The Bowling Green State University football team will look to get back on the winning track this afternoon, and if past history means anything, there is not a better place to accomplish that than Perry Stadium.

All the Falcons have done over the last two seasons is win 10 straight at home averaging almost 30 points a game while holding the opposition to 15. Over the last 11 seasons, BGSU has compiled a 42-9-3 mark at home for an 80.6 winning percentage while over the 27-year history of the stadium, the BG football teams have won 66% of their home contests.

Looking ahead to Oct. 2 against Toledo, the Falcons are even better at home in league play over the last 10 seasons compiling a sparkling 34-6-3 (.826) record.

But, BG’s opponent today, Cincinnati, has just as much incentive to make their trip to Bowling Green worthwhile. The Bearcats are above the .500 level for the first time since 1988 after beating Austin Peay last week, 42-10. The Bearcat program, which is still in the rebuilding stages under head coach Tim Murphy, would like nothing better than to go two games above the break-even mark for the first time since 1986. Little milestones mean a lot when trying to rebuild a program.

Cincinnati will bring a veteran team into Perry Stadium this afternoon with a tentative starting lineup that includes six seniors and two juniors on defense and eight seniors on the offensive side of the ball. Cincinnati, a Division I-A independent, has a senior at the controls on offense in Lance Harp, who was 21-of-43 for 219 yards in BG’s 20-16 win over the Bearcats in 1991. He also ran for an additional 42 yards in that game. Sophomore tailbacks Darrell Harding and Craedel Kimbrough ran for 97 and 85 yards, respectively, in the opening day win. Senior tailback David Small is also expected back this week after being suspended for the first game. Small has rushed for over 1,700 yards in his career. Freshman tackle Darrius Felder led UC with 10 tackles in the season opener as Austin Peay managed just 45 yards passing for the game. Freshman Chris Hewitt had an 85-yard kickoff return for a touchdown in the victory to lead the special teams.

So, sit back and enjoy a game that should go down to the wire. Both previous meetings between the two teams, won by BG, were decided in the fourth quarter.

**BG—**

**BUT NOTE:** Due to construction on I-75 at the Bowling Green exit, fans attending the game against Toledo on Oct. 2 are reminded you can use Route 25 as an alternate route to get to Bowling Green. The Falcons will be looking to extend their MAC win streak to a record 17 games in the Homecoming Day contest.

**BG—**

**TWO-MINUTE DRILL HITS PAYDIRT:** All of BG’s points from the offensive side of the ball were scored in the two-minute drill against Virginia Tech. Young quarterback Ryan Henry directed the Falcons on a six-play, 55-yard drive at the end of the first half which resulted in a field goal. Henry connected with junior flanker Rameir Martin for 52 yards for the big play on the drive. BG then drove 75 yards in nine plays at the end of the game to score their only offensive touchdown. Henry was seven-for-nine for all 75 yards in the last drive. BG got the ball with 1:29 left in the first half drive and held the ball for 1:04 and they started the final drive with 1:24 left and held the ball for all but the final tick of the clock.

**BG—**

**STRONG DEBUT FOR MARTIN:** Many thought it would be hard to replace flanker Mark Szlachcic, who set a MAC record for career receptions before graduating last season. But, junior Rameir Martin, who was Szlachcic’s back-up last season, made the most of his first career start against Virginia Tech making a career-high seven receptions for a career-high 132 yards which included a career-best 52-yard reception.

Martin had three career receptions, all last season, before this year.

**BG—**

**MORE MARTIN PLUS WILLIAMS:** The Falcons have used the jumping ability of some of its players to block opposition point-after-touchdowns over the last three seasons. Terry Wilson was used in that role in the 1991 season. Last year, Rameir Martin and junior wide receiver Charlie Williams took their turn. BG blocked its 13th PAT or punt over the last three seasons when Williams and Martin got a piece of Virginia Tech Ryan Williams’ PAT after the Hokies third touchdown. Williams blocked three PATs last season while Martin was credited with two.

**BG—**

**STREAKING RECEIVER:** Junior split end Ronnie Redd is the lone returning letterwinner at wide receiver and he bettered his trend of catching a touchdown pass every five receptions. Redd, who increased his consecutive game pass-catching streak to 24 games in the Virginia Tech contest, had four receptions in the season opener, one for a touch-

(Continued from page 2) down. He now has 11 career TD catches on 54 receptions. Redd had a four-yard reception for his six-pointer with one second left in the game. Seven of his 11 career TD receptions have been receptions of 10 yards or longer with four of the seven 30 yards or more in length.

SEVERAL MAKE STRONG DEBUTS: Besides Rameir Martin, several BGSU players had strong games in their debuts as a starter. Sophomore safety Steve Rodriguez was credited with 17 tackles, tying for team honors, in addition to making the hit on Virginia Tech quarterback Maurice DeShazo which caused the fumble which teammate Chache Leal picked up and ran in for a touchdown. Rodriguez had six tackles and one interception last season in a reserve role. Senior cornerback Darnell Staten, who had 10 tackles last season in a reserve role, was credited with 10 tackles and one fumble recovery. And sophomore quarterback Ryan Henry completed 17-of-39 tosses for 237 yards with one TD pass and no interceptions.

—BG—

OUT OF THE SHADOWS: One of the three returning starters on defense is junior inside linebacker Vince Palko. Palko was second on the team in tackles each of the last two seasons behind the other inside linebacker, in both cases a senior. Palko, who had 217 tackles in his first two seasons, began this season, in which he now becomes one of the focal points of the defense, with 17 tackles in the season opener Saturday. His previous career high was 16 tackles last season vs. Miami.

—BG—

FALCON FAST FACTS: Senior offensive lineman Joe Wyse, who has moved from tackle to the guard slot this season, made his 27th straight start against Virginia Tech...Wyse was a first team All-MAC selection last season...the 52-yard pass between quarterback Ryan Henry and flanker Rameir Martin was the longest since the 1990 season...sophomore Andy Tracy won the punting battle with junior Rob Donahue during fall practice and performed very well in the season opener...Tracy averaged 44.4 yards on seven kicks with a 57-yarder his best effort of the day...he averaged 33.3 yards last season in 15 efforts...junior place-kicker Brian Leaver continued his fine kicking connecting on his only field goal attempt from 42 yards at the end of the first half...he has now converted seven straight field goal attempts dating back to the middle of last season...a 44-yarder vs. Akron last season is his career long...BG won the turnover battle (+2) in the Tech game, but had seven penalties for 84 yards...

Although he has accomplished as much as any coach in college football in his first tenure as a head coach, that will not stop Bowling Green State University head coach Gary Blackney from continuing to work as hard as he has in his first two seasons.

Blackney has resurrected a once-proud football program, guiding the Falcons to back-to-back Mid-American Conference titles while going undefeated in league play over the period. This comes on the heels of five straight years when 5-6 was the best record.

The 1993 season will present some new challenges for Blackney and his staff as they look to become only the third team in league history to win three consecutive titles. And there is also the matter of putting their names alone in the record book for the most consecutive wins in league play, which they now jointly hold with Miami (1973-75) at 16 games. Blackney will lead his team against arch-rival Toledo in the league opener this season, looking to add to his list of history-making accomplishments during his short tenure.

In order to three-peat, the Falcons will have to overcome the loss of eight starters on the defensive side of the ball, including the entire secondary, and the loss of one of the top quarter-back-wide receiver duos in league history. But, overcoming obstacles is something Blackney, as a coach and person, has grown accustomed to. All Blackney did, in not only his first season at BGSU but his first season as a collegiate head coach, was take a 3-5-2 team and turn them into a 11-1 squad which won their last 10 games. The Falcons clinched the MAC title with two weeks of the league schedule still remaining, which is believed to be the earliest any team has ever wrapped up the title. The final standings showed BG with a perfect 8-0 mark while the second place team finished at 3-1-4.

The top first-year coach in the country, Blackney was just the fifth coach in MAC history to lead his team to an outright conference title in his first season. He is also the winnigest first-year head coach in BGSU history equalling the NCAA record for most wins by a coach in his first season in the top spot. The 11 wins by the 1991 team tied the school record.

For an encore, with the Falcons no longer an unknown as they were in 1991, the 1992 favorites gladly accepted that role and again won the league title with a perfect record. The Falcons earned the right to represent the MAC in the first Las Vegas Bowl and backed up the program's first bowl victory in 1991 over Fresno State in the California Bowl with a thrilling 35-34 win over Nevada in Las Vegas.
has also meant some prestigious honors along the way.

He became only the second coach in league history to earn Coach of the Year honors in back-to-back seasons earning the award the last two years. He has also been named the Coach of the Year in region 3 by his peers, the American Football Coaches Association, the last two seasons. The region includes all I-A schools in the states of Ohio, Indiana, Michigan, Illinois and Big Ten member schools Wisconsin, Minnesota and Iowa. The BGSU mentor was also the 1992 Ohio Collegiate Coach of the Year.

A little less than three years ago, Blackney realized his dream of becoming a collegiate head coach. He certainly paid his dues serving as an assistant the previous 21 years at such programs as Wisconsin, UCLA, Syracuse and, most recently, Ohio State. The list of coaches he served under ranks among the best in the collegiate game - coaches such as Dick MacPherson, Terry Donahue, Earle Bruce, Rick Forzano and John Cooper.

The Plainview, New York native began his coaching career at his alma mater, Connecticut, in 1968, where he spent two seasons as a graduate assistant on a staff that included, in addition to Forzano, current Notre Dame head coach Lou Holtz, former Cleveland Browns head coach Sam Rutigliano, and Dave Adolph and Dan Sekanovich, both NFL assistant coaches.

That was followed by stops at Brown and Rhode Island, in addition to the aforementioned schools, with all but two of those seasons spent on the defensive side of the ball. Last season was the seventh time in the last nine years Blackney has helped a team to a bowl bid.

His success story is certainly one that makes all people feel thankful.

In March, 1986, Gary's wife, Lauretta, suffered a basilar artery aneurysm which has led to her need for 24-hour care. Forcing to take over the duties of running the household, which were previously handled by Lauretta, Blackney made the necessary changes and still keeps up with the demands of being a head coach and a father.

“I look at Lauretta's situation and know she could call it quits. But she keeps competing to get better and better. If you want to talk about endurance and courage, look at her - not me.”

A “New” Home For BGSU Students

An example of residence hall living for the 21st century is just a short trip down Wooster Street.

Founders Quadrangle has been standing at the corner of Wooster Street and Thurston Avenue for 36 years, but with a $15 million gutting and rebuilding, the “new” Founders would be unrecognizable to those who once lived there. And it is like no other residence hall on campus.

In fact, the housing is so appealing that accommodations for 672 residents were sold out in less than an hour.

Originally opened in 1957 for 840 women students, Founders was designed to accommodate ever-rising numbers of people attending American universities in the late 1950’s. World War II and the Korean War were over and many veterans now were able to attend school thanks to the G.I. Bill.

To house these students, Founder’s offered single rooms for six or four persons respectively. The result: little privacy. In its early years, the arrangement worked. As time went by however these living conditions began to be considered less favorable. By the 1970’s and 80’s, Founders became downright unpopular.

To address the changing needs of students, a University building committee began meeting in the fall of 1990 to explore housing possibilities.

“Our goal was to keep more juniors and seniors on campus,” Jill Carr, director of the Housing Office, said. “Students were telling us that they wanted more privacy and smaller, self-contained units that were similar to apartment living. They also wanted more single rooms on campus.”

After analyzing students’ needs, the architects went to work. It was decided that the building would remain standing but its interior would be completely renovated. The four wings—Mooney, Treadway, Harmon and Lowry—now feature 73 suites, each with three double rooms for a total of six persons to a suite. This arrangement provides a common living area, bath and two half-baths. There are also 234 single suites which contain two single rooms and a common bath.

Both suite styles are completely furnished with moveable, stackable furniture to help use space creatively. Also, air conditioning and heating controls may be adjusted inside each individual suite.

Keeping today’s and tomorrow’s students in mind, all suites are linked with the University’s computer network through outlets which are prewired in each room. In addition, there is also a first-floor computer lab with 25 workstations where all students may compute or print their work using a laser printer.

Individuals who had lived in Founders in prior decades would be in for a shock at all the changes. In particular, food operations have been substantially upgraded. Students now have several dining choices.

In addition to the main dining area on the ground floor there is Keepers Courtyard which serves as a night-time snack bar. Other dining options include The Patio, a lounge area overlooking a sand filled volleyball court and Club ‘57, a private groundfloor dining area to be used for special meetings and catered events.

The 200,000-square-foot residence hall also features a high-tech security system. An electronic door access system has been installed on the building’s exterior doors. It will require occupants to carry a card which will be electronically “read” by a computer before allowing entry.

Engler said that ramps, wide doorways and special electronic door openers have been designed for individuals with disabilities. Specially prepared rooms for these students have been designed on each floor of Founders.

“The building is 100 percent accessible to handicapped individuals,” Engler said. “It meets all the Americans with Disabilities Act requirements.”

Making It Home—Junior Beth Louis (foreground) and sophomore Deanna Solomon make their suite their own. With the renovations, occupancy dropped from a potential of 840 to 672.
The annual celebration that brings back former Bowling Green State University letter winners, Varsity BG Day, will be held this afternoon.

All former letters winners are invited to attend the ceremony, in which the three honorees will receive their awards, after the game in the Falcon Club tent just outside the stadium north of the field.

The three honorees, who will also be recognized in a pre-game ceremony on the field, include Adolph Madaras '40, Thomas Sims '65 and Dave Carr.

Madaras will receive the Golden Letterman Award, Sims the Silver Letterman Award and Carr the Honorary Letterman Award. The Golden Award goes to a letter winner who graduated at least 50 years ago (1915-1943) while the Silver Letterman Award is presented annually to a letter winner who graduated at least 25 years ago but after 1943. The honorary award goes to someone who has made a significant contribution to BGSU athletics, but is not a letter winner.

Born in Raab, Hungary, Madaras, who passed away in 1975, was raised in Pemberville where he played basketball and ran track at Pemberville High School. At the age of 24, Madaras began attending BGSU where he would earn three letters in football (1937-38-39), basketball (1938-39-40) and track (1938-39-40). He was a starter on the football team at tackle despite never playing the sport until he began attending BGSU.

In basketball, Madaras was second on the team in scoring in each of his three seasons scoring a total of 477 points while earning second team All-Ohio honors in 1939-40 helping the Falcons to a 16-4 record. In track, he often competed in the high jump, pole vault, shot put and discus. He captained the 1940 team and set the school record in the shot put.

After a stint in the Navy, Madaras taught at Pemberville then Eastwood High School between 1946 and 1974. His wife, June, passed away in 1988. Three of his four children graduated from BG, one of which, Duff Madaras, will accept on his father's behalf.

Tom Sims came to BGSU from Columbus South High School where he was a two-year All-City selection. He moved right into the lineup his sophomore year as a cornerback while he was also utilized as a kick returner. He earned second team All-MAC honors as a junior leading the team with 12 receptions. BGSU compiled a 24-4-1 record during his three years winning two MAC titles.

After attending the camp of the Los Angeles Rams in 1965 as a free agent, he spent some time playing for the Philadelphia Bulldogs in the Continental League before ending the season on the Philadelphia Eagles' taxi squad. He returned to the Bulldogs in 1966.

Since 1969, Tom has worked for General Motors in Detroit where he is currently the Purchasing Administrator. Tom and his wife, Barbara, a '65 BG graduate, have two children, Thomas, who plays for the Kansas City Chiefs, and Nick, who was four-year letterman at BG and a starter on 1991 California Bowl championship team.

Fostoria native Dave Carr spent almost 30 years at WFOB Radio covering Falcon sports in several different capacities, many of those years as the play-by-play voice of football and basketball.

He began at WFOB in 1954 before taking over as the sports director at WMAN in Mansfield in 1960. In 1967 he returned to WFOB where he served as the "Voice of the Falcons" until 1990 when he joined the Mid-American Banking Company as a customer service representative.

Carr has served as a Bowling Green city councilman and he was also president of the MAC News Media Association.

Dave and his wife Nadine, who works for a local real estate company, have three children.

“FIRST CARE, THEN CARS”
FOR OVER 54 YEARS!

At Ed Schmidt, “first care, then cars” has been our way of
doing business since we first opened over 54 years ago. We
did business that way then, and we do it that way now!
Before we try to put you in one of our cars, we try to put
ourselves in your shoes. Some call that the Golden Rule, we
just call it good business. And that way of doing business
has given Ed Schmidt an A-1 rating in the Northwestern
Ohio area. See us for all your automotive needs.

Tuffy Does It Right!
In large measure, Bowling Green State University’s success has centered on its ability to offer its students the educational diversity and excitement of a large university, while maintaining the caring and camaraderie of a small college.

That’s a direct result of Bowling Green’s research and teaching commitment, which attracts top scholars and graduate students and puts the University on the cutting edge of the development of exciting new knowledge, combined with a “We Care” attitude that students are introduced to when they first arrive on campus.

Today, the University has nearly 1,000 full- and part-time faculty and 17,300 students on its main campus. Degree programs are offered through the colleges of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology and the Graduate College. Within the undergraduate colleges are schools of Art, Mass Communication, Nursing, and Health, Physical Education and Recreation.

In all, the University offers more than 170 undergraduate degree programs, 13 master’s degrees in 69 fields of study and doctoral degrees in 14 departments with more than 60 specializations.

In addition to courses on the main campus, the University’s Firelands College campus, located in Huron, Ohio, offers five associate degree programs, as well as courses which fulfill the first two years of a bachelor’s degree requirement. Firelands enrollment tops 1,400 students.

Fully accredited at the highest state, regional and national levels, the University has chapters of most national honor societies, including Phi Beta Kappa and Phi Kappa Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant Colleges.

The University’s faculty members, 78 percent of whom hold Ph.D’s, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of academic programs which are regionally and nationally recognized. Also, faculty have been elected to high ranking positions in several national and regional professional organizations.

Three departments—chemistry, philosophy and psychology— are home to Ohio Eminent Scholars. The scholar program was created by the Ohio Board of Regents to attract world-class educators and researchers to the state’s universities. Only two other Ohio universities—Ohio State and Cincinnati—have more of these prestigious positions than Bowling Green.

While committed to teaching, faculty are researchers as well, generating new knowledge through independent research and involvement in University units such as the Population and Society Research Center, the MidAmerican Center for Contemporary Music, the Center for Quality Measurement and Automation, the Canadian studies program, the Center for the Study of Popular Culture and the Social Philosophy and Policy Center.

Bowling Green is also the site of the National Drosophilas Species Center and the Mid-America Stock Center—the largest scientific facilities of their kind in the world—where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University’s students come from throughout the United States and nearly 60 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. Last year, more than 2,000 “non-traditional” adult students enrolled in undergraduate and graduate programs on a full- or part-time basis.

The focal point of the 1,338-acre campus is the nine-story Jerome Library, with its collection of more than four million items, including 1.7 million volumes plus journals, periodicals, microforms, government documents and other materials. Special sections of the library include the Center for Archival Collections, which houses materials relevant to northwest Ohio history, and the Sound Recording Archives with 600,000 recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry’s past and present.

The University is continually improving its more than 100 existing buildings and upgrading facilities to meet current needs. Last fall, a $5.8 million addition to the fine Arts Building was completed as well as the transformation of Hayes Hall into a computer center. Earlier this year, an $8.7 million field house for intramurals, physical education classes and intercollegiate sports was opened. A $15 million renovation of Founders Quadrangle was completed in August and has transformed the building into a state-of-the-art residence hall. Construction on a $13.5 million classroom building and a $9.5 million major renovation of Eppler Hall are currently underway.

In the last 11 years, more than $160 million has been allocated for new construction and remodeling projects.

The University has also accomplished its goal of making computers a vital part of each students education. There are 19 computer labs, including one in every residence hall complex, for use by students. In addition, nearly a half dozen departments have created computer labs for their students. And, following a successful pilot program, student rooms in Chapman Hall are equipped with computers.

Most people think of a hospital as a peaceful place to rest and recover. But in many semi-private hospital rooms, getting peace and quiet is more wishful thinking than anything else.

At Mercy and St. Charles we understand that your only wish in the hospital is to get well soon, which is why all our regular rooms for adult medical patients are private rooms.

So while bigger hospitals are making noise about how many people they treat, remember to ask yourself—how noisy do you want your hospital to be?

Building upon the inherent strengths of the University's faculty and its academic programs, Olscamp charted a course that would move Bowling Green into the ranks of the country's most important colleges and universities. The effort focused on teaching, research and service and has involved a University-wide commitment to excellence.

He adopted the slogan "An Environment for Excellence," a clear indication of the vision he had for Bowling Green.

Early in his administration, Olscamp and the faculty outlined the task ahead in a 27-goal document called the Role and Mission Statement. Most of the goals centered on improving the quality of undergraduate and graduate students; academic programs; learning resources, particularly computing and the library; and the faculty development, including recruitment of minority faculty.

Now, as Olscamp begins his 12th year at Bowling Green, many of those original goals have been met and new priorities have been established, including additional scholarships for academically gifted students; strengthening the graduate program and further enhancement of the University's endowment.

One of his most important accomplishments has been to fully involve the faculty in University governance. Faculty now have a key role in developing the annual budget and share authority with the president in interpreting the University's Academic Charter. The faculty also have greater control over the curriculum and development of new academic programs.

While always a concern, finances have taken center stage in recent years. With a tightening state budget, Olscamp has directed efforts to increase private giving. In 1992-93, private giving topped $4 million for the second straight year. During his tenure, the school's endowment has increased to nearly $44 million from $1.9 million when he arrived.

Olscamp also brings a personal touch to his presidency. He frequently hosts both students and faculty as his home. He also holds periodic forums with students wanting to discuss campus issues.

A great deal has happened at Bowling Green since 1982. Here are some of the highlights:

**Academic Programs**
- Creation of Bowling Green's first endowed professorships, in management, finance, chemistry and philosophy.
- Development of the Center for Photochemical Sciences, the only one of its kind in the country. Photochemistry is a multibillion dollar growth industry and some key research for that industry is being conducted at Bowling Green.
- Development of the Center for Quality, Measurement and Automation, the only center of its kind in the state designed to assist manufacturing and other businesses in the design and production of products.
- The appointments of three Ohio Eminent Scholars in photochemical sciences, moral philosophy and industrial/organizational psychology; the positions are the result of three $500,000 grants from the Ohio Board of Regents.
- The addition of doctoral programs in applied philosophy and photochemical sciences; the 13th and 14th Ph.D. offerings at BGSU.
- More than 275 students are National Merit Scholars, one of the highest numbers on any campus in the country, over the last six years.
- Establishment of the University's first major scholarships for minority students.
- Creation of a network of computer labs throughout the campus, including labs in each residence hall. One survey has BGSU listed 35th in the country in number of personal computers on campus.
- Securing more than $5 million from the Board of Regent's Selective Excellence Programs, which are designed to attract top scholars, conduct pioneering research and develop centers of excellence. Grants have been awarded in both the sciences and the humanities.
- Creating a Canadian studies program emphasizing Canada-U.S. trade relations and economic development in the northwest Ohio region.
- Expansion of the library's holdings to more than four million items, including 1.7 million books, plus journals, periodicals, microforms, government documents and other materials. Also, the library is among the first to be part of OhioLink, which enables students access to all holdings at state universities, community colleges and selected private libraries in Ohio.
- Development of the Student Telephone Accessed Registration system which enables students to schedule their classes from a touchtone telephone. The STAR system has made long registration lines a part of University history.

**Physical Plant**
- More than $160 million has been spent in the past 11 years for the construction of new buildings and upgrading existing buildings.
- Completion of the $7.2 million Physical Sciences Laboratory Building in 1984 and a $3.65 million addition to the Business Administration Building in 1988 and a $9.8 million Fine Arts Center and an $8.7 million field house.
- Construction is now nearing completion on a $1.3 million classroom building.
- Major renovation and refurbishing of existing campus buildings including Williams, Overman, Hayes and Shatziel halls, the Epler complex and Founders Residence Hall. Construction of a $2 million office building to house faculty and staff temporarily displaced by renovation projects and later to be used for permanent offices.

**University Finances**
- Creation of an internal endowment fund of $4 million from various University reserves. The balance is expected to reach $10 million in 1994. Interest on the $10 million principle will be used to supplement the academic budget.
- Developing a plan to restructure debt service obligations which is projected to result in a $32 million principle in 10 years. Interest on that amount, which could exceed $2 million annually, will go toward the academic budget.
- Completion of the most successful fund raising drive in University history. With the assistance of the development and alumni office, the 75th Anniversary Fund raised more than $15 million in three years; well above the $12.5 million goal. Donations included the University's first two $1 million gifts—from the Stranahan Foundation of Toledo for the Social Philosophy and Policy Center and from Harold and Helen McMaster of Perrysburg for the McMaster Leadership Institute. In 1988 the Stranahan Foundation awarded a $3 million grant to the Social Philosophy and Policy Center.
- Completion in 1993 of a $1.825 million Campaign for the Arts to benefit the theatre, music, art, dance and Arts Unlimited programs.
The tradition of excellence that is Bowling Green State University athletics continued in 1989-90 as five Falcon teams captured league titles, three teams earned berths in the NCAA Tournament and three student-athletes earned Academic All-America honors.

As we move further into the final decade of the 20th century, the accomplishments of BGSU’s coaches and student-athletes solidify BGSU’s place as one of the top athletic programs in the country.

Bowling Green sports teams of the 1980s achieved a level of success matched by few and, based on the performance of Falcon teams in the first three years, the 90s may be even better.

Bowling Green claimed 24 conference titles during the 1980s with twenty-one teams earning berths in post-season play. In the first three years of the 90s, BG teams have already won eight league titles with seven of those teams making appearances in post-season action.

In addition, the last two years the women’s programs have captured the Jacoby Trophy for overall athletic excellence in the MAC.

The following is a brief synopsis of each program in the BGSU Athletic Department...

BASEBALL - The program has a young, energetic leader in fourth-year head coach Danny Schmitz who is beginning to develop one of the top programs in the region. Schmitz, who played eight seasons of professional baseball, coached in the minor leagues at the AAA level. Many former BGSU players have gone on to play professional baseball including two of the top pitchers in the game - Roger McDowell and Orel Hershiser - who played for the Los Angeles Dodgers.

MEN’S BASKETBALL - After making back-to-back postseason appearances for the first time in 30 years in 1989-90 and 1990-91 under head coach Jim Larranaga, a solid nucleus of returning players will try to get BGSU back in postseason play this season. Historically, BGSU leads the MAC in postseason appearances (22 games), victories (eight) and number of All-Americans (eight). Former NBA standouts Nate Thurmond and Al Bianchi are among BGSU’s alumni. Thurmond and coaching great Harold Anderson were inducted into the National Basketball Hall of Fame in 1985.

WOMEN’S BASKETBALL - The tradition-rich program made a fifth NCAA Tournament appearance last season hosting Florida. BGSU’s 163-47 record over the last seven seasons is the 10th best record among the almost 300 schools in Division I. The Falcons are the winningest team in MAC history having captured five league tournament titles and four regular season championships. The success of the program has attracted large crowds to Anderson Arena, including 4,408 for BG’s NCAA Tournament game against Florida last season.

CROSS COUNTRY - The program is in good hands with Sid Sink in charge of the men and Steve Price directing the women. Sink, a former track and cross country All-American at BGSU, coached the BG women to four CC titles in the 1980s. Now, he’s working his magic with the men. Price, an experienced coach on the national and international level, is in his fourth year as the head coach.

FOOTBALL - Back to back league titles and bowl victories along with 16 straight MAC wins have put the BGSU football program back among the elite. BG’s 21-3 record the last two seasons is the fifth-best mark in the country among the 106 Division IA schools. Celebrating its 75th season of play this year, along the way BGSU alumni have included former NFL all-pros Phil Villapiano (Oakland), Mike Weger (Detroit) and Doug Smith (Los Angeles Rams).

GOLF - Coach Todd Brunsink’s men’s and women’s golf teams play on some of the most challenging courses in the country and in some of the most prestigious tournaments on the collegiate level. The Falcon men’s program has won four MAC Championships and made four NCAA Tournament appearances while the women’s program is annually among the best in the region.

GYMNASTICS - Year in and year out, Coach Charles Simpson fields an MAC title contender. With three MAC titles since 1980, the Falcons have qualified as a team for postseason competition five of the last ten years. In each of the last five seasons, his teams have consistently increased the school record for team score.

HOCKEY - A winning tradition is what the Falcon hockey program is all about. One of only five teams in the country to earn 20 or more wins every year between 1981 and 1990, BGSU will be looking to make its fifth NCAA Tournament appearance in the last eight years this season. In all, the Falcons have appeared in nine NCAA Tournaments winning the 1984 national title. Coach Jerry York ranks among the best collegiate coaches of all-time with 448 career wins having led the Falcons to four CCHA regular season championships and one league playoff title. In all, the Falcons have won 11 conference titles. BGSU has produced some of college hockey’s greatest names, nine of whom currently play in the NHL, including defensemen Garry Galley and Rob Blake and forward Nelson Emerson.
SOCCER - The program posted a winning record in all but one year of the 1980s and the success has continued in the 90s with the team compiling a 31-4-3 record the last two seasons. The Falcons were the top team in the Great Lakes Region last season posting a sparkling 15-2-1 record on their way to an NCAA Tournament berth. The BGSU schedule annually includes perennial NCAA power Indiana along with the Kwik Goal/BGSU Classic. BG has won 12 or more matches in five of the last seven years for a 66.2 winning percentage.

SOFTBALL - After a 37-win season in 1991, MAC Coach of the Year Jacquie Joseph led her team to a MAC title and NCAA Tournament berth winning 34 games last season. Many of the key personnel return from the championship team which points to more success in the future for the program. The program has had an all-region player three of the last five years and the Freshman of the Year in the league the last two seasons.

SWIMMING AND DIVING - Coach Brian Gordon returns for his seventh year with the men and women hoping to continue to make winning a habit. Thirteen dual meet wins in 1991-92 by the women's program established a school record while they have never finished lower than third in 12 MAC meets. The Falcons train at beautiful Cooper Pool, one of the midwest's top swimming and diving facilities.

ATHLETIC DIRECTOR JACK GREGORY

Since his appointment 12 years ago as director of athletics at Bowling Green State University, John C. (Jack) Gregory has set a standard of excellence designed to place Falcon men's and women's teams on equal terms with today's elite intercollegiate athletic programs.

To reach these goals, Gregory challenges his staff of administrators, coaches and classified personnel to settle for nothing less than the very best. His challenge has resulted in some of the finest moments in the history of intercollegiate athletic programs.

Under Gregory's guidance, BGSU athletics has enjoyed two of its best years ever the last two seasons. Five league titles and postseason appearances by each of those five teams made the 1992-93 athletic year very special. And the women's program earned the Jacoby Trophy, awarded annually to the MAC school with the best overall record in women's sports.

All of that came on the heals of a 1991-92 season in which five teams set records for wins in a season, two earned postseason berths and the women's programs earned the Jacoby Trophy.

Some of the other highlights during Gregory's tenure include: postseason appearances by five BGSU teams in 1989-90 and 1990-91, back-to-back postseason appearances by the men's basketball program in 1989-90 and 1990-91 for the first time since the early 60s, and in 1989-90 Bowling Green was the only school in the country to send teams to national postseason tournaments in men's and women's basketball and hockey.

Gregory came to Bowling Green during one of the most difficult periods in the school's 73 years of intercollegiate athletics, a time when BGSU and the MAC were fighting for NCAA Division IA status in football. Behind Gregory's leadership, the football program attained IA status.

Record crowds have attended Falcon football, hockey and women's basketball games during Gregory's tenure. Soccer, volleyball, gymnastics and softball are drawing larger crowds, too.

Another “first” during Gregory's tenure occurred in the fall of 1990 when more than 25,000 fans turned out for the first night game in Perry Stadium history.

In 1983, 33,527 fans packed Perry Stadium to witness the Bowling Green-Toledo football clash, one of college football's best rivalries. BGSU and MAC single game attendance marks fell that afternoon. Two years later, the Falcons drew a record 112,110 fans for five home games, the third-largest average attendance (22,422) in MAC history. In 1992, Bowling Green set still another MAC attendance record by playing in front of 94,808 fans at Ohio State.

Sell-out crowds for BGSU hockey games are a tradition. In 1989-90, 1,700 seats were added to the BGSU Ice Arena, and all attendance records were broken, including single game (5,005) and season (79,376) marks.

With the growing interest in TV sports programming, Gregory has aggressively negotiated for live television coverage of BGSU sports events. Last year, Falcon football, basketball and hockey all attracted live TV coverage. This year promises more of the same. Falcon football and basketball will be aired as part of the MAC Game of the Week broadcasts, while Falcon hockey will continue to play in front of a national TV audience as part of the CCHA Game of the Week.

With the world of college athletics changing constantly, it is important for Gregory to be active on the national level. Gregory has served on the NCAA I-A Executive Committee, the I-A Television Committee, the Division I Ice Hockey Committee, and the Pro Sports Liaison Committee. He has also worked on numerous MAC and CCHA committees.

Gregory, 65, has also been instrumental in the development of the Falcon Club, the University's official athletic department booster club. Recent membership drives have encompassed all of northern and west central Ohio, resulting in unparalleled growth in cash and pledges. The Falcon Club has more than doubled its income and grown to such an extent that it is compares favorably with any athletic support organization in the country.

Still, Gregory understands the integrity of college athletics depends on the continued emphasis of the "student" in student-athlete. In that regard, he appointed an academic coordinator in 1984, the first such appointment in the MAC.

Many BGSU student-athletes have excelled in the classroom. Volleyball's Linda Popovich became the MAC's first female to receive the Byers Scholarship in May, 1990 while BG has had 21 Academic All-Americans in the last seven years.

A 1952 graduate of East Stroudsburg State College and holder of a master’s degree from Temple University, Gregory and his wife, Peg, reside in Bowling Green. They are the parents of two sons and have two grandchildren.
Today's Halftime Show

BGSU FALCON MARCHING BAND

September 11, 1993

The 1993 edition of the Falcon Marching Band wishes the best of luck to Coach Gary Blackney and the Falcon football team in their quest for a “three-peat” as Mid-American Conference Champions. The Band has been hard at work to produce the same quality at pregame and halftime as the fighting Falcons do after the game clock begins.

This afternoon’s halftime festivities feature a return to the early ’seventies, when hair was longer, bell-bottoms were bigger, and rock and roll assimilated some of the jazz idiom. To remember those times and that music, the Falcon Band takes us through the years with the music of Blood, Sweat, and Tears.

The sounds of the ‘seventies fill Perry Stadium in the Band’s opening medley that includes *Spinning Wheel,* and *Lucretia McEvil.* As a change of pace, the Band next performs a down and dirty swing version of *Hi De Ho,* closing with *God Bless the Child.*

The feature number for this afternoon is the revival of a relatively obscure B, S and T chart entitled *More and More,* which today spotlights the Band’s twirlers and flag corps. In appreciation of the supportive Falcon faithful in the stands, the Band’s finale says it all: *You’ve Made Me So Very Happy.*

ATHLETIC PROMOTIONS

by BRAD BROWNING
Assistant Athletic Director

Good afternoon football fans and welcome to Doyt L. Perry Stadium for another exciting football season!

Today’s game promises to be fun! It is the home opener for the Falcons who hope to move their home winning streak to 11. The game is Cincinnati’s second after hosting Austin Peay last week. Bowling Green leads this series 2-0 after victories in 1990 (34-20) and 1991 (20-16). I would like to give a special welcome to our season ticket holders and those fans participating in Family Day! A big thanks to the Sentinel-Tribune for its co-sponsorship of this special promotion. Enjoy your day!

Now let’s look ahead to the remainder of the Falcons’ 1993 home schedule:

**OCTOBER 2 VS. TOLEDO (Homecoming)** - A Falcon win would put them on top early-on in the title race. It also would give them the MAC record for consecutive conference wins at 17. This fierce rivalry began in 1919, and last year’s BG victory gives the Falcons the series lead at 31-22-4. Get your tickets early for this one! Sponsored by Barney’s Convenience Mart.

**OCTOBER 16 VS. AKRON (Group Day)** - BG defeated the Zips in their inaugural season last year 24-3, but Akron has been picked by some to contend for this year’s conference championship. The series is tied at two and this game will undoubtedly be a key factor in the title race. Make your plans now!

**NOVEMBER 6 VS. KENT (Parents’ Day)** - This game will take place during one of BGSU’s biggest days of the year — Parents’ Day. The Falcons have dominated this series with their sister school, winning 42 of their 61 meetings, including 18 out the 19 last meetings.

**NOVEMBER 20 VS. WESTERN MICHIGAN** - Season and senior finale. This game could very well play an important role in the final MAC standings. Plan on wearing your long Johns and bringing your thermos for the final home Falcon football game of the 1993 season.

Tickets for future Falcon home games can be purchased here today at the Will Call booth, located on the east side concourse, during halftime. Also, during regular working hours at the Memorial Hall Ticket Office (372-2762) and the following ticket outlets:

ABOUT THE VARSITY BG CLUB

The Varsity BG Club is an exclusive organization open only to former Bowling Green State University varsity letterwinners, who, for a non-tax deductible contribution of $20 per year, can help operate the club and support BGSU athletics at the same time. Almost 600 former Falcon letterwinners were Varsity BG Club members last year. Again this year, the Varsity BG Club is offering a lifetime membership for $200; no other dues will ever be required. Lifetime memberships for those 65 and older are only $100.

The Varsity BG Club undertakes two major projects each year. In July we will enjoy another Doyt Perry Golf Outing at the BGSU Forrest Creason Golf Course. Each fall, the annual Varsity BG Day festivities take place in conjunction with a Bowling Green football game. It’s a great day to return to campus and visit with former classmates and teammates.

We are looking forward to another big year for the Varsity BG Club and Falcon athletics, and all we need from you is your participation.

MEMBERSHIP BENEFITS

All active members of the Varsity BG Club will receive:
- Membership in an exclusive organization open only to BGSU varsity letterwinners.
- A list of special activities and programs, such as the ones described above.
- Subscription to the quarterly newsletter.
- Personal satisfaction in contributing to BGSU athletics through your continued involvement.

Doyt L. Perry Stadium, with its 30,599 seating capacity, is celebrating its 28th year as the home of Bowling Green State University football.

Built in 1966 for approximately $3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Stadium for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out arch-rival Toledo at Perry Stadium in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,000, an average of 22,422.

A large crowd is expected for this year's battle with Toledo on Oct. 2 as the Falcons go after their 17th straight league win, which would be a record, in front of a Homecoming Day crowd.

Perry Stadium is more than just a football facility. The east side of the stadium includes dressing rooms, equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift five years ago. A physical fitness center/weight room opened its doors for all 19 intercollegiate athletic teams in the summer of 1988.

Also situated on the west side of Perry Stadium is the football facility at BGSU was formally dedicated as Doyt L. Perry Stadium on Sept. 26, 1992. Present for the ceremony was (left to right) Perry's children D.L., Judy Perry McClain, David and Doyt's wife, Loretta. They are joined by John Mahaney, president of the Board of Trustees, University President Paul J. Olscamp and Athletic Director Jack Gregory.
FALCON FOOTBALL MAGAZINE

Stadium are the Falcon Club offices and clubhouse, the academic counselor’s office, the track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 14th year of operation, the Stadium Club’s 106 theater-type seats, which all are sold, provide luxury seating for President Paul J. Olscamp and other supporters of Falcon football.

Bowling Green won the first game ever played in Perry Stadium, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won over 66 percent of their home games, compiling a 86-42-5 record in the 133 games played at Perry Stadium. Over the last 11 seasons, Bowling Green is 42-9-3 at home for a .806 winning percentage.

Perry Stadium is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, Perry is fourth all-time behind Bob Reade (Augustana), Knute Rockne (Notre Dame) and Frank Leahy (Notre Dame) in winning percentage among coaches with at least 10 years of service on the collegiate level. Perry served as the BGSU athletic director for seven years after stepping down as football coach.

Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.
Time will treat you kindly
Years from now you'll be
Ever dearer in our hearts,
Our University.
From your halls of ivy
To the campus scene,
Chimes ring out with gladness
From our dear Bowling Green.
When all is just a mem'ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.

Ay Ziggy Zoomba is Bowling Green's unofficial fight song (the official fight song is "Forward Falcons"). No one knows who wrote "Ay Ziggy Zoomba," but it became famous nationally when former Falcon All-American and Detroit Lion All-Pro halfback Mike Weger sang it in the film "Paper Lion." The Falcon football team traditionally sings "Ay Ziggy Zoomba" after each victory.

Frieda & Freddie Falcon
Frieda and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and winners remain anonymous to the student body until each is "beheaded" at the last home basketball and hockey game. The Freddie Falcon tradition began in 1950 while Frieda Falcon was added for the 1979-80 athletic year.

Retired Jersey
The only football jersey ever retired at Bowling Green is #29. It was worn by Paul Miles from 1971-73. Miles rushed for 3,239 yards and 25 touchdowns in his career and was a three-time first team All-MAC selection. He was just the third back in NCAA history to rush for 1,000 or more yards in three consecutive seasons.

Why The Falcons?
The 1993 season marks the 66th anniversary of Bowling Green's nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake '23 suggested the nickname. Falcons, after reading an article on falconry. Lake, managing editor and sports editor of the Sentinel Tribune in Bowling Green at the time, proposed the name change because it fit headline space and because falcons were "the most powerful bird for their size and often attacked birds two or three times their size."

Why Orange and Brown?
Burnt Orange and Seal Brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a woman's hat on a bus trip to nearby Toledo, Ohio. He liked the brown and orange color combination. So, too, did former Cleveland Browns' head coach Paul Brown. Following a trip to BGSU in the 1940s. Brown used the colors for his All-America Conference team.

Two members of the BGSU Hall of Fame and their brothers make up this photo. Don and Cliff Stevenson (left side) are joined with Chet and Bill Chapman. Cliff Stevenson and Chet Chapman were inducted into the BGSU Hall of Fame in 1967 and 1965, respectively. Chet Chapman was a three-time All-Ohio pick at three different positions.

Cross Country
Head coaches Sid Sink, for the men, and Steve Price, for the women, are looking forward to the start of cross country with optimism.

The women will be young, but talented, with two of the top runners from a year ago returning along with a couple red-shirts and some talented newcomers.

Tracey Losi was the #2 runner last season to departed All-MAC performer Cheri Triner and should be one of the team leaders after being one of the top freshmen in the MAC last season. Suzanne Isco also returns after posting the third-best time on the team last year.

Michelle Jungbluth, who red-shirted last season, will be the captain, with Tiggy Hopkins and Kristen Gaddis also expected to be among the top runners. Among the newcomers, Laura Hall ranked 14th in the country last season among prep runners in the 3,200 meters and should contribute this season.

The men's squad could move up among the top three teams in the MAC this season after finishing fifth in the league meet last season.

Eddie Nicholson returns after being the #1 runner last season when he earned team MVP honors as well as all-MAC and All-Ohio accolades.

Also returning is Brad Schaser, the #2 runner last season, Deric Kenne, Brian Butler and Tim Arndt, one of the top freshman middle distance runners in the MAC during last year's track season.

Both squads began their season yesterday in a meet at home.

The other four returning players combined to start a total of two matches while playing in only 158 games.

The leading player in the group is junior Jessica Andrasko, who played in 74 games last season.

The young, inexperienced squad was tabbed for seventh place in the preseason poll done by the league coaches. They opened their season September 1.

Volleyball
Coach Denise Van De Walle is back to begin her 11th season heading the most successful program in the MAC.

Over the last four seasons, Van De Walle has led the Falcons to three MAC titles, a 44-6 record in league play, a 105-31 overall record, and post season appearances each of the last two years.

This season, she will have to overcome the loss of seven players from last year's squad which posted a 30-8 overall record and had a 17-1 mark in conference action.

Of the five returning players, only senior Nicky Mudrak has any extensive experience. She started 37 of 38 matches last season with a .271 hitting percentage, third-best on the team. She was also among the MAC leaders in blocking with 189.

Soccer
The soccer program is in much the same situation as volleyball in that most of the nucleus of last year's NCAA Tournament and nationally-ranked squad has been lost to graduation.

There has also been a temporary change at the top in the program, as assistant coach Mel Mahler will direct the team this season while head coach Gary Palmisano takes a leave of absence to work with the World Cup.

The Falcons do return three of the top five scorers from a year ago led by senior Brian Ferguson, who tied for second on the team with 22 points. Senior Tom Kinney was right behind with 14 points while equalling Ferguson's team-leading total of 12 assists. Freshman Ryan McCue had four goals and 11 points in his initial campaign.

The Falcons should also be solid in goal where junior Dan Traver returns after posting a 0.80 goals-against last season as the only goalkeeper to play.

They opened their season last week hosting their Kwik Goal Classic. They play at Central Michigan tomorrow.
Winning coaches like Gary don't just come out of a mold, you know... Winning programs like BGSU's don't either. But if anything could copy them, chances are it would be sold and serviced by a Minolta dealer...like Goodremont's!
