The Road So Far....

Ray Browne

Day 1
The borders confront us with who we are 

thinks in new and different ways 

to come away with a different perspective of our world 

ideas collide, converge, challenge
'Propaganda Piece'
Can you meet me half way?

I'm going to cross the border line,
I'm going to cross the quay line.
You know you're pushing me.

I'd love to sail just across the river,
And see you on the other side just a little further.

Girls, I travel around the world and even past the seven seas.

A NEW YORK DuBois
Cross your heart and hope to DIE
The Road So Far...

Ray Browne

Day 2
Let's not fall in love

She was asked to die for

So many steps to death

"No easy lessons in love."

"I've lost him because I was afraid to love him."

Is this his idea of love? I make one stupid mistake and he calls it quits.

Can the end be far behind?

Democratizes society

Popular culture makes democracy

Popular culture is the voice of democracy

ALL MEN ARE CHILDREN

IS WHAT YOU MAKE IT.
phrase to me like a stranger, your open mouth, our sprouted teeth in conversation
when I see you I see a river once wet, though it's not winter
you are hardly human to me these days but the sunlight looks
so different on your face, and the scorch is to be considered
like shapes no longer breaking, you hollowed me empty, but not vessel and not ugly,

and you grew stranger inside me and I grew mountainside

but for the breaking is it worth the dripping
thought I'd something more to say;
"The time is gone, the song is over,"

ANTHOLOGY

Nihilismus

Aunt Gay
All these thoughts make me feel upside down.

**THE TRIAL OF THE EXISTENTIAL**

*WHAT IS THE MEANING OF LIFE*

These drugs up in my brain.
I got that blue dream and purple haze.
I'm gonna draw a self portrait.
I'm making this vision immortalized.
I hear sirens in the distance.
But man I'm miles away.
My jive mind is elsewhere.
Thinking backwards I sometimes don't remember what I set out to do.
even now as I type this I forget certain words and phrases that I wish to use with the utmost
form of diction and clarity. My mind is racing like a lamb to the slaughter
the only thinking mind is my long lost daughter and son.

My brown skin got me in this mess, but my poor choices extended it

Am I to blame for a system so unjust?

Am I to blame for not seizing opportunity when it is needed?

Here am I in this jail cell thinking away my old ideas

Get me out of this damned place

GET ME OUT

GET ME OUT
All this agitate him
His spirit flying above
A thinking black man
