SENIOR SPOTLIGHT
Learn a little more about BGSU's 1992 senior class.
TODAY: The Bowling Green State University football team will try and tie the Mid-American Conference record for consecutive league wins as they battle Ball State. BGSU has a 15-game MAC win streak on the line this afternoon and a win would equal the league mark set by Miami between 1973 and 1975.

THE SERIES: In a series where the Falcons have had more success winning on the road than at home, BGSU holds a 12-6 edge. The series, which began in 1942, but has seen the two teams play every year since only 1978. BG snapped a three-game losing skid in the series last season with a 14-13 victory. The Falcons hold a 6-4 edge at home in the series with the Cardinals winning each of the last two times they have come to Bowling Green (28-3 in 1989 and 34-10 in 1988).

Prior to Ball State's two wins, BG had put together a four-game winning streak at home in the series. There have been two shutouts in the 18 series games with the Falcons posting both. The series have been marked by lopsided scores, for the most part, with only five series games decided by a touchdown or less. BG holds a 4-1 edge in those games and a 3-0 edge in games decided by a field goal or less.

HOME FIELD ADVANTAGE: The Falcons are 41-9-3 (.801) at home over the last 10-plus seasons while over the same period that record improves to 37-6-3 (.837) in home MAC contests. The Falcons have won nine consecutive home games. The school record for most consecutive home wins is 13 between 1984 and 1986 while between 1946 and 1949 BG football (Continued on page 19)

What Bowling Green head coach Gary Blackney can accomplish for an encore to the 1991 season is a challenge he is looking forward to. Then again, challenges are something that have followed him throughout his coaching and personal life.

The effervescent Blackney has won the hearts of many in the Bowling Green community, both on and off campus, as well as many in Northwest Ohio and the state despite being on the job only 20 months. He also earned the respect of the coaches in the Mid-American Conference with the turnaround he orchestrated last season.

There wasn't any doubt in the minds of his colleagues when the voting for MAC Coach of the Year came around last fall. They were unanimous in their selection of him as the top mentor in the MAC.

It is not hard to believe why the vote was unanimous.

All Blackney did, in not only his first season at BGSU but his first season as a collegiate head coach, was take a 3-5-2 team and turn them into an 11-1 squad. The Falcons clinched the MAC title with two weeks of the league schedule still remaining, which is believed to be the earliest any team has ever wrapped up the title.

The final standings showed BG with a perfect 8-0 mark while the second place team finished at 3-1-4.

The top first-year coach in the country last season, Blackney was just the fifth coach in MAC history to lead his team to an outright conference title in his first season. He is also the winningest first-year head coach in BGSU history. The 11 wins by the 1991 team tied the school record.

In addition to his being named the top coach in the MAC, Blackney was also recognized by his peers, members of the American Football Coaches Association, as the Region 3 Coach of the Year. Region 3 includes schools in the states of Ohio, Indiana, Michigan and Illinois. In addition, the schools of Wisconsin, Minnesota and Iowa are also included in the region.

Blackney also received the Award of Distinction from the Touchdown Club of Columbus in February for his work with the BGSU football program last year.

But, in a sport that involves so many people, it would not be fair to give all of the credit for the 1991 Bowling Green State University football season to one person. But, certainly to find the mastermind behind the resurgence of the program one would have to look no further than Blackney.
Blackney, 47, began immediately to work on the confidence of a squad that had never had a winning season. At the same time, he wanted to test the commitment of the team. It didn't take Blackney or his staff long to find out the team was thirsting for a winner and looking for someone to put the pieces together. Blackney was that person.

A little less than two years ago, Blackney realized his dream of becoming a collegiate head coach. He certainly paid his dues serving as an assistant coach the previous 21 years at such programs as Wisconsin, UCLA, Syracuse and, most recently, Ohio State. The list of coaches he served under ranks among the best in the collegiate game - such as Dick MacPherson, Terry Donahue, Earle Bruce, Ric Forzano and John Cooper.

The Plainview, New York native began his coaching career at his alma mater, Connecticut, in 1968, where he spent two seasons as a graduate assistant on a staff that included, in addition to Forzano, current Notre Dame head coach Lou Holtz, former Cleveland Browns head coach Sam Rutigliano, Dave Adolph and Dan Sekanovich, both NFL assistant coaches.

That was followed by stops at Brown and Rhode Island, in addition to the aforementioned schools, with all but two of those seasons spent on the defensive side of the ball. Last season was the sixth time in the last eight years Blackney has helped a team to a bowl bid.

The Falcon mentor spent much of his time since the conclusion of the 1991 season speaking to different public and civic groups as well as speaking at many football camps and clinics.

His success story is certainly one that makes all people feel thankful for their own situation.

In March, 1986, Gary's wife, Lauretta, suffered a basilar artery aneurysm which has led to her need for 24 hour care ever since.

Forced to take over the duties of running the household, which were previously handled by Lauretta, Blackney made the necessary changes and still keeps up with the demands of being a head coach and a father.

A lesser person may have felt pity for themselves in that situation, but not Blackney.

“I look at Lauretta's situation and know she could call it quits. But she keeps competing to get better and better. If you want to talk about endurance and courage, look at her - not me.”

Gary and his wife have four children, Debbie, David, Kyle and Gary Jr.

1992 BGSU Coaching Staff: Kneeling (l-r) Bruce Gregory, Bruce Cunningham, head coach Gary Blackney, Jack Bush, graduate assistant Dean Walendzak and Tony Pusateri. Standing (l-r) strength and conditioning coach Mike Ward, graduate assistant Rocco Oddo, Terry Malone, Scott Seeliger, Michael Faragalli, Paul Ferraro and Bob Ligashesky.

JACK BUSH
Assistant Coach
Jack Bush, 43, joined the staff in January, 1991 and will work with a deep and talented corps of running backs. In addition, Bush is also the recruiting coordinator. Bush recruits the Detroit and Pontiac, Michigan areas as well as Troy, Michigan. Bush has extensive experience at the high school level as well as four years on the collegiate level at Central State (Ohio), Johnson C. Smith and Lincoln University, his alma mater. Most of his high school coaching was done in his native Kansas City, Mo. while he also spent time in St. Louis. Jack and his wife, Jacqueline, are the parents of three children, Ollisha, 15, Leslie, 11, and Jonathan, 1.

BRUCE CUNNINGHAM
Assistant Coach
Bruce Cunningham, 27, is in his first season as a full-time assistant coach after serving as a graduate assistant with the program the last two seasons. Cunningham will work with the inside linebackers this season. While a graduate assistant, Gregory worked with the offense, mainly the wide receivers. The 1988 graduate of Eastern Connecticut State University recently earned his graduate degree in sports administration from BGSU. The Greenwich, Conn. native will recruit Upstate New York and the Chicago area.

MICHAEL FARAGALLI
Assistant Coach
Michael Faragalli, 33, returns for his second season after directing the Falcon offense to the top figures in the MAC last season in total offense and passing offense. Faragalli, the offensive coordinator, works with the quarterbacks while recruiting Canada, Indiana and the New England states. Faragalli was one of the top offensive minds in the Canadian Football League for six years, most recently with Edmonton, helping Tracy Ham develop into the CFL’s 1990 Most Valuable Player. The Philadelphia, Pa. native is a Rhode Island graduate where he also coached for three seasons. Michael and his wife, Kathy, have four children, Joseph, 9, Phillip, 6, Theresa, 2, and Laura, 1.

PAUL FERRARO
Assistant Coach
Paul Ferraro, 33, in his second season as the defensive coordinator at BGSU after joining the staff in December, 1990. Paul will work with the defensive secondary addition to his duties as the defensive coordinator while recruiting the West Cleveland, Toledo, and Chicago areas as well as the state of New Jersey. Paul has 10 years of collegiate experience, most recently as a member of Tom Lichtenberg’s staff at both Maine (1989) and Ohio (1990). The Ridgewood, N.J. native earned three letters at Springfield as a defensive back during his playing days.

BRUCE GREGORY
Assistant Coach
Bruce Gregory, 31, is the most recent addition to the football staff having joined the program in July. He came to BGSU after serving as the coach of the wide receivers at Boston University the last four seasons. The South Kingstown, R.I. native will also be the coach the receivers in his first season at BG. Prior to serving on the coaching staff at Boston University, Gregory spent two seasons (1986 and 1987) at BGSU under head coach Moe Ankney. Gregory, a Western Maryland College graduate, and his wife, Tracy, have two children, Megan, 3, and Brian, 1.

BOB LIGASHESKY
Assistant Coach
Bob Ligashesky, 30, who joined the staff in December, 1990, will coach the outside linebackers. Ligashesky is responsible for recruiting in the Cleveland and Akron-Canton areas as well as Northeast Ohio and the Western United States. The McKees Rock, Pa. native came to BGSU from Kent where he coached the inside linebackers under head coach Dick Crum. Ligashesky also coached collegiately at Wake Forest and Arizona State. Ligashesky earned three letters at Indiana University of Pennsylvania during his collegiate playing career.

TERRY MALONE
Assistant Coach
Terry Malone, 32, is in his seventh year at BGSU and will be coaching the offensive tackles and tight ends this season. (Continued on page 9)
Malone is responsible for recruiting Northwest Ohio and the state of Michigan. The Buffalo, N.Y. native has also coached the centers and guards during his tenure at BGSU. Malone previously coached at Holy Cross and Arizona. Malone was a four-year starting tight end at Holy Cross where he earned his degree in 1983. Malone and wife, Ann, are the parents of two children, Kara, 3, and Patrick, 1.

TONY PUSATERI
Assistant Coach
Tony Pusateri, 41, joined the program in February, 1991 and will again coach the defensive line while also handling the kickers and special teams. Pusateri was one of the top high school coaches in the state for 15 years prior to coming to BGSU, spending 10 of those seasons at St. Francis DeSales in Columbus. At DeSales, Pusateri’s teams won almost 75% of their games and the 1985 Ohio Division III title. Pusateri coached at Westerville South for five seasons before joining the BGSU staff. The Columbus, Ohio native is a graduate of Capital University. Tony and his wife, Kim, reside in Bowling Green.

SCOTT SEELIGER
Assistant Coach
Scott Seeliger, 42, is in his second stint as an assistant coach at BGSU having been a member of Denny Stoltz’s staff for five years between 1979 and 1983. Seeliger joined the staff in January, 1991 as the assistant head coach in addition to his responsibilities with the guards and centers. He recruits Southwestern Ohio, Indianapolis, and the Southeast United States. Besides his five years at BG, Seeliger’s 15 years of coaching experience on the collegiate level includes nine seasons at Wisconsin, where he spent most of his time coaching the offensive line. The Madison, Wis. native was a tight end on the 1972 Iowa State team that played in the Sun Bowl. Scott and his wife, Karen, have two children, Keri, 19, and Kori, 17.

ROCCO ODDO
Graduate Assistant
Rocco Oddo begins his second season with the BGSU football program as a graduate assistant coach. Oddo, a Bellevue, Ohio native, will assist defensive line coach Tony Pusateri this season while also helping with the special teams. Prior to joining the staff last season, Oddo served as the defensive coordinator at Norwalk St. Paul High School. He recently earned his undergraduate degree from BGSU in education.

DEAN WALENDZAK
Graduate Assistant
Dean Walendzak is in his first season with the BGSU football program helping the coaching staff on the offensive side of the ball. The Oregon, Ohio native and 1986 Clay High School graduate served as the defensive coordinator at Tri-County North High School for three seasons (1988-90) while completing his undergraduate work at Dayton. He is currently taking graduate classes at BG in sports administration.

Founded in 1946, the MAC is one of the nine Division I-A conferences in the country along with the Atlantic Coast, Big Ten, Big East, Big Eight, Big West, Pacific-10, Southeastern, Southwest and Western Athletic conferences.

Entering its 46th year of existence, the MAC consists of 10 state-supported institutions in the midwestern states of Ohio, Michigan and Indiana. The ten current members—the University of Akron, Ball State University, Bowling Green State University, Central Michigan University, Eastern Michigan University, Kent State University, Miami University, Ohio University, the University of Toledo and Western Michigan University. Nine schools have been members of the conference for 15 or more years. The University of Akron competes in its first MAC season this fall.

The 10 member institutions have a total enrollment of better than 220,000, with individual enrollments ranging from 16,000 to 30,000, and have produced more than one million alumni. The MAC is the fourth-largest conference in the country in terms of undergraduate enrollment.

Throughout its existence, the MAC has been in the forefront of national legislation that has enhanced the academic integrity of intercollegiate athletics. The MAC has had an academic progress rule, strengthened admittance standards and qualitative grade point average requirements for its student-athletes long before the NCAA adopted or discussed implementing such academic standards.

The MAC currently sponsors 18 championships. In men's sports, the MAC has sponsored championships in football, baseball, cross country, golf, tennis, and track and field since its founding, and added swimming and wrestling championships five years later.

In 1980, the MAC Council of Presidents voted to bring women's athletics into the conference structure. The MAC currently sponsors women's championships in basketball, cross country, field hockey, gymnastics, softball, swimming, tennis, track and field, and volleyball.

The MAC is the only Division I conference with its own Hall of Fame. A total of 43 individuals has been inducted into the MAC Hall of Fame in its first five years of existence, including 16 inductees with football backgrounds. Some of those include Ara Parseghian (Miami), Doyt Perry (Bowling Green), Bo Schembechler (Miami), Jaci Lambert (Kent) and Phil Villapiano (Bowling Green).

Numerous MAC football teams and players have received national recognition during the MAC's 45 years. Bowling Green was recognized as the national small college champion in 1959, and Ohio won similar honors in 1960. After MAC teams achieved major college status, Toledo compiled a 35-game winning streak from 1969-71, the second-longest streak in modern major college football history. Miami beat Florida, Georgia and South Carolina in the 1973, 1974 and 1975 Tangerine Bowls. In the last few years the non-conference victims of MAC teams include opponents from the Big Ten, Big Eight, SEC and WAC.

Welcome to Doyt L. Perry Stadium

- Doyt L. Perry Stadium celebrates its 27th anniversary as the home of Falcon football this season. Widely-regarded as the finest facility in the Mid-American Conference in which to watch football, Perry Stadium seats 30,599.
- Authorized personnel ONLY are allowed on the field before, during or after the game. Your adherence to this policy is appreciated.
- Banners and signs may be displayed in Perry Stadium ONLY with prior permission from Ken Kavanagh, associate athletic director. Kavanagh can be reached during weekday working hours at 372-2401.
- Emergency medical aid is available from the ambulance crew in the northeast and northwest corners of the stadium. Services are provided courtesy of the Wood County Disaster Services Agency.
- Field headquarters for stadium game operations is located on the ground level of the east side of Perry Field. The telephone number is 372-2401.
- First aid is located on the east side of the stadium next to the equipment room. It is easily marked for emergency situations. Trained medical personnel are in attendance at all Bowling Green State University football games.
- Lost and Found is located at field headquarters (see above) during the game or at the Perry Field office of Ken Kavanagh, associate athletic director, after the game. Kavanagh can be reached during weekday working hours at 372-2401.
- Rest Rooms are located on both the east and west sides of the stadium and can be found between ramps 2 and 4, 6 and 8, 1 and 3 and 5 and 7.
- Telephones are situated at frequent intervals on ground level on both the east and west sides of Perry Field.
- Your cooperation is requested in observing the rules and traditions of this University and of the state law that makes it illegal to bring or consume alcoholic beverages of any kind at an athletic event or to possess an open container of alcohol. Anyone caught possessing alcoholic beverages may be ejected from the stadium.
- Handicapped seating areas are located on the north and south ends of the mezzanine levels on both sides of the stadium and can be easily reached via the ramped walkways. In addition, areas are available in the north end zone. For further information, please contact Scot Bressler, ticket manager, during weekday working hours at 372-2762.
- Request for assistance and reports of discourtesy should be directed to stadium ushers. Usher personnel wear orange jackets with identification tags and are positioned at each ramp throughout the stadium for your convenience.

Ticket Information

ANOTHER GROUP OF WINNERS

One of the toughest accomplishments on any level of athletics is to win consecutive championships. In order for a team to accomplish back-to-back titles several ingredients must be present. But, maybe the most important is leadership.

And while last year's Bowling Green State University football team broke new ground winning the Mid-American Conference behind a strong senior class, this year's team has accomplished the same thing, but in a different situation.

This year's team entered the season as the squad to beat, the pre-season favorite—a much different position and much tougher position from which to make a run at a title. In addition, the Falcons were every team's big game making the undefeated league record that much more gratifying.

And the Falcons were able to accomplish what they did this season behind the strong leadership of 16 senior members of this year's team who are playing their final game at Perry Stadium this afternoon.

Head coach Gary Blackney said after the title-clinching win over Kent last week the seniors have everything to do with why the Falcons are in the position they are.

"A year ago we had great senior leadership. We (the coaching staff) didn't know if we would have the same type of leadership or the same type of chemistry, but this year's seniors picked up right where we left off last season. They've done a great job leading the team, each in his own way, to another MAC championship."

This year's class is diverse in as many ways as there are players. But, like last year, they managed to unite a body of 96 people to fight for one common goal and they have realized that goal — another MAC title.

Quarterback Erik White, one of BG's tri-captains, had this to say about winning back-to-back titles. "It's something that is very rarely done in the world of athletics, going back to back; it's hard to do at any level. It's a trademark of this team to always find a way to win and today (the Kent game) was very reflective of that. It is a big accomplishment."

Senior safety Dave Bielinski wanted to end his career a winner and will do that now with the MAC decided. "To repeat like this is the hardest thing in football. Coming off last season, a lot of people expected us to do well, so the pressure was on us. People were coming after us and it's a challenge we accepted. It feels twice as good, especially in your senior year."

Senior outside linebacker Kevin O'Brien has been chasing quarterbacks all year, but said it was all worth it. "I really don't know the words to use to describe how I feel, but it's much sweeter the second time. There aren't many teams in the nation that are going to be able to do this and we're one of them."

But it may have taken a relative rookie, sophomore split end Ronnie Redd, to sum up the feelings of what the rest of the team must have been feeling. "As a team, we've been through a lot this season. It's this moment right now that makes everything worth it."

But, only a part of the job is done. The matter of a 15-game MAC winning streak has to be addressed this afternoon and then the program can look forward to the prize all 10 MAC teams were gunning for three months ago, but only one team is able to realize — a trip to Las Vegas.

teams had a 14-game unbeaten streak.

—BG—

—BG—

**STREAK AMONG BEST IN NATION:** BG’s 15-game winning streak in league play is the second-longest streak of its kind among teams in Division 1-A conferences across the country. Michigan has a 19-game streak in Big Ten play. The Falcons’ 15-game streak is next in line followed by Texas A&M (Southwest Conference) and Alabama (Southeastern Conference) who have won 12 straight in their respective leagues.

—BG—

**CARDINAL CLIPS:** Ball State head coach Paul Schudel is in his eighth season with the Cardinal program having compiled a record of 47-39-2. Schudel has led Ball State to winning records each of the last four seasons. The Cardinals depend heavily, on offense, on the play of former local star, tailback Corey Croom from Sandusky. The senior has rushed for 1,130 yards this season and is averaging 4.0 yards per carry. The first team All-MAC pick a year ago has also rushed for six touchdowns. Croom, who was held to just 47 yards rushing against Toledo Saturday, is also second on the team with 27 receptions. Junior quarterback Mike Neu had a big game against the Falcons last season, while this season he is completing 58% of his passes having thrown for 1,528 yards and 10 touchdowns. His favorite target is sophomore flanker Brian Oliver who has 33 receptions. Senior split end Mike Lesure had eight catches for 134 yards against Toledo last week.

On defense, BSU has two of the best linebackers in the MAC in seniors Mark Parris and Don Stonedefield. The inside linebacker duo have 161 and 131 tackles, respectively. Senior left tackle Bryant Branigan has 21 tackles for a loss to lead the team in that category. Ball State has intercepted just six passes this season. Senior outside linebacker Henry Hall and Parris are returning first team All-MAC players from a year ago.

—BG—

**THE BOWL PICTURE:** BGSU will likely have to wait until the outcome of the Nov. 21 games are known before they will know who their opponent will be in the first Las Vegas Bowl on Dec. 18. If San Jose State wins its next two games, against Pacific and New Mexico State, they will be the Big West’s representative in the bowl game. If they would stumble in either of those two games, any of three teams, Nevada-Reno, Utah State or Pacific could sneak in as the league’s representative.
It's the Right Beer Now!
Catches like this one against Ball State last season are becoming commonplace for senior wide receiver Mark Szlachcic.
Senior Steve Bosko is one of only two linemen returning this season for the Falcons. Bosko started at guard last season, but will switch over to center for the '92 campaign.

THE FALCON CLUB NEEDS YOU!

To Our Falcon Fans:

You are the key to success for our Falcon teams! The BGSU Athletic Department depends on the Falcon Club to raise more than $250,000 in 1992. This money will help fund athletic grants-in-aid, assist in the recruiting of prospective student-athletes, and provide funding for athletic facilities budgets.

Members of the Falcon Club are alumni, parents, friends and fans who provide financial support, volunteer hours and advisory expertise to the BGSU athletic program and share in the many benefits the Falcon Club has to offer.

The Falcon Club has ambitious goals for 1992 and is eager to involve YOU in our activities. The need to support our program is at an all-time high. Your financial contribution and BGSU's athletic program are a winning combination.

We are very proud that Bowling Green's athletic program is recognized as one of the best in the country. All of our 19 teams are highly competitive and very representative. Falcon Club membership offers you the opportunity to support these teams. Falcon Club donations have greatly aided our program, and to continue that winning tradition throughout the 1992-93 campaign will require another supreme Falcon Club effort.

I look forward to having you join the Falcon Club in 1992!

Sincerely,

Fran Voll
Associate Athletic Director

UNTIL NOW, THESE WERE THE ONLY GUYS WHO COULD HEAR THE GAME OVER THE PHONE.

No matter where you are, you can always hear the live play-by-play of your team’s game — even when it’s not on TV or radio in your area. Just call TEAMLINE® at 1-800-846-4700 and enter the four-digit access code listed below. Charge the call to your VISA® or MasterCard®. And listen to all the action as it’s broadcast live from your team’s flagship radio station.

You can listen as long as you like, and pay only for the time you listen. The longer you listen, the less you pay — as low as 20¢ per minute. And you can call from any phone — home, office, car, hotel, even a pay phone. From anywhere in the U.S., Canada, even internationally.*

Work on New Classroom Building Begins

A high-technology classroom building and teleconferencing center will soon be a part of the Bowling Green campus. The facility will enable students to become part of a "global classroom," linking them with academic resources throughout the country and world.

Ground was broken in September for a $13.5 million building which will be located immediately north of the Business Administration Building. The new facility will ease the classroom crunch on campus and provide students with one of the most technologically advanced classroom settings in the state.

The two-story, 95,000-square-foot building will seat more than 2,000 students in 28 classrooms and lecture halls. There also will be a 600-seat conference center that can be divided into two smaller sections with a moveable sound-controlling partition.

When the classroom building is completed in early 1994, students, both on and off campus, will be able to participate in lectures and presentations from a variety of localities thanks to satellite communications capabilities.

"This will be a high-tech building and will greatly expand the availability of knowledge resources—no doubt about it," Roland Engler, University architect, says. "We're waiting until the last possible minute to order equipment because of ongoing advances in the technology."

The building will be a welcome and long-needed addition to the campus, Robert McGeein, assistant vice president for planning and budgeting, says. Bowling Green's lecture halls and classrooms have the highest utilization rates in the state compared to similar facilities at other universities, according to studies by the Ohio Board of Regents.

Few of the classrooms now being used are set up to bring advanced educational technology to students. Many were built before television was even invented.

Soon, with satellites, a fiber optics network and an intricate computer system, Bowling Green and northwest Ohio will be linked to a world of knowledge.

Three faculty honored

Three of the University's highest honors were presented to three professors recently at the fourth annual Faculty Recognition Dinner.

Dr. Lee Meserve, a professor of biological sciences, was presented with the Master Teacher Award; Dr. Lawrence Friedman, a Distinguished University Professor of history, received the Olscamp Research Award; and Dr. Harold Lunde, a professor of management, was awarded the Faculty Service Award.

All three awards included the presentation of a plaque and a $1,000 cash prize. The Master Teacher Award, which recognizes excellence in teaching, is given annually by the Undergraduate Alumni Association. Recipients are nominated by students and chosen by an alumni-student committee.

In discussing the idea of a master teacher, Meserve said, "Being able to explain information about one's specialty area to audiences with wide ranges of backgrounds and have them actually learn—not memorize—provides the definition of a master teacher."

The former recipient of a Hollis A. Moore Award for service to the University, Meserve is active in University governance, serving on a number of committees at the departmental, collegiate and University levels.
Nick Eppert
Senior, Safety
6-1, 190 - Bristol, Indiana

Nick has been a member of the Falcon football team for the last five years and despite seeing very limited playing time he has played a vital role in the success of the program over that period...Nick has played both quarterback and safety during his career and at times has played both in the same season...he is the type of player who does not get the publicity that some of the other players do, but his ability to fulfill his role is essential to the success of the team...this season most of his playing time has come as a member of the special teams.

Below is a capsulized look at Nick's career at BGSU and his background:

1991: played behind starter Dave Bielinski all season at free safety...was not credited with a tackle, but did make the travel roster for all six road games and dressed for the California Bowl...

1990: began fall practice as the #1 quarterback before switching to safety prior to the first game for the remainder of the season...made the travel roster for all but the Ball State game and that was because of a minor knee injury...

1989: did not see game action as a scout team quarterback...

1988: a scout team quarterback...

High School: a two-year letterman for Coach Tom Kurth at Elkhart Central High School...a first team all-state selection by AP, UPI, Top “33”, and the Bloomington Herald-Telephone...selected as the top (5A) quarterback in Indiana by USA Today...also earned academic all-state honors...passed for 1,905 yards and 15 TDs his senior season, completing 115 of 212 passes...

Personal: a marketing major...has a 3.30 GPA...son of Nick and Peggy Eppert...born Nov. 13, 1969.

Pete Kowalski
Senior Offensive Guard
6-4, 300 - Toledo, Ohio

Pete is another member of this year’s senior class who many of you may not have heard a lot about, but he has been an important part of the success the football program has enjoyed the last few seasons...has earned two letters in mostly a reserve role along the offensive line where he has played both tackle spots and is the #2 left guard this season...maybe the least recognized of any group on a football team, Pete has certainly played a role in the tremendous success the line has enjoyed this season leading the Falcons to their best rushing season since 1980.

Below is a capsulized look at Pete’s career at BGSU and his background:

1991: was the #2 left offensive tackle all year...saw limited playing time...made the travel roster for all six road games and the California Bowl...

1990: earned his second letter as the #3 right tackle behind senior Eric Fitzpatrick and freshman Joe Wyse...was the offensive scout team Player of the Week for the Ohio game...

1989: earned his first letter splitting time between the left and right tackle spot...was listed as second team left tackle prior to three contests and back-up right tackle once...

1988: was red-shirted as a scout team player on the offensive line...

High School: a two-year football letterman under Coaches Nick Toth (1986) and Greg Baillie (1987) at Toledo Central Catholic...played on the City League runner-up team both years...a Parade All-American who earned all-state, all-district, all-region and all-city honors for the Irish...a National Honor Society member for three years and an honor roll student throughout high school...

Personal: a psychology major...has a 3.20 GPA...son of Richard and Mary Ann Kowalski...born Jan. 19, 1970.

* BG home game
THANKS, B.G.!

We're not the most conspicuous copier store in the area. Which is why your business means so much to us. You see, we know that you know that story: while the big universities get the attention, BGSU just does its job... and develops programs, academic and athletic, to rival any in the Midwest! So... thank you, BG, for letting Goodremont's and Minolta to help you in "reproducing" your very considerable accomplishments.

"FIRST CARE, THEN CARS"
FOR OVER 53 YEARS!

At Ed Schmidt, "first care, then cars" has been our way of doing business since we first opened over 53 years ago. We did business that way then, and we do it that way now! Before we try to put you in one of our cars, we try to put ourselves in your shoes. Some call that the Golden Rule, we just call it good business. And that way of doing business has given Ed Schmidt an A-1 rating in the Northwestern Ohio area. See us for all your automotive needs.

In large measure, Bowling Green State University's success has centered on its ability to offer its students the educational diversity and excitement of a large university, while maintaining the caring and camaraderie of a small college.

That's a direct result of Bowling Green's research and teaching commitment, which attracts top scholars and graduate students and puts the University on the cutting edge of the development of exciting new knowledge, combined with a "We Care" attitude that students are introduced to when they first arrive on campus.

Today, the University has nearly 1,000 full- and part-time faculty and 18,000 students on its main campus. Degree programs are offered through the colleges of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology and the Graduate College. Within the undergraduate colleges are schools of Art, Mass Communication, Nursing, and Health, Physical Education and Recreation.

In all, the University offers more than 170 undergraduate degree programs, 13 master's degrees in 69 fields of study and doctoral degrees in 14 departments with more than 80 specializations.

In addition to courses on the main campus, the University's Firelands College campus, located in Huron, Ohio, offers five associate degree programs, as well as courses which fulfill the first two years of a bachelor's degree requirement. Firelands enrollment tops 1,400 students.

Fully accredited at the highest state, regional and national levels, the University has chapters of most national academic honor societies, including Phi Beta Kappa and Phi Kappa Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant Colleges.

The University's faculty members, 78 percent of whom hold Ph.D's, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of academic programs which are regionally and nationally recognized.

Three departments—chemistry, philosophy and industrial/organizational psychology—are home to Ohio Eminent Scholars. The scholar program was created by the Ohio Board of Regents to attract world-class educators and researchers to the state's universities.

While committed to teaching, faculty are researchers as well, generating new knowledge through independent research and involvement in University units such as the Population and Society Research Center, the MidAmerican Center for Contemporary Music, the Center for Quality, Measurement and Automation, the Canadian studies program, the Center for the Study of Popular Culture and the Social Philosophy and Policy Center.

Bowling Green is also the site of the National Drosophila Species Center and the Mid-America Stock Center—the largest scientific facilities of their kind in the world. Where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University's students come from throughout the United States and nearly 60 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. Last year, more than 4,000 "non-traditional" adult students enroll in undergraduate and graduate programs on a full- or part-time basis.

The focal point of the 1,177-acre campus is the nine-story Jerome Library, with its collection of more than four million items, including 1.6 million volumes plus journals, periodicals, microforms, government documents and other materials. Special sections of the library include the Center for Archival Collections which houses materials relevant to northwest Ohio history and the Sound Recording Archives with 600,000 recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry's past and present.

The University is continually refurbishing its more than 100 existing buildings and upgrading facilities to meet current needs. This fall, a $9.8 million addition to the Fine Arts Building will be completed. Early next year, the $8.7 million field house should be ready for use. Pending approval of funds by the legislature, construction is scheduled to begin this fall for a $13.5 million classroom building and a $9.5 million major renovation of Eppler Hall.

The University has also accomplished its goal of making computers a vital part of each students education. There are 19 computer labs, including one in every residence hall complex.

He also is president of the Northwest Ohio Building and Construction Trade Unions, representing 10,000 members throughout northwest Ohio. The council consists of 19 affiliated local unions. He has received certification from the George Meany Institute in labor law, the Ohio State Workers Compensation Institute and the International Foundation of Employee Benefit Plans. His term will expire in 1999.

NICK J. MILETI
Nick J. Miletii currently resides in Rome, Italy. An entrepreneur, he is well-known throughout the state of California and in his hometown of Cleveland for his careers in law, real estate development, broadcasting and sports. In 1970 he created the Cleveland Cavaliers professional basketball team and in 1972 purchased the Cleveland Indians baseball team. As a major contributor to the Alumni Center fund drive and other fund raising programs on campus, the Alumni Association's Board of Trustees voted to name the Alumni Center in his honor. Miletii is a 1953 graduate of Bowling Green and was appointed to the Board in 1985 for a term that expires in 1994.

G.O. HERBERT MOOREHEAD JR.
G.O. Herbert Moorehead Jr., vice president of the board, is branch manager for AT&T Information Systems, overseeing the major accounts group in southeastern Michigan. He is a 1957 graduate of Bowling Green and earned a master’s degree in management from Pace University in New York City. He and his wife, Dorothy, a 1956 graduate, are both former members of the Alumni Association Board of Trustees. Moorehead is a Dale Carnegie Human Relations Award winner and has served on the Minority Empowerment Committee Board of the Episcopal Diocese of southern Ohio. Now residing in Detroit, Moorehead was appointed to the Board in 1986. His term will expire in 1995.

A lot has happened since Dr. Paul J. Olscamp arrived at Bowling Green 10 years ago as the University's eighth president.

Building upon the inherent strengths of the University’s faculty and its academic programs, Olscamp charted a course that would move Bowling Green into the ranks of the country’s most important colleges and universities. The effort focused on teaching, research and service and has involved a University-wide commitment to excellence.

He adopted the slogan “An Environment for Excellence,” a clear indication of the vision he had for Bowling Green.

Early in his administration, Olscamp and the faculty outlined the task ahead in a 27-goal document called the Role and Mission Statement. Most of the goals centered on improving the quality of undergraduate and graduate students; academic programs; learning resources, particularly computing and the library; and the faculty development, including recruitment of minority faculty.

Now, as Olscamp begins his 11th year at Bowling Green, many of those original goals have been met and new priorities have been established, including additional scholarships for academically gifted students, strengthening the graduate program and further enhancement of the University's endowment.

One of his most important accomplishments has been to fully involve the faculty in University governance. Faculty now have a key role in developing the annual budget and share authority with the president in interpreting the University’s Academic Charter. The faculty also have greater control over the curriculum and development of new academic programs.

While always a concern, finances have taken center stage in recent years. With a tightening state budget, Olscamp has directed efforts to increase private giving. During his tenure, the school’s endowment has increased to nearly $35 million from $1.9 million when he arrived.

Olscamp also brings a personal touch to his presidency. He frequently hosts both students and faculty as his home and also holds periodic forums with students wanting to discuss campus issues.

A great deal has happened at Bowling Green since 1982. Here are some of the highlights:

**Academic Programs**

*Creation of Bowling Green's first endowed professorships, in management, finance, chemistry and philosophy.

*Development of the Center for Photochemical Sciences, the only one of its kind in the country. Photochemistry is a multibillion dollar growth industry and some key research for that industry is being conducted at Bowling Green.

*Development of the Center for Quality, Measurement and Automation, the only center of its kind in the state designed to assist manufacturing and other businesses in the design and production of products.

*The appointments of three Ohio Eminent Scholars in photochemical sciences, moral philosophy and industrial/organizational psychology; the positions are the result of three $600,000 grants from the Ohio Board of Regents.

*The addition of doctoral programs in applied philosophy and photochemical sciences; the 13th and 14th Ph.D. offerings at BGSU.

*More than 205 students are National Merit Scholars, one of the highest numbers on any campus in the country.

*Establishment of the University's first major scholarships for minority students.

*Creation of a network of computer labs throughout the campus, including labs in each residence hall. Last year computers are being installed in each room of one residence hall, part of a pilot project which could result in other residence hall rooms being equipped with computers. One survey has BGSU listed 35th in the country in the number of personal computers on campus.

*Securing more than $5 million from the Board of Regents' Selective Excellence Programs, which are designed to attract top scholars, conduct pioneering research and develop centers of excellence. Grants have been awarded in both the sciences and the humanities.

*Creating a Canadian studies program emphasizing Canada-U.S. trade relations and economic development in the northwest Ohio region.

*Expansion of the library’s holdings to more than four million items, including 1.7 million books, plus journals, periodicals, microforms, government documents and other materials.

*Development of the Student Telephone Accessed Registration System which enables students to schedule their classes from a touchtone telephone. The STAR system has made long registration lines a part of University history.

**Physical Plant**

*More than $1.32 million has been spent in the past 10 years for the construction of new buildings and upgrading existing buildings.

*Completion of the $7.2 million Physical Sciences Laboratory Building in 1984 and a $3.65 million addition to the Business Administration Building in 1988.

*Completion of the Most Successful Fund Raising Drive in University history. With the assistance of the development and alumni office, the 75th Anniversary Fund raised more than $15 million in three years; well above the $12.5 million goal. Donations included the University's first two $1 million gifts—from the Stranahan Foundation of Toledo for the Social Philosophy and Policy Center and from Harold and Helen McMaster of Perrysburg for the McMaster Leadership Institute. In 1986 the Stranahan Foundation awarded a $3 million grant to the Social Philosophy and Policy Center.

*Currently underway is a $1.825 million Campaign for the Arts which will benefit theatre, music, art, dance and Arts Unlimited programs. As of July 1, 1992, more than $1.3 million had been raised.
The tradition of excellence that is Bowling Green State University athletics continued in 1991-92 as five Falcon teams established school records for victories, three captured league titles and two student-athletes earned Academic All-America honors.

As we move further into the final decade of the 20th century, the accomplishments of BGSU’s coaches and student-athletes solidify BGSU’s place as one of the top athletic programs in the country.

Bowling Green sports teams of the 1980s achieved a level of success matched by few and, based on the performance of Falcon teams in the first two years, the 90s seem headed in the same direction.

Bowling Green claimed 24 conference titles during the 1980s, 19 in the Mid-American Conference and four in the Central Collegiate Hockey Association. In addition, twenty-one teams were involved in post-season play in the NCAA, NIT and California Bowl.

The following is a brief synopsis of each program in the BGSU Athletic Department...

BASEBALL - The program has a young, energetic leader in third-year head coach Danny Schmitz who will be looking to develop one of the top programs in the region. Schmitz, who played eight seasons of professional baseball, coached in the minor leagues at the AAA level. Many former BGSU players have gone on to play professional baseball including two of the top pitchers in the game - Roger McDowell and Orel Hershiser - who play for the Los Angeles Dodgers.

MEN’S BASKETBALL - After making back-to-back postseason appearances for the first time in 30 years in 1989-90 and 1990-91 under head coach Jim Larrañaga, a young BGSU squad won 14 games last season and almost defeated the MAC champion in the league tournament. Historically, BGSU leads the MAC in postseason appearances (22 games), victories (eight) and number of All-Americans (eight). Former NBA standouts Nate Thurmond and Al Bianchi are among BGSU’s alumni. Thurmond and coaching great Harold Anderson were inducted into the National Basketball Hall of Fame in 1985.

WOMEN’S BASKETBALL - The Falcons boast the most successful first-year head coach in the country in Jaci Clark who led a tradition-rich program to 24 victories last season. The Falcons should be a league favorite again this season with 10 letterwinners returning, including the top five scorers. The Falcons are the winningest team in MAC history having captured four league tournament titles and made four trips to the NCAA Tournament. Over the last six seasons, the program has won over 75% of its games. The success of the program has attracted large crowds to Anderson Arena, including an MAC record crowd of 4,100 for BG’s NCAA Tournament victory over Cincinnati in 1989.

CROSS COUNTRY - The program is in good hands with Sid Sink in charge of the men and Steve Price directing the women. Sink, a former track and cross country All-American at BGSU, coached the BG women to four CC titles in the 1980s. Now, he’s working his magic with the men. Price, an experienced coach on the national and international level, is in his third year as the head coach.

FOOTBALL - The Falcons will look to repeat a storybook 1991 season which saw rookie head coach Gary Blackney tie the NCAA record for most wins by a first-year head coach as BGSU won 11 contests, the MAC title and the California Raisin Bowl. The Falcons will be looking to become the first team to repeat in the MAC since 1980 while earning a bid to the Las Vegas Bowl. The program has won nine league titles. BGSU alumni include former NFL all-pros Phil Villapiano (Oakland) and Mike Weger (Detroit) and Doug Smith, who will begin his 15th season with the Los Angeles Rams this year.

GOLF - Coach Greg Nye’s men’s and women’s golf teams play on some of the most challenging courses in the country and, in some of the most prestigious tournaments on the collegiate level. The Falcon men’s program has won four MAC Championships and made four NCAA Tournament appearances while the women’s program is annually among the best in the region.

GYMNASTICS - Year in and year out, Coach Charles Simpson fields an MAC title contender. With three MAC titles since 1980, the Falcons have qualified as a team for postseason competition five of the last nine years. In each of the last four seasons, his teams have consistently increased the school record for team score led by Mary Beth Friel, who qualified for the NCAA regional meet each of the last three seasons.

HOCKEY - A winning tradition is what the Falcon hockey program is all about. One of only five teams in the country to earn 20 or more wins every year between 1981 and 1990, BGSU will be looking to make its fifth NCAA Tournament appearance in the last seven years this season. In all, the Falcons have appeared in nine NCAA Tournaments winning the 1984 national title. Coach Jerry York ranks among the best collegiate coaches of all-time with 429 career wins having led the Falcons to four CCHA regular season championships and one league playoff title. In all, the Falcons have won seven
conference titles. BGSU has produced some of college hockey's greatest names, 11 of whom who currently play in the NHL, including defenseman Garry Galley and goalie Mike Liut.

SOCCER - Coach Gary Palmisano's Falcons posted a winning record in all but one year of the 1980s and his teams in the 90s will look to continue that tradition. The 1991 team posted a sparkling 16-2-2 record on their way to the league title and a #5 ranking in the Great Lakes region. The BGSU schedule annually includes perennial NCAA power Indiana and other elite teams in the region. BGSU also hosts the Kwik Goal/BGSU Classic having won the Mac's top teams in the region. The Falcons last won the MAC Championship in 1988, a year that ended with BGSU playing host to the NCAA Midwest Regional. Last season's squad was the runner-up in the MAC.

SWIMMING AND DIVING - Coach Brian Gordon, MAC Co-Coach of the Year in 1988, returns for his sixth year. The Falcon women have made winning a habit. Thirteen dual meet wins in 1991-92 established a school record while they have never finished lower than third in 12 MAC meets. The men's team improved to 4th in the MAC last season, their second-best finish in the last 10 years. The Falcons train at beautiful Cooper Pool, one of the Midwest's top swimming and diving facilities.

TENNIS - The Falcon tennis teams have the advantage of playing and practicing at one of the finest facilities of its kind in the region - Robert Keefe Courts. The men's team, under the guidance of second-year coach Dave Morin, finished third in the MAC last season and he returns his entire lineup intact for the 1992-93 season. The women's program is under the guidance of Penny Dean, who is in her third season.

BGSU Athletic Department
Bowling Green State Univ.
Bowling Green, OH 43403
(419) 372-2401
Bowling Green State University has enjoyed tremendous intercollegiate success in recent years—dating back to 1980, Falcon teams have won a national championship and 25 conference titles.

This glowing track record has resulted from an effective administration, a hard-working staff, good coaching, fine facilities, and, of course, outstanding performances on the fields, courts and ice.

A growing athletic endowment program is another reason. Athletic endowments will play a leading role in guaranteeing successful Falcon teams down the road.

The Charles E. Perry Society provides a significant and everlasting avenue of support to Falcon athletics.

The Society was established in 1983 for the purpose of funding athletic scholarships through private contributions to the athletic endowment fund.

The Society is named for its founder, Charles E. Perry, a 1959 graduate with honors (and two degrees) from Bowling Green State University and a former place-kicker on the Falcon football team.

Perry currently the president and CEO of the Western Trading & Management Company in Houston, was one of the principle founders of the Falcon Club and is the organizer and sponsor of an annual fund-raising event for the BGSU athletic endowment fund. This fund-raiser is called the Perry Society Golf Outing, and has been held the past nine years at the Muirfield Village Golf Club, and also, The Golf Club, in New Albany, Ohio.

In just nine years, the Perry Society has contributed approximately $132,000 raised through the golf outing to the athletic endowment fund. Perry Society members contribute $1,250 per year for the privilege of playing in the golf outing, with every dollar donated going directly to the athletic endowment fund. When a player contributes a total of $5,000, an endowed scholarship is established in the player’s name within the Perry Society.

While it remains an exclusive organization, the Charles E. Perry Society should continue to grow in the coming years, according to BGSU Athletic Director Jack Gregory.

“The private dollars are so critical to the success of Falcon athletics in the future,” said Gregory. “The Perry Society supports our intercollegiate athletic program today, but the real benefit will be realized five, 10 years down the line. The University will benefit, and most importantly our student-athletes will benefit.”

Gregory added that the interest generated from each $5,000 endowment in the Perry Society fund will be used to reduce the debt on the BGSU Athletic Fitness Center.

Before becoming chairman and CEO of the Western Trading & Management Company, he was president and CEO of the Friedkin Companies, Perry had been chairman and CEO of Worldvest, Inc., and years earlier he had been vice chairman, CEO and partner with golfing great Jack Nicklaus in the Golden Bear/Nicklaus Organization. Perry was instrumental in helping develop the organization into a substantial private business enterprise. He is also currently general partner of BC Golf Ltd. in Dallas.

Some of Perry’s other previous jobs have included senior officer for The Charter Company, founding president of Florida International University, and several positions at BGSU. He served as admissions counselor, director of admissions, director of development and assistant to the president.

Perry has been honored on numerous occasions, including being named one of the Ten Outstanding Young Men in America by the U.S. Jaycees in 1971. Four years later in 1975, he was granted the Distinguished Alumnus Award from Bowling Green State University. In 1986, Perry was inducted into the BGSU Athletic Hall of Fame for his outstanding contributions to the program.

Charles and his wife, Betty, have one son, Tom, and a daughter, Lynn.
ATHLETIC DIRECTOR JACK GREGORY

Since his appointment 11 years ago as director of athletics at Bowling Green State University, John C. (Jack) Gregory has set a standard of excellence designed to place Falcon men's and women's teams on equal terms with today's elite intercollegiate athletic programs.

To reach these goals, Gregory challenges his staff of administrators, coaches and classified personnel to settle for nothing less than the very best. His challenge has resulted in some of the finest moments in the history of intercollegiate athletics at BGSU:

- the 1984 NCAA Division I Ice Hockey Championship;
- 15 Mid-American Conference regular season championships in football, men's and women's basketball, softball, women's cross country, gymnastics, men's golf, and volleyball;
- three California Bowl appearances;
- four MAC postseason tournament championships;
- three Central Collegiate Hockey Association regular season championships;
- one CCHA postseason tournament championship;
- 17 NCAA Tournament appearances in hockey, basketball, softball and gymnastics, including 13 in the last six years, the most of any MAC school;
- three home NCAA Tournament berths in hockey, softball and women's basketball;
- and the 1987-88 and 1991-92 Jacoby Trophy, awarded annually to the MAC school with the best overall record in women's sports.

Under Gregory's guidance, the Falcon athletic program completed one of its best seasons ever in 1991-92 with five teams setting records for wins in a season, two earning postseason berths and the women's programs earning the Jacoby Trophy for the second time in the last five years.

Postseason appearances by five BGSU teams highlighted the 1990-91 and 1989-90 seasons. The appearance of the men's basketball team in the NIT for the second consecutive year marked the first time since the early 60s that the program had earned back-to-back postseason invitations. In 1989-90, Bowling Green was the only school in the country that sent teams to national postseason tournaments in men's and women's basketball and hockey.

Gregory came to Bowling Green during one of the most difficult periods in the school's 73 years of intercollegiate athletics, a time when BGSU and the MAC were fighting for NCAA Division I-A status in football. Behind Gregory's leadership, the football program attained I-A status.

Record crowds have attended Falcon football, hockey and women's basketball games during Gregory's tenure. Soccer, volleyball, gymnastics and softball are drawing larger crowds, too.

Another “first” during Gregory's tenure occurred in the fall of 1990 when more than 25,000 fans turned out for the first night game in Perry Field history.

In 1983, 33,527 fans packed Perry Stadium to witness the Bowling Green-Toledo football clash, one of college football's best rivalries. BGSU and MAC single game attendance marks fell that afternoon. Two years later, the Falcons drew a record 112,110 fans for five home games, the third-largest average attendance (22,422) in MAC history. In 1987, Bowling Green set still another MAC attendance record by playing in front of 84,574 fans at Penn State.

Sell-out crowds for BGSU hockey games are a tradition. In 1989-90, 1,700 seats were added to the BGSU Ice Arena, and all attendance records were broken, including single game (5,005) and season (79,376) marks.

With the growing interest in TV sports programming, Gregory has aggressively negotiated for live television coverage of BGSU sports events. Last year, Falcon football, basketball and hockey all attracted live TV coverage. This year promises more of the same. Falcon football and basketball will be aired as part of the MAC Game of the Week broadcasts, while Falcon hockey will continue to play in front of a national TV audience as part of the CCHA Game of the Week.

With the world of college athletics changing constantly, it is important for Gregory to be as active on the national level. Gregory has served on numerous NCAA committees including the Executive Committee and is one of the most active athletic directors on a national level in the MAC. He has also served in many different capacities, in both the MAC and CCHA.

Gregory, 64, has also been instrumental in the development of the Falcon Club, the University's official athletic department booster club. Recent membership drives have encompassed all of northern and west central Ohio, resulting in unparalleled growth in cash and pledges. The Falcon Club has more than doubled its income and grown to such an extent that it is compares favorably with any athletic support organization in the country.

Still, Gregory understands the integrity of college athletics depends on the continued emphasis of the “student” in student-athlete. In that regard, he appointed an academic coordinator in 1984, the first such appointment in the MAC.

Many BGSU student-athletes have excelled in the classroom. Volleyball's Linda Popovich became the MAC's first female to receive the Byers Scholarship in May, 1990. There were more than 160 BGSU scholar-athletes with grade point average of 3.0 or better in 1991-92, including three who were named an Academic All-American, raising the total to 18 Academic All-Americans in the last six years.

A 1952 graduate of East Stroudsburg State College and holder of a master's degree from Temple University, Gregory and his wife, Peg, reside in Bowling Green. They are the parents of two sons and have two grandchildren.
Today's Halftime Show

BGSU FALCON MARCHING BAND
November 14, 1992

Congratulations to Coach Gary Blackney and the 1992 Falcon football team for a second straight Mid-American Conference title! The members, directors and staff of the Falcon Marching Band would like to extend best wishes to our champions for a victorious trip to the Las Vegas Bowl! A big welcome also to all parents with us today to celebrate all who have contributed to a marvelous season.

Today, the Falcon Marching Band goes "south of the border" to bring some heat to a chilly November day! Our show was designed by second-year graduate assistant Tom Dean, and we know our "Falcon Fiesta" is sure to warm you up!

Our trumpet section is featured in the hot sounds of "La Fiesta", a Chick Corea chart made famous by jazz trumpet great, Maynard Ferguson. Look to the east sideline as the Falcon Marching Band is joined on this number by the BGSU Pommerettes.

Our final selection this afternoon is a driving rendition of Stan Kenton's big band hit, "Malaguena", featuring our percussion section.

As our season draws to a close, we look forward to our traditional final concert as part of the 3rd annual Band-°-Rama. Along with the Fall Wind Ensemble and Concert Band, the Falcon Marching Band will perform the very best of our season, Friday evening, November 20 at 8:00 P.M. in Kobacker Hall in the Moore Musical Arts Center. Tickets are $5 and are available through the CMA Box Office. Please join us for an evening of memories and music.

VARSITY BG CLUB SAYS
GO FALCONS!

ABOUT THE VARSITY BG CLUB

The Varsity BG Club is an exclusive organization open only to former Bowling Green State University varsity letterwinners, who, for a non-tax deductible contribution of $20 per year, can help operate the club and support BGSU athletics at the same time. Almost 600 former Falcon letterwinners were Varsity BG Club members last year. Again this year, the Varsity BG Club is offering a lifetime membership for $200; no other dues will ever be required. Lifetime memberships for those 65 and older are only $100.

The Varsity BG Club undertakes two major projects each year. In July we will enjoy another Doyt Perry Golf Outing at the BGSU Forrest Creason Golf Course. Each fall, the annual Varsity BG Day festivities take place in conjunction with a Bowling Green football game. It’s a great day to return to campus and visit with former classmates and teammates.

We are looking forward to another big year for the Varsity BG Club and Falcon athletics, and all we need from you is your participation.

MEMBERSHIP BENEFITS

All active members of the Varsity BG Club will receive:
- Membership in an exclusive organization open only to BGSU varsity letterwinners.
- A list of special activities and programs, such as the ones described above.
- Subscription to the quarterly newsletter.
- Personal satisfaction in contributing to BGSU athletics through your continued involvement.

A Mid-American Conference record crowd of 33,527 attended the Toledo-Bowling Green game in 1983.

Doyt L. Perry Stadium, with its 30,000-plus seating capacity, is celebrating its 27th year as the home of Bowling Green State University football.

Built in 1966 for approximately $3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Stadium for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out arch-rival Toledo at Perry Stadium in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,000, an...
Perry Stadium is more than just a football facility. The east side of the stadium includes dressing rooms, equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift four years ago. A physical fitness center/weight room opened its doors for all 19 intercollegiate athletic teams in the summer of 1988.

Also situated on the west side of Perry Stadium are the Falcon Club offices and clubhouse, the academic counselor’s office, the track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 13th year of operation, the Stadium Club’s 106 theater-type seats, which are all sold, provide loyal BGSU fans with a fine view of the game. The President’s Box, located on top of the east side of the stadium, provides luxury seating for President Paul J. Olscamp and other supporters of Falcon football.

Bowling Green won the first game ever played in Perry Stadium, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won over 65 percent of their home games, compiling a 81-42-5 record in the 128 games played at Perry Stadium. Over the last 10 seasons, Bowling Green is 37-9-3 at home for a .786 winning percentage.

A multi-purpose facility, Perry Stadium has also hosted concerts, NFL exhibition games, and major soccer tournaments.

Perry Stadium is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, according to the NCAA, Perry is fourth all-time behind Bob Reade (Augustana), Knute Rockne (Notre Dame) and Frank Leahy (Notre Dame) in winning percentage among coaches with at least 10 years of service on the collegiate level. Perry served as the BGSU Athletic Director for seven years after stepping down as football coach.

Cris Shale
Punter Cris Shale became the most decorated player to ever wear the Brown and Orange in 1990 earning a spot on five All-America teams while establishing four MAC records, including season (46.77) and career (43.09) average. For being selected to the Associated Press All-America team, Shale was invited to Ft. Lauderdale, Florida for the taping of the Bob Hope Christmas Show (photo at left), which annually presents the All-America team as one of the segments on the show. Shale was a 10th round draft pick of the Washington Redskins in 1991 draft.

Why The Falcons?
The 1992 season marks the 65th anniversary of Bowling Green’s nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake ’23 suggested the nickname, Falcons, after reading an article on falconry. Lake, managing editor and sports editor of the BG Sentinel-Tribune at the time, proposed the name change because it fit headline space and because falcons were “the most powerful bird for their size and often attacked birds two or three times their size.”

Why Orange and Brown?
Burnt Orange and Seal Brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a woman’s hat on a bus trip to nearby Toledo, Ohio. He liked the brown and orange color combination.

The Bowling Green State University basketball program was not the only one that can boast the best first-year coach in the country for the 1991-92 athletic season—the women's basketball program can also do the same. After spending five years as the assistant coach, Jaci Clark took over as the head coach and did nothing to hurt the program's image as the best in the Mid-American Conference. In fact, the 24-8 season enhanced the reputation of a program that is the winningest in league history.

Clark, who did not take over the top spot until the first day of official practice, Oct. 15, last season, was by far the winningest first-year coach in the country with her 24 victories. In fact, only one other first-year mentor of the 12 in the country last season had a winning record.

So how does Clark top an opening season that was a smashing success?

Well, believe it or not, all the ingredients are in place to be even better this season, something that is becoming customary for Falcon fans.

BGSU returns its top five scorers from a team that led the nation in scoring (89.0 ppg) and was sixth in field goal percentage (.501), which also established a league record. They also return the top three rebounders.

"I'm looking forward to the season," Clark said. "We return a lot of players and I think we've gone from a relatively young team to an experienced squad in one year."

With 10 returning letterwinners, it is not the season to make a major overhaul. Clark and her staff will do more fine tuning as they prepare for the season.

"I would like to see us expand some things, add some new twists, and get even better at the things we did well last season," Clark said.

"We do need to improve our defense with the main concentration in the area of field goal percentage defense. But, we would like to improve defensively while not taking anything away from our offense."

BGSU limited the opposition to just 40.6% shooting from the field last season, second in the MAC, but they were hurt by big individual efforts in many of their five losses. In three of the five losses, at least one player on the opposition team scored 30 points, and in two of those instances a player scored more than 40 points.

"We can't allow one player to score that many points and expect to win," Clark said. "We have to play better individually and get better at helping each other. Some of our breakdowns last season defensively came about because of the inexperience we had on the court.

"I'm looking for the team to take over a little more on both ends of the court this season putting their personalities into it. At times last year, it seemed the players were thinking about what they had to do instead of just letting their natural abilities come out."

Despite the record and all the success, BGSU dropped both its games to rival Toledo to finish one game behind the Rockets in the regular season. A double overtime loss to Kent in the MAC Tournament semifinals knocked the Falcons out of any chance to earn a spot in the NCAA Tournament. Each loss was a bitter pill to swallow, but Clark hopes the experiences will benefit the team in the long run.

"I think we will be stronger when we find ourselves in a close game," Clark said. "I think we've learned what it takes to win those close games and the players will respond with more confidence in that situation this season."

"I was very pleased at the way we responded after losing the two tough games to Toledo. We came back and didn't fold."

A look at the 1992-93 team follows.

**BACKCOURT:** The Falcons are solid at both positions with two of the better players in the MAC returning.

**Jaclyn Kuecherer** returns at point guard after turning in a solid, sometimes spectacular, sophomore season in which she averaged 8.0 points and 6.0 assists. Kuecherer did play the minutes of any player on the team, something Clark would like to reduce.

**Shakerah Johnson**, a starting guard who led Canfield High School to the state high school semifinals averaging 15 points a game in high school and was sixth in field goal percentage (.501), which also established a league record. They also return the top three rebounders.

**Susie Cassell** returns at point guard after turning in a solid, sometimes spectacular, sophomore season in which she averaged 8.0 points and 6.0 assists. Cassell did play the minutes of any player on the team, something Clark would like to reduce.

**Talita Scott** came into her own last season averaging 12.2 points and 4.9 rebounds. She was probably the most consistent offensive player on the team last season scoring in double figures 20 times.

Also returning is seniors **Lori Albers** and **Charlayne Shade**, who could improve the same way Scott did from her freshman to sophomore year after averaging 4.6 points and 4.9 rebounds. She was probably the most consistent offensive player on the team last season scoring in double figures 20 times.

A pair of newcomers figure into the picture in the backcourt, but will have the luxury of taking their time to learn the system if need be.

Local product **Jena Ault** from Bowling Green High School, is likely to play the point guard spot giving Cassell some rest. She averaged 15 points a game in high school and her height would give her a decided advantage over almost every player she would come up against at the position.

Jenny Kulics led Canfield High School to the state high school semifinals averaging over 20 points a game. The four-time all-state selection has legitimate three-point range and could play either guard spot.

**FRONTCOURT:** Only one of the starters returns along the frontline, but the Falcons have as much or more talent and depth at the positions than any team in the conference.

The returning player is senior **Andrea Nordmann**, a first team All-MAC selection last season after averaging 14.3 points and 7.5 rebounds. A leading candidate for conference Player of the Year honors, Nordmann needs just 152 points to reach 1,000 for her career.

The two players who were second and fourth on the team in scoring also return. Junior **Lori Albers** made a successful comeback from major knee surgery in 1990 to average 14.1 points and 6.4 rebounds last season. Probably the best athlete in the conference, Albers also averaged almost three assists and over two steals per game coming off the bench for most of the season.

After averaging 4.4 points in just over 10 minutes a game as a freshman, **Talita Scott** came into her own last season averaging 12.2 points and 4.9 rebounds. She was probably the most consistent offensive player on the team last season scoring in double figures 20 times.

Also returning is sophomores **Michelle Shade**, who could improve the same way Scott did from her freshman to sophomore year after averaging 4.6 points in 10 minutes of action per game, and **Charlayne McClendon**.

Two other returning players, J.J. Nuesweyer and **Tangy Williams**, will likely vye for the starting nod at center. Nuesweyer was a much-improved player last season averaging 4.5 points and shooting 60% from the floor in a reserve role. Williams is one of the top defensive players on the team.

One newcomer, **Kristi Koester**, possesses the skills needed to earn playing time right away this season. Koester averaged 16 points and 10 rebounds as Genoa High School last season.

"I think the coaching staff and the players would be real disappointed if we did not have a great year," Clark said. "This team is capable of accomplishing things this program never has if it plays up to its potential. But, if it's a long season and you have to prove you are the best team on the court!"
