MEMORANDUM

TO: Administrative Staff Council Members

FROM: Bob Arrowsmith, Assistant Vice President for Student Affairs; Student Services and Financial Affairs

RE: Scholarship Program

Those members of the Administrative Staff Council who attended the ASC meeting on October 4 received printed information and heard details about the proposed Administrative Staff Scholarship Program. The discussion identified a need to contact administrative staff members about the program to solicit their views. The method agreed upon to contact the administrative staff members was the communication network recently established by ASC.

The primary concern was with the criteria to be used in selecting recipients of the proposed scholarship. It was felt that all administrative staff members should have the opportunity to make their views known with respect to the criteria. Additionally, there was some sentiment for identifying the measure of support for the program.

The attached survey has been developed to assist members of the ASC in soliciting the views of those administrative staff members assigned to them by the ASC communication network. You are being asked to make the contact by distributing the survey and by providing additional information about the proposed scholarship program when requested. As noted, completed survey forms are to be returned to Bob Arrowsmith, by Monday, October 29.

Administrative Staff Scholarship Fund

Goal: Establish a scholarship endowment fund through the Bowling Green State University Foundation with the intent of using the interest for scholarships.

Funding: Yearly fund drive to ask each of the 300 members of the Administrative Staff to contribute at least $12 a year equivalent to a contribution of $1 a month via both personal contribution or payroll deduction.

How: Each year, a committee be established to do two things:

1) handle the fund drive
2) distribute scholarship

Reasons for Such a Project:

Provide much needed scholarships to Bowling Green State University students.

Provide a visibility for Administrative Staff.

Increase amount of interest available for disbursement.

Will not interfere with current University fund drives.

If approved today for further review:

1) Need a committee of 3 or 4 volunteers to coordinate this project.
2) Meeting with Larry Weiss and Jim Hodges.
3) Prepare formal proposal to be presented next ASC meeting (October 4) followed shortly thereafter by the actual fund drive.
4) Develop for approval a formal agreement with the Foundation.
Administrative Staff Scholarship Program

The Administrative Staff Council is currently considering a proposal that would establish an endowed scholarship to be given to a student at Bowling Green State University. The principle of the scholarship would be $5,000 with interest being disbursed in the form of the actual scholarship. The $5,000 would be solicited from among members of the administrative staff with the total amount raised by 1986.

You have been given this form by your representative to the Administrative Staff Council as a way of soliciting your views on support for the scholarship and the possible criteria to be used in awarding the scholarship. Please take a few minutes to respond to the survey and return it as indicated.

MEMORANDUM

TO: Members of the Administrative Staff

FROM: Administrative Staff Council Scholarship Committee

The Administrative Staff Council is pleased to announce that plans for the Administrative Staff Scholarship Program have been completed. The response by the administrative staff indicates positive support for the scholarship program.

The scholarship program is intended to provide an opportunity for members of the administrative staff to demonstrate their support of the mission of the University through their contributions to the Administrative Staff Scholarship Program. The immediate goal for the program is to establish a scholarship fund with a corpus of $5,000, the interest on which will be distributed as a scholarship. The long-range goal is, through annual campaigns, to increase the corpus so that additional scholarships can be made available.

The views of the administrative staff, as indicated in the scholarship program survey guided the development of the scholarship criteria. These criteria are: 1) financial need as determined by the Financial Aid and Student Employment Office; 2) academic excellence as determined by an academic ranking in the top ten (10) percent of the college in which the student is enrolled; 3) class standing defined as a rising sophomore, junior or senior; and 4) enrollment status of part-time or full-time.

The campaign for contributions to the scholarship program will be low-keyed. When you receive the pledge card, please keep in mind that the success of the campaign is dependent upon your voluntary contribution to the scholarship fund.

Don't know the specifics of your agenda for the scholarship fund drive. I suggest the following for your consideration:

1)  Somehow encourage monthly deductions - be it $1, $2, $5, or $10 a month - it may encourage more to participate and/or repeat.

2)  Include the retired Administrative Staff among those solicited with a pre-stamped envelope.

3)  Include the reference that all monies donated will be included as part of the 75th Anniversary three year drive.

4)  Create a "generic" thank you card that will allow immediate response when a donation card is received.

You may have already included these four items, but I thought I would send them anyway.

Thanks for listening.

MEMORANDUM

TO: Administrative Staff
FROM: Deb Heineman, Chair-Elect
       Administrative Staff Council
SUBJECT: Administrative Staff Council Scholarship
DATE: February 25, 1986

As you know, the first Administrative Staff Scholarship will be awarded for the 1986-87 year. Over one hundred applications were submitted by students who met the established criteria (top 10% of College and demonstrated financial need) and desired consideration for the scholarship. The Scholarship Committee of the Administrative Staff Council has reviewed the applications and will soon be announcing the first recipient.

Based on the number of qualified applicants, the Administrative Staff members have obviously made a timely decision to create an endowed scholarship based on merit and financial need. In order to increase the amount and/or number of awards, it is necessary to increase the corpus of the scholarship. As you think about your contribution to the 75th Anniversary Campaign, please give strong consideration to designating all or a portion of your gift for the Administrative Staff Scholarship Fund. Your support for this scholarship will be sincerely appreciated by the students at BGSU.

Please contact me if you have any questions about the Administrative Staff Scholarship. Thank you.

RE: Administrative Staff Scholarship

At the Thursday, February 7, 1985 Administrative Staff Council meeting, Deb Heineman and Bob Arrowsmith officially opened the second phase of the first annual scholarship drive to obtain funds for this scholarship.

1st Phase - Executive Committee - to be completed by February 7, 1985

2nd Phase - Administrative Staff Council - to be completed by February 18, 1985

3rd Phase - Administrative Staff - to begin by March 7, 1985 and completed by April 4, 1985

Since you were not able to be at this meeting, I thought it important to forward the scholarship card to you. Even though the objective of this scholarship speaks for itself, the goal of this phased approach is 100% participation from both of the first two groups prior to contacting the full Administrative Staff.

Obviously, your participation does not guarantee 100% of the Administrative Staff will participate, but it does provide a good beginning to an extremely worthwhile long range endeavor by the Administrative Staff to help many students.

I ask for your thoughtful consideration and actual participation. The completed card should be sent to Deb Heineman, Student Financial Aid Office, by Monday, February 13, 1985.

If you have any questions, please call Deb Heineman (2-2657).

RE: ASC Scholarship

May 10, 1988

Please find enclosed a fact sheet and a pledge card for this year's ASC Scholarship fund-raising drive. I hope you will take a few moments and read the fact sheet and think about contributing again, or perhaps for the first time, to this worthwhile project. If you are interested in contributing, either through payroll deduction or through a one time gift, please complete the pledge card and send it to me no later than May 20th. If you have any questions about the pledge card, please give me a call at 2-2411. If it is a one time contribution, please include your check, and if it is a payroll deduction, for one month up to twelve months, just write in the amount and the date you would like the payroll deduction to begin and to end. If your deduction is to be ongoing, just put in the beginning date.

We provided a $600 scholarship this year to a most worthy student who has contributed much to both this campus and this community. We hope to continue to increase the endowment, so that the size of the scholarship will increase or will allow us some flexibility in offering a scholarship to more than one student. THANK YOU for your support of the ASC Scholarship.

RE: ASC Scholarship Update

Congratulations! Thanks to your efforts and generosity we have now received $1,579.50 in pledges and/or contributions toward the establishment of the Administrative Staff Scholarship.

In addition, the Alumni Foundation Board has agreed to match the amount collected by December 1985 up to a total of $2500. Since we will have collected at least $2500 by this date, the matching gift will ensure that the corpus of the scholarship will reach $5000 which is the amount needed for an endowed scholarship. This means that we will attain our goal of being able to award the first Administrative Staff Scholarship for the 1986-87 year.

We can all be proud of this accomplishment! If you have not yet contributed to this worthwhile cause, it is not too late. A pledge card has been enclosed which you can send to Deb Heineman, 450 Student Services, if you have not yet contributed to the scholarship fund.

Once again, congratulations!

SUBJECT: 1991 Administrative Staff Scholarship

We are pleased to announce that the 1991 recipient of the Administrative Staff Scholarship is Catherine Mae Haska. Cathy is currently a junior in the College of Health & Human Services majoring in Communication Disorders. She has a 3.91 G.P.A. and is in the University Honors Program. Her primary academic interest is in the area of American Sign Language and she is actively involved in a variety of projects in this area including ongoing research in the study of sign language and memory in hearing people. She has participated in two field study groups studying deafness in Washington, D.C. and is co-treasurer of Friends of the Deaf.

Cathy is a member of Alpha Lambda Delta Honorary fraternity, current President of Students for Choice, and President-Elect of the National Golden Key Honor Society. Additionally, she has spent the past three summers working at camps and schools for developmentally and physically disabled adults and children, serving as an assistant teacher and helping to develop physical education programs. Her future plans include graduate school in the field of audiology.

Through your generosity we are able to award Cathy a $1000.00 Scholarship for the 1991-92 academic year. During the next week all administrative staff members will receive an announcement of this year's winner and a reminder that they can still make contributions to the Administrative Staff Scholarship Endowment. This year we received over 300 applications for the Administrative Staff Scholarship, evidence of the growing pool of students looking for financial assistance. Your support for this scholarship will be sincerely appreciated by the students at Bowling Green State University.

RE: Proposed changes for ASC Scholarship application and process

Since there was much difficulty in differentiating between many fine applications last year and some inconsistency in Committee members' judgment of specific files, as well as financial information that was misleading, the 1991-92 Scholarship Committee has proposed the following changes in the ASC Scholarship application and process:

--the publicity should state explicitly that both part-time and full-time students qualify for the ASC Scholarship
--all applicants should include a transcript
--all applicants should include a list of 3 references with phone numbers
--the Committee will interview the top 3 to 5 finalists
--the application will have an essay component on the attached topic and be 500-900 words in length
--the committee will devise a scoring mechanism to judge applications
--the committee will attempt to get financial need information on each applicant based upon UNMET NEED rather than just "need" (last year several Nat. Merit students applied even though they have all tuition, fees, room and board paid.)
--the committee will publicize the availability of the scholarship more widely -- through the colleges as in the past, but also through Continuing Education, ads and personals in the BG News and Monitor and through student organizations and other offices on camps
--Pre-Major Advising would be added to the list of colleges on the application form
--the application form would include more room for listing of activities and honors and would ask specifically about leadership roles
--the application would ask for information on educational goals, family situation and specific information on amount they already receive in scholarships and grants
--applicants would be asked to continue on another sheet if they find that they need more space to fully describe their situation
--it would be spelled out in the application that the scholarship is to be used for continuation of undergraduate study, not for graduate work
--the application would include the listing of present employer(s) and employers' phone number(s)
--the application would include a "release of information" statement so the committee could seek further financial information if needed
--the applicants would be asked to state what their UNMET financial needs are
--any other specific financial information divulged by the applicant would be optional.
--the application would ask each applicant to provide the amount of this academic year's educational expenses, the amount of scholarships received for this academic year as well as amounts of other financial aid, including grants and loans received through federal and state programs. It would also ask them to estimate costs and expenses for the 1992-93 academic year
--the applications would be sent directly to qualifying students, rather than asking Colleges to forward applications to qualifying students within their college -- thus giving ASC more control over when the applications are mailed out and a certainty that they actually are
--the applications would be returned to the chair of ASC, rather than the Financial Aid office, thus making it clear to applicants that the responsibility for the scholarship rests with ASC rather than the FASE office and saving the FASE office from having to keep track of, store, and answer questions concerning the scholarship
--letters concerning outcome should be sent to the winner and those who apply and do not receive the scholarship
--the scholarship winner should be photographed, and publicity concerning the scholarship and the winner should be publicized both on campus and in the winner's home town
--if it does not already exist, a budget should be established to cover copying expenses, publicity expenses and phone calls necessary for the administration of the scholarship

MEMORANDUM

TO: All Administrative Staff

FROM: Administrative Staff Council
Greg Jordan, Chair

One of the goals of the Administrative Staff Council this academic year is to increase the endowment account for the Administrative Staff Scholarship. I am writing to ask for your participation and support in the accomplishment of this goal.

During the eight year history of our scholarship program, the endowment has grown significantly. The first Administrative Staff Scholarship was a $500 award, presented in 1986. Last spring, we were able to present a $1,000 scholarship to the winning candidate.

We are proud of the progress we have made in establishing this scholarship, and we are equally proud of the caliber of each of the students who have benefited from the award. However, ASC has not had a fund-raising effort for our scholarship since 1990. As a result, the growth of our endowment has slowed recently, while the needs of BGSU students have accelerated. Each of us is aware of the rising tuition rate and difficulty students have in obtaining low-interest loans. Last year, nearly 200 students applied for the ASC Scholarship. That is certainly an indication that the need is great.

With your support, we can help more students in the years ahead. Would you consider a gift of $25 or more to help us achieve that goal? Contributions can be made in the form of an immediate gift, a pledge, or payroll deductions. Payroll deductions can be designated as a one-time gift, spaced over a period of several months, or requested as an ongoing deduction. If you already use the payroll deduction plan to benefit our scholarship program, perhaps you would like to consider increasing your gift at this time.

I have enclosed a fact sheet explaining the criteria for our scholarship award as well as a list of past recipients.

Also enclosed is a pledge card for your use in making a gift. Be sure to note that your gift or pledge is for the ASC Scholarship and send it directly to Carl Peschel, Director of Foundation Accounts, Mileti Alumni Center, by December 17. We hope you will want to be a part of this worthy project. Every gift, regardless of the amount, will go a long way toward helping BGSU students in the future.
Administrative Staff Scholarship
Fact Sheet

The BGSU Administrative Staff Scholarship was initiated in 1985 through the creation of an Endowment Fund in the Office of Development at Bowling Green State University. Only the interest generated from the investment of the endowment funds is used for the scholarship award. The current endowment allows us to award a $1,000 scholarship.

Scholarship Criteria
Applicants must be undergraduate students (either full-time or part-time) who have at least two semesters of coursework remaining before graduation. Each applicant must rank in the top 10 percent of his/her college, demonstrate unmet financial need, and provide leadership and service to the University and the community.

Selection is based upon the overall quality of the application, including level and depth of involvement at BGSU and the community, the quality of the required essay, and criteria pertaining to the student's financial situation and how he/she plans to fund his/her college expenses in the next academic year. Preference is given to applicants who are closer to graduation, and to those who are currently working to pay their education expenses (unless their academic program makes holding a job impossible). After a careful review of the written applications, finalists are invited to meet with the selection committee for a personal interview. Each candidate is asked to respond to the same questions.

SCHOLARSHIP PROGRAM

The administrative staff at Bowling Green State University establishes an Administrative Staff Scholarship Program. The corpus of the scholarship will be established and increased through an annual giving campaign conducted among the administrative staff at Bowling Green State University. The corpus will be held by the Bowling Green State University Foundation and the scholarship will be administered by the Director of Financial Aid and Student Employment. The Administrative Staff Council, through its members and committees, is responsible for establishing and amending, as needed, the purpose and criteria of the scholarship program; for conducting the annual giving program; and for determining the recipient(s) of the scholarship.

3. Class standing defined as a rising sophomore, junior or senior.

Goal:
Establish a scholarship endowment fund through the Bowling Green State University Foundation with the intent of using the interest for scholarships.

RE: Administrative Staff Scholarship Program

The Administrative Staff Council (ASC) has been discussing the establishment 
of an endowed scholarship, funded by contributions solicited from members of 
the administrative staff. The corpus of the endowment must be $5,000 before 
the interest can be distributed in the form of a scholarship. Plans call 
for the $5,000 to be in-hand by March, 1986.

The ASC has requested that all members of the administrative staff be given 
an opportunity to express their support for the scholarship program and that 
they also be given the opportunity to identify possible criteria for the 
scholarship.

As your representative to the ASC, I (along with all other representatives) 
am sending the attached survey for you to complete. Please take a few minu-
tes to complete the survey and return it in the enclosed envelope.

If you have any questions about the proposed scholarship program, please 
contact me.

The Administrative Staff Council is currently considering a proposal that would establish an endowed scholarship to be given to a student at Bowling Green State University. The principle of the scholarship would be $5,000 with interest being disbursed in the form of the actual scholarship. The $5,000 would be solicited from among members of the administrative staff with the total amount raised by 1986.

You have been given this form by your representative to the Administrative Staff Council as a way of soliciting your views on support for the scholarship and the possible criteria to be used in awarding the scholarship. Please take a few minutes to respond to the survey and return it as indicated.

RE: ASC Scholarship

At the last ASC Executive Committee meeting we began to explore the next steps necessary to take in continuing the scholarship project. The issues of the collection of pledge cards, the standardization of the giving plan, and the goal to be set for our first drive were all raised. It was suggested that a proposal be developed regarding these issues and submitted to Jim Hodge. Would your committee be willing to prepare this proposal? The Executive Committee would be glad to assist you if needed.

Thank you very much for your consideration.

RE: Scholarship Program

Those members of the Administrative Staff Council who attended the ASC meeting on October 4 received printed information and heard details about the proposed Administrative Staff Scholarship Program. The discussion identified a need to contact administrative staff members about the program to solicit their views. The method agreed upon to contact the administrative staff members was the communication network recently established by ASC.

The primary concern was with the criteria to be used in selecting recipients of the proposed scholarship. It was felt that all administrative staff members should have the opportunity to make their views known with respect to the criteria. Additionally, there was some sentiment for identifying the measure of support for the program.

The attached survey has been developed to assist members of the ASC in soliciting the views of those administrative staff members assigned to them by the ASC communication network. You are being asked to make the contact by distributing the survey and by providing additional information about the proposed scholarship program when requested. As noted, completed survey forms are to be returned to Bob Arrowsmith, by Monday, October 29.

Know your product

Study the materials describing the scholarship. You will need to explain the overall program and focus upon those parts which might be of particular interest to your prospective donor. Tailor your talk to each new prospect and show your support by making your gift to the project prior to asking others.

Know your prospect

What would interest him/her most about this scholarship?

Make a personal visit

It is true that people give to people. Donors do not make substantial gifts in response to letters or telephone calls. Only through a face-to-face contact can you fully and sincerely explain your case and illustrate the importance of the program.

Time your visit

Do not drop in on your prospect unexpectedly or at busy times in the day. Make it a private visit.

Be positive - never apologetic

Make it clear that you have volunteered your time for this project because you fully believe in its merit. Thank the prospect for hearing your story, but don't apologize for wanting to tell it.

Stress the benefits and opportunities

Talk about the program in terms of the good things it will accomplish for students. Donors can identify more with benefits than they can with "needy causes." Donors may also balk at giving to GCCU, so stress a gift to students. (The same students that keep us all employed!)

Be a good listener

Give your prospect a chance to talk about his/her personal likes and dislikes -- this helps you direct your remarks. Listen to, but never introduce negative topics such as recession, other charitable drives, high state income tax, etc.!! Do not allow yourself to be led too far off the subject.
Welcome questions

Always welcome inquiries from prospects. If you don't know the answers, promise to get them and follow up quickly.

Ask for a specific amount

The amount you intend to seek should be established in advance with your local committee.

Ask for enough

Let the prospect know how much you hope he/she will give. Sometimes it helps to have a standard question in mind such as, "Would you consider a gift of $______ to the Administrative Staff Scholarship fund payable over a 12 month period?"

Don't stay too long

Make your stay brief but informative.

Follow up

The larger the gift the more likely the prospect may wish to "think it over." Respect that expression but set a time to get back to the prospect (when at all possible.)

Close

Try to get the pledge during your appointment. If the prospect wants you to leave the pledge card, ask if you could return when the prospect has given the project more thought.

Thank your prospect regardless of the decision

If you have a pledge the thank you is easy. If you were unsuccessful, don't be discouraged. You may have made a call which will result in a gift to the scholarship on another occasion.
Some Additional Thoughts on Fund Raising

"Fund raising requires both optimism and realism. Without the first, few if any gift solicitation efforts would be made. Without the second, few if any would succeed."

-Howard L. Jones

Take the attitude that you are offering the prospect a chance to participate in a worthy project for present and future students of BGCU. Be enthusiastic. Let your commitment show as you talk.

Once you have asked the prospect to participate, pause and let the prospect respond. Be patient, wait until the prospect speaks.

After the ask it is a good time to emphasize the benefits of this scholarship and that gifts are tax deductible.

Responses to Resistance

As a volunteer, you won't run into the old cliche, "I gave at the office because we want them to "give at the office." However, you will run into cases of resistance. Here are some examples and some possible responses.

"You would be wasting your time calling on me, because I'm not in a position to contribute."

Answer: "Don't worry about that. This program is so important to the staff that we want you to be informed about it whether or not you can participate.

"I'm active in a number of worthy causes, and I'm fully committed to them at this time."

Answer: "You're exactly the kind of responsible person whose support we value. This is an on-going project. If you're fully committed for this year, perhaps you would consider a gift in 1986?"

"I wouldn't want to commit myself to a signed pledge. What if circumstances were to change and I couldn't keep my promise?"

Answer: "Unless the donor specifies that the pledge is irrevocable, a pledge to the scholarship can be increased, reduced or canceled at any time."

Fund-Raising Check List

2. Don't delay, get on with your calls for appointments. Make it a face to face request.
3. See your best prospects first.
4. Avoid public places for meetings.
5. Take any descriptive materials and pledge cards with you.
6. Be positive. Assume your prospect will make a pledge.
7. Mention that you are enthusiastic and have made your pledge.
8. Be a good listener.
9. Don't make it a long "sell."
10. Ask for a specific amount/pledge when possible. At least be ready to say, "The average gift seems to be $_______."
11. Follow up if necessary to answer questions and gain their support.
12. Try not to leave the pledge card.
13. Thank the prospect.
14. Keep the committee informed of your work and progress.

Bobby:
Below is what we envision for the ASC scholarship donor card. We didn’t get any type set yet since I figured there’d be discussion and revision. We didn’t include a tear-off portion like the United Way card has. If we had included a "receipt" portion, we would have had to be sure that we collected them all, whether the person solicited gave or not. Otherwise, a non-giver could use the receipt for fraudulent tax purposes. Besides, if we had included a tear-off section, we would have required perforation, something we cannot get done on campus. As it stands, we can have it printed on the sixth floor of the Ad Bldg. for $10.00.

MEMORANDUM

TO: Members of the Administrative Staff

FROM: Administrative Staff Council Scholarship Committee

The Administrative Staff Council is pleased to announce that plans for the Administrative Staff Scholarship Program have been completed. The response by the administrative staff indicates positive support for the scholarship program. We are now at a point in time where the scholarship program is to be implemented.

The scholarship program is intended to provide an opportunity for members of the administrative staff to demonstrate their support of the educational mission of the University through their contribution to a scholarship program. The immediate goal for the program is to establish a scholarship fund with a corpus of $5,000, the interest on which will be distributed as a scholarship. The long-range goal is, through annual campaigns, to increase the corpus so that additional scholarships can be made available.

The views of the administrative staff, as indicated in the scholarship program survey guided the development of the scholarship criteria. These criteria are: 1) financial need as determined by the Financial Aid and Student Employment Office; 2) academic excellence as determined by an academic ranking in the top ten (10) percent of the college in which the student is enrolled; 3) class standing defined as a rising sophomore, junior or senior; and 4) enrollment status of part-time or full-time enrollment.

The campaign for contributions to the scholarship program will be low-keyed. When you receive the pledge card on March__, please keep in mind that the success of the campaign is dependent upon your voluntary contribution to the scholarship fund.

rb
The Administrative Staff at Bowling Green State University has established an Administrative Staff Scholarship Program. The corpus of the scholarship will be established and increased through an annual giving campaign conducted among the Administrative Staff at Bowling Green State University. The corpus will be held by the Bowling Green State University Foundation and the scholarship will be administered by the Director of Financial Aid and Student Employment. The Administrative Staff Council, through its members and committees, is responsible for establishing and amending, as needed, the purpose and criteria of the scholarship program; for conducting the annual giving program; and for determining the recipient(s) of the scholarship.

The goal of the Administrative Staff Scholarship Program is to establish an endowed scholarship to be awarded annually to a student at Bowling Green State University who meets the criteria established for the scholarship. The criteria for determining eligibility and for awarding the scholarship are as follows:

1. Financial need as determined by the Financial Aid and Student Employment Office including the family adjusted gross income, number in the household and number in college. In addition, special circumstances in regard to financial need will be considered.

2. Academic excellence as indicated by an academic ranking in the top ten (10) percent of the college in which the student is enrolled.

3. Class standing defined as a rising sophomore, junior or senior.

4. Enrollment status defined as part-time and full-time enrollment.

Students must apply for the scholarship annually. Applications for the scholarship will be available in the Financial Aid and Student Employment Office annually in January.
BOWLING GREEN STATE UNIVERSITY
ADMINISTRATIVE STAFF SCHOLARSHIP

The Administrative Staff Scholarship is given annually to an upperclass student who ranks in the top 10% of his/her college, demonstrates financial need and provides leadership/service to BGSU and community. The scholarship is used to pay any education-related expenses. Payment of the award is made in two installments, Fall and Spring semesters, from funds deposited with the BGSU Foundation, Inc.

Bobby:
Below is what we envision for the ASC scholarship donor card. We didn't get any type set yet since I figured there'd be discussion and revision.

We didn't include a tear-off portion like the United Way card has. If we had included a "receipt" portion, we would have had to be sure that we collected them all, whether the person solicited gave or not. Otherwise, a non-giver could use the receipt for fraudulent income tax purposes. Besides, if we had included a tear-off section, we would have required perforation, something we cannot get done on campus. As it stands, we can have it printed on the sixth floor of the Ad Bldg. for $10.00.

MEMORANDUM

TO: Members of the Administrative Staff

FROM: Administrative Staff Council Scholarship Committee

You recently received information about the Administrative Staff Scholarship Program, including information that the pledge campaign would soon begin. This is to announce that the campaign is now underway.

You will find enclosed a pledge card on which you can indicate your contribution to the scholarship program. Direct contributions are accepted as are contributions by payroll deduction. The representative of the Administrative Staff Council who is responsible for contacting you will collect pledge cards by March 27.

A pledge campaign has already been conducted among the members of the Administrative Staff Council and the Administrative Staff Council Executive Committee. We are pleased to announce that $2400 has been collected and/or pledged for the scholarship fund. We hope that the remainder of the campaign will be equally successful.

Enclosure
Administrative Staff Scholarship Program

The Administrative Staff Council is currently considering a proposal that would establish an endowed scholarship to be given to a student at Bowling Green State University. The principle of the scholarship would be $5,000 with interest being disbursed in the form of the actual scholarship. The $5,000 would be solicited from among members of the administrative staff with the total amount raised by 1986.

You have been given this form by your representative to the Administrative Staff Council as a way of soliciting your views on support for the scholarship and the possible criteria to be used in awarding the scholarship. Please take a few minutes to respond to the survey and return it as indicated.
MEMORANDUM

TO: Members of the Administrative Staff

FROM: Administrative Staff Council Scholarship Committee

The Administrative Staff Council is pleased to announce that plans for the Administrative Staff Scholarship Program have been completed. The response by the administrative staff indicates positive support for the scholarship program.

The scholarship program is intended to provide an opportunity for members of the administrative staff to demonstrate their support of the mission of the University through their contributions to the Administrative Staff Scholarship Program. The immediate goal for the program is to establish a scholarship fund with a corpus of $5,000, the interest on which will be distributed as a scholarship. The long-range goal is, through annual campaigns, to increase the corpus so that additional scholarships can be made available.

The views of the administrative staff, as indicated in the scholarship program survey guided the development of the scholarship criteria. These criteria are: 1) financial need as determined by the Financial Aid and Student Employment Office; 2) academic excellence as determined by an academic ranking in the top ten (10) percent of the college in which the student is enrolled; 3) class standing defined as a rising sophomore, junior or senior; and 4) enrollment status of part-time or full time.

The campaign for contributions to the scholarship program will be low-keyed. When you receive the pledge card, please keep in mind that the success of the campaign is dependent upon your voluntary contribution to the scholarship fund.

RE: Administrative Staff Scholarship

DATE: April 23, 1985

I am pleased to announce that, as of April 23, 120 members of Bowling Green State University's administrative staff have pledged a total of $4831 (unofficial count) toward the establishment of the Administrative Staff Scholarship.

I would also like to request that you seek support from the Alumni Foundation to match the pledges up to $2000 for the Administrative Staff Scholarship. As you can see, there is support for this scholarship which we hope will grow each year as the program evolves. Additional support from the Alumni Foundation would help to ensure the continued viability and success of the program.

I appreciate your efforts in this endeavor. Thank you.

[Handwritten note:]

Joe - I have already asked the Foundation Committee to match on a dollar per dollar basis your gifts up to $2500. This would make gift $2500. The total received and not pledged would be $2500, just the total. Passed the pledge. They passed the pledge, but it must be in the next board meeting. It must be passed by the next board meeting. Can you bring on May 23. Then you forget.

RE: Administrative Staff Scholarship

As of April 23, we have collected pledges for the Administrative Staff Scholarship totalling $4331, just $169 short of our $5000 goal. Everyone has done a superb job of soliciting pledges from their constituents and of making the communication network a viable system.

With this in mind, I am asking that you make one more attempt to solicit pledges from those constituents who have not responded to your request for a contribution to the scholarship fund. Perhaps this will be the impetus needed to reach our $5000 goal.

Please let me know if I can be of assistance to you, as I have maintained a record of all responses received.

Thank you.

Statement of Purpose

Joe:

Since I am in the process of establishing my own endowed scholarship, I hope you will understand why I am not contributing to this one! Nevertheless, it is a great idea, and I commend the Administrative Staff for putting it into effect.
The Administrative Staff at Bowling Green State University has established an Administrative Staff Scholarship Program. The corpus of the scholarship will be established and increased through an annual giving campaign conducted among the Administrative Staff at Bowling Green State University. The corpus will be held by the Bowling Green State University Foundation and the scholarship will be administered by the Director of Financial Aid and Student Employment. The Administrative Staff Council, through its members and committees, is responsible for establishing and amending, as needed, the purpose and criteria of the scholarship program; for conducting the annual giving program; and for determining the recipients(s) of the scholarship.

The goal of the Administrative Staff Scholarship Program is to establish an endowed scholarship to be awarded annually to a student at Bowling Green State University who meets the criteria established for the scholarship. The criteria for determining eligibility and for awarding the scholarship are as follows:

1. Financial need as determined by the Financial Aid and Student Employment Office including the family adjusted gross income, number in the household and number in college. In addition, special circumstances in regard to financial need will be considered.

2. Academic excellence as indicated by an academic ranking in the top ten (10) percent of the college in which the student is enrolled.

3. Class standing defined as a rising sophomore, junior or senior.

4. Enrollment status defined as part-time and full-time enrollment.

Students must apply for the scholarship annually. Applications for the scholarship will be available in the Financial Aid and Student Employment Office annually in January.

PE: ASC Scholarship Update

Congratulations! Thanks to your efforts and generosity we have now received $5,422.00 in pledges and/or contributions toward the establishment of the Administrative Staff Scholarship.

In addition, the Alumni Foundation Board has agreed to match the amount collected by December 1985 up to a total of $2500. Since we will have collected at least $2500 by this date, the matching gift will ensure that the corpus of the scholarship will reach $5000 which is the amount needed for an endowed scholarship. This means that we will attain our goal of being able to award the first Administrative Staff Scholarship for the 1986-87 year.

We can all be proud of this accomplishment! If you have not yet contributed to this worthwhile cause, it is not too late. A pledge card has been enclosed which you can send to Deb Heineman, 450 Student Services, if you have not yet contributed to the scholarship fund.

Once again, congratulations!

Dear Jim:

First of all, I hear that congratulations are in order for you and Sally as you are expecting your first child next spring. I'm happy for both of you as it is truly an exciting event in a couple's lives. I hope that all is going well for Sally during her pregnancy.

Second, I want to thank you for your generous contribution to the Administrative Staff Scholarship fund. As you are probably aware, we have succeeded in collecting the first $2500 in contributions from the administrative staff which has enabled us to obtain the matching $2500 from the Alumni Board. Thus, our first scholarship(s) will be awarded next March for the 1986-87 year.

I appreciate all that you have done to help us organize this effort in such a short amount of time, especially your "lobbying" for the matching gift from the Alumni Board.

We all miss you but hear you're doing well up there. Let me know what winter is like up North and root for those Vikings. Thanks again and take care.

RE: Class listing for scholarship

As you know, the administrative staff have endowed the Administrative Staff Scholarship fund and will be awarding the first scholarship for the 1986-87 year. One of the criteria is that the student must be in the top 10% of his/her college.

In order to verify such standing, I would like to request a listing of students in the top 10% of each college. We will be reviewing applications on February 17 and 18 and would like to have the list by that time in order to conduct a preliminary screening of the applications.

We are informed that, according to the method of calculating grade point average rank employed by the selection committee for the Administrative Staff Scholarship, you are not eligible to be considered for this award. (As you know, calculations performed in the College of Musical Arts indicated that you were eligible. At the time the Scholarship selection process was announced, the method of calculation was not specified. This is a new award and the procedure has not been perfected.)

RE:    Class Listing for Scholarship

Once again, the Administrative Staff Council is in the process of selecting the 1937-38 recipient of the Administrative Staff Scholarship. One of the criteria is that the student must be in the top 10% of his/her college.

In order to verify such standing, I would like to request a listing of the cumulative grade point average cut-offs for each college that would indicate standing in the top 10%. If possible, I would like to have the list by January 28.

Have no idea where you might be with this project. However, I do want to urge you to do a "person to person" (i.e., United Way style) fund drive starting with the Executive Council, the ASC, and then the members.

After this past year, it would seem that this scholarship is a very important long range agenda item for ASC.

Thanks for listening.

SUBJ: Review of 1987-88 ASC Scholarship Applications

Well, the deadline date for receipt of the 1987-88 Scholarship Applications has passed and we are now entering into the next phase of the selection process (and, probably, the most time-consuming). I have completed the listing of grade point averages and financial need and, so far, have the following results:

- 4 incomplete applications (I will try to call these students and request the necessary information)
- 9 applications from students who are not in the top 10% of their Colleges
- 13 applications who have no financial need or financial need less than $500
- 80+ applications who need to be reviewed for scholarship consideration

I think that the procedure we followed last year worked well enough and saved us duplicating charges. I will review the eligible applications and forward them to Kathryn for her review. After Kathryn has reviewed and ranked the applications, she should forward them to Ann who will do likewise and forward them to Ron. It is hoped that we can complete the review/ranking process by March 2 and then meet to decide on the award recipient. Please complete the section below and return the bottom half to me by February 25. If you have any questions, please call me. Thanks!

Mr. Paul Yon, Chair
Administrative Staff Council
Bowling Green, State University
Bowling Green, OH 43403

Dear Mr. Yon:

As the academic year draws to a close, I would like to again express my gratitude as the first recipient of the Administrative Staff Scholarship. The sum, split in half and awarded each semester, allowed me to open a University charge through the Bursar's Office with the University Bookstore where I purchased my books in a more convenient manner than paying by cash or regular credit card. I can only repeat that it is much faster and easier to cut through those long lines with a University charge!

While I am aware that this scholarship was established during the 75th anniversary celebration, I think you should know that scholarships such as this one will play an important role in the future. With the tremendous cut in available educational funds and under the new regulations effective October 1, 1986, financial aid awards will be less than in previous years. Thus, I expect that the competition for the Administrative Staff Scholarships and other scholarships will be intense as students struggle to fund their education. The dedication of the Administrative Staff to continue to fund their scholarship demonstrates their loyalty to the students and to higher education.

I will graduate from EGCU in August and will begin graduate study in library science and history at Indiana University-Bloomington in the fall. When I leave, I will take with me many fond memories of the University which includes the people who helped make my education a little easier.

Sincerely,

Anna J. Capelle
