduate students and puts the University on the cutting edge of the development of exciting new knowledge, combined with a “We Care” attitude that students are introduced to when they first arrive on campus.

Today, the University has nearly 1,000 full- and part-time faculty and 18,000 students on its main campus. Degree programs are offered through the colleges of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology and the Graduate College. Within the undergraduate colleges are schools of Art, Mass Communication, Nursing, and Health, Physical Education and Recreation.

In all, the University offers more than 170 undergraduate degree programs, 13 master’s degrees in 69 fields of study and doctoral degrees in 14 departments with more than 60 specializations.

In addition to courses on the main campus, the University’s Firelands College campus, located in Huron, Ohio, offers five associate degree programs, as well as courses which fulfill the first two years of a bachelor’s degree requirement. Firelands enrollment tops 1,400 students.

Fully accredited at the highest state, regional and national levels, the University has chapters of most national academic honor societies, including Phi Beta Kappa and Phi Kappa Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant Colleges.

The University’s faculty members, 78 percent of whom hold Ph.D’s, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of academic programs which are regionally and nationally recognized.

Three departments—chemistry, philosophy and industrial/organizational psychology—are home to Ohio Eminent Scholars. The scholar program was created by the Ohio Board of Regents to attract world-class educators and researchers to the state’s universities.

While committed to teaching, faculty are researchers as well, generating new knowledge through independent research and involvement in University units such as the Population and Society Research Center, the MidAmerican Center for Contemporary Music, the Center for Quality, Measurement and Automation, the Canadian studies program, the Center for the Study of Popular Culture and the Social Philosophy and Policy Center.

Bowling Green is also the site of the National Drosophila Species Center and the Mid-America Stock Center—the largest scientific facilities of their kind in the world—where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University’s students come from throughout the United States and nearly 60 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. Last year, more than 4,000 “non-traditional” adult students enroll in undergraduate and graduate programs on a full- or part-time basis.

The focal point of the 1,177-acre campus is the nine-story Jerome Library, with its collection of more than four million items, including 1.6 million volumes plus journals, periodicals, microforms, government documents and other materials. Special sections of the library include the Center for Archival Collections which houses materials relevant to northwest Ohio history and the Sound Recording Archives with 600,000 recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry’s past and present.

The University is continually refurbishing its more than 100 existing buildings and upgrading facilities to meet current needs. This fall, a $9.8 million addition to the Fine Arts Building will be completed. Early next year, the $8.7 million field house should be ready for use. Pending approval of funds by the legislature, construction is scheduled to begin this fall for a $13.5 million classroom building and a $9.5 million major renovation of Eppler Hall.

The University has also accomplished its goal of making computers a vital part of each students education. There are 19 computer labs, including one in every residence hall complex.

The Jerome Library is the focal point of the University.

The Student Recreation Center offers something for everyone.

A lot has happened since Dr. Paul J. Olscamp arrived at Bowling Green 10 years ago as the University's eighth president.

Building upon the inherent strengths of the University's faculty and its academic programs, Olscamp charted a course that would move Bowling Green into the ranks of the country's most important colleges and universities. The effort focused on teaching, research and service and has involved a University-wide commitment to excellence.

He adopted the slogan "An Environment for Excellence," a clear indication of the vision he had for Bowling Green.

Early in his administration, Olscamp and the faculty outlined the task ahead in a 27-goal document called the Role and Mission Statement. Most of the goals centered on improving the quality of undergraduate and graduate students; academic programs; learning resources, particularly computing and the library; and the faculty development, including recruitment of minority faculty.

Now, as Olscamp begins his 11th year at Bowling Green, many of those original goals have been met and new priorities have been established, including additional scholarships for academically gifted students, strengthening the graduate program and further enhancement of the University's endowment.

One of his most important accomplishments has been to fully involve the faculty in University governance. Faculty now have a key role in developing the annual budget and share authority with the president in interpreting the University's Academic Charter. The faculty also have greater control over the curriculum and development of new academic programs.

While always a concern, finances have taken center stage in recent years. With a tightening state budget, Olscamp has directed efforts to increase private giving. During his tenure, the school's endowment has increased to nearly $500 million from $125 million when he arrived.

Olsmap also brings a personal touch to his presidency. He frequently hosts both students and faculty at his home. He also holds periodic forums with students wanting to discuss campus issues.

A great deal has happened at Bowling Green since 1982. Here are some of the highlights:

**Academic Programs**
- Creation of Bowling Green's first endowed professorships, in management, finance, chemistry and philosophy.
- Development of the Center for Photochemical Sciences, the only one of its kind in the country. Photochemistry is a multibillion dollar growth industry and some key research for that industry is being conducted at Bowling Green.
- Development of the Center for Quality, Measurement and Automation, the only center of its kind in the state designed to assist manufacturing and other businesses in the design and production of products.
- The appointments of three Ohio Eminent Scholars in photochemical sciences, moral philosophy and industrial organizational psychology; the positions are the result of three $100,000 grants from the Ohio Board of Regents.
- The addition of doctoral programs in applied philosophy and photochemical sciences; the 13th and 14th Ph.D. offerings at BGSU.
- More than 205 students are National Merit Scholars, one of the highest numbers on any campus in the country.
- Establishment of the University's first major scholarships for minority students.
- Creation of a network of computer labs throughout the campus, including labs in each residence hall. Last year computers were being installed in each room of one residence hall, part of a pilot project which could result in other residence hall rooms being equipped with computers. One survey has BGSU listed 35th in the country in the number of personal computers on campus.
- Securing more than $5 million from the Board of Regent's Selective Excellence Programs, which are designed to attract top scholars, conduct pioneering research and develop centers of excellence. Grants have been awarded in both the sciences and the humanities.
- Creating a Canadian studies program emphasizing Canada-U.S. trade relations and economic development in the northwest Ohio region.
- Expansion of the library's holdings to more than four million items, including 1.7 million books, plus journals, periodicals, microforms, government documents and other materials.
- Development of the Student Telephone Access Registration system which enables students to schedule their classes from a touchtone telephone. The STAR system has made long registration lines a part of University history.

**Physical Plant**
- More than $132 million has been spent in the past 10 years for the construction of new buildings and upgrading existing buildings.
- Completion of the $7.2 million Physical Sciences Laboratory Building in 1984 and a $3.65 million addition to the Business Administration Building in 1988 and a $9.8 million addition to the Fine Arts Building.
- Construction is now nearing completion on an $8.7 million field house and is scheduled to begin soon on a $13.5 million classroom building.
- Construction is now nearing completion on an $8.7 million field house and is scheduled to begin soon on a $13.5 million classroom building.
- Major renovation and refurbishing of existing campus buildings including Williams, Overman, Hayes and Shatziel halls, and Eppler Complex. Construction of a $2 million office building to house faculty and staff temporarily displaced by renovation projects and later to be used for permanent offices.

**University Finances**
- Creation of an internal endowment fund of $4 million from various University reserves. The balance is approaching $8 million and is expected to reach $10 million in 1994. Interest on the $10 million principle will be used to supplement the academic budget.
- Developing a plan to restructure debt service obligations which is projected to result in a $35 million annual saving.
- Completion of the most successful fund raising drive in University history. With the assistance of the development and alumni office, the 75th Anniversary Fund raised more than $45 million in three years; well above the $25 million goal. Donations included the University's first two $1 million gifts—from the Stranahan Foundation of Toledo for the Social Philosophy and Policy Center and from Harold and Helen McMaster of Perrysburg for the McMaster Leadership Institute. In 1988 the Stranahan Foundation awarded a $3 million grant to the Social Philosophy and Policy Center.
- Currently underway is a $1 billion endowment fund campaign for the Arts which will benefit theatre, music, art, dance and Arts Unlimited programs. As of July 1, 1992, more than $1.3 million had been raised.
The tradition of excellence that is Bowling Green State University athletics continued in 1991-92 as five Falcon teams established school records for victories, three captured league titles and two student-athletes earned Academic All-America honors.

As we move further into the final decade of the 20th century, the accomplishments of BGSU’s coaches and student-athletes solidify BGSU’s place as one of the top athletic programs in the country.

Bowling Green sports teams of the 1980s achieved a level of success matched by few and, based on the performance of Falcon teams in the first two years, the 90s seem headed in the same direction.

Bowling Green claimed 24 conference titles during the 1980s, 19 in the Mid-American Conference and four in the Central Collegiate Hockey Association. In addition, twenty-one teams were involved in post-season play in the NCAA, NIT and California Bowl.

The following is a brief synopsis of each program in the BGSU Athletic Department...

**BASEBALL** - The program has a young, energetic leader in third-year head coach Danny Schmitz, who will be looking to develop one of the top programs in the region. Schmitz, who played eight seasons of professional baseball, coached in the minor leagues at the AAA level. Many former BGSU players have gone on to play professional baseball including two of the top pitchers in the game - Roger McDowell and Orel Hershiser - who play for the Los Angeles Dodgers.

**MEN’S BASKETBALL** - After making back-to-back postseason appearances for the first time in 30 years in 1989-90 and 1990-91 under head coach Jim Larranaga, a young BGSU squad won 14 games last season and almost defeated the MAC champion in the league tournament. Historically, BGSU leads the MAC in postseason appearances (22 games), victories (eight) and number of All-Americans (eight). Former NBA standouts Nate Thurmond and Al Bianchi are among BGSU’s alumni. Thurmond and coaching great Harold Anderson were inducted into the National Basketball Hall of Fame in 1985.

**WOMEN’S BASKETBALL** - The Falcons boast the most successful first-year head coach in the country in Jaci Clark who led a tradition-rich program to 24 victories last season. The Falcons should be a league favorite again this season with 10 letterwinners returning, including the top five scorers. The Falcons are the winningest team in MAC history having captured four league tournament titles and made four trips to the NCAA Tournament. Over the last six seasons, the program has won over 75% of its games. The success of the program has attracted large crowds to Anderson Arena, including an MAC record crowd of 4,100 for BG’s NCAA Tournament victory over Cincinnati in 1989.

**CROSS COUNTRY** - The program is in good hands with Sid Sink in charge of the men and Steve Price directing the women. Sink, a former track and cross country All-American at BGSU, coached the BG women to four CC titles in the 1980s. Now, he’s working his magic with the men. Price, an experienced coach on the national and international level, is in his third year as the head coach.

**FOOTBALL** - The Falcons will look to repeat a storybook 1991 season which saw rookie head coach Gary Blackney tie the NCAA record for most wins by a first-year head coach as BGSU won 11 contests, the MAC title and the California Raisin Bowl. The Falcons will be looking to become the first team to repeat in the MAC since 1980 while earning a bid to the Las Vegas Bowl. The program has won nine league titles. BGSU alumni include former NFL all-pros Phil Villapiano (Oakland) and Mike Weger (Detroit) and Doug Smith, who will begin his 15th season with the Los Angeles Rams this year.

**GOLF** - Coach Greg Nye’s men’s and women’s golf teams play on some of the most challenging courses in the country and in some of the most prestigious tournaments on the collegiate level. The Falcon men’s program has won four MAC Championships and made four NCAA Tournament appearances while the women’s program is annually among the best in the region.

**GYMNASTICS** - Year in and year out, Coach Charles Simpson fields an MAC title contender. With three MAC titles since 1980, the Falcons have qualified as a team for postseason competition five of the last nine years. In each of the last four seasons, his teams have consistently increased the school record for team score led by Mary Beth Friel, who qualified for the NCAA regional meet each of the last three seasons.

**HOCKEY** - A winning tradition is what the Falcon hockey program is all about. One of only five teams in the country to earn 20 or more wins every year between 1981 and 1990, BGSU will be looking to make its fifth NCAA Tournament appearance in the last seven years this season. In all, the Falcons have appeared in nine NCAA Tournaments winning the 1984 national title. Coach Jerry York ranks among the best collegiate coaches of all-time with 429 career wins having led the Falcons to four CCHA regular season championships and one league playoff title. In all, the Falcons have won seven
confident future for the program. The Falcons last won the MAC Championship in 1988, a year that ended with BGU playing host to the NCAA Midwest Regional. Last season's squad was the runner-up in the MAC.  

SWIMMING AND DIVING - Coach Brian Gordon, MAC Co-Coach of the Year in 1988, returns for his sixth year. The Falcon women have made winning a habit. Thirteen dual meet wins in 1991-92 established a school record while they have never finished lower than third in 12 MAC meets. The men's team improved to 4th in the MAC last season, their second best finish in the last 10 years. The Falcons train at beautiful Cooper Pool, one of the midwest's top swimming and diving facilities.

TELEVISION - The Falcon tennis teams have the advantage of playing and practicing at one of the finest facilities of its kind in the region - Robert Keppe Courts. The men's team, under the guidance of second-year coach Dave Morin, finished third in the MAC last season and he returns his entire lineup intact for the 1992-93 season. The women's program is under the guidance of Penny Dean, who is in her third season.

Matt Mahaney
Junior, Inside Linebacker
6-2, 235 - Columbus, Ohio

Matt’s progress as a member of the BGSU football team has been slowed by a run of injuries to his right knee and surrounding areas. Matt has missed all of this season to date since re-injuring his knee at the scrimmage held right before the start of the season. Matt has worked hard to rehabilitate his knee and is just 20% off of what is normal strength for the knee. He is expected to make it back this season before the year is over. Before his injury earlier this season, Matt was working at the inside linebacker spot behind starter Artie Mangham.

Below is a capsulized look at Matt’s career at BGSU and his background: 1991: was the back-up to starter Mike Calcagno at inside linebacker for most of the season...made the travel roster for all six road games and the California Bowl...was credited with one tackle for the season...1990: a scout team linebacker on a team that was stacked with veterans at the linebacking position...1989: scout team linebacker...High School: a two-year letterman and team captain for Coach Ron Shay at Columbus Watterson High School...helped Watterson win two league titles (1986 and 1988) and reach the 1987 state regional finals...earned all-league and all-district honors...named hardest hitter on the team...was an honor roll student and student council president at Watterson...Personal: a business administration major...son of John and Sandra Mahaney...born Dec. 16, 1970.

Eric McGhee
Freshman, Tailback
5-7, 170 - Bridgeport, Ohio

After a strong beginning to his red-shirt freshman season, Eric McGhee was hit by one of the bad aspects of football - an injury. Last week at practice, Eric broke his left ankle and will miss the remainder of the season due to the injury. Prior to the injury, Eric was returning kickoffs for the Falcons and had averaged 19.2 yards on 14 returns through the first four games.

Below is a capsulized look at Eric’s career at BGSU and his background: 1991: a scout team running back...High School: a two-year letterman under head coach Jim Thomas at Wheeling Central Catholic, just across the Ohio River from Bridgeport, where he played as a freshman and sophomore...was named the winner of the Kennedy Award which is given to the top player in West Virginia and includes players from all classes...also named the top player in the state by the Morgantown (WV) Touchdown Club, the Scholastic Coach/Gatorade Circle of Champions, the Atlanta Touchdown Club and USA Today...one of the most prolific runners in high school football in 1990...rushed for 2,479 yards as a senior averaging 8.1 yards on 307 carries...had 3,002 all-purpose yards as a senior (384 on punt and kickoff returns) while scoring 34 touchdowns...12 of his 34 rushing touchdowns were 50 yards or more in length...rushed for 4,044 yards (7.9-yards per carry average) in his two years at Central Catholic and 62 touchdowns, both school records...helped Central Catholic to an 11-1 record as senior, losing in the state semifinals, and the Ohio Valley Athletic Conference championship...WCC was 8-2 in his junior year...a two-time first team all-state (2A) selection as well as all-league and all-valley (picked by the Wheeling Intelligencer)...also earned letters in basketball, where he helped Central Catholic to the state title as a junior and the runner-up spot as a senior, and baseball...Personal: undeclared major...son of Curtis and Sheila McGhee...born Feb. 19, 1973.
ATHLETIC DIRECTOR JACK GREGORY

Since his appointment 11 years ago as director of athletics at Bowling Green State University, John C. (Jack) Gregory has set a standard of excellence designed to place Falcon men’s and women’s teams on equal terms with today’s elite intercollegiate athletic programs.

To reach these goals, Gregory challenges his staff of administrators, coaches and classified personnel to settle for nothing less than the best. His challenge has resulted in some of the finest moments in the history of intercollegiate athletics at BGSU:

- the 1984 NCAA Division I Ice Hockey Championship;
- 15 Mid-American Conference regular season championships in football, men’s and women’s basketball, softball, women’s cross country, gymnastics and men’s golf; and volleyball;
- four MAC Bowl appearances;
- four MAC postseason tournament championships;
- three Central Collegiate Hockey Association regular season championships;
- one CCHA postseason tournament championship.

- 17 NCAA Tournament appearances in hockey, basketball, softball and gymnastics, including 15 in the last six years, the most of any MAC school;
- three home NCAA Tournament berths in hockey, softball and women’s basketball;
- an unprecedented five MAC championships in the second time in the last five years.

Postseason appearances by five BGSU teams highlighted the 1990-91 and 1989-90 seasons. The appearance of the men’s basketball team in the NIT for the second consecutive year marked the first time since the early 60s that the program had earned back-to-back postseason invitations. In 1989-90, Bowling Green was the only school in the country that sent teams to national postseason tournaments in men’s and women’s basketball and hockey.

Gregory came to Bowling Green during one of the most difficult periods in the school’s 73 years of intercollegiate athletics, a time when BGSU and the MAC were fighting for NCAA Division I-A status in football. Behind Gregory’s leadership, the football program attained I-A status.

Record crowds have attended Falcon football, hockey and women’s basketball games during Gregory’s tenure. Soccer, volleyball, gymnastics and softball are drawing larger crowds, too.

Another “first” during Gregory’s tenure occurred in the fall of 1990 when more than 25,000 fans turned out for the first night game in Perry Field history.

In 1983, 33,527 fans packed Perry Stadium to witness the Bowling Green-Toledo football clash, one of college football’s best rivalries. BGSU and MAC single game attendance marks fell that afternoon. Two years later, the Falcons drew a record 112,110 fans for five home games, the third-largest average attendance (22,422) in MAC history. In 1987, Bowling Green set still another MAC attendance record by playing in front of 84,574 fans at Penn State.

Sell-out crowds for BGSU hockey games are a tradition. In 1989-90, 1,700 seats were added to the BGSU Ice Arena, and all attendance records were broken, including single game (5,005) and season (79,376) marks.

With the growing interest in TV sports programming, Gregory has aggressively negotiated for live television coverage of BGSU sports events. Last year, Falcon football, basketball and hockey all attracted live TV coverage. This year promises more of the same. Falcon football and basketball will be aired as part of the MAC Game of the Week broadcasts, while Falcon hockey will continue to play in front of a national TV audience as part of the CCHA Game of the Week.

With the world of college athletics changing constantly, it is important for Gregory to be as active on the national level. Gregory has served on numerous NCAA committees including the Executive Committee and is one of the most active athletic directors on a national level in the MAC. He has also served in many different capacities, in both the MAC and CCHA.

Gregory, 64, has also been instrumental in the development of the Falcon Club, the University’s official athletic department booster club. Recent membership drives have encompassed all of northern and western Ohio, resulting in unparalleled growth in cash and pledges. The Falcon Club has more than doubled its income and grown to such an extent that is compares favorably with any athletic support organization in the country.

Still, Gregory understands the integrity of college athletics depends on the continued emphasis of the “student” in student-athlete. In that regard, he appointed an academic coordinator in 1984, the first such appointment in the MAC.

Many BGSU student-athletes have excelled in the classroom. Volleyball’s Linda Popovich became the MAC’s first female to receive the Byers Scholarship in May, 1990. There were more than 160 BGSU scholar-athletes with grade point average of 3.0 or better in 1991-92, including three who were named an Academic All-American, raising the total to 18 Academic All-Americans in the last six years.

A 1952 graduate of East Stroudsburg State College and holder of a master’s degree from Temple University, Gregory and his wife, Peg, reside in Bowling Green. They are the parents of two sons and have two grandchildren.
Today's Halftime Show
BGSU FALCON MARCHING BAND
October 10, 1992

Glenn Miller...Benny Goodman...Duke Ellington...Count Basie. These names bring to mind memories of an era gone by: of ballrooms and night clubs where big bands taught us to swing, and of evenings spent by the radio dreaming of far-away places like the Palomar Ballroom and the Cotton Club. Today the Falcon Marching Band takes you back to the age of swing with familiar melodies guaranteed to set your toe tapping!

In 1938, Glenn Miller exploded on the scene with a unique sound all his own. Although his career was tragically cut short, he became a legend during that time, and many of his songs have become synonymous with the big band era. We open today’s show with a lively medley of four of his greatest hits: “In the Mood”, “Little Brown Jug”, “String of Pearls”, and “American Patrol”.

Duke Ellington’s signature tune, “Take the ‘A’ Train”, opens our second medley. Written by Billy Strayhorn, this tune was named after the New York subway’s Eighth Avenue express train, known as “A”. We continue with Ellington’s “It Don’t Mean a Thing (If It Ain’t Got That Swing)” which, in 1932, marked one of the earliest appearances of the term “swing” for the popular music beat.

Benny Goodman earned the title “King of Swing” with his appearance at the Palomar Ballroom in 1935. We salute the “King” with a rollicking version of his hit, “Stompin’ at the Savoy”. And what big band medley could be complete without recognizing the “Count”? We know you’ll remember his trademark tune, “One O’Clock Jump”.

Our tribute to the swing era concludes today with “Big Noise from Winnetka”, first recorded by Bob Crosby as a filler for the “B side” of another recording! It was later to be recognized as one of his greatest charts. Keep your eyes open as the Falcon Band demonstrates some fancy footwork and smart marching as we close in grand big band style!

Our show today was designed by first year graduate assistant, David Wieser.

VARSITY BG CLUB SAYS
GO FALCONS!

ABOUT THE VARSITY BG CLUB
The Varsity BG Club is an exclusive organization open only to former Bowling Green State University varsity letterwinners, who, for a non-tax deductible contribution of $20 per year, can help operate the club and support BGSU athletics at the same time. Almost 600 former Falcon letterwinners were Varsity BG Club members last year. Again this year, the Varsity BG Club is offering a lifetime membership for $200; no other dues will ever be required. Lifetime memberships for those 65 and older are only $100.

The Varsity BG Club undertakes two major projects each year. In July we will enjoy another Doyt Perry Golf Outing at the BGSU Forrest Creason Golf Course. Each fall, the annual Varsity BG Day festivities take place in conjunction with a Bowling Green football game. It's a great day to return to campus and visit with former classmates and teammates.

We are looking forward to another big year for the Varsity BG Club and Falcon athletics, and all we need from you is your participation.

MEMBERSHIP BENEFITS
All active members of the Varsity BG Club will receive:
- Membership in an exclusive organization open only to BGSU varsity letterwinners.
- A list of special activities and programs, such as the ones described above.
- Subscription to the quarterly newsletter.
- Personal satisfaction in contributing to BGSU athletics through your continued involvement.

A Mid-American Conference record crowd of 33,527 attended the Toledo-Bowling Green game in 1983.

Doyt L. Perry Stadium, with its 30,000-plus seating capacity, is celebrating its 27th year as the home of Bowling Green State University football.

Built in 1966 for approximately $3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Stadium for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out arch-rival Toledo at Perry Stadium in November. More than 28,000 fans turned out that day, raising Bowling Green’s season attendance to an all-time high 112,000, an

The third-largest crowd in stadium history (27,333) watched BG defeat Toledo last season on Ryan McElroy’s (#89) TD catch with 1:58 remaining.
average of 22,400.

Perry Stadium is more than just a football facility. The east side of the stadium includes dressing rooms, equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift four years ago. A physical fitness center/weight room opened its doors for all 19 intercollegiate athletic teams in the summer of 1988.

Also situated on the west side of Perry Stadium are the Falcon Club offices and clubhouse, the academic counselor’s office, the track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 13th year of operation, the Stadium Club’s 106 theater-type seats, which are all sold, provide loyal BGSU fans with a fine view of the game. The President’s Box, located on top of the east side of the stadium, provides luxury seating for President Paul J. Olscamp and other supporters of Falcon football.

Bowling Green won the first game ever played in Perry Stadium, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won over 65 percent of their home games, compiling a 81-42-5 record in the 128 games played at Perry Stadium. Over the last 10 seasons, Bowling Green is 37-9-3 at home for a .786 winning percentage.

A multi-purpose facility, Perry Stadium has also hosted concerts, NFL exhibition games, and major soccer tournaments.

Perry Stadium is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, according to the NCAA, Perry is fourth all-time behind Bob Reade (Augustana), Knute Rockne (Notre Dame) and Frank Leahy (Notre Dame) in winning percentage among coaches with at least 10 years of service on the collegiate level. Perry served as the BGSU Athletic Director for seven years after stepping down as football coach.

The Bowling Green State University Athletic Department recognizes and appreciates the efforts of the automobile dealers from Bowling Green, Maumee, North Baltimore, Marion and Toledo pictured on this page. The generosity of these people and their support of Falcon athletics enables BGSU coaches to be on the road to recruit student-athletes, scout opponents, and represent the University. Alma Mater
Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.
Time will treat you kindly
Years from now you'll be
Ever dearer in our hearts,
Our University.
From your halls of ivy
To the campus scene,
Chimes ring out with gladness
From our dear Bowling Green.
When all is just a mem'ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.

Retired Jersey
The only football jersey ever retired at Bowling Green is #29. It was worn by Paul Miles from 1971-73, when he rushed for 3,239 yards and 25 touchdowns. He was a three-time All-Mid-American Conference running back, gaining more than 1,000 yards in each of his three years on the varsity.

Frieda & Freddie Falcon
Frieda Falcon and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU Cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and the winners remain anonymous to the student body until each is beheaded at the last home hockey and basketball games. The Freddie Falcon tradition began in 1950 while Frieda Falcon was added in the 1979-80 athletic year.

Why The Falcons?
The 1992 season marks the 65th anniversary of Bowling Green's nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake ’23 suggested the nickname, Falcons, after reading an article on falconry. Lake, managing editor and sports editor of the BG Sentinel-Tribune at the time, proposed the name change because it fit headline space and because falcons were “the most powerful bird for their size and often attacked birds two or three times their size.”

Why Orange and Brown?
Burnt Orange and Seal Brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a woman's hat on a bus trip to nearby Toledo, Ohio. He liked the brown and orange color combination.

THEODORE JENKINS RECEIVES '92 ALUMNI SERVICE AWARD

A former president of the BGSU Alumni Board of Trustees, who has “done it all” in terms of service and support, has been selected to receive the Association's 1992 Alumni Service Award. It will be presented today in special pre-game ceremonies.

Theodore G. Jenkins ’54 of Oregon, Ohio, who recently retired after 35 years as Director-Human Resources Administration for the Libbey-Owens-Ford Company in Toledo, has served the Association and University magnanimously for many years. In addition to his alumni board presidency, he served the board as secretary, served as chair of the Association’s Long-Range Planning Committee and chair of the Awards Committee. He is now on the BGSU Foundation Board.

When the Association recently initiated the Alumni Association Endowment Society, to endow alumni programs and activities, Ted was the first person to join and his endowed gift will fund the annual Recent Graduate Award presented by the Alumni Association. He is also a member of the BGSU Presidents Club and the Falcon Club.

A retired U.S. Marine Corps Colonel, Jenkins remains quite active in community affairs. A trustee for Mercy Hospital in Toledo, he was selected as the “Outstanding Citizen” in Oregon in 1979. He is also involved in the Oregon Schools, in church activities, is a trustee for the YMCA, and more.

Larry Weiss, director of alumni affairs and associate vice president, noted, “It would literally take pages and pages in this program to chronicle what Ted has done for BGSU. He has been involved in numerous leadership roles for us and we always know that, when Ted is involved, the project will not only be completed successfully but will also be done with class and dignity. He is truly a caring person and we hope this award presentation will help reflect our great appreciation for all his efforts.”

Welcome Back BGSU Alumni

The Alumni Association and Athletic Department welcome all alumni who have returned to campus for today’s 71st Homecoming celebration and hope you will come back often.

A special welcome home is extended to those seven groups holding reunion activities today. Those groups are: the Bowling Green Pioneers (graduates of the 1920s-1930s); graduates of the 1940s, featuring the Golden Anniversary Class of 1942; Class of 1952; Class of 1962; Silver Anniversary Class of 1967; our Black Alumni; and our Hispanic Alumni.

Letter From The President

On behalf of the faculty, staff and students of BGSU welcome back! I also extend a most cordial welcome to our returning alumni! I have visited many of our alumni chapters during the year and have noted the vibrant enthusiasm and special pride you have shown in BGSU. It is a great school and you have helped to create this greatness by your accomplishments, your interest and your financial assistance. Our graduates can, and do, play an extremely vital role in this University - in what it is and what it can become. Our reputation for academic excellence ultimately will depend not only upon the research and teaching efforts of our faculty, but upon the performance and reputation attained by our graduates. This campus is certainly among the best in the country because of you. You have been instrumental in creating an atmosphere in which higher education can flourish, and we hope you have found your efforts rewarding.

Enjoy your visit with us. Thank you for your continuing interest in BGSU. Come back to see us often.

Sincerely,
Paul J. Olscamp
President

GO FALCONS! We look forward to a winning season and two MAC championships back to back!
